*Additional monthly charge applies if any covered members are tobacco users. A tobacco user is a person enrolled in the UT SELECT Medical plan, age 16 and above, who has used tobacco products within the past sixty (60) days. You must declare whether you and/or any of your covered dependents use tobacco by submitting a completed TPP Declaration form to your institution HR/Benefits Office. Please visit www.utsystem.edu/offices/employee-benefits/tobacco-premium-program for additional information and to download the form if you need to declare or update your TPP information. You may contact your institution HR/Benefits Office for assistance.

*Rates for the UT CARE Medicare PPO may change effective January 1, 2026. Participants will be notified of any changes in advance.
