

THE UNIVERSITY OF TEXAS SYSTEMWIDE COMPLIANCE OFFICE

MEDICAL BILLING COMPLIANCE EDUCATION

PROVIDING COMPLIANCE LEADERSHIP AND GUIDANCE TO THE UNIVERSITY OF TEXAS SYSTEM

Through a series of four modules, beginner/intermediate level participants will learn key aspects of hospital outpatient coding, billing, reimbursement and compliance.

Modules I & II: The Fundamentals of Medicare's Outpatient Prospective Payment System (OPPS). [APC's, addendum B, Status Indicators, NCCI edits, E/M codes for hospitals, etc.]

Module III: An Introduction to the UB-04 (CMS-1450) [Bill Types, Revenue Centers, Condition/Occurrence Codes]

Module IV: Hospital Operational Issues and Compliance Programs [Charge Masters, OIG program guidance for hospitals, ABN]

These sessions are jointly sponsored by the University of Texas System Medical Billing Compliance Advisory Committee and the University of Texas Systemwide Compliance Office.

About the Presenter:

C.J. Wolf, MD, CHC, CPC, CPC-H

Assistant Systemwide Compliance Officer, The University of Texas System

C.J. joined the Systemwide Compliance office of the University of Texas System in June of 2009. Previously he served as Director of Billing Compliance at the University of Texas M D Anderson Cancer Center in Houston from 2006-2009. M D Anderson is consistently ranked as one of the top cancer centers in the country and employs over 15,000 staff and 1,700 faculty. Prior to his work at M D Anderson, C.J. worked in management roles in coding, reimbursement and revenue cycle at Intermountain Healthcare from 1999-2006. Intermountain Healthcare is a nonprofit health system based in Salt Lake City, with over 30,000 employees consisting of 21 hospitals, physicians, clinics & services, and health insurance plans. C.J. is passionate about teaching and has presented at many conferences and seminars. From 2003-2007 C.J. co-developed and taught the multi-day workshop "APC University" which hundreds have attended. He received his medical degree from the University of Illinois at Chicago College of Medicine and his bachelor's degree from Brigham Young University.

The UT Medical Billing Compliance Education series is a service for UT personnel only.
