- Compliance Officers
- Billers
- Coders

About the Presenter:

Kim Reid, CPC, CPMA, CEMA, CPC-I, Regional Director AAPC Physician Services, Northeast

Kim brings over 22 years of progressive coding experience in healthcare to her role as Regional Director for the Northeast region. She has a vast range on knowledge from working in a variety of professional medical settings, including a large academic medical group in Vermont. Her most recent role as a Senior Coding Educator proved her to be successful in leading physicians and students to achieve comprehensive levels of understanding on complex coding and documentation guidelines. She has done extensive work on identifying Compliance risk areas and providing education to promote awareness and operational improvements throughout an academic medical center with 500+ physicians.

The UT Systemwide Compliance Academy is a service for UT personnel only.
