### INTRODUCTION

#### 1.1 Description of The University of Texas System

For more than 130 years, The University of Texas System has been committed to improving the lives of Texans and people all over the world through education, research and health care.

The University of Texas System is one of the nation's largest systems of higher education, with [14 institutions](#) that educate more than 230,000 students. Each year, UT institutions award more than one-third of all undergraduate degrees in Texas and almost two-thirds of all health professional degrees. With about 20,000 faculty – including Nobel laureates – and more than 80,000 health care professionals, researchers, student advisors and support staff, the UT System is one of the largest employers in the state.

Life-changing research and invention of new technologies at UT institutions places the UT System among the [top 10 “World’s Most Innovative Universities,”](#) according to Reuters. The UT System [ranks eighth in the nation in patent applications](#), and because of the high caliber of scientific research conducted at UT institutions, the UT System is ranked No. 1 in Texas and No. 3 in the nation in federal research expenditures.

In addition, the UT System is home to three of the nation's National Cancer Institute Cancer Centers – UT MD Anderson, UT Southwestern and UT Health Science Center-San Antonio – which must meet rigorous criteria for world-class programs in cancer research. And the UT System is the only System in the country to have four Clinical and Translational Science Awards (CTSA) from the National Institutes of Health.

Transformational initiatives implemented over the past several years have cemented UT as a national leader in higher education, including the expansion of educational opportunities in South Texas with the opening of The University of Texas Rio Grande Valley in 2015. And UT was the only system of higher education in the nation that established not one, but two new medical schools in 2016 at The University of Texas at Austin and UT Rio Grande Valley.

University of Texas institutions are setting the standard for excellence in higher education and will continue to do so thanks to our generous donors and the leadership of the [Chancellor](#), [Board of Regents](#) and [UT presidents](#).

#### 1.2 Background and Special Circumstances

The purpose of the RFP is to obtain Claim Preparation Services from vendors who are qualified to assist the University with preparing claim documentation for complex losses. The University may suffer substantial property damage, business interruption, or other losses in multiple locations due to a variety of causes. The University may look to insurance to cover such losses and also potentially to government assistance. The University requires expert assistance in properly documenting the loss to maximize recoveries from all sources.

The University intends to award this bid to a single or multiple firms to provide claim preparation services following a complex loss. Types of losses could include, but are not limited to, hurricane, flood, fire, cyber, crime, and construction damage/delay. Claim preparation services could include forensic accounting services for business interruption and extra expense loss documentation, as well as documentation for property damage, equipment or other types of losses. The information contained in such losses may occasionally include highly sensitive and/or confidential information as defined by state, federal, or international regulations and laws; as such the chosen Contractor is expected to demonstrate a thorough understanding of security requirements and privacy awareness at all instances where such information is handled, transmitted, viewed, or stored.

The University intends to submit expenses incurred for claim preparation services to its insurance carriers as Professional Fees, as applicable. Therefore, the selected vendors will not be those who are excluded under the Professional Fees insurance coverage: ***Professional Fees will not include the fees and costs of attorneys, public adjusters, and loss appraisers, all including any of their subsidiary, related or associated entities either partially or whole owned by them or retained by them for the purpose of assisting them not the fees and costs of loss consultants who provide consultation on coverage or negotiate claims.***

Frequency of use depends on the losses that occur, so it is largely unpredictable.

### 1.3 Objective of Request for Proposal

The University of Texas System is soliciting proposals in response to this Request for Proposal No.720-1917 (this “RFP”), from qualified vendors to provide Claim Preparation services (the “Services”) more specifically described in **Section 5** of this RFP.

### 1.4 Group Purchase Authority

Texas law authorizes institutions of higher education (defined by [§61.003, Education Code](#)) to use the group purchasing procurement method (ref. §§[51.9335](#), [73.115](#), and [74.008](#), *Education Code*). Additional Texas institutions of higher education may therefore elect to enter into a contract with the successful Proposer under this RFP. In particular, Proposer should note that University is part of The University of Texas System (**UT System**), which is comprised of fourteen institutions described at <http://www.utsystem.edu/institutions>. UT System institutions routinely evaluate whether a contract resulting from a procurement conducted by one of the institutions might be suitable for use by another, and if so, this RFP could give rise to additional purchase volumes. As a result, in submitting its proposal, Proposer should consider proposing a pricing model and other commercial terms that take into account the higher volumes and other expanded opportunities that could result from the eventual inclusion of other institutions in the purchase contemplated by this RFP. Any purchases made by other institutions based on this RFP will be the sole responsibility of those institutions.

## 2.5 Historically Underutilized Businesses

- 2.5.1 All agencies of the State of Texas are required to make a good faith effort to assist historically underutilized businesses (each a “HUB”) in receiving contract awards. The goal of the HUB program is to promote full and equal business opportunity for all businesses in contracting with state agencies. Pursuant to the HUB program, if under the terms of any agreement or contractual arrangement resulting from this RFP, Contractor subcontracts any of the Services, then Contractor must make a good faith effort to utilize HUBs certified by the Procurement and Support Services Division of the Texas Comptroller of Public Accounts. Proposals that fail to comply with the requirements contained in this **Section 2.5** will constitute a material failure to comply with advertised specifications and will be rejected by University as non-responsive. Additionally, compliance with good faith effort guidelines is a condition precedent to awarding any agreement or contractual arrangement resulting from this RFP. Proposer acknowledges that, if selected by University, its obligation to make a good faith effort to utilize HUBs when subcontracting any of the Services will continue throughout the term of all agreements and contractual arrangements resulting from this RFP. Furthermore, any subcontracting of the Services by Proposer is subject to review by University to ensure compliance with the HUB program.
- 2.5.2 University has reviewed this RFP in accordance with [Title 34, Texas Administrative Code, Section 20.285](#), and has determined that subcontracting opportunities (HUB and/or Non-HUB) are probable under this RFP. The HUB participation goal for this RFP is **26%**.
- 2.5.3 A HUB Subcontracting Plan (“HSP”) is required as part of, *but submitted separately from*, Proposer’s proposal. The HSP will be developed and administered in accordance with University’s Policy on Utilization of Historically Underutilized Businesses and incorporated for all purposes.

*Each Proposer, **whether self-performing or planning to subcontract**, must complete and return the HSP in accordance with the terms and conditions of this RFP. Proposers that fail to do so will be considered non-responsive to this RFP in accordance with [§2161.252, Government Code](#).*

*Questions regarding the HSP may be directed to:*

Contact: Kyle Hayes  
HUB Coordinator  
Phone: 512-322-3745  
Email: [khayes@utsystem.edu](mailto:khayes@utsystem.edu)

Contractor will not be permitted to change its HSP after the deadline submittal date unless: (1) Contractor completes a new HSP, setting forth all modifications requested by Contractor, (2) Contractor provides the modified HSP to University, (3) University HUB Program Office approves the modified HSP in writing, and (4) all agreements resulting from this RFP are amended in writing to conform to the modified HSP.

### **Instructions on completing an HSP**

Proposer must visit <https://www.utsystem.edu/offices/historically-underutilized-business/hub-forms> to download the most appropriate HUB Subcontracting Plan (HSP) / Exhibit H form for use with this Request for Proposal. Proposer will find, on the HUB Forms webpage, a link to “[Guide to Selecting the Appropriate HSP Option](#)”. **Click on this link and read the Guide first before selecting an HSP Option.** Proposer shall select, from the four (4) Options available, the Option that is most applicable to Proposer’s subcontracting intentions. These forms are in **fillable** PDF format and must be

downloaded and opened with *Adobe Acrobat / Reader* to utilize the fillable function. If Proposer has any questions regarding which Option to use, Proposer shall submit the question via Bonfire portal.

Proposer must complete the HSP, then print, sign and scan *all pages* of the HSP Option selected, with additional support documentation\*, **and submit via Bonfire portal.** NOTE: signatures must be “wet” signatures. Digital signatures are not acceptable.

Any proposal submitted in response to this RFP that does not have a corresponding HSP meeting the above requirements may be rejected by University and returned to Proposer as non-responsive due to material failure to comply with advertised specifications.

Each Proposer’s HSP will be evaluated for completeness and compliance prior to opening the proposal to confirm Proposer compliance with HSP rules and standards. Proposer’s failure to submit one (1) completed and signed HUB Subcontracting Plan **to the Bonfire portal** may result in University’s rejection of the proposal as non-responsive due to material failure to comply with advertised specifications.

**\*If Proposer’s submitted HSP refers to specific page(s) / Sections(s) of Proposer’s proposal that explain how Proposer will perform entire contract with its own equipment, supplies, materials and/or employees, Proposer must submit copies of those pages with the HSP sent to the Bonfire Portal. In addition, all solicitation emails to potential subcontractors must be included as backup documentation to the Proposer’s HSP to demonstrate Good Faith Effort.** Failure to do so will slow the evaluation process and may result in DISQUALIFICATION.

## 2.6 Pre-Proposal Call

University will hold a pre-proposal call at 2 p.m., **Central Standard Time on Thursday, May 23rd, 2019.** The pre proposal conference will allow all Proposers an opportunity to ask University’s representatives relevant questions and clarify provisions of this RFP.

Call-in number: (877)226-9790

## SECTION 3

### SUBMISSION OF PROPOSAL

#### 3.2 Terms and Conditions

Proposer must comply with the requirements and specifications contained in this RFP, including the Agreement (ref. **APPENDIX TWO**), the Notice to Proposer (ref. **Section 2** of this RFP), Proposal Requirements (ref. **APPENDIX ONE**) and the Specifications and Additional Questions (ref. **Section 5** of this RFP). If there is a conflict among the provisions in this RFP, the provision requiring Proposer to supply the better quality or greater quantity of services will prevail, or if such conflict does not involve quality or quantity, then interpretation will be in the following order of precedence:

- 3.2.1. Specifications and Additional Questions (ref. **Section 5** of this RFP);
- 3.2.2. Agreement (ref. **Section 4** and **APPENDIX TWO**);
- 3.2.3. Proposal Requirements (ref. **APPENDIX ONE**);
- 3.2.4. Notice to Proposers (ref. **Section 2** of this RFP).

## SECTION 4

### GENERAL TERMS AND CONDITIONS

The terms and conditions contained in the attached Agreement (ref. **APPENDIX TWO**) or, in the sole discretion of University, terms and conditions substantially similar to those contained in the Agreement, will constitute and govern any agreement that results from this RFP. If Proposer takes exception to any terms or conditions set forth in the Agreement, Proposer will submit redlined **APPENDIX TWO** as part of its proposal in accordance with **Section 5.2.1** of this RFP. Proposer's exceptions will be reviewed by University and may result in disqualification of Proposer's proposal as non-responsive to this RFP. If Proposer's exceptions do not result in disqualification of Proposer's proposal, then University may consider Proposer's exceptions when University evaluates the Proposer's proposal.

## SECTION 5

### SPECIFICATIONS AND ADDITIONAL QUESTIONS

#### 5.1 General

This RFP provides sufficient information for interested parties to prepare and submit proposals for consideration by University.

By submitting a proposal, Proposer certifies that it understands this RFP and has full knowledge of the scope, nature, quality, and quantity of the services to be performed, the detailed requirements of the services to be provided, and the conditions under which such services are to be performed. Proposer also certifies that it understands that all costs relating to preparing a response to this RFP will be the sole responsibility of the Proposer.

PROPOSER IS CAUTIONED TO READ THE INFORMATION CONTAINED IN THIS RFP CAREFULLY AND TO SUBMIT A COMPLETE RESPONSE TO ALL REQUIREMENTS AND QUESTIONS AS DIRECTED.

#### 1.2 Inquiries and Interpretations

University may in its sole discretion respond in writing to written inquiries concerning this RFP and mail its response as an Addendum to all parties recorded by University as having received a copy of this RFP. Only University's responses that are made by formal written Addenda will be binding on University. Any verbal responses, written interpretations or clarifications other than Addenda to this RFP will be without legal effect. All Addenda issued by University prior to the Submittal Deadline will be and are hereby incorporated as a part of this RFP for all purposes.

Proposers are required to acknowledge receipt of each Addendum as specified in this Section. The Proposer must acknowledge all Addenda by completing, signing and returning the Addenda Checklist (ref. **Section 4** of **APPENDIX ONE**). The Addenda Checklist must be received by University prior to the Submittal Deadline and should accompany the Proposer's proposal.

Any interested party that receives this RFP by means other than directly from University is responsible for notifying University that it has received an RFP package, and should provide its name, address, telephone and facsimile (**FAX**) numbers, and email address, to University, so that if University issues Addenda to this RFP or provides written answers to questions, that information can be provided to that party.

#### 1.3 Public Information

[Chapter 552, Government Code](#)). Proposer will be advised of a request for public information that implicates their materials and will have the opportunity to raise any objections to disclosure to the Texas Attorney General. Certain information may be protected from release under §§[552.101](#), [552.104](#), [552.110](#), [552.113](#), and [552.131](#), *Government Code*.

#### 1.5 Proposal Evaluation Process

University will select Contractor by using the competitive sealed proposal process described in this Section. Any proposals that are not submitted by the Submittal Deadline or that are not accompanied by required number of completed and signed originals of the HSP will be rejected by University as non-responsive due to material failure to comply with this RFP (ref. **Section 2.5.4** of this RFP). Upon completion of the initial review and evaluation of proposals, University may invite one or more selected Proposers to participate in oral presentations. University will use commercially reasonable efforts to avoid public disclosure of the contents of a proposal prior to selection of Contractor.

University may make the selection of Contractor on the basis of the proposals initially submitted, without discussion, clarification or modification. In the alternative, University may make the selection of Contractor on the basis of negotiation with any of the Proposers. In conducting negotiations, University will use commercially reasonable efforts to avoid disclosing the contents of competing proposals.

University may discuss and negotiate all elements of proposals submitted by Proposers within a specified competitive range. For purposes of negotiation, University may establish, after an initial review of the proposals, a competitive range of acceptable or potentially acceptable proposals composed of the highest rated proposal(s). In that event, University may defer further action on proposals not included within the competitive range pending the selection of Contractor; provided, however, University reserves the right to include additional proposals in the competitive range if deemed to be in the best interest of University.

After the Submittal Deadline but before final selection of Contractor, University may permit Proposer to revise its proposal in order to obtain the Proposer's best and final offer. In that event, representations made by Proposer in its revised proposal, including price and fee quotes, will be binding on Proposer. University will provide each Proposer within the competitive range with an equal opportunity for discussion and revision of its proposal. University is not obligated to select the Proposer offering the most attractive economic terms if that Proposer is not the most advantageous to University overall, as determined by University.

University reserves the right to (a) enter into an agreement for all or any portion of the requirements and specifications set forth in this RFP with one or more Proposers, (b) reject any and all proposals and re-solicit proposals, or (c) reject any and all proposals and temporarily or permanently abandon this selection process, if deemed to be in the best interests of University. Proposer is hereby notified that University will maintain in its files concerning this RFP a written record of the basis upon which a selection, if any, is made by University.

#### **1.6 Proposer's Acceptance of RFP Terms**

### 2. **The Projects.**

Prior to Contractor's commencement of any work, the Contractor and the Requesting Institution must complete and enter into a Project Addendum in accordance with the procedures and instructions established by the University of Texas System's Office of Risk Management using the Project Addendum form in **Exhibit B**. All of the terms and conditions contained in this Agreement are incorporated into each Project Addendum for all purposes.

### 3. **Term.**

The term (**Term**) of this Agreement will begin on the Effective Date and expire on \_\_\_\_\_, 2025. Email Address: [syoungdale@utsystem.edu](mailto:syoungdale@utsystem.edu)

Upon receipt of authorization to proceed from ORM, Contractor and the Requesting Institution must complete and enter into a Project Addendum, which shall contain a description of the Project, and a schedule for performance of all work to be provided for the Project.

Contractor represents, warrants and agrees that the Work to be performed by Contractor pursuant to any Addendum will be of the highest standard and quality as an "expert" under the *Daubert* standards, and shall be tailored to the laws and procedures applicable to the State of Texas which govern institutions of higher education.

In addition, ORM will identify those instances when the fact investigation or factual reports of Contractor shall be performed under the express direction of The University of Texas System Office of General Counsel ("**Office of General Counsel**") in order to preserve the attorney-client and attorney work product privileges.

If Contractor fails to correct material defects in Work within a reasonable time, then University may correct the defective Work at Contractor's expense. This remedy is in addition to, and not in substitution for, any other remedy for defective Work that University may have at law or in equity.

If the use or disclosure of PHI in this Agreement is based upon an Individual's specific authorization for the use or disclosure of his or her PHI, and the Individual revokes such authorization, the effective date of such authorization has expired, or such authorization is found to be defective in any manner that renders it invalid, Business Associate shall, if it has notice of such revocation, expiration, or invalidity, cease the use and disclosure of the Individual's PHI except to the extent it has relied on such use or disclosure, or if an exception under the Privacy Rule expressly applies.

e. Remuneration. Business Associate shall not directly or indirectly receive remuneration in exchange for disclosing PHI received from or on behalf of Covered Entity except as permitted by HITECH Act § 13405, the MRPA, and any implementing regulations that may be promulgated or revised from time to time.

f. Disclosure. Business Associate shall not use or disclose PHI in a manner that would violate Subpart E of 45 C.F.R. part 164, or MRPA, if done by the Covered Entity itself except as authorized under Section 2 of this Agreement.

4. Minimum Necessary. Business Associate shall limit its uses and disclosures of, and requests for, PHI, to the minimum amount of PHI necessary to accomplish the intended purpose of the use, disclosure or request.

5. Additional Business Associate Obligations.

a. Safeguards. Business Associate shall use appropriate safeguards and comply with Subpart C of 45 C.F.R. 164 with respect to electronic PHI to prevent use or disclosure of the PHI other than as provided for by this Agreement, if applicable. Business Associate shall implement administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of any paper or electronic PHI it creates, receives, maintains, or transmits on behalf of Covered Entity.

b. To the extent the Business Associate is to carry out one or more of Covered Entity's obligation(s) under the Privacy Rule, Business Associate shall comply with the requirements of the Privacy Rule that apply to the Covered Entity in the performance of the obligations.

c. Business Associate's Agents and Subcontractors.

1) Business Associate shall ensure that any agents and subcontractors to whom it provides PHI agree to only create, receive, maintain or transmit PHI on behalf of the Business Associate under the same restrictions that apply to Business Associate. Such agreement between Business Associate and subcontractor or agent must be in writing and must comply with the terms of this Agreement and the requirements outlined at 45 C.F.R. §164.504(e)(2); 45 C.F.R. §164.502(e)(1)(ii); 45 C.F.R. §164.314; and 45 C.F.R. §164.308(b)(2). Additionally, Business Associate shall ensure agent or subcontractor agree to and implement reasonable and appropriate safeguards to protect PHI.

2) If Business Associate knows of a pattern of activity or practice of its subcontractor or agent that constitutes a material breach or violation of the agent or subcontractor's obligation under the contract or other arrangement, the Business Associate must take steps to cure the breach and end the violation and if such steps are not successful, must terminate the contract or arrangement if feasible. If it is not feasible to terminate the contract, Business Associate must promptly notify the Covered Entity.

d. Reporting. Subsections d and e of this subsection 5 shall be applicable if Covered Entity has agreed, in writing, to require Business Association to store Covered Entity's PHI electronically. Business Associate shall, as soon as practicable but not more than five (5) business days after becoming aware of any successful security incident or use or disclosure of Covered Entity's PHI or Sensitive Personal Information in violation of this Agreement, report any such use or disclosure to Covered Entity. With the exception of law enforcement delays that satisfy the requirements under 45 C.F.R. § 164.412 or as otherwise required by applicable state law, Business Associate shall notify Covered Entity in writing without unreasonable delay and in no case later than ten (10) calendar days upon discovery of a Breach of Unsecured PHI or Breach of Security System. Such notice must include, to the extent possible, the name of each individual whose Unsecured PHI or Sensitive Personal Information has been, or is reasonably believed by Business Associate to have been, accessed, acquired, or disclosed during such breach. Business Associate shall also provide, to the extent possible, Covered Entity with any other available information that Covered Entity is required to include in its notification to individuals under 45 C.F.R. § 164.404(c) and Section 521.053, Texas Business & Commerce Code at the time of Business Associate's notification to Covered Entity or promptly thereafter as such information becomes available. For purposes of this Agreement, a Breach of Unsecured PHI or Breach of Security System shall be treated as discovered by Business Associate as of the first day on which such breach is known to Business Associate (including any person, other than the individual committing the breach, who is an employee, officer, or other agent of Business Associate, as determined in accordance with the federal common law of agency) or should reasonably have been known to Business Associate following the exercise of reasonable diligence.

e. Mitigation. Business Associate shall have procedures in place to mitigate, to the maximum extent practicable, any deleterious effect from any Use or Disclosure (as defined by 45 C.F.R. §160.103).

f. Sanctions. Business Associate shall apply appropriate sanctions in accordance with Business Associate's policies against any employee, subcontractor or agent who uses or discloses Covered Entity's PHI in violation of this Agreement or applicable law.

g. Covered Entity's Rights of Access and Inspection. From time to time upon reasonable notice, or upon a reasonable determination by Covered Entity that Business Associate has breached this Agreement, Covered Entity may inspect the facilities, systems, books and records of Business Associate related to the use and disclosure of PHI received from, or created or received by Business Associate on behalf of Covered Entity or the safeguarding of such PHI to monitor compliance with this Agreement. Business Associate shall document and keep current such security measures and safeguards and make them available to Covered Entity for inspection upon reasonable request including summaries of any internal or external assessments Business Associate performed related to such security controls and safeguards. The fact that Covered Entity inspects, or fails to inspect, or has the right to inspect, Business Associate's facilities, systems and procedures does not relieve Business Associate of its responsibility to comply with this Agreement, nor does Covered Entity's (1) failure to detect or (2) detection but failure to require Business Associate's remediation of any unsatisfactory practices, constitute acceptance of such practice or a waiver of Covered Entity's enforcement or termination rights under this Agreement. This Section shall survive termination of this Agreement.

h. United States Department of Health and Human Services. Business Associate shall make its internal practices, books and records relating to the use and disclosure of PHI received from, or created or received by Business Associate on behalf of, Covered Entity available to the Secretary of the United States Department of Health and Human Services for purposes of determining Covered Entity's compliance with HIPAA and the HIPAA regulations, provided that Business Associate shall promptly notify Covered Entity upon receipt by Business Associate of any such request for access by the Secretary of the United States Department of Health and Human Services, and shall provide Covered Entity with a copy thereof as well as a copy of all materials disclosed pursuant thereto, unless otherwise prohibited by law.

i. Training. Business Associate shall provide such training in the privacy and security of PHI to its Workforce (as that term is defined by 45 C.F.R. § 160.103) as is required for Business Associate's compliance with HIPAA, HIPAA Regulations, HITECH, and the MRPA.

6. Obligation to Provide Access, Amendment and Accounting of PHI. Section 6, including subsections will be applicable pursuant to the obligations of Business Associate in the Underlying Agreement,

a. Access to PHI. Business Associate shall make available to Covered Entity, in the time and manner designated by the Covered Entity, such information as necessary to allow Covered Entity to meet its obligations under the HIPAA Regulations, PHI contained in a Designated Record Set held by Business Associate as Covered Entity may require to fulfill Covered Entity's obligations to provide access to, and copies of, PHI in accordance with HIPAA and the HIPAA Regulations and MRPA. In the event that any individual requests access to PHI directly from Business Associate, Business Associate shall notify Covered Entity within five (5) business days that such request has been made.

b. Amendment of PHI. Business Associate shall make available to Covered Entity PHI contained in a Designated Record Set held by Business Associate as Covered Entity may require to fulfill Covered Entity's obligations to amend PHI in accordance with HIPAA and the HIPAA Regulations. In addition, Business Associate shall, as directed by Covered Entity, incorporate any amendments to Covered Entity's PHI into copies of such information maintained by Business

Associate. In the event that any individual requests amendment of PHI directly from Business Associate, Business Associate shall forward such request to Covered Entity within five (5) business days.

c. Accounting of Disclosures of PHI.

1) Record of Disclosures. Business Associate shall maintain a record of all disclosures of PHI received from, or created or received by Business Associate on behalf of, Covered Entity, except for those disclosures identified in Section 6(c)(2) below, including the date of the disclosure, the name and, if known, the address of the recipient of the PHI, a brief description of the PHI disclosed, and the purpose of the disclosure which includes an explanation of the reason for such disclosure. Business Associate shall make this record available to Covered Entity upon Covered Entity's request. If Business Associate maintains records in electronic form, Business Associate shall account for all disclosures made during the period of three (3) years preceding the request. In the event that any individual requests an accounting of disclosures of PHI directly from Business Associate, Business Associate shall notify Covered Entity within five (5) business days that such request has been made and provide Covered Entity with a record of disclosures within ten (10) days of an individual's request. If the request from an individual comes directly to Covered Entity and Covered Entity notifies Business Associate that it requires information from Business Associate in order to respond to the individual, Business Associate shall make available to Covered Entity such information as Covered Entity may require within ten (10) days from the time of request by Covered Entity.

2) Certain Disclosures Need Not Be Recorded. The following disclosures need not be recorded:

- a) disclosures to carry out Covered Entity's treatment, payment and health care operations as defined under the HIPAA Regulations;
- b) disclosures to individuals of PHI about them as provided by the HIPAA Regulations;
- c) disclosures for Covered Entity's facility's directory, to persons involved in the individual's care, or for other notification purposes as provided by the HIPAA Regulations;
- d) disclosures for national security or intelligence purposes as provided by the HIPAA Regulations;
- e) disclosures to correctional institutions or law enforcement officials as provided by the HIPAA Regulations;
- f) disclosures that occurred prior to the later of (i) the Effective Date or (ii) the date that Covered Entity is required to comply with HIPAA and the HIPAA Regulations;
- g) disclosures pursuant to an individual's authorization in accordance with HIPAA and the HIPAA Regulations; and
- h) any other disclosures excepted from the right to an accounting by the HIPAA Regulations.

7. Material Breach, Enforcement and Termination.

a. Term. This Agreement shall become effective on the Effective Date and shall continue unless or until this Agreement terminates, the Underlying Agreement terminates, or the Business Associate has completed performance of the services in the Underlying Agreement, whichever is earlier.

b. Termination. Either Party may terminate this Agreement:

- 1) immediately if the other Party is finally convicted in a criminal proceeding for a violation of HIPAA or the HIPAA Regulations;
- 2) immediately if a final finding or stipulation that the other Party has violated any standard or requirement of HIPAA or other security or privacy laws is made in any administrative or civil proceeding in which the other Party has been joined; or completed performance of the services in the Underlying Agreement, whichever is earlier.
- 3) pursuant to Sections 7(c) or 8(b) of this Agreement.

c. Remedies. Upon a Party's knowledge of a material breach by the other Party, the non-breaching Party shall either:

- 1) provide an opportunity for the breaching Party to cure the breach and end the violation or terminate this Agreement and the Underlying Agreement if the breaching Party does not cure the breach or end the violation within ten (10) business days or a reasonable time period as agreed upon by the non-breaching party; or
- 2) immediately terminate this Agreement and the Underlying Agreement if cure is not possible.

d. Injunctions. Covered Entity and Business Associate agree that any violation of the provisions of this Agreement may cause irreparable harm to Covered Entity. Accordingly, in addition to any other remedies available to Covered Entity at law or in equity, Covered Entity shall be entitled to seek an injunction or other decree of specific performance with respect to any violation of this Agreement or explicit threat thereof, without any bond or other security being required and without the necessity of demonstrating actual damages.

e. Indemnification. This indemnification provision is enforceable against the Parties only to the extent authorized under the constitution and laws of the State of Texas. The Parties will indemnify, defend and hold harmless each other and each other's respective employees, directors, officers, subcontractors, agents or other members of its workforce, each of the foregoing hereinafter referred to as "indemnified party," against all actual and direct losses suffered by the indemnified party and all liability to third parties arising from or in connection with any breach of this Agreement or of any warranty hereunder or from any negligence or wrongful acts or omissions, including failure to perform its obligations under MRPA, HIPAA, the HIPAA Regulations, and the HITECH Act by the indemnifying party or its employees, directors, officers, subcontractors, agents or other members of its workforce.

f. Breach of PHI and Breach of System Security. Business Associate will pay or reimburse Covered Entity for all costs and penalties incurred by Covered Entity in connection with any incident giving rise to a Breach of PHI and/or a Breach of System Security, including without limitation all costs related to any investigation, any notices to be given, reasonable legal fees, or other actions taken to comply with HIPAA, the HITECH Act, or any other applicable law or regulation, where (i) the PHI was in the custody or control of Business Associate when the Breach of PHI and/or Breach of System Security occurred, or (ii) the Breach of PHI and/or Breach of System Security was caused by the negligence or wrongful acts or omissions of Business Associate and its employees, directors, officers, subcontractors, agents or other members of its workforce.

8. General Provisions.

a. State Law. Nothing in this Agreement shall be construed to require Business Associate to use or disclose PHI without written authorization from an individual who is a subject of the PHI, or written authorization from any other person, where such authorization would be required under state law for such use or disclosure.

b. Amendment. Covered Entity and Business Associate agree to enter into good faith negotiations to amend this Agreement to come into compliance with changes in state and federal laws and regulations relating to the privacy, security and confidentiality of PHI. Covered Entity may terminate this Agreement upon thirty (30) days written notice in the event that Business Associate does not promptly enter into an amendment that Covered Entity, in its sole discretion, deems sufficient to ensure that Covered Entity will be able to comply with such laws and regulations.

c. No Third Party Beneficiaries. Nothing express or implied in this Agreement is intended or shall be deemed to confer upon any person other than Covered Entity, Business Associate, and their respective successors and assigns, any rights, obligations, remedies or liabilities.

d. Ambiguities. The Parties agree that any ambiguity in this Agreement shall be resolved in favor of a meaning that complies and is consistent with applicable law protecting the privacy, security, and confidentiality of PHI, including, without limitation, MRP, HIPAA, the HIPAA Regulations, and the HITECH Act.

e. Primacy. To the extent that any provision of this Agreement conflicts with the provision of any other agreement or understanding between the Parties, this Agreement shall control.

f. Destruction/Return of PHI. Business Associate agrees that, pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(I), upon termination of this Agreement or the Underlying Agreement, for whatever reason,

1) It will return or destroy all PHI, if feasible, received from or created or received by it on behalf of Covered Entity that Business Associate maintains in any form, and retain no copies of such information which for purposes of this Agreement shall mean all backup tapes. Prior to doing so, Business Associate further agrees to recover any PHI in the possession of its subcontractors or agents. An authorized representative of Business Associate shall certify in writing to Covered Entity, within thirty (30) days from the date of termination or other expiration of the Underlying Agreement, that all PHI has been returned or disposed of as provided above and that Business Associate or its subcontractors or agents no longer retain any such PHI in any form.

g. Offshore Work. In performing the functions, activities or services for, or on behalf of Covered Entity, Business Associate shall not, and shall not permit any of its agents or subcontractors who receive Covered Entity's PHI to, transmit or make available any PHI to any entity or individual outside the United States without prior written consent of Covered Entity.

h. Integration. This Agreement embodies and constitutes the entire agreement and understanding between the Parties with respect to the subject matter hereof and supersedes all prior oral or written agreements, commitments and understandings pertaining to the subject matter hereof.

i. Governing Law. This Agreement is governed by, and shall be construed in accordance with, applicable federal law and the laws of the State of Texas without regard to choice of law principles.

### FERPA CONFIDENTIALITY AND SECURITY ADDENDUM

This FERPA Confidentiality and Security Addendum (**Addendum**) is made and entered into effective as of [ ] (**Effective Date**) by and between **The University of Texas** [ ], a state agency and institution of higher education established under the laws of the State of Texas (**University**) and [ ] (**Contractor**), (collectively, **Parties**). The purpose of this Addendum is to provide the terms under which Contractor is required to maintain the confidentiality and security of any and all University records subject to the Family Educational Rights and Privacy Act, 20 United States Code §1232g (**FERPA**) which Contractor will create, receive, or maintain on behalf of University pursuant to **[Identify underlying contract to which the Addendum is attached.]**(**Underlying Agreement**).

1. **FERPA.** The Parties understand and agree that:
  - 1.1 As part of the work (“Work”) that Contractor will provide pursuant to the Underlying Agreement, Contractor may inadvertently view, receive, or have access to records from or on behalf of University that (a) are subject to FERPA or (b) contain personally identifiable information from “Education Records” as defined by and subject to FERPA (collectively, “FERPA Records”). FERPA Records include all data in any form whatsoever, including electronic, written and machine readable form.
  - 1.2 Notwithstanding any other provision of the Underlying Agreement, this Addendum or any other agreement, all FERPA Records received, accessed, viewed, or maintained by Contractor pursuant to the Underlying Agreement will remain the sole and exclusive property of University.
2. **FERPA Compliance.** In connection with all FERPA Records that Contractor may receive view, access, or maintain on behalf of University pursuant to the Underlying Agreement, Contractor is designated as a University Official with a legitimate educational interest in and with respect to such FERPA Records, only to the extent to which Contractor (a) is required to view, receive, access, or maintain FERPA Records to carry out the Underlying Agreement, and (b) understands and agrees to all of the following terms and conditions *without reservation*:
  - 2.1 **Prohibition on Unauthorized Use or Disclosure of FERPA Records:** Contractor will hold University FERPA Records in strict confidence, if retention is required in order to execute services in the Underlying Agreement. Contractor will not use or disclose FERPA Records received from or on behalf of University, including any FERPA Records provided by a University student directly to Contractor, except as permitted or required by the Underlying Agreement or this Addendum.
  - 2.2 **Maintenance of the Security of FERPA Records:** Contractor will use the administrative, technical and physical security measures, including secure encryption in the case of electronically maintained or transmitted FERPA Records, approved by University and that are at least as stringent as the requirements of UT System Information and Resource Use & Security Policy, UTS165 at <http://www.utsystem.edu/board-of-regents/policy-library/policies/uts165-information-resources-use-and-security-policy>, to preserve the confidentiality and security of all FERPA Records received from, or on behalf of University, its students or any third party pursuant to the Underlying Agreement. Maintenance will only be allowed by University if such is a requirement to provide services in the Underlying Agreement.
  - 2.3 **Reporting of Unauthorized Disclosures or Misuse of FERPA Records and Information:** Contractor, within one (1) day after discovery, will report to University any use or disclosure of FERPA Records not authorized by this Addendum. Contractor’s report will identify: (i) the nature of the unauthorized use or disclosure, (ii) the FERPA Records

used or disclosed, (iii) who made the unauthorized use or received the unauthorized disclosure, (iv) what Contractor has done or will do to mitigate any deleterious effect of the unauthorized use or disclosure, and (v) what corrective action Contractor has taken or will take to prevent future similar unauthorized use or disclosure. Contractor will provide such other information, including written reports, as reasonably requested by University. For purposes of this **Section 2.3**, an unauthorized disclosure or use includes any access or use of an "Education Record" (as defined by FERPA) by a Contractor employee or agent that the employee or agent does not require to perform Work or access by any employee or agent that does not involve the provision of Work.

- 2.4 **Right to Audit:** If University has a reasonable basis to believe that Contractor is not in compliance with the terms of this Addendum, University may audit Contractor's compliance with FERPA as Contractor's compliance relates to University's FERPA Records maintained by Contractor.
- 2.5 **Five Year Exclusion for Improper Disclosure of Education Records.** Under the federal regulations implementing FERPA, improper disclosure or redisclosure of personally identifiable information from University's "Education Records" (as defined by FERPA) by Contractor or its employees or agents may result in Contractor's complete exclusion from eligibility to contract with University for at least five (5) years.
3. **Return of FERPA Records.** It is expressly agreed to that Contractor will not be engaged to retain any FERPA records while executing services performed in the Underlying Agreement. Contractor is prohibited from retention of any records that may constitute FERPA records, unless specifically agreed to in writing by both Parties. Temporary retention of records in order to execute such services may be allowed; however, return of FERPA records must be provided to University no less than 30 days from cessation of services.
4. **Disclosure.** Contractor will restrict disclosure of FERPA Records solely to those employees, subcontractors, or agents of Contractor that have a need to access the FERPA Records in order for Contractor to perform its obligations under the Underlying Agreement or this Addendum. If Contractor discloses any FERPA Records to a subcontractor or agent, Contractor will require the subcontractor or agent to comply with restrictions and obligations that align with the restrictions and obligations imposed on Contractor by the Underlying Agreement and this Addendum, including requiring each subcontractor or agent to agree to the same restrictions and obligations in writing.
5. **Termination.** This Addendum will remain in effect until the earlier of (a) expiration or termination of the Underlying Agreement, or (b) the date University terminates this Addendum by giving Contractor sixty (60) days' written notice of University's intent to terminate. **Sections 2, 3, 4, and 6** of this Addendum will survive expiration or termination of the Underlying Agreement and this Addendum.
6. **Breach.** In the event of a breach, threatened breach or intended breach of this Addendum by Contractor, University (in addition to any other rights and remedies available to University at law or in equity) will be entitled to preliminary and final injunctions, enjoining and restraining such breach, threatened breach or intended breach.
7. **Governing Law.** The validity, construction, and performance of this Addendum are governed by the laws of the State of Texas, and suit may be brought in **Travis** County, Texas to enforce the terms of this Addendum.

8. **Non-Assignment.** The rights and obligations of the Parties under this Addendum may not be sold, assigned or otherwise transferred.

**AGREED TO AND SIGNED BY THE PARTIES.**

## ADDENDUM 1

DATE: May 1, 2020  
PROJECT: Claim Preparation Services  
RFP NO: 720-1917  
OWNER: The University of Texas System Administration  
TO: Prospective Bidders

This Addendum forms part of Contract Documents and modifies Bid Documents dated May 15th, 2019 with amendments and additions noted below.

### **Questions and Answers:**

- 1. Question:** Page 10 defines the Range of Services Offerings (25% of the scoring requirements) as “accounting, quantification of losses, establishment of loss accounting systems, etc....”  
**Question - What other services are inclusive with the Range of Services Offerings per the UT system?**

**Answer:** *The intent of the question was to allow each Proposer to more fully explain the services they offer that would support / achieve the Scope of Work outlined in Section 5.3 of the RFP.*

- 2. Question:** Page 2 of 12 states, “The information contained in such losses may occasionally include highly sensitive and/or confidential information as defined by state, federal, or international regulations and laws; as such the chosen Contractor is expected to demonstrate a thorough understanding of security requirements and privacy awareness at all instances where such information is handled, transmitted, viewed, or stored.”  
**Question – Will meeting Federal requirements associated with handling confidential information be appropriate to handle this requirement?**

**Answer:** *Compliance with Federal and state privacy and security laws will be required of any Contractor who engages in providing such services to University. Contractors will be required to enter into a limited Business Associate Agreement and Family Educational Rights and Privacy Act addendum to address the confidential nature of data Contractor may be exposed to.*

- 3. Question:** Does the property insurance policy include a named adjuster and/or firm? If so, who is the named adjuster and/or firm in the policy?

**Answer:** *Yes, Vericclaim, A Sedgewick Company, is the firm appointed in the property insurance policy.*

**4. Question:** **Who are the insurers and their respective participation levels on the UT Systems' property insurance program?**

**Answer:** *The UT System property insurance program is a shared and layered program with approximately 30 carriers participating. UT does not believe that the specific insurance carrier information is needed in order to provide a response to the RFP.*

**5. Question:** **Could you provide historical data on the number of claims for which services under this contract were provided by type of policy? If possible, for the prior 3 years or 5 years if possible?**

**Answer:** *This service has been used on two occasions in the past 5 years. The first was a fire loss in a hospital facility that required business interruption claim preparation services, and the second required physical damage and business interruption claim preparation services at several institutions as the result of Hurricane Harvey.*

**END OF ADDENDUM 1**
