Below is a list of activities any individual interested in serving in the role of Student Regent for the UT System should be aware of for their planning purposes.

- 1. Meeting Attendance. The Board has regularly scheduled meetings once a quarter. These meetings involve two full days of meetings, social events, and travel. In addition, two two-day meetings are scheduled for strategic planning purposes each year. Also, special called Board meetings occur throughout the year as external circumstances warrant and do not follow a regular schedule. In the last fiscal year x special called meetings occurred. A special called meeting generally requires either a full-day of meeting and travel or a telephone conference meeting.
- 2. Meeting Preparation. Required reading for a regularly scheduled meeting generally involves 300 plus pages of material that may require anywhere from six to ten hours to review. The volume of material to read in preparation of a special called Board meetings will vary based on the number of topics placed on the meetings agenda. Required reading materials are generally sent to the Regents ten days prior to the scheduled meeting.
- 3. Regent Orientation. One full day is scheduled as an opportunity for the offices of System Administration to brief new Regents on the responsibilities and value added by those offices to the UT System.
- 4. Training. Eight hours is estimated for obtaining training or reading on subjects such as conflict of interest issues, ethics, open meetings, and open records requirements.
- Financial Disclosure. Every Regent is required to file a Personal Financial Disclosure Statement with the Texas Ethics Commission. The time required in filing will depend on the extent of assets owned.
- Review of Regents' Rules. The Regents' Rules and Regulations are the
 policies established by the Board of Regents. Eight hours should be
 estimated for a new Regent to become familiar with the content of those
 Rules.

(Texas Education Code § 51.355) NONVOTING STUDENT REGENT; UNIVERSITY SYSTEM BOARD OF REGENTS. (a) In this section, "student government" means the representative student organization directly elected by the student body of a general academic teaching institution or medical and dental unit.

- (b) The chancellor of each university system shall develop a uniform application form to be used by each general academic teaching institution and medical and dental unit in the university system to solicit applicants for the position of student regent.
- (c) Except as provided by Subsection (f), not later than November 1 of each year, the student government of each general academic teaching institution and medical and dental unit in a university system shall solicit applicants for appointment to the next regular term of the position of student regent. Not later than January 1, from among the applications received by the student government, the student government shall select five applicants as the student government's recommendations for the position of student regent and send the applications of those applicants to the chancellor of the university system. From among those applicants, the chancellor shall select two or more applicants as the university system's recommendations for the position of student regent and shall send the applications of those applicants to the governor not later than February 1. The governor may request to review all applications for the position of student regent received by the student governments and may request an applicant to submit additional information to the governor. On June 1, or as soon thereafter as practicable, the governor shall appoint one of the applicants to serve as the student regent for the system for a one-year term expiring on the next May 31.
