MDLIVE

24/7 VIRTUAL VISITS WITH DOCTORS — AT YOUR SERVICE, ANYWHERE

Getting sick over the weekend or after normal business hours used to mean a lengthy, costly trip to an emergency room or hospital. Not any more — with UT CONNECT, you'll be able to have a virtual visit with a doctor through MDLIVE. It's provided by Blue Cross and Blue Shield of Texas, and available as part of your medical coverage. ***With MDLIVE, the doctor is in 24/7/365. And there is no additional cost to you to use this service.***

You don't have to leave the comfort of your home. Virtual visits allow you to consult with a doctor for nonemergency situations by phone, mobile app or online video — anytime, anywhere. Speak to a doctor or schedule a time that works best for you.
