*The assignments you are required to complete as part of your "Session Completion Deadlines" are all listed on your Online Kaplan Syllabus as "Required" in red font.

*You have access to 5 Live Online Review Sessions that are designed to give you additional guidance and support throughout your self-study preparation. You are required to attend at least 3 of the 5 review sessions, and you may choose the dates you'd like to attend. While JAMP is only requiring that you attend 3, it is highly recommended that you take advantage of all 5 sessions in order to make the most of your MCAT preparation.

*This syllabus may change at the discretion of Kaplan and/or JAMP. You will be notified of any changes via email.
