SECTION 1

INTRODUCTION

1.1 Description of University of Texas System Administration

The University of Texas System is one of the largest public university systems in the United States, with eight academic universities, six health institutions and an enrollment of more than 217,000. The UT System confers more than one-third of the state’s undergraduate degrees, educates two-thirds of the state’s health care professionals annually and accounts for almost 70 percent of all research funds awarded to public universities in Texas. The UT System has an annual operating budget of approximately $17 billion (FY 2016) including $3 billion in sponsored programs funded by federal, state, local and private sources. With about 90,000 employees, the UT System is one of the largest employers in the state.

An important part of mission of The University of Texas System is to provide excellent, affordable and compassionate patient care through hospitals and clinics that are of central importance to programs of teaching, scholarship, research and service associated with medicine and related health sciences.

Within the System’s six health institutions, there are four medical schools, two dental schools, three nursing schools, four biomedical science graduate schools, four schools of health professions as well as schools of biomedical informatics and a school of public health with five regional campuses. (Two new medical schools are being established at System’s academic institutions.)

In addition to educating and training the next generation of health care professionals, the medical centers serve the health care needs of a local, regional, national and international community through several renowned, highly-specialized health care institutions including UT M.D. Anderson Cancer Center, UT Southwestern Medical Center, UT Health Science Center at Houston, UT Health Science Center at San Antonio, UT Health Science Center at Tyler, and UT Medical Branch at Galveston.

In a rare move in today’s higher education, UT System is creating two new medical schools and adding clinical services at UT Austin’s Dell Medical School and at the newly created UT Rio Grande Valley. These health care institutions are also home to several world leaders in biosciences research attracting billions of private and public research dollars and serving as an incubator for breakthroughs in health care. System owned and affiliated hospitals and clinics have more than 6.78 million outpatient visits and the hospitals account for more than 1.38 million hospital days annually.

Texas invested more than $1.0 billion in state funding in the six UT System health institutions in FY 2015. This funding was leveraged within a total healthcare budget of almost $10 billion to produce:

- Nearly 4,200 degrees awarded
- More than 880 graduates of medical schools
- More than 190 graduates of dental schools
- Nearly 400 doctoral degrees
- Nearly 1,500 graduates from nursing schools (25% are graduate level degrees)
- 880 graduates from health profession schools (more than 60% at graduate level)
- More than 360 public health scientists
1.2 Background and Special Circumstances

In order to continue to remain a leader in the academic health care arena, the University of Texas System Administration seeks advisory and consulting services in connection with health care opportunities and potential transactions that may be considered by the University of Texas System.

1.3 Objective of this Request for Proposal

The University of Texas System ("University") is soliciting proposals in response to this Request for Proposal, RFP No. BDV08262016 (this “RFP”) for Selection of a qualified vendor to Provide Health Care Consulting Services related to Health Care Opportunities and Potential Transactions. The Services, which are more specifically described in Section 5.4 (Scope of Work) of this RFP, include (1) health care advising and consulting services relating the opportunities and potential transactions; (2) assistance in evaluation, valuation, and negotiation, of health care opportunities, development of new lines of business, potential partnership opportunities and other transactions; and (3) assistance in the start-up phases of health care opportunities, business lines, partnership opportunities, and other transactions.

1.4 Group Purchase Authority

Texas law authorizes institutions of higher education (defined by Section 61.003, Education Code) to use the group purchasing procurement method (ref. Sections 51.9335, 73.115, and 74.008, Education Code). Additional Texas institutions of higher education may therefore elect to enter into a contract with the successful Proposer under this RFP. In particular, Proposer should note that University is part of The University of Texas System ("UT System"), which is comprised of fourteen institutions described at http://www.utsystem.edu/institutions. UT System institutions routinely evaluate whether a contract resulting from a procurement conducted by one of the institutions might be suitable for use by another, and if so, this could give rise to additional purchase volumes. As a result, in submitting its proposal in response to this RFP, Proposer should consider proposing pricing and other commercial terms that take into account such higher volumes and other expanded opportunities that could result from the eventual inclusion of other institutions in the purchase contemplated by this RFP.
SECTION 2

NOTICE TO PROPOSER

2.1 Submittal Deadline

University will accept proposals submitted in response to this RFP until 3:00 pm, Central Prevailing Time on August 26, 2016 (the “Submittal Deadline”).

2.2 RFP Contact Information and Questions

Interested parties may direct questions about this RFP to:

Email to: GRP-RFPVQ@utsystem.edu
Subject Line: RFP No BDV08262016, Attn: Health Care Consulting

University instructs interested parties to restrict all contact and questions regarding this RFP to written communications delivered (i) in accordance with this Section on or before August 12, 2016 (Question Deadline), or (ii) if questions relate to Historically Underutilized Businesses, in accordance with Section 2.5 of this RFP.

University will provide responses as soon as practicable following the Question Deadline. University intends to respond to all timely submitted questions. However, University reserves the right to decline to respond to any question. Interested parties should periodically check the posting site for any University responses: http://esbd.cpa.state.tx.us/bid_show.cfm?bidd=126302

2.3 Criteria for Selection

The successful Proposer, if any, selected by University in accordance with the requirements and specifications set forth in this RFP will be the Proposer that submits a proposal in response to this RFP on or before the Submittal Deadline that is the most advantageous to University. Upon award of contract, the successful Proposer will be referred to as the “Contractor.”

Proposer is encouraged to propose terms and conditions offering the maximum benefit to University in terms of (1) services to University, (2) total overall cost to University, and (3) project management expertise. Proposers should describe all educational, state and local government discounts, as well as any other applicable discounts that may be available to University in a contract for the Services.

An evaluation team from University will evaluate proposals. The evaluation of proposals and the selection of awarded Proposer will be based on the information provided by Proposer in its proposal. University may give consideration to additional information if University deems such information relevant.

The criteria to be considered by University in evaluating proposals and selecting awarded Proposer, will be those factors listed below:

2.3.1 Threshold Criteria Not Scored

2.3.1.1 Ability of University to comply with laws regarding Historically Underutilized Businesses; and
2.3.1.2 Ability of University to comply with laws regarding purchases from persons with disabilities.

2.3.2 Scored Criteria
2.3.2.1 the cost of goods and services (15%);
2.3.2.2 the reputation of the Proposer and of the Proposer's goods or services (15%);
2.3.2.3 the quality of the Proposer's goods or services (25%);
2.3.2.4 the extent to which the goods or services meet the University's needs (25%);
2.3.2.5 the Proposer's past relationship with the University (10%);
2.3.2.6 the Proposer's exceptions to the terms and conditions set forth in Section 4 of this RFP (10%).

2.5 Historically Underutilized Businesses

2.5.1 All agencies of the State of Texas are required to make a good faith effort to assist historically underutilized businesses (each a “HUB”) in receiving contract awards. The goal of the HUB program is to promote full and equal business opportunity for all businesses in contracting with state agencies. Pursuant to the HUB program, if under the terms of any agreement or contractual arrangement resulting from this RFP, Contractor subcontracts any of the Services, then Contractor must make a good faith effort to utilize HUBs certified by the Procurement and Support Services Division of the Texas Comptroller of Public Accounts. Proposals that fail to comply with the requirements contained in this Section 2.5 will constitute a material failure to comply with advertised specifications and will be rejected by University as non-responsive. Additionally, compliance with good faith effort guidelines is a condition precedent to awarding any agreement or contractual arrangement resulting from this RFP. Proposer acknowledges that, if selected by University, its obligation to make a good faith effort to utilize HUBs when subcontracting any of the Services will continue throughout the term of all agreements and contractual arrangements resulting from this RFP. Furthermore, any subcontracting of the Services by the Proposer is subject to review by University to ensure compliance with the HUB program.

2.5.2 University has reviewed this RFP in accordance with Title 34, Texas Administrative Code, Section 20.14, and has determined that subcontracting opportunities are not probable under this RFP.

2.5.3 A HUB Subcontracting Plan (“HSP”) is required as part of Proposer’s proposal. The HSP will be developed and administered in accordance with University's
Policy on Utilization of Historically Underutilized Businesses attached as APPENDIX TWO and incorporated for all purposes.

Each Proposer must complete and return the HSP in accordance with the terms and conditions of this RFP, including APPENDIX TWO. Proposers that fail to do so will be considered non-responsive to this RFP in accordance with Section 2161.252, Government Code.

Questions regarding the HSP may be directed to:

Contact: Amy Nemetz  
HUB Coordinator  
Phone: 512-499-4485  
Email: anemetz@utsystem.edu

The awarded Contractor will not be permitted to change its HSP unless: (1) Contractor completes a newly modified version of the HSP in accordance with the terms of APPENDIX TWO that sets forth all changes requested by Contractor, (2) Contractor provides University with such a modified version of the HSP, (3) University approves the modified HSP in writing, and (4) all agreements or contractual arrangements resulting from this RFP are amended in writing by University and Contractor to conform to the modified HSP.

2.5.4 In addition to the materials identified in Section 3 of this RFP, Proposer must submit the following HUB materials (“HUB Materials”):

(a) One (1) complete original paper copy of Proposer’s HSP, and  
(b) One (1) complete electronic copy of Proposer’s HSP in a single .pdf file on a flash drive,

to University at the same time Proposer submits the other copies of its proposal and no later than the Submittal Deadline (ref. Section 2.1 of the RFP).

Proposer’s HUB Materials must be submitted to University (as instructed in Section 3.2 of this RFP) under separate cover and in a separate envelope (the “HSP Envelope”). Proposer must ensure that the top outside surface of its HSP Envelope clearly shows and makes visible:

2.5.4.1 the RFP No. (ref. Section 1.3 of this RFP) and the Submittal Deadline (ref. Section 2.1 of this RFP), both located in the lower left hand corner of the top surface of the envelope,

2.5.4.2 the name and the return address of the Proposer, and

2.5.4.3 the phrase “HUB Subcontracting Plan”.

Any proposal submitted in response to this RFP that is not accompanied by a separate HSP Envelope meeting the above requirements will be rejected by University and returned to the Proposer unopened as that proposal will be considered non-responsive due to material failure to comply with advertised specifications. Furthermore, University will open a Proposer’s HSP Envelope prior to opening the proposal submitted by the Proposer, in order to ensure that the Proposer has submitted the number of completed and signed originals of the
Proposer’s HSP that are required by this RFP. A Proposer’s failure to submit the number of completed and signed originals of the HSP that are required by this RFP will result in University’s rejection of the proposal submitted by that Proposer as non-responsive due to material failure to comply with advertised specifications; such a proposal will be returned to the Proposer unopened (ref. Section 1.5 of APPENDIX ONE to this RFP). Note: The requirement that Proposer provide One (1) original of the HSP under this Section 2.5.4 is separate from and does not affect Proposer’s obligation to provide University with the number of copies of its proposal as specified in Section 3.1 of this RFP.
SECTION 3

SUBMISSION OF PROPOSAL

3.1 Number of Copies

Proposer must submit (a) one (1) complete paper copy of its entire proposal, and (b) one (1) complete electronic copy of its entire proposal in a single .pdf file on a flash drive. An original signature by an authorized officer of Proposer must appear on the Execution of Offer (ref. Section 2 of APPENDIX ONE) of the submitted paper copy of the proposal.

3.2 Submission

Proposals must be received by University on or before the Submittal Deadline (ref. Section 2.1 of this RFP) and should be delivered to:

Jerry Fuller
Director of Contracts and Procurement
The University of Texas System Administration
210 West Sixth St. Suite B. 140E
Austin, Texas 78701-2891

3.3 Proposal Validity Period

Each proposal must state that it will remain valid for University’s acceptance for a minimum of one hundred twenty (120) days after the Submittal Deadline, to allow time for evaluation, selection, and any unforeseen delays.

3.4 Terms and Conditions

3.4.1 Proposer must comply with the requirements and specifications contained in this RFP, the Terms and Conditions (ref. Section 4 of this RFP), the Notice to Proposer (ref. Section 2 of this RFP), Proposal Requirements (ref. APPENDIX ONE) and the Specifications and Additional Questions (ref. Section 5 of this RFP). If there is a conflict among the provisions in this RFP, the provision requiring Proposer to supply the better quality or greater quantity of services will prevail, or if such conflict does not involve quality or quantity, then interpretation will be in the following order of precedence:

3.4.1.1. Specifications and Additional Questions (ref. Section 5 of this RFP);
3.4.1.2. Terms and Conditions (ref. Section 4 of this RFP);
3.4.1.3. Proposal Requirements (ref. APPENDIX ONE);
3.4.1.4. Notice to Proposers (ref. Section 2 of this RFP).
3.5 Submittal Checklist

Proposer is instructed to complete, sign, and return the following documents as a part of its proposal. If Proposer fails to return each of the following items with its proposal, then University may reject the proposal:

3.5.1 Signed and Completed Execution of Offer (ref. Section 2 of APPENDIX ONE)

3.5.2 Signed and Completed Pricing and Delivery Schedule (ref. Section 6 of this RFP)

3.5.3 Responses to Proposer's General Questionnaire (ref. Section 3 of APPENDIX ONE)

3.5.4 Signed and Completed Addenda Checklist (ref. Section 4 of APPENDIX ONE)

3.5.5 Responses to questions and requests for information in the Specifications and Additional Questions Section (ref. Section 5 of this RFP)

3.5.6 Signed and completed originals of the HUB Subcontracting Plan or other applicable documents (ref. Section 2.5 of this RFP and APPENDIX TWO).
SECTION 4

GENERAL TERMS AND CONDITIONS

4.1 General

The terms and conditions contained in this Section 4 or, in the sole discretion of University, terms and conditions substantially similar to these terms and conditions, will be included in any contract or agreement that results from this RFP (ref. Section 1.4 of APPENDIX ONE). If Proposer takes exception to any terms or conditions set forth in this Section 4, Proposer will submit a list of the exceptions as part of its proposal in accordance with Section 5.3.1 of this RFP*. Proposer's exceptions will be reviewed by University and may result in disqualification of Proposer’s proposal as non-responsive to this RFP. If Proposer’s exceptions do not result in disqualification of Proposer’s proposal, then University may consider Proposer’s exceptions when University evaluates the Proposer’s proposal. As indicated in Section 2.3 of this RFP, upon award of contract, the successful Proposer will be referred to as the “Contractor.”

* NOTE: Exceptions cannot be taken to this RFP document itself, nor can it be redlined. These actions may result in Proposer’s disqualification.

4.2 Payment

University agrees to pay fees due under this Agreement in accordance with the Texas Prompt Payment Act (“Act”), Chapter 2251, Government Code. Pursuant to the Act, payment shall be deemed late on the 31st day after the later of: 1) the date the performance of the Services under this Agreement are completed, or 2) the date University receives an invoice for the Services. University will be responsible for interest on overdue payments equal to the sum of: 1) one percent, plus 2) the prime rate as published in the Wall Street Journal on the first day of July of the preceding fiscal year (University’s fiscal year begins September 1) that does not fall on a Saturday or Sunday. University will have the right to verify the details set forth in Contractor's invoices and supporting documentation, either before or after payment, by (a) inspecting the books and records of Contractor at mutually convenient times; (b) examining any reports with respect to the Project; and (c) other reasonable action. The cumulative amount of all payments will not exceed the amount of this Agreement.

4.3 Tax Exemption

University, an agency of the State of Texas, is exempt from Texas Sales & Use Tax on the Services in accordance with Section 151.309, Tax Code, and Title 34 Texas Administrative Code (“TAC”) Section 3.322.

4.4 Contractor's Obligations

4.4.1 Contractor will perform the Services in compliance with all applicable federal, state and local, laws, regulations, and ordinances (“Applicable Laws”). Contractor represents and warrants that neither Contractor nor any firm, corporation or institution represented by Contractor, or anyone acting for the firm, corporation or institution, (1) has violated the antitrust laws of the State of Texas, Chapter 15, Business and Commerce Code, or federal antitrust laws, or (2) has communicated directly or indirectly the content of Contractor’s response to
University’s procurement solicitation to any competitor or any other person engaged in a similar line of business during the procurement process for this Agreement.

4.4.2 Contractor represents, warrants and agrees that (a) it will use commercially reasonable efforts to perform the Services in a good and workmanlike manner and in accordance with commercially reasonable standards of Contractor’s profession or business, and (b) all of the Services to be performed will be of the quality that prevails among similar businesses engaged in providing similar services in major United States urban areas under the same or similar circumstances.

4.4.3 Contractor will call to University’s attention in writing all information in any materials supplied to Contractor (by University or any other party) that Contractor regards as unsuitable, improper or inaccurate in connection with the purposes for which the material is furnished.

4.4.4 Contractor warrants and agrees that the Services will be accurate and free from any material defects. Contractor’s duties and obligations under this Agreement will at no time be in any way diminished by reason of any approval by University nor will Contractor be released from any liability by reason of any approval by University, it being agreed that University at all times is relying upon Contractor’s skill and knowledge in performing the Services.

4.4.5 Contractor will, at its own cost, correct all material defects in the Services as soon as practical after Contractor becomes aware of the defects. If Contractor fails to correct material defects in the Services within a reasonable time, then University may correct the defective Services at Contractor’s expense. This remedy is in addition to, and not in substitution for, any other remedy for defective Services that University may have at law or in equity.

4.4.6 Contractor will maintain a staff of properly trained and experienced personnel to ensure satisfactory performance under this Agreement. Contractor will cause all persons connected with Contractor directly in charge of the Services to be duly registered and/or licensed under all applicable federal, state and local, laws, regulations, and ordinances. Contractor will assign to the Project a designated representative who will be responsible for the administration and coordination of the Services. Contractor will furnish efficient business administration and coordination and perform the Services in an expeditious and economical manner consistent with the interests of University.

4.4.7 Contractor represents that if (i) it is a corporation, then it is a corporation duly organized, validly existing and in good standing under the laws of the State of Texas, or a foreign corporation or limited liability company duly authorized and in good standing to conduct business in the State of Texas, that it has all necessary corporate power and has received all necessary corporate approvals to execute and deliver this Agreement, and the individual executing this Agreement on behalf of Contractor has been duly authorized to act for and bind Contractor; or (ii) if it is a partnership, limited partnership, limited liability partnership, or limited liability company then it has all necessary power and has secured all necessary approvals to execute and deliver this Agreement and perform all its obligations hereunder, and the individual executing this Agreement on behalf of Contractor has been duly authorized to act for and bind Contractor.
4.4.8 Contractor represents and warrants that all of Contractor’s Personnel contributing to the Work Material (ref. Section 4.25) under this Agreement will be required to (i) acknowledge in writing the ownership of Contractor (for the benefit of University) of the Work Material and each element thereof produced by the Personnel while performing services pursuant to this Agreement and (ii) make all assignments necessary to effectuate such ownership. “Personnel” means any and all persons associated with Contractor who provide any work or work product pursuant to this Agreement, including officers, managers, supervisors, full-time employees, part-time employees, and independent contractors.

4.4.9 Contractor represents and warrants that: (i) the Services will be performed solely by Contractor, its full-time or part-time employees during the course of their employment, or independent contractors who have assigned in writing all right, title and interest in their work to Contractor for the benefit of University; (ii) University will receive free, good and clear title to all Work Material developed under this Agreement; (iii) the Work Material and the intellectual property rights protecting the Work Material are free and clear of all encumbrances, including security interests, licenses, liens, charges or other restrictions; (iv) the Work Material will not infringe upon or violate any patent, copyright, trade secret, trademark, service mark or other property right of any former employer, independent contractor, client or other third party; and (v) the use, reproduction, distribution, or modification of the Work Material will not violate the rights of any third parties in the Work Material, including trade secret, publicity, privacy, copyright, trademark, service mark and patent rights.

4.4.10 If this Agreement requires Contractor’s presence on University’s premises or in University’s facilities, Contractor agrees to cause its representatives, agents, employees and subcontractors to become aware of, fully informed about, and in full compliance with all applicable University rules and policies, including those relative to personal health, security, environmental quality, safety, fire prevention, noise, smoking, and access restrictions.

4.5 Family Code Child Support Certification

Pursuant to Section 231.006, Family Code, Contractor certifies that it is not ineligible to receive the award of or payments under this Agreement and acknowledges that this Agreement may be terminated and payment may be withheld if this certification is inaccurate.

4.6 Tax Certification

If Contractor is a taxable entity as defined by Chapter 171, Tax Code (“Chapter 171”), then Contractor certifies that it is not currently delinquent in the payment of any taxes due under Chapter 171, or that Contractor is exempt from the payment of those taxes, or that Contractor is an out-of-state taxable entity that is not subject to those taxes, whichever is applicable.

4.7 Payment of Debt or Delinquency to the State

Pursuant to Sections 2107.008 and 2252.903, Government Code, Contractor agrees that any payments owing to Contractor under this Agreement may be applied directly toward any debt or delinquency that Contractor owes the State of Texas or any agency of the State of Texas regardless of when it arises, until such debt or delinquency is paid in full.
4.8 Loss of Funding

Performance by University under this Agreement may be dependent upon the appropriation and allotment of funds by the Texas State Legislature (the “Legislature”) and/or allocation of funds by the Board of Regents of The University of Texas System (the “Board”). If the Legislature fails to appropriate or allot the necessary funds, or the Board fails to allocate the necessary funds, then University shall issue written notice to Contractor and University may terminate this Agreement without further duty or obligation hereunder. Contractor acknowledges that appropriation, allotment, and allocation of funds are beyond the control of University.

4.9 Notices

Except as otherwise provided in this Section, all notices, consents, approvals, demands, requests or other communications provided for or permitted to be given under any of the provisions of this Agreement will be in writing and will be sent via registered or certified mail, overnight courier, confirmed facsimile transmission (to the extent a facsimile number is set forth below), or email (to the extent an email address is set forth below), and notice will be deemed given (i) if mailed, when deposited, postage prepaid, in the United States mail, (ii) if sent by overnight courier, one business day after delivery to the courier, (iii) if sent by facsimile (to the extent a facsimile number is set forth below), when transmitted, and (iv) if sent by email (to the extent an email address is set forth below), when received:

Email: ____________________
Attention: _________________

or other person or address as may be given in writing by University to Contractor in accordance with this Section.

4.10 State Auditor's Office

Contractor understands that acceptance of funds under this Agreement constitutes acceptance of the authority of the Texas State Auditor's Office, or any successor agency (collectively, “Auditor”), to conduct an audit or investigation in connection with those funds pursuant to Sections 51.9335(c), 73.115(c) and 74.008(c), *Education Code*. Contractor agrees to cooperate with the Auditor in the conduct of the audit or investigation including providing all records requested. Contractor will include this provision in all contracts with permitted subcontractors.

4.11 Venue; Governing Law

Travis County, Texas, shall be the proper place of venue for suit on or in respect of this Agreement. This Agreement and all of the rights and obligations of the parties hereto and all of the terms and conditions hereof shall be construed, interpreted and applied in accordance with and governed by and enforced under the laws of the State of Texas.

4.12 Breach of Contract Claims

4.12.1 To the extent that Chapter 2260, *Government Code*, as it may be amended from time to time ("Chapter 2260"), is applicable to this Agreement and is not preempted by other applicable law, the dispute resolution process provided for in Chapter 2260 will be used, as further described herein, by University and Contractor to attempt to resolve any claim for breach of contract made by Contractor:

4.12.1.1 Contractor's claims for breach of this Agreement that the parties cannot resolve pursuant to other provisions of this Agreement or in the ordinary course of business will be submitted to the negotiation process provided in subchapter B of Chapter 2260. To initiate the process, Contractor will submit written notice, as required by subchapter B of Chapter 2260, to University in accordance with the notice provisions in this Agreement.
Contractor's notice will specifically state that the provisions of subchapter B of Chapter 2260 are being invoked, the date and nature of the event giving rise to the claim, the specific contract provision that University allegedly breached, the amount of damages Contractor seeks, and the method used to calculate the damages. Compliance by Contractor with subchapter B of Chapter 2260 is a required prerequisite to Contractor's filing of a contested case proceeding under subchapter C of Chapter 2260. The Chief Business Officer of University, or the other officer of University as may be designated from time to time by University by written notice thereof to Contractor in accordance with the notice provisions in this Agreement, will examine Contractor's claim and any counterclaim and negotiate with Contractor in an effort to resolve the claims.

4.12.1.2 If the parties are unable to resolve their disputes under Section 4.14.1.1, the contested case process provided in subchapter C of Chapter 2260 is Contractor's sole and exclusive process for seeking a remedy for any and all of Contractor's claims for breach of this Agreement by University.

4.12.1.3 Compliance with the contested case process provided in subchapter C of Chapter 2260 is a required prerequisite to seeking consent to sue from the Legislature under Chapter 107, *Civil Practices and Remedies Code*. The parties hereto specifically agree that (i) neither the execution of this Agreement by University nor any other conduct, action or inaction of any representative of University relating to this Agreement constitutes or is intended to constitute a waiver of University's or the state's sovereign immunity to suit and (ii) University has not waived its right to seek redress in the courts.

4.12.2 The submission, processing and resolution of Contractor's claim is governed by the published rules adopted by the Texas Attorney General pursuant to Chapter 2260, as currently effective, thereafter enacted or subsequently amended.

4.12.3 University and Contractor agree that any periods set forth in this Agreement for notice and cure of defaults are not waived.

### 4.13 Compliance with Law

Contractor will perform the Services in compliance with all applicable federal, state and local, laws, regulations, and ordinances. Contractor represents and warrants that neither Contractor nor any firm, corporation or institution represented by Contractor, or anyone acting for the firm, corporation or institution, (1) has violated the antitrust laws of the State of Texas, Chapter 15, *Business and Commerce Code*, or federal antitrust laws, or (2) has communicated directly or indirectly the content of Contractor's response to University's procurement solicitation to any competitor or any other person engaged in a similar line of business during the procurement process for this Agreement.
4.14 Records

Records of Contractor's costs, any reimbursable expenses pertaining to the Services and payments will be available to University or its authorized representative during business hours and will be retained for four (4) years after final payment or abandonment of the Services, unless University otherwise instructs Contractor in writing.

4.15 Insurance

4.15.1 Contractor, consistent with its status as an independent contractor will carry and will cause its subcontractors to carry, at least the following insurance, with companies authorized to do insurance business in the State of Texas or eligible surplus lines insurers operating in accordance with the Texas Insurance Code, having an A.M. Best Rating of A-:VII or better, and in amounts not less than the following minimum limits of coverage:

4.15.1.1 Workers’ Compensation Insurance with statutory limits, and Employer’s Liability Insurance with limits of not less than $1,000,000:

<table>
<thead>
<tr>
<th>Liability Type</th>
<th>Limit</th>
</tr>
</thead>
<tbody>
<tr>
<td>Employers Liability - Each Accident</td>
<td>$1,000,000</td>
</tr>
<tr>
<td>Employers Liability - Each Employee</td>
<td>$1,000,000</td>
</tr>
<tr>
<td>Employers Liability - Policy Limit</td>
<td>$1,000,000</td>
</tr>
</tbody>
</table>

Workers’ Compensation policy must include under Item 3.A. on the information page of the Workers’ Compensation policy the state in which Work is to be performed for University.

4.15.1.2 Commercial General Liability Insurance with limits of not less than:

<table>
<thead>
<tr>
<th>Type</th>
<th>Limit</th>
</tr>
</thead>
<tbody>
<tr>
<td>Each Occurrence Limit</td>
<td>$1,000,000</td>
</tr>
<tr>
<td>Damage to Rented Premises</td>
<td>$ 300,000</td>
</tr>
<tr>
<td>Personal &amp; Advertising Injury</td>
<td>$1,000,000</td>
</tr>
<tr>
<td>General Aggregate</td>
<td>$2,000,000</td>
</tr>
<tr>
<td>Products - Completed Operations Aggregate</td>
<td>$2,000,000</td>
</tr>
</tbody>
</table>

The required Commercial General Liability policy will be issued on a form that insures Contractor’s and subcontractor’s liability for bodily injury (including death), property damage, personal and advertising injury assumed under the terms of this Agreement.

4.15.1.3 Business Auto Liability Insurance covering all owned, non-owned or hired automobiles, with limits of not less than $1,000,000 single limit of liability per accident for Bodily Injury and Property Damage;

4.15.2 Contractor will deliver to University:

4.15.2.1 Evidence of insurance on a Texas Department of Insurance approved certificate form verifying the existence and actual limits of all required insurance policies after the execution and delivery of this Agreement and prior to the performance of any Work by Contractor under this Agreement. Additional evidence of insurance will be provided verifying
the continued existence of all required insurance no later than thirty (30) days after each annual insurance policy renewal.

4.15.2.1.1 **All insurance policies** (with the exception of workers’ compensation, employer’s liability and professional liability) will be endorsed and name the Board of Regents of The University of Texas System, and The University of Texas System as Additional Insureds for liability caused in whole or in part by Contractor’s acts or omissions with respect to its on-going and completed operations up to the actual liability limits of the required insurance policies maintained by Contractor. Commercial General Liability Additional Insured endorsement including ongoing and completed operations coverage will be submitted with the Certificates of Insurance. Commercial General Liability and Business Auto Liability will be endorsed to provide primary and non-contributory coverage.

4.15.2.1.2 Contractor hereby waives all rights of subrogation against the Board of Regents of The University of Texas System and The University of Texas System. **All insurance policies** will be endorsed to provide a waiver of subrogation in favor of the Board of Regents of The University of Texas System and The University of Texas System. No policy will be canceled until after thirty (30) days’ unconditional written notice to University. **All insurance policies** will be endorsed to require the insurance carrier providing coverage to send notice to University thirty (30) days prior to any cancellation, material change, or non-renewal relating to any insurance policy required in this Section 5.

4.15.2.1.3 Contractor will pay any deductible or self-insured retention for any loss. Any self-insured retention must be declared to and approved by University prior to the performance of any Work by Contractor under this Agreement. All deductibles and self-insured retentions will be shown on the Certificates of Insurance.

4.15.2.1.4 Certificates of Insurance and Additional Insured Endorsements as required by this Agreement will be mailed, faxed, or emailed to the following University contact:

Name:

Address:

Facsimile Number:
Email Address:
4.15.3 Contractor’s or subcontractor’s insurance will be primary to any insurance carried or self-insurance program established by University or the University of Texas System. Contractor’s or subcontractor’s insurance will be kept in force until all Work has been fully performed and accepted by University in writing.

4.16 Indemnification

4.16.1 To the fullest extent permitted by law, Contractor will and does hereby agree to indemnify, protect, defend with counsel approved by University, and hold harmless The University of Texas System, and its respective affiliated enterprises, regents, officers, directors, attorneys, employees, representatives and agents (collectively “Indemnitees”) from and against all damages, losses, liens, causes of action, suits, judgments, expenses, and other claims of any nature, kind, or description, (collectively “Claims”) by any person or entity, arising out of, caused by, or resulting from Contractor’s performance under or breach of this Agreement and that are caused in whole or in part by any negligent act, negligent omission or willful misconduct of Contractor, anyone directly employed by Contractor or anyone for whose acts Contractor may be liable. The provisions of this Section will not be construed to eliminate or reduce any other indemnification or right which any Indemnitee has by law or equity. All parties will be entitled to be represented by counsel at their own expense.

4.16.2 In addition, Contractor will and does hereby agree to indemnify, protect, defend with counsel approved by University, and hold harmless Indemnitees from and against all claims arising from infringement or alleged infringement of any patent, copyright, trademark or other proprietary interest arising by or out of the performance of services or the provision of goods by Contractor, or the use by Indemnitees, at the direction of Contractor, of any article or material; provided, that, upon becoming aware of a suit or threat of suit for infringement, University will promptly notify Contractor and Contractor will be given the opportunity to negotiate a settlement. In the event of litigation, University agrees to reasonably cooperate with Contractor. All parties will be entitled to be represented by counsel at their own expense.

4.17 Ethics Matters; No Financial Interest

Contractor and its employees, agents, representatives and subcontractors have read and understand University’s Conflicts of Interest Policy available at http://www.utsystem.edu/policy/policies/int160.html, University’s Standards of Conduct Guide available at http://www.utsystem.edu/systemcompliance/SOCcombined.pdf, and applicable state ethics laws and rules available at www.utsystem.edu/ogc/ethics. Neither Contractor nor its employees, agents, representatives or subcontractors will assist or cause University employees to violate University’s Conflicts of Interest Policy, provisions described by University’s Standards of Conduct Guide, or applicable state ethics laws or rules. Contractor represents and warrants that no member of the Board has a direct or indirect financial interest in the transaction that is the subject of this Agreement.
4.18 Undocumented Workers

The *Immigration and Nationality Act* (8 United States Code 1324a) (“Immigration Act”) makes it unlawful for an employer to hire or continue employment of undocumented workers. The United States Immigration and Customs Enforcement Service has established the Form I-9 Employment Eligibility Verification Form (“I-9 Form”) as the document to be used for employment eligibility verification (8 Code of Federal Regulations 274a). Among other things, Contractor is required to: (1) have all employees complete and sign the I-9 Form certifying that they are eligible for employment; (2) examine verification documents required by the I-9 Form to be presented by the employee and ensure the documents appear to be genuine and related to the individual; (3) record information about the documents on the I-9 Form, and complete the certification portion of the I-9 Form; and (4) retain the I-9 Form as required by law. It is illegal to discriminate against any individual (other than a citizen of another country who is not authorized to work in the United States) in hiring, discharging, or recruiting because of that individual's national origin or citizenship status. If Contractor employs unauthorized workers during performance of this Agreement in violation of the Immigration Act then, in addition to other remedies or penalties prescribed by law, University may terminate this Agreement in accordance with Section 4.28. Contractor represents and warrants that it is in compliance with and agrees that it will remain in compliance with the provisions of the Immigration Act.

4.19 Force Majeure

Neither party hereto will be liable or responsible to the other for any loss or damage or for any delays or failure to perform due to causes beyond its reasonable control including acts of God, strikes, epidemics, war, riots, flood, fire, sabotage, or any other circumstances of like character (“force majeure occurrence”).

4.20 Entire Agreement; Modifications

This Agreement supersedes all prior agreements, written or oral, between Contractor and University and will constitute the entire agreement and understanding between the parties with respect to the subject matter of this Agreement. This Agreement and each of its provisions will be binding upon the parties and may not be waived, modified, amended or altered except by a writing signed by both University and Contractor.

4.21 Captions

The captions of sections and subsections in this Agreement are for convenience only and will not be considered or referred to in resolving questions of interpretation or construction.

4.22 Waivers

No delay or omission in exercising any right accruing upon a default in performance of this Agreement will impair any right or be construed to be a waiver of any right. A waiver of any default under this Agreement will not be construed to be a waiver of any subsequent default under this Agreement.
4.23 Ownership and Use of Work Material

4.23.1 All drawings, specifications, plans, computations, sketches, data, photographs, tapes, renderings, models, publications, statements, accounts, reports, studies, and other materials prepared by Contractor or any subcontractors in connection with the Services (collectively, "Work Material"), whether or not accepted or rejected by University, are the sole property of University and for its exclusive use and re-use at any time without further compensation and without any restrictions.

4.23.2 Contractor grants and assigns to University all rights and claims of whatever nature and whether now or hereafter arising in and to the Work Material and will cooperate fully with University in any steps University may take to obtain or enforce patent, copyright, trademark or like protections with respect to the Work Material.

4.23.3 Contractor will deliver all Work Material to University upon expiration or termination of this Agreement. University will have the right to use the Work Material for the completion of the Services or otherwise. University may, at all times, retain the originals of the Work Material. The Work Material will not be used by any person other than University on other projects unless expressly authorized by University in writing.

4.23.4 The Work Material will not be used or published by Contractor or any other party unless expressly authorized by University in writing. Contractor will treat all Work Material as confidential.

4.23.5 All title and interest in the Work Material will vest in University and will be deemed to be a work made for hire and made in the course of the Services rendered under this Agreement. To the extent that title to any Work Material may not, by operation of law, vest in University or Work Material may not be considered works made for hire, Contractor hereby irrevocably assigns, conveys and transfers to University and its successors, licensees and assigns, all rights, title and interest worldwide in and to the Work Material and all proprietary rights therein, including all copyrights, trademarks, service marks, patents, trade secrets, moral rights, all contract and licensing rights and all claims and causes of action with respect to any of the foregoing, whether now known or hereafter to become known. In the event Contractor has any rights in the Work Material which cannot be assigned, Contractor agrees to waive enforcement worldwide of the rights against University, its successors, licensees, assigns, distributors and customers or, if necessary, to exclusively license the rights, worldwide to University with the right to sublicense. These rights are assignable by University.

4.24 Confidentiality and Safeguarding of University Records; Press Releases; Public Information

Under this Agreement, Contractor may (1) create, (2) receive from or on behalf of University, or (3) have access to, records or record systems (collectively, “University Records”). Among other things, University Records may contain social security numbers, credit card numbers, or data protected or made confidential or sensitive by Applicable Laws. Contractor represents, warrants, and agrees that it will: (1) hold University Records in strict confidence and will not use or disclose University Records except as (a) permitted or required by this Agreement, (b) required by Applicable Laws, or (c) otherwise authorized by University in writing; (2) safeguard University Records according to reasonable administrative, physical and technical standards (such as
standards established by (i) the National Institute of Standards and Technology and (ii) the Center for Internet Security, as well as the Payment Card Industry Data Security Standards) that are no less rigorous than the standards by which Contractor protects its own confidential information; (3) continually monitor its operations and take any action necessary to assure that University Records are safeguarded and the confidentiality of University Records is maintained in accordance with all Applicable Laws, including FERPA and the Gramm-Leach Bliley Act, and the terms of this Agreement; and (4) comply with the University’s rules, policies, and procedures regarding access to and use of University’s computer systems, including UTS 165 at http://www.utsystem.edu/bor/procedures/policy/policies/uts165.html. At the request of University, Contractor agrees to provide University with a written summary of the procedures Contractor uses to safeguard and maintain the confidentiality of University Records.

4.24.1 Notice of Impermissible Use. If an impermissible use or disclosure of any University Records occurs, Contractor will provide written notice to University within one (1) business day after Contractor’s discovery of that use or disclosure. Contractor will promptly provide University with all information requested by University regarding the impermissible use or disclosure.

4.24.2 Return of University Records. Contractor agrees that within thirty (30) days after the expiration or termination of this Agreement, for any reason, all University Records created or received from or on behalf of University will be (1) returned to University, with no copies retained by Contractor; or (2) if return is not feasible, destroyed. Twenty (20) days before destruction of any University Records, Contractor will provide University with written notice of Contractor’s intent to destroy University Records. Within five (5) days after destruction, Contractor will confirm to University in writing the destruction of University Records.

4.24.3 Disclosure. If Contractor discloses any University Records to a subcontractor or agent, Contractor will require the subcontractor or agent to comply with the same restrictions and obligations as are imposed on Contractor by this Section.

4.24.4 Press Releases. Except when defined as part of the Services, Contractor will not make any press releases, public statements, or advertisement referring to the Project or the engagement of Contractor as an independent contractor of University in connection with the Project, or release any information relative to the Project for publication, advertisement or any other purpose without the prior written approval of University.

4.24.5 Public Information. University strictly adheres to all statutes, court decisions and the opinions of the Texas Attorney General with respect to disclosure of public information under the Texas Public Information Act ("TPIA"), Chapter 552, Texas Government Code. In accordance with Section 552.002 of TPIA and Section 2252.907, Texas Government Code, and at no additional charge to University, Contractor will make any information created or exchanged with University pursuant to this Agreement (and not otherwise exempt from disclosure under TPIA) available in a format reasonably requested by University that is accessible by the public.

4.24.6 Termination. In addition to any other termination rights set forth in this Agreement and any other rights at law or equity, if University reasonably determines that Contractor has breached any of the restrictions or obligations set
forth in this Section, University may immediately terminate this Agreement without notice or opportunity to cure.

4.24.7 **Duration.** The restrictions and obligations under this Section will survive expiration or termination of this Agreement for any reason.

4.25 **Default and Termination**

4.25.1 In the event of a material failure by a party to this Agreement to perform in accordance with the terms of this Agreement ("default"), the other party may terminate this Agreement upon fifteen (15) days' written notice of termination setting forth the nature of the material failure; **provided, that**, the material failure is through no fault of the terminating party. The termination will not be effective if the material failure is fully cured prior to the end of the fifteen-day period.

4.25.2 University may, without cause, terminate this Agreement at any time upon giving thirty (30) days' advance written notice to Contractor. Upon termination pursuant to this Section, Contractor will be entitled to payment of an amount that will compensate Contractor for the Services satisfactorily performed from the time of the last payment date to the termination date in accordance with this Agreement; **provided, that**, Contractor has delivered all Work Material to University. Notwithstanding any provision in this Agreement to the contrary, University will not be required to pay or reimburse Contractor for any services performed or for expenses incurred by Contractor after the date of the termination notice that could have been avoided or mitigated by Contractor.

4.25.3 Termination under **Sections 4.28.1 or 4.28.2** will not relieve Contractor from liability for any default or breach under this Agreement or any other act or omission of Contractor.

4.25.4 If Contractor fails to cure any default within fifteen (15) days after receiving written notice of the default, University will be entitled (but will not be obligated) to cure the default and will have the right to offset against all amounts due to Contractor under this Agreement, any and all reasonable expenses incurred in connection with University's curative actions.

4.26 **Binding Effect**

This Agreement will be binding upon and inure to the benefit of the parties hereto and their respective permitted assigns and successors.

4.27 **Severability**

In case any provision of this Agreement will, for any reason, be held invalid or unenforceable in any respect, the invalidity or unenforceability will not affect any other provision of this Agreement, and this Agreement will be construed as if the invalid or unenforceable provision had not been included.
4.28 Limitation of Liability

Except for University’s obligation (if any) to pay Contractor certain fees and expenses University will have no liability to Contractor or to anyone claiming through or under Contractor by reason of the execution or performance of this Agreement. Notwithstanding any duty or obligation of University to Contractor or to anyone claiming through or under Contractor, no present or future affiliated enterprise, subcontractor, agent, officer, director, employee, representative, attorney or regent of University, or The University of Texas System, or anyone claiming under University has or will have any personal liability to Contractor or to anyone claiming through or under Contractor by reason of the execution or performance of this Agreement.

4.29 Assignment and Subcontracting

Except as specifically provided in APPENDIX TWO, Historically Underutilized Business Subcontracting Plan, attached and incorporated for all purposes, Contractor’s interest in this Agreement (including Contractor’s duties and obligations under this Agreement, and the fees due to Contractor under this Agreement) may not be subcontracted, assigned, delegated, or otherwise transferred to a third party, in whole or in part, and any attempt to do so will (a) not be binding on University; and (b) be a breach of this Agreement for which Contractor will be subject to all remedial actions provided by Texas law, including Chapter 2161, Government Code, and 34 Texas Administrative Code (“TAC”) Sections 20.101 through 20.108. The benefits and burdens of this Agreement are assignable by University.

4.30 Historically Underutilized Business Subcontracting Plan

Historically Underutilized Business Subcontracting Plan. Contractor agrees to use good faith efforts to subcontract the Services in accordance with the Historically Underutilized Business Subcontracting Plan (“HSP”) (ref. APPENDIX TWO). Contractor agrees to maintain business records documenting its compliance with the HSP and to submit a monthly compliance report to University in the format required by Texas Procurement and Support Services Division of the Texas Comptroller of Public Accounts or any successor agency (collectively, “TPSS”). Submission of compliance reports will be required as a condition for payment under this Agreement. If University determines that Contractor has failed to subcontract as set out in the HSP, University will notify Contractor of any deficiencies and give Contractor an opportunity to submit documentation and explain why the failure to comply with the HSP should not be attributed to a lack of good faith effort by Contractor. If University determines that Contractor failed to implement the HSP in good faith, University, in addition to any other remedies, may report nonperformance to the TPSS in accordance with 34 TAC Sections 20.101 through 20.108. University may also revoke this Agreement for breach and make a claim against Contractor.

4.30.1 Changes to the HSP. If at any time during the term of this Agreement, Contractor desires to change the HSP, before the proposed changes become effective (a) Contractor must comply with 34 TAC Section 20.14; (b) the changes must be reviewed and approved by University; and (c) if University approves changes to the HSP, this Agreement must be amended in accordance with Section 4.19 to replace the HSP with the revised subcontracting plan.

4.30.2 Expansion of the Services. If University expands the scope of the Services through a change order or any other amendment, University will determine if the additional Services contains probable subcontracting opportunities not identified in the initial solicitation for the Services. If University determines additional probable
subcontracting opportunities exist, Contractor will submit an amended subcontracting plan covering those opportunities. The amended subcontracting plan must comply with the provisions of 34 TAC Section 20.14 before (a) this Agreement may be amended to include the additional Services; or (b) Contractor may perform the additional Services. If Contractor subcontracts any of the additional subcontracting opportunities identified by University without prior authorization and without complying with 34 TAC Section 20.14, Contractor will be deemed to be in breach of this Agreement under Section 4.28 and will be subject to any remedial actions provided by Texas law including Chapter 2161, Government Code and 34 TAC Section 20.14. University may report nonperformance under this Agreement to the TPSS in accordance with 34 TAC Sections 20.101 through 20.108.

4.31 Responsibility for Individuals Performing Services; Criminal Background Checks

Each individual who is assigned to perform the Services under this Agreement will be an employee of Contractor or an employee of a subcontractor engaged by Contractor. Contractor is responsible for the performance of all individuals performing the Services under this Agreement. Prior to commencing the Services, Contractor will (1) provide University with a list ("List") of all individuals who may be assigned to perform the Services on University’s premises and (2) have an appropriate criminal background screening performed on all the individuals on the List. Contractor will determine on a case-by-case basis whether each individual assigned to perform the Services is qualified to provide the services. Contractor will not knowingly assign any individual to provide services on University’s premises who has a history of criminal conduct unacceptable for a university campus or healthcare center, including violent or sexual offenses. Contractor will update the List each time there is a change in the individuals assigned to perform the Services on University’s premises.

Prior to commencing performance of the Services under this Agreement, Contractor will provide University a letter signed by an authorized representative of Contractor certifying compliance with this Section. Contractor will provide University an updated certification letter each time there is a change in the individuals on the List.

4.32 Limitations

The Parties are aware that there are constitutional and statutory limitations on the authority of University (a state agency) to enter into certain terms and conditions that may be a part of this Agreement, including those terms and conditions relating to liens on University’s property; disclaimers and limitations of warranties; disclaimers and limitations of liability for damages; waivers, disclaimers and limitations of legal rights, remedies, requirements and processes; limitations of periods to bring legal action; granting control of litigation or settlement to another party; liability for acts or omissions of third parties; payment of attorneys’ fees; dispute resolution; indemnities; and confidentiality (collectively, the “Limitations”), and terms and conditions related to the Limitations will not be binding on University except to the extent authorized by the laws and Constitution of the State of Texas.

4.31 Survival of Provisions

No expiration or termination of this Agreement will relieve either party of any obligations under this Agreement that by their nature survive such expiration or termination.
4.32 Relationship of the Parties

For all purposes of this Agreement and notwithstanding any provision of this Agreement to the contrary, Contractor is an independent contractor and is not a state employee, partner, joint venturer, or agent of University. Contractor will not bind nor attempt to bind University to any agreement or contract. As an independent contractor, Contractor is solely responsible for all taxes, withholdings, and other statutory or contractual obligations of any sort, including workers’ compensation insurance.
SECTION 5
SPECIFICATIONS AND ADDITIONAL QUESTIONS

5.1 General

The minimum requirements and the specifications for the Services, as well as certain requests for information to be provided by Proposer as part of its proposal, are set forth below. As indicated in Section 2.3 of this RFP, the successful Proposer is referred to as the “Contractor.”

5.2 Additional Questions Specific to this RFP

Proposer must submit the following information as part of Proposer’s proposal:

5.2.1 If Proposer takes exception to any terms or conditions set forth in Section 4 of this RFP, Proposer will submit a list of the exceptions.

5.2.2 By signing the Execution of Offer (ref. Section 2 of APPENDIX ONE), Proposer agrees to comply with Section 2252.908, Government Code (“Disclosure of Interested Parties Statute”) and 1 Texas Administration Code Sections 46.1 through 46.5 (“Disclosure of Interested Parties Regulations”) as implemented by the Texas Ethics Commission (“TEC”), including, among other things, providing the TEC and University with the information required on the form promulgated by the TEC and set forth in APPENDIX FIVE. Proposers may learn more about these disclosure requirements, including the use of the TEC electronic filing system, by reviewing the information on the TEC website at https://www.ethics.state.tx.us/whatsnew/FAQ_Form1295.html.

5.3 Scope of Work

Successful Proposer will provide the following services to University:

5.3.1 At University’s request, Successful Proposer will perform the Work providing health care advising and consulting services relating to health care opportunities and potential transactions including:

- assistance to identify potential value adding transactions;
- assistance in evaluation and valuation (including provision of a fairness opinion, if requested) of health care opportunities, development of new lines of health care business, potential partnership opportunities and other transactions;
- assistance in negotiation of health care transactions
- assistance in the structuring of transactions with appropriate risk parameters;
- assistance in the start-up phases of health care opportunities, business lines, partnership opportunities, and other transactions;
- assistance in the adaptation and modification of health care delivery systems including shifts from fee-for-service reimbursement to value-based clinical models;
• assistance in understanding and recommending changes to complex governance structures to afford academic medical centers nimble governance and equip institutions to thrive in competitive environments; and
• assistance in consolidation of numerous institutions into efficient academic health care enterprise and brand.

5.4 Questions Specific to this RFP

Proposer must submit the following information as part of Proposer’s proposal:

1. The preferred fee methodology for services provided by Proposer, including:
   a. The proposed hourly rate for each of Proposer’s proposed participants in projects with University. (2.3.1.1)
   b. A fixed fee schedule for any services that are not billed on hourly rates. (2.3.1.1)

2. Provide references from three (3) of Proposer’s customers from the past five (5) years for services that are similar in scope, size, and complexity to the Services described in this RFP (2.3.1.2 and 2.3.1.3 and 2.3.1.4). Provide the following information for each customer:
   a. Customer name and address;
   b. Contact name with email address and phone number;
   c. Time period in which work was performed;
   d. Short description of work performed.

3. Has Proposer worked with University in the past five (5) years? If “yes,” state department name, department contact, and provide a brief description of work performed (2.3.1.2, 2.3.1.3, 2.3.1.4, 2.3.1.5).

4. Provide the years of experience the Proposer has in providing consulting and advisory services in the health care space (2.3.1.2 and 2.3.1.4).

5. Describe your firm’s process for assigning staff to specific engagement to assure that the requisite skills, knowledge, education, and experience support University needs. Describe how Proposer will interact with University in the staffing selection process for specific engagements.

6. Describe Proposer’s approach to providing comparable consulting and advisory services to large health care entities (2.3.1.3 and 2.3.1.4).

7. Please describe any exceptions to the terms and conditions set forth in Section 4 of this RFP and the rationale for such exception(s) (2.3.1.6).
SECTION 6

PRICING AND DELIVERY SCHEDULE

Proposal of: ____________________________________________________________  
(Proposer Company Name)

To: The University of Texas System Administration

Ref.: Health Care Consulting Services related to Health Care Opportunities and Potential Transactions for the University of Texas System Administration

RFP No.: BDV08262016

Ladies and Gentlemen:

Having carefully examined all the specifications and requirements of this RFP and any attachments thereto, the undersigned proposes to furnish the __________________ services required pursuant to the above-referenced Request for Proposal upon the terms quoted below.

6.1 Pricing for Services Offered

________________________________________________________________
________________________________________________________________
________________________________________________________________
________________________________________________________________

6.2 University’s Payment Terms

University’s standard payment terms for services are “Net 30 days.” Proposer agrees that University will be entitled to withhold __________ percent (________%) of the total payment due under the Agreement until after University’s acceptance of the final work product. Indicate below the prompt payment discount that Proposer will provide to University:

Prompt Payment Discount: _____%_____days/net 30 days

SECTION 1

GENERAL INFORMATION

1.1 Purpose

University is soliciting competitive sealed proposals from Proposers having suitable qualifications and experience providing services in accordance with the terms, conditions and requirements set forth in this RFP. This RFP provides sufficient information for interested parties to prepare and submit proposals for consideration by University.

By submitting a proposal, Proposer certifies that it understands this RFP and has full knowledge of the scope, nature, quality, and quantity of the services to be performed, the detailed requirements of the services to be provided, and the conditions under which such services are to be performed. Proposer also certifies that it understands that all costs relating to preparing a response to this RFP will be the sole responsibility of the Proposer.

PROPOSER IS CAUTIONED TO READ THE INFORMATION CONTAINED IN THIS RFP CAREFULLY AND TO SUBMIT A COMPLETE RESPONSE TO ALL REQUIREMENTS AND QUESTIONS AS DIRECTED.

1.2 Inquiries and Interpretations

University may in its sole discretion respond in writing to written inquiries concerning this RFP and mail its response as an Addendum to all parties recorded by University as having received a copy of this RFP. Only University’s responses that are made by formal written Addenda will be binding on University. Any verbal responses, written interpretations or clarifications other than Addenda to this RFP will be without legal effect. All Addenda issued by University prior to the Submittal Deadline will be and are hereby incorporated as a part of this RFP for all purposes.

Proposers are required to acknowledge receipt of each Addendum as specified in this Section. The Proposer must acknowledge all Addenda by completing, signing and returning the Addenda Checklist (ref. Section 4 of APPENDIX ONE). The Addenda Checklist must be received by University prior to the Submittal Deadline and should accompany the Proposer’s proposal.

Any interested party that receives this RFP by means other than directly from University is responsible for notifying University that it has received an RFP package, and should provide its name, address, telephone number and FAX number to University, so that if University issues Addenda to this RFP or provides written answers to questions, that information can be provided to such party.

1.3 Public Information

Proposer is hereby notified that University strictly adheres to all statutes, court decisions and the opinions of the Texas Attorney General with respect to disclosure of public information.

University may seek to protect from disclosure all information submitted in response to this RFP until such time as a final agreement is executed.

Upon execution of a final agreement, University will consider all information, documentation, and other materials requested to be submitted in response to this RFP, to be of a non-confidential and non-proprietary nature and, therefore, subject to public disclosure under the Texas Public Information Act (Government Code, Chapter 552.001, et seq.). Proposer will be advised of a request for public information that implicates their materials and will have the opportunity to raise any objections to disclosure to the Texas Attorney General. Certain information may be protected from release under Sections 552.101, 552.110, 552.113, and 552.131, Government Code.

1.4 Type of Agreement

Contractor, if any, will be required to enter into a contract with University in a form that (i) includes terms and conditions substantially similar to the terms and conditions set forth in Section 4 of this RFP, and (ii) is otherwise acceptable to University in all respects (the “Agreement”).

1.5 Proposal Evaluation Process

University will select Contractor by using the competitive sealed proposal process described in this Section. University will open the HSP Envelope submitted by a Proposer or opening the Proposer’s proposal in order to ensure that the Proposer has submitted the number of completed and signed originals of the Proposer’s HUB Subcontracting Plan (also called the HSP) that are required by this RFP (ref. Section 2.5.4 of the RFP.). All proposals submitted by the Submittal Deadline accompanied by the number of completed and signed originals of the HSP that are required by this RFP will be opened publicly to identify the name of each Proposer submitting a proposal. Any proposals that are not submitted by the Submittal Date or that are not accompanied by the number of completed and signed originals of the HSP that are required by this RFP will be rejected by University as non-responsive due to material failure to comply with advertised specifications. After the opening of the proposals and, upon completion of the initial review and evaluation of the proposals, University may invite one or more selected Proposers to participate in oral presentations. University will use commercially reasonable efforts to avoid public disclosure of the contents of a proposal prior to selection of Contractor.

University may make the selection of Contractor on the basis of the proposals initially submitted, without discussion, clarification or modification. In the alternative, University may make the selection of Contractor on the basis of negotiation
with any of the Proposers. In conducting such negotiations, University will use commercially reasonable efforts to avoid disclosing the contents of competing proposals.

At University's sole option and discretion, University may discuss and negotiate all elements of the proposals submitted by selected Proposers within a specified competitive range. For purposes of negotiation, University may establish, after an initial review of the proposals, a competitive range of acceptable or potentially acceptable proposals composed of the highest rated proposal(s). In that event, University will defer further action on proposals not included within the competitive range pending the selection of Contractor, provided, however, University reserves the right to include additional proposals in the competitive range if deemed to be in the best interests of University.

After submission of a proposal but before final selection of Contractor is made, University may permit a Proposer to revise its proposal in order to obtain the Proposer's best and final offer. In that event, representations made by Proposer in its revised proposal, including price and fee quotes, will be binding on Proposer. University will provide each Proposer within the competitive range with an equal opportunity for discussion and revision of its proposal. University is not obligated to select the Proposer offering the most attractive economic terms if that Proposer is not the most advantageous to University overall, as determined by University.

University reserves the right to (a) enter into an agreement for all or any portion of the requirements and specifications set forth in this RFP with one or more Proposers, (b) reject any and all proposals and re-solicit proposals, or (c) reject any and all proposals and temporarily or permanently abandon this selection process, if deemed to be in the best interests of University. Proposer is hereby notified that University will maintain in its files concerning this RFP a written record of the basis upon which a selection, if any, is made by University.

1.6 Proposer's Acceptance of Evaluation Methodology

By submitting a proposal, Proposer acknowledges (1) Proposer's acceptance of [a] the Proposal Evaluation Process (ref. Section 1.5 of APPENDIX ONE), [b] the Criteria for Selection (ref. 2.3 of this RFP), [c] the Specifications and Additional Questions (ref. Section 5 of this RFP), [d] the terms and conditions set forth in Section 4 of this RFP, and [e] all other requirements and specifications set forth in this RFP; and (2) Proposer's recognition that some subjective judgments must be made by University during this RFP process.

1.7 Solicitation for Proposal and Proposal Preparation Costs

Proposer understands and agrees that (1) this RFP is a solicitation for proposals and University has made no representation written or oral that one or more agreements with University will be awarded under this RFP; (2) University issues this RFP predicated on University's anticipated requirements for the Services, and University has made no representation, written or oral, that any particular scope of services will actually be required by University; and (3) University will bear, as its sole risk and responsibility, any cost that arises from Proposer's preparation of a proposal in response to this RFP.

1.8 Proposal Requirements and General Instructions

1.8.1 Proposer should carefully read the information contained herein and submit a complete proposal in response to all requirements and questions as directed.

1.8.2 Proposals and any other information submitted by Proposer in response to this RFP will become the property of University.

1.8.3 University will not provide compensation to Proposer for any expenses incurred by the Proposer for proposal preparation or for demonstrations or oral presentations that may be made by Proposer. Proposer submits its proposal at its own risk and expense.

1.8.4 Proposals that (i) are qualified with conditional clauses; (ii) alter, modify, or revise this RFP in any way; or (iii) contain irregularities of any kind, are subject to disqualification by University, at University's sole discretion.

1.8.5 Proposals should be prepared simply and economically, providing a straightforward, concise description of Proposer's ability to meet the requirements and specifications of this RFP. Emphasis should be on completeness, clarity of content, and responsiveness to the requirements and specifications of this RFP.

1.8.6 University makes no warranty or guarantee that an award will be made as a result of this RFP. University reserves the right to accept or reject any or all proposals, waive any formalities, procedural requirements, or minor technical inconsistencies, and delete any requirement or specification from this RFP or the Agreement when deemed to be in University's best interest. University reserves the right to seek clarification from any Proposer concerning any item contained in its proposal prior to final selection. Such clarification may be provided by telephone conference or personal meeting with or writing to University, at University's sole discretion. Representations made by Proposer within its proposal will be binding on Proposer.

1.8.7 Any proposal that fails to comply with the requirements contained in this RFP may be rejected by University, in University's sole discretion.
1.9 Preparation and Submittal Instructions

1.9.1 Specifications and Additional Questions

Proposals must include responses to the questions in Specifications and Additional Questions (ref. Section 5 of this RFP). Proposer should reference the item number and repeat the question in its response. In cases where a question does not apply or if unable to respond, Proposer should refer to the item number, repeat the question, and indicate N/A (Not Applicable) or N/R (No Response), as appropriate. Proposer should explain the reason when responding N/A or N/R.

1.9.2 Execution of Offer

Proposer must complete, sign and return the attached Execution of Offer (ref. Section 2 of APPENDIX ONE) as part of its proposal. The Execution of Offer must be signed by a representative of Proposer duly authorized to bind the Proposer to its proposal. Any proposal received without a completed and signed Execution of Offer may be rejected by University, in its sole discretion.

1.9.3 Pricing and Delivery Schedule

Proposer must complete and return the Pricing and Delivery Schedule (ref. Section 6 of this RFP), as part of its proposal. In the Pricing and Delivery Schedule, the Proposer should describe in detail (a) the total fees for the entire scope of the Services; and (b) the method by which the fees are calculated. The fees must be inclusive of all associated costs for delivery, labor, insurance, taxes, overhead, and profit.

University will not recognize or accept any charges or fees to perform the Services that are not specifically stated in the Pricing and Delivery Schedule.

In the Pricing and Delivery Schedule, Proposer should describe each significant phase in the process of providing the Services to University, and the time period within which Proposer proposes to be able to complete each such phase.

1.9.4 Proposer's General Questionnaire

Proposals must include responses to the questions in Proposer's General Questionnaire (ref. Section 3 of APPENDIX ONE). Proposer should reference the item number and repeat the question in its response. In cases where a question does not apply or if unable to respond, Proposer should refer to the item number, repeat the question, and indicate N/A (Not Applicable) or N/R (No Response), as appropriate. Proposer should explain the reason when responding N/A or N/R.

1.9.5 Addenda Checklist

Proposer should acknowledge all Addenda to this RFP (if any) by completing, signing and returning the Addenda Checklist (ref. Section 4 of APPENDIX ONE) as part of its proposal. Any proposal received without a completed and signed Addenda Checklist may be rejected by University, in its sole discretion.

1.9.6 Submission

Proposer should submit all proposal materials enclosed in a sealed envelope, box, or container. The RFP No. (ref. Section 1.3 of this RFP) and the Submittal Deadline (ref. Section 2.1 of this RFP) should be clearly shown in the lower left-hand corner on the top surface of the container. In addition, the name and the return address of the Proposer should be clearly visible.

Proposer must also submit the number of originals of the HUB Subcontracting Plan (also called the HSP) as required by this RFP (ref. Section 2.5 of the RFP.)

Upon Proposer's request and at Proposer's expense, University will return to a Proposer its proposal received after the Submittal Deadline if the proposal is properly identified. University will not under any circumstances consider a proposal that is received after the Submittal Deadline or which is not accompanied by the number of completed and signed originals of the HSP that are required by this RFP.

University will not accept proposals submitted by telephone, proposals submitted by Facsimile ("FAX") transmission, or proposals submitted by electronic transmission (i.e., e-mail) in response to this RFP.

Except as otherwise provided in this RFP, no proposal may be changed, amended, or modified after it has been submitted to University. However, a proposal may be withdrawn and resubmitted at any time prior to the Submittal Deadline. No proposal may be withdrawn after the Submittal Deadline without University's consent, which will be based on Proposer's submittal of a written explanation and documentation evidencing a reason acceptable to University, in University's sole discretion.

By signing the Execution of Offer (ref. Section 2 of APPENDIX ONE) and submitting a proposal, Proposer certifies that any terms, conditions, or documents attached to or referenced in its proposal are applicable to this procurement only to the extent that they (a) do not conflict with the laws of the State of Texas or this RFP and (b) do not place any requirements on University that are not set forth in this RFP or in the Appendices to this
RFP. Proposer further certifies that the submission of a proposal is Proposer's good faith intent to enter into the Agreement with University as specified herein and that such intent is not contingent upon University's acceptance or execution of any terms, conditions, or other documents attached to or referenced in Proposer's proposal.
SECTION 2
EXECUTION OF OFFER

THIS EXECUTION OF OFFER MUST BE COMPLETED, SIGNED AND RETURNED WITH PROPOSER'S PROPOSAL. FAILURE TO COMPLETE, SIGN AND RETURN THIS EXECUTION OF OFFER WITH THE PROPOSER'S PROPOSAL MAY RESULT IN THE REJECTION OF THE PROPOSAL.

2.1 By signature hereon, Proposer represents and warrants the following:

2.1.1 Proposer acknowledges and agrees that (1) this RFP is a solicitation for a proposal and is not a contract or an offer to contract; (2) the submission of a proposal by Proposer in response to this RFP will not create a contract between University and Proposer; (3) University has made no representation or warranty, written or oral, that one or more contracts with University will be awarded under this RFP; and (4) Proposer will bear, as its sole risk and responsibility, any cost arising from Proposer's preparation of a response to this RFP.

2.1.2 Proposer is a reputable company that is lawfully and regularly engaged in providing the Services.

2.1.3 Proposer has the necessary experience, knowledge, abilities, skills, and resources to perform the Services.

2.1.4 Proposer is aware of, is fully informed about, and is in full compliance with all applicable federal, state and local laws, rules, regulations and ordinances.

2.1.5 Proposer understands (i) the requirements and specifications set forth in this RFP and (ii) the terms and conditions set forth in Section 4 of this RFP, under which Proposer will be required to operate.

2.1.6 If selected by University, Proposer will not delegate any of its duties or responsibilities under this RFP or the Agreement to any sub-contractor, except as expressly provided in the Agreement.

2.1.7 If selected by University, Proposer will maintain any insurance coverage as required by the Agreement during the term thereof.

2.1.8 All statements, information and representations prepared and submitted in response to this RFP are current, complete, true and accurate. Proposer acknowledges that University will rely on such statements, information and representations in selecting Contractor. If selected by University, Proposer will notify University immediately of any material change in any matters with regard to which Proposer has made a statement or representation or provided information.

2.1.9 PROPOSER WILL DEFEND WITH COUNSEL APPROVED BY UNIVERSITY, INDEMNIFY, AND HOLD HARMLESS UNIVERSITY, THE UNIVERSITY OF TEXAS SYSTEM, THE STATE OF TEXAS, AND ALL OF THEIR REGENTS, OFFICERS, AGENTS AND EMPLOYEES, FROM AND AGAINST ALL ACTIONS, SUITS, DEMANDS, COSTS, DAMAGES, LIABILITIES AND OTHER CLAIMS OF ANY NATURE, KIND OR DESCRIPTION, INCLUDING REASONABLE ATTORNEYS’ FEES INCURRED IN INVESTIGATING, DEFENDING OR SETTLING ANY OF THE FOREGOING, ARISING OUT OF, CONNECTED WITH, OR RESULTING FROM ANY NEGLIGENCE ACTS OR OMISSIONS OR WILLFUL MISCONDUCT OF PROPOSER OR ANY AGENT, EMPLOYEE, SUBCONTRACTOR, OR SUPPLIER OF PROPOSER IN THE EXECUTION OR PERFORMANCE OF ANY CONTRACT OR AGREEMENT RESULTING FROM THIS RFP.

2.1.10 Pursuant to Sections 2107.008 and 2252.903, Government Code, any payments owing to Proposer under any contract or agreement resulting from this RFP may be applied directly to any debt or delinquency that Proposer owes the State of Texas or any agency of the State of Texas regardless of when it arises, until such debt or delinquency is paid in full.

2.2 By signature hereon, Proposer offers and agrees to furnish the Services to University and comply with all terms, conditions, requirements and specifications set forth in this RFP.

2.3 By signature hereon, Proposer affirms that it has not given or offered to give, nor does Proposer intend to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with its submitted proposal. Failure to sign this Execution of Offer, or signing with a false statement, may void the submitted proposal or any resulting contracts, and the Proposer may be removed from all proposal lists at University.

2.4 By signature hereon, Proposer certifies that it is not currently delinquent in the payment of any taxes due under Chapter 171, Tax Code, or that Proposer is exempt from the payment of those taxes, or that Proposer is an out-of-state taxable entity that is not subject to those taxes, whichever is applicable. A false certification will be deemed a material breach of any resulting contract or agreement and, at University's option, may result in termination of any resulting contract or agreement.

2.5 By signature hereon, Proposer hereby certifies that neither Proposer nor any firm, corporation, partnership or institution represented by Proposer, or anyone acting for such firm, corporation or institution, has violated the antitrust laws of the State of Texas, codified in Section 15.01, et seq., Business and Commerce Code, or the Federal antitrust laws, nor
communicated directly or indirectly the proposal made to any competitor or any other person engaged in such line of business.

2.6 By signature hereon, Proposer certifies that the individual signing this document and the documents made a part of this RFP, is authorized to sign such documents on behalf of Proposer and to bind Proposer under any agreements and other contractual arrangements that may result from the submission of Proposer’s proposal.

2.7 By signature hereon, Proposer certifies as follows:

"Under Section 231.006, Family Code, relating to child support, Proposer certifies that the individual or business entity named in the Proposer’s proposal is not ineligible to receive the specified contract award and acknowledges that any agreements or other contractual arrangements resulting from this RFP may be terminated if this certification is inaccurate."

2.8 By signature hereon, Proposer certifies that (i) no relationship, whether by blood, marriage, business association, capital funding agreement or by any other such kinship or connection exists between the owner of any Proposer that is a sole proprietorship, the officers or directors of any Proposer that is a corporation, the partners of any Proposer that is a partnership, the joint venturers of any Proposer that is a joint venture or the members or managers of any Proposer that is a limited liability company, on one hand, and an employee of any component of The University of Texas System, on the other hand, other than the relationships which have been previously disclosed to University in writing; (ii) Proposer has not been an employee of any component institution of The University of Texas System within the immediate twelve (12) months prior to the Submittal Deadline; and (iii) no person who, in the past four (4) years served as an executive of a state agency was involved with or has any interest in Proposer’s proposal or any contract resulting from this RFP (ref. Section 669.003, Government Code). All disclosures by Proposer in connection with this certification will be subject to administrative review and approval before University enters into a contract or agreement with Proposer.

2.9 By signature hereon, Proposer certifies its compliance with all federal laws and regulations pertaining to Equal Employment Opportunities and Affirmative Action.

2.10 By signature hereon, Proposer represents and warrants that all products and services offered to University in response to this RFP meet or exceed the safety standards established and promulgated under the Federal Occupational Safety and Health Law (Public Law 91-596) and the Texas Hazard Communication Act, Chapter 502, Health and Safety Code, and all related regulations in effect or proposed as of the date of this RFP.

2.11 Proposer will and has disclosed, as part of its proposal, any exceptions to the certifications stated in this Execution of Offer. All such disclosures will be subject to administrative review and approval prior to the time University makes an award or enters into any contract or agreement with Proposer.

2.12 If Proposer will sell or lease computer equipment to the University under any agreements or other contractual arrangements that may result from the submission of Proposer’s proposal then, pursuant to Section 361.965(c), Health & Safety Code, Proposer certifies that it is in compliance with the Manufacturer Responsibility and Consumer Convenience Computer Equipment Collection and Recovery Act set forth in Chapter 361, Subchapter Y, Health & Safety Code and the rules adopted by the Texas Commission on Environmental Quality under that Act as set forth in Title 30, Chapter 328, Subchapter I, Texas Administrative Code. Section 361.952(2), Health & Safety Code, states that, for purposes of the Manufacturer Responsibility and Consumer Convenience Computer Equipment Collection and Recovery Act, the term "computer equipment" means a desktop or notebook computer and includes a computer monitor or other display device that does not contain a tuner.

2.13 Proposer should complete the following information:

If Proposer is a Corporation, then State of Incorporation: ______________________

If Proposer is a Corporation then Proposer’s Corporate Charter Number: ______

RFP No.: BDV/08262016
NOTICE: WITH FEW EXCEPTIONS, INDIVIDUALS ARE ENTITLED ON REQUEST TO BE INFORMED ABOUT THE INFORMATION THAT GOVERNMENTAL BODIES OF THE STATE OF TEXAS COLLECT ABOUT SUCH INDIVIDUALS. UNDER SECTIONS 552.021 AND 552.023, GOVERNMENT CODE, INDIVIDUALS ARE ENTITLED TO RECEIVE AND REVIEW SUCH INFORMATION. UNDER SECTION 559.004, GOVERNMENT CODE, INDIVIDUALS ARE ENTITLED TO HAVE GOVERNMENTAL BODIES OF THE STATE OF TEXAS CORRECT INFORMATION ABOUT SUCH INDIVIDUALS THAT IS INCORRECT.

Submitted and Certified By:

(Proposer Institution’s Name)

(Signature of Duly Authorized Representative)

(Printed Name/Title)

(Proposer’s Street Address)

(City, State, Zip Code)

(Telephone Number)

(FAX Number)
SECTION 3

PROPOSER'S GENERAL QUESTIONNAIRE

NOTICE:  WITH FEW EXCEPTIONS, INDIVIDUALS ARE ENTITLED ON REQUEST TO BE INFORMED ABOUT THE INFORMATION THAT GOVERNMENTAL BODIES OF THE STATE OF TEXAS COLLECT ABOUT SUCH INDIVIDUALS. UNDER SECTIONS 552.021 AND 552.023, GOVERNMENT CODE, INDIVIDUALS ARE ENTITLED TO RECEIVE AND REVIEW SUCH INFORMATION. UNDER SECTION 559.004, GOVERNMENT CODE, INDIVIDUALS ARE ENTITLED TO HAVE GOVERNMENTAL BODIES OF THE STATE OF TEXAS CORRECT INFORMATION ABOUT SUCH INDIVIDUALS THAT IS INCORRECT.

Proposals must include responses to the questions contained in this Proposer’s General Questionnaire. Proposer should reference the item number and repeat the question in its response. In cases where a question does not apply or if unable to respond, Proposer should refer to the item number, repeat the question, and indicate N/A (Not Applicable) or N/R (No Response), as appropriate. Proposer will explain the reason when responding N/A or N/R.

3.1 Proposer Profile

3.1.1 Legal name of Proposer company:

Address of principal place of business:

Address of office that would be providing service under the Agreement:

Number of years in Business: ______________________________

State of incorporation: ________________

Number of Employees: ______________________________

Annual Revenues Volume: ______________________________

Name of Parent Corporation, if any ______________________________

NOTE: If Proposer is a subsidiary, University prefers to enter into a contract or agreement with the Parent Corporation or to receive assurances of performance from the Parent Corporation.

3.1.2 State whether Proposer will provide a copy of its financial statements for the past two (2) years, if requested by University.

3.1.3 Proposer will provide a financial rating of the Proposer entity and any related documentation (such as a Dunn and Bradstreet analysis) that indicates the financial stability of Proposer.

3.1.4 Is Proposer currently for sale or involved in any transaction to expand or to become acquired by another business entity? If yes, Proposer will explain the expected impact, both in organizational and directional terms.

3.1.5 Proposer will provide any details of all past or pending litigation or claims filed against Proposer that would affect its performance under the Agreement with University (if any).

3.1.6 Is Proposer currently in default on any loan agreement or financing agreement with any bank, financial institution, or other entity? If yes, Proposer will specify the pertinent date(s), details, circumstances, and describe the current prospects for resolution.

3.1.7 Proposer will provide a customer reference list of no less than three (3) organizations with which Proposer currently has contracts and/or to which Proposer has previously provided services (within the past five (5) years) of a type and scope similar to those required by University’s RFP. Proposer will include in its customer reference list the customer’s company name, contact person, telephone number, project description, length of business relationship, and background of services provided by Proposer.
3.1.8 Does any relationship exist (whether by family kinship, business association, capital funding agreement, or any other such relationship) between Proposer and any employee of University? If yes, Proposer will explain.

3.1.9 Proposer will provide the name and Social Security Number for each person having at least 25% ownership interest in Proposer. This disclosure is mandatory pursuant to Section 231.006, Family Code, and will be used for the purpose of determining whether an owner of Proposer with an ownership interest of at least 25% is more than 30 days delinquent in paying child support. Further disclosure of this information is governed by the Texas Public Information Act, Chapter 552, Government Code, and other applicable law.

3.2 Approach to Project Services

3.2.1 Proposer will provide a statement of the Proposer’s service approach and will describe any unique benefits to University from doing business with Proposer. Proposer will briefly describe its approach for each of the required services identified in Section 5.4 Scope of Work of this RFP.

3.2.2 Proposer will provide an estimate of the earliest starting date for services following execution of the Agreement.

3.2.3 Proposer will submit a work plan with key dates and milestones. The work plan should include:

- **3.2.3.1** Identification of tasks to be performed;
- **3.2.3.2** Time frames to perform the identified tasks;
- **3.2.3.3** Project management methodology;
- **3.2.3.4** Implementation strategy; and
- **3.2.3.5** The expected time frame in which the services would be implemented.

3.2.4 Proposer will describe the types of reports or other written documents Proposer will provide (if any) and the frequency of reporting, if more frequent than required in the RFP. Proposer will include samples of reports and documents if appropriate.

3.3 General Requirements

3.3.1 Proposer will provide summary resumes for its proposed key personnel who will be providing services under the Agreement with University, including their specific experiences with similar service projects, and number of years of employment with Proposer.

3.3.2 Proposer will describe any difficulties it anticipates in performing its duties under the Agreement with University and how Proposer plans to manage these difficulties. Proposer will describe the assistance it will require from University.

3.4 Service Support

Proposer will describe its service support philosophy, how it is implemented, and how Proposer measures its success in maintaining this philosophy.

3.5 Quality Assurance

Proposer will describe its quality assurance program, its quality requirements, and how they are measured.

3.6 Miscellaneous

3.6.1 Proposer will provide a list of any additional services or benefits not otherwise identified in this RFP that Proposer would propose to provide to University. Additional services or benefits must be directly related to the goods and services solicited under this RFP.

3.6.2 Proposer will provide details describing any unique or special services or benefits offered or advantages to be gained by University from doing business with Proposer. Additional services or benefits must be directly related to the goods and services solicited under this RFP.

3.6.3 Does Proposer have a contingency plan or disaster recovery plan in the event of a disaster? If so, then Proposer will provide a copy of the plan.
SECTION 4
ADDENDA CHECKLIST

Proposal of: ______________________________________ (Proposer Company Name)

To: The University of Texas _________________________

Ref.: Health Care Consulting Services related to Health Care Opportunities and Potential Transactions for the University of Texas System Administration

RFP No.: BDV08262016

Ladies and Gentlemen:

The undersigned Proposer hereby acknowledges receipt of the following Addenda to the captioned RFP (initial if applicable).

No. 1 _____ No. 2 _____ No. 3 _____ No. 4 _____ No. 5 _____

Respectfully submitted,

Proposer: _______________________

APPENDIX TWO

HUB SUBCONTRACTING PLAN

(Posted as a separate Addendum)
APPENDIX THREE

CAMPUS MAP

(Intentionally Left Blank)
APPENDIX FOUR

PROJECT ADDENDUM

This Addendum (the “Addendum”) is attached to and incorporated into the previously executed Non-Exclusive Services Agreement (the “Agreement”), dated effective ______________, 20___, in effect between ________________________, (the University) an agency and institution of higher education organized under the laws of the State of Texas, and ____________, a Delaware corporation (“Contractor”). This Addendum has an Addendum Effective Date (herein so called) of ____________, 20__.

By entering into this Addendum the undersigned Requesting Institution and Contractor agree to the terms and conditions set forth in the Non-Exclusive Services Agreement (“Agreement”) effective ______________. All of the terms and conditions of the Agreement are incorporated into this Addendum for all purposes. Unless otherwise specified in this Addendum, all defined terms used in this Addendum have the same meaning as assigned to those terms in the Agreement.

Project:
Subject to the terms of the Agreement, Contractor shall perform the following services:

Schedule:
Contractor will commence performance of the Project beginning on ____________, 20__, and complete the Project no later than ____________, 20__. Contractor shall deliver the Project in accordance with the following schedule of delivery dates:

[Specify each service and the corresponding delivery date.]

Project Notification:

Contractor will, upon execution of any project addendum under this Agreement, send a fully executed copy of each project addendum to the attention of the University at the following address:

__________________________________________
__________________________________________
__________________________________________
__________________________________________
__________________________________________
Fees and Reimbursable Expenses and Disbursements (note: may not exceed cap specified in Exhibit C):

The Fee Cap for this Project is equal to $

The Expense Cap for this Project is $

IN WITNESS WHEREOF, the Requesting Institution and Contractor have executed and delivered this Addendum to be effective as of the Addendum Effective Date.

Office of HUB Development

POLICY ON UTILIZATION OF HISTORICALLY UNDERUTILIZED BUSINESSES (HUBs)

Introduction

In accordance with the Texas Government Code, Sections 2161.181-182 and Title 34, Section 20.13 of the Texas Administrative Code (TAC), the Board of Regents of The University of Texas System, acting through the Office of HUB Development shall make a good faith effort to utilize Historically Underutilized Businesses (HUBs) in contracts for construction services, including professional and consulting services; and commodities contracts. The HUB Rules promulgated by the Texas Comptroller of Public Accounts (the “Texas Comptroller”), set forth in 34 TAC Sections 20.10-20.28, encourage the use of HUBs by implementing these policies through race, ethnic and gender-neutral means.

The purpose of the HUB Program is to promote full and equal business opportunities for all business in State contracting in accordance with the following goals as specified in the State of Texas Disparity Study:

- 11.2% for heavy construction other than building contracts;
- 21.1% for all building construction, including general contractors and operative builders contracts;
- 32.9% for all special trade construction contracts;
- 23.7% for professional services contracts;
- 26% for all other services contracts, and
- 21.1% for commodities contracts.

The University of Texas System shall make a good faith effort to meet or exceed the above stated goals to assist HUBs in receiving a portion of the total contract value of all contracts that UT System expects to award in a fiscal year. The University of Texas System may achieve the annual program goals by contracting directly with HUBs or indirectly through subcontracting opportunities in accordance with the Texas Government Code, chapter 2161, Subchapter F.

NOTE: The goals above are the State of Texas HUB goals. For purposes of this procurement, The University of Texas System goals listed in the Special Instructions on page 11 will apply.
SUMMARYOFREQUIREMENTS
Historically Underutilized Business (HUBs) Subcontracting Plan (HSP)

It is the policy of The University of Texas System and each of its component institutions, to promote and encourage contracting and subcontracting opportunities for Historically Underutilized Businesses (HUBs) in all contracts. Accordingly, UT System has adopted “EXHIBIT H, Policy on Utilization of Historically Underutilized Businesses”. The policy applies to all contracts with an expected value of $100,000 or more. The Board of Regents of The University of Texas System is the contracting authority.

1. In all contracts for professional services, contracting services, and/or commodities with an expected value of $100,000 or more, The University of Texas System, “UT System” or the “University” will indicate in the purchase solicitation (e.g. RFQ, RFP, or CSP) whether or not subcontracting opportunities are probable in connection with the contract. A HUB Subcontracting Plan is a required element of the architect, contractor or vendor Response to the purchase solicitation. The HUB Subcontracting Plan shall be developed and administered in accordance with the Policy. **Failure to submit a required HUB Subcontracting Plan (HSP) will result in rejection of the Response.**

2. If **subcontracting opportunities are probable** UT System will declare such probability in its invitations for bids, requests for proposals, or other purchase solicitation documents, and shall require submission of the appropriate HUB Subcontracting Plan with the Response.
   b. When **subcontracting opportunities are probable**, but the Respondent can perform such opportunities with its employees and resources, the Respondent’s HUB Subcontracting Plan shall include **Section 3 – Self Performance** [34 TAC §20.14 (d) (5) (A) (B) (C) (D)].

3. If **subcontracting opportunities are not probable** UT System will declare such probability in its invitations or bids, requests for proposals, or other purchase solicitation documents and shall require submission of the appropriate HUB Subcontracting Plan with the Response.
   a. When **subcontracting opportunities are not probable**, and the Respondent proposes to perform all the work with its employees and resources, the Respondent shall submit a HUB Subcontracting Plan that includes **Section 3 – Self Performance Justification**.
   b. When subcontracting opportunities are not probable, but the Respondent proposes to subcontract any part of the work, the Respondent shall submit a **HUB Subcontracting Plan as prescribed by the Texas Comptroller** identifying subcontractors.

4. Respondents shall follow, but are not limited to, procedures listed in the Policy when developing a HUB Subcontracting Plan.

5. **Competitive Sealed Proposals (CSP)**: Respondents shall submit a HUB Subcontracting Plan (packaged separately) twenty-four (24) hours following the Response submission date and time or as prescribed by the project manager.

6. In making a determination whether a good faith effort has been made in the development of the required HUB Subcontracting Plan, UT System shall follow the procedures listed in the Policy. If accepted by the
University, the HUB Subcontracting Plan shall become a provision of the Respondent’s contract with UT System. Revisions necessary to clarify and enhance information submitted in the original HUB subcontracting plan may be made in an effort to determine good faith effort. Any revisions after the submission of the HSP shall be approved by the HUB Coordinator.

7. Design Build (DB) and Construction Manager @ Risk (CM@R) responses: Respondents to a “design build” or “construction manager-at-risk” purchase solicitation shall include the Letter of HUB Commitment in their Response attesting that the Respondent has read and understands the Policy on Historically Underutilized Businesses (HUBs), and a HUB Subcontracting Plan for all preconstruction and construction services including a HUB Subcontracting Plan as prescribed by the Texas Comptroller specific to construction services identifying first, second and third tier subcontractors. Respondents proposing to perform Part 1 preconstruction services with their own resources and employees shall submit, as part of their HSP, the SelfPerformanceJustification.

8. DB and CM@R HUB Contract Requirements: Contractors engaged under design-build and construction manager-at-risk contracts shall submit a HUB Subcontracting Plan for all preconstruction and construction Phase Services, and, must further comply with the requirements of this Policy by developing and submitting a HUB Subcontracting Plan for each bid package issued in buying out the guaranteed maximum or lump sum price of the project. The HSP shall identify first, second and third tier subcontractors.

9. The University of Texas System shall reject any Response that does not include a fully completed HSP as required. An incomplete HUB Subcontracting Plan is considered a material failure to comply with the solicitation for proposals.

10. Changes to the HUB Subcontracting Plan: Once a Respondent’s HSP is accepted by UT System and becomes a provision of the contract between Respondent and UT System, the Respondent can only change that HSP if (a) the Respondent complies with 34 TAC Section 20.14; (b) the Respondent provides its proposed changes to UT System for review; (c) UT System (including UT System’s HUB Coordinator) approves Respondent’s proposed changes to its HSP; and (d) UT System and the Respondent amend their contract (in writing signed by authorized officials of both parties) in order to replace the contract’s existing HSP with a revised HSP containing the changes approved by UT System.

11. Expansion of Work: If, after entering into a contract with a Respondent as a result of a purchase solicitation subject to the Policy, UT System wishes to expand the scope of work that the Respondent will perform under that contract through a change order or any other contract amendment (the “additional work”), UT System will determine if the additional work contains probable subcontracting opportunities not identified in the initial purchase solicitation for that contract. If UT System determines that probable subcontracting opportunities exist for the additional work, then the Respondent must submit to UT System an amended HUB Subcontracting Plan covering those opportunities that complies with the provisions of 34 TAC Section 20.14. Such an amended HSP must be approved by UT System and the Respondent (including UT System’s HUB Coordinator) before (a) the contract may be amended by UT System and the Respondent to include the additional work and the amended HSP and (b) the Respondent performs the additional work. If a Respondent subcontracts any of the additional subcontracting opportunities identified by UT System for any additional work (i) without complying with 34 TAC Section 20.14 or (ii) before UT System and that Respondent amend their contract to include a revised HSP that authorizes such subcontracting, then the Respondent will be deemed to be in breach of its contract with UT System. As a result of such breach, UT System will be entitled to terminate its contract with the Respondent, and the Respondent will be subject to any remedial actions provided by Texas law, including those set forth in Chapter 2161, Texas Government Code, and 34 TAC Section 20.14. The University may report a Respondent’s nonperformance under a
contract between that Respondent and UT System to the Texas Comptroller in accordance with 34 TAC Sections 20.10 through 20.18.

12. A Response may state that the Respondent intends to perform all the subcontracting opportunities with its own employees and resources in accordance with the Policy. However, if such a Respondent enters into a contract with UT System as a result of such a Response but later desires to subcontract any part of the work set forth in that contract, before the Respondent subcontracts such work it must first change its HUB Subcontracting Plan in accordance with the provisions of Section 10 above.

13. The University of Texas System shall require a professional services firm, contractor or vendor to whom a contract has been awarded to report the identity and the amount paid to its subcontractors on a monthly basis using a HUB Subcontracting Plan (HSP) Prime Contractor Progress Assessment Report (PAR) as a condition for payment.

14. If the University of Texas System determines that the successful Respondent failed to implement an approved HUB Subcontracting Plan in good faith, UT System, in addition to any other remedies, may report nonperformance to the Texas Comptroller in accordance with 34 TAC Section 20.14, (g) (1) related remedies of nonperformance to professional services firms, contractor and vendor implementation of the HSP.

15. In the event of any conflict between this “Summary of Requirements” and the remainder of the HUB Policy, the remainder of the HUB Policy will control.

16. These requirements, including the attachments referred to above, may be downloaded over the internet from: http://utsystem.edu/offices/historically-underutilized-business/hub-forms. For additional information contact: The University of Texas System Office of HUB & Federal Small Business Program 201 West 6th Street, Room B.140E Austin, TX 78701 (512) 499-4530

RE: Historically Underutilized Business Plan for (Project Title): ________________________________

Project Number: __________________________

Dear,

In accordance with the requirements outlined in the specification section “HUB Participation Program,” I am pleased to forward this HUB Subcontracting Plan as an integral part of our response in connection with your invitation for Request for Proposals referencing the above project.

I have read and understand The University of Texas System Policy on Utilization of Historically Underutilized Businesses (HUBs). I also understand the State of Texas Annual Procurement Goal according to 34 Texas Administrative Code Section 20.13, and the goal as stated in the Agency Special Instructions section of the HUB Subcontracting Plan, page 11.

Select one of the following:

- 32.9% for all special trade construction contracts
- 26% for all other services contracts
- 35.25% for commodities contracts

<table>
<thead>
<tr>
<th>Subcontractors</th>

I understand the above HUB percentages must represent Texas Comptroller HUB certification standards. For each of the listed HUB firms, I have attached a Texas Comptroller HUB Certification document.

Should we discover additional subcontractors claiming Historically Underutilized Business status during the course of this contract we will notify you of the same. In addition, if for some reason a HUB is unable to fulfill its contract with us, we will notify you immediately in order to take the appropriate steps to amend this contractual obligation.

Sincerely,

Project Executive

RE: Historically Underutilized Business Plan for (Project Title): ____________________________

Project Number: ____________________________

Dear:

In accordance with the requirements outlined in the specification section “HUB Participation Program”, I am pleased to forward this HUB Subcontracting Plan as an integral part of our proposal in connection with your invitation for request for proposals, referencing Project Number ____________________.

I have read and understand The University of Texas System Policy on Utilization of Historically Underutilized Businesses (HUBs).  

Good Faith Effort will be documented by a two part HUB Subcontracting Plan (HSP) process. Part one (1) of the HSP submission will reflect self-performance with the appropriate sections completed per the instructions in Option One of the HSP Quick Checklist located on page 10 of The University of Texas Exhibit H Policy on Utilization of Historically Underutilized Businesses (HUBs).  

As the scope of work/project is defined under this ID/IQ contract, part two (2) of the process will require a revised HUB Subcontracting Plan (HSP) and the Good Faith Effort will be documented per instructions in Attachment B (page 16-17) and Option Three of the HSP Quick Check List. The revised HUB Subcontracting Plan will be submitted to the HUB Coordinator prior to execution of each contract process. Documentation of subcontracted work will be provided with each pay request.

Sincerely,

Project Executive

cc: Project Manager
HUB Subcontracting Plan (HSP) Quick Checklist

While this HSP Quick Checklist is being provided to merely assist you in readily identifying the sections of the HSP form that you will need to complete, it is very important that you adhere to the instructions in the HSP form and instructions provided by the contracting agency.

**Option One:** If you will be awarding all of the subcontracting work you have to offer under the contract to only Texas certified HUB vendors, complete:
- Section 1 - Respondent and Requisition Information
- Section 2a. - Yes, I will be subcontracting portions of the contract.
- Section 2b. - List all the portions of work you will subcontract, and indicate the percentage of the contract you expect to award to Texas certified HUB vendors.
- Section 2c. - Yes
- Section 4 - Affirmation
- GFE Method A (Attachment A) - Complete an Attachment A for each of the subcontracting opportunities you listed in Section 2b.
- Letter of Transmittal

**Option Two:** If you will be subcontracting any portion of the contract to Texas certified HUB vendors and Non-HUB vendors, and the aggregate percentage of all the subcontracting work you will be awarding to the Texas certified HUB vendors with which you do not have a **“continuous contract”** in place for more than five (5) years **meets or exceeds** the HUB Goal the contracting agency identified in the “Agency Special Instructions/Additional requirements”, complete:
- Section 1 - Respondent and Requisition Information
- Section 2a. - Yes, I will be subcontracting portions of the contract.
- Section 2b. - List all the portions of work you will subcontract, and indicate the percentage of the contract you expect to award to Texas certified HUB vendors and Non-HUB vendors.
- Section 2c. - No
- Section 2d. - Yes
- Section 4 - Affirmation
- GFE Method A (Attachment A) - Complete an Attachment A for each of the subcontracting opportunities you listed in Section 2b.
- Letter of Transmittal

**Option Three:** If you will be subcontracting any portion of the contract to Texas certified HUB vendors and Non-HUB vendors or only to Non-HUB vendors, and the aggregate percentage of all the subcontracting work you will be awarding to the Texas certified HUB vendors with which you do not have a **“continuous contract”** in place for more than five (5) years **does not meet or exceed** the HUB Goal the contracting agency identified in the “Agency Special Instructions/Additional Requirements”, complete:
- Section 1 - Respondent and Requisition Information
- Section 2a. - Yes, I will be subcontracting portions of the contract.
- Section 2b. - List all the portions of work you will subcontract, and indicate the percentage of the contract you expect to award to Texas certified HUB vendors and Non-HUB vendors.
- Section 2c. - No
- Section 2d. - No
- Section 4 - Affirmation
- GFE Method B (Attachment B) - Complete an Attachment B for each of the subcontracting opportunities you listed in Section 2b.
- Letter of Transmittal

**Option Four:** If you will not be subcontracting any portion of the contract and will be fulfilling the entire contract with your own resources (i.e., employees, supplies, materials and/or equipment, including transportation and delivery), complete:
- Section 1 - Respondent and Requisition Information
- Section 2a. - No, I will not be subcontracting any portion of the contract, and I will be fulfilling the entire contract with my own resources.
- Section 3 - Self Performing Justification
- Section 4 - Affirmation
- Letter of HUB Commitment

*Continuous Contract: Any existing written agreement (including any renewals that are exercised) between a prime contractor and a HUB vendor, where the HUB vendor provides the prime contractor with goods or service, to include transportation and delivery under the same contract for a specified period of time. The frequency the HUB vendor is utilized or paid during the term of the contract is not relevant to whether the contract is considered continuous. Two or more contracts that run concurrently or overlap one another for different periods of time are considered by CPA to be individual contracts rather than renewals or extensions to the original contract. In such situations the prime contractor and HUB vendor are entering (have entered) into “new” contracts.*
HUB Subcontracting Plan (HSP)

In accordance with Texas Gov’t Code §2161.252, the contracting agency has determined that subcontracting opportunities are probable under this contract. Therefore, all respondents, including State of Texas certified Historically Underutilized Businesses (HUBs) must complete and submit this State of Texas HUB Subcontracting Plan (HSP) with their response to the bid requisition (solicitation).

NOTE: Responses that do not include a completed HSP shall be rejected pursuant to Texas Gov’t Code §2161.252(b).

The HUB Program promotes equal business opportunities for economically disadvantaged persons to contract with the State of Texas in accordance with the goals specified in the 2009 State of Texas Disparity Study. The statewide HUB goals defined in 34 Texas Administrative Code (TAC) §20.13 are:

- 11.2 percent for heavy construction other than building contracts,
- 21.1 percent for all building construction, including general contractors and operative builders’ contracts,
- 32.9 percent for all special trade construction contracts,
- 23.7 percent for professional services contracts,
- 26.0 percent for all other services contracts, and
- 21.1 percent for commodities contracts.

--- Agency Special Instructions/Additional Requirements ---

In accordance with 34 TAC §20.14(d)(1)(D)(iii), a respondent (prime contractor) may demonstrate good faith effort to utilize Texas certified HUBs for its subcontracting opportunities if the total value of the respondent’s subcontracts with Texas certified HUBs meets or exceeds the statewide HUB goal or the agency specific HUB goal, whichever is higher. When a respondent uses this method to demonstrate good faith effort, the respondent must identify the HUBs with which it will subcontract. If using existing contracts with Texas certified HUBs to satisfy this requirement, only the aggregate percentage of the contracts expected to be subcontracted to HUBs with which the respondent does not have a continuous contract in place for more than five (5) years shall qualify for meeting the HUB goal. This limitation is designed to encourage vendor rotation as recommended by the 2009 Texas Disparity Study.

Other Services HUB Goal – 26%
Commodities HUB Goal – 35.25%
Special Trades HUB Goal – 32.9%

- Responses for Special Trades Construction shall submit a HUB Subcontracting Plan (HSP) that meets the Good Faith Effort prescribed in Method B (Attachment B). See instruction for Option Three on the HSP Quick Check List. No other Good Faith Effort method will be accepted.
- Responses for Miscellaneous Services Agreements for indefinite duration/indefinite quantity- Two (2) part process:
  1. Submit a Letter of HUB Commitment (page 9) and a Good Faith Effort described in Option Four.
  2. Submit a revised HSP prior to execution of each contract process as described in Option Three of Quick Check List.
- Respondents shall submit a completed HUB Subcontracting Plan (HSP) to be considered responsive. Failure to submit a completed HSP shall result in the bid, proposal or other expression of interest to be considered Non-responsive.
- Respondents who intend to Self-Perform all of their work shall submit an HSP for Self-Performance HUB Subcontracting Plan (HSP) as described in Option Four.
- Prime Contractor Progress Assessment Report (PAR) shall be submitted with each request for payment as a condition of payment.

SECTION-1 RESPONDENT AND REQUISITION INFORMATION

a. Respondent (Company) Name: ______________________ State of Texas VID #: __________
   Point of Contact: ______________________ Phone #: __________
   E-mail Address: ______________________ Fax #: __________

b. Is your company a State of Texas certified HUB?  [ ] Yes  [ ] No

c. Requisition #: ______________________ Bid Open Date: __________ (mm/dd/yyyy)
After dividing the contract work into reasonable lots or portions to the extent consistent with prudent industry practices, and taking into consideration the scope of work to be performed under the proposed contract, including all potential subcontracting opportunities, the respondent must determine what portions of work, including contracted staffing, goods, services, transportation and delivery will be subcontracted. Note: In accordance with 34 TAC §20.11, a “Subcontractor” means a person who contracts with a prime contractor to work, to supply commodities, or to contribute toward completing work for a governmental entity.

a. Check the appropriate box (Yes or No) that identifies your subcontracting intentions:

- Yes, I will be subcontracting portions of the contract. (If Yes, complete Item b of this SECTION and continue to Item c of this SECTION.)
- No, I will not be subcontracting any portion of the contract, and I will be fulfilling the entire contract with my own resources, including employees, goods, services, transportation and delivery. (If No, continue to SECTION 3 and SECTION 4.)

b. List all the portions of work (subcontracting opportunities) you will subcontract. Also, based on the total value of the contract, identify the percentages of the contract you expect to award to Texas certified HUBs, and the percentage of the contract you expect to award to vendors that are not a Texas certified HUB (i.e., Non-HUB).

Aggregate percentages of the contract expected to be subcontracted: % % %

*Continuous Contract: Any existing written agreement (including any renewals that are exercised) between a prime contractor and a HUB vendor, where the HUB vendor provides the prime contractor with goods or service, to include transportation and delivery under the same contract for a specified period of time. The frequency the HUB vendor is utilized or paid during the term of the contract is not relevant to whether the contract is considered continuous. Two or more contracts that run concurrently or overlap one another for different periods of time are considered by CPA to be individual contracts rather than renewals or extensions to the original contract. In such situations the prime contractor and HUB vendor are entering (have entered) into “new” contracts.
SECTION 3: SELF PERFORMING JUSTIFICATION  
(If you responded “No” to SECTION 2, Item a, you must complete this SECTION and continue to SECTION 4.)

If you responded “No” to SECTION 2, Item a, in the space provided below explain how your company will perform the entire contract with its own employees, supplies, materials and/or equipment, to include transportation and delivery.

---

SECTION 4: AFFIRMATION

As evidenced by my signature below, I affirm that I am an authorized representative of the respondent listed in SECTION 1, and that the information and supporting documentation submitted with the HSP is true and correct. Respondent understands and agrees that, if awarded any portion of the requisition:

- The respondent will provide notice as soon as practical to all the subcontractors (HUBs and Non-HUBs) of their selection as a subcontractor for the awarded contract. The notice must specify at a minimum the contracting agency’s name and its point of contact for the contract, the contract award number, the subcontracting opportunity they (the subcontractor) will perform, the approximate dollar value of the subcontracting opportunity and the expected percentage of the total contract that the subcontracting opportunity represents. A copy of the notice required by this section must also be provided to the contracting agency’s point of contact for the contract no later than ten (10) working days after the contract is awarded.

- The respondent must submit monthly compliance reports (Prime Contractor Progress Assessment Report – PAR) to the contracting agency, verifying its compliance with the HSP, including the use of and expenditures made to its subcontractors (HUBs and Non-HUBs). (The PAR is available at http://www.window.state.tx.us/procurement/programhub/hub-forms/progressassessmentreport.xls).

- The respondent must seek approval from the contracting agency prior to making any modifications to its HSP, including the hiring of additional or different subcontractors and the termination of a subcontractor the respondent identified in its HSP. If the HSP is modified without the contracting agency’s prior approval, respondent may be subject to any and all enforcement remedies available under the contract or otherwise available by law, up to and including debarment from all state contracting.

- The respondent must, upon request, allow the contracting agency to perform on-site reviews of the company’s headquarters and/or work-site where services are being performed and must provide documentation regarding staffing and other resources.

---

Reminder:

- If you responded “Yes” to SECTION 2, Items c or d, you must complete an “HSP Good Faith Effort - Method A (Attachment A)” for each of the subcontracting opportunities you listed in SECTION 2, Item b.

- If you responded “No” SECTION 2, Items c and d, you must complete an “HSP Good Faith Effort - Method B (Attachment B)” for each of the subcontracting opportunities you listed in SECTION 2, Item b.
**HSP Good Faith Effort - Method A (Attachment A)**

Enter your company’s name here: ___________________________  Requisition #: ________________

**IMPORTANT:** If you responded “Yes” to **SECTION 2, Items c or d** of the completed HSP form, you must submit a completed “HSP Good Faith Effort - Method A (Attachment A)” for **each** of the subcontracting opportunities you listed in **SECTION 2, Item b** of the completed HSP form. You may photo-copy this page or download the form at [http://window.state.tx.us/procurement/prog/hub/hub-forms/hub-sbcont-plan-gfe-achm-a.pdf](http://window.state.tx.us/procurement/prog/hub/hub-forms/hub-sbcont-plan-gfe-achm-a.pdf)

**SECTION A-1: SUBCONTRACTING OPPORTUNITY**

Enter the item number and description of the subcontracting opportunity you listed in **SECTION 2, Item b, of the completed HSP form for which you are completing the attachment.**

**Item Number:** __________  **Description:**

**SECTION A-2: SUBCONTRACTOR SELECTION**

List the subcontractor(s) you selected to perform the subcontracting opportunity you listed above in **SECTION A-1.** Also identify whether they are a Texas certified HUB and their Texas Vendor Identification (VID) Number or federal Employer Identification Number (EIN), the approximate dollar value of the work to be subcontracted, and the expected percentage of work to be subcontracted. When searching for Texas certified HUBs and verifying their HUB status, ensure that you use the State of Texas’ Centralized Master Bidders List (CMBL) - Historically Underutilized Business (HUB) Directory Search located at [http://mycpa.cpa.state.tx.us/tpasscmblsearch/index.jsp](http://mycpa.cpa.state.tx.us/tpasscmblsearch/index.jsp). HUB status code “A” signifies that the company is a Texas certified HUB.

**REMEMINDER:** As specified in **SECTION 4 of the completed HSP form,** if you (respondent) are awarded any portion of the requisition, you are required to provide notice as soon as practical to **all** the subcontractors (HUBs and Non-HUBs) of their selection as a subcontractor. The notice must specify at a minimum the contracting agency’s name and its point of contact for the contract, the contract award number, the subcontracting opportunity they (the subcontractor) will perform, the approximate dollar value of the subcontracting opportunity and the expected percentage of the total contract that the subcontracting opportunity represents. A copy of the notice required by this section must also be provided to the contracting agency’s point of contact for the contract no later than ten (10) working days after the contract is awarded.

Page 1 of 1
(Attachment A)
HSP Good Faith Effort - Method B (Attachment B)

IMPORTANT: If you responded “No” to SECTION 2, Items c and d of the completed HSP form, you must submit a completed “HSP Good Faith Effort - Method B (Attachment B)” for each of the subcontracting opportunities you listed in SECTION 2, Item b of the completed HSP form. You may photo-copy this page or download the form at http://window.state.tx.us/procurement/prog/hub/forms/hub-sbcont-plan-gfe-achm-b.pdf.

SECTION B-1: SUBCONTRACTING OPPORTUNITY

Enter the item number and description of the subcontracting opportunity you listed in SECTION 2, Item b, of the completed HSP form for which you are completing the attachment.

Item Number: __________ Description: __________

SECTION B 2: MENTOR PROTÉGÉ PROGRAM

If respondent is participating as a Mentor in a State of Texas Mentor Protégé Program, submitting its Protégé (Protégé must be a State of Texas certified HUB) as a subcontractor to perform the subcontracting opportunity listed in SECTION B-1, constitutes a good faith effort to subcontract with a Texas certified HUB towards that specific portion of work.

Check the appropriate box (Yes or No) that indicates whether you will be subcontracting the portion of work you listed in SECTION B-1 to your Protégé.

☐ - Yes (If Yes, continue to SECTION B-4.)
☐ - No / Not Applicable (If No or Not Applicable, continue to SECTION B-3 and SECTION B-4.)

SECTION B 3: NOTIFICATION OF SUBCONTRACTING OPPORTUNITY

When completing this section you MUST comply with items a, b, c and d, thereby demonstrating your Good Faith Effort of having notified Texas certified HUBs and trade organizations or development centers about the subcontracting opportunity you listed in SECTION B-1. Your notice should include the scope of work, information regarding the location to review plans and specifications, bonding and insurance requirements, required qualifications, and identify a contact person.

When sending notice of your subcontracting opportunity, you are encouraged to use the attached HUB Subcontracting Opportunity Notice form, which is also available online at http://www.window.state.tx.us/procurement/prog/hub/subcontracting-plan.

Retain supporting documentation (i.e., certified letter, fax, e-mail) demonstrating evidence of your good faith effort to notify the Texas certified HUBs and trade organizations or development centers. Also, be mindful that a working day is considered a normal business day of a state agency, not including weekends, federal or state holidays, or days the agency is declared closed by its executive officer. The initial day the subcontracting opportunity notice is sent/provided to the HUBs and to the trade organizations or development centers is considered to be “day zero” and does not count as one of the seven (7) working days.

a. Provide written notification of the subcontracting opportunity you listed in SECTION B-1, to three (3) or more Texas certified HUBs. Unless the contracting agency specified a different time period, you must allow the HUBs at least seven (7) working days to respond to the notice prior to you submitting your bid response to the contracting agency. When searching for Texas certified HUBs and verifying their HUB status, ensure that you use the State of Texas’ Centralized Master Bidders List (CMBL) - Historically Underutilized Business (HUB) Directory Search located at http://mycpa.cpa.state.tx.us/passcmblsearch/index.jsp. HUB status code “A” signifies that the company is a Texas certified HUB.

b. List the three (3) Texas certified HUBs you notified regarding the subcontracting opportunity you listed in SECTION B-1. Include the company’s Texas Vendor Identification (VID) Number, the date you sent notice to that company, and indicate whether it was responsive or non-responsive to your subcontracting opportunity notice.

c. Provide written notification of the subcontracting opportunity you listed in SECTION B-1 to two (2) or more trade organizations or development centers in Texas to assist in identifying potential HUBs by disseminating the subcontracting opportunity to their members/participants. Unless the contracting agency specified a different time period, you must provide your subcontracting opportunity notice to trade organizations or development centers at least seven (7) working days prior to submitting your bid response to the contracting agency. A list of trade organizations and development centers that have expressed an interest in receiving notices of subcontracting opportunities is available on the Statewide HUB Program’s webpage at http://www.window.state.tx.us/procurement/prog/hub/mwb-links-1/.

d. List two (2) trade organizations or development centers you notified regarding the subcontracting opportunity you listed in SECTION B-1. Include the date when you sent notice to it and indicate if it accepted or rejected your notice.

**c.** If any of the subcontractors you have selected to perform the subcontracting opportunity you listed in **SECTION B-1** is **not** a Texas certified HUB, provide written justification for your selection process (attach additional page if necessary):

**REMINDE R:** As specified in **SECTION 4** of the completed HSP form, if you (respondent) are awarded any portion of the requisition, you are required to provide notice as soon as practical to all the subcontractors (HUBs and Non-HUBs) of their selection as a subcontractor. The notice must specify at a minimum the contracting agency’s name and its point of contact for the contract, the contract award number, the subcontracting opportunity it (the subcontractor) will perform, the approximate dollar value of the subcontracting opportunity and the expected percentage of the total contract that the subcontracting opportunity represents. A copy of the notice required by this section must also be provided to the contracting agency’s point of contact for the contract no later than ten (10) working days after the contract is awarded.
In accordance with Texas Gov’t Code, Chapter 2161, each state agency that considers entering into a contract with an expected value of $100,000 or more shall, before the agency solicits bids, proposals, offers, or other applicable expressions of interest, determine whether subcontracting opportunities are probable under the contract. The state agency I have identified below in Section B has determined that subcontracting opportunities are probable under the requisition to which my company will be responding.

34 Texas Administrative Code, §20.14 requires all respondents (prime contractors) bidding on the contract to provide notice of each of their subcontracting opportunities to at least three (3) Texas certified HUBs (who work within the respective industry applicable to the subcontracting opportunity), and allow the HUBs at least seven (7) working days to respond to the notice prior to the respondent submitting its bid response to the contracting agency. In addition, at least seven (7) working days prior to submitting its bid response to the contracting agency, the respondent must provide notice of each of its subcontracting opportunities to two (2) or more trade organizations or development centers (in Texas) that serves members of groups (i.e., Asian Pacific American, Black American, Hispanic American, Native American, Woman, Service Disabled Veteran) identified in Texas Administrative Code, §20.11(19)(C).

We respectfully request that vendors interested in bidding on the subcontracting opportunity scope of work identified in Section C, Item 2, reply no later than the date and time identified in Section C, Item 1. Submit your response to the point-of-contact referenced in Section A.

SECTION: A  PRIME CONTRACTOR’S INFORMATION

| Company | Name: ____________________________ | State of Texas VID #: ____________________________ |
| Point-of-Contact: ____________________________ | Phone #: ____________________________ |
| E-mail Address: ____________________________ | Fax #: ____________________________ |

SECTION: B  CONTRACTING STATE AGENCY AND REQUISITION INFORMATION

| Agency Name: ____________________________ | Phone #: ____________________________ |
| Point-of-Contact: ____________________________ | Bid Open Date: ____________________________ |
| Requisition #: ____________________________ | (mm/dd/yyyy) |

SECTION: C  SUBCONTRACTING OPPORTUNITY RESPONSE DUE DATE, DESCRIPTION, REQUIREMENTS AND RELATED INFORMATION

1. Potential Subcontractor’s Bid Response Due Date:

   If you would like for our company to consider your company’s bid for the subcontracting opportunity identified below in Item 2, we must receive your bid response no later than ____________________________ on ____________________________.
   
   Central Time Date (mm/dd/yyyy)

   In accordance with 34 TAC §20.14, each notice of subcontracting opportunity shall be provided to at least three (3) Texas certified HUBs, and allow the HUBs at least seven (7) working days to respond to the notice prior to submitting our bid response to the contracting agency. In addition, at least seven (7) working days prior to us submitting our bid response to the contracting agency, we must provide notice of each of our subcontracting opportunities to two (2) or more trade organizations or development centers (in Texas) that serves members of groups (i.e., Asian Pacific American, Black American, Hispanic American, Native American, Woman, Service Disabled Veteran) identified in Texas Administrative Code, §20.11(19)(C).

   (A working day is considered a normal business day of a state agency, not including weekends, federal or state holidays, or days the agency is declared closed by its executive officer. The initial day the subcontracting opportunity notice is sent/provided to the HUBs and to the trade organizations or development centers is considered to be “day zero” and does not count as one of the seven (7) working days.)

ADDENDUM 2

DATE: August 18, 2016
PROJECT: Health Care Consulting Services - 2016
RFP NO: BDV08262016
OWNER: The University of Texas System Administration
TO: Prospective Bidders

This Addendum forms part of Contract Documents and modifies Bid Documents dated July 29, 2016 with amendments and additions noted below.

Note: The purpose of this RFP is to prequalify one or more Proposers for future assignments, which will be contracted for separately. It is understood that some Proposers may only be qualified to perform a subset of the services included in the scope of this RFP. In that case, the Proposer will only be considered for future assignments that are consistent with the Proposer's qualifications.

Questions and Answers:

1. With reference to Section 5.3.1 of the RFP, please describe the proposer’s requirement to provide “health care advising and consulting services relating to health care opportunities and potential transactions including assistance to identify potential value adding transactions.” What requirements, other than valuation analyses, are intended to be included as part of this item?

In addition to having the ability to effectively analyze and assess opportunities identified by the System, the successful proposer(s) is expected to be able to understand the System’s core health strategies and to be able to bring value-adding ideas to the System for consideration.

2. With reference to Section 5.3.1 of the RFP, please describe the proposer’s requirement to provide “health care advising and consulting services relating to health care opportunities and potential transactions including assistance in negotiation of health care transactions.” What requirements, other than valuation and scenario analyses, are intended to be included as part of this item?

The successful proposer(s) will have a proven experience working with clients in a supporting role on successful strategies to consummate value-adding transactions.

3. With reference to Section 5.3.1 of the RFP, please describe the proposer’s requirement to provide “health care advising and consulting services relating to health care opportunities and potential transactions including assistance in the structuring of transactions with appropriate risk parameters.” What requirements, other than valuation and scenario analyses, are intended to be included as part of this item?
The successful proposer(s) will have a proven experience working with clients in a supporting role on successful structuring of transactions, including the identification of risks and mitigating strategies.

4. With reference to Section 5.3.1 of the RFP, please describe the proposer’s requirement to provide “health care advising and consulting services relating to health care opportunities and potential transactions including assistance in the start-up phases of health care opportunities, business lines, partnership opportunities, and other transactions.” What requirements, other than valuations of start-ups and scenario analyses, are intended to be included as part of this item?

   The successful proposer(s) will be expected to have the proven ability to assist with the structuring of start-up phases of health care opportunities, business lines, partnership opportunities, and other transactions.

5. With reference to Section 5.3.1 of the RFP, please describe the proposer’s requirement to provide “health care advising and consulting services relating to health care opportunities and potential transactions including assistance in the adaptation and modification of health care delivery systems including shifts from fee-for-service reimbursement to value-based clinical models.” What requirements, other than fair market value of compensation and other hospital-physician agreements, are intended to be included as part of this item?

   The successful proposer(s) will demonstrate an understanding of the current market dynamics affecting health care and be able to apply that understanding to the University’s health care assets and opportunities, resulting in value-adding transactions.

6. With reference to Section 5.3.1 of the RFP, please describe the proposer’s requirement to provide “health care advising and consulting services relating to health care opportunities and potential transactions including assistance in understanding and recommending changes to complex governance structures to afford academic medical centers nimble governance and equip institutions to thrive in competitive environments.” Can you please provide additional information on the requirements pertaining to this item?

   The successful proposer(s) will demonstrate an understanding of the current market dynamics affecting health care, particularly as it relates to new models of governance for academic medical centers and be able to apply that understanding to the University’s health care assets and opportunities, resulting in value-adding transactions.

7. With reference to Section 5.3.1 of the RFP, please describe the proposer’s requirement to provide “health care advising and consulting services relating to health care opportunities and potential transactions including assistance in consolidation of numerous institutions into efficient academic health care
enterprise and brand." What requirements, other than valuation and scenario analyses, are intended to be included as part of this item?

The successful proposer(s) will have the ability to assist the University in assessing opportunities to capitalize on the value and strength of the University’s academic health care assets and brand.

8. Section 5.4.1 of the RFP asks for the proposer’s preferred fee methodology including both hourly rates and a fixed fee schedule for those services that are not billed on hourly rates. Our understanding is that the requirements listed in the RFP, at this time, appear to refer to consultation services in general without references to any specific projects. If our understanding is accurate, it would appear that only hourly rates can be provided at this time, with specific dollar amounts of fees to be provided later as and when project details become available. Please confirm this understanding or provide further clarification.

Your understanding is correct. There are no current projects identified for pricing/cost purposes. Responses to 5.4.1 should clarify what pricing methodologies are preferred by the proposer(s) and to provide sufficient information for the University to determine the relative cost efficiency of the proposer(s). Actual fees for services will be negotiated with the successful proposer(s) at the time a proposer is formally engaged to work on a specific project.

9. Appendix One, Section 1.9.1 (Pricing and Delivery Schedule) states that the “Proposer should describe in detail (a) the total fees for the entire scope of the Services; and (b) the method by which the fees are calculated.” Our understanding is that the requirements listed in the RFP, at this time, appear to refer to consultation services in general without references to any specific projects. If our understanding is accurate, it would appear that only hourly rates can be provided at this time, with specific dollar amounts of fees to be provided later as and when project details become available. Please confirm this understanding or provide further clarification.

Your understanding is correct. There are no current projects identified for pricing/cost purposes. Responses to 1.9.3 in Appendix One (and Section 6 of the RFP) should clarify what pricing methodologies are preferred by the proposer(s) and state hourly rates, if applicable, and/or a fee schedule for certain types of services, if applicable. Proposer(s) must provide sufficient information for the University to determine the relative cost efficiency of the respondent(s). Actual fees for services will be negotiated with the successful proposer(s) at the time a proposer is formally engaged to work on a specific project.

10. Appendix One, Section 3.2.4 (Approach to Project Services) states that the “Proposer will describe the types of reports or other written documents Proposer will provide (if any) and the frequency of reporting, if more frequent than required in the RFP. Proposer will include samples of reports and documents if appropriate.” Our understanding is that the requirements listed in the RFP, at this time, appear to refer to consultation services in general without references to any
specific projects. If our understanding is accurate, it is not clear as to the reports/documents that will need to be provided as part of the response. Please can you provide further clarification?

Your understanding is correct. There are no current projects identified. However, it is useful for the University to understand the types and frequency of reports that would typically be provided during the course of health care related transaction/project.

11. The RFP seems to be written assuming there could only be one project lead, and sub contracts if necessary. Given the Scope of Work in Section 5.3, however, it seems better suited to have perhaps a consulting firm handle some of the tasks, and an investment bank, other tasks (e.g., Investment bank handle deal negotiation and closing, and post-closing related to consolidation handled by consultants). Is it permissible, then, for a responder to this RFP submit a proposal together with another firm?

Yes, it is permissible for two or more proposers to submit a proposal under this RFP. Also, given the wide variety of health care related projects contemplated under the scope of this RFP, it’s very possible that more than one proposer will be selected for future services under this RFP.

12. Would the UT System consider splitting up the scope of work among different firms or are you only looking for one vendor for all the services described? In reference to “assistance in negotiation of health care transactions,” what role do you envision for the vendor? Would it simply be in an advisory role (i.e. providing recommendations on strategy)?

Given the wide variety of health care related projects contemplated under the scope of this RFP, it’s very possible that more than one proposer will be selected for future services under this RFP.

13. Is the scope intended to cover services for the University of Texas System Health Administration, individual health institutions and/or possible physician/faculty services, or both?

All of the above

14. What types of activities do you envision would be required as part of the “project management” work? What types of “project management expertise” would be of most interest for the work?

The successful proposer(s) will have a proven experience advising clients on how to manage various types of projects during the acquisition or divestiture phase.

15. Per section (e) of the Scope of Work, can you provide more clarification on the type and level of “assistance” you are looking for? For example, are you looking for best practices or would you expect a vendor to develop a comprehensive implementation roadmap; e.g., governance, legal structure, financial structure, etc.?
The successful proposer(s) will have a proven experience working with clients on successful negotiation strategies to consummate value-adding transactions.

16. Per section (h) of the Scope of Work, can you provide more clarification on the type and level of “assistance” you are looking for? Does “consolidation” include potential integration across the UT system; i.e., governance structures? Would this also include assistance from a policy standpoint?

Yes, consolidation could mean integration across one or more health institutions or service delivery types. It could also include advice on new and different governance structures.

17. What is the general timeline for this scope of work? Are there any major milestones that you are working towards?

There is no timeline. Successful respondent(s) will be eligible to be selected for future projects as they arise.

18. Do you plan to award the RFP to a single Firm or multiple Firms?

Given the wide variety of health care related projects contemplated under the scope of this RFP, it’s very possible that more than one proposer will be selected for future services under this RFP.

19. In Section 1.9.3 in Appendix 1, you ask for fees associated with a project and timelines. Since there is no defined project at this time, what are your instructions for answering this?

Your understanding is correct. There are no current projects identified for pricing/cost purposes. Responses to 1.9.3 in Appendix One (and Section 6 of the RFP) should clarify what pricing methodologies are preferred by the proposer(s) and state hourly rates, if applicable, and/or a fee schedule for certain types of services, if applicable. Proposer(s) must provide sufficient information for the University to determine the relative cost efficiency of the respondent(s). Actual fees for services will be negotiated with the successful proposer(s) at the time a proposer is formally engaged to work on a specific project.

20. Is the scope of the MSA limited to external or inorganic initiatives (e.g. acquisitions or other partnerships with external third-parties to incorporate new capabilities) or does it also include internal or organic initiatives (sharing internal leading practices across institutions)?

The SOW includes both internal and external initiatives.

21. If the scope does include organic or internal initiatives, would this only include operating model related work where structures are built to adequately share internal best practices across institutions or would it also include discrete
performance improvement initiatives designed to enhance efficiencies across single or multiple UT entities?

All of the above

22. Is there a desire to incorporate system wide, or institution based innovation management or a possible innovation platform as part of this proposal, enabled through either internal or external avenues?

The University is open to new ideas.

23. Multiple questions within section 5.4 refer to 2.3.1.3 and 2.3.1.4. Where are those in the proposal?

All references to 2.3.1.1, 2.3.1.2, 2.3.1.3, 2.3.1.4, 2.3.1.5 and 2.3.1.6 in Section 5.4 of the RFP are in error. They should, in all instances, refer to Section 2.3.2 ("scored criteria) and read as to 2.3.2.1, 2.3.2.2, 2.3.2.3, 2.3.2.4, 2.3.2.5 and 2.3.2.6

24. What is your definition and expectations around a fairness opinion and the scope of what that opinion would entail? What are your definitions of and differences between "evaluation" and "valuation"?

The scope of the RFP includes the possibility of a Proposer(s) providing a legally binding fairness opinion that can be relied upon by the University. We recognize that not all Proposers will have this capability, which is fine. A less formal valuation opinion may also be solicited by University. Evaluation and Valuation are used interchangeably in the RFP.

25. What is the extent of assistance needed in "assistance in negotiation of health care transactions"? Specifically what kinds of assistance during the negotiation process are requested?

The successful proposer(s) will have a proven experience advising clients on successful negotiation strategies to consummate value-adding transactions.

26. What is the timeline for events after proposals are submitted on 8/26/16? Will there be an Orals presentation and if so, when will down-select notification take place and when will Orals take place? When do you anticipate making the award?

The UTS proposal evaluation team should be able to complete its assessment and selection of successful proposer(s) by mid-September.

27. Are academic and research components included in your definition of "health care advising and consulting services", or only clinical operations?

It's possible that elements of academic and research activities could be included as initiatives under this RFP, although most of the focus is on clinical operations.
28. Will the MSA rates be applied to all resulting SOWs, or will there be a bidding process for each SOW released under this MSA?

*Rates will be determined separately for each discrete engagement under this RFP.*

29. Do you envision workstreams that would focus on the academic and research missions within the healthcare setting, in addition to clinical care delivery?

*It’s possible that elements of academic and research activities could be included as initiatives under this RFP, although most of the focus is on clinical operations.*

30. With respect to prospective transactions of the type contemplated:

   a. How many transactions of the type described in the RFP have been evaluated and completed by the University within the past 3 years?

      *Several*

   b. What was the nature of the completed transactions?

      *Completed transactions range from the sale of small business units to the negotiation of large joint ventures, and the business analysis of new capital construction for clinical care.*

   c. Did the University retain an expert of the type sought in this RFP to advise it on any elements of these transactions?

      *No*

   d. Does the University have any expectation as to the number of transactions it will consider or pursue over the next three years?

      *Several*

   e. Does the University contemplate setting an annual budget for transactions, including fees and costs associated with the consulting activities contemplated by the RFP, or individualized budgets for each project?

      *No*

31. Who will be the designated project oversight leader(s) or relationship manager(s) from the University? Or how many?

   *Philip Aldridge, Associate Vice Chancellor for Business Development*

32. The RFP describes UT Health System medical centers and medical schools. Does the UT Health System also include:

   a. Affiliations with independent local or community hospitals to provide support for specialty care or extend the service area for tertiary or quaternary services provided by the University medical centers?

   b. Outpatient primary care clinics in communities served by the medical centers?
c. Outpatient surgical centers, including any which are joint ventures with physicians?

d. Urgent care clinics or similar non-emergency treatment facilities?

e. Subacute care facilities, skilled nursing facilities or nursing homes?

f. Specialty outpatient centers for oncology, dialysis, radiology or similar services?

g. Managed physician practices?

h. Health plans?

i. Programs for direct contracting with local employers?

All of the above are within the scope of this RFP.

33. With respect to identification of potential value adding transactions:

a. Which internal personnel from the University will be involved in directing this process and the evaluation of transactions?

   *Philip Aldridge, Associate Vice Chancellor for Business Development*

b. Will internal University personnel provide parameters for what constitutes a potential value added transaction or will the Contractor be involved in developing an appropriate approach?

   *University personnel will determine what constitutes a potential value adding transaction.*

c. Will internal University personal be expected to direct the Contractor to investigate particular opportunities?

   *A successful respondent(s) will be contacted by University personnel if a particular opportunity is identified and warrants investigation.*

d. Will the University engage other service providers—such as investment bankers, counsel or accounting professionals—in addition to the Contractor in the investigation and identification process?

   Yes

e. Will internal University personnel be directly involved in preliminary communications with potential counterparties or will the Contractor have authority to engage in such discussions?

   *A successful respondent(s) will be contacted by University personnel. There is no authority to act on behalf of the University without express permission from University personnel.*

34. With respect to assistance in the evaluation and valuation of potential transactions and healthcare opportunities:

a. Who will be the internal University personnel directing our work—such as project leaders or project teams?
b. Will protocols for such matters as status conferences, progress reports and other communications be established for each project, or does the University have guidelines?

Protocols will be established for each project.

c. Does the University have any existing templates or criteria for evaluation of transactions or opportunities which we would be expected to follow?

No

d. Are there University guidelines, criteria or limitations on prospective partners in projects—for example, will the University consider opportunities for joint ventures with for-profit organizations or non-profit religiously affiliated organizations?

There are no limitations

e. What systems will the University use for compiling and distributing data relevant to our work? Will data be available remotely, or only at University facilities?

The UT System utilizes Sharepoint for larger projects but is open to other methods of data distribution.

f. Will the Contractor be expected to use existing University databases and systems for the collection and analysis of data or will the Contractor be expected to develop databases and coordinate security and access protocols with the University?

The UT System utilizes Sharepoint for larger projects but is open to other methods of data distribution.

g. With respect to valuation opinions (other than formal fairness opinions), will the University require a full narrative report, or will a PowerPoint or similar presentation with adequate detail suffice?

The University will require sufficient supporting documentation in whatever form is appropriate for that assignment.

h. In the case of valuation work that has legal implications under federal and state anti-kickback and self-referral laws, tax exemption laws or state laws concerning public funds, will the proposed work be executed under the direction of internal or external legal counsel?

Most likely external counsel, although this will be determined on a case-by-case basis.

i. Will the Contractor's work product be shared with individuals outside of University—such as a state agency, other advisors or the public?
Not without prior permission from the Proposer(s), but much of the work done by University and its contractors is subject to open records laws.

35. **With respect to negotiation of healthcare of healthcare transactions, please describe the role you envision for the Contractor as opposed to University personnel and other individuals (such as legal counsel)? Will the experts from the Contractor be expected to be “at the table” during negotiations or providing support for others?**

   *Proposer(s) will be in a facilitation and support role only. University personnel and outside legal counsel will lead all negotiations.*

36. **With respect to structuring transactions:**
   a. Will the Contractor be expected to work with University risk management personnel and financial executives or to provide this expertise?

   *University has its own risk management personnel and financial executives.*

   b. To what extent will internal or external University counsel participate?

   *Extensively*

   c. Does the University have any preferred or legally mandated structures for acquisition transactions—e.g., purchase of assets, purchase of equity, member substitution?

   *The University is typically required to purchase assets rather than equity.*

   d. Does the University have transactional criteria with respect to governance of joint venture or partnerships with unaffiliated parties?

   *Yes*

37. **Please identify all current programs (e.g., Comprehensive Care for Joint Replacement) or entities (e.g., ACOs) in which the University currently participates for which reimbursement is value-based, bundled, or at risk for performance of services.**

   *Please refer to public documentation for this purpose.*

38. **Please describe telemedicine services provided by the UT Health System.**

   *All of the UT health institutions are currently engaged in telemedicine. Dr. Alexander Vo is leading a System-wide effort to expand telemedicine services. Please refer to publicly available information for more detail.*

39. **For purposes of advice on governance:**
   a. Please provide us with a chart of the governing bodies within the UT Health System enterprise and an organizational chart reflecting its relationship to the University administration.
The Board of Regents is the governing body for all of the University.

b. Which of these governing bodies are subject to state laws (e.g., open meetings, conflict of interest, political appointments)?

Proposer(s) should assume that all information is subject to state laws.

c. Which of these governing bodies are private (non-governmental) either for-profit or non-profit?

Proposer(s) should assume that all University entities are public for this purpose.

d. Are there any governing bodies for joint ventures between the University and non-University enterprises, whether academic, non-profit or for profit?

The Board of Regents is the governing body for all of the University.

e. Will the proposed work involve consulting with respect to the structure and governance of medical staff organizations, faculty practice plans or research organizations?

Yes, that is included within the scope of work, however it’s understood that not all Proposers will be able to provide such services.

f. Will the proposed work involve advice on IROs or similar bodies charged with oversight of biomedical research?

Yes, that is within the scope of work, however it’s understood that not all Proposers will be able to provide such services.

40. With respect to services related to consolidation of services:

a. Do you envision this will involve only institutions within the University or under the University’s control, or will there be a need for advice on enterprises that are only partially owned or controlled by the University?

It’s possible that University will seek advice on enterprises that are only partially owned or controlled by the University.

b. Describe any University-affiliated medical groups or physician organizations that are outside of faculty practice plans and may be parties to new delivery systems developed by the University or subject to potential consolidation.

This is public information.

c. Do you envision that consolidation will be driven primarily by geographical considerations or functional (e.g. line of business) considerations that are regional or statewide?

Both
d. Will the University seek advice on restructuring of academic departments or divisions within the medical schools?

While this is within the scope of work, it’s highly unlikely that this will be part of a future assignment.

41. Will the University agree to clarify the definition of “Work Material” to confirm that proprietary methods, know-how and processes of the Contractor used in the delivery of services will remain the property of the Contractor?

This will be handled in a separate engagement/contract with successful Proposer(s). No Proposer is committed to provide services to University as a result of responding to this RFP (or being selected as a pre-qualified contractor).

42. Will the University consider a standard commercial limitation of liability which provides that the remedy for claims, other than those arising from willful or intentional misconduct, will be direct compensatory damages only, in an amount not to exceed (a) three times the fees paid to the Contractor during the prior twelve months or (b) $3 million?

This will be handled in a separate engagement/contract with successful Proposer(s). No Proposer is committed to provide services to University as a result of responding to this RFP (or being selected as a pre-qualified contractor).

43. Given that the RFP does not identify any particular projects for which specific pricing can be proposed (beyond identification of projects for which fixed fees, as opposed to hourly charges, would be appropriate), what considerations will be used in evaluating pricing proposals from the Contractor?

Your understanding is correct. There are no current projects identified for pricing/cost purposes. Responses to 1.9.3 in Appendix One (and Section 6 of the RFP) should clarify what pricing methodologies are preferred by the proposer(s) and state hourly rates, if applicable, and/or a fee schedule for certain types of services, if applicable. Proposer(s) must provide sufficient information for the University to determine the relative cost efficiency of the respondent(s). Actual fees for services will be negotiated with the successful proposer(s) at the time a proposer is formally engaged to work on a specific project.

44. Ref: Section 1.1 - Does the University expect to prioritize the consulting services to support the UT System’s new initiatives (creating two new medical schools and adding clinical services at UT Austin and at UT Rio Grande Valley)?

That is within the scope of work.

45. Ref: Section 1.3 - We understand this RFP as the device to select ONE qualified vendor, who will be the recipient of any future requests for support, and not to create a framework of preferred providers that will in the future receive requests for support under this agreement. Is this understanding correct?

No, the University reserves the right to select one or more qualified vendors to provide future services.
46. **Ref: Section 1.3** - Do you anticipate issuing separate task orders for each consulting project under this procurement? E.g. different task orders for consulting support of different potential transactions?

   Yes

47. **Ref: Section 1.4** - With reference to the description below, does this mean that a provider would have to submit pricing at this stage for this RFP that is binding as an offer if any other University of Texas System institution (total 14 institutions) decides to invite the same provider to a separate procurement?

   “UT System institutions routinely evaluate whether a contract resulting from a procurement conducted by one of the institutions might be suitable for use by another…”

   Section 1.4 is required state language that is not directly relevant for the purposes of this RFP. There are no “purchase volumes” for these types of services.

48. **Ref: Section 5.3.1** - Will the University please provide the anticipated time period of performance for this work?

   There is no timeline. The RFP covers future projects over the next three years.

49. **Ref: Section 5.3.1** - Are you expecting to require support for specific periods of time, e.g. 3-6 months for a specific transaction, or are you expecting to have “on call” support for the duration of this agreement, as required?

   The length and type of support expected will be spelled out in the contract terms for discrete future engagements.

50. **Ref: Section 5.3.1** - What could be an example(s) of “healthcare opportunities and potential transactions”?

   In addition to having the ability to effectively analyze and assess opportunities identified by the System, the successful proposer(s) is expected to be able to understand the System’s core health strategies and to be able to bring value-adding ideas to the System for consideration.

51. **Ref: Section 5.3.1** - What could be an example(s) of “value adding transactions” under this clause?

   The successful proposer(s) will have a proven experience working with clients in a supporting role on successful strategies to consummate value-adding transactions.

52. **Ref: Section 5.3.1** - If a firm is able to provide distinctive negotiation support services, that include negotiation strategy and preparation, but is unable to provide negotiation representation on behalf of the University, does it preclude the firm from bidding on the “negotiation support services” scope of work area in response to this RFP?

   No
53. Ref: Section 5.3.1 - What assistance would you expect in the “start up” phases of healthcare opportunities? Can you provide examples?

University has a number of early stage initiatives in the healthcare space. Assistance could include how to best position the start-up for commercial success, governance strategies, and valuation of IP.

54. Ref: Section 5.4, no 1 -
   a. Will you accept fixed fee schedule on a daily, weekly or monthly basis for services not billed under hourly rates? Or will you only accept hourly rates and whole deliverable fixed rates?

   University will accept fixed fee schedules on any basis proposed.

   b. Given that some bidders might not utilize hourly rates as their basis of estimate, but weekly rates, would the University consider allowing bidders to propose weekly rates?

   Yes

55. Ref: Section 5.4, no 2
   a. Are services that are similar in scope, size, and complexity to the services described in the RFP which are provided to Texas-based entities given evaluation preference to those services provided to other similar institutions both nationally and internationally?

   Yes, to the extent that the Texas-based entity is applicable/comparable to University.

   b. Are any of the three areas of similarity - scope, size, or complexity, given evaluation preference over the other two when comparing to the services described in the RFP?

   No

56. Ref: Section 5.4 - Will the University please confirm/clarify the reference in this section to 2.3.1.3, 2.3.1.4, 2.3.1.5, 2.3.1.6?

   All references to 2.3.1.1, 2.3.1.2, 2.3.1.3, 2.3.1.4, 2.3.1.5 and 2.3.1.6 in Section 5.4 of the RFP are in error. They should, in all instances, refer to Section 2.3.2 (“scored criteria) and read as to 2.3.2.1, 2.3.2.2, 2.3.2.3, 2.3.2.4, 2.3.2.5 and 2.3.2.6

57. Ref: Appendix 1, page 3, 1.9.3 - Does the University have an estimated total budget for this work?

   No

58. Ref: Appendix 1, page 9, 3.2.3 - Under the request to provide a “work plan with key dates and milestones”, what deliverable is this referring to? The scope description in page 25, 5.3.1, describes different potential examples of support and each one of these could require different work plans with different key dates and milestones, as well as different tasks to be performed, timeframes for these
tasks, project management methodology, implementation strategy and timeframe for implementation.

This is a generic request not applicable to any specific deliverable.

59. Ref: Appendix 1, page 9, 3.2 -
   a. Will the University please provide additional guidance and clarification on what is the required response for 3.2 ‘Approach to Project Services’, particularly in regards to 3.2.2 and 3.2.3; does the University expect the bidder to provide detailed work plans for future work once it is issued or does the University require work plans as part of the RFP response?

   Please provide a generic work plan as an example for future projects.

   b. If the University requires detailed work plans as part of the RFP response – will the University please provide additional details around the scope of work, period of performance, and deliverables schedule?

   Not applicable

60. Ref: Appendix 1, page 9, 3.2.3 - Does the University anticipate requiring a work plan at each defined work task level, e.g., a separate work plan for each task order issued?

   No

61. Ref: Appendix 1, page 9, 3.2.3 - Can you specify what is expected under this clause, given the context above?

   Please provide a generic work plan as an example for future projects.

62. Ref: Appendix 1, page 9, 3.6.1 - Are the additional services or benefits described here included in the fee for services the Provider would be proposing under this RFP or would they be provided for additional fee?

   Additional services or benefits would be for additional fees.

63. Assuming that any transactions that are undertaken by the organization are public domain knowledge, would the consultant be required to present in front of any other bodies beyond organization leadership, such as local legislative committees for any public funds used in transactions?

   It’s highly unlikely but possible that vendor would be required to present to a local or statewide legislative committee.

64. Would the work product of the consultant be considered public domain under FOIA?

   A final work product is generally in the public domain, with certain potential exceptions spelled out in state law. Working drafts are generally not in the public domain. Please consult with legal counsel for further information.
65. Would any contemplated transactions be using any public funding?
   Yes

66. Are there any current transactions being considered?
   No

67. What experience does the management team have with executing transactions? If so, what was the outcome (positive or negative) and what parts of this process will be considered a learning exercise?

   The management team has sufficient experience to execute most transactions. However, assistance is needed for more complex transactions and/or transactions that require additional resources.

68. Will there be any need for tax advice during the process? If so please provide your expectations.
   No

69. Will there be any need for legal advice during the process? If so please provide your expectations.
   No

70. Are there any objectives that the leadership team needs to achieve over the course of this process that would require a rapid acquisition?
   Yes

71. Has UT completed a strategic plan to identify which services and geographies UT would like to expand into, or is a strategic plan expected to be included as part of our work?
   Yes

72. What types of businesses is UT considering acquiring? Does UT have existing criteria (i.e. size, financial performance, scope of services, quality of care, etc.) to identify acceptable partnerships and/or acquisitions, or are we expected to include these services in our scope of work?

   University would consider acquiring health care related assets that are consistent with the strategy of the University.

73. What time frame is UT working within for the scope of work described in Section 5.3 of the RFP?
   No specific time frame.

74. Would we be permitted to self-perform the whole project, i.e., subcontract 0% to a historically underutilized business (“HUB”)?
Yes, if your firm has the capabilities to do so. Subcontracting is not a scored criteria. Simply complete the HUB Subcontracting Plan (“HSP”) noting that you are self-performing. NOTE: Even if you are self-performing, the HSP must be completed and submitted per instructions in Section 2.5 of the RFP.

75. Given our historical relationship with UT, can we submit the general business terms (“GBTs”) that UT has already approved, or do we need to red-line the GBTs in Section 4 of the RFP?

You can submit previously approved GBTs, however that does not guarantee that such GBTs will be acceptable on future engagements, which will be separately negotiated.

76. What tools or processes does UT already have in place across the system to measure and hold leaders and physicians accountable to value-based measures or fee for service measures?

This question is not relevant to the RFP response required.

77. If we were successful at consolidating numerous institutions into an efficient academic health care enterprise and brand, what objective measures would we help UT achieve? (i.e. cost of care, patient experience, market share?)

The objective measures will be determined at the time of engagement.

78. Does UT’s previous and/or current transaction plans include a consideration or plan for evaluating the potential transaction for cultural fit and a post-transaction plan for cultural assimilation?

Yes

79. The RFP requests “assistance in the adaptation and modification of health care delivery systems including shifts from fee-for-service reimbursement to value-based clinical models”:

a. Is UT looking for assistance in evaluating the organization for its readiness to compete in value based care, including having the right providers in UT’s network?

Yes, this is within the scope of the RFP. However, University understands that not all Proposers will be able to provide such services.

b. Is UT intending the consulting company to evaluate all opportunities to reduce cost and review quality improvement strategies across the enterprise including evaluating UT’s readiness to compete in a Bundled payment environment?

Yes, this is within the scope of the RFP. However, University understands that not all Proposers will be able to provide such services.

80. In Appendix One, Section 3, item 3.2.1, this item refers to Section 5.4 Scope of Work. Please confirm that it should refer to Section 5.3, not Section 5.4.

Yes, Section 5.3.

END OF ADDENDUM 2
