Equal Employment Opportunity Policy Statement

The University of Texas System Administration is an equal employment opportunity employer and does not discriminate against applicants or employees on the basis of race, color, national origin, religion, gender, age, disability, veteran status, or sexual orientation. System Administration is committed to ensuring that all aspects of employment, including recruitment, promotion, compensation, benefits, and training, are based on equal employment opportunity principles. In addition, System Administration will continue to make good faith efforts to attract as applicants qualified minorities, women, veterans, and individuals with disabilities.

It is the responsibility of all System Administration personnel to assure continued compliance with our Equal Employment Opportunity policy through adherence to established procedures. Additional information is available at <http://www.utsystem.edu/policy/policies/int121.html>.

Prohibition of Sexual Harassment

System Administration is committed to the principle that the working environment should be free from inappropriate conduct of a sexual nature. Sexual misconduct and sexual harassment are unprofessional behaviors, and individuals who engage in such behaviors will be subject to disciplinary action. This policy applies to all U. T. The policy is applicable regardless of the gender of the complainant or the alleged harasser. Please refer to <http://www.utsystem.edu/policy/policies/int134.html> for more information.
