

Update – July 6, 2009

The master planning team led by Cooper, Robertson & Partners presented two conceptual master plans to the Board of Regents in an open meeting on June 18, 2009. The Board took no action on those plans. A public comment session will be held sometime during the coming academic year; the date for that session will be announced at a future time. A video of the June 18th meeting, the PowerPoint presentation given at that meeting, and the two conceptual plans are available at www.utbracktract.com.

The full report of the master planners, containing the conceptual plans and the analysis, is being prepared and is expected to be finalized by the end of the summer. This site will be updated when the final report is completed.

Public comments may be sent to BrackTract@utsystem.edu.
