**ELIGIBILITY AND EFFECTIVE DATES**

*Who is eligible for this insurance?*

The following people are eligible: All active benefit eligible Employees who are Actively at Work for the Policyholder who are expected to work at least 20 hours per week and to continue in the employment for a term of at least 4½ months or appointed for at least 50% of a standard full-time appointment excluding those individuals who are covered under another group disability program provided by the Medical Practice Plan (MSRDP/PRS) Benefits.

The Waiting Period is shown in the Schedule of Benefits.

*When does Your Contributory insurance become effective?*

Your Contributory coverage will become effective on the latest of the following dates, provided You are Actively at Work on that date:

1. If there is no Waiting Period, the date you are eligible for coverage, if You enroll for coverage on or before that date;
2. If You sign the Enrollment Form after the end of the Waiting Period, but within 31 days after that day, Your coverage will become effective on the first day of the month that falls on or next follows the date You sign the Enrollment Form.
3. If You do not sign the Enrollment Form within this 31-day period, You will be considered a late entrant and must wait until the next Annual Enrollment to apply for coverage and must furnish Evidence of Insurability satisfactory to Us before coverage can become effective, unless You qualify because of a Change in Family Status.
   a. Initial requests for coverage or requests for changes to existing coverage made during the Annual Enrollment period will become effective on the Policy anniversary date or the date We determine that the Evidence of Insurability is satisfactory and We provide written notice of approval, whichever is later.
   b. Coverage because of a Change in Family Status will become effective on the date You sign the Enrollment Form.

You must be Actively at Work for coverage under the Policy to become effective. If, because of Injury or Sickness, You are not Actively at Work on the date the insurance would otherwise take effect, it will take effect on the day You return to Active Work.

**Contributory** means You pay all or a portion of the premium for this insurance coverage.

**Enrollment Form** means the Application You complete to apply for coverage under the Policy.

*Change in Family Status*

If You experience a qualified Change in Family Status, You may enroll for Contributory coverage, apply for additional coverage, or request changes to Your current Contributory benefit program(s) without providing Evidence of Insurability. You must submit the appropriate Enrollment Form within 31 days of the Change in Family Status.

*Change in Family Status* means changes in the status of Your family, including but not limited to:

1. You get married;
2. You have a dependent child, or You adopt or become the legal guardian of a dependent child;
3. Your Spouse dies or You become divorced;
4. Your dependent child becomes emancipated or dies;
5. Your Spouse is no longer employed, resulting in a loss of group insurance, or;
6. You have a change in classification which results in You changing from part-time to full-time, or full-time to part-time.

7. You return to work after a leave of absence.

What happens if You take a leave of absence?

You have two options if You take a leave of absence:

1. You may continue Your coverage for the period of the leave of absence provided Your premium is paid; or

2. You may terminate Your coverage effective the date Your leave of absence begins.

If You continue Your coverage and return to work on the first work day following the end of Your leave of absence, Your coverage will continue.

If You do not return to work on the first work day following the date Your leave of absence ends, Your coverage will terminate on the date Your leave of absence ended.

If You terminate Your coverage when Your leave of absence begins or before the end of the approved leave of absence period, You must re-enroll when You return to work after a leave of absence. Evidence of Insurability is required if You do not re-enroll within 31 days of returning to work after a leave of absence.

When is Evidence of Insurability required?

Evidence of Insurability is required if:

1. You are a late entrant, which means You enroll for insurance more than 31 days after the date You are eligible for insurance; or

2. You voluntarily canceled Your insurance and are reapplying.

You may obtain an Evidence of Insurability Form from the Policyholder.

Changes to Your coverage

A change in Your coverage may occur if there is a Policy change. If You are eligible for additional coverage due to a Policy change, the additional coverage will be effective on the date the Policy change is effective, as requested by the Policyholder and agreed upon by Us.

In order for Your additional coverage to begin, You must be in Actively at Work. Additional coverage is subject to payment of premium.

Additional coverage includes increases in Your Monthly Benefit amount and other benefit provisions that may impact when or for how long benefits are payable. Additional coverage is subject to the Pre-Existing Condition Exclusion.

Any decrease in coverage will take effect immediately. If the Date of Disability was prior to the decrease, any claim resulting from that Disability will be paid at the amount in effect at the time the Disability was incurred.

Evidence of Insurability means a statement of Your medical history which We will use to determine if You are approved for coverage. Evidence of Insurability will be provided at Our expense.

Evidence of Insurability Form means a form provided or approved by Us on which you provide a statement of your medical history.
**What is an Annual Enrollment period?**

Unless otherwise specified, Annual Enrollment Period means the period of time prior to the Policy anniversary date. Your Annual Enrollment Period is shown on the Schedule of Benefits.

Eligible Employees may enroll in the Plan, apply for additional coverage, or request changes to their current Voluntary Benefit program(s) only during the Annual Enrollment, unless they qualify because of a Change in Family Status. Employees hired after an Annual Enrollment period may enroll within 31 days following their eligibility date. If a new Employee does not elect Voluntary coverage within that time period, he must wait for the next Annual Enrollment to enroll unless they qualify because of a Change in Family Status.

Initial requests for coverage or requests for changes to existing coverage made during the Annual Enrollment period will become effective on the Policy anniversary date or the date We determine Evidence of Insurability is satisfactory and We provide written notice of approval, whichever is later.

**Who pays for Your coverage?**

You pay the entire cost of Your coverage.

**Do You have to pay premium while You receive benefits?**

We will waive premium for You during a period of Disability for which the LTD Monthly Benefit is payable under the Policy. Premium payment is required during Your Elimination Period or any other period when the LTD Monthly Benefit is not payable under the Policy.

**What happens if We are replacing an existing Policy? (Continuity of Coverage)**

**Effect on Actively at Work requirement**

If You were insured under the Prior Policy on the day before the Policy Effective Date, You may be covered by the Policy even if You do not satisfy the Actively at Work requirement as stated in the When does insurance become effective? provision and You would otherwise be eligible to become insured under the Policy, We will provide limited coverage under this Plan. Coverage under this provision will begin on the Policy effective date and will continue until the earliest of:

1. The end of the month following the date You become Actively at Work;
2. The end of any period of continuance or extension provided under the Prior Policy; or
3. The date coverage would otherwise end, according to the provisions of the Policy.

Your coverage under this provision is subject to payment of premium.

**Effect on Benefits**

If You do not satisfy the Actively at Work requirement, You may still be eligible for benefits under the Policy as follows:

The benefits payable under the Policy will be the benefits which would have been payable under the terms of the Prior Policy if it had remained in force; and the benefits payable under the Policy will be reduced by any benefits payable under the Prior Policy for the same Disability for which the prior carrier is liable.

The Prior Policy is the group disability insurance Policy issued to the Policyholder by Hartford Life Insurance Company whose coverage terminated immediately prior to the Policy Effective Date.

**Effect on Pre-existing Conditions**

If You have a Disability due to a Pre-Existing Condition after the Prior Policy has been replaced by this Plan, Benefits may be payable if:
1. You were insured under the Prior Policy at the time the Policyholder changed coverage from the Prior Policy to the Policy; and

2. You have been continuously insured under this Plan from the effective date of this Plan until the date Your Disability began.

In order for benefits to be paid, You must satisfy the Pre-Existing Condition exclusion under:

1. this Plan; or

2. the Prior Policy, if benefits would have been paid had the Prior Policy remained in force.

If You satisfy the Pre-Existing Condition exclusion of this Plan, We will determine Your payments according to this Plan’s provision.

If You do not satisfy the Pre-Existing Condition exclusion of this Plan, but You do satisfy the Pre-Existing Condition provision under the Prior Policy:

1. Your Monthly Benefit will be the lesser of:
   a. The Monthly Benefit that would have been payable under the terms of the Prior Policy if it had remained in force; or
   b. The Monthly Benefit under this Plan.

2. Benefits will end on the earlier of:
   a. The date benefits end under the Policy, as described under the Maximum Period Payable; or
   b. The date benefits would have ended under the Prior Policy if it had remained in force.

If You do not satisfy the Pre-Existing Condition exclusion under either this Plan or the Prior Policy, We will not make any payments.

We will require proof that You were insured under the Prior Policy.

Eligibility after You Terminate Employment

If Your coverage ends due to termination of employment, You must meet all the requirements of a new Employee if You are rehired at a later date.

Exception: If Your coverage ends due to termination of employment and you return to Active Work in an eligible class within 6 months, we will not:

1. apply a new Eligibility Waiting Period;

2. apply a new Pre-existing Condition Exclusion;

3. require Evidence of Insurability.
LONG-TERM DISABILITY BENEFITS

How do We define Total Disability?
If the institutions are in session, Total Disability or Totally Disabled means that during the first 24 consecutive months of benefit payments due to Sickness or Injury:

1. You are continuously unable to perform the Material and Substantial Duties of Your Regular Occupation, and
2. Your Disability Earnings, if any, are less than 20% of Your pre-disability Indexed Monthly Earnings.

After the LTD Monthly Benefit has been paid for 24 consecutive months, Total Disability or Totally Disabled means that due to Injury or Sickness:

1. You are continuously unable to engage in any Gainful Occupation, and
2. Your Disability Earnings, if any, are less than 20% of Your pre-disability Indexed Monthly Earnings.

If the institutions are not in session, Total Disability or Totally Disabled means that during the first 24 consecutive months of benefit payments due to Sickness or Injury:

1. You would be continuously unable to perform the Material and Substantial Duties of Your Regular Occupation, and
2. Your Disability Earnings, if any, would be less than 20% of Your pre-disability Indexed Monthly Earnings.

After the LTD Monthly Benefit has been paid for 24 consecutive months, Total Disability or Totally Disabled means that due to Injury or Sickness:

1. You would be continuously unable to engage in any Gainful Occupation, and
2. Your Disability Earnings, if any, would be less than 20% of Your pre-disability Indexed Monthly Earnings.

How do We define Partial Disability?
If the institutions are in session, Partial Disability or Partially Disabled means that during the Elimination Period and Maximum Benefit Period, due to Injury or Sickness, You are working in any Gainful Occupation and you are able to earn Disability Earnings of at least 20% of Your pre-disability Indexed Monthly Earnings but are unable to earn more than 80% of Your pre-disability Indexed Monthly Earnings.

If the institutions are not in session, Partial Disability or Partially Disabled means that during the Elimination Period and Maximum Benefit Period, due to Injury or Sickness, You would be able to earn Disability Earnings of at least 20% of Your pre-disability Indexed Monthly Earnings but would be unable to earn more than 80% of Your pre-disability Indexed Monthly Earnings.

Loss of Professional License or Certification
If You require a professional license or certification for Your occupation, loss of that professional license or certification does not in and of itself constitute Disability.

What is the Elimination Period and how is it satisfied?
The Elimination Period is a period of continuous Disability which must be satisfied before You are eligible to receive benefits from Us. It is shown in the Schedule of Benefits and begins on Your Date of Disability.

If You temporarily recover and return to work, We will treat Your Disability as continuous if You return to work for a period of less than or equal to one-half the Elimination Period rounded up to the next whole number, not to exceed 45 days. The days that You are not Disabled will not count toward Your Elimination Period.
If you return to work for a period greater than one-half the Elimination Period, or 90 days, whichever is less, and become Disabled again, you will have to begin a new Elimination Period.

Can You satisfy Your Elimination Period if You are working?
You can satisfy Your Elimination Period if you are working, provided you meet the definition of Disability.

What Disability Benefit are You eligible to receive?
If you are Disabled, you are eligible to receive one of the following at any given time:
1. an LTD Monthly Benefit; or
2. a Work Incentive Benefit.

While you are Disabled, you might be eligible to receive one or the other of the above, but you cannot receive more than one of these benefits at the same time.

What is Your LTD Monthly Benefit and how is it calculated?
Your LTD Monthly Benefit will be based on Your Monthly Earnings as reported to us by the Policyholder.

An LTD Monthly Benefit will be payable after the end of the Elimination Period if you are Disabled. We will calculate Your Gross LTD Monthly Benefit amount as follows:
1. Multiply Your Monthly Earnings by 60%.
2. The maximum Gross LTD Monthly Benefit is $12,025.00.
3. Compare the answers from Item 1 and Item 2. The lesser of these two amounts is Your Gross LTD Monthly Benefit.
4. Subtract the Deductible Sources of Income from Your Gross LTD Monthly Benefit. The resulting figure is Your Net LTD Monthly Benefit.
5. Compare the answer from item 3 and 4.
The lesser amount figured in item 5 is Your Monthly Benefit.

If a benefit is payable for less than one month, it will be paid on the basis of 1/30th of the Net LTD Monthly Benefit for each day of Disability.

How do We define Monthly Earnings?
Monthly Earnings will equal the greater of:
1. 1/12th of your last reported gross annual income from Your Employer in effect on the day immediately prior to Your Date of Disability; or
2. 1/12th of your gross annual income from Your Employer in effect on the September 1 immediately prior to Your Date of Disability.

It includes:
1. Hazardous duty pay;
2. Longevity pay;
3. Employee contributions made through a salary reduction agreement with Your Employer to an IRC Section 401(k), 403(b), 501(c)(3), 457 deferred compensation plan, or any other qualified or non-qualified Employee Retirement Plan or deferred compensation arrangement; and
4. Amounts contributed to Your fringe benefits according to a salary reduction arrangement under an IRC Section 125 plan.
It does not include:
1. commissions;
2. bonuses;
3. overtime pay; or
4. Your Employer’s contribution on Your behalf to a Retirement Plan or deferred compensation arrangement; or
5. any other extra compensation.

What are the Deductible Sources of Income?

1. Disability benefits paid, payable, or for which You are eligible under:
   a. The Social Security Act, including any amounts for which Your dependents may qualify because of Your Disability;
   b. Any Workers’ Compensation or Occupational Disease Act or Law, or any other law which provides compensation for an occupational Injury or Sickness;
   c. Occupational accident coverage provided by or through the Policyholder;
   d. Any Statutory Disability Benefit Law;
   e. The Railroad Retirement Act;
   f. The Canada Pension Plan, Quebec Pension Plan, or any other similar disability or pension plan or act;
   g. The Canada Old Age Security Act;
   h. Any Public Employee Retirement System Plan, or any State Teachers’ Retirement System Plan, or any plan provided as an alternative to any of the above acts or plans;
   i. Title 46, United States Code Section 688 et seq (The Jones Act);
   j. Title 33, United States Code Section 901 et seq (Longshore and Harbor Workers’ Compensation Act).

2. Disability benefits paid, payable, or for which You are eligible under:
   a. Any group insurance plan provided by or through the Policyholder, and
   b. Any sick leave or salary continuance plan provided by or through the Policyholder.

3. Retirement benefits paid under the Social Security Act including any amounts for which Your dependents may qualify because of Your retirement;

4. Retirement and Disability benefits paid under a Retirement Plan provided by the Policyholder except for amounts attributable to Your contributions;

5. Disability benefits paid under any No Fault Auto Motor Vehicle coverage;

6. Amounts received from a third party after subtracting attorney’s fees by judgment, settlement or otherwise, not to exceed 50% of the net settlement.

Proration of Lump Sum Awards

If any Deductible Source of Income described above is paid in a single sum through compromise settlement or as an advance on future liability, We will determine the amount of reduction to Your Gross LTD Monthly Benefit as follows:

1. We will divide the amount paid by the number of months for which the settlement or advance was provided; or
2. If the number of months for which the settlement or advance is made is not known, We will divide the amount of the settlement or advance by the expected remaining number of months for which We will provide benefits for Your Disability based on the Proof of Disability which We have, subject to a maximum of 60 months.
What other sources of income are not deductible?

We will not reduce Your Gross LTD Monthly Benefit by any of the following:
1. deferred compensation arrangements such as 401(k), 403(b) or 457 plans;
2. credit disability insurance;
3. pension plans for partners;
4. military pension and disability income plans;
5. franchise disability income plans;
6. individual disability income plans;
7. a Retirement Plan from another Policyholder;
8. profit sharing plans;
9. thrift or savings plans;
10. individual retirement account (IRA);
11. tax sheltered annuity (TSA);
12. stock ownership plan;
13. vacation pay.

Can You work and still receive benefits?

While Disabled, You may qualify for the Work Incentive Benefit.

Work Incentive Benefit

A Work Incentive Benefit will be payable if You are Disabled and Gainfully Employed after the end of the Elimination Period, or after a period during which You received LTD Monthly Benefits.

The Work Incentive Benefit will be calculated during the first 24 months of disability payments while You are Gainfully Employed as follows:

1. We will add together the gross Monthly Benefit and Disability Earnings and compare to pre-disability Monthly Earnings.
2. If the total amount in Item 1 exceeds 100% of pre-disability Monthly Earnings, the Work Incentive Benefit will be equal to the Net LTD Monthly Benefit reduced by the amount of the excess.
3. If the total amount in Item 1 does not exceed 100% of pre-disability Monthly Earnings, the Work Incentive Benefit will be equal to the Net LTD Monthly Benefit amount.

After the first 24 months of disability payments while You are Disabled and Gainfully Employed, the Work Incentive Benefit will be equal to the Net Monthly Benefit multiplied by the Adjusted Loss of Salary Ratio.

The Work Incentive Benefit will cease on the earliest of the following:

1. the date You are no longer Disabled; or
2. the end of the Maximum Period Payable.

Adjusted Loss of Salary Ratio is equal to: A divided by B

A= Your pre-disability Monthly Earnings minus Your Disability Earnings
B= Your pre-disability Monthly Earnings
What is the minimum Net LTD Monthly Benefit payable under the Policy?

In no event will the Monthly Benefit payable for Disability be reduced to less than:

Tier I - $100 while Your Monthly Benefit is reduced by any disability benefits paid under any sick leave or salary continuation plan provided by or through Your Employer; or

Tier II - $100 or 10% of Your Monthly Benefit, prior to any reductions, whichever is greater, after any disability benefits paid under any sick leave or salary continuation plan have been exhausted.

The minimum Net LTD Monthly Benefit does not apply if You are Gainfully Employed.

What happens if Your Deductible Sources of Income increase?

The Net LTD Monthly Benefit will not be further reduced for subsequent cost-of-living increases which are paid, payable, or for which You or Your dependents are eligible under any Deductible Source of Income shown above.

How long will You receive benefits under the Policy?

We will send You a payment for each month of Disability up to the Maximum Period Payable as shown in the Schedule of Benefits. Payment of benefits is also subject to any benefit duration limitation pertaining to Your Disability.

What happens if Your Disability recurs?

If Disability for which benefits were payable ends but recurs due to the same or related causes less than 6 months after the end of a prior Disability, it will be considered a resumption of the prior Disability. Such recurrent Disability shall be subject to the provisions of the Policy that were in effect at the time the prior Disability began.

Disability which recurs more than 6 months after the end of a prior Disability is subject to:

1. a new Elimination Period;
2. a new Maximum Period Payable; and
3. the other provisions of the Policy that are in effect on the date the Disability recurs.

Disability must recur while Your coverage is in force under the Policy.

EXCLUSIONS AND LIMITATIONS

What are the exclusions and limitations under the Policy?

The Policy does not cover any loss or Disability caused by, resulting from, arising out of or substantially contributed, directly or indirectly, to by any one or more of the following:

The cost of the treatment program must be borne by You or another group plan of the Policyholder (such as a group health plan or Employee Assistance Program) if one is available and covers this type of treatment.

Except as specifically stated above, in no event will LTD Monthly Benefits for a Mental Disorder or Substance Abuse be paid beyond the earliest of the date:

1. are not continuous; and/or

Furthermore:

- Benefits are not payable for any period during which You are confined to a penal or correctional institution if the period of confinement exceeds 30 days.

1. the date on which the Policy is terminated;

Orders to active military service for 2 months or less will be covered subject to continued payment of premium.
Termination will not affect a covered loss which began while the coverage was in force.

**Extension of Coverage**

Subject to payment of the required premium when due, *Your* coverage under the *Policy* will be extended until the end of the period shown for each of the following reasons:

1. leave of absence, agreed to in writing by *Your* Employer: 24 months
2. sabbatical leave, agreed to in writing by *Your* Employer: 24 months

In the event *You* are eligible for and the *Policyholder* approves a leave under the Family and Medical Leave Act of 1993 (FMLA), or any applicable state family and medical leave law (State FML), provided the required premium continues to be paid, *Your* insurance will continue for a period of up to the later of:

1. the leave period permitted by the federal Family and Medical Leave Act of 1993 and any amendments; or
2. the leave period permitted by applicable state law.

While granted a Family or Medical Leave of Absence:

**Will coverage be continued for other leaves of absence?**

If the *Policyholder* has approved more than one type of leave of absence for *You* during any one period that *You* are not *Actively at Work* We will consider such leaves to be concurrent for the purpose of determining how long *Your* coverage may continue under the *Policy*.

If *Your* coverage is not continued during an FMLA or State FML leave of absence, and *You* become *Actively at Work* immediately following the end of *Your* FMLA or State FML leave of absence, *Your* coverage will be reinstated. *We* will not apply a new *Waiting Period*, require *Evidence Of Insurability*, or apply a new *Pre-existing Condition* limitation.

FILING A CLAIM

We ask that You notify Us of Your claim as soon as possible, so that We may make a timely decision on Your claim. The Policyholder can assist You with the appropriate telephone number and address of Our Claim Department. Notice may be sent to Our Claim Department at the address shown on the claim form or given to Our Agent.

Written Proof of Loss

Within 15 days of Our being notified in writing of Your claim, We will supply You with the necessary claim forms. The claim form is to be completed and signed by You, the Policyholder and Your Doctor. Time Limit for Filing Your Claim

You must furnish Us with written proof of loss within 91 days after the end of Your Elimination Period. The length of the Elimination Period is shown in the Schedule of Benefits. If it is not possible to give Us written proof within 91 days, the claim is not affected if the proof is given as soon as possible. However, unless You are legally incapacitated, written proof of loss must be given no later than 1 year after the time proof is otherwise due.

No benefits are payable for claims submitted more than 1 year after the time proof is due. However, You can request that benefits be paid for late claims if You can show that:

1. It was not reasonably possible to give written proof during the 1 year period, and
2. Proof of loss satisfactory to Us was given as soon as was reasonably possible.

The following items, supplied at Your expense, must be a part of Your proof of loss. Failure to provide complete proof of loss may delay, suspend or terminate Your benefits.

2. The cause of Your Disability;

You may be asked to submit proof that You continue to be Disabled and are continuing to receive Appropriate and Regular Care of a Doctor. Requests of this nature will only be made as often as reasonably necessary, but not more frequently than once every 3 months. If required, this will be at Your expense and must be received within 45 days of Our request. Failure to comply with such a request may delay, suspend or terminate Your benefits.

Examination

At Our expense, We have the right to have You examined as often as reasonably necessary while the claim continues. Failure to comply with this examination may result in denial, suspension or termination of benefits, unless We agree You have a valid and acceptable reason for not complying.

We will pay benefits to You unless otherwise indicated. If You die while Your claim is open, any due and unpaid Disability benefit will be paid, at Our option, to the surviving person or persons in the first of the following classes of successive preference beneficiaries: Your: 1) Spouse; 2) children including legally adopted children; 3) parents; or 4) Your estate.

If any benefit is payable to an estate, a minor or a person not competent to give a valid release, We may pay up to $1,000 to any relative or beneficiary of Yours whom We deem to be entitled to this amount. We will be discharged to the extent of such payment made by Us in good faith.

**Can You assign Your benefits?**

Your benefits are not assignable, which means that You may not transfer Your benefits to anyone else.

**What will happen if a claim is overpaid?**

A claim overpayment can occur when You receive a retroactive payment from a Deductible Source of Income when We inadvertently make an error in the calculation of Your claim; or if fraud occurs. The overpayment amount equals the amount We paid in excess of the amount We should have paid under the Policy.

We have the right to recover from You any amount that is an overpayment of benefits under the Policy. You must refund to us the overpaid amount. We may also, without forfeiting our right to collect an overpayment through any means legally available to Us, recover all or any portion of an overpayment by reducing or withholding future benefit payments, including the Minimum Monthly Benefit.

In an overpayment situation, We will determine the method by which the repayment is made. You will be required to sign an agreement with Us which details the source of the overpayment, the total amount We will recover and the method of recovery. If LTD Monthly Benefits are suspended while recovery of the overpayment is being made, suspension will also apply to the minimum LTD Monthly Benefits payable under the Policy.

**Subrogation – Right of Reimbursement**

When any claim payment is made, We reserve any and all rights to subrogation and/or reimbursement to the fullest extent allowed by statute and customary practice. Any party to this contract shall not perform any act that will prejudice such rights without prior agreement with Us. We will bear any expenses associated with Our pursuit of subrogation or recovery.
UNIFORM PROVISIONS

Entire Contract; Changes
The Policy, the Policyholder’s Application, the Employee’s certificate of coverage, and Your Application, if any, and any other attached papers, form the entire contract between the parties. Coverage under the Policy can be amended by mutual consent between the Policyholder and Us. No change in the Policy is valid unless approved in writing by one of Our officers. No agent has the right to change the Policy or to waive any of its provisions.

Statements on the Application
In the absence of fraud, all statements made in any signed Application are considered representations and not warranties (absolute guarantees). No representation by:
1. the Policyholder in applying for the Policy will make it void unless the representation is contained in the signed Application; or
2. any Employee in applying for insurance under the Policy will be used in defense to a claim under the Policy unless it is contained in a written Application signed by the Insured and a copy of such Application is or has been given to him or to his personal representative.

Legal Actions
Unless otherwise provided by federal law, no legal action of any kind may be filed against Us:
1. until 60 days after proof of claim has been given; or
2. more than 3 years after proof of Disability must be filed, unless the law in the state where You live allows a longer period of time.

Clerical Error
Clerical error or omission by Us to the Policyholder will not:
1. Prevent You from receiving coverage, if You are entitled to coverage under the terms of the Policy; or
2. Cause coverage to begin or coverage to continue for You when the coverage would not otherwise be effective.

If the Policyholder gives Us information about You that is incorrect, We will:
1. Use the facts to decide whether You have coverage under the Policy and in what amounts; and
2. Make a fair adjustment of the premium.

Misstatement of Age
If Your age has been misstated, an equitable adjustment will be made in the premium. If the amount of the benefit is dependent upon Your age, as shown in the Benefit Duration Schedule, the amount of the benefit will be the amount You would have been entitled to if Your correct age were known.

Note: A refund of premium will not be made for a period more than twelve months before the date the Company is advised of the error.
Incontestability
The validity of the Policy shall not be contested, except for non-payment of premiums, after it has been in force for two years from the date of issue. The validity of the Policy shall not be contested on the basis of a statement made relating to insurability by any person covered under the Policy after such insurance has been in force for two years during such person's lifetime, and shall not be contested unless the statement is contained in a written instrument signed by the person making such statement.

Conformity with State Statutes and Regulations
If any provision of the Policy conflicts with the statutes and regulations of the state in which the Policy was issued or delivered, it is automatically changed to meet the minimum requirements of the statute.

Workers’ Compensation or State Disability Insurance
The Policy is not in place of, and does not affect the requirements for coverage by any workers’ compensation or state disability insurance.

Agency
Neither the Policyholder, any employer, any associated company, nor any administrator appointed by the foregoing is Our agent.

General Provisions
We have the right to inspect all of the Policyholder’s records on the Policy at any reasonable time. This right will extend until:
1. 2 years after termination of the Policy; or
2. all claims under the Policy have been settled,

whichever is later.

The Policy is in the Policyholder's possession and may be inspected by You at any time during normal business hours at the Policyholder's office.

Premium Provisions
The Policyholder has agreed to deduct from Your pay any premiums payable for Your Contributory insurance coverage and to remit such premiums for the entire time coverage under the Policy is in effect.

Premium charges will begin on the premium due date which coincides with or follows the addition of coverage. Premium charges for termination of coverage will end on the premium due date which coincides with or next follows the termination. If your Monthly Earnings increase during the plan year (any time other than September 1), the premium adjustment will take effect on the following September 1.

This method of charging premium is for accounting purposes only. It will not extend any insurance coverage beyond the date it would otherwise have terminated.

Texas law establishes a system to protect Texas policyholders if their life or health insurance company fails. The Texas Life and Health Insurance Guaranty Association (“the Association”) administers this protection system. Only the policyholders of insurance companies that are members of the Association are eligible for this protection which is subject to the terms, limitations, and conditions of the Association law.
