INTRODUCTION

1.1 Description of UTS

UT System
The University of Texas System ("UTS") is one of the nation’s largest higher education systems with 14 institutions – including eight academic and six health institutions – and an annual operating budget of $16.9 billion (FY 2016). With student enrollment exceeding 217,000, the UT System confers more than one-third of the state’s undergraduate degrees, educates almost two-thirds of the state’s health care professionals annually and accounts for almost 70 percent of all research funds awarded to public institutions in Texas. The 14 campuses and the UT System Administration offices together employ over 90,000 faculty and staff, making the UT System one of the largest employers in the state.

The Board of Regents consists of nine regents who are appointed by the Governor of the State of Texas and confirmed by the Texas State Senate to staggered six-year terms.

The following link provides a list of all UT System institutions and their respective websites: http://www.utsystem.edu/institutions.

UTIMCO
The University of Texas Investment Management Company ("UTIMCO") is a 501(c)(3) investment management corporation whose sole purpose is the management of investment assets under the fiduciary care of the Board of Regents of the UT System. Created in March 1996, UTIMCO is the first external investment corporation formed by a public system. It invests endowment and operating funds in excess of $35.1 billion (as of November 30, 2015), including the PUF, GEF, PHF, LTF and the ITF. UTIMCO is governed by a nine-member board consisting of at least three members of the U.T. System Board of Regents, the Chancellor of the System, three independent directors with substantial background and expertise in investments appointed by the U.T. System Board of Regents, and two members appointed by the Texas A&M System Board of Regents, one of whom must have a substantial background and expertise in investments. The fiscal year end of the Funds is August 31.

All references to UTS include UT System, UTIMCO, and all institutions.

1.2 Objectives and Special Circumstances
The Board of Regents of The University of Texas System is soliciting proposals in response to this Request for Qualifications No. CON03312016 (this “RFQ”) to select a Vendor to provide financial audits, reviews, and compliance audits (the “Audit Services”) for the Fiscal Years Ending August 31, 2016 and 2017.

The Audit Services include separate reports, more specifically described in Section 5.4 (Scope of Work) of this RFQ, and are as follows:
Consolidated Financial Statement Audit:
The University of Texas System – includes UT System Administration, 14 institutions, and UTIMCO

Stand-Alone Financial Statement Audits
The University of Texas Investment Management Company Funds (6 separate funds audits)

The University of Texas at Arlington
The University of Texas at Austin
The University of Texas at Dallas
The University of Texas at El Paso
The University of Texas of the Permian Basin
The University of Texas Rio Grande Valley
The University of Texas at San Antonio
The University of Texas at Tyler
The University of Texas M. D. Anderson Cancer Center
The University of Texas Southwestern Medical Center
The University of Texas Medical Branch at Galveston
The University of Texas Health Science Center at Houston
The University of Texas Health Science Center at San Antonio
The University of Texas Health Science Center at Tyler

Reviews in compliance with requirements of the Southern Association of Colleges and Schools:
The University of Texas Health Science Center at San Antonio
The University of Texas at Arlington
The University of Texas at Dallas
Audit Services for Institutions with grants from the Cancer Prevention & Research Institute of Texas ("CPRIT")

CPRIT requires grant recipients who expend $500,000 of CPRIT grant funds or a combination of CPRIT and other state grant funds during the grant recipient’s fiscal year to have a program specific audit.

Each institution would have a separate report as follows: UT Austin, UT Dallas, UT Medical Branch, UTHSC-Houston, UTHSC-San Antonio, UT MD Anderson, UTHSC-Tyler and UT Southwestern.

1.4 Group Purchase Authority

Texas law authorizes institutions of higher education (defined by Section 61.003, Education Code) to use the group purchasing procurement method (ref. Sections 51.9335, 73.115, and 74.008, Education Code). Additional Texas institutions of higher education may therefore elect to enter into a contract with the successful Proposer under this RFQ. In particular, Proposer should note that UTS is part of The University of Texas System ("UT System"), which is comprised of eight academic and six health universities described at http://www.utsystem.edu/institutions. UT System institutions routinely evaluate whether a contract resulting from a procurement conducted by one of the institutions might be suitable for use by another, and if so, this could give rise to additional purchase volumes. As a result, in submitting its proposal in response to this RFQ, Proposer should consider proposing pricing and other commercial terms that take into account such higher volumes and other expanded opportunities that could result from the eventual inclusion of other institutions in the purchase contemplated by this RFQ.
SECTION 2

NOTICE TO PROPOSER

2.1 Submittal Deadline

UTS will accept proposals submitted in response to this RFQ until 2:00 p.m., Central Prevailing Time on Thursday, March 31, 2016 (the “Submittal Deadline”).

2.2 Submission of Questions regarding this RFQ

Proposers will direct all questions or concerns regarding this RFQ to the following UTS email address:

mailto:GRP-RFPVQ@utsystem.edu
Subject line of email: RFQ CON03312016

UTS specifically instructs all interested parties to restrict all contact and questions regarding this RFQ to written communications. All questions or concerns must be received no later than March 8, 2016. UTS will have a reasonable amount of time to respond to questions or concerns. It is UTS’ intent to respond to all appropriate questions and concerns; however, UTS reserves the right to decline to respond to any question or concern.

A Question and Answer document will be posted as an addendum to the RFQ and updated on a regular basis over the life of the RFQ. UTS highly recommends that interested proposers check the posting site frequently for these updates at http://esbd.cpa.state.tx.us/bid_show.cfm?bidid=122798

2.3 Criteria for Selection

The successful Proposer, if any, selected by UTS in accordance with the requirements and specifications set forth in this RFQ will be the Proposer that submits a proposal in response to this RFQ on or before the Submittal Deadline that is the most advantageous to UTS. The successful Proposer is referred to as the “Contractor.”

Proposer is encouraged to propose terms and conditions offering the maximum benefit to UTS in terms of (1) demonstrated competence and qualifications and (2) fair and reasonable cost. Proposers should describe all educational, state and local government discounts, as well as any other applicable discounts that may be available to UTS in a contract for the Services.

An evaluation team from UTS will evaluate proposals. The evaluation of proposals and the selection of Contractor will be based on the information provided by Proposer in its proposal. UTS may give consideration to additional information if UTS deems such information relevant.

The criteria to be considered by UTS in evaluating proposals and selecting Contractor, will be those factors listed below:

2.3.1 Threshold Criteria Not Scored
2.3.1.1 Ability of UTS to comply with laws regarding Historically Underutilized Businesses; and
2.3.1.2 Ability of UTS to comply with laws regarding purchases from persons with disabilities.

2.3.2.4 the extent to which the goods or services meet the UTS' needs;
2.3.2.5 the Proposer's past relationship with the UTS;

2.5 Historically Underutilized Businesses

2.5.1 All agencies of the State of Texas are required to make a good faith effort to assist historically underutilized businesses (each a “HUB”) in receiving contract awards. The goal of the HUB program is to promote full and equal business opportunity for all businesses in contracting with state agencies. Pursuant to the HUB program, if under the terms of any agreement or contractual arrangement resulting from this RFQ, Contractor subcontracts any of the Services, then Contractor must make a good faith effort to utilize HUBs certified by the Procurement and Support Services Division of the Texas Comptroller of Public Accounts. Proposals that fail to comply with the requirements contained in this Section 2.5 will constitute a material failure to comply with advertised specifications and will be rejected by UTS as non-responsive. Additionally, compliance with good faith effort guidelines is a condition precedent to awarding any agreement or contractual arrangement resulting from this RFQ. Proposer acknowledges that, if selected by UTS, its obligation to make a good faith effort to utilize HUBs when subcontracting any of the Services will continue throughout the term of all agreements and contractual arrangements resulting from this RFQ. Furthermore, any
subcontracting of the Services by the Proposer is subject to review by UTS to ensure compliance with the HUB program.

2.5.2 UTS has reviewed this RFQ in accordance with Title 34, Texas Administrative Code, Section 20.14, and has determined that subcontracting opportunities are not probable under this RFQ.

2.5.3 A HUB Subcontracting Plan ("HSP") is required as part of Proposer’s proposal. The HSP will be developed and administered in accordance with UTS’ Policy on Utilization of Historically Underutilized Businesses attached as APPENDIX THREE and incorporated for all purposes.

Each Proposer must complete and return the HSP in accordance with the terms and conditions of this RFQ, including APPENDIX THREE. Proposers that fail to do so will be considered non-responsive to this RFQ in accordance with Section 2161.252, Government Code.

Questions regarding the HSP may be directed to:

Contact: Amy Nemetz
Office of HUB Development
Phone: 512-499-4485
Email: anemetz@utsystem.edu

Contractor will not be permitted to change its HSP unless: (1) Contractor completes a newly modified version of the HSP in accordance with the terms of APPENDIX THREE that sets forth all changes requested by Contractor, (2) Contractor provides UTS with such a modified version of the HSP, (3) UTS approves the modified HSP in writing, and (4) all agreements or contractual arrangements resulting from this RFQ are amended in writing by UTS and Contractor to conform to the modified HSP.

2.5.4 Proposer must submit three (3) originals of the HSP to UTS at the same time it submits its proposal to UTS (ref. Section 3.2 of this RFQ.) The three (3) originals of the HSP must be submitted under separate cover and in a separate envelope (the “HSP Envelope”). Proposer must ensure that the top outside surface of its HSP Envelope clearly shows and makes visible:

2.5.4.1 the RFQ No. (ref. Section 1.3 of this RFQ) and the Submittal Deadline (ref. Section 2.1 of this RFQ), both located in the lower left hand corner of the top surface of the envelope,

2.5.4.2 the name and the return address of the Proposer, and

2.5.4.3 the phrase “HUB Subcontracting Plan”.

Any proposal submitted in response to this RFQ that is not accompanied by a separate HSP Envelope meeting the above requirements will be rejected by UTS and returned to the Proposer unopened as that proposal will be considered non-responsive due to material failure to comply with advertised specifications. Furthermore, UTS will open a Proposer’s HSP Envelope prior to opening the proposal submitted by the Proposer, in
order to ensure that the Proposer has submitted the number of completed and signed originals of the Proposer’s HSP that are required by this RFQ. A Proposer’s failure to submit the number of completed and signed originals of the HSP that are required by this RFQ will result in UTS’ rejection of the proposal submitted by that Proposer as non-responsive due to material failure to comply with advertised specifications; such a proposal will be returned to the Proposer unopened (ref. Section 1.5 of APPENDIX ONE to this RFQ). **Note:** The requirement that Proposer provide three originals of the HSP under this Section 2.5.4 is separate from and does not affect Proposer’s obligation to provide UTS with the number of copies of its proposal as specified in Section 3.1 of this RFQ.

### 2.6 Pre-Proposal Conference

UTS will hold a pre-proposal teleconference at 9:00 AM, Central Prevailing Time on Tuesday, February 23, 2016. The pre-proposal conference will allow all Proposers an opportunity to ask UTS’ representatives relevant questions and clarify provisions of this RFQ.

Section 2 of this RFQ), Proposal Requirements (ref. APPENDIX ONE) and the Specifications and Additional Questions (ref. Section 5 of this RFQ). If there is a conflict among the provisions in this RFQ, the provision requiring Proposer to supply the better quality or greater quantity of services will prevail, or if such conflict does not involve quality or quantity, then interpretation will be in the following order of precedence:

3.4.1.1. Specifications and Additional Questions (ref. Section 5 of this RFQ);

3.4.1.2. Terms and Conditions (ref. Section 4 of this RFQ);

A Microsoft Word version of APPENDIX TWO – AGREEMENT is posted along with the RFQ. Proposer’s exceptions will be reviewed by UTS and may result in disqualification of Proposer’s proposal as non-responsive to this RFQ. If Proposer’s exceptions do not result in disqualification of Proposer’s proposal, then UTS may consider Proposer’s exceptions when UTS evaluates the Proposer’s proposal.

This audit will include the fourteen institutions of The University of Texas System and System Administration. Contractor shall focus primarily on the three (3) basic financial statements:

Statement of Net Position
Statement of Revenues, Expenses and Changes in Net Position
Cash Flow Statement
The financial statements also include footnotes. The financial statements prepared at UT System are in accordance with Governmental Accounting Standards Board requirements and the State Comptroller of Public Accounts Reporting Requirements for Annual Financial Reports. Copies of the UT System Annual Financial Report can be found at UT System’s website at: http://www.utsystem.edu/documents/docs/controller/consolidated-annual-financial-report-fy-2015

Contractor will follow-up on known significant findings and recommendations from previous financial audits, attestation engagements, performance audits, or other studies that directly relate to the objectives of the current audit to determine the effect on the risk assessment and audit procedures.

5.4.2 The University of Texas Investment Management Company (UTIMCO)

Fiduciary responsibility for the Funds managed by UTIMCO rests with the Board of Regents of The University of Texas System. The day-to-day operational responsibilities of PUF Investments, GEF, PHF, LTF, and ITF are managed by The University of Texas Investment Management Company (UTIMCO).

Contractor will audit and report on the financial statements of the following funds (the “Funds”) for the fiscal years ending August 31, 2016 and August 31, 2017, subject to the delegation of authority from the State Auditor’s Office for the second year:

- Permanent University Fund of The University of Texas System (PUF) and The Texas A&M University System (excluding the asset values of the Permanent University Fund lands),
- Permanent University Fund Detail Schedules of Investment Securities,
- The University of Texas System General Endowment Fund (GEF),
- The Permanent Health Fund (PHF),
- The University of Texas System Long Term Fund (LTF), and
- The University of Texas System Intermediate Term Fund (ITF).

The financial statements for each of the Funds include the statement of fiduciary net position, statement of changes in fiduciary net position, notes to the financial statements, and supplemental schedules. In addition, management’s discussion and analysis is included. The separate financial statements of the PUF, GEF, PHF, LTF, and ITF are accounted for as fiduciary funds and may differ in presentation from the Texas Comptroller of Public Accounts’ Annual Financial Reporting Requirements.

Additionally, Contractor will also audit the schedules of investment performance statistics of the Funds for the fiscal years ending August 31, 2016 and August 31, 2017, subject to the delegation of authority from the State Auditor’s Office for the second year of this two year extension. These schedules are the responsibility of management of the Funds. Contractor’s responsibility will be to express an opinion on the schedules based on the audits.
Issuance of Reports: The report issuance dates will be no later than October 28, 2016 for the fiscal year ending August 31, 2016; and no later than October 27, 2017 for the fiscal year ending August 31, 2017.

Background and specific requirements by Fund are as follows:

5.4.2.1 Permanent University Fund

The PUF is a public endowment contributing to the support of 19 institutions and 6 agencies in The University of Texas System and The Texas A&M University System (TAMU System). The Texas Constitution of 1876 established the PUF through the appropriation of land grants previously designated to The University of Texas, as well as an additional one million acres. Another state grant of one million acres was made in 1883. Today, the PUF contains over 2.1 million acres of land located in 19 counties primarily in West Texas (PUF Lands).

As mandated by the Texas Constitution, all surface lease income is deposited in the Available University Fund, and all income from the sale of PUF Lands and leasing of mineral interests is retained within the PUF and invested in PUF Investments.

PUF Investments are invested in a broadly diversified portfolio including publicly traded equity and fixed income securities, and various types of securities where a readily determinable fair value does not exist. Distributions from the PUF Investments are allocated two-thirds for the benefit of eligible institutions of the UT System and one-third for the benefit of eligible institutions of the TAMU System. As of November 30, 2015, the net asset value of PUF Investments was $17,550 million.

PUF Investments are required to be audited by Section 66.08(f) of the Texas Education Code. Specifically, the language in the code states “If an investment contract entered into under Subsection (b) includes the permanent university fund within the scope of funds under the control and management of the board to be invested by the corporation, the board shall provide for an annual financial audit of the permanent university fund. The audit shall be performed by the auditors of The University of Texas System and The Texas A&M University System and presented to the board.” Section 66.05 of the Texas Education Code requires that the PUF annual report be prepared before December 1 of each year.

The asset value of the PUF lands and the income produced from the PUF lands are not required to be audited as part of the individual PUF investment but would be included in the audit of UT System.

Contractor shall perform the annual audit in accordance with standards issued by the Governmental Accounting Standards Board (GASB). The required financial statements include the Statements of Fiduciary Net Assets and the Statements of Changes in Fiduciary Net Assets. A Schedule of Changes in Cost of Investments and Investment Income is required for the purpose of complying with the reporting requirement of Section 66.05 of the Texas Education Code.
Contractor shall issue a separate report on the PUF’s Detail Schedules of Investment Securities, including the par value, shares, value, and cost of investments.

5.4.2.2 GEF, PHF, LTF, and ITF
Although not required by State law, these Funds are included in the RFQ to assist both the Board of Regents and the UTIMCO Board in their fiduciary responsibilities.

The PUF Investments and GEF are measured by the same benchmark, have identical investment objectives and follow the same asset allocation. Therefore, both funds have the same external investment managers and hold many of the same investments which should allow for greater audit efficiency. The PHF and LTF hold GEF units as investments. The ITF has many of the same external investment managers but does not invest in private equities.

5.4.2.2.1 General Endowment Fund
The GEF, created March 1, 2001, is a pooled fund established for the collective investment of long-term funds under the control and management of the Board of Regents. The GEF is organized as a mutual fund and has two participants, the PHF and LTF. The PHF and LTF initially purchased units of the Fund on March 1, 2001, in exchange for the contribution of their investment assets. The GEF provides for greater diversification of investments than would be possible if each account were managed separately. The GEF is invested in a broadly diversified portfolio including equity, fixed income, and absolute return investments. As of November 30, 2015, the net asset value of the GEF was $8,142 million.

Contractor shall perform the annual audit in accordance with standards issued by the Governmental Accounting Standards Board. The required financial statements include the Statement of Fiduciary Net Assets and the Statement of Changes in Fiduciary Net Assets.

5.4.2.2.2 Permanent Health Fund
The PHF is an internal UT System mutual fund for the pooled investment of state endowment funds for health-related institutions of higher education, created August 30, 1999, with proceeds from state tobacco litigation. The 76th Legislature established three permanent funds and thirteen higher education endowments. The PHF participants consist of one of the permanent endowments and eight of the thirteen higher education endowments. On March 1, 2001, the PHF purchased units in the newly created GEF in exchange for the contribution of its investment assets. The PHF does not invest in individual securities, only GEF units and a negligible amount of cash. Cash distributions are paid quarterly. As of November 30, 2015, the net asset value of the PHF was $1,057 million.

Contractor shall perform the annual audit in accordance with standards issued by the Governmental Accounting Standards Board.
The required financial statements include the Statement of Fiduciary Net Assets and the Statement of Changes in Fiduciary Net Assets.

5.4.2.2.3 Long Term Fund
The LTF is an internal UT System mutual fund for the pooled investment of over 11,700 privately raised endowments and other long-term funds supporting various programs and purposes of the 14 institutions comprising UT System. The LTF was formerly known as the Common Trust Fund. The LTF was established February 9, 1995, by the Board of Regents to succeed the Common Trust Fund pooled investment fund. The Common Trust Fund was established by the Board of Regents in 1932. The LTF is structured as a mutual fund in which each endowment or account purchases units at the LTF’s market value per unit. Cash distributions are paid quarterly directly to the UT System institution of record based on a per unit payout established by the Board of Regents. On March 1, 2001, the LTF purchased units in the newly created GEF in exchange for the contribution of its investment assets. The LTF does not invest in individual securities, only GEF units and a negligible amount of cash. As of November 30, 2015, the net asset value of the LTF was $7,085 million.

Contractor shall perform the annual audit in accordance with standards issued by the Governmental Accounting Standards Board. The required financial statements include the Statement of Fiduciary Net Assets and the Statement of Changes in Fiduciary Net Assets.

5.4.2.2.4 Intermediate Term Fund
The ITF was established February 1, 2006. The ITF is a pooled fund for the collective investment of operating funds and other intermediate and long term funds held by UT System institutions and System Administration. The Fund was created to improve the efficiency of operating funds management and to improve investment returns on UT System operating reserves. The ITF functions as a mutual fund in which each eligible account purchases and redeems ITF units on the first business day of each month at the market value per unit at the time of purchase or redemption. A distribution is paid the first day of each month based on a percentage of each unit holder’s prior month beginning balance. As of November 30, 2015, the net asset value of the ITF was $7,095 million.

Contractor shall perform the annual audit in accordance with standards issued by the Governmental Accounting Standards Board. The required financial statements include the Statement of Fiduciary Net Assets and the Statement of Changes in Fiduciary Net Assets.

5.4.2.3 Performance Statistics

Contractor shall perform the annual audit in accordance with standards established by the American Institute of Certified Public Accountants of

SECTION 1

GENERAL INFORMATION & PROPOSAL REQUIREMENTS

1.1 Purpose

UTS is soliciting competitive sealed proposals from Proposers having suitable qualifications and experience providing services in accordance with the terms, conditions and requirements set forth in this RFQ. This RFQ provides sufficient information for interested parties to prepare and submit proposals for consideration by UTS.

By submitting a proposal, Proposer certifies that it understands this RFQ and has full knowledge of the scope, nature, quality, and quantity of the services to be performed, the detailed requirements of the services to be provided, and the conditions under which such services are to be performed. Proposer also certifies that it understands that all costs relating to preparing a response to this RFQ will be the sole responsibility of the Proposer.

PROPOSER IS CAUTIONED TO READ THE INFORMATION CONTAINED IN THIS RFQ CAREFULLY AND TO SUBMIT A COMPLETE RESPONSE TO ALL REQUIREMENTS AND QUESTIONS AS DIRECTED.

1.2 Inquiries and Interpretations

UTS may in its sole discretion respond in writing to written inquiries concerning this RFQ and mail its response as an Addendum to all parties recorded by UTS as having received a copy of this RFQ. Only UTS’ responses that are made by formal written Addenda will be binding on UTS. Any verbal responses, written interpretations or clarifications other than Addenda to this RFQ will be without legal effect. All Addenda issued by UTS prior to the Submittal Deadline will be and are hereby incorporated as a part of this RFQ for all purposes.

Proposers are required to acknowledge receipt of each Addendum as specified in this Section. The Proposer must acknowledge all Addenda by completing, signing and returning the Addenda Checklist (ref. Section 4 of APPENDIX ONE). The Addenda Checklist must be received by UTS prior to the Submittal Deadline and should accompany the Proposer’s proposal.

Any interested party that receives this RFQ by means other than directly from UTS is responsible for notifying UTS that it has received an RFQ package, and should provide its name, address, telephone number and FAX number to UTS, so that if UTS issues Addenda to this RFQ or provides written answers to questions, that information can be provided to such party.

1.3 Public Information

Proposer is hereby notified that UTS strictly adheres to all statutes, court decisions and the opinions of the Texas Attorney General with respect to disclosure of public information.

UTS may seek to protect from disclosure all information submitted in response to this RFQ until such time as a final agreement is executed.
Upon execution of a final agreement, UTS will consider all information, documentation, and other materials requested to be submitted in response to this RFQ, to be of a non-confidential and non-proprietary nature and, therefore, subject to public disclosure under the Texas Public Information Act (Government Code, Chapter 552.001, et seq.). Proposer will be advised of a request for public information that implicates their materials and will have the opportunity to raise any objections to disclosure to the Texas Attorney General. Certain information may be protected from release under Sections 552.101, 552.110, 552.113, and 552.131, Government Code.

1.4 Type of Agreement

Contractor, if any, will be required to enter into a contract with UTS in a form that (i) includes terms and conditions substantially similar to the terms and conditions set forth in Section 4 of this RFQ, and (ii) is otherwise acceptable to UTS in all respects (the “Agreement”). A draft Agreement is included as APPENDIX TWO.

1.5 Proposal Evaluation Process

UTS will select Contractor by using the competitive sealed proposal process described in this Section. UTS will open the HSP Envelope submitted by a Proposer prior to opening the Proposer’s proposal in order to ensure that the Proposer has submitted the number of completed and signed originals of the Proposer’s HUB Subcontracting Plan (also called the HSP) that are required by this RFQ (ref. Section 2.5.4 of the RFQ.) All proposals submitted by the Submittal Deadline accompanied by the number of completed and signed originals of the HSP that are required by this RFQ will be opened publicly to identify the name of each Proposer submitting a proposal. Any proposals that are not submitted by the Submittal Date or that are not accompanied by the number of completed and signed originals of the HSP that are required by this RFQ will be rejected by UTS as non-responsive due to material failure to comply with advertised specifications. After the opening of the proposals and upon completion of the initial review and evaluation of the proposals, UTS may invite one or more selected Proposers to participate in oral presentations. UTS will use commercially reasonable efforts to avoid public disclosure of the contents of a proposal prior to selection of Contractor.

UTS may make the selection of Contractor on the basis of the proposals initially submitted, without discussion, clarification or modification. In the alternative, UTS may make the selection of Contractor on the basis of negotiation with any of the Proposers. In conducting such negotiations, UTS will use commercially reasonable efforts to avoid disclosing the contents of competing proposals.

At UTS’ sole option and discretion, UTS may discuss and negotiate all elements of the proposals submitted by selected Proposers within a specified competitive range. For purposes of negotiation, UTS may establish, after an initial review of the proposals, a competitive range of acceptable or potentially acceptable proposals composed of the highest rated proposal(s). In that event, UTS will defer further action on proposals not included within the competitive range pending the selection of Contractor; provided, however, UTS reserves the right to include additional proposals in the competitive range if deemed to be in the best interests of UTS.

After submission of a proposal but before final selection of Contractor is made, UTS may permit a Proposer to revise its proposal in order to obtain the Proposer’s best and final offer. In that event, representations made by Proposer in its revised proposal, including price and fee quotes,
will be binding on Proposer. UTS will provide each Proposer within the competitive range with an equal opportunity for discussion and revision of its proposal. UTS is not obligated to select the Proposer offering the most attractive economic terms if that Proposer is not the most advantageous to UTS overall, as determined by UTS.

UTS reserves the right to (a) enter into an agreement for all or any portion of the requirements and specifications set forth in this RFQ with one or more Proposers, (b) reject any and all proposals and re-solicit proposals, or (c) reject any and all proposals and temporarily or permanently abandon this selection process, if deemed to be in the best interests of UTS. Proposer is hereby notified that UTS will maintain in its files concerning this RFQ a written record of the basis upon which a selection, if any, is made by UTS.

1.6 Proposer's Acceptance of Evaluation Methodology

By submitting a proposal, Proposer acknowledges (1) Proposer's acceptance of [a] the Proposal Evaluation Process (ref. Section 1.5 of APPENDIX ONE), [b] the Criteria for Selection (ref. 2.3 of this RFQ), [c] the Specifications and Additional Questions (ref. Section 5 of this RFQ), [d] the terms and conditions set forth in Section 4 of this RFQ, and [e] all other requirements and specifications set forth in this RFQ; and (2) Proposer's recognition that some subjective judgments must be made by UTS during this RFQ process.

1.7 Solicitation for Proposal and Proposal Preparation Costs

Proposer understands and agrees that (1) this RFQ is a solicitation for proposals and UTS has made no representation written or oral that one or more agreements with UTS will be awarded under this RFQ; (2) UTS issues this RFQ predicated on UTS’ anticipated requirements for the Services, and UTS has made no representation, written or oral, that any particular scope of services will actually be required by UTS; and (3) Proposer will bear, as its sole risk and responsibility, any cost that arises from Proposer’s preparation of a proposal in response to this RFQ.

1.8 Proposal Requirements and General Instructions

1.8.1 Proposer should carefully read the information contained herein and submit a complete proposal in response to all requirements and questions as directed.

1.8.4 Proposals that (i) are qualified with conditional clauses; (ii) alter, modify, or revise this RFQ in any way; or (iii) contain irregularities of any kind, are subject to disqualification by UTS, at UTS’ sole discretion.

1.8.5 Proposals should be prepared simply and economically, providing a straightforward, concise description of Proposer's ability to meet the requirements and specifications of
this RFQ. Emphasis should be on completeness, clarity of content, and responsiveness to the requirements and specifications of this RFQ.

1.8.6 UTS makes no warranty or guarantee that an award will be made as a result of this RFQ. UTS reserves the right to accept or reject any or all proposals, waive any formalities, procedural requirements, or minor technical inconsistencies, and delete any requirement or specification from this RFQ or the Agreement when deemed to be in UTS’ best interest. UTS reserves the right to seek clarification from any Proposer concerning any item contained in its proposal prior to final selection. Such clarification may be provided by telephone conference or personal meeting with or writing to UTS, at UTS’ sole discretion. Representations made by Proposer within its proposal will be binding on Proposer.

1.8.7 Any proposal that fails to comply with the requirements contained in this RFQ may be rejected by UTS, in UTS’ sole discretion.

1.9 Preparation and Submittal Instructions

1.9.1 Specifications and Additional Questions

Proposals must include responses to the questions in Specifications and Additional Questions (ref. Section 5 of this RFQ). Proposer should reference the item number and repeat the question in its response. In cases where a question does not apply or if unable to respond, Proposer should refer to the item number, repeat the question, and indicate N/A (Not Applicable) or N/R (No Response), as appropriate. Proposer should explain the reason when responding N/A or N/R.

1.9.2 Execution of Offer

Proposer must complete, sign and return the attached Execution of Offer (ref. Section 2 of APPENDIX ONE) as part of its proposal. The Execution of Offer must be signed by a representative of Proposer duly authorized to bind the Proposer to its proposal. Any proposal received without a completed and signed Execution of Offer may be rejected by UTS, in its sole discretion.

1.9.3 Pricing and Delivery Schedule

Proposer must complete and return the Pricing and Delivery Schedule (ref. Section 6 of this RFQ), as part of its proposal. In the Pricing and Delivery Schedule, the Proposer should describe in detail (a) the total fees for the entire scope of the Services; and (b) the method by which the fees are calculated. The fees must be inclusive of all associated costs for delivery, labor, insurance, taxes, overhead, and profit.

UTS will not recognize or accept any charges or fees to perform the Services that are not specifically stated in the Pricing and Delivery Schedule.
In the Pricing and Delivery Schedule, Proposer should describe each significant phase in the process of providing the Services to UTS, and the time period within which Proposer proposes to be able to complete each such phase.

1.9.4 Proposer’s General Questionnaire

Proposals must include responses to the questions in Proposer’s General Questionnaire (ref. Section 3 of APPENDIX ONE). Proposer should reference the item number and repeat the question in its response. In cases where a question does not apply or if unable to respond, Proposer should refer to the item number, repeat the question, and indicate N/A (Not Applicable) or N/R (No Response), as appropriate. Proposer should explain the reason when responding N/A or N/R.

1.9.5 Addenda Checklist

Proposer should acknowledge all Addenda to this RFQ (if any) by completing, signing and returning the Addenda Checklist (ref. Section 4 of APPENDIX ONE) as part of its proposal. Any proposal received without a completed and signed Addenda Checklist may be rejected by UTS, in its sole discretion.

1.9.6 Submission

Proposer should submit all proposal materials enclosed in a sealed envelope, box, or container. The RFQ No. (ref. Section 1.3 of this RFQ) and the Submittal Deadline (ref. Section 2.1 of this RFQ) should be clearly shown in the lower left-hand corner on the top surface of the container. In addition, the name and the return address of the Proposer should be clearly visible.

Proposer must also submit the number of originals of the HUB Subcontracting Plan (also called the HSP) as required by this RFQ (ref. Section 2.5 of the RFQ.)

Upon Proposer’s request and at Proposer’s expense, UTS will return to a Proposer its proposal received after the Submittal Deadline if the proposal is properly identified. UTS will not under any circumstances consider a proposal that is received after the Submittal Deadline or which is not accompanied by the number of completed and signed originals of the HSP that are required by this RFQ.

UTS will not accept proposals submitted by telephone, proposals submitted by Facsimile (“FAX”) transmission, or proposals submitted by electronic transmission (i.e., e-mail) in response to this RFQ.

Except as otherwise provided in this RFQ, no proposal may be changed, amended, or modified after it has been submitted to UTS. However, a proposal may be withdrawn and resubmitted at any time prior to the Submittal Deadline. No proposal may be withdrawn after the Submittal Deadline without UTS’ consent, which will be based on Proposer’s submittal of a written explanation and documentation evidencing a reason acceptable to UTS, in UTS’ sole discretion.

By signing the Execution of Offer (ref. Section 2 of APPENDIX ONE) and submitting a proposal, Proposer certifies that any terms, conditions, or documents attached to or
referenced in its proposal are applicable to this procurement only to the extent that they (a) do not conflict with the laws of the State of Texas or this RFQ and (b) do not place any requirements on UTS that are not set forth in this RFQ or in the Appendices to this RFQ. Proposer further certifies that the submission of a proposal is Proposer's good faith intent to enter into the Agreement with UTS as specified herein and that such intent is not contingent upon UTS' acceptance or execution of any terms, conditions, or other documents attached to or referenced in Proposer’s proposal.

1.9.7 Page Size, Binders, and Dividers

Proposals must be typed on letter-size (8-1/2" x 11") paper, and must be submitted in a binder. Preprinted material should be referenced in the proposal and included as labeled attachments. Sections within a proposal should be divided by tabs for ease of reference. Electronic versions submitted on USB flash drives must be clearly labeled to reference proposal requirements.

1.9.8 Table of Contents

Proposals must include a Table of Contents with page number references. The Table of Contents must contain sufficient detail and be organized according to the same format as presented in this RFQ, to allow easy reference to the sections of the proposal as well as to any separate attachments (which should be identified in the main Table of Contents). If a Proposer includes supplemental information or non-required attachments with its proposal, this material should be clearly identified in the Table of Contents and organized as a separate section of the proposal.

1.9.9 Pagination

All pages of the proposal should be numbered sequentially in Arabic numerals (1, 2, 3, etc.). Attachments should be numbered or referenced separately.

AGREEMENT BETWEEN THE UNIVERSITY OF TEXAS SYSTEM AND CONTRACTOR

This Agreement between UTS and Contractor ("Agreement") is made and entered into effective as of Month DD, 2016 (the "Effective Date"), by and between The University of Texas System, an agency and institution of higher education established under the laws of the State of Texas ("UTS"), and Name of Contractor, ("Contractor").

UTS and Contractor hereby agree as follows:

1. **Scope of Work.**

   1.1 Contractor will perform the scope of the work ("Work") set forth in Exhibit A, Scope of Work, attached and incorporated for all purposes, to the satisfaction of UTS and in accordance with the schedule ("Schedule") for the Work set forth in Exhibit B, Schedule, attached and incorporated for all purposes. Time is of the essence in connection with this Agreement. UTS will have no obligation to accept late performance or waive timely performance by Contractor.

   1.2 Contractor will obtain, at its own cost, any and all approvals, licenses, filings, registrations and permits required by federal, state or local laws, regulations or ordinances, for the performance of the Work.

   1.3 Upon execution of this Agreement, all services previously performed by Contractor on behalf of UTS and included in the description of the Work, will become a part of the Work and will be subject to the terms and conditions of this Agreement.

2. **The Project.**

   The Work will be performed in connection with valuation services in accordance with Governmental Accounting Standards Board (GASB) Statement No. 72, *Fair Value Measurement and Application*. The valuation services will be limited to certain non-publically traded, privately held, investments, more specifically described in Exhibit A - Scope of Work.

3. **Time for Commencement and Completion.**

   The term of this Agreement will begin on the Effective Date and expire on Month DD, YYYY. Subject to delegation of authority from the State Auditor’s Office, UTS shall have the option to renew this Agreement for five (5) additional (1) year terms; provided, however, that UTS’ exercise of each such option shall be conditional upon UTS and Contractor first reaching mutual agreement on the terms for such additional one (1) year term and entering into a written agreement.

4. **Contractor’s Obligations.**

   4.1 Contractor will perform the Work in compliance with all applicable federal, state and local, laws, regulations, and ordinances. Contractor represents and warrants that neither Contractor nor any firm, corporation or institution represented by Contractor, or anyone acting for the firm, corporation or institution, has violated the antitrust laws of the State of Texas, Chapter 15, Texas Business and Commerce Code, or federal antitrust laws, or (2) has communicated directly or indirectly the content of Contractor’s response to UTS’ procurement solicitation to any
competitor or any other person engaged in a similar line of business during the procurement process for this Agreement.

4.2 Contractor represents, warrants and agrees that (a) it will use commercially reasonable efforts to perform the Services in a good and workmanlike manner and in accordance with commercially reasonable standards of Contractor’s profession or business, and (b) all of the Services to be performed will be of the quality that prevails among similar businesses engaged in providing similar services in major United States urban areas under the same or similar circumstances.

Contractor's duties and obligations under this Agreement will at no time be in any way diminished by reason of any approval by UTS nor will Contractor be released from any liability by reason of any approval by UTS, it being agreed that UTS at all times is relying upon Contractor's skill and knowledge in performing the Services.

4.5 Contractor will, at its own cost, correct all material defects in the Services as soon as practical after Contractor becomes aware of the defects. If Contractor fails to correct material defects in the Services within a reasonable time, then UTS may correct the defective Services at Contractor's expense. This remedy is in addition to, and not in substitution for, any other remedy for defective Services that UTS may have at law or in equity.

Each invoice will be accompanied by documentation that UTS may reasonably request to support the invoice amount. UTS will, within thirty (30) days from the date it receives an invoice and supporting documentation, approve or disapprove the amount reflected in the invoice. If UTS approves the amount or any portion of the amount, UTS will promptly pay (each a “Progress Payment”) to Contractor the amount approved so long as Contractor is not in default under this Agreement. If UTS disapproves any invoice amount, UTS will give Contractor specific reasons for its disapproval in writing.

6.2 Within ten (10) days after final completion of the Work and acceptance of the Work by UTS or as soon thereafter as possible, Contractor will submit a final invoice (“Final Invoice”) setting forth all amounts due and remaining unpaid to Contractor. Upon approval of the Final Invoice by UTS, UTS will pay (“Final Payment”) to Contractor the amount due under the Final Invoice.
6.3 Notwithstanding any provision of this Agreement to the contrary, UTS will not be obligated to make any payment (whether a Progress Payment or Final Payment) to Contractor if Contractor is in material default under this Agreement which default is not cured within thirty (30) days of receipt of written notice from UTS specifying the nature of the default.

6.4 The cumulative amount of all Progress Payments and the Final Payment (defined below) will not exceed the Contract Amount as more particularly set forth in Exhibit C, Payment for Services.

6.5 No payment made by UTS will (a) be construed to be final acceptance or approval of that part of the Work to which the payment relates, or (b) relieve Contractor of any of its duties or obligations under this Agreement.

6.6 UTS will have the right to verify the details set forth in Contractor's invoices and supporting documentation, either before or after payment, by (a) inspecting the books and records of Contractor related to Project Payments at mutually convenient times upon advance written notice; (b) examining any reports with respect to the Project; and (c) other reasonable action.

11.3 Contractor’s or subcontractor’s insurance will be primary to any insurance carried or self-insurance program established by the University of Texas System. Contractor’s or subcontractor’s insurance will be kept in force until all Work has been fully performed and accepted by UTS in writing.

11.3.1 Professional Liability Insurance coverage written on a claims-made basis requires Contractor to purchase an Extended Reporting Period Endorsement, effective for twenty-four (24) months after the expiration or cancellation of this policy.

12. Miscellaneous.

12.1 Assignment and Subcontracting. Contractor’s interest in this Agreement (including Contractor’s duties and obligations under this Agreement, and the fees due to Contractor under this Agreement)
may not be subcontracted, assigned, delegated, or otherwise transferred to a third party, in whole or in part, without the prior written consent of UTS and any attempt to do so will (a) not be binding on UTS; and (b) be a breach of this Agreement for which Contractor will be subject to all remedial actions provided by Texas law, including Chapter 2161, *Texas Government Code*, and 34 TAC Chapter 20, §§20.101 – 20.108. The benefits and burdens of this Agreement are assignable by UTS.

12.2 **Texas Family Code Child Support Certification.** Pursuant to Section 231.006, *Texas Family Code*, Contractor certifies that it is not ineligible to receive the award of or payments under this Agreement and acknowledges that this Agreement may be terminated and payment may be withheld if this certification is inaccurate.

12.3 **Eligibility Certifications.** Pursuant to Sections 2155.004 and 2155.006, *Texas Government Code*, Contractor certifies that the individual or business entity named in this Agreement is not ineligible to receive the award of or payments under this Agreement and acknowledges that this Agreement may be terminated and payment withheld if these certifications are inaccurate.

12.4 **Tax Certification.** If Contractor is a taxable entity as defined by Chapter 171, *Texas Tax Code* ("Chapter 171"), then Contractor certifies that it is not currently delinquent in the payment of any taxes due under Chapter 171, or that Contractor is exempt from the payment of those taxes, or that Contractor is an out-of-state taxable entity that is not subject to those taxes, whichever is applicable.

12.5 **Payment of Debt or Delinquency to the State.** Pursuant to Sections 2107.008 and 2252.903, *Texas Government Code*, Contractor agrees that any payments owing to Contractor under this Agreement may be applied directly toward any debt or delinquency that Contractor owes the State of Texas or any agency of the State of Texas regardless of when it arises, until the debt or delinquency is paid in full.

12.6 **Products and Materials Produced in Texas.** Contractor covenants and agrees that as required by Section 2155.4441, *Texas Government Code*, in performing the Work and its other duties and obligations under this Agreement, Contractor will purchase products and materials produced in Texas when the products and materials are available at a price and delivery time comparable to products and materials produced outside of Texas.

12.7 **Loss of Funding.** UTS performance of its duties and obligations under this Agreement may be dependent upon the appropriation and allotment of funds by the Texas State Legislature (the "Legislature") and/or allocation of funds by the Board of Regents of The UTS of Texas System (the "Board"). If the Legislature fails to appropriate or allot the necessary funds, or the Board fails to allocate the necessary funds, then UTS will issue written notice to Contractor and UTS may terminate this Agreement without further duty or obligation hereunder. Contractor acknowledges that appropriation, allotment, and allocation of funds are beyond the control of UTS.

12.8 **Entire Agreement; Modifications.** This Agreement supersedes all prior agreements, written or oral, between Contractor and UTS and will constitute the entire agreement and understanding between the parties with respect to the subject matter of this Agreement. This Agreement and each of its provisions will be binding upon the parties and may not be waived, modified, amended or altered except by a writing signed by both UTS and Contractor.
12.9 **Force Majeure.** Neither party hereto will be liable or responsible to the other for any loss or damage or for any delays or failure to perform due to causes beyond its reasonable control including acts of God, strikes, epidemics, war, riots, flood, fire, sabotage, or any other circumstances of like character ("force majeure occurrence").

12.10 **Captions.** The captions of sections and subsections in this Agreement are for convenience only and will not be considered or referred to in resolving questions of interpretation or construction.

12.11 **Governing Law.** Austin Texas, will be the proper place of venue for suit on or in respect of this Agreement. This Agreement and all of the rights and obligations of the parties to this Agreement and all of the terms and conditions of this Agreement will be construed, interpreted and applied in accordance with and governed by and enforced under the laws of the State of Texas.

12.12 **Waivers.** No delay or omission in exercising any right accruing upon a default in performance of this Agreement will impair any right or be construed to be a waiver of any right. A waiver of any default under this Agreement will not be construed to be a waiver of any subsequent default under this Agreement.

12.13 **Confidentiality and Safeguarding of UTS Records; Press Releases; Public Information**

Under this Agreement, Contractor may (1) create, (2) receive from or on behalf of UTS, or (3) have access to, records or record systems (collectively, “**UTS Records**”). Among other things, UTS Records may contain social security numbers, credit card numbers, or data protected or made confidential or sensitive by applicable federal, state and local, laws, regulations, and ordinances, including the Gramm-Leach-Bliley Act (Public Law No: 106-102) and the Family Educational Rights and Privacy Act, 20 U.S.C. §1232g (“FERPA”). If UTS Records are subject to FERPA, (1) UTS designates Contractor as a UTS official with a legitimate educational interest in UTS Records, and (2) Contractor acknowledges that its improper disclosure or redisclosure of personally identifiable information from UTS Records will result in Contractor’s exclusion from eligibility to contract with UTS for at least five (5) years. Contractor represents, warrants, and agrees that it will: (1) hold UTS Records in strict confidence and will not use or disclose UTS Records except as (a) permitted or required by this Agreement, (b) required by law, or (c) otherwise authorized by UTS in writing; (2) safeguard UTS Records according to reasonable administrative, physical and technical standards (such as standards established by (i) the National Institute of Standards and Technology and (ii) the Center for Internet Security, as well as the Payment Card Industry Data Security Standards) that are no less rigorous than the standards by which Contractor protects its own confidential information; (3) continually monitor its operations and take any action necessary to assure that UTS Records are safeguarded and the confidentiality of UTS Records is maintained in accordance with all applicable federal, state and local, laws, regulations, and ordinances, including FERPA and the Gramm-Leach-Bliley Act, and the terms of this Agreement; and (4) comply with the UTS’ rules, policies, and procedures regarding access to and use of UTS’ computer systems. At the request of UTS, Contractor agrees to provide UTS with a written summary of the procedures Contractor uses to safeguard and maintain the confidentiality of UTS Records.

12.13.1 **Notice of Impermissible Use.** If an impermissible use or disclosure of any UTS Records occurs, Contractor will provide written notice to UTS within one (1) business day after Contractor’s discovery of that use or disclosure. Contractor will promptly provide UTS with all information requested by UTS regarding the impermissible use or disclosure.
12.13.2 **Return of UTS Records.** Contractor agrees that within thirty (30) days after the expiration or termination of this Agreement, for any reason, all UTS Records created or received from or on behalf of UTS will be (1) returned to UTS, with no copies retained by Contractor; or (2) if return is not feasible, destroyed. Twenty (20) days before destruction of any UTS Records, Contractor will provide UTS with written notice of Contractor’s intent to destroy UTS Records. Within five (5) days after destruction, Contractor will confirm to UTS in writing the destruction of UTS Records.

12.13.3 **Disclosure.** If Contractor discloses any UTS Records to a subcontractor or agent, Contractor will require the subcontractor or agent to comply with the same restrictions and obligations as are imposed on Contractor by this Section.

12.13.4 **Press Releases.** Except when defined as part of the Services, Contractor will not make any press releases, public statements, or advertisement referring to the Project or the engagement of Contractor as an independent contractor of UTS in connection with the Project, or release any information relative to the Project for publication, advertisement or any other purpose without the prior written approval of UTS.

12.13.5 **Public Information.** UTS strictly adheres to all statutes, court decisions and the opinions of the Texas Attorney General with respect to disclosure of public information under the Texas Public Information Act (“TPIA”), Chapter 552, Texas Government Code. In accordance with Section 552.002 of TPIA and Section 2252.907, Texas Government Code, and at no additional charge to UTS, Contractor will make any information created or exchanged with UTS pursuant to this Agreement (and not otherwise exempt from disclosure under TPIA) available in a format reasonably requested by UTS that is accessible by the public.

12.13.6 **Termination.** In addition to any other termination rights set forth in this Agreement and any other rights at law or equity, if UTS reasonably determines that Contractor has breached any of the restrictions or obligations set forth in this Section, UTS may immediately terminate this Agreement without notice or opportunity to cure.

12.13.7 **Duration.** The restrictions and obligations under this Section will survive expiration or termination of this Agreement for any reason.

12.14 **Binding Effect.** This Agreement will be binding upon and inure to the benefit of the parties hereto and their respective permitted assigns and successors.

12.15 **State Auditor’s Office.** Contractor understands that acceptance of funds under this Agreement constitutes acceptance of the authority of the Texas State Auditor’s Office, or any successor agency (collectively, “Auditor”), to conduct an audit or investigation in connection with those funds pursuant to Sections 51.9335(c), 73.115(c) and 74.008(c), Texas Education Code. Contractor further agrees to cooperate fully with the State Auditor’s Office in the conduct of the audit or investigation, including providing all records requested. The Contractor will ensure that this clause concerning the State Auditor’s Office’s authority to audit state fund and the requirement to cooperate fully with the State Auditor’s Office is included in any subcontracts it awards. Additionally, the State Auditor’s Office shall at any time have access to and the rights to examine, audit, excerpt, and transcribe any pertinent books, documents, audit documentation, and records of the Contractor relating to this contract for any purpose.
The Contractor understands that the State Auditor’s Office may choose to rely on the work of the Contractor to support the State Auditor’s Office’s opinion on the Comprehensive Annual Financial Report for the State of Texas, and the Contractor agrees to cooperate with the State Auditor’s Office in a joint effort to comply with American Institute of Certified Public Accountants standard AU-C 600, Special Consideration-Audits of Group Financial Statements (Including the Work of Component Auditors). The Contractor agrees that the State Auditor’s Office is serving in the capacity of the group engagement auditor. As a component auditor, information the Contractor agrees to provide the State Auditor’s Office includes information necessary to facilitate determinations regarding the Contractor’s understanding and compliance with ethical requirements and professional competence.

12.16 **Records.** Records of Contractor's costs, reimbursable expenses pertaining to the Project and payments will be available to UTS or its authorized representative during business hours and will be retained for four (4) years after final Payment or abandonment of the Project, unless UTS otherwise instructs Contractor in writing.

12.17 **Notices.** Except as otherwise provided in this Section, all notices, consents, approvals, demands, requests or other communications provided for or permitted to be given under any of the provisions of this Agreement will be in writing and will be sent via registered or certified mail, overnight courier, confirmed facsimile transmission (to the extent a facsimile number is set forth below), or email (other than notice of default, termination or dispute), and notice will be deemed given (i) if mailed, when deposited, postage prepaid, in the United States mail, (ii) if sent by overnight courier, one business day after delivery to the courier, (iii) if sent by facsimile (to the extent a facsimile number is set forth below), when transmitted, and (iv) if sent by email, when received:

or other person or address as may be given in writing by UTS to Contractor in accordance with this Section.

12.18 **Severability.** In case any provision of this Agreement will, for any reason, be held invalid or unenforceable in any respect, the invalidity or unenforceability will not affect any other provision of this Agreement, and this Agreement will be construed as if the invalid or unenforceable provision had not been included.

12.19 **Survival of Provisions.** No expiration or termination of this Agreement will relieve either party of any obligations under this Agreement that by their nature survive expiration or termination.

12.20 **Breach of Contract Claims.**

12.20.1 To the extent that Chapter 2260, *Texas Government Code*, as it may be amended from time to time ("Chapter 2260"), is applicable to this Agreement and is not preempted by other applicable law, the dispute resolution process provided for in Chapter 2260 and the related rules adopted by the Texas Attorney General pursuant to Chapter 2260 will be used by UTS and Contractor to attempt to resolve any claim for breach of contract made by Contractor that cannot be resolved in the ordinary course of business.

12.20.1.1 Contractor’s claims for breach of this Agreement that the parties cannot resolve pursuant to other provisions of this Agreement or in the ordinary course of business will be submitted to the negotiation process provided in subchapter B of Chapter 2260. To initiate the process, Contractor will submit written notice, as required by subchapter B of Chapter 2260, to UTS in accordance with the notice provisions in this Agreement. Contractor’s notice will specifically state that the provisions of subchapter B of Chapter 2260 are being invoked, the date and nature of the event giving rise to the claim, the specific contract provision that UTS allegedly breached, the amount of damages Contractor seeks, and the method used to calculate the damages.
Compliance by Contractor with subchapter B of Chapter 2260 is a required prerequisite to Contractor's filing of a contested case proceeding under subchapter C of Chapter 2260. The Chief Business Officer of UTS, or the other officer of UTS as may be designated from time to time by UTS by written notice thereof to Contractor in accordance with the notice provisions in this Agreement, will examine Contractor's claim and any counterclaim and negotiate with Contractor in an effort to resolve the claims.

12.20.1.2 If the parties are unable to resolve their disputes under Section 4.14.1.1, the contested case process provided in subchapter C of Chapter 2260 is Contractor’s sole and exclusive process for seeking a remedy for any and all of Contractor’s claims for breach of this Agreement by UTS.

12.20.1.3 Compliance with the contested case process provided in subchapter C of Chapter 2260 is a required prerequisite to seeking consent to sue from the Legislature under Chapter 107, Civil Practices and Remedies Code. The parties hereto specifically agree that (i) neither the execution of this Agreement by UTS nor any other conduct, action or inaction of any representative of UTS relating to this Agreement constitutes or is intended to constitute a waiver of UTS’ or the state’s sovereign immunity to suit and (ii) UTS has not waived its right to seek redress in the courts.

12.20.2 The submission, processing and resolution of Contractor’s claim is governed by the published rules adopted by the Texas Attorney General pursuant to Chapter 2260, as currently effective, thereafter enacted or subsequently amended.

12.20.3 UTS and Contractor agree that any periods set forth in this Agreement for notice and cure of defaults are not waived.

12.21 Ethics Matters; No Financial Interest. Contractor has read and understands UTS’ Conflicts of Interest, Conflicts of Commitment, and Outside Activities Policy available at: http://www.utsystem.edu/board-of-regents/policy-library/policies/int180-conflicts-interest-conflicts-commitment-and-outside-. UTS’ Standards of Conduct Guide available at http://www.utsystem.edu/systemcompliance/, and applicable state ethics laws and rules available at www.utsystem.edu/ogc/ethics. Contractor will not assist or cause UTS employees to violate UTS’ Conflicts of Interest Policy, provisions described by UTS’ Standards of Conduct Guide, or applicable state ethics laws or rules. Contractor represents and warrants that no member of the Board has a direct or indirect financial interest in the transaction that is the subject of this Agreement.

12.22 Undocumented Workers. The Immigration and Nationality Act (8 United States Code 1324a) ("Immigration Act") makes it unlawful for an employer to hire or continue employment of undocumented workers. The United States Immigration and Customs Enforcement Service has established the Form I-9 Employment Eligibility Verification Form ("I-9 Form") as the document to be used for employment eligibility verification (8 Code of Federal Regulations 274a). Among other things, Contractor is required to: (1) have all employees complete and sign the I-9 Form certifying that they are eligible for employment; (2) examine verification documents required by the I-9 Form to be presented by the employee and ensure the documents appear to be genuine and related to the individual; (3) record information about the documents on the I-9 Form, and complete the certification portion of the I-9 Form; and (4) retain the I-9 Form as required by law. It is illegal to discriminate against any individual (other than a citizen of another country who is not authorized to work in the United States) in hiring, discharging, or recruiting because of that
individual's national origin or citizenship status. If Contractor employs unauthorized workers during performance of this Agreement in violation of the Immigration Act then, in addition to other remedies or penalties prescribed by law, UTS may terminate this Agreement in accordance with **Section 4.28**. Contractor represents and warrants that it is in compliance with and agrees that it will remain in compliance with the provisions of the Immigration Act.

12.23 **Debarment.** Contractor confirms that Contractor is not suspended, debarred, proposed for debarment, declared ineligible, or voluntarily excluded from the award of contracts from United States (“U.S.”) federal government procurement or nonprocurement programs, or are listed in the List of Parties Excluded from Federal Procurement or Nonprocurement Programs ([http://www.epls.gov/](http://www.epls.gov/)) issued by the U.S. General Services Administration. “Principals” means officers, directors, owners, partners, and persons having primary management or supervisory responsibilities within a business entity (e.g. general manager, plant manager, head of a subsidiary, division or business segment, and similar positions). Contractor will provide immediate written notification to UTS if, at any time prior to award, Contractor learns that this certification was erroneous when submitted or has become erroneous by reason of changed circumstances. This certification is a material representation of fact upon which reliance will be placed when UTS executes this Agreement. If it is later determined that Contractor knowingly rendered an erroneous certification, in addition to the other remedies available to UTS, UTS may terminate this Agreement for default by Contractor.

12.24 **Relationship of the Parties.** For all purposes of this Agreement and notwithstanding any provision of this Agreement to the contrary, Contractor is an independent contractor and is not a state employee, partner, joint venturer, or agent of UTS. Contractor will not bind nor attempt to bind UTS to any agreement or contract. As an independent contractor, Contractor is solely responsible for all taxes, withholdings, and other statutory or contractual obligations of any sort, including workers’ compensation insurance.

12.25 **Reserved.**

12.26 **OSHA Compliance.** To the extent applicable to the services to be performed under this Agreement, Contractor represents and warrants, that all articles and services furnished under this Agreement meet or exceed the safety standards established and promulgated under the Federal Occupational Safety and Health Law (Public Law 91-598) and its regulations in effect or proposed as of the date of this Agreement.

12.27 **Discrimination Prohibited.** UTS and Contractor will abide by the requirements of 41 CFR 60-1.4(A), 60-300.5(A) and 60-741.5(A) (collectively, the “**Regulations**”). The regulations (1) prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and (2) prohibit discrimination against all individuals based on their race, color, religion, sex, or national origin. Moreover, the regulations require that UTS and Contractor take affirmative action to employ and advance in employment, individuals without regard to race, color, religion, sex, national origin, protected veteran status or disability.
13. **Indemnification**

13.1 To the fullest extent permitted by law, Contractor will and does hereby agree to indemnify, protect, defend with counsel approved by UTS, and hold harmless UTS and its respective affiliated enterprises, Regents, officers, directors, attorneys, employees, representatives and agents (collectively “Indemnitees”) from and against all damages, losses, liens, causes of action, suits, judgments, expenses, and other claims of any nature, kind, or description, including reasonable attorneys’ fees incurred in investigating, defending or settling any of the foregoing (collectively “Claims”) by any person or entity, arising out of, caused by, or resulting from Contractor’s performance under or breach of this Agreement and that are caused in whole or in part by any negligent act, negligent omission or willful misconduct of Contractor, anyone directly employed by Contractor or anyone for whose acts Contractor may be liable. The provisions of this Section will not be construed to eliminate or reduce any other indemnification or right which any Indemnitee has by law or equity. All parties will be entitled to be represented by counsel at their own expense.

13.2 In addition, Contractor will and does hereby agree to indemnify, protect, defend with counsel approved by UTS, and hold harmless Indemnitees from and against all claims arising from infringement or alleged infringement of any patent, copyright, trademark or other proprietary interest arising by or out of the performance of services or the provision of goods by Contractor, or the use by Indemnitees, at the direction of Contractor, of any article or material; provided, that, upon becoming aware of a suit or threat of suit for infringement, UTS will promptly notify Contractor and Contractor will be given the opportunity to negotiate a settlement. In the event of litigation, UTS agrees to reasonably cooperate with Contractor. All parties will be entitled to be represented by counsel at their own expense.

14. **Ownership and Use of Work Material**

14.1 All drawings, specifications, plans, computations, sketches, data, photographs, tapes, renderings, models, publications, statements, accounts, reports, studies, and other materials prepared by Contractor or any subcontractors in connection with the Services (collectively, "Work Material"), whether or not accepted or rejected by UTS, are the sole property of UTS and for its exclusive use and re-use at any time without further compensation and without any restrictions.

14.2 Contractor grants and assigns to UTS all rights and claims of whatever nature and whether now or hereafter arising in and to the Work Material and will cooperate fully with UTS in any steps UTS may take to obtain or enforce patent, copyright, trademark or like protections with respect to the Work Material.

14.3 Contractor will deliver all Work Material to UTS upon expiration or termination of this Agreement. UTS will have the right to use the Work Material for the completion of the Services or otherwise. UTS may, at all times, retain the originals of the Work Material. The Work Material will not to be used by any person other than UTS on other projects unless expressly authorized by UTS in writing.

14.4 The Work Material will not be used or published by Contractor or any other party unless expressly authorized by UTS in writing. Contractor will treat all Work Material as confidential.
14.5 All title and interest in the Work Material will vest in UTS and will be deemed to be a work made for hire and made in the course of the Services rendered under this Agreement. To the extent that title to any Work Material may not, by operation of law, vest in UTS or Work Material may not be considered works made for hire, Contractor hereby irrevocably assigns, conveys and transfers to UTS and its successors, licensees and assigns, all rights, title and interest worldwide in and to the Work Material and all proprietary rights therein, including all copyrights, trademarks, service marks, patents, trade secrets, moral rights, all contract and licensing rights and all claims and causes of action with respect to any of the foregoing, whether now known or hereafter to become known. In the event Contractor has any rights in the Work Material which cannot be assigned, Contractor agrees to waive enforcement worldwide of the rights against UTS, its successors, licensees, assigns, distributors and customers or, if necessary, to exclusively license the rights, worldwide to UTS with the right to sublicense. These rights are assignable by UTS.

15. Default and Termination

15.1 In the event of a material failure by a party to this Agreement to perform in accordance with the terms of this Agreement ("default"), the other party may terminate this Agreement upon fifteen (15) days' written notice of termination setting forth the nature of the material failure; provided, that, the material failure is through no fault of the terminating party. The termination will not be effective if the material failure is fully cured prior to the end of the fifteen-day period.

15.2 UTS may, without cause, terminate this Agreement at any time upon giving seven (7) days' advance written notice to Contractor. Upon termination pursuant to this Section, Contractor will be entitled to payment of an amount that will compensate Contractor for the Services satisfactorily performed from the time of the last payment date to the termination date in accordance with this Agreement; provided, that, Contractor has delivered all Work Material to UTS. Notwithstanding any provision in this Agreement to the contrary, UTS will not be required to pay or reimburse Contractor for any services performed or for expenses incurred by Contractor after the date of the termination notice that could have been avoided or mitigated by Contractor.

15.3 Termination under Sections 4.28.1 or 4.28.2 will not relieve Contractor from liability for any default or breach under this Agreement or any other act or omission of Contractor.

15.4 If Contractor fails to cure any default within fifteen (15) days after receiving written notice of the default, UTS will be entitled (but will not be obligated) to cure the default and will have the right to offset against all amounts due to Contractor under this Agreement, any and all reasonable expenses incurred in connection with UTS' curative actions.

16. Limitation of Liability

EXCEPT FOR UTS' OBLIGATION (IF ANY) TO PAY CONTRACTOR CERTAIN FEES AND EXPENSES UTS WILL HAVE NO LIABILITY TO CONTRACTOR OR TO ANYONE CLAIMING THROUGH OR UNDER CONTRACTOR BY REASON OF THE EXECUTION OR PERFORMANCE OF THIS AGREEMENT. NOTWITHSTANDING ANY DUTY OR OBLIGATION OF UTS TO CONTRACTOR OR TO ANYONE CLAIMING THROUGH OR UNDER CONTRACTOR, NO PRESENT OR FUTURE AFFILIATED ENTERPRISE, SUBCONTRACTOR, AGENT, OFFICER, DIRECTOR, EMPLOYEE, REPRESENTATIVE, ATTORNEY OR REGENT OF UTS, OR THE UTS OF TEXAS SYSTEM, OR ANYONE CLAIMING UNDER UTS HAS OR WILL HAVE ANY PERSONAL LIABILITY TO CONTRACTOR OR TO ANYONE CLAIMING THROUGH OR UNDER CONTRACTOR BY REASON OF THE EXECUTION OR PERFORMANCE OF THIS AGREEMENT.
17. **Historically Underutilized Business Subcontracting Plan**

**Historically Underutilized Business Subcontracting Plan.** Contractor agrees to use good faith efforts to subcontract the Services in accordance with the Historically Underutilized Business Subcontracting Plan ("HSP") (ref. Exhibit __). Contractor agrees to maintain business records documenting its compliance with the HSP and to submit a monthly compliance report to UTS in the format required by Texas Procurement and Support Services Division of the Texas Comptroller of Public Accounts or any successor agency (collectively, “TPSS”). Submission of compliance reports will be required as a condition for payment under this Agreement. If UTS determines that Contractor has failed to subcontract as set out in the HSP, UTS will notify Contractor of any deficiencies and give Contractor an opportunity to submit documentation and explain why the failure to comply with the HSP should not be attributed to a lack of good faith effort by Contractor. If UTS determines that Contractor failed to implement the HSP in good faith, UTS, in addition to any other remedies, may report nonperformance to the TPSS in accordance with 34 TAC Sections 20.101 through 20.108. UTS may also revoke this Agreement for breach and make a claim against Contractor.

17.1 **Changes to the HSP.** If at any time during the term of this Agreement, Contractor desires to change the HSP, before the proposed changes become effective (a) Contractor must comply with 34 TAC Section 20.14; (b) the changes must be reviewed and approved by UTS; and (c) if UTS approves changes to the HSP, this Agreement must be amended in accordance with Section 4.19 to replace the HSP with the revised subcontracting plan.

17.2 **Expansion of the Services.** If UTS expands the scope of the Services through a change order or any other amendment, UTS will determine if the additional Services contains probable subcontracting opportunities not identified in the initial solicitation for the Services. If UTS determines additional probable subcontracting opportunities exist, Contractor will submit an amended subcontracting plan covering those opportunities. The amended subcontracting plan must comply with the provisions of 34 TAC Section 20.14 before (a) this Agreement may be amended to include the additional Services; or (b) Contractor may perform the additional Services. If Contractor subcontracts any of the additional subcontracting opportunities identified by UTS without prior authorization and without complying with 34 TAC Section 20.14, Contractor will be deemed to be in breach of this Agreement under Section 4.28 and will be subject to any remedial actions provided by Texas law including Chapter 2161, Government Code and 34 TAC Section 20.14. UTS may report nonperformance under this Agreement to the TPSS in accordance with 34 TAC Sections 20.101 through 20.108.

18. **Responsibility for Individuals Performing Services; Criminal Background Checks**

Each individual who is assigned to perform the Services under this Agreement will be an employee of Contractor or an employee of a subcontractor engaged by Contractor. Contractor is responsible for the performance of all individuals performing the Services under this Agreement. Prior to commencing the Services, Contractor will (1) provide UTS with a list ("List") of all individuals who may be assigned to perform the Services, and (2) have an appropriate criminal background screening performed on all the individuals. Contractor will determine on a case-by-case basis whether each individual assigned to perform the Services is qualified to provide the services. Contractor will not knowingly assign any individual to provide services on UTS’ campus who has a history of criminal conduct unacceptable for a university campus or healthcare center, including violent or sexual offenses. Contractor will update the List each time there is a change in the individuals assigned to perform the Services.

Prior to commencing performance of the Services under this Agreement, Contractor will provide UTS a letter signed by an authorized representative of Contractor certifying compliance with this Section. Contractor will provide UTS an updated certification letter each time there is a change in the individuals
assigned to perform the Services.

19. **Limitations**

The Parties are aware that there are constitutional and statutory limitations on the authority of UTS (a state agency) to enter into certain terms and conditions that may be a part of this Agreement, including those terms and conditions relating to liens on UTS’ property; disclaimers and limitations of warranties; disclaimers and limitations of liability for damages; waivers, disclaimers and limitations of legal rights, remedies, requirements and processes; limitations of periods to bring legal action; granting control of litigation or settlement to another party; liability for acts or omissions of third parties; payment of attorneys’ fees; dispute resolution; indemnities; and confidentiality (collectively, the “**Limitations**”), and terms and conditions related to the Limitations will not be binding on UTS except to the extent authorized by the laws and Constitution of the State of Texas.

UTS and Contractor have executed and delivered this Agreement to be effective as of the Effective Date.

A HUB Subcontracting Plan is a required element of the architect, contractor or vendor Response to the purchase solicitation. The HUB Subcontracting Plan shall be developed and administered in accordance with the Policy. Failure to submit a required HUB Subcontracting Plan (HSP) will result in rejection of the Response.

2. If subcontracting opportunities are probable UT System will declare such probability in its invitations for bids, requests for proposals, or other purchase solicitation documents, and shall require submission of the appropriate HUB Subcontracting Plan with the Response.
   b. When subcontracting opportunities are probable, but the Respondent can perform such opportunities with its employees and resources, the Respondent’s HUB Subcontracting Plan shall include Section 3 –Self Performance [34 TAC §20.14 (d) (5) (A) (B) (C) (D)].

3. If subcontracting opportunities are not probable UT System will declare such probability in its invitations or bids, requests for proposals, or other purchase solicitation documents and shall require submission of the appropriate HUB Subcontracting Plan with the Response.
   a. When subcontracting opportunities are not probable, and the Respondent proposes to perform all the work with its employees and resources, the Respondent shall submit a HUB Subcontracting Plan that includes Section 3 – Self Performance Justification.
   b. When subcontracting opportunities are not probable, but the Respondent proposes to subcontract any part of the work, the Respondent shall submit a HUB Subcontracting Plan as prescribed by the Texas Comptroller identifying subcontractors.

4. Respondents shall follow, but are not limited to, procedures listed in the Policy when developing a HUB Subcontracting Plan.

5. Competitive Sealed Proposals (CSP): Respondents shall submit a HUB Subcontracting Plan (packaged separately) twenty-four (24) hours following the Response submission date and time or as prescribed by the project manager.

6. In making a determination whether a good faith effort has been made in the development of the required HUB Subcontracting Plan, UT System shall follow the procedures listed in the Policy. If accepted by the
University, the HUB Subcontracting Plan shall become a provision of the Respondent’s contract with UT System. Revisions necessary to clarify and enhance information submitted in the original HUB subcontracting plan may be made in an effort to determine good faith effort. Any revisions after the submission of the HSP shall be approved by the HUB Coordinator.

7. **Design Build (DB) and Construction Manager @ Risk (CM@R) responses:** Respondents to a “design build” or “construction manager-at-risk” purchase solicitation shall include the Letter of HUB Commitment in their Response attesting that the Respondent has read and understands the Policy on Historically Underutilized Businesses (HUBs), and a HUB Subcontracting Plan for all preconstruction and construction services including a HUB Subcontracting Plan as prescribed by the Texas Comptroller specific to construction services identifying first, second and third tier subcontractors. Respondents proposing to perform Part 1 preconstruction services with their own resources and employees shall submit, as part of their HSP, the Self Performance Justification.

8. **DB and CM@R HUB Contract Requirements:** Contractors engaged under design-build and construction manager-at-risk contracts shall submit a HUB Subcontracting Plan for all preconstruction and construction Phase Services, and, must further comply with the requirements of this Policy by developing and submitting a HUB Subcontracting Plan for each bid package issued in buying out the guaranteed maximum or lump sum price of the project. The HSP shall identify first, second and third tier subcontractors.

9. The University of Texas System shall reject any Response that does not include a fully completed HSP as required. An incomplete HUB Subcontracting Plan is considered a material failure to comply with the solicitation for proposals.

10. **Changes to the HUB Subcontracting Plan:** Once a Respondent’s HSP is accepted by UT System and becomes a provision of the contract between Respondent and UT System, the Respondent can only change that HSP if (a) the Respondent complies with 34 TAC Section 20.14; (b) the Respondent provides its proposed changes to UT System for review; (c) UT System (including UT System’s HUB Coordinator) approves Respondent’s proposed changes to its HSP; and (d) UT System and the Respondent amend their contract (in writing signed by authorized officials of both parties) in order to replace the contract’s existing HSP with a revised HSP containing the changes approved by UT System.

11. **Expansion of Work:** If, after entering into a contract with a Respondent as a result of a purchase solicitation subject to the Policy, UT System wishes to expand the scope of work that the Respondent will perform under that contract through a change order or any other contract amendment (the “additional work”), UT System will determine if the additional work contains probable subcontracting opportunities not identified in the initial purchase solicitation for that contract. If UT System determines that probable subcontracting opportunities exist for the additional work, then the Respondent must submit to UT System an amended HUB Subcontracting Plan covering those opportunities that complies with the provisions of 34 TAC Section 20.14. Such an amended HSP must be approved by UT System and the Respondent (including UT System’s HUB Coordinator) before (a) the contract may be amended by UT System and the Respondent to include the additional work and the amended HSP and (b) the Respondent performs the additional work. If a Respondent subcontracts any of the additional subcontracting opportunities identified by UT System for any additional work (i) without complying with 34 TAC Section 20.14 or (ii) before UT System and that Respondent amend their contract to include a revised HSP that authorizes such subcontracting, then the Respondent will be deemed to be in breach of its contract with UT System. As a result of such breach, UT System will be entitled to terminate its contract with the Respondent, and the Respondent will be subject to any remedial actions provided by Texas law, including those set forth in Chapter 2161, Texas Government Code, and 34 TAC Section 20.14. The University may report a Respondent’s nonperformance under a
contract between that Respondent and UT System to the Texas Comptroller in accordance with 34 TAC Sections 20.10 through 20.18.

12. A Response may state that the Respondent intends to perform all the subcontracting opportunities with its own employees and resources in accordance with the Policy. However, if such a Respondent enters into a contract with UT System as a result of such a Response but later desires to subcontract any part of the work set forth in that contract, before the Respondent subcontracts such work it must first change its HUB Subcontracting Plan in accordance with the provisions of Section 10 above.

13. The University of Texas System shall require a professional services firm, contractor or vendor to whom a contract has been awarded to report the identity and the amount paid to its subcontractors on a monthly basis using a HUB Subcontracting Plan (HSP) Prime Contractor Progress Assessment Report (PAR) as a condition for payment.

14. If the University of Texas System determines that the successful Respondent failed to implement an approved HUB Subcontracting Plan in good faith, UT System, in addition to any other remedies, may report nonperformance to the Texas Comptroller in accordance with 34 TAC Section 20.14, (g) (1) related remedies of nonperformance to professional services firms, contractor and vendor implementation of the HSP.

15. In the event of any conflict between this “Summary of Requirements” and the remainder of the HUB Policy, the remainder of the HUB Policy will control.

RE: Historically Underutilized Business Plan for (Project Title): ________________________________

Project Number____________________

Dear ,

In accordance with the requirements outlined in the specification section “HUB Participation Program,” I am pleased
to forward this HUB Subcontracting Plan as an integral part of our response in connection with your invitation for
Request for Proposals referencing the above project.

I have read and understand The University of Texas System Policy on Utilization of Historically Underutilized
Businesses (HUBs). I also understand the State of Texas Annual Procurement Goal according to 34 Texas
Administrative Code Section 20.13, and the goal as stated in the Agency Special Instructions section of the HUB
Subcontracting Plan, page 11.

Select one of the following:

- ______ 32.9% for all special trade construction contracts
- ______ 26% for all other services contracts
- ______ 35.25% for commodities contracts

I understand the above HUB percentages must represent Texas Comptroller HUB certification standards. For each of
the listed HUB firms, I have attached a Texas Comptroller HUB Certification document.

Should we discover additional subcontractors claiming Historically Underutilized Business status during the course of
this contract we will notify you of the same. In addition, if for some reason a HUB is unable to fulfill its contract with
us, we will notify you immediately in order to take the appropriate steps to amend this contractual obligation.

Sincerely, (Project

RE: Historically Underutilized Business Plan for (Project Title______________________________________________)
    Project Number:______________________

Dear :

In accordance with the requirements outlined in the specification section “HUB Participation Program”, I am pleased to forward this HUB Subcontracting Plan as an integral part of our proposal in connection with your invitation for request for proposals, referencing Project Number___________________.

I have read and understand The University of Texas System Policy on Utilization of Historically Underutilized Businesses (HUBs).

Good Faith Effort will be documented by a two part HUB Subcontracting Plan (HSP) process. Part one (1) of the HSP submission will reflect self-performance with the appropriate sections completed per the instructions in Option One of the HSP Quick Checklist located on page 10 of The University of Texas Exhibit H Policy on Utilization of Historically Underutilized Businesses (HUBs).

As the scope of work/project is defined under this ID/IQ contract, part two (2) of the process will require a revised HUB Subcontracting Plan (HSP) and the Good Faith Effort will be documented per instructions in Attachment B (page 16-17) and Option Three of the HSP Quick Check List. The revised HUB Subcontracting Plan will be submitted to the HUB Coordinator prior to execution of each contract process. Documentation of subcontracted work will be provided with each pay request.

Sincerely,

Project Executive

**Option Two:** If you will be subcontracting any portion of the contract to Texas certified HUB vendors and Non-HUB vendors, and the aggregate percentage of all the subcontracting work you will be awarding to the Texas certified HUB vendors with which you do not have a “continuous contract” in place for more than five (5) years meets or exceeds the HUB Goal the contracting agency identified in the “Agency Special Instructions/Additional requirements”, complete:

- Section 1 - Respondent and Requisition Information
- Section 2 a. - Yes, I will be subcontracting portions of the contract.
- Section 2 b. - List all the portions of work you will subcontract, and indicate the percentage of the contract you expect to award to Texas certified HUB vendors and Non-HUB vendors.
- Section 2 c. - No
- Section 2 d. - Yes

- Letter of Transmittal

**Option Three:** If you will be subcontracting any portion of the contract to Texas certified HUB vendors and Non-HUB vendors or only to Non-HUB vendors, and the aggregate percentage of all the subcontracting work you will be awarding to the Texas certified HUB vendors with which you do not have a continuous contract in place for more than five (5) years does not meet or exceed the HUB Goal the contracting agency identified in the “Agency Special Instructions/Additional Requirements”, complete:

- Section 1 - Respondent and Requisition Information

**Option Four:** If you will not be subcontracting any portion of the contract and will be fulfilling the entire contract with your own resources (i.e., employees, supplies, materials and/or equipment, including transportation and delivery), complete:

- Section 1 - Respondent and Requisition Information
- Section 2 a. - No, I will not be subcontracting any portion of the contract, and I will be fulfilling the entire contract with my own resources.

- Letter of HUB Commitment

*Continuous Contract: Any existing written agreement (including any renewals that are exercised) between a prime contractor and a HUB vendor, where the HUB vendor provides the prime contractor with goods or service, to include transportation and delivery under the same contract for a specified period of time. The frequency the HUB vendor is utilized or paid during the term of the contract is not relevant to whether the contract is considered continuous. Two or more contracts that run concurrently or overlap one another for different periods of time are considered by CPA to be individual contracts rather than renewals or extensions to the original contract. In such situations the prime contractor and HUB vendor are entering (have entered) into “new” contracts.
HUB Subcontracting Plan (HSP)

In accordance with Texas Gov't Code §2161.252, the contracting agency has determined that subcontracting opportunities are probable under this contract. Therefore, all respondents, including State of Texas certified Historically Underutilized Businesses (HUBs) must complete and submit this State of Texas HUB Subcontracting Plan (HSP) with their response to the bid requisition (solicitation).

NOTE: Responses that do not include a completed HSP shall be rejected pursuant to Texas Gov't Code §2161.252(b).

The HUB Program promotes equal business opportunities for economically disadvantaged persons to contract with the State of Texas in accordance with the goals specified in the 2009 State of Texas Disparity Study. The statewide HUB goals defined in 34 Texas Administrative Code (TAC) §20.13 are:

- 11.2 percent for heavy construction other than building contracts,
- 21.1 percent for all building construction, including general contractors and operative builders’ contracts,
- 32.9 percent for all special trade construction contracts,
- 23.7 percent for professional services contracts,
- 26.0 percent for all other services contracts, and
- 21.1 percent for commodities contracts.

In accordance with 34 TAC §20.14(d)(1)(D)(iii), a respondent (prime contractor) may demonstrate good faith effort to utilize Texas certified HUBs for its subcontracting opportunities if the total value of the respondent's subcontracts with Texas certified HUBs meets or exceeds the statewide HUB goal or the agency specific HUB goal, whichever is higher. When a respondent uses this method to demonstrate good faith effort, the respondent must identify the HUBs with which it will subcontract. If using existing contracts with Texas certified HUBs to satisfy this requirement, only the aggregate percentage of the contracts expected to be subcontracted to HUBs with which the respondent does not have a continuous contract* in place for more than five (5) years shall qualify for meeting the HUB goal. This limitation is designed to encourage vendor rotation as recommended by the 2009 Texas Disparity Study.

In accordance with 34 TAC §20.13(d)(1)(D)(iii), the goals below are the applicable goals for The University of Texas System Administration only.

- Other Services HUB Goal – 26%
- Commodities HUB Goal – 35.25%
- Special Trades HUB Goal – 32.9%

- Responses for Special Trades construction shall submit a HUB Subcontracting Plan (HSP) that meets the Good Faith Effort prescribed in Method B (Attachment B). See instruction for Option Three on the HSP Quick Check List. No other Good Faith Effort method will be accepted.
- Responses for Miscellaneous Services Agreements for indefinite duration/indefinite quantity- Two (2) part process:
  1. Submit a Letter of HUB Commitment (page 9) and a Good Faith Effort described in Option Four.
  2. Submit a revised HSP prior to execution of each contract process as described in Option Three of Quick Check List.
- Respondents shall submit a completed HUB Subcontracting Plan (HSP) to be considered responsive. Failure to submit a completed HSP shall result in the bid, proposal or other expression of interest to be considered Non-responsive.
- Respondents who intend to Self-Perform all of their work shall submit an HSP for Self-Performance HUB Subcontracting Plan (HSP) as described in Option Four.
- Prime Contractor Progress Assessment Report (PAR) shall be submitted with each request for payment as a condition of payment.
- Please note that phone logs are no longer acceptable documentation of Good Faith Effort. Only fax, email and certified letter are acceptable.

SECTION-3: SELF PERFORMING JUSTIFICATION
(If you responded “No” to SECTION 2, Item a, you must complete this SECTION and continue to SECTION 4.)

If you responded “No” to SECTION 2, Item a, in the space provided below explain how your company will perform the entire contract with its own employees, supplies, materials and/or equipment, to include transportation and delivery.

SECTION-4: AFFIRMATION
As evidenced by my signature below, I affirm that I am an authorized representative of the respondent listed in SECTION 1, and that the information and supporting documentation submitted with the HSP is true and correct. Respondent understands and agrees that, if awarded any portion of the requisition:

- The respondent will provide notice as soon as practical to all the subcontractors (HUBs and Non-HUBs) of their selection as a subcontractor for the awarded contract. The notice must specify at a minimum the contracting agency's name and its point of contact for the contract, the contract award number, the subcontracting opportunity they (the subcontractor) will perform, the approximate dollar value of the subcontracting opportunity and the expected percentage of the total contract that the subcontracting opportunity represents. A copy of the notice required by this section must also be provided to the contracting agency's point of contact for the contract no later than ten (10) working days after the contract is awarded.

- The respondent must submit monthly compliance reports (Prime Contractor Progress Assessment Report – PAR) to the contracting agency, verifying its compliance with the HSP, including the use of and expenditures made to its subcontractors (HUBs and Non-HUBs). (The PAR is available at http://www.window.state.tx.us/procurement/prog/hub/hub-forms/progressassessmentrpt.xls).

- The respondent must seek approval from the contracting agency prior to making any modifications to its HSP, including the hiring of additional or different subcontractors and the termination of a subcontractor the respondent identified in its HSP. If the HSP is modified without the contracting agency’s prior approval, respondent may be subject to any and all enforcement remedies available under the contract or otherwise available by law, up to and including debarment from all state contracting.

- The respondent must, upon request, allow the contracting agency to perform on-site reviews of the company's headquarters and/or work-site where services are being performed and must provide documentation regarding staffing and other resources.

If respondent is participating as a Mentor in a State of Texas Mentor Protégé Program, submitting its Protégé (Protégé must be a State of Texas certified HUB) as a subcontractor to perform the subcontracting opportunity listed in SECTION B-1, constitutes a good faith effort to subcontract with a Texas certified HUB towards that specific portion of work.

Check the appropriate box (Yes or No) that indicates whether you will be subcontracting the portion of work you listed in SECTION B-1 to your Protégé.

☐ - Yes (If Yes, continue to SECTION B-4.)
☐ - No / Not Applicable (If No or Not Applicable, continue to SECTION B-3 and SECTION B-4.)

**SECTION B 3: NOTIFICATION OF SUBCONTRACTING OPPORTUNITY**

When completing this section you MUST comply with items a, b, c and d, thereby demonstrating your Good Faith Effort of having notified Texas certified HUBs and trade organizations or development centers about the subcontracting opportunity you listed in SECTION B-1. Your notice should include the scope of work, information regarding the location to review plans and specifications, bonding and insurance requirements, required qualifications, and identify a contact person. When sending notice of your subcontracting opportunity, you are encouraged to use the attached HUB Subcontracting Opportunity Notice form, which is also available online at [http://window.state.tx.us/procurement/prog/hub/hub-subcontracting-plan](http://window.state.tx.us/procurement/prog/hub/hub-subcontracting-plan).

Retain supporting documentation (i.e., certified letter, fax, e-mail) demonstrating evidence of your good faith effort to notify the Texas certified HUBs and trade organizations or development centers. Also, be mindful that a working day is considered a normal business day of a state agency, not including weekends, federal or state holidays, or days the agency is declared closed by its executive officer. The initial day the subcontracting opportunity notice is sent/provided to the HUBs and to the trade organizations or development centers is considered to be “day zero” and does not count as one of the seven (7) working days.

a. Provide written notification of the subcontracting opportunity you listed in SECTION B-1, to three (3) or more Texas certified HUBs. Unless the contracting agency specified a different time period, you must allow the HUBs at least seven (7) working days to respond to the notice prior to you submitting your bid response to the contracting agency. When searching for Texas certified HUBs and verifying their HUB status, ensure that you use the State of Texas’ Centralized Master Bidders List (CMBL) - Historically Underutilized Business (HUB) Directory Search located at [http://mycpa.cpa.state.tx.us/passcmblsearch/index.jsp](http://mycpa.cpa.state.tx.us/passcmblsearch/index.jsp). HUB status code “A” signifies that the company is a Texas certified HUB.

b. List the three (3) Texas certified HUBs you notified regarding the subcontracting opportunity you listed in SECTION B-1. Include the company’s Texas Vendor Identification (VID) Number, the date you sent notice to that company, and indicate whether it was responsive or non-responsive to your subcontracting opportunity notice.

Unless the contracting agency specified a different time period, you must provide your subcontracting opportunity notice to trade organizations or development centers at least seven (7) working days prior to submitting your bid response to the contracting agency. A list of trade organizations and development centers that have expressed an interest in receiving notices of subcontracting opportunities is available on the Statewide HUB Program’s webpage at [http://www.window.state.tx.us/procurement/prog/hub/mwb-links-1/](http://www.window.state.tx.us/procurement/prog/hub/mwb-links-1/).

If any of the subcontractors you have selected to perform the subcontracting opportunity you listed in SECTION B-1 is not a Texas certified HUB, provide written justification for your selection process (attach additional page if necessary):

REMINDER: As specified in SECTION 4 of the completed HSP form, if you (respondent) are awarded any portion of the requisition, you are required to provide notice as soon as practical to all the subcontractors (HUBs and Non-HUBs) of their selection as a subcontractor. The notice must specify at a minimum the contracting agency’s name and its point of contact for the contract, the contract award number, the subcontracting opportunity it (the subcontractor) will perform, the approximate dollar value of the subcontracting opportunity and the expected percentage of the total contract that the subcontracting opportunity represents. A copy of the notice required by this section must also be provided to the contracting agency’s point of contact for the contract no later than ten (10) working days after the contract is awarded.
In accordance with Texas Gov't Code, Chapter 2161, each state agency that considers entering into a contract with an expected value of $100,000 or more shall, before the agency solicits bids, proposals, offers, or other applicable expressions of interest, determine whether subcontracting opportunities are probable under the contract. The state agency has identified below in Section B has determined that subcontracting opportunities are probable under the requisition to which my company will be responding.

34 Texas Administrative Code, §20.14 requires all respondents (prime contractors) bidding on the contract to provide notice of each of their subcontracting opportunities to at least three (3) Texas certified HUBs (who work within the respective industry applicable to the subcontracting opportunity), and allow the HUBs at least seven (7) working days to respond to the notice prior to the respondent submitting its bid response to the contracting agency. In addition, at least seven (7) working days prior to submitting its bid response to the contracting agency, the respondent must provide notice of each of its subcontracting opportunities to two (2) or more trade organizations or development centers (in Texas) that serves members of groups (i.e., Asian Pacific American, Black American, Hispanic American, Native American, Woman, Service Disabled Veteran) identified in Texas Administrative Code, §20.11(19)(C).

We respectfully request that vendors interested in bidding on the subcontracting opportunity scope of work identified in Section C, Item 2, reply no later than the date and time identified in Section C, Item 1. Submit your response to the point-of-contact referenced in Section A.
