

THE UNIVERSITY OF TEXAS SYSTEMWIDE COMPLIANCE OFFICE

MEDICAL BILLING COMPLIANCE EDUCATION

PROVIDING COMPLIANCE LEADERSHIP AND GUIDANCE TO THE UNIVERSITY OF TEXAS SYSTEM

This session will include basic information necessary for oncology coding including:

- *Overview of cancer
- *Neoplasm related code changes over the past three years
 - Neoplasm diagnosis codes
 - Non-neoplasm diagnosis codes that affect patients with neoplasms
 - Procedure codes
- *Current cancer vs. History of cancer
- *Case scenarios to demonstrate application of the data presented
- *Preview: Neoplasm coding in ICD-10-CM

This session is sponsored by the UT System Medical Billing Compliance Advisory Committee.

**This program has the prior approval of the American Academy of Professional Coders (AAPC) for 1.0 continuing education hours. Granting of prior approval in no way constitutes endorsement by the AAPC of the program content or the program sponsor.*

About the Presenter:

Dalona Beckham Griffin, BS, MBA, RHIA, CCS

Manager, Clinical Data—The University of Texas M. D. Anderson Cancer Center in Houston, TX

Dalona has over fifteen years of experience in health information management including coding and management experience encompassing both inpatient and outpatient settings. In her current role, Dalona analyzes documentation and evaluates coding data quality as it relates to compliance and reimbursement. She also works with multidisciplinary teams to plan and implement corrective actions regarding reimbursement and documentation issues. Dalona has been instrumental in the development of new diagnosis codes for the ICD-9-CM including codes for non-Hodgkin's Lymphoma (2007), Neuroendocrine Tumors (2008), and Antineoplastic Chemotherapy Drug Induced Anemia (2009). She also works as an adjunct instructor teaching courses in coding. Dalona is a representative for M.D. Anderson at the Alliance of Dedicated Cancer Centers and is a member of AHIMA.

The UT Medical Billing Compliance Education series is a service for UT personnel only.
