

Liability Benefit Plan, Professional Medical

Purpose:

Provides certain medical staff and students with professional medical liability indemnity from and against medical liability claims

Date Approved:

February 13-14, 2013

Background:

The Plan for Professional Medical Malpractice Self-Insurance was approved by the Board of Regents on April 15, 1977. Authority for the Plan had been granted to the Board of Regents by Senate Bill 391, Acts of the 65th Legislature, effective March 10, 1977 (later codified as *Texas Education Code* Section 59.01 *et seq.*)

Since the Plan was first approved, it has been amended on March 29, 1979; February 29, 1980; June 12, 1981; April 8, 1982; August 11, 1983; December 7, 1989; February 8, 1990; June 14, 1990; June 11, 1992 and October 9, 1992. The name was changed to the Plan for Professional Medical Liability Self-Insurance in conjunction with rate changes made at the February 11, 1988 meeting. In order to incorporate changes in Texas insurance law, the Board of Regents rescinded the Plan for Professional Medical Liability Self-Insurance on February 12, 1998, and adopted the Professional Medical Liability Benefit Plan. Amendments to the new plan were made February 11, 1999, May 11, 2000, February 13, 2003, November 5, 2004, August 11, 2005, August 20, 2009, August 12-13, 2010, August 24-25, 2011 and February 13-14, 2013.

PARTICIPANTS' OBLIGATIONS**

Section 1 -- Notice of Claim, Suit or Disciplinary and Licensing Action

The Participant shall give written notice to the System as soon as practicable of any claim made against the Participant. The notice shall identify the Participant and contain reasonably obtainable information with respect to the time, place and circumstances of the injury, including the names and addresses of the patient and of available witnesses. If a claim is made or a lawsuit is brought against the Participant, the Participant shall immediately forward to the Administrator every demand, notice, summons, or other process received by the Participant in accordance with administrative procedures prescribed or approved by the Administrator.

The Participant shall give written notice to the System as soon as practicable of any disciplinary and licensing action taken against the Participant for which the Participant seeks coverage.

Section 2 -- Cooperation by Participant

The Participant shall cooperate with the System and, upon the System's request, respond to discovery requests, attend meetings with Plan representatives or defense counsel, and attend mediations and trials. Further, the Participant shall cooperate with the System in enforcing any right of contribution or indemnity against any person or organization who may be liable to the Participant because of injury or damage with respect to which coverage is afforded under this Plan. The Participant shall attend hearings and trials and assist in securing and giving evidence and obtaining the attendance of witnesses. The Participant shall not, except at Participant's own cost, and after informing the Administrator in writing, voluntarily make any payment, assume any obligation or incur any expense. The Participant shall not take any affirmative act or omission which may reasonably prejudice the defense of the claim or lawsuit. The taking of any affirmative act or omission which prejudices the defense of the claim or lawsuit shall entitle the System, but not obligate the System, to deny indemnity for any or all claims or lawsuit so prejudiced.

Section 3 -- Nonassignability of Interest in Plan

The Participant's interest under this Plan is nonassignable. If any Participant shall die or be adjudged incompetent, this Plan shall thereupon terminate automatically as to such Participant, but shall indemnify and defend the legal representative of such Participant's estate as a Participant with respect to liability previously incurred and covered by this Plan.

ARTICLE VII LIMITS OF LIABILITY

The Plan's liability shall not exceed the limits of liability stated below, and such stated limits shall be applied as follows:

1. A single "per claim" limit of liability shall be applicable to a Liability Claim regardless of the number of claimants or Plan Participants involved.
 - a. A single "per claim" limit of liability shall apply to claims involving injuries to more than one patient such as in obstetrical services to the mother and fetus/child or children, a single "per claim" limit of liability shall be applicable for all such claims and resulting lawsuits.
 - b. A single "per claim" limit of liability shall apply to all claims by both the patient and by the family members or the heirs or estate of such patient, including derivative claims, claims for loss of consortium, claims of beneficiaries under the Texas Wrongful Death Statute and claims for mental anguish and related injuries associated with bystander perception or reaction to the injuries sustained by the patient.

c. Plan coverage limits of liability will not be stacked, added or combined in any manner to increase liability under this Plan even though multiple claimants, multiple claims or injuries, multiple lawsuits, or annual periods may be involved within a Liability Claim.

2. The "annual aggregate for all claims for all Participants" is the maximum amount of money the Plan will pay to indemnify all Participants for all Liability Claims arising during any one Plan year.

Limits of Liability Schedule

The following limits shall apply unless lower liability limits are set by law, in which case the lower limits shall apply:

Staff Physician - \$500,000.00 per Liability Claim (up to \$1,500,000.00 for all Liability Claims during any one enrollment period)

Resident and Fellows - \$100,000.00 per Liability Claim (up to \$300,000.00 for all Liability Claims during any one enrollment period)

Annual Aggregate - \$30,000,000.00 for all Liability Claims for all Participants during any one Plan year

Per Claim Limitation - Plan liability shall be limited to \$2,000,000.00 per claim regardless of the number of the claimants or Plan Participants involved in an incident.

The above limits of liability for Plan Participants, as defined in Article II A 1 - 4 only, may be exceeded upon determination of necessity and with the conditions of participation determined by the Plan Administrator or a designee.

ARTICLE VIII OTHER COVERAGE

Section 1 -- Coverage

When the Participant has other professional liability coverage which is stated to be applicable to the loss on an excess or contingent basis, the amount of the System's liability under this Plan shall not be reduced by the existence of such insurance.

Section 2 -- Insurance

When both this Plan and insurance apply to the loss on the same basis, whether primary, excess or contingent, the System shall not be liable under this Plan for a greater proportion of the loss than that stated in the applicable contribution provision below:

- A. **Contribution by Equal Shares.** If all such valid and collectible insurance provides for contribution by equal shares, the System shall not be liable for a greater proportion of such loss than would be payable if each such insurer contributes an equal share until the share of each insurer or the Plan equals the lowest applicable limit of liability under any one policy or the Plan or the full amount of loss is paid, and with respect to any amount of loss not so paid, the remaining insurers or the Plan then continue to contribute equal shares of the remaining amount of the loss until each such insurer or the Plan has paid its limit in full or the full amount of the loss is paid.

- B. **Contribution by Limits.** If any of such insurance does not provide for contribution by equal shares, the System shall not be liable for a greater proportion of such loss than the applicable limit of liability under this Plan for such loss bears to the total applicable limit of liability of all valid and collectible insurance and the Plan against such loss.

ARTICLE IX MODIFICATION AND TERMINATION

Section 1 -- Rights of Participants

The Board may terminate the Plan at any time or from time to time, may amend, alter or suspend the Plan in whole or in part, as to all persons eligible to participate hereunder, or any class or groups of such persons, provided such action shall not impair any rights accrued prior to the effective date of such termination, amendments, alterations or suspension. Any such termination, amendments, alterations or suspension shall be effective on the date of the Board action unless a later date is specified by the Board. The Administrator shall promptly give notice of any such termination, amendment, alteration or suspension to all Participants affected thereby.

Section 2 -- Termination in Event of Mandatory Participation in Other Indemnity or Insurance Programs

It is an express condition of the Plan that if the System is required by law, or by a collective bargaining or other agreement, to contribute toward another plan, program or scheme providing professional liability insurance or indemnity benefits for a class or group of Plan Participants, this Plan will terminate forthwith as to such class or group of Plan Participants.

All coverage of a Participant under this Plan shall cease at once if the Participant engages in any business or performs any act which in the sole judgment of the Board is prejudicial to the interest of the System.

ARTICLE X ACTION AGAINST SYSTEM

Section 1 -- Conditions Precedent

No action shall lie against the System unless, as a condition precedent thereto, there shall have been full compliance with all of the terms of this Plan, nor until the amount of the Participant's obligation to pay shall have been finally determined either by judgment against the Participant after actual trial, or by written agreement of the claimant and the Administrator.

Section 2 -- Third-party Actions

Any person or organization, or the legal representative thereof, who has secured such judgment or written agreement, shall thereafter be entitled to recover under this Plan to the extent of the coverage afforded by this Plan. The Plan shall be governed by and construed in accordance with the laws of the State of Texas. Any interpretation of the Plan by the Administrator shall be conclusive as between the System and its employees and students, participating Plan Participant, and retired or otherwise terminated Participants, employees and students, and may be relied upon by the System and all parties in interest.

Section 4 -- Counsel and Settlement Authority

Authority to employ counsel, approve attorney fees and expenses, and approve settlement of all claims, including litigation, shall rest with the Administrator, or the Administrator's delegate, subject to any additional approval required by the Board of Regents of the System pursuant to any applicable policies of the System.

ARTICLE XII GENERAL PROVISIONS

Section 1 -- Subrogation

In the event of any payment under this Plan, the System shall be subrogated to all of the Participant's rights of recovery thereof against any person or organization and the participant shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. The Participant shall do nothing after loss to prejudice such rights.

Section 2 -- Changes

Notice to any agent or knowledge possessed by any agent or by any other person shall not affect a waiver or a change in any part of this Plan, or estop the System from asserting any right under the terms of this Plan; nor shall the terms of this Plan be waived or changed, except by written waiver or amendment duly approved by the Board.
