

A MESSAGE FROM THE PRESIDENT

Friends,

With profound respect for your work, I am pleased to announce the next step toward welcoming UTRGV's first students in Fall 2015. At approximately 12:00 p.m. on Tuesday, August 12, UTRGV will begin accepting letters of interest for its Phase I faculty process.

All Phase I postings will be available online at <http://www.utsystem.edu/system/careers-utrgv/faculty-opportunities>. These postings will include tenured and tenure-track positions in each of UTRGV's seven proposed colleges. The names of UTRGV's colleges are, of course, subject to approval by the UT System Board of Regents at its August 20-21 meeting. However, each posting will identify the college in which the position will initially be housed; the tenured or tenure-track nature of the posting; the number of vacancies covered by the posting; and other pertinent information.

The Phase I postings will be available online until **September 8**. By **October 6**, UTRGV will extend Phase I offers and notify individuals who were not selected in Phase I. Details on other important dates are available in our [FAQs](#).

Many of you will have questions – some technical, others substantive – as you use the website. Some questions will be answered in the [FAQs](#), and I welcome you to submit others by email to Phase1faculty@utrgv.edu.

I very much look forward to our next steps together.

Sincerely,

Guy Bailey
President
