

AUSTIN, February 10, 1922.

In response to the following call, issued by the Chairman of the Board, the Regents of the University met in the President's Office on Friday morning, February 10, 1922:

"Please be advised that at the request of President Vinson there will be held a meeting of the Board of Regents of the University of Texas, Friday, February 10th, Same is to be held in the Office of President Vinson at 9:30 A.M.

The purpose of this meeting is to consider the request of Dean Carter for leave of absence and also to act upon such other matters as may be presented. There are several things that should have the attention of the Board and it is desirable that we have a full attendance.

January 19, 1922.

Yours very truly,  
H.J. L. Stark,  
Chairman."

The attendance at this meeting was as follows: Regents Stark, (Chairman), Folts, Jones, Kelly, O'Hair, Wortham and Wroe; President Vinson and the Secretary. Regent Sam P. Cochran of Dallas (successor to Regent H. H. Harrington, resigned), detained by illness at home, came in late in the afternoon.

The minutes of the meeting of October 21, 1921, were approved.

#### I. PRESIDENT'S REPORT

President Vinson read his report (see pp. 40-47) to the Board and the actions indicated below were taken.

1. UNIVERSITY CALENDAR. Adopted, on motion of Mr. Folts, seconded by Mr. Jones, the following revisions of the Main University Calendar:

- (1) Fall registration to begin September 21 and fall term to end December 22.
- (2) Winter term to begin January 3 and end March 18.
- (3) Spring term to begin March 19 and end June 6.
- (4) Summer session to begin June 7 and end August 31.

2. ADMISSION UNITS. Adopted, on motion of Mr. Kelly, seconded by Mr. Jones, the following admission modifications:

- (1) The amount of admission credit that may be accepted in Domestic Art and Domestic Science be changed from  $\frac{1}{2}$  or 1 unit in each to  $\frac{1}{2}$ , 1, or  $1\frac{1}{2}$  in each.
- (2) The foreign language requirement for admission to the College of Engineering be changed from two units in one foreign language to read as follows: "Two units in one foreign language, or two units in laboratory sciences, or one unit in laboratory science and one unit in Solid Geometry and Plane Trigonometry."

3. DEGREE REQUIREMENTS. Approved, on motion of Mr. Kelly, seconded by Mr. Folts, the proposed changes in degree requirements quoted in full in the President's report.

4. CHANGE OF NOMENCLATURE. Changed, on motion of Mr. Jones, seconded by Mr. Folts, the name of the Division

of Chemistry to the Division of Industrial Chemistry, and the Division of Engineering to the Division of Engineering Research, both being in the Bureau of Economic Geology and Technology.

5. UNIVERSITY CAFETERIA. Approved, on motion of Mrs. O'Hair, seconded by Mr. Kelly, the policies outlined in the report of the Cafeteria Committee, given below, and gave the manager of the Cafeteria the same authority as the business manager of the Woman's Building for the purchase of provisions and supplies for the Cafeteria, with the understanding that immediate responsibility shall rest with Miss Gearing, Professor of Home Economics.

"President R. E. Vinson,  
University of Texas,  
Austin, Texas.

Dear Sir:

On the 18th of October you referred to us a petition signed by a large number of students asking for changes in the management of the University Cafeteria (see Exhibit A) and you requested us to investigate the Cafeteria and make an independent report of the changes which we might find necessary in its conduct.

Both because of your request and because we regard the Cafeteria as a highly important, indeed a vital, part of the University, we have tried to consider carefully both its present operation and its future possibilities, even though some delay might be involved.

In addition to the petition, student feeling about the Cafeteria has manifested itself this fall in sundry news-notes, editorials, and communications in the Texan. These will be found in Exhibit B.

To learn more fully the views of the signers of the petition we invited into consultation first a number of men known to be serious and thoughtful and then the men who seemed to have been most active in getting the petition up.

In addition we more than once called through the Texan for written criticisms and suggestions from anybody interested. The replies solicited are appended as Exhibit C.

Next we interviewed Assistant Business Manager Prater, Cafeteria Manager Veazey, a number of the employees, and finally Business Manager Lochridge (after his recovery from his recent accident).

The Committee lunched at the Cafeteria and inspected it first in a body and later singly more than once. In particular Miss Gearing, first with Dr. Heard and then with Miss Lacey, made prolonged and thorough examinations of the conditions and operation of both dining-room and kitchen. Her reports of these examinations are appended as Exhibit D.

To get at the financial side of the Cafeteria Professor Spurgeon Bell, in accordance with your request, has made a very thorough examination and has embodied his findings and recommendations in a report herewith submitted as Exhibit E.

To secure light from experience elsewhere Miss Gearing sent out a questionnaire to a selected list of ninety-four institutions, the results of which she states in a report marked Exhibit F.

Having secured all the information that seemed available, we were engaged in considering what recommendations we should make when Mr. Lochridge informed us that Mr. Veazey has resigned, his resignation to take effect December 22nd.

A change of management being thus necessitated, we emphatically recommend that the new manager be a woman of modern training in home economics and institutional management, to be a member of the Department of Home Economics with the rank of Adjunct Professor and an appropriate salary.

We are convinced that the changes needed in the conduct of the Cafeteria can be secured most satisfactorily in this way. To specify these changes exactly does not seem necessary. What the University should have is a thoroughly clean and attractive place where students and faculty, both men and women, can find at a reasonable price, under pleasant conditions, service of good food in variety conducive to health--in short a cafeteria satisfying the requirements of modern dietetics and comparable with the best cafeterias maintained by institutions similar to our own. This aim being granted, the details of operation can best be left to the new manager.

The manager should have power under University regulations to employ necessary help, purchase equipment and supplies, and otherwise organize and carry on the Cafeteria in the manner which she feels will best promote its efficiency. The manager should understand that the cafeteria must be maintained upon a self-supporting basis, including her own and her assistants' salaries, supplies, replacements, service, and incidentals.

The University should furnish the building, light, heat, and necessary repairs, and provide also such alterations in the building and such additional equipment as may be necessary and practicable for the maintenance of satisfactory service.

The Cafeteria should as heretofore be open during the long session and both terms of the Summer School. The manager should have the usual Christmas vacation and a summer vacation not exceeding six weeks, so arranged as not to interfere with the proper conduct of her work.

Besides her work in the Cafeteria, the manager should be expected to give, beginning with the fall of 1922, a course in Institutional Management. There is already a good demand for this work, and the demand will continue to grow. Heretofore it has been out of the question for want of practical facilities.

The salary of a new manager such as is recommended will of necessity be higher than that of Manager Veazey, but (1) the report of Professor Bell shows an average annual profit for the past ten years of about \$1,000.00, sufficient to cover a substantial increase in salary account; (2) economies in other directions can be made; and (3) under a more efficient management the patronage of the Cafeteria is sure to increase rapidly with greater profits in consequence.

Association of the Cafeteria and the Department of Home Economics such as we recommend works admirably in other places, it is welcomed by our Department of Home Economics, and dissatisfaction with the present situation predisposes the University community to regard with favor any hopeful scheme for improvement. There seems every ground in fact for confidence in a satisfactory outcome.

The shortness of the time available before the end of the Christmas vacation for inaugurating a new management constitutes a difficulty. But we believe this can be surmounted by the appointment of a temporary manager to serve till the permanent manager can take charge. In this way, with the help of the members of the staff of Home Economics and the Department of Extension the Cafeteria can be reopened on January 3 as usual.

We recommend further that a committee including the Professor of Business Administration, the Business Manager, the Auditor, the Professor of Home Economics, and the new manager of the Cafeteria be requested to formulate in the light of Professor Bell's report a revised system of checking and accounting.

In conclusion we wish to express our high sense of the faithful and effective services of Business Manager Lochridge and Assistant Business Manager

Prater. They took hold of the Cafeteria at a critical time and made of it a going concern which has provided board at a surprisingly low figure, and despite criticisms has never failed to secure a very large patronage.

December 21, 1921. Respectfully submitted,  
W. J. Battle, Chairman.

6. REGULATIONS GOVERNING APPROVED BOARDING HOUSES FOR GIRLS. Adopted, on motion of Mr. Jones, seconded by Mr. Kelly, effective with the opening of the Summer Session this year, the following regulations having to do with boarding and rooming houses for girls:

REGULATIONS GOVERNING BOARDING AND ROOMING HOUSES FOR GIRLS

1. Every lady who wishes to lodge or board 3 or more University women students must apply to the Dean of Women's office for approval of her house.
2. Before a house is placed upon the approved list it must be inspected by the Medical Department and the Dean of Women's Department.
3. No women students may live in a house that is not on the approved list except by special permission of the Dean of Women.
4. The following requirements must be met by all approved houses:
  - (1) Obligations to the Medical Staff.
    - All houses must be screened.
    - All houses must have sewerage connections.
    - Hot water in bath tubs must be available.
    - Houses must be kept clean and free from disease germs.
    - All insanitary conditions must be reported to the Medical Staff.
    - All suspected contagious and infectious diseases must be immediately reported to the Medical Staff.
  - (2) Requirements for House-mothers.
    - Only women shall be lodged or boarded in approved houses for women.
    - A suitable parlor for the reception of callers shall be provided for women students.
    - The parlor shall be heated and lighted at times arranged by House-mothers and residents.
    - Lights in the students' rooms shall be of good quality and available at all hours.
    - The location of the house must be such that the students may go home at all hours.
    - The House-mother herself must be the right kind of person to take girls into her home. She must supply a safe and comfortable home and wholesome food.
    - No annexes may be taken on without the permission of the Dean of Women.
    - All prices must be kept proportionate to the returns.
    - Definite and business-like arrangements must be made with women students.
5. The following requirements are recommended:
  - That not more than two students occupy one room.
  - That only single beds will be used.
6. Obligations of Women Students to House-mothers.

- To pay a ten (\$10) dollar deposit when the room is engaged, the same to apply on the rent when the room is occupied, and forfeited if the room is not occupied, unless vacancy is filled.
- To notify the House-mother if they wish the room held after the first day of registration.
- To make definite and business-like arrangements with house-mother when room is engaged.
- To remain at least one term in a house that is meeting all requirements of an approved house.
- If, for a good reason, the student wishes to make a change she must find another student who meets with the approval of the house-mother to take her place or pay a term's rent. Such arrangements must be made through the office of the Dean of Women.
- When a student is forced to withdraw from the University for a good cause her room and board shall not extend beyond the date of withdrawal.

7. Necessary changes in these regulations may be made from time to time by the following heads of organizations subject to the approval of the President of the University:

- Chief of the Medical Staff
- Dean of Women
- Chairman of the Faculty Boarding House Committee
- President of the House-mothers' Associations
- President of the Sorority Chaperones Associations
- Dormitory Head
- Chairman of the Women's Representative Board.

PRESIDENT'S REPORT

The University of Texas  
Austin

February 10, 1922.

To the Honorable Board of Regents,  
University of Texas.

Gentlemen:

I have the honor to submit the following report:

UNIVERSITY CALENDAR

In order to meet the need for a longer period for the summer session, the general faculty recommends the following rearrangement of the University year:

1. That registration at the Main University begin September 21, and that the fall term end December 22.
  2. That the winter term begin January 3 and end March 18.
  3. That the spring term begin March 19 and end June 6.
  4. That the summer session begin June 7 and end August 31.
- In this recommendation I am glad to concur.

ADMISSION UNITS

I concur also in the recommendation of the general faculty that the number of admission units in domestic art

and domestic science be changed in each case from  $\frac{1}{2}$  or 1 to  $\frac{1}{2}$  or 1. It is not proposed to change the total number of admission units that may be offered in vocational subjects, but merely to make it possible to offer an increased number in the home economics group.

DEGREE REQUIREMENTS

I join the general faculty in recommending the following revision of requirement 5 for the degree of Doctor of Philosophy:

"The candidate's course of study must receive the approval of his supervisory committee and of the dean of the Graduate School. The supervisory committee, chosen from the teaching staff of the schools in which the work of the candidate lies, supervises his work in general; determines the linguistic requirements he must satisfy; holds his examinations; passes upon his thesis; and reports in writing to the Graduate Council the results of the examinations and the acceptance or rejection of the thesis. The thesis shall be filed with the dean of the Graduate School, for public examination, on or before May 1 of the year in which the candidate intends to present himself for final examination. The final acceptance or rejection of a candidate requires the vote of the Graduate Council."

I concur also in the following revision of requirement 3 for the degree of Master of Business Administration recommended by the general faculty at its meeting on January 20:

"The equivalent of five courses of graduate instruction, completed with a grade of A or B. Courses already counted on any other degree can not be counted among these five courses. For two of these courses, middle or senior courses in the School of Law supplementary to the business administration subjects of a student's program leading to the Master of Business Administration degree may be substituted with the approval of the dean of the Graduate School and of the chairman of the Department of Business Administration, if taken after the completion of Business Administration 23 or the courses which may be substituted for it in a Bachelor of Business Administration program. A similar substitution of engineering courses above the sophomore year supplementary to the business administration courses in a program leading to the Master of Business Administration degree may be made with the approval of the dean of the Graduate School and of the chairman of the Department of Business Administration. A similar substitution of advanced courses in the College of Arts and Sciences may be made from the following courses: Economics 12, Economics 2bc, Economics 214, History 46, Government 16, and Government 33; provided that in no case may more than two courses outside the Department of Business Administration be counted as part of the ten courses in business administration required for the M.B.A. degree. Including the work done for the bachelor's degree, the student must have completed ten courses in business administration, of which five must be advanced."

I join the general faculty further in recommending that either Economics 1 or Economics 6 be counted as satisfying requirement B4 for the degree of Bachelor of Business Administration.

CHANGE OF NOMENCLATURE

To bring our nomenclature more nearly in line with that of other institutions and more nearly descriptive of the activities of the two divisions concerned, I concur in the recommendation of the heads of the divisions of the Bureau of

Economic Geology and Technology that the name of the present Division of Chemistry be changed to the Division of Industrial Chemistry and that the Division of Engineering be hereafter known as the Division of Engineering Research. It is not intended, of course, that the proposed changes shall in any way affect the organization of the Bureau.

In order to centralize as much as possible the University's extramural work, and thereby add to its efficiency, I recommend that the agency heretofore known as the Bureau of Government Research be affiliated with and made a division of the Bureau of Extension, the head of the division to be recommended to the president by the director of the Bureau and by the chairman of the Department of Government acting jointly and the research work of the division to be supervised by the faculty of the Department of Government as before. The reorganization here recommended will involve no change in personnel or budget, for the present at least.

#### THE UNIVERSITY CAFETERIA

Considerable dissatisfaction was manifested by the University students during the fall term with reference to the management of the University Cafeteria, with the result that the standing committee of the general faculty on University Halls and Commons was instructed by me to study the situation carefully and to recommend such changes as the facts might seem to warrant. The committee spent several months in thorough investigation, and presented the report which I am transmitting herewith to the Board. The changes recommended by the committee seem to me to be wise, and I recommend that the policies outlined be approved. The reorganization proposed is made relatively easy through the resignation at the close of the fall term of Mr. Veazey, who served as manager of the Cafeteria for a number of years.

Temporary arrangements for the management of the Cafeteria under the supervision of the Department of Home Economics have been made for the remainder of the current year. At the time of the presentation of the annual budget definite recommendations will be made for the session of 1922-1923.

In order that the new management may work to the best advantage, I recommend that the manager of the Cafeteria be given the same authority as the business manager of the Woman's Building in the purchase of provisions and supplies, provided that the immediate responsibility in this matter shall rest with Miss Gearing, Professor of Home Economics.

#### REGULATIONS GOVERNING APPROVED BOARDING HOUSES FOR GIRLS

I am transmitting with my endorsement a communication from Miss Lucy J. Newton, Dean of Women, proposing more definite requirements for the regulation of boarding and rooming houses for girls. Miss Newton's recommendations seem to me a step in the right direction, and I hope that the Board will take action at this time, so that, if adopted, the new requirements may be made effective with the opening of the summer session.

#### TRANSFERS

At the request of the director, I recommend that the following transfers be authorized in the Bureau of Extension:

1. The sum of \$100 from the traveling account to the equipment account of the director's office. When the budget was made up last fall, \$250 seemed an ample allowance for equipment for this division. The purchase of an electric mimeograph, however, has practically exhausted the fund, leaving no balance available for the smaller items of equipment that must be bought from time to time during the remainder of the year.

2. The transfer of \$1,500 from the salary item to the traveling expense and honoraria item in the budget for the San Antonio extension teaching center. It was originally intended that a part of the work of this center should be given by a resident instructor. This was found impracticable this year, however, and the work has been carried on from the University. This rearrangement of the work necessitates the transfer requested.

At the instance of Miss Hiss, I recommend that the \$2,000 appropriated by the Board for the work in physical training for women for the current session be divided into an equipment account of \$300 and a current account of \$1,700. As this is Miss Hiss's first year as director, she did not have the benefit of previous experience in making her budget recommendations last fall.

In order to make possible the purchase of certain items of equipment in the College of Engineering, I join in the recommendation of Dean Taylor that the appropriations made to the Department of Architecture and to the Mechanical Engineering Shops for current expenses be redistributed as follows:

	Current Account	Equipment
Architecture-----	\$ 500.00	\$250.00
Mechanical Engineering Shops-----	300.00	100.00

Upon the request of Professor Cunningham, approved by Dean Benedict, I recommend that \$424.75 of the \$2,000 appropriated by the Board for the employment of an instructor in philosophy be transferred to the account set aside for the employment of tutors and assistants in the Department of Philosophy and Psychology. It has been found impracticable this year to find a suitable person to fill the higher position, and the work of the department is being carried on by the employment of additional student assistants.

#### APPOINTMENTS

To fill the vacancy created by the resignation on January 31 of Miss Ella A. Callan as assistant in the library, I recommend the appointment of Mrs. Fred Bernd at the same rank and salary, effective February 1.

For the position of instructor in the philosophy of education, at a salary of \$2,080, provided for in the annual budget, I recommend Miss Helen L. Koch, her appointment to date from January 1. Miss Koch was offered this same position last summer, but on account of the uncertainty of the legislative situation and the illness of her mother was prevented from coming during the fall term.

The budget for the current year provides for an instructorship in government at a salary of \$2,160. A thorough canvass has failed to discover a suitable candidate for the position on a full-time basis. I am recommending, therefore, that Mr. R. N. Richardson, a graduate student of the University, be appointed part-time instructor, beginning January 1, at a salary of \$720 for the remainder of the long session.

At the request of the Executive Committee of the medical faculty, I recommend that Miss Margaret Maury be appointed instructor in Dietetics to give the didactic and practical instruction in dietetics to the student nurses. The stipend in the past has been \$100, and has been met out of the current account of the College of Nursing.

#### ADDITIONAL APPROPRIATIONS

To provide the additional clerical assistance needed by the University Interscholastic League, the activities of which are being somewhat broadened this year, I recommend the further appropriation of \$140 to the assistantship account of the League. This amount will enable the League to employ a student stenographer for three hours a day for the next four months.

Mr. Wright, Manager, of the University Press, has called attention to the fact that J. Hall, in which there is approximately \$30,000 worth of printing equipment and supplies

is practically without fire protection. To reduce the hazard I recommend the installation of a fire plug near this shack and of two sections of fire hose, of about fifty feet each, in the building. The amount involved in carrying out this recommendation will be approximately \$500.

To relieve the present unsatisfactory situation in the art and textile sections of the Department of Home Economics, in which there has been an increased enrollment of more than two hundred per cent with no additional teaching help, I recommend the appointment, for the months of February through June, of Miss Gertrude Wade as Instructor in Home Economics, at the rate of \$2,000 a year. While this will mean an increase in the budget of the Home Economics Department, it must be borne in mind that it will be offset in part by a subsidy from the Federal Board for Vocational Education and in part by a decrease resulting from the discontinuation of a student assistantship granted earlier in the year.

The transfer from the University Interscholastic League to the Bureau of Extension of Mr. Davis and Miss Stoltzfus and the publication of material that they have gathered that will be of value to the schools of the state, will necessitate an addition to the nominal amount that has heretofore been appropriated to the director's office for printing. I recommend, therefore, that a supplemental appropriation of \$1,000 to this division of the Bureau be made.

In the budget for 1921-1922 the Board appropriated \$3,500 for the law library. This amount has proved inadequate to fill in the most serious gaps and at the same time to keep up with the necessary current reports. I join the library committee of the Law School in recommending, therefore, that \$1,000 additional be appropriated to the law library for the current session. Even with this additional appropriation, the Law School will have less money available for the purchase of books than it has had during preceding years.

On April 21-22, the faculty of our School of Education is planning to hold a conference at the University on the teacher problem in Texas. To this conference have been invited the presidents of the various senior and junior colleges of the state, the state superintendent of public instruction and members of her staff, the city and county superintendents, and academic deans and the professors of education in the different universities and colleges of Texas. One of the most important problems relating to our schools is that which centers around the teacher, and I believe that the proposed conference, if properly handled, will be productive of much good. To meet the absolutely necessary expenses of this conference in the way of printing, postage, etc., I recommend that an appropriation not exceeding \$1,000 be made. The Board may rest assured that the greatest economy will be exercised in the expenditure of whatever amount may be made available for this purpose.

Because ~~of~~ our mining graduates are at some time, sooner or later, called on to look after matters of sanitation and hygiene in out of the way places in the mountains, I concur in the recommendation of Dean Worrell that \$500 be appropriated as a stipend to Dr. B. F. Jenness for a one-semester course in sanitation and hygiene. Dr. Jenness' employment as Lecturer on First Aid will have been completed by the end of the first semester, and there will be no legal difficulty in the way of voting him additional pay for the work here recommended, which will fall in the second term.

Owing to the unexpected increase in the enrollment in the junior class of the College of Pharmacy and to the lack of suitable chemicals and apparatus for research work, the Executive Committee of the medical faculty recommends an additional appropriation of \$650 to the Department of Chemistry in the College of Pharmacy, distributed as follows: Equipment, \$250; current account, \$400. In this recommendation I am glad to concur.

The executive Committee of the Board some weeks ago authorized a leave of absence for Dr. W. S. Carter, Dean of our Medical Branch, to enable him to accept the invitation of

the Rockefeller Foundation to act as its representative in the reorganization of the medical work of the University of the Philippines, and the appointment of Dr. William Keiller as acting dean during Dr. Carter's absence. On account of the scarcity of available material, it has proved impossible to secure additional instructors in anatomy to relieve Dr. Keiller of his teaching work. Dr. McVeigh and Dr. Comfort, who were appointed instructors in anatomy for the current year at a salary each of \$1,800, are willing to assume additional teaching duties for the remainder of this year and for the ensuing session if they can be advanced to the rank of adjunct professors, effective March 1, at a salary of \$600 each. As the instructors named are not specified in the legislative appropriation bill, these advancements can be made, and I join Dr. Carter in recommending that such an arrangement be authorized by the Board.

To complete the changes in the physical plant at Galveston previously authorized by the Board, I recommend the following appropriations:

Plumbing for the Pharmacy Laboratory.....	\$ 404.07
Covering steam mains.....	428.00
Fan for boilers.....	575.00
Fire escape, Medical School.....	1,300.00
Total.....	\$ 2,707.07

On account of the numerous trips that Mr. Endress, the resident architect, has been called on to make in connection with the heating and plumbing installations at Galveston, I recommend the addition of \$200 to the Resident Architect's Traveling Expense account.

Inasmuch as the legislative appropriation of \$65,025 for summer session salaries is approximately \$3,000 less than the amount expended for such salaries during the past summer session, I recommend that \$3,000 be added to the legislative appropriation for the ensuing summer, which is the amount carried in the budget for the current year. I concur in the belief of the Executive Committee of the Summer Session that the amount available for salaries last summer is the minimum amount which should be devoted to this purpose. The constantly increasing enrollment could not possibly be taken care of otherwise.

To provide for necessary repairs at the College of Mines and Metallurgy, I recommend that the amount of \$400 be set aside out of last year's available fund. As it happens, the budget for this year carries no item for this purpose.

As the Board has authorized the purchase of the homestead of Dean Worrell, adjoining the College of Mines campus, I recommend the appropriation of \$8,500 to complete the transfer.

I am transmitting for consideration and such action as the Board may deem wise in the present financial stringency, a letter under date of January 21 from Mr. E. H. Sellards, Geologist in our Bureau of Economic Geology and Technology, who has been given leave of absence by the Board to assist the State in presenting its evidence in the Red River boundary dispute, enclosing one from Mr. Arthur A. Stiles, State Reclamation Engineer, requesting the appropriation of approximately \$3,000 for the publication of a bulletin containing the scientific data offered by the State in this suit.

#### APPROPRIATION OF PUBLICATION RECEIPTS

In keeping with the practice of previous years, I recommend that the funds received from the sale of bulletins by the Publications Committee, the Bureau of Economic Geology and Technology, and the University Interscholastic League be appropriated to the printing accounts of these divisions in order to extend the scope of their work. As these receipts have never been estimated in the University's income, the appropriations recommended do not mean an invasion of the University's unappropriated balance.

FEB 10 1922

## THEFTS

I am transmitting for the action of the Board a letter dated February 7, from Mr. I. P. Lochridge, Business Manager of the University, calling attention to the recent theft of a typewriter from the Department of Business Administration, and suggesting the employment of a plain-clothes officer to serve as a special watchman. Thefts of property, not only from the University itself but from members of the student body as well, are becoming increasingly numerous; and, if the Board feels that the finances of the University will permit, I believe that it would be well to authorize the arrangement which Mr. Lochridge recommends.

## CLAIM OF MR. ALLEN P. ROBERTS

Following the instructions of the Board at a previous meeting, I am transmitting for consideration a petition addressed to it by Mr. Allen P. Roberts for compensation for injuries received on March 31, 1921, while employed as a carpenter in the University Workshop. For the information of the Board I am also transmitting an opinion from the Attorney General with reference to the authority of the Board to set aside funds for the payment of damages to employees for personal injuries.

## REMISSION OF RENT TO MR. ARTHUR A. STILES

I am transmitting for the consideration of the Board a letter under date of November 3 from Mr. Arthur A. Stiles, accompanied by one of November 4 from Mr. John B. Pope, chairman of the citizens' committee appointed to value the property included in the University purchase act. In order that Mr. Stiles may suffer no injustice as a result of his willingness and cordiality in disposing of his property to the University, I recommend that Mr. Stiles's rental be remitted for a period of one year.

## SALE OF PRESIDENT'S HOME

I am transmitting for the action of the Board a letter under date of January 12 from the Paul O. Simms Company, a real estate firm of this city, offering to purchase the property at 216 W. 27th Street, recently set aside as a home for the president. On account of the expense which the Board has already incurred in adapting this property to the purpose indicated, I recommend that the offer be declined.

In this connection, I wish to recommend that the amount of \$445.57 be appropriated to cover the cost of walks and driveways laid on this property during the past summer.

## RETURN OF WHISTLER FACSIMILES

Through inadvertence there were included in the Wrenn Library at the time of its purchase by Major Littlefield in February, 1918, three portfolios of Whistler facsimiles which are properly a part of the Wrenn collection of prints. Mr. Norcross has requested that these facsimiles be returned to him, and I recommend that this action be authorized by the Board. The University will not lose anything by this transaction, for in the summer Mr. Norcross sent as an addition to the Wrenn Library a large number of books of very decided value.

## LETTER FROM HON. H. S. BONHAM

Along with this report, I am transmitting for the consideration of the Board a letter dated December 9, from Hon. H. S. Bonham, member of the Legislature from Bee County. The debt alluded to in the first paragraph of Mr. Bonham's letter is a loan of \$150,000 made to the University by the Legislature in 1888 and due in 1910. A full account of this transaction will be found in Bulletin No. 1757 by Dean Benedict containing a history of the University. The other matter brought up by Mr. Bonham's letter is self-explanatory.

FEB 10 1922

## SUMMER SESSION SALARIES

Attached hereto, I am transmitting to the Board an opinion of the Attorney General with reference to the problem which has been raised by another institution concerning the right of the governing board to pay extra salaries to the members of the teaching staff for service during the summer session. From this opinion it is entirely clear that the Board of Regents has the authority to pay the members of the University staff their salaries for the long session in nine monthly installments, thus completing the obligation of the University to these persons concurrently with the performance of the duties involved in their long-session employment. As the adoption of such a policy by the Board will remove all possible difficulty with reference to the payment of summer session salaries, I recommend that such action be taken beginning with the current session, and that the auditor be instructed to change the monthly rate of payment in his February payroll so that the balance due the members of the staff for their long-session service may be completed not later than June 15. The effect of such action will be to make the time of obligatory service begin September 15 and end June 15 of each year.

There still remains the problem of the eligibility of the members of the various departments to this ruling. After canvassing the situation quite thoroughly I am convinced that all members of the University staff should be made eligible with the exception of the president and his secretary and the members of the secretarial and clerical force, and that such persons as may be necessary to carry on the duties of the University during the summer months be specifically employed by the Board for that purpose. This arrangement would apply to the Library and to the offices which during the summer months are mainly concerned with the operation of the summer session, and to the Bureau of Extension, the Bureau of Economic Geology and Technology, and the other extramural agencies, whose work is largely performed during the long session. The dean of the College of Arts and Sciences should certainly be employed for a part of the summer in order to take care of the correspondence incident to the opening of the next long session, and it may be necessary also to employ other deans for limited periods. This policy could be put into effect by the Board at least during the period involved in the present University appropriation bill and could later on be revised as experience may indicate. If it is adopted detailed recommendations can be made in sufficient time to prevent any interference with the regular course of University activities.

Respectfully submitted,

Robert E. Vinson,  
President.

7. TRANSFERS. Made, on motion of Mr. Folts, seconded by Mr. Kelly, the following transfers in accounts for the current session:

- (15) For the purchase of the maps used in the Red River boundary case, with the view possible of later making them a part of a bulletin on that subject, \$1600.

10. APPROPRIATION OF PUBLICATION RECEIPTS. On motion of Mr. Wortham, seconded by Mr. Folts, appropriated to the Publications Committee, the Bureau of Economic Geology and Technology, and the Interscholastic League, respectively, the income from bulletin sales for the current year for use in additional printing.

11. THEFTS. Authorized, on motion of Mr. Wortham, seconded by Mr. Jones, the Business Manager to employ a plain-clothes detective to serve as a night watchman for a time to see if thievery on the campus cannot be reduced.

12. CLAIM OF MR. ALLEN P. ROBERTS. Requested, on motion of Mrs. O'Hair, seconded by Mr. Folts, that the President write Mr. Roberts a nice letter informing him that, according to the ruling of the Attorney General, the Regents have no authority to appropriate money to compensate an employe for injuries received.

13. REMISSION OF RENT TO MR. ARTHUR STILES. Voted, on motion of Mr. Folts, seconded by Mr. Jones, to remit the rental for one year to Mr. Arthur A. Stiles to offset somewhat his loss in selling his home promptly whereas his neighbors protested and received more money, all this referring to the University Campus Purchase Act.

14. SALE OF PRESIDENT'S HOME. Voted, on motion of Mr. Jones, seconded by Mr. Wortham, to decline the offer of the Paul O. Simms Company to purchase the President's Home.

15. WALKS AND DRIVEWAYS FOR PRESIDENT'S HOME. Appropriated the sum of \$445.57 to cover the cost of walks and driveways laid at the President's Home last summer.

16. RETURN OF WHISTLER FACSIMILES. Voted, on motion of Mr. Jones, seconded by Mr. Folts, to return the three portfolios of the Whistler Facsimiles, included inadvertently in the Wrenn Library but not being any part of it.

17. LETTER FROM HON. H. S. BONHAM. On motion of Mr. Jones, seconded by Mr. Wroe, requested the President to make suitable reply to letter received from Hon. H. S. Bonham, concerning an old loan of \$150,000 made by the State to the University and also with reference to having the affiliation of schools again done by the University.

18. SUMMER SCHOOL SALARIES. Voted, on motion of Mr. Jones, seconded by Mr. Wortham, to adopt the recommendations of the President (see last section of his report) under the heading, "Summer Session Salaries".

At one o'clock the Board adjourned for lunch.

#### AFTERNOON SESSION

The Board reassembled at two o'clock, the attendance being the same as in the forenoon.

#### II. MISCELLANEOUS ITEMS

1. EXECUTIVE COMMITTEE REPORT OF DECEMBER 23. On motion of Mr. Jones, seconded by Mr. Wroe, the Board adopted the recommendations contained in the following letter to the Executive Committee, which, due to the absence from the state of the Chairman, was not acted upon:

"Messrs. Stark, Wroe, and Folts,  
The Executive Committee,  
Board of Regents.

Gentlemen:

Below I am submitting for the attention of the Executive Committee some matters upon which it is desirable to have the action of the Committee before the next meeting of the Board.

At the time of the adoption of the budget for the session of 1921-1922, the division of funds in the Department of History was made upon the basis of \$750 for equipment and \$1000 for current expenses. As it now appears, the expenditures for the Department of History will be almost entirely in the way of books, which are chargeable against the equipment account, and I therefore recommend that the \$1000 appropriated for current expenses in this department be transferred to the equipment account.

In order to provide proper stenographic assistance in the Department of Physics, I recommend that \$180 be transferred from the current account of that department to the Stenographic Bureau account for stenographers and clerks, to be applied to the payment for the services of a stenographer for Physics during the session of 1921-1922.

I also recommend the transfer of \$175 from Incidental Expenses to Equipment in the Interscholastic League accounts, in order to provide for purchases of certain items of equipment for the League.

I recommend the appointment of the following new instructors for the session of 1921-1922 in the departments and at the salaries indicated:

- (1) Miss May Vertrees to fill an instructorship in Romance Languages provided for in the budget, at a salary of \$1600 for the remainder of the session, beginning December 1, 1921.
- (2) Mr. Wright McCormick to fill an instructorship in English, provided for in the budget, at a salary of \$1200 for the remainder of the session, beginning January 1, 1922.
- (3) Miss Lola A. Shepard, as cataloguer in the Library at the amount provided in the budget, \$1800 a year, effective January 1, 1922.

I concur in the recommendation of Miss Mary E. Gearing that Miss Florence Love, instructor in Home Economics, be granted leave of absence, without pay, from January 1, 1921, to June 30, 1922, in order to complete the work for her Master's degree at Columbia University. I also recommend the appointment of Miss Helen Spears to act during Miss Love's absence, at a salary of \$150 a month, the amount of Miss Love's salary.

Respectfully submitted,

Robert E. Vinson,  
President.\*

2. CAFETERIA IMPROVEMENTS. On motion of Mr. Kelly, seconded by Mr. Wroe, the Board appropriated \$5000.00 for an addition to the Cafeteria and for additional permanent equipment.

3. DR. PENICK'S REQUEST TO DO OUTSIDE WORK. The President read to the Board a letter from Dr. D. A. Penick, Professor of Classical Languages, requesting permission to act as advisor for the Bankers Life Insurance Co., and to bring a certain entertainment company back next summer on his own responsibility in order to try to make back a deficit of \$200 that he, as signer of the contract for the Summer School last summer, had to pay. He promised to let neither interfere with his duty to the University. On motion of Mr. Jones, seconded by Mr. Folts, the permission was given.

4. NEW ROOF AT S. M. A. On motion of Mr. Folts, seconded by Mrs. O'Hair, the Board appropriated \$1400 for the

purpose of replacing the roof on one of the S. M. A. buildings, which roof was recently blown off by a wind storm.

5. DEAN OF WOMEN TO ATTEND CONFERENCE OF NATIONAL ASSOCIATION OF DEANS OF WOMEN. On motion of Mr. Kelly, seconded by Mr. Jones, the Board appropriated \$125 to permit Miss Lucy J. Newton to attend a conference of the National Association of Deans of Women to be held in Chicago on February 23-25.

6. AMERICAN NATIONAL BANK. On motion of Mr. Jones, seconded by Mrs. O'Hair, the Board adopted the following resolution: That with gratitude to Major George W. Littlefield, former Regent, now dead, we express our satisfaction with the way the University fee account is being handled and our desire, until contrary action is taken by this Board, to have the account continue at the American National Bank.

7. ROBERT E. LEE SCHOLARSHIP AT COLLEGE OF MINES. A letter from Robert E. Lee Chapter, 1060, U.D.C., at El Paso, inquired if the Regents approved of their efforts to found a scholarship available to students of the College of Mines and Metallurgy. The Board, on motion of Mrs. O'Hair, seconded by Mr. Worthan, voted its hearty approval.

8. UNIVERSITY AUDITS. Upon the recommendation of Mr. Jones, the Board, on motion of Mr. Worthan, seconded by Mr. Kelly, authorized payment of George Armistead & Co. for the 1921 audit of University accounts.

On motion of Mr. Folts, seconded by Mr. Kelly, the Board ordered the payment of Upleger & Falk's bill for the 1920 audit when approved by the present auditing committee.

9. POTASH ON UNIVERSITY LANDS. Dr. Dabney, a geologist, former President of Cincinnati University, was, on motion of Mr. Wroe, seconded by Mrs. O'Hair, invited to address the Board. Dr. Dabney, finding very favorable indications, is trying to form a syndicate attempt to locate potash beds. On motion of Mr. Jones, seconded by Mrs. O'Hair, the Land Committee of the Board was requested to investigate the situation and report to the Board.

#### 10. EXECUTIVE COMMITTEE ACTIONS.

July 6, 1921

(1) Additional appropriation of \$600 for the commencement exercises for the long session of 1920-1921 and for the summer session of 1921, \$200 being for the summer session and \$400 for long session, this additional expense being necessary in preparing for celebration in connection with passage of University expansion bill.

Stamps, Stationery, and Office Supplies.....	1,000

(3) Transfer of \$800 from the University Hall account to the S. M. A. Dormitory account to prevent an overdraft, the initial expenditure for furniture and equipment not being offset this year by the receipts from the rent of rooms.

(4) Placing of \$344 of the library fee account of the Law Library at the disposal of the Law Library Committee for treatment of law books with oil preservative.

(5) Placing of \$500 to the credit of the contingent fund of the Department of Zoology, necessitated by the purchase of \$1200 worth of microscopes due to unexpected enrollment in Zoology the past year, and by the unexpected expenses of caring for research work being car-

ried on by Professor Muller.

Medical Department

(6) Appropriation of \$224.08 for catalogues for present fiscal year to meet the deficit in appropriation for catalogues in regular budget.

(7) Additional appropriation of \$500 to the contingent fund for the fiscal year 1920-1921, to be used as follows:

Traveling expenses of Dean Carter in visiting other institutions to get teachers for 1920-1921.....	\$ 150
Extra secretarial help to afford administrative secretary a month's vacation.....	100
To defray the expenses of Dr. George B. Roth in visiting the Medical School with view of accepting the chair of Pharmacology.....	250

(In case he does not accept, only half of his expenses to be paid, the unexpended balance to revert at end of the fiscal year.)

College of Mines

(8) Transfer of \$105 from the Library Account to the Printing Account to prevent overdraft in latter account.

December 2, 1921.

(1) Placing of members of University teaching staff on the basis of payment of salaries in nine equal installments instead of twelve, and the employment of members of the regular University teaching staff to teach in summer school.

(2) Approval of absence on sick leave on full pay, for the following faculty members:

W.S. Simkins until December 31.

Killis Campbell for two months, with privilege of extension, if necessary, such leave to begin not later than Jan. 1, 1922.

G.E. Halliday, at the option of the President, until the next meeting of the Board of Regents.

Miss Nina Weisinger at the option of the President, until next meeting of the Board of Regents.

(3) Appointment of Mr. Tom Holliday as athletic director of the College of Mines and Metallurgy, at a salary of \$500 for session 1921-1922, to succeed Mr. H. E. Van Surdam.

(4) Appropriation of \$50 out of the University Available Fund to purchase new supply of leaves for the minute book and for other incidentals in connection with meetings of the Board of Regents.

(5) Appropriation of \$100 out of the University Available Fund to pay for the services of Mrs. E. B. Robinson in conducting the beginners' Latin class for about 3 weeks each term in order that Miss Lavender may accept invitations from high schools to address them on Latin.

(6) Transfer of \$90 from the Current Account of the Department of Architecture to the Account for Tutors and Assistants, so that a student assistant may be employed for this amount to assist in the work of the Department.

(7) Transfer of \$1500 from Library Expense to Library Equipment.

(8) Additional appropriation of \$600 for equipment in the Engineering Division of the Bureau of Economic Geology and Technology, subject to approval of other members of Board of Regents to be secured by written reference.

(9) Fee to be charged by members of the Medical Staff for surgical operations not included under Section 7 of the existing regulations, said fee to be placed to the credit of the University Health Service, such operations to be performed on request of students and with consent of parents or guardians.

January 17, 1922.

(1) Granting of leave of absence to Dr. W. S. Carter without pay till first of October, 1923, with possibility of extension of leave until October 1, 1924, so that Dr. Carter may accept the offer of the Rockefeller Foundation of New York to go as its representative to the University of the Philippines to reorganize the Medical Branch.

(2) Appointment of Dr. William Keiller as acting dean during the absence of Dr. Carter, no increase in salary to be given.

11. ADJOURNMENT. At six P.M. the Board, on motion of Mr. Kelly, seconded by Mr. Wroe, adjourned until tomorrow, at the call of the Chair.

SATURDAY, FEBRUARY 11.

After attending the Governor's "Think out Loud" conference, the Board met, at 5:30 P.M., February 11, in the President's Office. Present: Regents Stark, Cochran, Folts, Jones, Kelly and O'Hair.

1. AUDITING COMMITTEE. Mr. Cochran as chairman of the Auditing Committee reported that the committee had approved the bill of George Armistead and Co. for \$980 for their annual of the University's account, and the payment to Upleger and Falk of \$500 in full settlement of the balance claimed to be due them for their audit for the year 1919-1920. On motion of Mrs. O'Hair, seconded by Mr. Folts, the report of the committee was accepted and approved.

2. BUILDING COMMITTEE. Mr. Folts on behalf of the Building Committee requested the postponement of the election of a University Architect until the April meeting of the Board and the extension of an invitation by the President to the more prominent architects of the state to appear before the committee on the day preceding this meeting in order that a suitable selection might be made. On motion of Mr. Jones, seconded by Mr. Cochran, the report was accepted and the action therein requested authorized.

3. MINES COMMITTEE. Mr. Kelly, Chairman of the Committee on the College of Mines, reported the completion of the new dormitory and a prospective purchaser for the old College of Mines site at the amount previously authorized by the Board.

4. AMENDMENT NOTICE. Mr. Jones gave notice of his intention to introduce at the next meeting of the Board a resolution providing a change in the rules and regulations with reference to the number and times of the regular meetings of the Board.

5. APRIL MEETING. In order that there might be a full meeting of the Board at the April meeting (several members having indicated that it would be impossible for them to attend at the regular time), the date of this meeting, on motion of Mr. Jones, seconded by Mr. Cochran, was advanced to Tuesday, April 18.

There being no further business, the meeting, on motion of Mr. Jones, seconded by Mr. Kelly, then adjourned.

Chairman.

Secretary.

AUSTIN, April 18, 1922.

The Board of Regents of the University of Texas met in the President's Office at eleven o'clock on Tuesday morning, April 18, 1922.

Present: Regents Stark (Chairman), Cochran, Cook, Folts, Jones, Kelly, O'Hair, and Wroe; President Vinson and the Secretary.

Regent Wortham was absent due to the illness of Mrs. Wortham and the Board instructed the Secretary to send him a message of sympathy.

The minutes of the meeting of February 10 were approved.

#### I. PRESIDENT'S REPORT

The President presented his report, found elsewhere in these minutes, and the actions indicated below were taken by the Board.

1. UNIVERSITY RESEARCH LECTURESHIP. Established, on motion of Mr. Jones seconded by Mr. Cochran, a Research Lectureship on the basis outlined in the President's report, page

2. DEGREES IN ABSENTIA. Authorized, on motion of Mrs. O'Hair seconded by Mr. Cook, the President of the University to give permission to candidates this spring and summer, for good cause, to receive their degrees in absentia.

3. RECORD OF WORK FEE. Changed, on motion of Mr. Kelly seconded by Mr. Wroe, the Record of Work Fee from fifty cents to one dollar.

4. ADDITIONAL APPROPRIATIONS. Appropriated, on motion of Mr. Jones seconded by Mr. Cook, the following additional sums:

- (1) Business Administration Current Account, \$500.
- (2) Student Assistants in Physical Training for Women in the spring term, \$48.
- (3) Medical Library, at Galveston, \$275.
- (4) Administrative incidental expense account, at Galveston, \$750.
- (5) Current account of the Division of Industrial Chemistry, Bureau of Economic Geology and Technology, the fees to be received from clay tests, lignite retorting, etc.

5. TRANSFERS. Made, on motion of Mr. Cook seconded by Mr. Cochran, the transfers in accounts recommended by the President in his report, page

6. APPOINTMENTS. Made, on motion of Mr. Jones seconded by Mr. Kelly, the appointments recommended by the President in his report, page

7. LEAVES OF ABSENCE. Voted, on motion of Mr. Jones seconded by Mr. Cochran, the leaves of absence recommended by the President in his report, page , and granted to George Halliday, Bookkeeper in the Auditor's office, a six months' extension of his leave, with full pay for April and May, and the privilege of returning to his position when well enough to do so.

8. SUMMER SESSION. Approved, on motion of Mr. Jones seconded by Mr. Cochran, the recommendations made by the President in his report, page , and voted that decision in other cases that may arise as to whether on a nine or a twelve months basis be made in accordance with the terms of

APR 18 1922

the original employment and the requirements of the position in question.

9. BUDGET FOR NEXT BIENNIUM. Requested, on motion of Mr. Jones seconded by Mr. Folts, that the President make up his estimates for the budget for the next biennium on the basis of the needs of the University as an institution of the first class.

10. LAND ACQUISITION ACT. Requested, on motion of Mr. Jones seconded by Mr. Kelly, the Land Committee of the Board to address a suitable communication to the Land Purchasing Commission appointed by the Governor inquiring why purchase of the remainder of the land for which the Thirty-seventh Legislature made an appropriation has not been made.

11. LENDEWIG ESTATE. Voted to request Mr. Jones to take whatever action he may think necessary to protect the University's interest in the Lendewig will.

12. SHACK FOR PHYSICAL TRAINING FOR WOMEN. Referred, on motion of Mr. Cochran seconded by Mr. Jones, the request of the Department of Physical Training for Women for an additional shack, to the Committee on Buildings and Grounds for report at the next meeting.

13. ARCHAEOLOGICAL RESEARCH IN FRANCE. Appropriated, on motion of Mr. Cook seconded by Mr. Cochran, \$100 for 1922-1923 to enable the University of Texas to participate in an intercollegiate enterprise in the way of archaeological research in France and to share in the results of the diggings.

14. INTERNATIONAL CONGRESS OF GEOLOGISTS. Voted, on motion of Mr. Jones seconded by Mr. Kelly, the regrets of the Board that funds are too limited to permit sending Dr. J. A. Udden to attend the thirteenth session of the International Congress of Geologists to be held at Brussels, Belgium, on August 10.

15. Granted, on motion of Mr. Jones seconded by Mr. Kelly, a leave of absence to the President of such duration as he may see fit to take, and voted the Board's appreciation of him.

#### PRESIDENT'S REPORT.

##### UNIVERSITY RESEARCH LECTURESHIP

I transmit with my approval the following recommendations of the general faculty:

1. That there be established an annual series of lectures to be delivered by a member of the University faculty as indicated below, known as the University Research Lectures.
2. The lecturer shall be chosen for important achievement in research or for distinguished work in the arts.
3. For the purpose of this lectureship the schools, colleges, and departments of the University shall be divided into four groups, as follows:
  - Group I: Science and Mathematics--Chemistry, Physics, Botany, Geology, Zoology, Mathematics.
  - Group II: Commerce and Social Science--Anthropology, Economics and Sociology, Government, History, Philosophy, Psychology, Business Administration, Home Economics.
  - Group III: Languages and Literature--Romance Languages, Germanic Languages, Classical Languages, English, Comparative Literature, Journalism, Public Speaking.
  - Group IV: Professional Schools--Education, Law, Engineering, Music, Library Science.
 The lecturer shall be chosen from one of the

- above groups annually, the groups being taken in rotation beginning with group one. The Graduate Council may, however, at its discretion, pass over any group in favor of another.
4. The lecturer shall be chosen in April of any year, by the Graduate Council, to which shall be added for the purpose of these lectures the dean of the School of Law and the dean of the College of Engineering. The lectures shall be delivered in the following March.
  5. The lectures shall be not less than three or more than five in number, on a topic closely associated with the field of attainments for distinction in which the lecturer was chosen. They shall be printed by the University, and the arrangements for delivering them shall be under the control of the Public Lectures Committee and the Committee on Publications acting jointly.
  6. The name of the lecturer chosen in any year shall appear among the honors listed on the commencement program of that year, and be printed in the University catalogue.
  7. During the fall and winter terms following his election, the lecturer shall be exempt from not more than two-thirds of his ordinary University work, it being understood that the time thus given him is to be devoted to further research in his field in preparation for the lectures.

## DEGREES IN ABSENTIA

In accordance with the practice of previous years, I recommend that the president be authorized to pass upon requests for the granting of degrees in absentia.

## RECORD OF WORK FEE

At the request of the registrar, I recommend that the fee for a duplicate of the student's record of work be changed from fifty cents to one dollar. At present the record is made out on a card each summer and covers only the work of the year before. This plan has not proved altogether satisfactory, as it is rather difficult, after a student has been in the University for two or three years, for him to keep all of his cards together. A booklet is now being prepared which will contain his entire record, regardless of the number of years he has been here. If this book should be lost, it is proposed to charge a fee of one dollar to have it replaced. As the present plan calls for fifty cents for each year's record, the new fee represents no real increase after all.

## ADDITIONAL APPROPRIATIONS

I recommend the following additional appropriations for the current fiscal year:

- \$500.00 to the Business Administration current account.
- \$275.00 to the medical library account and \$750.00 to the administrative incidental expense account at Galveston.
- \$48.00 to the department of Physical Training for Women for the employment of student assistants for the spring term.

These appropriations are all made necessary by reason of emergencies which have arisen since the adoption of the budget last fall.

To aid the work of the Division of Industrial Chemistry of the Bureau of Economic Geology and Technology, I recommend that whatever fees they may receive from clay tests, lignite retorting, etc., be added to the current account of that division as deposited in the auditor's office. This recommendation will simply continue an arrangement that has obtained in the past.

## TRANSFERS

To make necessary readjustments in appropriations already made I recommend that the Board authorize the following transfers:

- \$42.00 from the Comparative Literature current account to the Comparative Literature equipment account.
- \$100.00 from the Music current to the Music equipment account.
- \$500.00 from the Library general expense to the Library equipment account.
- \$100.00 from the Extension Director's traveling fund to his incidental expense account.
- \$65.00 from the Home Economics Extension incidental expense account and \$35.00 from the Home Economics Extension printing account to the equipment account of the same division.
- \$208.00 from the Package Loan Library subscriptions account to the following accounts in the same division: incidental expenses, \$50.00; printing, \$50.00; equipment, \$108.00.
- \$75.00 from the traveling expense account to the equipment account of the University Interscholastic League.
- \$600.00 from the official publications fund of the registrar's office to the purchase of furniture and office equipment and to increasing the incidental expense account of this office.

## APPOINTMENTS

I transmit for the ratification of the Board the following vacation appointments:

1. That of Mrs. F. M. Stewart as full-time assistant in the Package Loan Library Division of the Bureau of Extension, at a salary of \$100.00 a month, beginning April 10.
2. That of Mrs. Lota Spell as cataloguer in the Library, at the rate of \$1,400.00 a year, beginning January 1.

I am also transmitting to the Board the following nominations for the coming year:

1. That of M. W. Graham as instructor in Government, at a salary of \$2,160.00.
2. That of H. V. Atkinson as associate professor of pharmacology, at a salary of \$3,400.00.
3. That of C. C. Gault as professor of physiology, at a salary of \$4,000.00 beginning August 1, so that the necessary arrangements may be made before the opening of the next scholastic year.
4. That of Fernand Cattelain as instructor in Romance languages, at a salary of \$2,160.00.
5. That of H. L. Lochte as instructor in Chemistry at a salary of \$2,160.00.

## LEAVES OF ABSENCE

I recommend that requests for leave of absence be granted to the following:

1. E. L. Dodd, Associate Professor of Actuarial Mathematics, to accept an appointment as locum tenens at Williams College.
2. B. M. Woodbridge, Professor of Romance Languages, to accept a position at Reed College for the year.
3. Hilda L. Norman, Instructor in Romance Languages, to continue her graduate studies for the coming year.
4. V. W. Lanfear, Adjunct Professor of Economics, to continue his graduate work for the coming year.
5. W. P. Webb, Adjunct Professor of History, to

- pursue graduate work for the session of 1922-1923.
6. C. S. Boucher, Professor of American History, to teach in the second semester in the University of Wisconsin. As a substitute during Professor Boucher's absence, the History faculty recommends Professor C. E. Carter of Miami University.
  7. C. W. Ramsdell, Professor of American History, to teach in the winter term in the University of Chicago. Professor Ramsdell will exchange with Professor William E. Dodd, who wishes to teach here during that term.
  8. H. G. James, Professor of Government, to accept the invitation of the Carnegie Institution to make a study of the governmental system of Brazil during the fall and winter terms of next year.

The first seven recommendations are made without pay. In the case of Professor James, I recommend that he be given half pay, with the understanding that he devote part of his time in South America to the location of possible materials to supplement the Latin-American sections of the general library.

In this connection I desire to call the attention of the Board to the fact that the Executive Committee of the Board last December granted a leave of absence on full pay to Mr. G. E. Halliday, Bookkeeper in the Auditor's office, until the next meeting of the Board. Mr. Halliday has been with the University some six or seven years, and has served it faithfully and efficiently, particularly during the trying times of the University Army schools. He is now in Colorado, and, while he seems to be gradually improving, it is problematical as to when he will be able to resume his work. This will not be until the beginning of the next fiscal year in September, and may not be until the beginning of 1923. Meantime, I should be glad to have the Board take such action as it may deem wise.

#### SUMMER SESSION

I am transmitting, with my approval of the recommendations contained therein, the report of the dean of the Summer Session for the past summer.

I am transmitting also, with my approval, the budget proposed for the summer of 1922.

In accordance with the recent action of the Board, I recommend that it be the policy of the University hereafter to consider the president and his secretary, the librarian and his staff, the director of extension and the staff of the Bureau of Extension, the office of the registrar and his staff, the auditor and his staff, the director and members of the Bureau of Economic Geology and Technology, and the Interscholastic League as positions occupying twelve months' employment, the heads of the various offices named receiving, however, as much as six weeks of vacation and the employees four.

#### BUDGET FOR 1922-1923

In accordance with a memorandum of the auditor, hereto attached, the expenditures for the current year, exclusive of permanent improvements, are in round figures \$1,550,000. The total available revenues for 1922-1923 are approximately \$1,685,000. This figure includes an estimated unappropriated balance of about \$70,000, the legislative appropriation of \$1,330,000, and the estimated fees for 1921-1922 and 1922-1923. A provisional inspection of the expenditure requirements for instruction and maintenance for next session, including the summer school of 1923, shows a demand of approximately \$1,611,000. This estimate is based upon a rigid application of the rules adopted by the Board with reference to discrimination against members of the present staff, and contemplates no additions to the permanent staff beyond the rank of instructor, except in those cases where extraordinary emergencies have arisen, as in the medical branch, the Law School, and in one or two other departments. The details of the budget will be placed in the hands of the Board prior to the meeting to be held on Commencement Day in Austin in sufficient time to enable

the members to check the various items of anticipated expenditure.

#### LEGISLATIVE REQUEST FOR THE NEXT BIENNIUM

The State Board of Control has requested that the budget requirements for the next legislative biennium, 1923-1925, be submitted, if possible, by the first of July of this year, so that thorough study may be made of them and intelligent recommendations presented to the legislature. By law these requirements must be in the hands of the Board of Control by September 15. In order that I may proceed to the provisional casting up of the University's requirements, it will be necessary for the Board to adopt some principle upon which to base these recommendations. In my own consideration of the matter, two courses offer themselves as possibilities: (1) The Board may return to the salary scale in existence in 1920-1921, and shape the items of its requirements for the next biennium in accordance with the scale in effect at that time, this scale not having been changed by action of the Board except only as acceding to the requirements of the legislative appropriation bill and the restrictions which were placed upon it. (2) The Board may shape the items of its requirements for the next two years in accordance with the scale set up by the Thirty-seventh Legislature, making the estimates for the next biennium accord with the itemization of the present appropriation bill and introducing into this itemization only the new positions and the requirements necessary for expansion under the head of maintenance, and asking for contingent funds--which may be calculated roughly at five per cent--under each main division for the purpose of making such adjustments and promotions as in the judgment of the Board of Regents may be wise. My own judgment leads me to recommend the adoption of the second method outlined, as I believe this will present a more practicable method of securing the appropriation of funds without too great restriction as to itemization. There should certainly be no serious discussion as to the University's need of certain new positions and enlarged maintenance appropriations in view of the growth which the institution has already experienced and which is expected during the present biennium; and the allowance of certain contingent funds for promotions and salary adjustments, provided these adjustments do not carry the maximum salary beyond the amount allowed by the Thirty-seventh Legislature, would seem to be a defensible proposal. The decision of this question will be of material assistance to the administrative officers in presenting recommendations to the Board, and will facilitate the placing of these recommendations in the hands of the Board of Control by the date requested.

#### UNIVERSITY LAND ACQUISITION ACT

I desire to call the attention of the Board to the fact that the commission acting in the purchase of the additional land provided for by the Thirty-seventh Legislature has succeeded in transferring to the University something less than half of the land involved, and that for some months past no purchases have been made under the legislative act. I have not been able to secure exact information as to the purpose of the commission to push this matter to completion, partly because it has not seemed to lie within my special jurisdiction. It seems to me, however, that if plans are to be made for the utilization of the land included in the purchase act, with that detailed study which is essential to its best utilization, the purpose of the act should be carried out as early as practicable and all of the land contemplated therein should be placed under the control of the Board of Regents. I recommend, therefore, that either the suitable standing committee or a special committee of the Board be instructed to look into this matter and take such steps to expedite the acquisition of this property as may seem wise.

R. E. Vinson  
President

## SUMMER SCHOOL

Recommendations of Dean Eby adopted by the Board subject to the regulations previously prescribed by the Board touching the duties of administrative officers of the University:

## 1. DEANS.

- (1) That the dean of the Summer School be designated in the future as the director of the Summer Session.
- (2) That the dean of the College of Arts look after the routine duties of his office during the session, offer one course of instruction, and receive the salary of a full professor.
- (3) That the dean of the Graduate School function as such during the summer. In case he can not perform this duty he should see that a satisfactory substitute is named. He should be asked to offer one course, perform the duties of deanship, and receive therefor compensation of a regular professor.

## 2. DUTIES OF THE DIRECTOR OF THE SUMMER SESSION.

- (1) To study and watch over the general policy of the Summer Session to the end that it may offer the best services to the greatest number of our Texas students.
- (2) To formulate and submit the annual budget.
- (3) To see that information is sent out to prospective students in regard to the courses obtainable.
- (4) To have general supervision over the Summer Session, co-ordinate the work of the various departments and officers, and have general direction over the Summer Session catalogue, public lectures, social affairs, etc.
- (5) To recommend to the Executive Committee the faculty of the Summer Normal.

3. TEACHING IN BOTH TERMS. That full salaries be allowed to those who teach in both terms of the Summer School, but that the Executive Committee conform as far as possible to the previous practice of preventing the same person from teaching in both terms, departing therefrom only in cases which it considers to be of absolute necessity.

4. BUDGET. That the accompanying budget (see secretary's files) for the summer of 1922 amounting to \$63,525 be adopted.

## II REPORTS OF STANDING COMMITTEES

1. EXECUTIVE COMMITTEE. The Board ratified the actions of the Executive Committee under date of March 13, 1922, as follows:

- (1) Authorized the money realized from the sale of record cards and health tags in the Division of Home Economics in the Bureau of Extension to revert to the printing fund of the Division.
- (2) Transfer of \$100 of subsidy by the federal government in the Department of Home Economics in connection with the Practice House course to the Summer School account.

## (3) Made the following transfers:

- In the Division of Industrial Chemistry of the Bureau of Economic Geology and Technology \$800 from the Current Expense Account to the Equipment Account.
- In the Department of Home Economics \$110 from the Current Account, to be used to pay the salary of Mrs. Louis M. Krausse, who took charge of Miss Hessler's classes for three weeks during the month of January while Miss Hessler was absent on sick leave.
- In the Department of Home Economics that the money realized from the sale of foods be made available for the Department for its Current account, to be used in replenishing foods for the same purpose.
- In the Department of Botany that \$600 be transferred from the Current account to the Equipment Account.
- In the Department of Pure Mathematics \$100 from the Current Account to the Equipment Account.
- In the Department of Geology \$900 from the Current Account to the Equipment Account.
- (4) Made the following additional appropriations:
- \$100 to the Current Expense account in the Office of the Dean of the School of Education.
- \$500 for salary and \$100 for equipment in the Department of Physical Training for Women for a course of lectures on personal and sex hygiene. Sixteen lectures are to be given on Monday and Tuesday evenings during spring term.
- \$350 for purchase of a K.W. transmitting set complete with extras for radio equipment in the Department of Physics.
- \$50 for the Current Expense account of the Dean of Women.
- (5) Made Dr. J. W. David and Dr. F. W. Dimmitt adjunct professors with salaries at the rate of \$2,400 per annum, effective March 1, 1922.

2. COMMITTEE ON BUILDINGS AND GROUNDS. Mr. Folts, Chairman of the Committee on Buildings and Grounds, presented the following report:

April 17, 1922.

To the Honorable Board of Regents  
of the University of Texas,  
Austin, Texas.

Sirs:

Your Committee on Buildings and Grounds met April 17, 1922, and devoted the entire day to the discussion of a selection of an Architect who shall serve as a University Architect and beg to submit this report, with our recommendations, as follows:

Of those who chose to accept the invitation extended by Dr. R. E. Vinson at the request of the Board of Regents the following were present, Messrs. Kuehne, Page, Phelps, Ayres, Watson, Green, Hill and Barglebaugh.

We recommend, first, that the Board of Regents extend to Mr. Cass Gilbert their thanks, and before selecting an Architect, absolutely clear our records of any connection with Mr. Gilbert.

We recommend, further, as our first choice, the selection of Mr. Green, with Messrs. Page Brothers, as our second choice.

Respectfully submitted,

W. H. Folts  
C. E. Kelly  
Mrs. H. J. O'Hair  
Committee on Buildings and Grounds.

On motion of Mr. Jones seconded by Mr. Cook, the Board voted to terminate Mr. Cass Gilbert's connection with the University as Architect.

Mr. Cochran moved, seconded by Mr. Jones, that Mr. Herbert Miller Greene, of Dallas, be employed as Architect of the University of Texas under such contract as may hereafter be made, and that the thanks of the Board be extended to the Committee on Buildings and Grounds for their services.

### III MISCELLANEOUS

1. HOUSE FOR MR. PRATER. The Board voted to permit Mr. A. M. Prater, assistant Business Manager of the University, to occupy one of the houses on the Campus addition, without rent, in view of his extra labor in handling the addition.

2. TIME AND PLACE OF MEETING. Effective September 1, 1922, the Board voted, on motion of Mr. Jones seconded by Mr. Folts, the following yearly schedule of meeting dates and places: the last Tuesday in October, January, March, and June, and the second Tuesday in May; the October meeting to be held in El Paso, the May meeting in Galveston, and the others in Austin.

3. ADJOURNMENT. On motion of Mr. Jones, seconded by Mr. Cochran, the Board adjourned.

*E. M. Matthews*  
Secretary.

Galveston, May 31, 1922.

The Board of Regents met in Galveston on Wednesday morning, May 31, 1922, at ten o'clock. Present: Regents Stark (Chairman), Cook, Folts, Jones and O'Hair; President Vinson and the Secretary.

The minutes of the meeting of April 18, 1922, were approved.

### PRESIDENT'S RECOMMENDATIONS

The Regents took the actions indicated below with reference to matters presented by the President.

1. TRANSFERS. Made, on motion of Mrs. O'Hair seconded by Mr. Folts, the following transfers:

(1) From the Traveling Expense account to the Incidental Expense account of the Interscholastic League, \$94.88.

(2) From the Current account of the Department of

Public Speaking to help defray the expenses of the University intercollegiate debaters, \$100.00.

(3) From the Current account to the Equipment account of the Department of Civil Engineering, \$250.00.

(4) From the Current account to the Equipment account of the Department of Biological Chemistry (Galveston), \$105.00.

(5) From the Home Economics account to the Practice House account the \$200.00 refunded for painting the walls of the Practice House.

2. ADDITIONAL APPROPRIATIONS. Voted, on motion of Mr. Folts seconded by Mr. Cook, additional appropriations for the current year as follows:

(1) For a new water distilling apparatus for the Medical Branch, \$175.00.

(2) For the purchase of sets of periodicals for the general library ordered several years ago, but which could not be delivered and paid for sooner on account of the War, \$2,111.00.

(3) To supplement the Faculty Expense account, \$90.34.

(4) For painting fire-escapes at Medical Branch, \$340.00.

(5) For honorarium to Dr. J. S. Dimmitt for Lectures \$100.00.

(6) For two instructors in Anatomy, effective July 1, 1922, to take the places of two that are leaving, \$1800.00 each.

3. LEAVES OF ABSENCE. Granted, on motion of Mr. Jones seconded by Mrs. O'Hair, the following leaves of absence without pay for the session of 1922-23: Dr. F. A. Waterhouse, Adjunct Professor of Romance Languages, to accept an invitation to teach elsewhere, and Mr. R. A. Haynes, Instructor in Romance Languages, to pursue graduate work at the University of Chicago.

4. LIBRARY FEE AND DEPOSIT. Increased, on motion of Mr. Jones seconded by Mr. Cook, the library fee from \$1.00 to \$2.00 and the library deposit from \$4.00 to \$7.00, for the long session of the Main University, effective next year; and the library fee from 25 cents to \$1.00 and the library deposit from \$2.00 to \$5.00, for each term of the summer session beginning with the summer of 1923.

5. WOMAN'S BUILDING SALARIES. Increased, on motion of Mr. Cook seconded by Mr. Folts, the salary of Mrs. Neil Carothers, Director of the Woman's Building, from \$2,000.00 to \$2200.00, and the salary of Miss Anna Hendricks, Business Manager of the Woman's Building, from \$1400.00 to \$1800.00, effective September 1, 1922, same to be paid out of the income of the Woman's Building.

6. REQUEST OF PROFESSOR REED FOR PERMISSION TO TEACH PRIVATE PUPILS. Declined, on motion of Mr. Jones seconded by Mr. Folts, the request of Mr. F. L. Reed, Professor of Music, to be permitted to give music lessons to private pupils for pay.

7. DRISCOLL PROPERTY TO UNIVERSITY WOMEN'S CLUB. Leased, on motion of Mr. Jones seconded by Mr. Cook, the Driscoll place, on Whitis Avenue in Austin, to the University Women's Club for use as a club house at a nominal rental to take care of the upkeep.

8. ROOF REPLACED ON BRACKENRIDGE HOUSE. Instructed the Business Manager to have the roof recently blown off one of the houses on the Brackenridge land

restored, the cost to be met out of the Brackenridge Land Lease account.

9. PERMITS TO LEAVE BEFORE COMMENCEMENT. Granted, on motion of Mrs. O'Hair seconded by Mr. Folts, permission to the following members of the faculty of the Main University to leave Austin before Commencement: Mr. Hal C. Weaver, Miss Nina Weisinger, Miss Bess Heflin, Miss Margaret Hessler, Miss Jet Winters, Miss Elizabeth Lacey, and Miss Virginia Shearer.

21. LITTLEFIELD DORMITORY NOTE. Voted, on motion of Mr. Jones, seconded by Mr. Cook, that the Board of Regents accept a note executed by the trustees of the George W. Littlefield Trustees in the sum of \$250,000.00 payable upon the demand of the Board of Regents of the University of Texas and that upon the delivery of said note from the said trustees to President Vinson of the University, a proper receipt is hereby authorized to be given for said note by the Chairman of the Board.

#### PROPOSED NOTE

Austin, Texas, April 29, 1922.

\$250,000.00

Trustees,  
Upon demand of the Board of Regents of the University of Texas, we, the undersigned, J. P. White, H. A. Wroe, and Whitfield Harral, pursuant to the powers conferred upon us in the agreement and declaration of trust, dated February 24, 1921, and recorded in the deed records of Travis County, Texas, in Volume 112, Pages 109 to 137, both inclusive, acting as Trustees under said declaration of trust, but not individually, hereby promise to pay to the President of the University of Texas and to the person who is a member of the Building Committee of the Board of Regents of the said University residing in Austin, and to H. A. Wroe, of Austin, Texas, as Trustees, according to Paragraph 7 of the will of George W. Littlefield, deceased, probated in Cause 5220 in the County Court of Travis County, Texas, reference to which is here made, the sum of Two Hundred Fifty Thousand Dollars (\$250,000.00), at Austin, Texas, for value received.

This note is non-negotiable and shall not in any event bear interest prior to demand of said Board of Regents herein provided for.

By the acceptance <sup>said</sup> of this note the Board of Regents of the University of Texas does not incur any liability whatsoever, nor does it waive in any manner any rights under said will of George W. Littlefield, or under said agreement and declaration of trust.

Trustees.

22. S. S. CANDIDATES FOR DEGREES. Authorized, on motion of Mr. Cook, seconded by Mr. Cochran, the graduation of candidates at the close of Summer School upon the certification by their respective deans that they have completed all the requirements for the respective degrees sought.

23. LUBBOCK HALL FURNITURE. Voted, on motion of Mrs. O'Hair seconded by Mr. Cook, that the furniture in Lubbock Hall, except certain items desired by Miss Hendrix for the Woman's Building, be sold to the Austin Theological Seminary for the sum of \$2500.00 payable \$1200 in cash and the remainder on or before two years from date.

24. REPAIRS FOR DRISCOLL HALL. Voted, on motion of Mr. Cook, seconded by Mr. Jones, the sum of \$2,000.00 for putting Driscoll Hall in good repair for occupancy by the University Women's Club.

25. PERMANENT BUILDINGS. On motion of Mr. Jones the Board instructed the University Architect to prepare complete plans and specifications for a central heating plant and a building to house the administrative offices, the library and the museum, both at Galveston, and requested the President to recommend to the Board at its next meeting which building should be erected first at the Main University.

26. REPAIRS AT GALVESTON. On motion of Mr. Jones the Board appropriated \$12,700 for needed repairs at Galveston,

as follows:

Repairs to Boiler . . . . .	\$450.00
Plastering	
Colored Building

31. CHEMISTRY SHACK. The Board voted unanimously, on motion of Mr. Jones seconded by Mr. Cochran, to appropriate \$5,000.00 for erecting and equipping a structure for chemistry.

32. PROFESSOR GEORGE C. BUTTE. The Board requested, on motion of Mr. Folts, that the President write a letter to Prof. George C. Butte assuring him of the Board's appreciation of him and expressing the hope that he will not sever his connection with the institution, also notifying him that the Board is endeavoring to secure a salary of \$5,000.00 for him in the next biennium.

33. DEANSHIP OF LAW SCHOOL. President Vinson stated that Judge Townes had notified him definitely that he could not serve as Dean of the Law School longer than next session. Mr. Jones moved, seconded by Mr. Cook, that the Board's action barring any member of the present law faculty from consideration for the deanship be rescinded. On motion of Mr. Cochran seconded by Mr. Folts, action on this motion was deferred until next meeting.

34. FELTON LETTER. Mr. Folts presented a letter from Miss Jewell Fulton, 219 Archway, Austin, requesting assistance from the Board in making a satisfactory sale of

her home to the Campus Purchasing Commission. On motion of Mr. Cochran the Board ordered the letter filed and Miss Fulton advised that the Regents have no official connection with the Commission.

35. CASS GILBERT, ARCHITECT. President Vinson gave the following report of his interview with Mr. Cass Gilbert, of New York, concerning his claim for additional compensation for his services as University Architect.:

In accordance with the instructions of the Board of Regents, at its last meeting in Galveston, I went to New York and had an extended conference with Mr. Cass Gilbert with reference to the recent action of the Board in cancelling his engagement as Architect of the University, and the correspondence which has passed between Mr. Gilbert and myself since that action, looking toward a settlement of possible obligation of the Board of Regents to Mr. Gilbert.

I carried with me to New York the entire file of correspondence with Mr. Gilbert from the beginning of his connection with the University to the present time, together also with certified copies of all the actions of the Board of Regents touching upon this matter as recorded in the minutes of the Board. These files were also supplemented in the conference from Mr. Gilbert's files, and the entire matter was gone into as thoroughly as both Mr. Gilbert and I desired.

Upon the examination of all this record it appears that the contractual relations of this University with Mr. Gilbert were exceedingly vague, no mention of any compensation being made other than the payment of the usual architect's fees for the plans and specifications and supervision of the Library Building and the Education Building. There is no indication of the length of time that the relationship should continue. All these matters were pointed out by me in the conference and were pointed out by me in the conference and were supplemented by the statements made by Mr. Gilbert, who took the position that neither the Board of Regents at that time nor he regarded his relationship to the University as lying within the field of a definite commercial transaction, that the whole matter of his tenure was left indefinite purposely, and that he stated to the Board at that time and had frequently since stated that the relationship was terminable at will either by the Board of Regents or by himself.

I then requested Mr. Gilbert to make a definite statement of account of services rendered by him to the University, such as is required by the laws of the state of Texas, so that I might present such a definite statement of account to the Board of Regents. This Mr. Gilbert declined to do, saying that the nature of the services rendered was such that he found it extremely difficult, if not impossible, to express it in exact terms of dollars and cents.

As a result of our conference, therefore, two suggestions were made, one emanating from Mr. Gilbert and the other from me.

Mr. Gilbert suggests that the whole matter of the obligation of the University of Texas to him in the severance of his relationship to this institution should be left to friendly counsel, naming to act in this capacity suitable to him certain individuals or any others of sufficient prominence and acquaintance with such matters as would be able to reach conclusions fair to both sides. Mr. Gilbert expressed his willingness to abide by the decision of such counsel.

On my part, I asked Mr. Gilbert if he would be willing, in the event the Board of Regents should see fit so to do, to continue to act in a consulting capacity for the architectural development of the University, the terms of which might be specifically wrought out by the Board and himself,

and to permit this continued employment to serve as discharging all of the obligations of the University of Texas to him which he feels have accrued during the period of his connection with the institution. To this Mr. Gilbert agreed. I am, therefore, transmitting this report of my conference with Mr. Gilbert to this Board for such action as the Board may deem wise and proper.

On motion of Mr. Cook, seconded by Mrs. O'Hair, the above report was accepted and ordered spread on the minutes.

On motion of Mr. Folts seconded by Mr. Cochran, the Board adopted the following statement as its answer to Mr. Gilbert.

The Board has heard with much interest the report of the President of his conference with Mr. Cass Gilbert, Architect, of New York, and is of the opinion that inasmuch as the moneys under the control of this Board are the property of the state of Texas and can only be paid out by the Board upon definite statements of account, properly rendered and sworn to, for services rendered, as is required by law, this Board is powerless in the absence of such a statement to make any payment to Mr. Gilbert, or even to submit the matter of amount of payment to friendly counsel for final decision. The Board of Regents quite appreciates the fact that Mr. Gilbert has spent much time in the study of possible general plans for the building development of the University, but the Board does not feel that up to the present time any value whatsoever has accrued to the University of Texas from this source, inasmuch as Mr. Gilbert has not furnished to the Board any plans as visible evidence of his industry.

The Board further appreciates the fact that the original contract with Mr. Gilbert was exceedingly incomplete in its expression, and since the personnel of this Board has entirely changed many times since the original arrangement was entered into and many former members of the Board have died, this Board has nothing upon which it can proceed other than the record as found in its own minutes. Upon the basis of this record, therefore, this Board must hold that the relationship with Mr. Gilbert as Architect of the University of Texas was terminable at the will either of Mr. Gilbert or of this Board, and that there is nothing before this Board of Regents to indicate that it is further financially responsible to Mr. Cass Gilbert than has already been satisfied under both the general agreement and the individual contracts for the two buildings which have been erected under his supervision.

The Board does not desire to confine itself in the future to the services of one architect in an advisory or consulting capacity with the Architect of the University, with regard to the building program of the University, preferring to be free to secure such consultation as may be necessary and to do so without relation to any previous possible obligations, and on this account, therefore, declines to adopt the suggestion of the President referred to in his report.

36. President's Expenses to Y. M. C. A. Conference. Voted approval, on motion of Mr. Jones seconded by Mr. Cochran, of the President's attendance upon a Y. M. C. A. conference of international importance held at Niagara Falls, at the University's expense.

37. Doe Letter. Chairman Stark presented a letter to him from Mr. Albion Noyes Doe, formerly Superintendent of Shops in the Department of Mechanical Engineering. The President explained the situation presented by Mr. Doe, and the Board, on motion of Mr. Cochran, declared the explanation satisfactory and ordered the letter filed.

38. BIENNIAL REQUEST TO GOVERNOR AND BOARD OF CONTROL. The Board, having considered carefully the draft of the University's needs for the next biennium as prepared by the President under the instructions of the Board, adopted, with a few minor changes, on motion of Mr. Jones seconded by Mr. Cochran, the recommendations as drawn up and ordered them printed. *One item, Dr. Parlin's title changed to Dean of the Junior College, was made effective Sept. 1, 1922.*

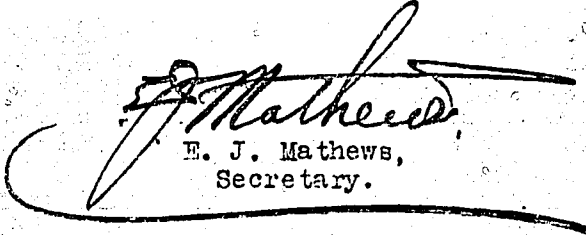

39. AUDIT OF UNIVERSITY ACCOUNTS. The Board authorized the Auditing Committee to employ a suitable accountant to audit the University's books for the fiscal year to end August 31, 1922.

40. MEMORIAL UNION BUILDING. The Board gave its endorsement to the movement undertaken by the students to provide a Memorial Union Building by adopting the following resolutions:

The Board of Regents has heard with much pleasure of the movement among the students of the University looking toward the erection of the Memorial Union or the University Center by the students, ex-students, and friends of the University of Texas, at a cost of approximately one million dollars, to accommodate various student and ex-student activities, and to provide facilities which may contribute to the successful operation of this University.

The Board desires to express its hearty approval and endorsement of this movement and the hope that such a building may be erected in the near future.

The Board adjourned at 7:45 P. M.

  
E. J. Mathews,  
Secretary.

AUG 23 1922

Galveston, Texas,  
August 23, 1922.

The Board of Regents of the University of Texas met in Galveston on Wednesday, August 23, 1922, pursuant to the following call:

August 18, 1922.

"Mr. H. J. L. Stark,  
Chairman, Board of Regents,  
Orange, Texas.

Dear Mr. Stark:

In accordance with our telephone conversation of last night, I have today sent the following day letter to each member of the Board of Regents:

'By order Chairman Stark, Board of Regents hereby called to meet Galveston, Wednesday, August 23, 10:30 A.M., to consider purchase of real estate in Galveston and other matters of emergency nature which may arise. Presence quorum urgent. Please reply.'

Very cordially yours,  
President."

Department of Physics authorized to expend not to exceed \$500 out of the appropriation for permanent equipment for session 1922-23 for purpose of providing for the Physics Laboratory Radio Section.

3. ADDITIONAL GROUND. The Board then heard from a committee of the Galveston Commercial Association with reference to the purchase of additional real estate. Mr. Jones, seconded by Mrs. O'Hair, moved "That this Board authorize and empower the Committee of the Galveston Commercial Association, of which Mr. Cheesborough is Chairman, to purchase all of the lots in Block 609 not now owned by the University at a cost to this Board not to exceed \$30,000, under the plan proposed by the Committee, exclusive of the improvements, it being understood that the amount indicated is to cover all trades and transfers and the removal of improvements." The motion prevailed.

4. SEALY TEMPORARY BANKER. On motion of Mr. Jones, seconded by Mr. Wroe, the Board authorized the Chairman of the Board to make temporary banking arrangements with Mr. John Sealy for the immediate financing of this land purchasing project, and to instruct the Auditor of the University to reimburse Mr. Sealy from time to time as the property may be acquired and within the limits previously defined.

5. IMPROVEMENTS ON UNIVERSITY LOTS. The Board, on motion of Mr. Jones, seconded by Mr. Wroe, authorized the Committee of the Galveston Commercial Association to dispose of the improvements on the lots now owned by the University and to apply the proceeds of the purchase of the other property, in case this can be done before the purchase is consummated.

6. A.M.P.O. FRATERNITY. Mr. Jones moved, seconded by Mrs. O'Hair, "That the Galveston Commercial Association be authorized and empowered to arrange with the A.M.P.O. Fraternity with reference to the lease now in force, provided the University's title is recognized, the University to remove the fraternity house to such other location as the fraternity may acquire, -- remove without cost to the fraternity and donate the improvements to the fraternity." The motion carried.

7. THANKS TO GALVESTON COMMERCIAL ASSOCIATION. The Board gave a vote of thanks to the committee of the Galveston Commercial Association for its services in aiding the University to acquire more ground.

8. NOTE ON LITTLEFIELD ESTATE. On motion of Mr. Jones, seconded by Mr. Folts, the Board accepted the following note from the Littlefield Estate:

*(This note was never executed  
Mr. H. A. Wroe refusing to do so because of  
objection to a certain provision in it.)*  
J.M.

2. AMENDMENTS TO REGULATIONS. On motion of Mr. Kelly, seconded by Mr. Folts, the Board adopted the following amendments to the Rules and Regulations:

(1) Time and Place of Meeting. Adopted the schedule proposed at the meeting of April 18, 1922, shown on page 62 of the minutes.

(2) Administrative Council. Substituted the following for the first sentence of Section 9, Article II: "The Administrative Council for the Main University shall consist of the president, the deans of the several colleges and schools, the dean of women, the director of extension, the registrar, and additional members to be selected by the Board on the basis of the number of voting members in the faculties of the several schools and colleges. Each school or college shall be represented by its dean until the number of voting members in its faculty shall exceed twenty-five. For every additional twenty-five voting members there shall be one representative chosen from the faculty of the School or College concerned."

3. REAPPROPRIATIONS. The Board made the following reappropriations, on motion of Mrs. O'Hair seconded by Mr. Wortham, these amounts having been carried back into the general fund before all outstanding bills could be presented:

\$1,550 to the Division of Economic Geology of the Bureau of Economic Geology and Technology  
 \$15 to the Commencement Committee  
 \$21.59 to the Department of the Philosophy of Education  
 \$12.88 to the Summer Schools  
 \$650 to the Publications Committee

4. ADDITIONAL APPROPRIATIONS. President Vinson recommended the following additional appropriations:

\$3,000 for the Radio Broadcasting Division of the Bureau of Extension  
 \$4.42 to clear the Dormitory Building account at the College of Mines and Metallurgy  
 \$500.40 to cover the Insurance account at the College of Mines and Metallurgy  
 \$100 to cover the August salary of Miss Mae P. Brooks, stenographer at the College of Mines and Metallurgy  
 \$6,097.55 to cover expenses incurred in connection with the rental of the University's city real estate.

On motion of Mr. Jones, seconded by Mr. Wortham, the Board appropriated all of the above items except the \$3000 for radio.

Mr. Wortham moved, seconded by Mr. Jones, that consideration of the radio item be indefinitely postponed. The motion carried.

5. LEAVES OF ABSENCE. (1) Herman G. James. On motion of Mr. Wortham, seconded by Mr. Jones, the Board extended the leave of absence of Prof. Herman G. James through the spring term of this session on half pay, provided he obligates himself to return to the University next fall.

(2) Dean S. H. Worrell. On motion of Mrs. O'Hair, seconded by Mr. Kelly, the Board granted a leave of absence to Dean S. H. Worrell of the College of Mines and Metallurgy, without pay, for six months, beginning December 1, 1922, to visit mines and mills in Mexico; appointed Professor J. W. Kidd to serve as Acting Dean during Mr. Worrell's absence, ~~at the latter's salary~~; and authorized the appointment of an instructor to teach Mr. Worrell's classes.

(3) Professor E. D. Shurter. The Board, on motion of Mrs. O'Hair seconded by Mr. Jones, voted a leave of absence for the current session to Mr. E. D. Shurter, Professor of Public Speaking, without salary, to work with the American Interscholastic League.

(4) Miss Frankie Wren. On motion of Mr. Cook, seconded by Mr. Folts, the Board granted a leave of absence, on full pay, from October 1 to January 1, on account of illness, and, on motion of Mr. Wortham seconded by Mrs. O'Hair, gave the President authority to extend the leave if necessary.

(5) Meyer Bodansky. On motion of Mr. Jones seconded by Mr. Wortham, a leave of absence for the current session, without pay, was granted to Mr. Meyer Bodansky, Instructor in Biological Chemistry at Galveston, to complete his work for the Ph. D. degree at Cornell University.

6. MUSIC. President Vinson presented to the Board the request of Professor Reed and Director Shelby that a teacher of community music be provided. In a motion made by Mr. Jones and seconded by Mrs. O'Hair, the Board expressed its thorough sympathy with the desires of Messrs. Reed and Shelby and its regret that funds available at present do not warrant more favorable action now. The President was asked so to inform these gentlemen.

7. PHARMACY. On motion of Mr. Jones seconded by Mr. Folts, the Board adopted the following recommendations of the Dean and faculty of the College of Pharmacy, endorsed by the President:

(1) That beginning with the session of 1923-1924 the number of entering freshmen (Juniors) in the College of Pharmacy be limited to 60, admission to be based on scholarship attained in accredited high schools, students from the state of Texas having precedence, and priority of application receiving consideration when scholastic records are equal.

(2) That applicants for advanced standing be considered only if the total of the senior students in the College of Pharmacy be less than 40.

(3) That admission by individual approval be abolished.

(4) That the degree of Ph. C. and graduate courses in pharmacy leading to that degree be authorized, beginning in 1923-24, or as soon thereafter as University finances may permit.

8. INSTRUCTORS AND TUTORS EXEMPTED FROM LABORATORY FEES. On motion of Mr. Folts seconded by Mrs. O'Hair, the Board authorized the exemption from laboratory fees of instructors and tutors taking courses in the School of Medicine, *beginning with this session.*

9. INCREASE IN MEDICAL LABORATORY FEES. The Board voted, on motion of Mr. Kelly seconded by Mr. Jones, to increase the following laboratory fees in the School of Medicine, beginning with the session of 1923-24, to make possible an adequate supply of microscopes: In the first year, Bio-chemistry, Physiology, Histology, and Bacteriology from \$5.00 to \$10.00 each; in the second year, Pathology, Physiology, and Pharmacology, from \$5.00 to \$10.00 each; in the third year, Clinical Medicine and Micro-chemistry from \$5.00 to \$10.00 each; and in the fourth year, Operative Surgery and Experimental Surgery, and Clinical Medicine from \$5.00 to \$10.00 each; *and Junior Pharmacy from 10.00 to 15.00 and Senior Pharmacy from 10.00 to 20.00.*

10. LIGHT AND POWER. On motion of Mr. Jones seconded by Mr. Cook, the Board appropriated the sum of \$8500 for the purchase and installation, by competitive bids, of a Primary Distribution System for the Campus, provided the President first assures himself that the system could be used in case the University should build a plant of its own and that, with this system, a sufficiently reduced rate can be secured from the City to justify this expenditure.

11. VACATION OF LIBRARY STAFF. The Board fixed at one month the length of the vacation to be allowed members of the University Library Staff who are on a professional basis, the motion being made by Mr. Jones and seconded by Mr. Wortham.

12. ADVANCED FELLOWSHIPS. On motion of Mr. Jones seconded by Mr. Wroe, authority was given to award Advanced Fellowships in amounts varying between \$250 and \$500.

The Board recessed at 12 o'clock until 2 o'clock.

AFTERNOON SESSION

The Regents reassembled at two o'clock, the attendance being the same as in the morning.

13. RETURN OF CORRESPONDENCE FEE IN BOTANY. On motion of Mrs. O'Hair seconded by Mr. Kelly, the Board authorized the return to Malcolm Riess of the correspondence fee paid by him.

14. J. D. MITCHELL NATURAL HISTORY COLLECTION. On motion of Mr. Cook seconded by Mrs. O'Hair, the Board accepted the generous offer of the heirs of the late J. D. Mitchell, of Victoria, Texas, to donate to the University the natural history collection left by him, and ordered the collection to be stored in Austin until suitable space for it on the campus is available. A vote of thanks was also included in the motion.

15. BIEBER LIBRARY OF AMERICAN POETRY. On motion of Mr. Jones seconded by Mr. Wroe, the Board authorized the purchase of the Albert A. Bieber Collection of American Poetry, at Jersey City, N. J., and appropriated therefor \$10,000 and an amount necessary to cover express and insurance on the Collection and \$100 for Dr. R. H. Griffith's expenses in visiting it.

16. AMERICAN SCHOOL OF CLASSICAL STUDIES. The Board appropriated, on motion of Mr. Cook seconded by Mr. Jones, \$250 to have the University of Texas become one of the supporting institutions of the American School of Classical Studies, Athens, Greece, with membership in the Managing Committee, eligibility for our professors to appointment on the School staff, and free tuition for our students in the School.

17. PRESIDENT'S HOME DESTROYED BY FIRE. The President reported the almost complete destruction of the President's Home by fire on Saturday night, October 14; insurance on the house, \$12,000. On motion of Mr. Wortham seconded by Mr. Wroe, the Board instructed the Building Committee and the President to have the house rebuilt immediately as it was.

18. MILITARY COMPANY AND S. M. A. INSURANCE. On motion of Mr. Kelly seconded by Mrs. O'Hair, the Board granted the petition of certain students of the University to organize a military company, to be known as University Company A, 111th. Engineers, Texas National Guard, and to use a part of the buildings at S. M. A. for an armory and barracks, on the condition that strict military discipline is maintained and the officers of the company are held responsible to the President for the proper conduct of the company. S. M. A. buildings were ordered reinsured for five years, on the basis of three-year cost.

19. CONTRACT WITH UNIVERSITY ARCHITECT. Upon invitation, University Architect, Mr. H. M. Greene, appeared before the Board with a copy of a proposed contract. After going over it the Board, on motion of Mr. Cook seconded by Mrs. O'Hair, requested Mr. Jones and Mr. Greene to work it over and submit it to the Building Committee. The Building Committee was given power to act finally on the contract.

20. S. M. A. BUILDINGS TO CENTRAL TEXAS FAIR. On motion of Mrs. O'Hair, seconded by Mr. Folts, the Board gave permission to the Central Texas Fair Association to use the S. M. A. buildings and grounds, except that part occupied by the University Military Company, for its 1923 fair on the same terms as this year, provided the property is left in good condition this year.

21. SURGICAL FEES FOR HOSPITAL FUND. On motion of Mr. Jones seconded by Mr. Cook, the Board authorized the placing

of fees paid to University physicians for major surgical operations in a separate account to be used later toward the building of a University hospital.

22. DR. HENDERSON AND THE SAN ANTONIO SCHOOLS. Permission was given, on motion of Mr. Cook seconded by Mr. Folts, to Dr. J. B. Henderson, Professor of Secondary Education, to accept the invitation of the San Antonio Board of Education to assist them in the reorganization of their school system, and to receive compensation therefor.

23. AUTOMOBILES BANISHED. On motion of Mrs. O'Hair seconded by Mr. Cook, the Board passed unanimously the following regulation: After January 1, 1923, students of the Main University, except graduate students and residents of Austin, may not own or have possession of an automobile in Austin during the time they are students in the University.

24. DR. MARSH'S NEW BOOK. The Board requested President Vinson, on motion of Mr. Jones seconded by Mr. Cook, to convey their congratulations to Dr. F. B. Marsh, Adjunct Professor of History, on the publication of his book, "The Founding of the Roman Empire", and to Mr. A. C. Wright, Manager of the University Press, on the excellent workmanship evidenced in the book.

25. BIOLOGY BUILDING. Mr. Jones moved that the next building to be erected at the Main University be a biology building, placed on the northwest corner of the Campus, and that the commission to Architect Greene, provided a contract is made with him, be 4%, in view of the progress already made on the plans for this building. The motion was seconded by Mr. Folts and adopted by the Board.

On motion of Mr. Jones, seconded by Mr. Kelly, the Board ordered the plans for the biology building to be completed at once and those for the two buildings at Galveston to follow as soon as possible thereafter.

26. EXECUTIVE COMMITTEE. The Secretary presented the following actions of the Executive Committee, which, on motion of Mr. Jones seconded by Mr. Wortham, were ratified by the Board.

July 14, 1922

(1) Corrected the salary of \$2880 assigned to Associate Professor-elect H. B. Dewing, making it \$3000, the proper salary for his rank.
