

**THE UNIVERSITY OF TEXAS SYSTEM  
STUDENT ENROLLMENT TREND BY ETHNIC ORIGIN  
WHITE VS. ALL OTHER  
FALL 1988 - 1997**

Source of data: Texas Higher Education Coordinating Board data (Fall 1997 preliminary)

Notes: Although UT Pan American and UT Brownsville did not become part of the UT System until 1989, their student enrollments are included in all years to provide a historical perspective.

An educational partnership between UT Brownsville and Texas Southmost College was established Fall 1992, which has resulted with the inclusion of Texas Southmost students in the totals.
