SECTION 1

INTRODUCTION

1.1 Description of The University of Texas System

The University of Texas System is comprised of System Administration and 14 institutions of higher education with campuses across the State of Texas whose missions are devoted to world class healthcare, teaching, research, and public service (collectively, “**UT System**”). UT System is one of the larger education systems in the United States. With an operating budget of \$20.1 billion, UT System has a current student enrollment exceeding 230,000. UT System employs about 100,000 faculty and staff, making UT System one of the largest employers in the State of Texas.

UT System is comprised of the following institutions:

- The University of Texas Southwestern Medical Center (UTSW)
- The University of Texas Medical Branch at Galveston (UTMB)
- The University of Texas Health Science Center at Houston (UTHSCH)
- The University of Texas Health Science Center at San Antonio (UTHSCSA)
- The University of Texas MD Anderson Cancer Center (UTMDACC)
- The University of Texas Health Science Center at Tyler (UTHSCT)
- The University of Texas at Arlington (UTA)
- The University of Texas at Austin (UT Austin)
- The University of Texas at Dallas (UTD)
- The University of Texas at El Paso (UTEP)
- The University of Texas of the Permian Basin (UTPB)
- The University of Texas at San Antonio (UTSA)
- The University of Texas at Tyler (UTT)
- The University of Texas Rio Grande Valley (UTRGV)

UT System has established The UT System Supply Chain Alliance (the “**Alliance**”) to conduct and coordinate strategic purchasing initiatives across UT System. The Alliance essentially operates as UT System’s own, in-house group purchasing organization. The Alliance is also affiliated with various non-UT System institutions of higher education. Through collaborative relationships, the Alliance seeks to combine supply chain and contracting activities and obtain best value goods and services while reducing total acquisition costs. The Alliance has created a team of supply chain professionals (the “**Strategic Services Group**”) that has been tasked with executing Alliance purchasing initiatives. The Strategic Services Group assembles a team of subject matter experts (“**SMEs**”) from participating institutions to assist in developing each sourcing event and evaluating suppliers during the procurement process. SMEs are involved from the sourcing event’s inception and work with the Alliance and UT System to select the best value supplier(s). Any agreement resulting from this Request for Proposal (this “**RFP**”) will be extended and marketed to all UT System institutions. Various non-UT System institutions that are affiliated with the Alliance may participate, too, in any agreement resulting from this RFP.

By participating in this RFP, proposer(s) (collectively, “**Proposer**”) agrees to extend all goods, services and pricing to any Alliance member or affiliate (collectively, “**Institutional Participant**”) that wishes to participate in any contract entered into with Proposer.

1.2 Objective of this Request for Proposal

UT System, acting through the Alliance, is soliciting proposals in response to this RFP from qualified suppliers to provide revenue cycle consulting services, as more specifically described in **Section 5.4** (Scope of Work) of this RFP (collectively, the “**Services**”). The successful Proposer(s) to whom business may be awarded is referred to in this RFP as the “**Preferred Supplier**.”

Proposer is invited to submit a proposal to establish a strategic business alliance with UT System that will maximize the resources of both organizations to most effectively meet the requirements specified in this RFP document. Specifically, this RFP process should:

- Provide a comprehensive and guaranteed pricing structure for the Services;
- Leverage the aggregate purchasing volumes of Institutional Participants;
- Achieve cost savings for Institutional Participants;
- Improve overall customer satisfaction; and
- Enhance relationships between Preferred Supplier and Institutional Participants.

UT System seeks to identify the proposer(s) that will provide the most practical and cost-effective business model to serve the needs of Institutional Participants as their preferred supplier for the Services. UT System hopes to conclude an agreement that will provide Institutional Participants with access to the Services at discounted prices and that will permit all parties to reduce procurement and transaction costs and improve business processes.

Preferred Supplier will be enrolled in the Alliance’s Supplier Relationship Management Program (“**SRM**”) to monitor Preferred Supplier’s performance and pricing. UT System expects Preferred Supplier to work closely with the Alliance and each Institutional Participant to produce benefits for all parties involved in the relationship.

Proposer(s) should realize that what is written in their final proposal submitted to UT System may become part of the successful Proposer’s final contract.

UT System may ask Proposer(s) to provide a formal presentation in-person, prior to contract award, with additional information to SMEs or the Strategic Services Group. This presentation will allow the Alliance to clarify any technical, quality, or price-based questions that may arise from Proposer’s response.

Proposer(s) should provide solutions involving historically underutilized business suppliers, where possible (ref. **Section 2.5** of this RFP).

The successful Proposer(s) will provide Services to all Institutional Participants wishing to participate in a final contract with the successful Proposer(s).

1.3 Background and Scope of Opportunity

It is anticipated that the term of the agreement resulting from this RFP will be up to five (5) years, consisting of an initial term of three (3) years, with UT System having the option to extend the agreement unilaterally for another two-year period upon advance written notice to Preferred Supplier.

UT System estimates the total aggregated spend under any agreement resulting from this RFP at approximately \$3 - \$5 million annually. This estimated aggregated spend is based upon existing contracts and historical spend reports of institutions that may participate in the agreement and is only an estimate of possible future volume. The intent of the Alliance is to market the selected Preferred Supplier(s) to all Alliance member and affiliated institutions, which include various non-UT System institutions of higher education. Whether this estimate is realized ultimately will depend heavily on the quality of the work actually performed by the winning Proposer and the reputation it establishes among Institutional Participants as a high-value provider of the Services.

The profile data table below has been included to assist Proposer in understanding the relative size and scope of UT System's largest acute care hospitals. Proposer should also rely on its industry knowledge, experience, and publicly available data sources (American Hospital Association statistics, etc.) when considering the scope of this opportunity.

UT SYSTEM INSTITUTION	MDACC	UTMB	UTSW
Inpatient Beds			
FY2017	681	681	597

THE ABOVE SPEND PROJECTION IS AN ESTIMATE ONLY. SERVICES PURCHASED ON THE BASIS OF ANY AGREEMENT RESULTING FROM THIS RFP MAY INVOLVE MORE OR LESS THAN THE ESTIMATE PROVIDED. UT SYSTEM DOES NOT REPRESENT, WARRANT OR GUARANTY THAT PARTICIPANTS WILL PURCHASE ANY PARTICULAR DOLLAR VALUE OR ANY PARTICULAR QUANTITY OF PRODUCTS OR SERVICES, AND UT SYSTEM SPECIFICALLY DISCLAIMS ANY SUCH REPRESENTATIONS, WARRANTIES AND GUARANTIES.

2.3 Criteria for Selection

Successful Proposer, if any, selected by UT System in accordance with the requirements and specifications set forth in this RFP, will be the Proposer that submits a proposal in response to this RFP, on or before the Submittal Deadline that is most advantageous to UT System.

Proposer is encouraged to propose terms and conditions offering the maximum benefit to UT System in terms of (1) products and services to be provided and (2) total overall cost to participating institutions. Proposers should describe all educational, state and local government discounts, as well as any other applicable discounts that may be available.

An evaluation team from UT System will evaluate proposals. The evaluation of proposals and the selection of Preferred Supplier will be based on the information provided by Proposer in its proposal. UT System may give consideration to additional information if UT System deems such information relevant.

The criteria to be considered by UT System in evaluating proposals and selecting Preferred Supplier, will be those factors listed below:

2.3.1 Threshold Criteria Not Scored

- 2.3.1.1 Ability of UT System to comply with laws regarding Historically Underutilized Businesses; and
- 2.3.1.2 Ability of UT System to comply with laws regarding purchases from persons with disabilities.

- 2.3.2.1 Cost of the goods and services;

- 2.3.2.4 Extent to which the goods or services meet UT System's needs;
- 2.3.2.5 Proposer's past relationship with UT System;
- 2.3.2.6 The total long-term cost of acquiring Proposer's goods or services; and
- 2.3.2.7 Proposer's exceptions to the terms and conditions set forth in **Section 4** of this RFP.

IMPORTANT NOTICE: The Key Events Schedule represents many sourcing and contracting activities occurring within a short period of time. Proposer is asked in advance to make the following resources available to expedite the selection and contracting process:

1. If selected as a finalist, Proposer may be required to attend an interview session that includes a face-to-face meeting with an advance notice of no more than one week. The anticipated location of this activity is Houston, Texas.

2. If selected for contract award, Proposer should have its chief legal and business officers available for commencement of contract negotiations with 72 hours of notice of award. Such negotiations may take place face-to-face in order to expedite the contracting phase. The anticipated location of this activity is Houston, Texas. Proposer is requested to reference **Section 4.1** of this RFP and provide any exceptions as part of Proposer's RFP response.

Proposer should not underestimate the necessity of complying with the Key Events Schedule and critical activities listed above. UT System reserves the right to revise the Key Events Schedule at any time.

2.5 Historically Underutilized Businesses

- 2.5.1 All agencies of the State of Texas are required to make a good faith effort to assist historically underutilized businesses (each a "**HUB**") in receiving contract awards. The goal of the HUB program is to promote full and equal business opportunity for all businesses in contracting with state agencies. Pursuant to the HUB program, if under the terms of any agreement or contractual arrangement resulting from this RFP, Preferred Supplier subcontracts any of its performance hereunder, Preferred Supplier must make a good faith effort to utilize HUBs certified by the Texas Procurement and Support Services Division of the Texas Comptroller of Public Accounts or any successor agency. Proposals that fail to comply with the requirements contained in this **Section 2.5** will constitute a material failure to comply with advertised specifications and will be rejected by UT System as non-responsive. Additionally, compliance with good faith effort guidelines is a condition precedent to awarding any agreement or contractual arrangement resulting from this RFP. Proposer acknowledges that, if selected by UT System, its obligation to make a good faith effort to utilize HUBs when subcontracting hereunder will continue throughout the term of all agreements and contractual arrangements resulting from this RFP. Furthermore, any subcontracting hereunder by Proposer is subject to review by UT System to ensure compliance with the HUB program.
- 2.5.2 UT System has reviewed this RFP in accordance with Texas Administrative Code Title 34, Part 1, Chapter 20, Subchapter D, Division 1, Section 20.285, and has determined that subcontracting opportunities are probable under this RFP.
- 2.5.3 A HUB Subcontracting Plan ("**HSP**") is required as part of Proposer's proposal.

*Each Proposer must complete and return the HSP in accordance with the terms and conditions of this RFP, including the requirements set forth in Utilization of Historically Underutilized Businesses attached as **APPENDIX TWO** and incorporated herein for all purposes. Proposals that fail to do so will be considered non-responsive to this RFP in accordance with Section 2161.252, Texas Government Code.*

Preferred Supplier will not be permitted to change its HSP unless: (1) Preferred Supplier completes a newly modified version of the HSP that sets forth all changes requested by Preferred Supplier, (2) Preferred Supplier provides UT System with such modified version of the HSP, (3) UT System approves the modified HSP in writing, and (4) all agreements or contractual arrangements resulting from this RFP are amended in writing by UT System and Preferred Supplier to conform to the modified HSP.

- 2.5.4 Proposer must submit one (1) signed copy of the HSP to UT System at the same time as it submits its proposal to UT System (ref. **Section 3.1** of this RFP). The signed copy of the HSP (the “**HSP Packet**”) must be submitted electronically utilizing the Jaggaer e-sourcing tool as more particularly described in **Section 3.1** of this RFP. Proposer must ensure that the HSP Packet is submitted according to the electronic instructions provided in this RFP.

Any proposal submitted in response to this RFP that is not accompanied by an HSP Packet meeting the above requirements will be rejected by UT System and remain unopened, as that proposal will be considered non-responsive due to material failure to comply with advertised specifications. Furthermore, UT System will open a Proposer’s HSP Packet prior to opening the proposal submitted by Proposer, in order to ensure that Proposer has submitted a signed copy of the Proposer’s HSP Packet as required by this RFP. A Proposer’s failure to submit a signed copy of the completed HSP Packet as required by this RFP will result in UT System’s rejection of the proposal submitted by that Proposer as non-responsive, due to material failure to comply with advertised specifications; such a proposal will remain unopened and will be disqualified and not reviewed by UT System (ref. **Section 1.5** of **APPENDIX ONE** to this RFP).

Note: The requirement that Proposer provide a signed and completed HSP Packet under this **Section 2.5.4** is separate from and does not affect Proposer’s obligation to provide UT System with its proposal as specified in **Section 3.1** of this RFP.

- 2.5.5 UT System may offer Proposer the opportunity to seek an informal review of its draft HSP by the UT System Office of HUB Development. If so, details regarding this opportunity will be provided in the Pre-Proposal Conference (ref. **Section 2.6** of this RFP) or by other means. This process of informal review is designed to help address questions Proposer may have about how to complete its HSP properly. Any concurrence in or comments on the draft HSP by the UT System Office of HUB Development will NOT constitute formal approval of the HSP, and will NOT eliminate the need for Proposer to submit its final HSP to UT System, concurrently with its proposal, in accordance with the detailed instructions in this **Section 2.5**.

2.6 Pre-Proposal Conference

UT System will hold a pre-proposal conference at **10:00 AM**, Houston Time, on **May 16, 2019**, with Proposers attending a webinar broadcast via the Internet utilizing the “Go-to-Meeting” webinar conference service.

The Pre-Proposal Conference will allow all Proposers an opportunity to ask the Alliance, the Strategic Services Group, and UT System HUB representatives relevant questions and clarify provisions of this RFP. Proposer should notify the UT System Contact **by no later than 5:00 PM Houston Time, on May 13, 2019**, whether it will attend the Pre-Proposal Conference, by emailing the UT System Contact. UT System will provide complete details and instructions (including personal computer requirements).

3.2 Proposal Validity Period

Each proposal must state that it will remain valid for UT System's acceptance for a minimum of one hundred eighty (180) days after the Submittal Deadline, to allow time for evaluation, selection, and any unforeseen delays.

If there is a conflict among the provisions in this RFP, the provision requiring Proposer to supply the better quality or greater quantity of goods and services will prevail, or if such conflict does not involve quality or quantity, then interpretation will be in the following order of precedence:

3.3.1.1 Specifications, Additional Questions and Scope of Work (ref. **Section 5** of this RFP);

3.3.1.2 General Terms and Conditions (ref. **Section 4** of this RFP);

3.3.1.3. Proposal Requirements (ref. **APPENDIX ONE**); and

- 3.4.3 Signed and Completed Pricing Affirmation (ref. **Section 6** of this RFP).
- 3.4.4 Signed and completed copy of the HUB Subcontracting Plan or other applicable documents (ref. **Section 2.5** of this RFP and **APPENDIX TWO**).
- 3.4.5 Responses to Proposer’s Survey (ref. **Section 5.5** of this RFP).
- 3.4.6 Proposer’s Price Schedule (ref. **Section 5.6** of this RFP).

SECTION 4

GENERAL TERMS AND CONDITIONS

4.1 General Information regarding Structure of Transaction and Terms and Conditions

The structure of the transaction UT System intends to enter into as a result of this RFP will be substantially similar to the following: (1) one Preferred Supplier Agreement (“**PSA**”) between UT System and Preferred Supplier; and (2) several Institutional Participation Agreements (each an “**IPA**”) signed by participating Alliance members and affiliates (collectively, the “**Agreement**”).

The terms and conditions contained in the attached Sample Preferred Supplier Agreement (ref. **APPENDIX THREE**) or, in the sole discretion of UT System, terms and conditions substantially similar to those contained in **APPENDIX THREE**, will constitute and govern any agreement that results from this RFP. If Proposer takes exception to any terms or conditions set forth in the Preferred Supplier Agreement, Proposer must submit a list of the exceptions as part of its proposal in accordance with **Section 5.3** of this RFP. Proposer’s exceptions will be reviewed by UT System and may result in disqualification of Proposer’s proposal as non-responsive to this RFP. If Proposer’s exceptions do not result in disqualification of Proposer’s proposal, UT System may consider Proposer’s exceptions when UT System evaluates the Proposer’s proposal.

SECTION 5

SPECIFICATIONS, ADDITIONAL QUESTIONS AND SCOPE OF WORK

5.1 General

The requirements and specifications for the Services, as well as certain requests for information to be provided by Proposer as part of its proposal, are set forth below. The winning Proposer should understand that the Services will be required to be provided directly to Institutional Participants, and not to UT System or the Alliance.

5.2 Minimum Requirements

Each Proposal must include information that clearly indicates that the Proposer meets each of the following minimum qualification requirements:

- 5.2.1 Preferred Supplier must pay to the Alliance an administrative fee of 2% of the Total Net Sales made under the Agreement (ref. **Section 6.2** of this RFP). This fee will be payable

quarterly, based on the Total Net Sales made by Preferred Supplier under the Agreement during the related quarter. **“Total Net Sales”** means total revenue received by Preferred Supplier for Services by Institutional Participants less unpaid invoices. The fee will be used to defray the costs incurred by the Alliance, as UT System’s own, in-house group purchasing organization, in organizing, implementing, sustaining and optimizing group procurements for UT System institutions.

5.3 Additional Questions Specific to this RFP and Scope of Work

Proposer must submit the following information as part of Proposer’s proposal:

- 5.3.1 In its proposal, Proposer must indicate whether it will consent to include in the Agreement the “Access by Individuals with Disabilities” language that is set forth in **APPENDIX FOUR**, Access by Individuals with Disabilities. If Proposer objects to the inclusion of the “Access by Individuals with Disabilities” language in the Agreement, Proposer must, as part of its proposal, specifically identify and describe in detail all of the reasons for Proposer’s objection. NOTE THAT A GENERAL OBJECTION IS NOT AN ACCEPTABLE RESPONSE TO THIS QUESTION.
- 5.3.2 If Proposer takes exception to any terms or conditions set forth in **Section 4** of this RFP, Proposer must submit a list of the exceptions.
- 5.3.3 Proposers will provide answers to the questions listed in the Proposer’s Survey (“**Proposer’s Survey**”) (ref. **Section 5.5** of this RFP) to the best of Proposer’s knowledge, as responses may be incorporated into the Agreement. The questions in the Proposer’s Survey will provide UT System with additional information about Proposer and various efficiencies and economies of scale that Proposer may provide to participating institutions.
- 5.3.4 In its proposal, Proposer must respond to each item listed in **APPENDIX FIVE, Electronic and Information Resources (“EIR”) Environment Specifications**. **APPENDIX FIVE** will establish specifications, representations, warranties and agreements related to the EIR that Proposer is offering to provide. Responses to **APPENDIX FIVE** will be incorporated into the Agreement and will be binding on Proposer.
- 5.3.6 By signing the Execution of Offer (ref. **Section 2** of **APPENDIX ONE**), Proposer agrees to comply with Section 2252.908, Government Code (“**Disclosure of Interested Parties Statute**”), and 1 Texas Administration Code Sections 46.1 through 46.5 (“**Disclosure of Interested Parties Regulations**”), as implemented by the Texas Ethics Commission (“**TEC**”), including, among other things, providing the TEC and UT System with the information required on the form promulgated by the TEC and set forth in **APPENDIX SEVEN**. Proposers may learn more about these disclosure requirements, including the use of the TEC electronic filing system, by reviewing information on the TEC website at https://www.ethics.state.tx.us/whatsnew/FAQ_Form1295.html. The Certificate of Interested Parties must be submitted by Preferred Supplier upon delivery to UT System of a signed Agreement.

5.4 Scope of Work

The details noted below will form the basis for the Scope of Work to be included in the Agreement concluded between UT System and Preferred Supplier.

5.4.1 Definitions. For purposes of this RFP the following definitions will apply:

"UT System Contract Administrator" = the individual designated by UT System to be responsible for day-to-day management of the Preferred Supplier-UT System relationship and to serve as the Preferred Supplier's primary contact for and on behalf of Institutional Participants on all matters relating to this Agreement.

5.4.2 General Description. Proposer should understand that this RFP provides a general description of the work to be performed and is not intended to be all-inclusive. Proposer must be familiar with the requirements and general conditions that are essential to provide the Services consistent with industry best practices and in accordance with all licensing, regulations, and professional standards. The following outlines the preferred requirements for the provision of Services:

5.4.2.1 Three years' experience providing revenue cycle consulting services of the type and kind described in this **Section 5.4** to academic medical centers of comparable size and scope of the UT System institutions.

5.4.2.2 Experience working with Epic electronic medical record (EMR) software and related systems for healthcare institutions.

5.4.2.3 Experience working with major Enterprise Resource Planning (ERP) software and reporting software.

5.4.2.4 Knowledgeable and experienced in a range of ancillary systems that may need integration with an ERP or reporting system.

5.4.2.5 Ability to engage multiple Institutional Participants simultaneously.

5.4.2.6 Ability to provide highly skilled personnel with experience in system and process troubleshooting, project management, and technical and functional expertise for application, tools, business processes, application training and documentation and change management.

5.4.2.7 Provide revenue cycle consulting services to Institutional Participants as their preferred provider. The Agreement resulting from this RFP will provide Institutional Participants with access to the Services at discounted prices and is intended to reduce procurement and transaction costs and improve business processes. Preferred Supplier will sell the Services directly to the Institutional Participants under the terms and conditions set forth in the Agreement.

5.4.2.8 Provide Services (that will include, but not be limited to: project management, and business process, functional, and/or technical support for a variety of engagement types), such as:

- Implementation and upgrade support for EMR and ancillary systems
- Business process and work flow review, design and implementation; process improvement and optimization, change management, and training and documentation
- Net revenue and process improvement services
- Strategy planning
- Assessment services (e.g., performance, technology-readiness, etc.)
- Technology optimization services (e.g., improving staff efficiency, maximizing functionality, etc.)

There is no specific level of engagement identified in this RFP. Preferred Supplier will be asked to provide Services only as and when requested by Institutional Participant.

UT System expects the Agreement will provide that any engagement concluded between Preferred Supplier and an Institutional Participant will include:

- (1) a detailed payment schedule tying compensation, to the maximum extent possible, to Preferred Supplier's achievement of specific deliverables, rather than providing solely for time and materials compensation;
- (2) Preferred Supplier's commitment to maintain the continuity of personnel assigned to perform the Services, and to preclude reassignments of staff to other projects, unless Preferred Supplier and Institutional Participant agree on the identify of replacement personnel; and
- (3) procedures for oversight and monitoring of Preferred Supplier's performance of the Services, which may include performance audits conducted by a third party on behalf of Institutional Participant.

5.4.3 Campus Requirements.

- 5.4.3.1 Each Institutional Participant will have its own unique set of rules and regulations for conducting business on its campuses. Preferred Supplier will be responsible for compliance with each Institutional Participant's rules and regulations, including any and all requirements for background checks, badging/credentialing, and security.
- 5.4.3.2 Preferred Supplier will establish with each Institutional Participant campus-specific implementation methods and schedules.
- 5.4.3.3 Preferred Supplier will cause its representatives, agents, employees and permitted subcontractors (if any) to become aware of, fully informed about, and in full compliance with all applicable UT System and Institutional Participant rules and policies, including, without limitation, those relative to personal health, security, environmental quality, safety, fire prevention, noise, smoking, and access restrictions; consideration for students, patients and their families as well as employees; parking; and security.

- 5.4.4 Preferred Supplier-Alliance Account Support Team. Preferred Supplier will provide a Senior Account Representative with the authority and responsibility for the overall success of the Agreement within Preferred Supplier's organization. The Preferred Supplier also will designate an individual assigned to the Alliance account responsible for: (i) receiving and providing ongoing communications by and between Preferred Supplier and UT System; (ii) monitoring the overall implementation of the Agreement at each Institutional Participant and providing updates to the UT System Contract Administrator; (iii) identifying and fostering process improvements; (iv) serving as the liaison to engage resources with Preferred Supplier's organization to troubleshoot and resolve problems; (v) organizing Periodic Business Reviews ("PBRs"); monitoring Key Performance Indicators ("KPIs") and (vi) providing early warning notices of service performance and other concerns to Preferred Supplier's management team and the UT System Contract Administrator.
- 5.4.5 Statement of Work.
- 5.4.5.1 All work performed under the Agreement by Preferred Supplier will be documented in a written Statement of Work mutually agreed to and executed by Preferred Supplier and Institutional Participant or UT System, using a form to be provided by UT System.
- 5.4.5.2 Each Institutional Participant will be responsible for its own process for work authorization.
- 5.4.5.3 A Statement of Work may be on a time and material/cost not to exceed basis or a fixed price, deliverables-based arrangement, as defined by the Institutional Participant.
- 5.4.5.4 Within ten (10) business days (unless otherwise instructed by Institutional Participant or UT System) after receiving a request for Services, Preferred Supplier will prepare and present to Institutional Participant or UT System a proposed written Statement of Work.
- 5.4.6 Acceptance of Work. All Services performed under the Agreement will be subject to the review and approval of certain individual(s) representing Institutional Participant, with such individual(s) being identified in each Statement of Work.
- 5.4.7 Invoicing and Payment.
- 5.4.7.1 Preferred Supplier will invoice Institutional Participants, not UT System or the Alliance. Due to the numerous E-procurement platforms used by Institutional Participants, detailed invoicing requirements will be established by agreement between Preferred Supplier and each Institutional Participant. Each invoice relating to the Agreement will reference the appropriate Institutional Participant purchase order number, and will include a detailed description of the Services to which it relates, and appropriate HUB reporting documentation.
- 5.4.7.2 Each Institutional Participant is solely responsible for the payment of any purchase orders or executed SOW it issues, and neither UT System nor any other Institutional Participant will have any liability whatsoever relating to a purchase order or SOW issued by another Institutional Participant.

- 5.4.7.3 Institutional Participants will remit payments of invoices issued under the Agreement on a Net 30 Days basis, subject to requirements of the Texas Prompt Payment Act.
- 5.4.7.4 Preferred Supplier will resolve all order and invoice discrepancies within five (5) business days after written notification or, if because of their nature, the discrepancies cannot be resolved within that time frame, Preferred Supplier will take all of the steps the Institutional Participant's purchasing department deems necessary.
- 5.4.8 Pricing.

APPENDIX ONE

PROPOSAL REQUIREMENTS

SECTION 1 GENERAL INFORMATION

1.1 Purpose

UT System is soliciting competitive sealed proposals from Proposers having suitable qualifications and experience providing goods and services in accordance with the terms, conditions and requirements set forth in this RFP. This RFP provides sufficient information for interested parties to prepare and submit proposals for consideration by UT System.

By submitting a proposal, Proposer certifies that it understands this RFP and has full knowledge of the scope, nature, quality, and quantity of the goods and services to be performed, the detailed requirements of the goods and services to be provided, and the conditions under which such goods and services are to be performed. Proposer also certifies that it understands that all costs relating to preparing a response to this RFP will be the sole responsibility of Proposer.

PROPOSER IS CAUTIONED TO READ THE INFORMATION CONTAINED IN THIS RFP CAREFULLY AND TO SUBMIT A COMPLETE RESPONSE TO ALL REQUIREMENTS AND QUESTIONS AS DIRECTED.

1.2 Inquiries and Interpretations

UT System may in its sole discretion respond in writing to written inquiries concerning this RFP and post its response as an Addendum to all parties recorded by UT System as participating in this RFP. Only UT System's responses that are made by formal written Addenda will be binding on UT System. Any verbal responses, written interpretations or clarifications other than Addenda to this RFP will be without legal effect. All Addenda issued by UT System prior to the Submittal Deadline will be and are hereby incorporated as a part of this RFP for all purposes.

Proposers are required to acknowledge receipt of each Addendum by selecting "acknowledge" in the Addendum section of the RFP in Jaggaer. Each Addendum must be acknowledged by Proposer prior to the Submittal Deadline and should accompany Proposer's proposal.

1.3 Public Information

Proposer is hereby notified that UT System strictly adheres to all statutes, court decisions and the opinions of the Texas Attorney General with respect to disclosure of public information.

UT System may seek to protect from disclosure all information submitted in response to this RFP until such time as a final agreement is executed.

Upon execution of a final agreement, UT System will consider all information, documentation, and other materials requested to be submitted in response to this RFP, to be of a non-confidential and non-proprietary nature and, therefore, subject to public disclosure under the *Texas Public Information Act (Government Code, Chapter 552.001, et seq.)*. Proposer will be

advised of a request for public information that implicates their materials and will have the opportunity to raise any objections to disclosure to the Texas Attorney General. Certain information may be protected from release under Sections 552.101, 552.110, 552.113, and 552.131, *Government Code*.

1.4 Type of Agreement

Preferred Supplier, if any, will be required to enter into an agreement with UT System in a form that (i) includes terms and conditions substantially similar to those set forth in **Section 4** of this RFP, and (ii) is otherwise acceptable to UT System in all respects.

1.5 Proposal Evaluation Process

UT System will select Preferred Supplier by using the competitive sealed proposal process described in this Section. UT System will open the HSP Packet submitted by a Proposer prior to opening Proposer's proposal in order to ensure that Proposer has submitted the completed and signed HUB Subcontracting Plan (also called the HSP) that is required by this RFP (ref. **Section 2.5.4** of the RFP). All proposals submitted by the Submittal Deadline accompanied by the completed and signed HSP required by this RFP will be opened. Any proposals that are not submitted by the Submittal Date or that are not accompanied by the completed and signed HSP required by this RFP will be rejected by UT System as non-responsive due to material failure to comply with advertised specifications. After the opening of the proposals and upon completion of the initial review and evaluation of the proposals, UT System may invite one or more selected Proposers to participate in oral presentations. UT System will use commercially reasonable efforts to avoid public disclosure of the contents of a proposal prior to selection of Preferred Supplier.

UT System may make the selection of Preferred Supplier on the basis of the proposals initially submitted, without discussion, clarification or modification. In the alternative, UT System may make the selection of Preferred Supplier on the basis of negotiation with any of Proposers. In conducting such negotiations, UT System will avoid disclosing the contents of competing proposals.

At UT System's sole option and discretion, UT System may discuss and negotiate all elements of the proposals submitted by selected Proposers within a specified competitive range. For purposes of negotiation, UT System may establish, after an initial review of the proposals, a competitive range of acceptable or potentially acceptable proposals composed of the highest rated proposal(s). In that event, UT System will defer further action on proposals not included within the competitive range pending the selection of Preferred Supplier; provided, however, UT System reserves the right to include additional proposals in the competitive range if deemed to be in the best interests of UT System.

After submission of a proposal but before final selection of Preferred Supplier is made, UT System may permit a Proposer to revise its proposal in order to obtain Proposer's best and final offer. In that event, representations made by Proposer in its revised proposal, including price and fee quotes, will be binding on Proposer. UT System will provide each Proposer within the competitive range with an equal opportunity for discussion and revision of its proposal. UT System is not obligated to select Proposer offering the most attractive economic terms if that Proposer is not the most advantageous to UT System overall, as determined by UT System.

UT System reserves the right to (a) enter into an agreement for all or any portion of the requirements and specifications set forth in this RFP with one or more Proposers, (b) reject any and all proposals and re-solicit proposals, or (c) reject any and all proposals and temporarily or permanently abandon this selection process, if deemed to be in the best interests of UT System. Proposer is hereby notified that UT System will maintain in its files concerning this RFP a written record of the basis upon which a selection, if any, is made by UT System.

1.6 Proposer's Acceptance of Evaluation Methodology

By submitting a proposal, Proposer acknowledges (1) Proposer's acceptance of [a] the Proposal Evaluation Process (ref. **Section 1.5 of APPENDIX ONE**), [b] the Criteria for Selection (ref. **2.3** of this RFP), [c] the Specifications, Additional Questions and Scope of Work (ref. **Section 5** of this RFP), [d] the terms and conditions set forth in **Section 4** of this RFP, and [e] all other requirements and specifications set forth in this RFP; and (2) Proposer's recognition that some subjective judgments must be made by UT System during this RFP process.

1.7 Solicitation for Proposal and Proposal Preparation Costs

Proposer understands and agrees that (1) this RFP is a solicitation for proposals and UT System has made no representation written or oral that one or more agreements with UT System will be awarded under this RFP; (2) UT System issues this RFP predicated on UT System's anticipated requirements for the related goods and services, and UT System has made no representation, written or oral, that any particular goods or services will actually be required by UT System; and (3) Proposer will bear, as its sole risk and responsibility, any cost that arises from Proposer's preparation of a proposal in response to this RFP.

1.8 Proposal Requirements and General Instructions

- 1.8.1 Proposer should carefully read the information contained herein and submit a complete proposal in response to all requirements and questions as directed.
- 1.8.2 Proposals and any other information submitted by Proposer in response to this RFP will become the property of UT System.
- 1.8.3 UT System will not provide compensation to Proposer for any expenses incurred by Proposer for proposal preparation or for demonstrations or oral presentations that may be made by Proposer, unless otherwise expressly agreed in writing. Proposer submits its proposal at its own risk and expense.
- 1.8.4 Proposals that (i) are qualified with conditional clauses; (ii) alter, modify, or revise this RFP in any way; or (iii) contain irregularities of any kind, are subject to disqualification by UT System, at UT System's sole discretion.
- 1.8.5 Proposals should be prepared simply and economically, providing a straightforward, concise description of Proposer's ability to meet the requirements and specifications of this RFP. Emphasis should be on completeness, clarity of content, and responsiveness to the requirements and specifications of this RFP.
- 1.8.6 UT System makes no warranty or guarantee that an award will be made as a result of this RFP. UT System reserves the right to accept or reject any or all proposals, waive any formalities, procedural requirements, or minor technical inconsistencies, and delete

any requirement or specification from this RFP when deemed to be in UT System's best interest. UT System reserves the right to seek clarification from any Proposer concerning any item contained in its proposal prior to final selection. Such clarification may be provided by telephone conference or personal meeting with or writing to UT System, at UT System's sole discretion. Representations made by Proposer within its proposal will be binding on Proposer.

- 1.8.7 Any proposal that fails to comply with the requirements contained in this RFP may be rejected by UT System, in UT System's sole discretion.

1.9 Preparation and Submittal Instructions

1.9.1 Specifications and Additional Questions

Proposals must include responses to the questions referenced in Specifications, Additional Questions and Scope of Work (ref. **Section 5** of this RFP).

1.9.2 Execution of Offer

Proposer must complete, sign and return the attached Execution of Offer (ref. **Section 2** of **APPENDIX ONE**) as part of its proposal. The Execution of Offer must be signed by a representative of Proposer duly authorized to bind Proposer to its proposal. Any proposal received without a completed and signed Execution of Offer may be rejected by UT System, in its sole discretion.

1.9.3 Pricing Affirmation

Proposer must complete and return the Pricing Affirmation (ref. **Section 6** of this RFP), as part of its proposal.

UT System will not recognize or accept any charges or fees that are not specifically stated in the Pricing Affirmation.

1.9.4 Submission

Proposer should submit all proposal materials via the Jaggaer e-sourcing tool. Proposer should ensure that all documents are submitted electronically in accordance with the instructions in **Section 3.1** of this RFP.

Proposer must also submit the HUB Subcontracting Plan (also called the HSP) as required by this RFP (ref. **Section 2.5** of the RFP.)

UT System will not, under any circumstances, consider a proposal that is received after the Submittal Deadline or which is not accompanied by the completed and signed HSP that is required by this RFP.

UT System will not accept proposals submitted by telephone, proposals submitted by Facsimile ("**FAX**") transmission, or proposals submitted by hard copy (i.e., paper form) in response to this RFP.

Except as otherwise provided in this RFP, no proposal may be changed, amended, or modified after it has been submitted to UT System. However, a proposal may be withdrawn and resubmitted at any time prior to the Submittal Deadline. No proposal may be withdrawn after the Submittal Deadline without UT System's consent, which will be based on Proposer's submittal of a written explanation and documentation evidencing a reason acceptable to UT System, in UT System's sole discretion.

By signing the Execution of Offer (ref. **Section 2** of **APPENDIX ONE**) and submitting a proposal, Proposer certifies that any terms, conditions, or documents attached to or referenced in its proposal are applicable to this procurement only to the extent that they (a) do not conflict with the laws of the State of Texas or this RFP and (b) do not place any requirements on UT System that are not set forth in this RFP or in the Appendices to this RFP. Proposer further certifies that the submission of a proposal is Proposer's good faith intent to enter into the Agreement with UT System as specified herein and that such intent is not contingent upon UT System's acceptance or execution of any terms, conditions, or other documents attached to or referenced in Proposer's proposal.

University of Texas Agreement Number: _____

This Preferred Supplier Agreement, dated effective as of _____, 20__ (“**Effective Date**”), is made by and between **The University of Texas System (“UT System”)**, a state agency and institution of higher education authorized under the laws of the State of Texas, and _____ (“**Preferred Supplier**”), a _____ corporation, Federal Tax Identification Number _____, with its principal offices located at _____.

This Agreement specifies the terms and conditions applicable to the supply by Preferred Supplier of revenue cycle consulting services to institutional participants, all as further described below.

Now, therefore, the parties, intending to be legally bound, agree as follows:

SECTION 1 – Definitions

“**Alliance**” means The University of Texas System Supply Chain Alliance, an in-house group purchasing organization established by UT System to conduct and coordinate strategic purchasing initiatives across UT System. UT System health and academic institutions are members of the Alliance. The Alliance is also affiliated with other institutions of higher education that have executed an Alliance affiliate agreement.

“**Institutional Participant**” means an Alliance member or affiliated institution of higher education, as designated by the Alliance, that has executed an Institutional Participation Agreement in connection with this Agreement.

“Institutional Participation Agreement” or **“IPA”** means the Institutional Participation Agreement attached to this Agreement as **Rider 300** and incorporated for all purposes, to be executed by each Institutional Participant.

“Services” means _____.

“UT Party” means, as applicable, UT System and/or the Institutional Participants.

“UT System Contract Administrator” means the Director of the Alliance, who will be the initial contact for all contractual concerns related to this Agreement.

SECTION 2 – Term:

The term of this Agreement will begin on the Effective Date and expire _____ [*initial fixed term of three years*], unless earlier terminated in accordance with the provisions of this Agreement. UT System will have the option to extend the term of this Agreement for an additional two-year period, upon written notice given to Preferred Supplier at least 90 days in advance of the renewal term.

The Parties acknowledge that, prior to any scheduled expiration of this Agreement, UT System may conduct a competitive procurement for the purchase of services comparable to the Services, for the period following expiration. If Preferred Supplier is not selected as the source for the succeeding period, Institutional Participants may need to transition over a period of time to purchasing the services primarily from the new source, rather than from Preferred Supplier. In such event, in order to allow for an orderly transition, Institutional Participants may wish to continue purchasing from Preferred Supplier for a limited period of time after the anticipated expiration of this Agreement. As a result, Preferred Supplier agrees that, notwithstanding any other provision of this Agreement:

- Preferred Supplier will make the Services available for purchase by Institutional Participants after _____, 20__ (or the anticipated expiration date under any extended term of this Agreement), for a transitional period of six months (the **“Transition Period”**), on the same terms and conditions set forth in this Agreement.
- All incentive / rebate trigger amounts that may be established in this Agreement for any calendar year will be pro-rated automatically on a straight-line basis, to account for partial calendar years during which this Agreement exists, including the Transition Period.

SECTION 3 – Amendment:

No change, modification, alteration, or waiver of this Agreement will be effective unless it is set forth in a written agreement that is signed by UT System and Preferred Supplier.

SECTION 4 – Performance by Preferred Supplier:

Preferred Supplier will perform its obligations under this Agreement to the satisfaction of UT Party. Time is of the essence in connection with this Agreement. UT Party will not have any obligation to accept late performance or waive timely performance by Preferred Supplier. Preferred Supplier will obtain, at its own cost, any and all approvals, licenses, filings, registrations and permits required by federal, state or local laws, regulations or ordinances, for its performance hereunder.

SECTION 5 – Family Code Child Support Certification:

Pursuant to Section 231.006, *Family Code*, Preferred Supplier certifies that it is not ineligible to receive the award of or payments under this Agreement and acknowledges that this Agreement may be terminated and payment may be withheld if this certification is inaccurate.

SECTION 6 – Eligibility Certifications:

Pursuant to Sections 2155.004 and 2155.006, *Texas Government Code*, Preferred Supplier certifies that it has not received compensation for participation in the preparation of the Request for Proposal related to this Agreement and is not ineligible to receive the award of or payments under this Agreement; and acknowledges that this Agreement may be terminated and payment withheld if these certifications are inaccurate.

SECTION 7 – Tax Certification:

If Preferred Supplier is a taxable entity as defined by Chapter 171, Texas Tax Code (“**Chapter 171**”), then Preferred Supplier certifies that it is not currently delinquent in the payment of any taxes due under Chapter 171, or that Preferred Supplier is exempt from the payment of those taxes, or that Preferred Supplier is an out-of-state taxable entity that is not subject to those taxes, whichever is applicable.

SECTION 8 – Payment of Debt or Delinquency to the State:

Pursuant to Sections 2107.008 and 2252.903, *Texas Government Code*, Preferred Supplier agrees that any payments owing to Preferred Supplier under this Agreement may be applied directly toward any debt or delinquency that Preferred Supplier owes the State of Texas or any agency of the State of Texas regardless of when it arises, until such debt or delinquency is paid in full.

SECTION 9 – Loss of Funding:

Performance by UT Party under this Agreement may be dependent upon the appropriation and allotment of funds by the Texas State Legislature (the “**Legislature**”) and/or allocation of funds by the Board of Regents of The University of Texas System (the “**Board**”). If the Legislature fails to appropriate or allot the necessary funds, or the Board fails to allocate the necessary funds, then UT Party will issue written notice to Preferred Supplier and UT Party may terminate this Agreement without further duty or obligation hereunder, other than payment for goods and services already delivered or provided to Institutional Participant. Preferred Supplier acknowledges that appropriation, allotment, and allocation of funds are beyond the control of UT Party.

SECTION 10 – Force Majeure:

None of the parties to this Agreement will be liable or responsible to another for any loss or damage or for any delays or failure to perform due to causes beyond its reasonable control including acts of God, strikes, epidemics, war, riots, flood, fire, sabotage, or any other circumstances of like character (“**force majeure occurrence**”). Provided, however, in the event of a force majeure occurrence, Preferred Supplier agrees to use its best efforts to mitigate the impact of the occurrence so that UT Party may continue to provide healthcare services during the occurrence.

SECTION 11 – Notices:

Except as otherwise provided in this Section, all notices, consents, approvals, demands, requests or

other communications provided for or permitted to be given under any of the provisions of this Agreement will be in writing and will be sent via registered or certified mail, overnight courier, confirmed facsimile transmission (to the extent a facsimile number is set forth below), or email (to the extent an email address is set forth below), and notice will be deemed given (i) if mailed, when deposited, postage prepaid, in the United States mail, (ii) if sent by overnight courier, one business day after delivery to the courier, (iii) if sent by facsimile (to the extent a facsimile number is set forth below), when transmitted, and (iv) if sent by email (to the extent an email address is set forth below), when received:

12.1 Preferred Supplier represents that it has the knowledge, ability, skills, and resources to perform its obligations hereunder.

12.2 Preferred Supplier will maintain a staff of properly trained and experienced personnel to ensure satisfactory performance hereunder. Preferred Supplier will cause all persons connected with the Preferred Supplier directly in charge of performance hereunder to be duly registered and/or licensed under all applicable federal, state and municipal, laws, regulations, codes, ordinances and orders, including the rules, regulations and procedures promulgated by the Board or Institutional Participants, and those of any other body or authority having jurisdiction (collectively, "**Applicable Law**").

12.3 Preferred Supplier represents, warrants and agrees that (a) it will use commercially reasonable efforts to perform hereunder, in a good and workmanlike manner and in accordance with commercially reasonable standards of Preferred Supplier's profession or business, and (b) all good and services provided hereunder will be of the quality that prevails among similar businesses engaged in providing similar products and services in major United States urban areas under the same or similar circumstances.

12.4 Preferred Supplier warrants and agrees that the Services supplied under this Agreement will be accurate and free from any material defects. Preferred Supplier's performance hereunder will at no time be in any way diminished by reason of any approval by UT Party nor will Preferred Supplier be released from any liability by reason of any approval by UT Party, it being agreed that UT Party at all times is relying upon Preferred Supplier's skill and knowledge in performing hereunder. Preferred Supplier will, at its own cost, correct all material defects in the Services supplied under this Agreement, as soon as practical after Preferred Supplier becomes aware of the defects. If Preferred Supplier fails to correct such material defects within a reasonable time, then UT Party may correct the defect at Preferred Supplier's expense. This remedy is in addition to, and not in substitution for, any other remedy for the defect that UT Party may have at law or in equity.

12.5 Preferred Supplier will call to the attention of UT Party, in writing, all information in any materials supplied to Preferred Supplier (by UT Party or any other party) that Preferred Supplier regards as unsuitable, improper or inaccurate in connection with the purposes for which the material is furnished.

12.6 Preferred Supplier represents that if (i) it is a corporation or limited liability company, then it is a corporation duly organized, validly existing and in good standing under the laws of the State of Texas, or a foreign corporation or limited liability company duly authorized and in good standing to conduct business in the State of Texas, that it has all necessary corporate power and has received all necessary corporate approvals to execute and deliver this Agreement, and the individual executing this Agreement on behalf of Preferred Supplier has been duly authorized to act for and bind Preferred Supplier; or (ii) if it is a partnership, limited partnership, limited liability partnership, or limited liability company then it has all necessary power and has secured all necessary approvals to execute and deliver this Agreement and perform all its obligations hereunder, and the individual executing this Agreement on behalf of Preferred Supplier has been duly authorized to act for and bind Preferred Supplier.

12.7 Preferred Supplier will provide the warranties more particularly described in Section ___ of **Rider 100**, Scope of Work.

12.8 Preferred Supplier represents and warrants that neither the execution and delivery of this Agreement by Preferred Supplier nor Preferred Supplier's performance hereunder will (a) result in the violation of any provision [i] if a corporation, of Preferred Supplier's articles of incorporation or by-laws, [ii] if a limited liability company, of its articles of organization or regulations, or [iii] if a partnership, of any partnership agreement by which Preferred Supplier is bound; (b) result in the violation of any provision of any agreement by which Preferred Supplier is bound; or (c) to the best of Preferred Supplier's knowledge and belief, conflict with any order or decree of any court or other body or authority having jurisdiction.

SECTION 13 – State Auditor’s Office:

Preferred Supplier understands that acceptance of funds under this Agreement constitutes acceptance of the authority of the Texas State Auditor's Office, or any successor agency (collectively, “**Auditor**”), to conduct an audit or investigation in connection with those funds pursuant to Sections 51.9335(c), 73.115(c) and 74.008(c), Education Code. Preferred Supplier agrees to cooperate with the Auditor in the conduct of the audit or investigation, including without limitation providing all records requested. Preferred Supplier will include this provision in all contracts with permitted subcontractors.

SECTION 14 – Governing Law:

Travis County, Texas, will be the proper place of venue for suit on or in respect of this Agreement. This Agreement and all of the rights and obligations of the parties thereto and all of the terms and conditions thereof will be construed, interpreted and applied in accordance with and governed by and enforced under the internal laws of the State of Texas.

SECTION 15 – Breach of Contract Claims:

15.1 To the extent that Chapter 2260, Texas Government Code, as it may be amended from time to time (“**Chapter 2260**”), is applicable to this Agreement and is not preempted by other Applicable Law, the dispute resolution process provided for in Chapter 2260 will be used, as further described herein, by UT Party and Preferred Supplier to attempt to resolve any claim for breach of contract made by Preferred Supplier:

15.1.1 Preferred Supplier's claims for breach of this Agreement that the parties cannot resolve pursuant to other provisions of this Agreement or in the ordinary course of business will be submitted to the negotiation process provided in subchapter B of Chapter 2260. To initiate the process, Preferred Supplier will submit written notice, as required by subchapter B of Chapter 2260, to UT Party in accordance with the notice provisions in this Agreement. Preferred Supplier's notice will specifically state that the provisions of subchapter B of Chapter 2260 are being invoked, the date and nature of the event giving rise to the claim, the specific contract provision that UT Party allegedly breached, the amount of damages Preferred Supplier seeks, and the method used to calculate the damages. Compliance by Preferred Supplier with subchapter B of Chapter 2260 is a required prerequisite to Preferred Supplier's filing of a contested case proceeding under subchapter C of Chapter 2260. The UT Party's chief business officer, or another officer of UT Party as may be designated from time to time by UT Party by written notice thereof to Preferred Supplier in accordance with the notice provisions in this Agreement, will examine Preferred Supplier's claim and any counterclaim and negotiate with Preferred Supplier in an effort to resolve the claims.

15.1.2 If the parties are unable to resolve their disputes under **Section 15.1.1**, the contested case process provided in subchapter C of Chapter 2260 is Preferred Supplier's sole and exclusive process for seeking a remedy for any and all of Preferred Supplier's claims for breach of this Agreement by UT Party.

15.1.3 Compliance with the contested case process provided in subchapter C of Chapter 2260 is a required prerequisite to seeking consent to sue from the Legislature under Chapter 107, Civil Practices and Remedies Code. The parties hereto specifically agree that (i) neither the execution of this Agreement by UT Party nor any other conduct, action or inaction of any representative of UT Party relating to this Agreement constitutes or is intended to constitute a waiver of UT Party's or the state's sovereign immunity to suit and (ii) UT Party has not waived its right to seek redress in the courts.

15.2 The submission, processing and resolution of Preferred Supplier's claim is governed by the published rules adopted by the Texas Attorney General pursuant to Chapter 2260, as currently effective, thereafter enacted or subsequently amended.

15.3 UT Party and Preferred Supplier agree that any periods set forth in this Agreement for notice and cure of defaults are not waived.

SECTION 16 – Compliance with Law:

Preferred Supplier will perform hereunder in compliance with all Applicable Law. Preferred Supplier represents and warrants that neither Preferred Supplier nor any firm, corporation or institution represented by Preferred Supplier, nor anyone acting for such firm, corporation or institution, (1) has violated the antitrust laws of the State of Texas, Chapter 15, *Texas Business and Commerce Code*, or federal antitrust laws, or (2) has communicated directly or indirectly the content of Preferred Supplier's response to UT System's procurement solicitation to any competitor or any other person engaged in a similar line of business during the procurement process.

SECTION 17 – UT System's Right to Audit:

At any time during the term of this Agreement and for a period of four (4) years thereafter UT System or a duly authorized audit representative of UT System, or the State of Texas, at its expense and at reasonable times, reserves the right to audit Preferred Supplier's records and books directly related to charges paid for all products and services provided under this Agreement. The right will not extend to any fixed fee component of the charges or to any services performed more than one year prior to the date of request for review. In the event such an audit by UT System reveals any errors or overpayments by an Institutional Participant, Preferred Supplier will refund the full amount of such overpayments within thirty (30) days of such audit findings. Institutional Participant, at its option, reserves the right to deduct such amounts owing to Institutional Participant from any payments due to Preferred Supplier.

SECTION 18 – Access to Documents:

To the extent applicable to this Agreement, in accordance with Section 1861(v)(I)(i) of the Social Security Act (42 U.S.C. 1395x) as amended, and the provisions of 42 CFR Section 420.300, et seq., Preferred Supplier agrees to allow, during and for a period of not less than four (4) years after this Agreement term, access to this Agreement and its books, documents, and records; and contracts between Preferred Supplier and its subcontractors or related organizations, including books,

SECTION 23 – Assignment and Subcontracting:

Except as specifically provided in any Historically Underutilized Business Subcontracting Plan (“**HSP**”) attached as **Rider 500** and incorporated for all purposes, neither Preferred Supplier's interest in this Agreement, its duties and obligations under this Agreement nor fees due to Preferred Supplier under this Agreement may be subcontracted, assigned, delegated or otherwise transferred to a third party, in whole or in part, and any attempt to do so will (1) not be binding on UT Party; and (2) be a breach of this Agreement for which Preferred Supplier will be subject to any remedial actions provided by Texas law, including Chapter 2161, Texas Government Code, and 34 Texas Administrative Code (“**TAC**”) Section 20.14. UT Party may report nonperformance under this Agreement to the Texas Procurement and Support Services Division of the Texas Comptroller of Public Accounts or any successor agency (collectively, “**TPSS**”) in accordance with 34 TAC Chapter 20, Subchapter F, Vendor Performance and Debarment Program. The benefits and burdens of this Agreement are, however, assignable by UT Party.

SECTION 24 – Historically Underutilized Business Subcontracting Plan:

24.1 If an HSP is attached to this Agreement, Preferred Supplier agrees to use good faith efforts to subcontract the scope of work in accordance with the HSP. Preferred Supplier agrees to maintain business records documenting its compliance with the HSP and to submit a monthly compliance report to UT Party in the format required by the TPSS. Submission of compliance reports will be required as a condition for payment under this Agreement. If UT Party determines that Preferred Supplier has failed to subcontract as set out in the HSP, UT Party will notify Preferred Supplier of any deficiencies and give Preferred Supplier an opportunity to submit documentation and explain why the failure to comply with the HSP should not be attributed to a lack of good faith effort by Preferred Supplier. If UT Party determines that Preferred Supplier failed to implement the HSP in good faith, UT Party, in addition to any other remedies, may report nonperformance to the TPSS in accordance with 34 TAC Chapter 20, Subchapter F, Vendor Performance and Debarment Program. 24.3 If UT Party expands the scope of this Agreement through a change order or any other amendment, UT Party will determine if the additional scope of work contains probable subcontracting opportunities not identified in the initial solicitation for the scope of work. If UT Party determines additional probable subcontracting opportunities exist, Preferred Supplier will submit an amended subcontracting plan covering those opportunities. The amended subcontracting plan must comply with the provisions of 34 TAC Section 20.14 before (1) this Agreement may be amended to include the

additional scope of work; or (2) Preferred Supplier may perform the additional scope of work. If Preferred Supplier subcontracts any of the additional subcontracting opportunities identified by UT Party without prior authorization and without complying with 34 TAC Section 20.14, Preferred Supplier will be deemed to be in breach of this Agreement under Section 4.19 and will be subject to any remedial actions provided by Texas law including Chapter 2161, Texas Government Code, and 34 TAC Section 20.14. UT Party may report nonperformance under this Agreement to the TPSS in accordance with 34 TAC Chapter 20, Subchapter F, Vendor Performance and Debarment Program.

Pursuant to the Act, payment will be deemed late on the 31st day after the later of: 1) the date the performance is completed, or 2) the date Institutional Participant receives an invoice for the related goods or services. Institutional Participant will be responsible for interest on overdue payments equal to the sum of: 1) one percent, plus 2) the prime rate as published in the Wall Street Journal on the first day of July of the preceding fiscal year (Institutional Participant’s fiscal year begins September 1) that does not fall on a Saturday or Sunday. Institutional Participant will have the right to verify the details set forth in Preferred Supplier’s invoices and supporting documentation, either before or after payment, by (a) inspecting the books and records of Preferred Supplier at mutually convenient times; (b) examining any reports with respect to the related goods or services; and (c) other reasonable action.

Section 51.012, *Texas Education Code*, authorizes UT Party to make any payment through electronic funds transfer methods. Preferred Supplier agrees to receive payments from UT Party through electronic funds transfer methods, including the automated clearing house system (also known as ACH). Prior to the first payment under this Agreement, UT Party will confirm Preferred Supplier’s banking information. Any changes to Preferred Supplier’s banking information will be communicated by Preferred Supplier to UT Party in writing at least thirty (30) days in advance of the effective date of the change.

SECTION 26 – Limitations:

The parties to this Agreement are aware that there are constitutional and statutory limitations on the authority of UT Party (a state agency) to enter into certain terms and conditions of this Agreement, including, but not limited to, those terms and conditions relating to disclaimers and limitations of warranties; disclaimers and limitations of liability for damages; waivers, disclaimers and limitations of legal rights, remedies, requirements and processes; limitations of periods to bring legal action; granting control of litigation or settlement to another party; liability for acts or omissions of third parties; payment of attorneys’ fees; dispute resolution; indemnities; and confidentiality (collectively, the “**Limitations**”), and terms and conditions related to the Limitations will not be binding on UT Party except to the extent authorized by the laws and Constitution of the State of Texas.

Preferred Supplier represents and warrants that all products and services furnished under this Agreement meet or exceed the safety standards established and promulgated under the Federal Occupational Safety and Health Law (Public Law 91-598) and its regulations in effect or proposed as of the date of this Agreement.

SECTION 29 - Certifications of Nonsegregated Facilities and Equal Employment Opportunities Compliance:

Preferred Supplier certifies that, except for restrooms and wash rooms and one (1) or more lactation rooms each of which is segregated on the basis of sex: (1) it does not maintain or provide for its employees any segregated facilities at any of its establishments and that it does not permit its employees to perform their services at any location under its control where segregated facilities are maintained; (2) it will not maintain or provide for its employees any segregated facilities at any of its establishments; and (3) it will not permit its employees to perform their services at any location under its control where segregated facilities are maintained. Preferred Supplier agrees that a breach of this certification is a violation of the Equal Opportunity clause in this Agreement. The term "**segregated facilities**" means any waiting rooms, work area, rest rooms and wash rooms, entertainment areas, transportation, or housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, color, religion, sex, or national origin, because of habit, local custom, or otherwise. Preferred Supplier further agrees that, except where it has contracts prior to the award with subcontractors exceeding \$10,000.00 which are not exempt from the provisions of the Equal Opportunity clause, Preferred Supplier will retain such certifications for each one of its subcontractors in Preferred Supplier's' files, and that it will forward the following notice to all proposed subcontractors (except where the proposed subcontractors have submitted identical certifications for specific time periods):

NOTICE TO PROSPECTIVE SUBCONTRACTORS OF REQUIREMENTS FOR CERTIFICATIONS OF NONSEGREGATED FACILITIES - A Certification on Nonsegregated Facilities must be submitted prior to the award of any subcontract exceeding \$10,000.00 which is not exempt from the provisions of the Equal Opportunity clause. The certification may be submitted either for each subcontract or for all subcontracts during a period (i.e. quarterly, semiannually, or annually).

Preferred Supplier understands that the penalty for making false statements regarding the subject matters of this Section is prescribed in 18 U.S.C. 1001.

SECTION 30 – Premises Rules:

If this Agreement requires Preferred Supplier's presence on UT Party's premises or in UT Party's facilities, Preferred Supplier agrees to cause its representatives, agents, employees and permitted subcontractors (if any) to become aware of, fully informed about, and in full compliance with all applicable UT Party rules and policies, including, without limitation, those relative to personal health, security, environmental quality, safety, fire prevention, noise, smoking, and access restrictions; consideration for students, patients and their families as well as employees; parking; and security.

SECTION 31 – Debarment:

Preferred Supplier confirms that neither Preferred Supplier nor its Principals are suspended, debarred, proposed for debarment, declared ineligible, or voluntarily excluded from the award of contracts from

United States (“**U.S.**”) federal government procurement or nonprocurement programs, or are listed in the List of Parties Excluded from Federal Procurement or Nonprocurement Programs issued by the U.S. General Services Administration. “**Principals**” means officers, directors, owners, partners, and persons having primary management or supervisory responsibilities within a business entity (e.g. general manager, plant manager, head of a subsidiary, division or business segment, and similar positions). Preferred Supplier will provide immediate written notification to UT Party if, at any time prior to award, Preferred Supplier learns that this certification was erroneous when submitted or has become erroneous by reason of changed circumstances. This certification is a material representation of fact upon which reliance will be placed when UT Party executes this Agreement. If it is later determined that Preferred Supplier knowingly rendered an erroneous certification, in addition to the other remedies available to UT Party, UT Party may terminate this Agreement for default by Preferred Supplier.

SECTION 32 – Office of Inspector General Certification:

Preferred Supplier acknowledges that UT Party is prohibited by federal regulations from allowing any employee, subcontractor, or agent of Preferred Supplier to work on site at UT Party premises or facilities if that individual is not eligible to work on federal healthcare programs such as Medicare, Medicaid, or other similar federal programs. Therefore, Preferred Supplier will not assign any employee, subcontractor or agent that appears on the List of Excluded Individuals issued by the United States Office of the Inspector General (“**OIG**”) to work on site at UT Party premises or facilities. Preferred Supplier will perform an OIG sanctions check quarterly on each of its employees, subcontractors and agents during the time such employees, subcontractors and agents are assigned to work on site at UT Party premises or facilities. Preferred Supplier acknowledges that UT Party will require immediate removal of any employee, subcontractor or agent of Preferred Supplier assigned to work at UT Party premises or facilities if such employee, subcontractor or agent is found to be on the OIG's List of Excluded Individuals. The OIG's List of Excluded Individuals may be accessed through the following Internet website: <http://www.dhhs.gov/progorg/oig/cumsan/index.htm>.

SECTION 33 – Termination:

33.1 In the event of a material failure by either party to perform in accordance with the terms of this Agreement (“**default**”), the other, non-defaulting party may terminate this Agreement upon thirty (30) days’ written notice of termination setting forth the nature of the material failure. The termination will not be effective if the material failure is fully cured prior to the end of the 30-day period. No such termination will relieve the defaulting party from liability for the underlying default or breach of this Agreement or any other act or omission.

33.2 UT System may terminate this Agreement, without cause, upon written notice to Preferred Supplier; provided, however, this Agreement will not terminate until the later of (1) 90 days after receipt of notice of termination, or (2) the date that performance is complete under all purchase orders issued by Institutional Participant to Preferred Supplier prior to receipt of notice of termination. Institutional Participant may not issue any purchase orders after receipt of notice of termination. Termination of this Agreement will not relieve any party from liability for its default under or breach of this Agreement or any other act or omission of that party. In the event that this Agreement is terminated, then within thirty (30) days after termination, Preferred Supplier will reimburse UT Party for all fees paid by UT Party to Preferred Supplier that were (a) not earned by Preferred Supplier prior to termination, or (b) for goods or services that UT Party did not receive from Preferred Supplier prior to termination.

33.3 UT System or Institutional Participant may terminate an IPA, without cause, upon written notice to Preferred Supplier; provided, however, the IPA will not terminate until the later of (1) thirty (30) days after receipt of notice of termination, or (2) the date that performance is complete under all purchase

orders issued by Institutional Participant to Preferred Supplier prior to receipt of notice of termination. Institutional Participant may not issue any purchase orders after receipt of notice of termination. Termination of an IPA will not relieve any party from liability for its default under or breach of the IPA or any other act or omission of that party. In the event that an IPA is terminated, then within thirty (30) days after termination, Preferred Supplier will reimburse Institutional Participant for all fees paid by Institutional Participant to Preferred Supplier that were (a) not earned by Preferred Supplier prior to termination, or (b) for goods or services that Institutional Participant did not receive from Preferred Supplier prior to termination.

SECTION 34 – Authority:

The individuals executing this Agreement on behalf of each party have been duly authorized to act for and bind the party they represent.

SECTION 35 – Survival of Provisions:

Expiration or termination of this Agreement will not relieve either party of any obligations under this Agreement that by their nature survive such expiration or termination.

SECTION 36 – Confidentiality; Press Releases; Public Information:

36.1 Confidentiality and Safeguarding of UT Party Records. Under this Agreement, Preferred Supplier may (1) create, (2) receive from or on behalf of UT Party, or (3) have access to, UT Party's records or record systems (collectively, "**UT Party Records**"). Among other things, UT Party Records may contain social security numbers, credit card numbers, or data protected or made confidential or sensitive by applicable federal, state and local, laws, regulations, and ordinances. Preferred Supplier represents, warrants, and agrees that it will: (1) hold UT Party Records in strict confidence and will not use or disclose UT Party Records except as (a) permitted or required by this Agreement, (b) required by law, or (c) otherwise authorized by UT Party in writing; (2) safeguard UT Party Records according to reasonable administrative, physical and technical standards commonly in effect within Preferred Supplier's industry and that are no less rigorous than the standards by which Preferred Supplier protects its own confidential information; (3) continually monitor its operations in accordance with reasonable standards commonly in effect within Preferred Supplier's industry and take any action necessary to ensure that UT Party Records are safeguarded and that the confidentiality of UT Party Records is maintained in accordance with all applicable federal, state and local, laws, regulations, and ordinances, and the terms of this Agreement; and (4) comply with UT Party's rules, policies, and procedures regarding access to and use of UT Party's computer systems. At the request of UT Party, Preferred Supplier will provide UT Party with a written summary of the procedures Preferred Supplier uses to safeguard and maintain the confidentiality of UT Party Records.

36.2 Notice of Impermissible Use. If an impermissible use or disclosure of any UT Party Records occurs, Preferred Supplier will provide written notice to UT Party within one (1) business day after Preferred Supplier's discovery of that use or disclosure. Preferred Supplier will promptly provide UT Party with all information requested by UT Party regarding the impermissible use or disclosure.

36.3 Return of UT Party Records. Preferred Supplier agrees that within thirty (30) days after the expiration or termination of this Agreement, for any reason, all UT Party Records created or received from or on behalf of UT Party will be (1) returned to UT Party, with no copies retained by Preferred Supplier; or (2) if return is not feasible, destroyed. Twenty (20) days before destruction of any UT Party Records, Preferred Supplier will provide UT Party with written notice of Preferred Supplier's intent to

destroy UT Party Records. Within five (5) days after destruction, Preferred Supplier will confirm to UT Party in writing the destruction of UT Party Records.

36.4 Disclosure. If Preferred Supplier discloses any UT Party Records to a subcontractor or agent, Preferred Supplier will require the subcontractor or agent to comply with the same restrictions and obligations as are imposed on Preferred Supplier by this **Section 36**.

36.5 Press Releases. Preferred Supplier will not make any press releases, public statements, or advertisement referring to this Agreement, or release any information relative to this Agreement for publication, advertisement or any other purpose, without the prior written approval of UT Party.

36.6 Public Information. UT Party strictly adheres to all statutes, court decisions and the opinions of the Texas Attorney General with respect to disclosure of public information under the *Texas Public Information Act* (“**TPIA**”), Chapter 552, *Texas Government Code*. In accordance with Section 552.002 of TPIA and Section 2252.907, *Texas Government Code*, and at no additional charge to UT Party, Preferred Supplier will make any information created or exchanged with UT Party pursuant to this Agreement (and not otherwise exempt from disclosure under TPIA) available in a format reasonably requested by UT Party that is accessible by the public.

36.7 Termination. In addition to any other termination rights set forth in this Agreement, and any other rights at law or equity, if UT Party reasonably determines that Preferred Supplier has breached any of the restrictions or obligations set forth in this Section, UT Party may immediately terminate this Agreement without notice or opportunity to cure.

36.8 Duration. The restrictions and obligations under this Section will survive expiration or termination of this Agreement for any reason.

SECTION 37 – Tax Exemption

UT System institutions, being agencies of the State of Texas, are exempt from Texas Sales & Use Tax on goods and services in accordance with Section 151.309, *Tax Code*, and Title 34 TAC Section 3.322. Pursuant to 34 TAC Section 3.322(c)(4), UT System institutions are not required to provide a tax exemption certificate to establish their tax exempt status.

SECTION 38 – Undocumented Workers:

The *Immigration and Nationality Act* (8 *United States Code* 1324a) (“**Immigration Act**”) makes it unlawful for an employer to hire or continue employment of undocumented workers. The United States Immigration and Customs Enforcement Service has established the Form I-9 Employment Eligibility Verification Form (“**I-9 Form**”) as the document to be used for employment eligibility verification (8 *Code of Federal Regulations* 274a). Among other things, Preferred Supplier is required to: (1) have all employees complete and sign the I-9 Form certifying that they are eligible for employment; (2) examine verification documents required by the I-9 Form to be presented by the employee and ensure the documents appear to be genuine and related to the individual; (3) record information about the documents on the I-9 Form, and complete the certification portion of the I-9 Form; and (4) retain the I-9 Form as required by law. It is illegal to discriminate against any individual (other than a citizen of another country who is not authorized to work in the United States) in hiring, discharging, or recruiting because of that individual's national origin or citizenship status. If Preferred Supplier employs unauthorized workers during performance of this Agreement in violation of the Immigration Act then, in addition to other remedies or penalties prescribed by law, UT Party may terminate this Agreement in

accordance with Section 4.31. Preferred Supplier represents and warrants that it is in compliance with and agrees that it will remain in compliance with the provisions of the Immigration Act.

SECTION 39 – No Required Quantities or Minimum Amounts:

Preferred Supplier understands that this Agreement does not obligate UT Party to purchase any specific amount of goods or services from Preferred Supplier under this Agreement or otherwise. For example, this Agreement does not establish any minimum quantity or minimum dollar amount of goods or services that UT Party must purchase from Preferred Supplier during the term of this Agreement.

SECTION 40 – Access by Individuals with Disabilities:

Preferred Supplier represents and warrants (“**EIR Accessibility Warranty**”) that the electronic and information resources and all associated information, documentation, and support that it provides under this Agreement (collectively, the “**EIRs**”) comply with the applicable requirements set forth in Title 1, Chapter 213, *Texas Administrative Code*, and Title 1, Chapter 206, Rule §206.70, *Texas Administrative Code* (as authorized by Chapter 2054, Subchapter M, *Government Code*). To the extent Preferred Supplier becomes aware that the EIRs, or any portion thereof, do not comply with the EIR Accessibility Warranty, then Preferred Supplier represents and warrants that it will, at no cost to UT Party, either (1) perform all necessary remediation to make the EIRs satisfy the EIR Accessibility Warranty or (2) replace the EIRs with new EIRs that satisfy the EIR Accessibility Warranty. In the event Preferred Supplier fails or is unable to do so, UT Party may terminate this Agreement, and Preferred Supplier will refund to UT Party all amounts UT Party has paid under this Agreement within thirty (30) days after the termination date.

SECTION 41 – Certification regarding Boycotting Israel:

Pursuant to Chapter 2270, Texas Government Code, Preferred Supplier certifies that it (1) does not currently boycott Israel; and (b) will not boycott Israel during the term of this Agreement. Preferred Supplier acknowledges this Agreement may be terminated and payment withheld if this certification is inaccurate.

SECTION 42 – Certification regarding Business with Certain Countries and Organizations:

Pursuant to Subchapter F, Chapter 2252, Texas Government Code, Preferred Supplier certifies that it is not engaged in business with Iran, Sudan, or a foreign terrorist organization. Preferred Supplier acknowledges this Agreement may be terminated and payment withheld if this certification is inaccurate.

SECTION 43 – Background Checks:

Preferred Supplier will not knowingly assign any individual to provide services on a UT Party’s campus if the individual has a history of criminal conduct unacceptable for a university campus or healthcare center, including violent or sexual offenses. If requested by any UT Party to comply with its policy, Preferred Supplier will perform appropriate criminal background checks on each individual who will provide such services on the UT Party’s campus.

SECTION 44 – Entire Agreement; Modifications:

This Agreement supersedes all prior agreements, written or oral, between Preferred Supplier and UT System and will constitute the entire agreement and understanding between the parties with respect

to the subject matter of this Agreement. This Agreement and each of its provisions will be binding upon the parties and may not be waived, modified, amended or altered except by a writing signed by UT System and Preferred Supplier.

SECTION 45 – Captions:

The captions of sections and subsections in this Agreement are for convenience only and will not be considered or referred to in resolving questions of interpretation or construction.

SECTION 46 – Waivers:

No delay or omission in exercising any right accruing upon a default in performance of this Agreement will impair any right or be construed to be a waiver of any right. A waiver of any default under this Agreement will not be construed to be a waiver of any subsequent default under this Agreement.

SECTION 47 – Binding Effect:

This Agreement will be binding upon and inure to the benefit of the parties hereto and their respective permitted assigns and successors.

SECTION 48 – Limitations of Liability:

Except for UT Party's obligation (if any) to pay Preferred Supplier certain fees and expenses, UT Party will have no liability to Preferred Supplier or to anyone claiming through or under Preferred Supplier by reason of the execution or performance of this Agreement. Notwithstanding any duty or obligation of UT Party to Preferred Supplier or to anyone claiming through or under Preferred Supplier, no present or future affiliated enterprise, subcontractor, agent, officer, director, employee, representative, attorney or regent of UT Party, or anyone claiming under UT Party has or will have any personal liability to Preferred Supplier or to anyone claiming through or under Preferred Supplier by reason of the execution or performance of this Agreement.

SECTION 49 – Relationship of the Parties:

For all purposes of this Agreement and notwithstanding any provision of this Agreement to the contrary, Preferred Supplier is an independent contractor and is not a state employee, partner, joint venturer, or agent of UT Party. Preferred Supplier will not bind nor attempt to bind UT Party to any agreement or contract. As an independent contractor, Preferred Supplier is solely responsible for all taxes, withholdings, and other statutory or contractual obligations of any sort, including workers' compensation insurance.

SECTION 50 – Severability:

In case any provision of this Agreement will, for any reason, be held invalid or unenforceable in any respect, the invalidity or unenforceability will not affect any other provision of this Agreement, and this Agreement will be construed as if the invalid or unenforceable provision had not been included.

SECTION 51 – External Terms:

This Agreement completely supplants, replaces, and overrides all other terms and conditions or agreements, written or oral ("**External Terms**"), concerning Preferred Supplier's performance under this Agreement. Such External Terms are null and void and will have no effect under this Agreement,

regardless of whether UT Party or any of its employees, contractors, or agents consents or agrees to External Terms. External Terms include any shrinkwrap, clickwrap, browsewrap, web-based terms and conditions of use, and any other terms and conditions displayed in any format that UT Party, or its employees, contractors, or agents are required to accept or agree to before or in the course of accessing or using any goods or services provided solely by Preferred Supplier.

SECTION 52 – Conflicts:

In the event of a conflict between the terms and conditions of this Agreement and those of an IPA, the terms of this Agreement will control and govern.
