Such action will be final when acted upon by the President. A faculty member may appeal this recommended assigned rank to the Vice President for Academic Affairs.
- VI. During the appointment to rank process, there may be cases in which a faculty member does not meet the objective criteria of this policy and yet would seem to have a compelling case for appointment to a higher rank by virtue of long and exemplary service or unusual but not here recognized academic accomplishments (e.g., ABD status, two Master's degrees, previous ranking at another institution, or exceptional scholarly accomplishments). In these cases, upon the agreement of both the Chair and the Dean, the faculty member may be nominated for promotion. This nomination by the Chairperson and Dean shall have a special status in the 1992-93 promotion process.

MEDICAL SCHOOL ALUMNI LOAN PROGRAM - CONSOLIDATION OF FUNDS

The consolidation of four separate loan funds into one larger, newly created loan fund entitled the "Medical School Alumni Loan Program" has been approved by President James and Executive Vice Chancellor Mullins. It is UTMB's intent to administer all loans from this general fund using consistent terms and interest rates.

The University of Texas System Office of General Counsel has advised that changes to individual loan funds can be accomplished by action of the Board of Regents, if an appropriate legal basis and factual cause is presented for such action. The necessary factual cause cited is impracticability in the administration of the current terms and condition incident to each fund and the legal basis is the cy pres doctrine found in Education Code, Section 65.36(f), V.T.C.A.

Combine: Dr. W. H. McCoach Student Loan Fund

Leib Epstein Medical Students Loan Fund

The Charles Alexander Loan Fund

Dr. Louis B. S. Richter Memorial Loan Fund

Establish: Medical School Alumni Loan Program
