

You are invited to join David Ivey from The University of Texas at Austin in a highly interactive discussion on Export Controls. In this session, David will provide a brief overview of the challenges of export control compliance plus cover the essentials of technology control plans and example contract clauses. Ample time will be available for questions and answers.

Learning objectives:

- Overview of export control compliance
- Example contract clauses
- Essentials of technology control plans

CPE credit: CPE credit will be available for participants attending the live session

\*\* Of note, if you would like additional insights on export control fundamentals, please visit the Sept 2009 webinar, The Essentials of Export Controls ([presentation link](#), [materials](#)) on the [Systemwide Compliance Academy website](#)

**About the Presenter:**

*David Ivey, J.D., Export Compliance Counsel and Export Control Officer, Office of Sponsored Projects, The University of Texas at Austin*

Mr. Ivey serves as the Export Control Officer at UT Austin. Prior to joining UT Austin, David was a partner with Baker & Hostetler in Houston, TX where he concentrated his practice in advising clients on matters concerning the International Traffic in Arms Regulations (ITAR), the Export Administration Regulations (EAR), the regulations of U.S. Customs and Border Protection and of the Office of Foreign Assets Control (OFAC). Mr. Ivey was raised in Austin and is a graduate of the University of Texas at Austin and Texas Tech University School of Law.
