

Please join Kelly Willenberg from Synergism as she reviews the challenges of grants management within a compliance program.

Focus areas will include:

- List strategies to communicate within the institution to balance the task of risk vs. benefit with federal grant dollars
- Provide tips for grants management assuring compliance
- What are high priorities for sites managing large grants?

CPE credit: CPE credit will be available for participants attending the live session

#### About the Presenter:

##### **Kelly Willenberg, President, Synergism LLP**

Kelly Willenberg is the President of Synergism, LLC. A new approach to healthcare compliance consulting, Kelly approaches clients as “advocates working together”. Prior positions included the Director of Billing Compliance and the Director of the Cancer Center’s Clinical Trials Office, both at Vanderbilt University Medical Center. She is a prominent clinical research professional who has physician and hospital reimbursement knowledge, as well as regulatory compliance. She has managed a clinical research program at an NCI designated Cancer Center and a not-for-profit tertiary level 1 trauma center. She holds a Bachelors Degree in Nursing, a Masters of Business Administration and is a PhD candidate in Management with her dissertation underway. She is certified in Healthcare Compliance and Research Healthcare Compliance.
