

Update - October 7, 2009

The final report of Cooper, Robertson & Partners is now available. It may be accessed at <http://www.utsystem.edu/reo/brackenridge/ProjectReport.html>.

The master planning team led by Cooper, Robertson & Partners presented two conceptual master plans to the Board of Regents in an open meeting on June 18, 2009. The Board took no action on those plans. A public comment session will be held sometime during the coming academic year; the date for that session will be announced at a future time. A video of the June 18th meeting, the PowerPoint presentation given at that meeting, and the two conceptual plans are available at www.utbracktract.com.
