**Reliable coverage and affordable preventive care**

## **Delta Dental PPO™ & DeltaCare® USA**

Your company lets you choose between two dental plans from Delta Dental. With either one, you'll have access to rigorously vetted dentists and affordable preventive care.

### **Delta Dental PPO<sup>1</sup>**

This preferred provider plan offers the convenience and flexibility of visiting any licensed dentist, anywhere. PPO network dentists complete claim forms for you and can help advise you on questions regarding your share of the payment.

### **DeltaCare USA**

With DeltaCare USA, you get straightforward and affordable care from a trusted in-network dentist that you choose. Simply select a DeltaCare USA general dentist to start receiving plan benefits.<sup>2</sup> Preset copayments<sup>3</sup> allow you to know ahead of time everything your plan covers and what each procedure costs.
