## MEDICAL BILLING COMPLIANCE EDUCATION

PROVIDING COMPLIANCE LEADERSHIP AND GUIDANCE TO THE UNIVERSITY OF TEXAS SYSTEM

The UT System Medical Billing Compliance Advisory Committee sponsors this session focusing on coding from the operative report.

Through the case study method, participants will learn how to filter key information from operative and procedure reports in order to accurately select the proper CPT codes.

This session is intended to be practice for those who are preparing to sit for the national coding certification examination or just want a refresher. The level of difficulty is considered “beginner.”

*\*This program has the prior approval of the American Academy of Professional Coders (AAPC) for 2.0 continuing education hours. Granting of prior approval in no way constitutes endorsement by the AAPC of the program content or the program sponsor.*
