Dr. Sandra Woodley

Dear Sandy:

On behalf of the Board of Regents of The University of Texas System, it is my pleasure to offer you the position of President of The University of Texas of the Permian Basin, effective July 1, 2017. Your annual salary rate as of that date will be $425,000. You are entitled to other State-paid fringe benefits required to be provided to higher education employees by State law and for which you are eligible. Among these benefits are State-paid OASI, longevity pay, workers’ compensation liability, insurance coverage, retirement, insurance premium sharing, and paid leave.

Pursuant to the Regents’ Rules and Regulations, Rule 20201, the presidents of The University of Texas academic institutions are selected by the Board of Regents of The University of Texas System and serve without fixed term, subject to the pleasure of the Executive Vice Chancellor for Academic Affairs and approval by the Chancellor and the Board of Regents. Also, your performance as President of U. T. Permian Basin will be evaluated in accordance with Rule 20201 and you will be asked to make a presentation to the Board on your vision and goals for U. T. Permian Basin within 12 to 18 months of taking office.

Additional elements of your compensation package are:

a. You are eligible to participate in the Board of Regents’ “Incentive Plan for The University of Texas System Presidents and System Administration Executive Officers” subject to the requirements and terms specified therein. The compensation earned from this incentive plan will vary depending on your attainment of certain specific performance goals.

b. The cost of club membership(s) approved by the Executive Vice Chancellor for Academic Affairs will be paid, including initial fees for joining the club and all properly documented and reasonable business-related expenses. All personal expenses, including the portion of dues related to personal use, is calculated based on the personal expenses for that month as a percent of total expenses. That percentage is applied to the dues owed to determine the personal amount.

c. Appointment as Professor, with tenure, in the College of Business at U. T. Permian Basin, with a beginning academic rate of $138,242. During your presidency, you will not be paid your salary as Professor. When your
administrative appointment as President ends you will be entitled to return to your tenured faculty position as professor, consistent with Regents’ Rule 31007, which governs tenured appointments at U. T. Permian Basin, and to be compensated at your academic salary rate. Texas Education Code, Section 51.948, states that if a university administrator is reassigned to a faculty or other position at the institution, the institution cannot pay that person a salary that exceeds the salary of other persons with similar qualifications performing similar duties.

d. State law allows the granting of a development leave at the individual’s academic salary rate for one academic year to a faculty member who has held an administrative position at the institution for more than four years. An administrator who receives development leave must return to work (as a faculty member) at a U.T. System institution for an amount of time equal to the amount of time the administrator received development leave or repay the institution for all the costs of the development leave. To the extent required by law, these provisions will apply in your situation. The specific length of the development leave will be negotiated dependent on your term of service as President and other pertinent considerations should you leave the presidency and return to the faculty.

e. Reimbursement or direct payment of actual costs of IRS qualified moving expenses related to moving and storage, if needed, of household, personal, and professional possessions from Elmore, Alabama to Odessa, Texas. Qualified moving expenses are not taxable to the employee and include: transportation of household goods and personal effects, travel expenses incurred (including lodging but not meals) relocating to your new home and travel expenses for members of the household who reside at both the old and new residence. Please contact Mark McGurk, V.P. for Business Affairs at U. T. Permian Basin before making any arrangements related to relocation.

f. Reasonable temporary housing cost will be reimbursed beginning July 18, 2017 while you are searching for a permanent residence. If the search for a permanent residence exceeds six-months this reimbursement will need to be revisited. Federal tax consequences are likely related to this temporary housing reimburse. Please note that the benefits described in (d) may, at the discretion of the Board, be denied should you be terminated from the position of President for good cause, as determined by the Board.

Business-related travel and entertainment expenses shall be in accordance with the Regents’ Rules 20205, and with current travel and entertainment budgets of the institution. Reasonable expenses will be paid directly or reimbursed as appropriate.

Appropriate and timely submission of documentation required for reimbursement of travel and entertainment expenditures is required by Regents’ Rules 20205. Annual reports on travel and entertainment shall be filed with the Executive Vice Chancellor for Academic Affairs.
