LIST OF INDICATORS

STUDENT ACCESS, SUCCESS, AND OUTCOMES

Preparation and Academic Cost	I.1
Admission test scores: ACT, SAT, GRE, GMAT, LSAT	
Average net academic cost and average percent discount for full-time undergraduate students	
Undergraduate financial aid awards	
Total financial aid by source and type	
Enrollment	I.4
Total enrollments and percent increase over previous five years	
Comparison of total UT System enrollment increases with increases for all Texas universities	
Proportion of undergraduate, graduate, and professional students by ethnicity and level	
Number and percent increase of first-time undergraduates and transfer students	
Comparison of ethnicity of first-time undergraduates and Texas high school graduates	
Proportion of first-time undergraduates from top 10% and attending full-time	
Proportion of first-time undergraduates from top 10% of their high school class by ethnicity	
Number of undergraduates per professional academic advisor	
Outcomes	I.7
First-year persistence rate for first-time, full-time degree-seeking undergraduates, and by ethnicity	
Four-year graduation rates of first-time, full-time degree-seeking undergraduates	
Six-year composite graduation and persistence rates, and by ethnicity	
Progress to six-year graduation rate goals	
Six-year graduation rates of first-time, full-time degree-seeking undergraduates, and by ethnicity	
Four-year graduation rates for community college transfer students	
Graduation rates of graduate students at health-related institutions	
Time to degree: average number of semesters enrolled before earning baccalaureate degree	
Number of degrees awarded by ethnicity and level	
Enrollment and degree trends	
Certification, licensure, and national board exam pass rates	
Collegiate Learning Assessment results	
National Survey of Student Engagement: advising, educational experience, likelihood of attending same institution again	
Medical student satisfaction	
Postgraduate experience: baccalaureate graduates employed or attending a graduate/professional school in Texas	
FACULTY, INSTRUCTION, AND RESEARCH	
Faculty	I.19
Number of tenured/tenure-track faculty	
Faculty salaries and trends	
Instruction	I.21
FTE student/FTE faculty ratio	
Proportion of lower division semester credit hours taught by tenured/tenure-track faculty	
Small class trends	
Distance education trends	

Research	I.24
Research expenditures, by funding source (federal, state, private, local)	
Sponsored revenue	
Ratio of research expenditures to FTE tenured/tenure-track faculty	
Number and percent of FTE tenured/tenure-track faculty holding extramural grants	
State appropriations for academic institutions' research as a percent of research expenditures	
Health-related institutions' research expenditures as a percent of formula-derived general appropriations revenue	
National and state research rankings	
Faculty awards	
Number of postdoctoral fellows	
Number of new invention disclosures	
Number of U.S. patents issued	
Number of licenses and options executed	
Number of new start-up companies	
Gross revenue from intellectual property	
 HEALTH CARE	 I.31
Total patient care revenue at UT health institutions	
Charges and revenue per FTE clinical faculty	
State-owned hospital admissions by faculty	
State-owned and affiliated hospital days by faculty	
Outpatient visits in state-owned and affiliated facilities by faculty	
Hospital and clinic service in relation to General Revenue	
Total charges for unsponsored charity care by faculty in state-owned and affiliated facilities	
Total charges for unsponsored charity care by hospitals owned by UT health institutions	
Patient satisfaction ratings	
 OPERATIONS, EFFICIENCY, AND PRODUCTIVITY	
Revenues and Expenditures	I.35
Key revenues by source	
Key expenses by purpose	
Ratio of campus administrative costs to expenses	
Appropriated funds per FTE student	
Revenue (tuition and fees) per FTE student	
Total dollar amount of endowment, and ratio per FTE student and per FTE faculty	
Total number of endowed professorships and chairs, number filled, and percent of total tenured/tenure-track faculty	
Sources of donor support	
Alumni support trends	
Efficiency and Productivity	I.42
UT System bond rating	
Historically underutilized business trends	
Energy use	
Space utilization of classrooms	
Ratio of research expenditures to research E&G sq. ft.	
E&G assignable space per FTE faculty	
E&G assignable space per FTE student
