| Rankings | V-3 |
| Highlights of Institution and Program Rankings and Awards | V-3 |
| Rankings Overview and Analysis | V-8 |
| National Rankings Systems | V-8 |
| Recent Top Programs in National Rankings | V-27 |

Institution Missions, Peer Comparisons, and Centers of Excellence

Academic Institutions

| | |
|--|-------|
| The University of Texas at Arlington | V-43 |
| The University of Texas at Austin | V-49 |
| The University of Texas at Brownsville/Texas Southmost College | V-55 |
| The University of Texas at Dallas | V-65 |
| The University of Texas at El Paso | V-77 |
| The University of Texas-Pan American | V-85 |
| The University of Texas of the Permian Basin | V-91 |
| The University of Texas at San Antonio | V-99 |
| The University of Texas at Tyler | V-105 |

Health-Related Institutions

| | |
|---|-------|
| The University of Texas Southwestern Medical Center at Dallas | V-111 |
| The University of Texas Medical Branch at Galveston | V-117 |
| The University of Texas Health Science Center at Houston | V-123 |
| The University of Texas Health Science Center at San Antonio | V-129 |
| The University of Texas M. D. Anderson Cancer Center | V-135 |
| The University of Texas Health Center at Tyler | V-139 |

Student Access, Success, and Outcomes

Section I

Undergraduate Participation, Success, and Outcomes

| | |
|---|----|
| Number and percent increase of first-time, full-time degree-seeking undergraduates, disaggregated by ethnicity and gender | 13 |
| Ethnic composition of first-time, full-time undergraduates compared with composition of high school graduates in state..... | 15 |
| Average ACT/SAT scores of first-time, full-time, degree-seeking undergraduates | 16 |
| Number and percent of first-time, full-time, degree-seeking undergraduates from top 10% of their high school class, by ethnicity | 17 |
| Number of undergraduate students enrolled on 12 th class day, by ethnicity, gender, and age | 19 |
| Number of first-time, part-time undergrads; % first-time, part-time degree-seeking undergrads; % part-time undergrads..... | 22 |
| Total financial aid disaggregated by source and type | 25 |
| Percent TEXAS grant funds allocated | 25 |
| Number of financial aid awards to undergraduate students, and amount awarded | 26 |
| Average net academic cost and average percent discount for full-time undergraduate students | 27 |
| First-year persistence rate for first-time, full-time degree-seeking undergraduates enrolled at this University, by ethnicity, gender | 28 |
| Four-, five-, and six-year graduation rates from this University of first-time, full-time undergraduates | 31 |
| Six-year graduation rates of undergraduates enrolled at this University, by ethnicity and gender | 34 |
| Four-year graduation rate from this University of transfer/community college students | 36 |
| Six-year composite graduation and persistence rates from this or another Texas public university, by ethnicity and gender | 37 |
| Number of baccalaureate degrees awarded, by ethnicity and gender | 41 |
| Certification exam pass rates of teacher education baccalaureate graduates, by ethnicity and gender | 44 |
| Licensure exam pass rates of nursing graduates..... | 47 |
| Licensure exam pass rates of engineering graduates | 47 |
| Student outcomes: satisfaction with advising | 48 |
| Student outcomes: evaluation of overall educational experience | 50 |
| Student outcomes: likelihood of attending same institution again | 51 |
| Student learning outcomes: Collegiate Learning Assessment | 53 |
| Post-graduation experience: % of baccalaureate graduates employed or enrolled in a graduate/professional program in Texas..... | 62 |

Graduate and Professional Students

| | |
|--|----|
| Average entrance examination scores: GRE, LSAT, GMAT | 63 |
| Number of graduate and professional students enrolled on the 12 th class day, by ethnicity and gender | 64 |
| Number of degrees awarded by level (masters, professional, doctoral), disaggregated by gender and ethnicity..... | 67 |
| Graduate/professional student certification/licensure exam pass rates for law..... | 71 |
| Graduate/professional student certification/licensure exam pass rates for pharmacy | 71 |
| Graduate and professional degrees in high priority fields..... | 72 |
| Graduate education degrees conferred | 74 |
| Number of graduate and professional programs, by level | 75 |

U. T. Academic Institutions, continued

Page

| | |
|--|--------------------|
| Teaching, Research, and Health Care Excellence | Section II |
| Dollar amount of research expenditures, by funding source (federal, state, private, local) | 5 |
| Sponsored revenue, by funding source | 6 |
| State appropriations for research as a percent of research expenditures | 9 |
| Number and percent of FTE tenure/tenure-track faculty holding extramural grants | 9 |
| Ratio of research expenditures to FTE tenure/tenure-track faculty | 12 |
| Total number of endowed professorships and chairs, number filled, and percent of total tenure/tenure-track faculty | 14 |
| Faculty awards | 16 |
| Number of new invention disclosures..... | 18 |
| Number of U.S. patents issued..... | 18 |
| Number of licenses and options executed | 18 |
| Number of new start-up companies..... | 18 |
| Gross revenue from intellectual property..... | 18 |
| Number of faculty and staff, by ethnicity and gender | 19 |
| FTE student/FTE faculty ratio..... | 22 |
| Percent lower division semester credit hours taught by tenure/tenure-track faculty | 23 |
| Number of postdoctoral fellows | 24 |
| Examples of high-priority externally funded research collaborations | 25 |
| Examples of high-priority educational collaborations | 29 |
| Faculty salaries and trends | 33 |
| | |
| Service to and Collaborations with Communities | Section III |
| Contributions to K-12 education, and high-priority collaborations with schools and community colleges | 3 |
| Examples of economic impact (periodic studies), and economic impact of capital expenditures | 11 |
| Examples of collaborations with business, non-profit, and community organizations..... | 15 |
| Historically Underutilized Business trends..... | 21 |
| Sources of donor support (alumni, individuals, foundations, corporations, other) | 24 |
| Distance education trends | 36 |
| | |
| Organizational Efficiency and Productivity | Section IV |
| Key operating revenue sources, disaggregated by source (i.e., state appropriations, tuition, etc.) | 7 |
| Key operating expenses, disaggregated by purpose | 7 |
| Adjusted total revenue (tuition, fees, state appropriations) per FTE student and per FTE faculty | 9 |
| Appropriated funds per FTE student and per FTE faculty | 10 |
| Total dollar amount of endowment, and ratio per FTE student and per FTE faculty | 12 |
| Amount expended for administrative costs as a percent of expenditures | 14 |
| Assignable space per FTE student | 15 |
| Space utilization rate of classrooms | 15 |
| Ratio of research expenditures to research E&G sq. ft..... | 16 |
| Construction projects—total projected cost, number of projects, number of square feet to be added..... | 17 |
| Facilities condition index..... | 18 |
| Energy Use..... | 19 |
| Small class trends | 20 |

U. T. Health-Related Institutions

| | Page |
|---|------------------------|
| Student Access, Success, and Outcomes | Section I |
| Number of undergrad, grad, and professional students enrolled by school on the 12 th class day, by ethnicity, gender, and level..... | 73 |
| Licensure/certification rate of allied health students..... | 81 |
| National board exam first-time pass rate for dental students..... | 81 |
| National board exam first-time pass rate for medical students..... | 81 |
| National licensure exam pass rates of graduate level nursing students (R.N., and advance practice nursing)..... | 81 |
| Number of degrees awarded, by school, level, ethnicity, and gender..... | 82 |
| Graduation rates of medical, dental, nursing, allied health, public health, and informatics students..... | 90 |
| Medical student satisfaction..... | 91 |
| Post-graduation experience: % of baccalaureate graduates employed or enrolled in a graduate/professional program in Texas..... | 92 |
| Teaching, Research, and Health Care Excellence | Section II |
| Dollar amount of research expenditures, disaggregated by funding source..... | 35 |
| Sponsored revenue, by funding source..... | 36 |
| Amount of research expenditures as a percent of formula-derived general appropriations revenue..... | 38 |
| Number and percent of FTE tenure/tenure-track & FTE non-tenure-track research faculty holding extramural grants..... | 39 |
| Ratio of research expenditures to FTE faculty..... | 41 |
| Total number of endowed professorships and chairs, number filled, and percent of total tenure/tenure-track faculty..... | 42 |
| Faculty awards..... | 43 |
| Number of new invention disclosures..... | 44 |
| Number of U.S. patents issued..... | 44 |
| Number of licenses and options executed..... | 44 |
| Number of new start-up companies..... | 44 |
| Gross revenue from intellectual property..... | 44 |
| Number of faculty and staff, by ethnicity, and gender..... | 45 |
| FTE student/FTE faculty ratio..... | 48 |
| Number of Accreditation Council for Graduate Medical Education-accredited resident programs..... | 49 |
| Number of residents in ACGME-accredited programs..... | 49 |
| State-owned and affiliated hospital admissions by U. T. institution faculty..... | 49 |
| State-owned and affiliated hospital days by U. T. institution faculty..... | 50 |
| Outpatient visits in state-owned and affiliated facilities treated by U. T. institution faculty..... | 50 |
| Total charges for un-sponsored charity care by faculty in state-owned and affiliated facilities..... | 50 |
| Patient satisfaction ratings..... | 51 |
| Examples of high-priority externally funded research collaborations..... | 54 |
| Examples of high-priority educational collaborations..... | 58 |
| Service to and Collaborations with Communities | Section III |
| Examples of K-16 collaborations..... | 27 |
| Examples of economic impact (periodic studies), and economic impact of capital expenditures..... | 11 |
| Examples of collaborations with business, non-profit, and community organizations..... | 30 |
| Historically Underutilized Business trends..... | 33 |
| Sources of donor support (alumni, individuals, foundations, corporations, other)..... | 34 |
| Distance education trends..... | 36 |
| Organizational Efficiency and Productivity | Section IV |
| Key operating revenue sources, disaggregated by source (i.e. state appropriations, tuition, etc.)..... | 24 |
| Key operating expenses disaggregated by purpose..... | 24 |
| Ratio of admissions, charity care, hospital days, and clinic visits to General Revenue for state-owned hospital/clinic operations..... | 26 |
| Total dollar amount of endowment, and ratio per FTE student and per FTE faculty..... | 27 |
| Amount expended for administrative costs as a percent of expenditures..... | 28 |
| Clinical charges and revenue per FTE clinical faculty..... | 29 |
| Ratio of research expenditures to research E&G sq. ft..... | 30 |
| Facilities condition index..... | 30 |
| Construction projects—total projected cost, number of projects, # sq. ft. to be added..... | 31 |
| Energy Use..... | 32 |

U. T. System

Page

System Performance

| | |
|--|-------|
| Total enrollments, percent increase over previous year | I-3 |
| Comparison of total U. T. System enrollment increases with increases for all senior institutions in Texas | I-3 |
| Number of total graduates as a percent of total graduates in state | I-6 |
| Percent of U. T. Hispanic graduates as % of all Hispanic graduates in state | I-8 |
| Percent of U. T. Black graduates as % of all Black graduates in state | I-8 |
| Hispanic Serving Institutions in System | I-9 |
| System research funding trends | II-3 |
| Total technology development (inventions, patents, license agreements, public start-ups, intellectual property income) | II-17 |
| Total operating revenue by fund sources | IV-3 |
| Total operating expenditures by purpose | IV-3 |
| Total expenses for U. T. System Administration Operations | IV-4 |
| Number and demographics of System employees (compare with State demographics) | IV-4 |
| U. T. System bond rating | IV-5 |
| Energy use | IV-19 |
| Total patient care revenue | IV-26 |

Institutional Profiles

Section V
