Objective:

Determine if UTSA complies with the Football Bowl Subdivision (FBS) attendance requirements of NCAA Division I Bylaw 20.9.9.3.

Background:

UTSA must undertake an annual certified audit verifying its football attendance. The NCAA Division I Bylaw 20.9.9.3 which states, “Once every two years on a rolling basis, the institution shall average at least 15,000 in actual or paid attendance for all home football games.” The NCAA allows the institution to use either the Paid Attendance or the Actual Attendance method for calculating attendance. This year, the Athletics Department elected to use Actual Attendance.

Below is a chart that outlines the history of UTSA Home Football Attendance from 2012-2018. The navy blue bars indicate the total number of home attendees in a season and the white bars indicate average home attendance for the season. Additionally, the chart illustrates actual or paid attendance years.

Scope:

We reviewed data concerning football attendance for the UTSA 2018 Season home football games.

Conclusion:

Based on our review, UTSA achieved the required 15,000 minimum attendance for both years within the rolling two-year 2017-2018 cycle. Therefore, UTSA complied with NCAA Division I Bylaw 20.9.9.3 requiring, “Once every two years on a rolling basis, the institution shall average at least 15,000 in actual or paid attendance for all home football games.” The Athletics Department will provide the audited football attendance figures to the NCAA national office by February 15. The NCAA national office staff shall verify compliance with all Football Bowl Subdivision attendance requirements.
