About the Presenters:

Kelly Saunders, Partner, Partner, Deloitte & Touche LLP

Ms. Saunders has over 15 years of experience in the health care industry and specializes in providing compliance and risk services. She has worked on numerous compliance reviews, internal audits and investigations in areas including inpatient/outpatient coding, behavioral health, pharmacy, hospital-physician arrangements, medical necessity and observation status, clinical research billing and others. She has also served as an interim compliance officer and director of internal audit for several clients. Kelly has assisted numerous providers with investigations and self-disclosures of documentation and has led several Independent Review Organization (IRO) projects.

John Valenta, Director, Partner, Deloitte & Touche LLP

Mr. Valenta has over 20 years of experience in the healthcare industry and advises clients on financial, regulatory and compliance issues. He has extensive experience assisting clients with revenue optimization, government program reimbursement, compliance, government regulations, internal controls and other financial and operational issues. John has been participating on Deloitte's Health Care Reform team and has conducted extensive analysis on the recently passed legislation and the potential impacts it may have on health care providers. In addition, he has had a particular focus on the Accountable Care Organization (ACO) pilot programs and has performed research and provided educational presentations related to developing an ACO.
