VETERAN SPECIALTY PROGRAM

You were there for us, now we are here for you.

As a U.S. military veteran, you chose to serve and support our country. Blue Cross and Blue Shield of Texas wants to do the same for you. We have a new specialized UT SELECT Concierge team to support veteran members like you and your family.

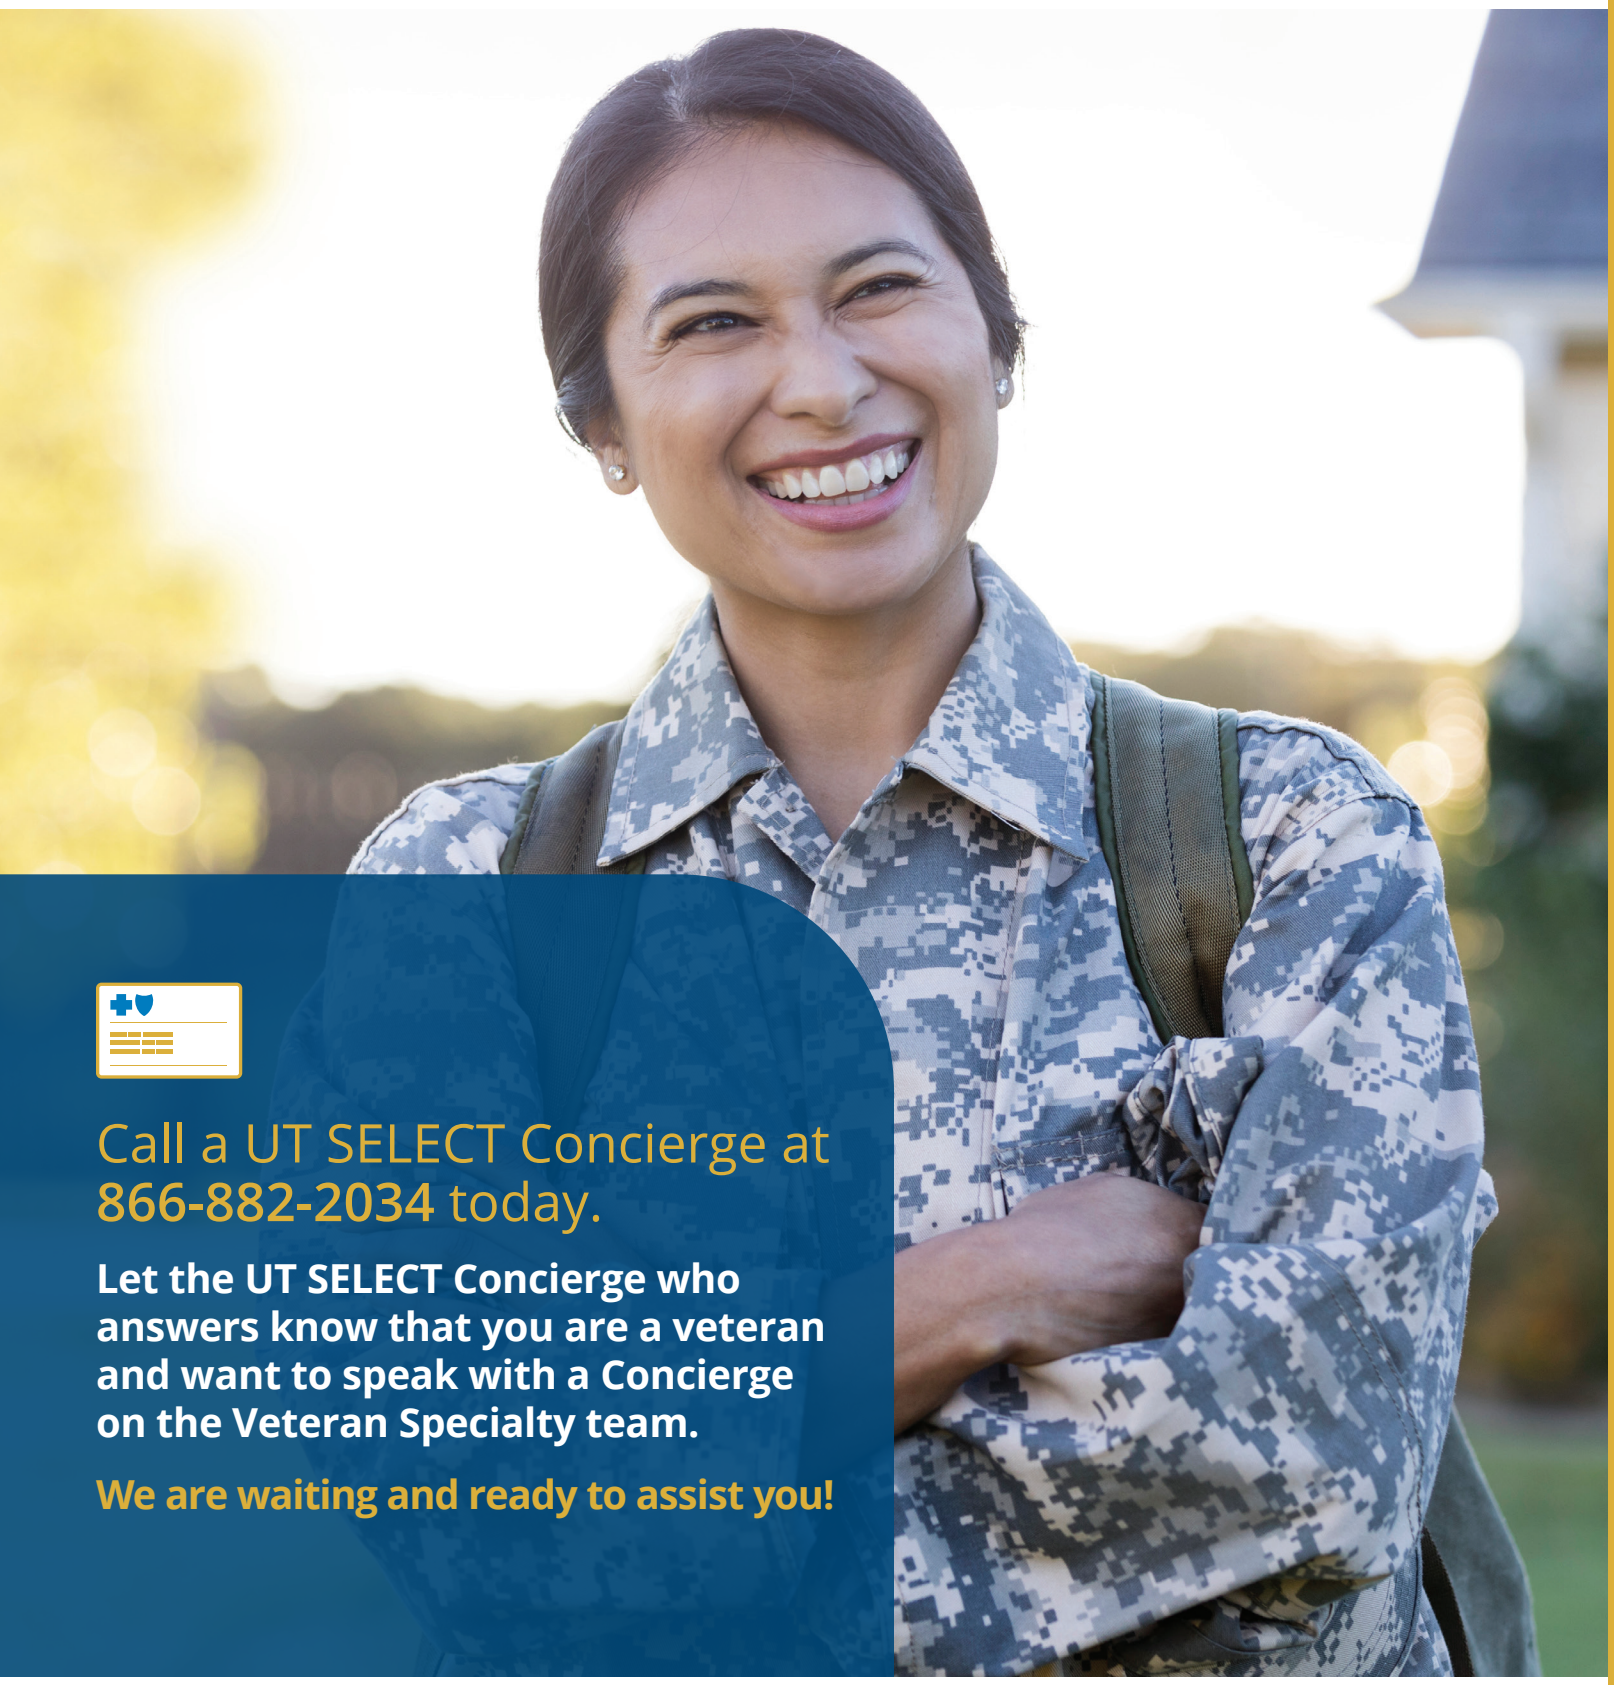

The Veteran Specialty Program is staffed by UT SELECT Concierges (some of them veterans as well) with increased expertise about medical and mental health challenges veterans face and a detailed knowledge of U.S. Veteran Affairs benefits and your BCBSTX health plan benefits.

Our Veteran Specialty UT SELECT Concierges can help:

- Coordinate care between your BCBSTX benefits and your VA benefits
- Identify veteran benefits you might be eligible for
- Assist you to navigate through challenges with the VA benefit system
- Educate you regarding veteran-specific support groups and other resources
- Coordinate needed care with your assigned VA case worker
- Support your family members to ensure their needs are met
