RECOVER FASTER WITH AIRROSTI

Airrosti visits are a \$35 copay for all employees and dependents on the University of Texas System BCBS health plan

RAPID RECOVERY TREATMENT FOR SPINE AND JOINT INJURIES

Are you suffering from chronic pain or an unresolved injury? Airrosti providers are experts at diagnosing and rapidly resolving most injuries, usually within only 3.2 visits (based on patient-reported outcomes). Each visit consists of an hour of focused one-on-one care, safe and highly effective manual (hands on) therapy, and a customized active rehab program — leading to immediate and lasting results. **88.8% of patients report a full recovery following Airrosti treatment.**
