MATERIAL SUPPORTING THE AGENDA

VOLUME XXXIVc

This volume contains the Material Supporting the Agenda furnished to each member of the Board of Regents prior to the meetings held on

June 11, 1987
August 13, 1987

The material is divided according to the standing committees and the meetings that were held and is color coded as follows:

- **White paper** - for documentation of all items that were presented before the deadline date.

- **Blue paper** - all items submitted to the Executive Session and distributed only to the Regents, Chancellor and Executive Vice Chancellors of the System.

- **Yellow paper** - emergency items distributed at the meeting.

Material distributed at the meeting as additional documentation is not included in the bound volume, because sometimes there is an unusual amount and other times some people get copies and some do not get copies. If the Executive Secretary was furnished a copy, then that material goes into the appropriate subject file.

E. SPECIAL ITEMS

1. U.T. Board of Regents: Recommendation to Adopt a Resolution Authorizing the Issuance of Up to $20,000,000 of General Revenue Subordinate Lien Notes.--

RECOMMENDATION

The Office of the Chancellor recommends that the U.T. Board of Regents adopt a resolution authorizing the issuance of up to $20,000,000 of General Revenue Subordinate Lien Notes (the "Notes") to provide interim financing for non-PUF eligible capital projects approved by the Board. In adopting the resolution, the Board will (a) authorize the Office of Asset Management to determine the terms and conditions of any Notes within certain established parameters and (b) authorize the Chancellor or any Executive Vice Chancellor on behalf of the Board and under its seal, to execute and deliver any Notes, provided that proceeds of the Notes are used to fund projects approved by the Board and that the aggregate principal amount of all Notes outstanding at any time shall not exceed $20,000,000.

The Office of the Chancellor also recommends that the U.T. Board of Regents:

a. Appoint Vinson & Elkins, Austin, Texas, as legal counsel

b. Appoint J.P. Morgan Securities, New York, New York, as placement agent

c. Authorize the payment of the costs of establishing the Note purchase program from residual funds in General Revenue Refunding Bonds, Series 1986, Miscellaneous Costs account #85-0252-2000, and Note issuance costs from proceeds.

BACKGROUND INFORMATION

The purpose of the Note program is to provide the U.T. System with the ability to accumulate Notes at low cost short-term rates and to refinance the Notes in aggregate, at a later date, with a single long-term debt issue. This ability will translate into the following benefits:

a. Borrowings tailored to the individual needs of component projects

b. Eventual realization of the efficiencies of single long-term issues

c. Timing of permanent financing to market conditions as opposed to immediate funding requirements.
It is expected that the Notes will be placed with institutional investors such as tax exempt money market funds. Terms and conditions for each Note will be negotiated within parameters to be presented to the Board in advance of the June meeting.

RECOMMENDATION

The Office of the Board of Regents recommends that Part One, Chapter IX, Section 4 of the Regents' Rules and Regulations be amended to read as follows:

Sec. 4. Amendment of Rules and Regulations. --
The Regents' Rules and Regulations may be added to, [or] amended, waived, or suspended by a majority of all of the members of the Board at any regular meeting or at any special meeting called for that purpose.

BACKGROUND INFORMATION

Currently the Regents' Rules and Regulations are silent with regard to the specific question of whether or by what vote a rule may be suspended or waived. Over time, the Board has established the practice of waiving or suspending one of its rules when conditions warrant, but there is no clear definition with regard to the vote required to do so. The suggested amendment would "codify" the waiver and suspension practice and would include a statement of the required vote.

RECOMMENDATION

The Office of the Chancellor recommends the approval of Lieutenant Governor Hobby's appointment of Dr. Hans Mark, Chancellor of The University of Texas System, to the Space Science Industry Commission.

It is further recommended that the U. T. Board of Regents find that: (1) the holding of this office by Dr. Mark is of benefit to the State of Texas and (2) there is no conflict between Dr. Mark's position in U. T. System Administration and his appointment to this Commission.

B of R - 3
BACKGROUND INFORMATION

The Space Science Industry Commission has been established by the Texas State Senate, 70th Legislature, under Senate Resolution 210 to assess the major factors shaping the space science industry, to evaluate the potential of its growth, and to recommend ways of supporting existing facilities while attracting a new space science industry in Texas.

This recommendation is in accordance with approval requirements for positions of honor, trust, or profit provided in Article 6252-9a of Vernon's Texas Civil Statutes, and Part One, Chapter III, Section 13, Subsections 13.(10) and 13.(11) of the Regents' Rules and Regulations.

F. RECESS FOR MEETINGS OF THE STANDING COMMITTEES AND COMMITTEE REPORTS TO THE BOARD

The Standing Committees of the Board of Regents of The University of Texas System will meet as set forth below to consider recommendations on those matters on the agenda for each Committee listed in the Material Supporting the Agenda. At the conclusion of each Standing Committee meeting, the report of that Committee will be formally presented to the Board for consideration and action.

G. RECONVENE
H. ITEM FOR THE RECORD

U. T. Cancer Center - Veterinary Resources Division: Report on Proposed Purchase of 78.153 Acres of Surplus Property in Bastrop County, Texas.--

REPORT

At its meeting on October 9, 1986, the U. T. Board of Regents authorized Mr. James S. Wilson, Manager of Endowment Real Estate for The University of Texas System, to purchase a 78.153 acre tract of surplus federal property in Bastrop County, Texas, at an auction conducted by the General Services Administration at a price not to exceed $275,000. This property was to be purchased for the use and benefit of The University of Texas System Cancer Center Veterinary Resources Division. Subsequent approval was also obtained from the Coordinating Board, Texas College and University System on October 31, 1986.

At a public auction which was held on April 28, 1987, a trustee for the Lower Colorado River Authority submitted the high bid of $275,000. Mr. Wilson was not able to bid further without exceeding the authority which had been granted by the Board.

M. RECESS TO EXECUTIVE SESSION

The Board will convene in Executive Session pursuant to Vernon’s Texas Civil Statutes, Article 6252-17, Sections 2(e), (f) and (g), to consider those matters set out in the Material Supporting the Agenda.

If time permits, the Board will recess on Thursday afternoon to convene in Executive Session and, if necessary, continue that Executive Session beginning at 9:00 a.m. on Friday until the completion of business.

If time will not permit the beginning of the Executive Session on Thursday, the Board will recess to begin its Executive Session at 9:00 a.m. on Friday and continue until the completion of business.

Executive Committee
Date: June 11, 1987
Time: Following the 1:30 p.m. Session of the Board of Regents
Place: Lobby, University Center, U. T. Tyler

1. U. T. Arlington - E. H. Hereford University Center - Addition and Remodeling (Sequence 1) (Project No. 301-552): Recommended Award of Contracts for Furniture and Furnishings to Business Interiors, A Division of Miller Business Systems, Inc., Arlington, Texas; The Monroe Company, Colfax, Iowa; and Sico, Incorporated, Minneapolis, Minnesota; and Request for Authorization for the Chancellor to Sign the Contracts (Exec. Com. Letter 87-14)

2. U. T. Austin and U. T. Health Science Center - San Antonio: Request for Approval of Grant Agreement and Related Documents Accepting the Pforzheimer Collection on Behalf of U. T. Austin, Providing $15,000,000 to the U. T. Health Science Center - San Antonio Private Sector Biosciences Effort as Provided in the Letter of Understanding Between the U. T. Board of Regents and Representatives of the San Antonio, Texas, Private Sector Dated October 10, 1984, and Naming of a Building at the Texas Research Park (Exec. Com. Letter 87-12)

4. U. T. Cancer Center - Additional Outpatient Clinic Facilities - Phase II (Project No. 703-459): Recommended Award of Sequence 2 Contract for Lobby Furniture and Furnishings to Finger Office Furniture, Houston, Texas; and Request for Authorization for the Chancellor to Sign the Contract (Exec. Com. Letter 87-14)
1. U. T. Arlington - E. H. Hereford University Center - Addition and Remodeling (Sequence 1) (Project No. 301-552): Recommended Award of Contracts for Furniture and Furnishings to Business Interiors, A Division of Miller Business Systems, Inc., Arlington, Texas; The Monroe Company, Colfax, Iowa; and Sico, Incorporated, Minneapolis, Minnesota; and Request for Authorization for the Chancellor to Sign the Contracts (Exec. Com. Letter 87-14).--

RECOMMENDATION

The Executive Committee concurs in the recommendation of President Nedderman and the Office of the Chancellor that the U. T. Board of Regents award contracts for furniture and furnishings for E. H. Hereford University Center - Addition and Remodeling (Sequence 1) at U. T. Arlington to the following lowest responsible bidders:

**Business Interiors, A Division of Miller Business Systems, Inc.**
Arlington, Texas

- **Base Proposal "A"**
  (Wood Dining Chairs and Lounge Seating) $67,909.28
- **Base Proposal "B"**
  (Dining Tables and Booths) 35,994.11
- **Base Proposal "C"**
  (Steel Office Furniture) 5,525.28
- **Base Proposal "D"**
  (Office Chairs) 5,854.42

Total Contract Award to Business Interiors $115,283.09

**The Monroe Company**
Colfax, Iowa

- **Base Proposal "E-1"**
  (Conference Tables) $16,713.15
- **Base Proposal "E-2"**
  (Conference Tables) 9,670.00

Total Contract Award to The Monroe Company 26,383.15

**Sico, Incorporated**
Minneapolis, Minnesota

- **Base Proposal "H-1"**
  (Portable Stages) $40,290.01
- **Base Proposal "H-2"**
  (Additional Portable Stages) 23,334.51

Ex.C - 2
It is further recommended that the Chancellor be authorized to sign the contracts awarding these bids based on the results of the Executive Committee circularization.

**BACKGROUND INFORMATION**

In accordance with authorization of the U. T. Board of Regents in June 1985, bids were called for and were received, opened and tabulated on April 14, 1987, as shown below, for furniture and furnishings for E. H. Hereford University Center - Addition and Remodeling (Sequence 1) at U. T. Arlington. Funds for the contract awards are available in the Furnishings and Equipment Account.

With reference to Base Proposals "H-1" (Portable Stages), "H-2" (Additional Portable Stages), and "I" (Portable Dance Floor), only one bid was submitted on each of those packages. Bids were solicited from the major manufacturers of standardized portable stages and dance floors, because of the recognized need for future acquisition of additional components of portable stages and dance floor sections and accessories. Only one manufacturer was able to meet the specification requirements for adjustable-height staging, and modular dance floor sections. The combined bid from Sico, Incorporated, for Proposals "H-1" (Portable Stages) and "H-2" (Additional Portable Stages), in the amount of $63,624.52, was less than the estimated cost of $84,981.00. The bid from Sico, Incorporated, for Base Proposal "I" (Portable Dance Floor) in the amount of $7,646.00 was less than the estimated cost of $8,640.00. It is believed that rebidding would not improve these results.

**Base Proposal "A", Wood Dining Chairs and Lounge Seating**

| Business Interiors, A Division of               |       |
| Miller Business Systems, Inc.                  | $67,909.28 |

Sico, Incorporated $23,334.51

Base Proposal "I", Portable Dance Floor

Sico, Incorporated $ 7,646.00

2. U. T. Austin and U. T. Health Science Center - San Antonio:
Request for Approval of Grant Agreement and Related Documents Accepting the Pforzheimer Collection on Behalf of U. T. Austin. Providing $15,000,000 to the U. T. Health Science Center - San Antonio Private Sector Biosciences Effort as Provided in the Letter of Understanding Between the U. T. Board of Regents and Representatives of the San Antonio, Texas, Private Sector Dated October 10, 1984, and Naming of a Building at the Texas Research Park (Exec. Com. Letter 87-12).--

RECOMMENDATION

The Executive Committee concurs in the recommendation of President Cunningham, President Howe and the Office of the Chancellor that the U. T. Board of Regents approve the Grant Agreement substantially in the form set out on Pages Ex.C 6 - 13 by and between The Perot Foundation, Dallas, Texas, and the U. T. Board of Regents, for and on behalf of U. T. Austin and U. T. Health Science Center - San Antonio, and that the Chairman of the U. T. Board of Regents be authorized to execute the Grant Agreement and related documents, after approval as to form by the Office of General Counsel.

It is further recommended that the Board waive the Regents' Rules and Regulations, Part One, Chapter VIII, Section 1, Subsection 1.1 and that the research building to be constructed on lands to be donated to U. T. Health Science Center - San Antonio by the Texas Research and Technology Foundation be named the "Research Building in Biosciences." (The complete name of the building was approved in the Executive Committee Letter and will be publicly released at an appropriate time.)

EX.C - 4
In October 1984, the U. T. Board of Regents entered into an agreement with representatives of the private sector in the City of San Antonio, Texas, whereby the private sector agreed to raise funds to assist in the construction and equipping of two buildings to be devoted primarily to basic and clinical research -- one building to be located in the South Texas Medical Center and to be built on land donated to The University of Texas Health Science Center at San Antonio by the Board of Trustees of the San Antonio Medical Foundation, and one building to be located in the Texas Research Park and to be built on land donated to the U. T. Health Science Center - San Antonio by the Board of Trustees of the Texas Research and Technology Foundation -- and to raise funds for the endowment of academic chairs in the basic and clinical sciences.

On January 7, 1986, the U. T. Board of Regents entered into an agreement with Mr. H. Ross Perot, Dallas, Texas, whereby H. Ross Perot loaned the Pforzheimer Collection to The University of Texas at Austin and whereby U. T. Austin agreed to attempt to raise $15,000,000 to pay for the collection. With the leadership of Mr. Hayden Head, on behalf of the U. T. Austin Development Board, U. T. Austin has been able to raise slightly in excess of $6,500,000 toward payment for the Pforzheimer Collection.

H. Ross Perot has agreed to give title to the Pforzheimer Collection to U. T. Austin if the U. T. Board of Regents will agree to expend $15,000,000, including the $6,500,000 raised in the private sector, on behalf of the U. T. Health Science Center - San Antonio Private Sector Biosciences Effort.
This Grant Agreement (this "Agreement") is entered into as of the __ day of ____________, 1987 (the "Effective Date") by and between The Perot Foundation, a Texas non-profit corporation (the "Foundation"), and the Board of Regents of The University of Texas System ("UT").

WHEREAS, the Foundation owns that certain literary collection known as the Carl H. Pforzheimer Library of English Literature (1475-1700) and more specifically described in that certain three-volume catalog entitled The Carl H. Pforzheimer Library, English Literature 1475-1700 (New York Privately Printed 1940) (including the Appendix of Recent Acquisitions) (the "Catalog") and Schedules I and II to this Agreement (the "Pforzheimer Collection");

WHEREAS, the Pforzheimer Collection is in the possession of The University of Texas at Austin ("UT Austin") pursuant to that certain Loan Agreement between the Foundation and UT for and on behalf of UT Austin dated as of December 31, 1986 (the "Loan Agreement"), wherein UT has, among other things, an option to acquire the Pforzheimer Collection for Fifteen Million Dollars ($15,000,000);

WHEREAS, UT wishes to become the permanent owner of the Pforzheimer Collection for the use and benefit of UT Austin;

WHEREAS, representatives of the private sector in the City of San Antonio, Texas, pursuant to a Letter of Understanding (the "Letter") with the Board of Regents of The University of Texas System, as amended, have agreed to raise, for the mutual benefit of the University of Texas Health Science Center at San Antonio and the greater San Antonio community, private sector funds to be used for the purpose of advancing the development of the biosciences at The University of Texas Health Science Center at San Antonio (this arrangement is hereinafter referred to as "The University of Texas Health Science Center at San Antonio Private Sector Biosciences Effort");

WHEREAS, the funds to be raised by The University of Texas Health Science Center at San Antonio Private Sector Biosciences Effort are to be used to assist in the construction and equipping of two buildings to be devoted primarily to basic and clinical...
research — one building to be located in the South Texas Medical Center, and to be built on land donated to The University of Texas Health Science Center at San Antonio by the Board of Trustees of the San Antonio Medical Foundation, and one building to be located in the Texas Research Park, and to be built on land donated to The University of Texas Health Science Center at San Antonio by the Board of Trustees of the Texas Research and Technology Foundation — and for the endowment of academic chairs in the basic and clinical sciences;

WHEREAS, the Foundation desires to assist The University of Texas Health Science Center at San Antonio Private Sector Biosciences Effort; and

WHEREAS, the Foundation has agreed to convey the Pforzheimer Collection to UT and to release UT from its obligations under the Loan Agreement in consideration for UT's agreement to pay Fifteen Million Dollars ($15,000,000) to assist in The University of Texas Health Science Center at San Antonio Private Sector Biosciences Effort;

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements contained herein, the Foundation and UT hereby agree as follows:

1. Simultaneously with the execution of this Agreement, the Foundation agrees to execute a Deed of Transfer conveying the Pforzheimer Collection to UT for the use and benefit of UT Austin, and the Foundation further agrees to transfer its rights in and to the Catalog to UT for the use and benefit of UT Austin.

2. The parties hereby agree that all rights and obligations under the Loan Agreement are hereby terminated and the Loan Agreement shall be of no further force or effect.

3. UT shall, and hereby does, accept the grant and conveyance of the Pforzheimer Collection from the Foundation.

4. UT agrees that the value of the Pforzheimer Collection is Fifteen Million Dollars ($15,000,000).

5. UT agrees to pay to The University of Texas Health Science Center at San Antonio Private Sector Biosciences Effort, in accordance with the terms and conditions of the Letter, the following amounts on or before the indicated dates:
   (a) Three Million Eight Hundred Thousand Dollars ($3,800,000) on or before December 31, 1987;
   (b) Three Million Eight Hundred Thousand Dollars ($3,800,000) on or before December 31, 1988;
(c) Two Million Five Hundred Thousand Dollars ($2,500,000) on or before December 31, 1989;

(d) Two Million Five Hundred Thousand Dollars ($2,500,000) on or before December 31, 1990; and

(e) Two Million Four Hundred Thousand Dollars ($2,400,000) on or before December 31, 1991.

UT shall furnish to the Foundation written evidence of such payments at the time such payments are made.

6. Simultaneously with the execution hereof, and in consideration of the grant of the Foundation hereunder, UT shall deliver its written agreement to the effect that the obligations of the private sector in the City of San Antonio to raise certain funds pursuant to the Letter shall be reduced by Fifteen Million Dollars ($15,000,000). UT covenants that it will fulfill its duties and obligations under the Letter and that its duties and obligations under the Letter will not be materially altered or amended materially without prior written approval of the Foundation.

7. All media releases, public announcements and disclosures by UT or its constituents, employees or agents relating to this Grant Agreement, its subject matter, or the name of the Foundation or its benefactors shall be coordinated with and approved by the Foundation in writing prior to the release thereof.

8. This Agreement shall be construed in accordance with and governed by the laws, under the rules governing choice of law, of the State of Texas.

IN WITNESS WHEREOF, the Foundation and UT have each caused this Agreement to be signed and delivered by its duly authorized officer, agent or representative as of the Effective Date.

SCHEDULE I TO GRANT AGREEMENT

The Collection consists of those items which are enumerated by catalog number and described in the body of the Catalog.* The Collection does not include any works in the library of the late Carl H. Pforzheimer that are referred to in his Introduction to the Catalog but are not enumerated by catalog number in the body of the Catalog. The Collection does include certain items owned by the Foundation which, although not included in the Catalog, have been determined to be so closely related to the Collection that they should be included in the transfer hereunder, without additional consideration, which have been included in the delivery of the Collection made herewith, and which are enumerated in Schedule II to this Deed of Transfer.

*Items 64 and 66 (bound in a single small volume) have been missing from the Collection since before acquisition of the Collection by The Foundation. If Items 64 and 66 are subsequently delivered to the Foundation, they will be delivered to UT forthwith, but the Foundation assumes no other responsibility for the same.
SCHEDULE II TO GRANT AGREEMENT

(Additional items not listed in Catalog but shelved with slips in their respective numerical positions; an *asterisk signifies intention to include such items in Appendix.)

RECOMMENDATION

The Executive Committee concurs in the recommendation of President Levin and the Office of the Chancellor that the U. T. Board of Regents approve the following transfer of funds at the U. T. Medical Branch - Galveston:

Educational and General Funds

Amount of Transfer - $7,500,000

From: Unappropriated Balance (via Estimated Income) - 1986-87

To:

- Hospital Equipment:
  - Hospital Equipment
  - Hospital Renovations (Minor)
  - Strand Street Building Remodeling
  - Replace Air Conditioning Equipment
- Building Renovation (Minor) and Equipment
  - Unit D Remodeling, First Floor
  - Clay Hall Building Renovation
  - Remodel Sealy Conference Center
  - Various Institutional Projects

(RBC #238)

BACKGROUND INFORMATION

1. Hospital Equipment
   Replacement of worn out and obsolete equipment throughout the hospital operation.
   $3,500,000

2. Hospital Renovations (Minor)
   Minor renovations within the hospital complex. Preparation of areas for short term operations as necessary to complete the ongoing major hospital renovation projects.
   500,000

3. Strand Street Building Remodeling
   To continue the ongoing remodeling/rehabilitation program to provide for exterior sidewalks, handicap ramps, etc.
   50,000

4. Replace Air Conditioning Equipment
   To replace worn out and inefficient air handling units, pumps, control valves, etc.
   300,000

5. Building Renovation (Minor) and Equipment
   Provides for renovations to Medical Engineering machine shops, repair work on Hospital, emergency power to the Microbiology Building, computer controls to hospital elevators, etc.
   1,950,000

6. Unit D Remodeling, First Floor
   To remodel as necessary to provide support area for the Geriatric Program.
   300,000

Ex.C - 14
7. Clay Hall Building Renovation
   To provide research laboratories for the Department of Internal Medicine. $300,000

8. Remodel Sealy Conference Center
   To replace electrical, plumbing, and repair woodwork as necessary. 100,000

9. Various Institutional Projects. 500,000
   $7,500,000

4. U. T. Cancer Center - Additional Outpatient Clinic Facilities - Phase II (Project No. 703-459): Recommended Award of Sequence 2 Contract for Lobby Furniture and Furnishings to Finger Office Furniture, Houston, Texas; and Request for Authorization for the Chancellor to Sign the Contract (Exec. Com. Letter 87-14).--

RECOMMENDATION

The Executive Committee concurs in the recommendation of President LeMaistre and the Office of the Chancellor that the U. T. Board of Regents award a contract for Sequence 2 Lobby furniture and furnishings for the Additional Outpatient Clinic Facilities - Phase II at the U. T. Cancer Center to the following lowest responsible bidder:

Finger Office Furniture
Houston, Texas

Base Proposal "A"
(Upholstered Lobby Furniture) $36,327.12

GRAND TOTAL RECOMMENDED CONTRACT AWARD $36,327.12

It is further recommended that the Chancellor be authorized to sign the contract awarding this bid based on the results of the Executive Committee circularization.

BACKGROUND INFORMATION

In accordance with authorization of the U. T. Board of Regents in October 1983, bids were called for and were received, opened and tabulated on April 24, 1987, as shown below, for furniture and furnishings for U. T. Cancer Center - Additional Outpatient Clinic Facilities - Phase II (Sequence 2) Lobby furniture and furnishings. Funds for the contract award are available in the Furnishings and Equipment Account.

Base Proposal "A", Upholstered Lobby Furniture

RECOMMENDATION

It is recommended that Docket No. 34 of the Office of the Chancellor be approved.

It is requested that the Committee confirm that authority to execute contracts, documents, or instruments approved therein has been delegated to the officer or official executing same.

2. U. T. System Administration and U. T. Austin: Proposed Resolution Amending the List of Individuals Authorized to Negotiate, Execute and Administer Classified Government Contracts (Managerial Group).--

RECOMMENDATION

The Office of the Chancellor recommends that the U. T. Board of Regents approve the amended Resolution set out below updating the list of officers cleared for access to classified material and authorized to negotiate, execute and administer classified government contracts.

BE IT RESOLVED:

a. That those persons occupying the following positions among the officers of The University of Texas System shall be known as the Managerial Group as described in the Department of Defense Industrial Security Manual for Safeguarding Classified Information:

Hans Mark, Chancellor, Chief Executive Officer
Thomas M. Grady, Comptroller
Arthur H. Dilly, Executive Secretary to the Board of Regents
Wayne K. Kuenstler, Associate Director, Office of Sponsored Projects, U. T. Austin; U. T. System Security Supervisor
William H. Cunningham, President, U. T. Austin
Gerhard J. Fonken, Executive Vice-President and Provost, U. T. Austin
G. Charles Franklin, Vice-President for Business Affairs, U. T. Austin

b. That the Chief Executive Officer and the members of the Managerial Group have been processed or will be processed for a personnel clearance for access to classified information, to the level of the facility clearance granted to the institution, as provided for in the aforementioned Industrial Security Manual, and all replacements for such positions will be similarly processed for security clearance.

c. That the said Managerial Group is hereby delegated all of the Board's duties and responsibilities pertaining to the protection of classified
contracts of the Department of Defense, or User Agencies of its Industrial Security Program, awarded to the institutions of The University of Texas System.

d. That the following named members of the U. T. Board of Regents shall not require, shall not have, and can be effectively excluded from access to all classified information in the possession of The University of Texas System and do not occupy positions that would enable them to affect adversely the policies and practices of the institutions of The University of Texas System in the performance of classified contracts for the Department of Defense, or User Agencies of its Industrial Security Program, and need not be processed for a personnel clearance.

Members of the U. T. Board of Regents:

Jess Hay, Chairman
Robert B. Baldwin III, Vice-Chairman
Shannon H. Ratliff, Vice-Chairman
Sam Barshop
Louis A. Beecherl, Jr.
Jack S. Blanton
W. A. "Tex" Moncrief, Jr.
Bill Roden
Mario Yzaguirre

BACKGROUND INFORMATION

The proposed Resolution is needed to comply with Industrial Security Manual requirements. It updates the roster of administrative officials authorized access to classified material and to negotiate, execute and administer classified government contracts (pursuant to the Security Agreement of The University of Texas System with the United States Department of Defense), and provides for the exclusion of currently named members of the U. T. Board of Regents. Other than for changes in individuals named, the proposed Resolution is identical to the one adopted on April 11, 1985, and amended December 5, 1985.

RECOMMENDATION

The Office of the Chancellor is in final stages of negotiations with Aetna Life and Casualty Insurance Company for renewal rates for The University of Texas System employee group medical plan contract for 1987-88. Due to rapid increases in health insurance costs industry-wide, the 1987-88 contract will require increases in renewal rates. Current negotiations involve consideration of some plan design changes and other cost containment measures to keep contract increases to employees to a minimum. Specific rate recommendations and related support materials will be mailed to the Board of Regents in advance of the June meeting.

21. U. T. San Antonio: Recommendation to Establish the College of Fine Arts and Humanities Advisory Council - Proposed Nominees Thereto (NO PUBLICITY UNTIL ACCEPTANCES ARE RECEIVED)

22. U. T. General Academic Institutions: Proposed Nominees to Development Boards and Advisory Councils (NO PUBLICITY UNTIL ACCEPTANCES ARE RECEIVED)
1. **U. T. Arlington - Advanced Robotics Research Institute:** Request to Redesignate as the Automation and Robotics Research Institute (ARRI).

**RECOMMENDATION**

The Office of the Chancellor concurs in the recommendation of President Nedderman that the Advanced Robotics Research Institute at U. T. Arlington be redesignated as the Automation and Robotics Research Institute (ARRI) to more accurately describe the activity in which the Institute is engaged.

**BACKGROUND INFORMATION**

In August 1984, the U. T. Board of Regents approved in principle the establishment of an Advanced Robotics Research Institute at U. T. Arlington with the donation of an 18 acre tract of land near the campus by Newell & Newell, Ltd. of Fort Worth, Texas, and a commitment by the Fort Worth Chamber Foundation, Inc. to raise $5 million to fund construction of a facility on the donated land and to partially endow the Institute's operation.

In February 1986, the $5 million fund goal was reached and construction on a facility to house the Institute begun. Construction is now nearing completion with official transfer of the completed facility from the Fort Worth Chamber Foundation, Inc. and formal occupancy by U. T. Arlington expected on or about September 1, 1987.

This name change is supported by the donors and representatives of the Fort Worth Chamber Foundation, Inc.

2. **U. T. Arlington: Proposed Appointment to the Accounting Alumni Professorship Effective Immediately.**

**RECOMMENDATION**

The Office of the Chancellor concurs with President Nedderman's recommendation that Dr. W. Marcus Dunn, Professor of Accounting and Chairman of the Department of Accounting, be appointed as the initial holder of the Accounting Alumni Professorship at U. T. Arlington effective immediately.

**BACKGROUND INFORMATION**

Dr. Dunn, a U. T. Arlington faculty member since 1979, is an excellent teacher. He has authored or coauthored over forty articles and research reports related to accounting and is a Certified Public Accountant, a member of the American Accounting Association, American Institute of Certified Public Accountants, Texas Society of Public Accountants, and the Mid-Cities Association of CPAs. Dr. Dunn is an outstanding university...
administrator and has received the 1985 Distinguished Service Award from the College of Business Administration and the 1984 Significant Achievement in Higher Education Award from the Accounting Alumni.

The Accounting Alumni Professorship was established by the U. T. Board of Regents in February 1987.

RECOMMENDATION

The Office of the Chancellor concurs with President Nedderman's recommendation to appoint Dr. V. Lakshmikantham, Professor of Mathematics, as an Ashbel Smith Professor at U. T. Arlington effective September 1, 1987.

BACKGROUND INFORMATION

In April 1980, the U. T. Board of Regents authorized the establishment of nonendowed professorships at all component institutions with instructional programs, similar to the Ashbel Smith Professorships previously established at U. T. Austin and the U. T. Medical Branch - Galveston. As stipulated in that action, the allotment of such professorships for U. T. Arlington is five. These professorships honor Dr. Ashbel Smith, the first Chairman of the U. T. Board of Regents and an articulate proponent of academic excellence.

Professor Lakshmikantham, the second proposed appointee as an Ashbel Smith Professor at U. T. Arlington, joined that institution's faculty in 1973 as Professor of Mathematics and Chairman of the Department of Mathematics. He is a world renowned mathematician and has published approximately 200 journal publications, ten books, and six conference proceedings. Dr. Lakshmikantham serves on the editorial board of seven journals and is the founder or co-founder and editor of two international journals. He is an excellent teacher and has lectured in China, Russia, Bulgaria, Spain, India, and Canada.

4. U. T. Austin: Request for Permission for Individual to Serve as Legal Counsel to a U. S. Senate Select Committee [Regents' Rules and Regulations, Part One, Chapter III, Section 13, Subsections 13.(10) and 13.(11)]. --

RECOMMENDATION

The Office of the Chancellor concurs with President Cunningham's recommendation that approval be given to the appointment of Dr. Philip C. Bobbitt, Professor of Law at U. T. Austin, as Legal Counsel to the U. S. Senate Select Committee on Secret Military Assistance to Iran and the Nicaraguan Opposition by the Committee's Chief Counsel, Arthur Liman.
It is further recommended that the U. T. Board of Regents find that: (1) the holding of this position by Dr. Bobbitt is of benefit to the State of Texas, and (2) there is no conflict between Dr. Bobbitt's position at U. T. Austin and his appointment as Legal Counsel to this Committee.

BACKGROUND INFORMATION

The U. S. Senate Select Committee on Secret Military Assistance to Iran and the Nicaraguan Opposition is chaired by Senator Daniel Inouye of Hawaii. Professor Bobbitt's responsibilities will be limited to a determination of the President's violations, if any, of laws of the United States. This appointment will be beneficial not only to the United States but also to the students in Professor Bobbitt's constitutional law courses at U. T. Austin.

This recommendation is in accordance with approval requirements for positions of honor, trust, or profit provided in Article 6252-9a of Vernon's Texas Civil Statutes, and Part One, Chapter III, Section 13, Subsections 13.(10) and 13.(11) of the Regents' Rules and Regulations.

5. U. T. Austin: Proposed Appointment to the Foley's-Federated Professorship in Retailing in the College of Business Administration and the Graduate School of Business Effective September 1, 1987.--

RECOMMENDATION

The Office of the Chancellor concurs with President Cunningham's recommendation that Dr. Mark I. Alpert, Professor of Marketing Administration and La Quinta Motor Inns, Inc. Centennial Professor in Business, be appointed to the Foley's-Federated Professorship in Retailing in the College of Business Administration and the Graduate School of Business at U. T. Austin effective September 1, 1987.

BACKGROUND INFORMATION

Dr. Alpert, a faculty member at U. T. Austin since 1968, is nationally recognized for his pioneering developments in the field of determinant attribute analysis and for his research on modeling consumers' product evaluations. He has authored or coauthored three books and approximately fifty published articles and serves on the editorial review boards of three journals. Dr. Alpert is an outstanding teacher and received the Joe E. Beasley Award for Excellence in Graduate Teaching in 1977. He has chaired six Ph.D. dissertation committees and thirty M.B.A. professional report and thesis committees and has served as chairman or as a member of a number of major U. T. Austin departmental and college committees.
Dr. Alpert will relinquish the La Quinta Motor Inns, Inc. Centennial Professorship in Business on the effective date of the new appointment.

Redesignation of the Foley's/Sanger Harris Centennial Professorship in Retail Merchandising is provided for in Item 13, Page L&I - 15.

RECOMMENDATION

The Office of the Chancellor concurs with President Cunningham's recommendation to approve the following appointments to endowed academic positions in U. T. Austin's College of Communication effective September 1, 1987. Professors will vacate any currently held endowed positions on the effective date of the new appointment unless otherwise indicated.

</tr>
</tbody>
</table>

BACKGROUND INFORMATION

Dr. Cundiff's appointment as Professor and Chairman of the Department of Advertising has been approved effective July 1, 1987. Dr. Cundiff, a faculty member at U. T. Austin from 1958 through 1977, is a nationally recognized scholar in the field of marketing. While at U. T. Austin, Dr. Cundiff served as Chairman of the Department of Marketing Administration and as Associate Dean of the Graduate School of Business. He has authored or coauthored six books and over thirty articles, monographs, chapters, and papers. Dr. Cundiff frequently is a distinguished visiting lecturer at U. S. and foreign universities, in addition to his teaching and research activities. He has served as editor of the Journal of Marketing and currently is a member of the editorial review board of the Journal of Macromarketing.
Dr. McAnany, a faculty member at U. T. Austin since 1979, is a national and international expert in the field of communication and national development and is an excellent teacher as well as scholar. He has written eight books, three monographs, fifteen book chapters, twenty articles, and miscellaneous other research publications, and serves on the editorial boards of five research publications. Dr. McAnany is frequently invited to present lectures at universities and research institutes in the U. S., Europe, Latin America, and Africa.

Dr. Newcomb joined the U. T. Austin faculty in 1978 and is nationally recognized for his scholarly contributions in the area of television criticism and research. He has published three books and sixteen scholarly articles and essays. Dr. Newcomb frequently lectures at international and national conferences on television criticism and serves on the editorial boards of two journals. He will assume the position of Chairman, Department of Radio-Television-Film at U. T. Austin in August 1987 and has been an active member on numerous U. T. Austin committees.

RECOMMENDATION

The Office of the Chancellor concurs with President Cunningham's recommendation to approve the following appointments to endowed academic positions in U. T. Austin's College of Education effective September 1, 1987.

<table>

<td>M. K. Hage Centennial Professorship in Education, established February 1982; initial appointment</td>
</tr>
</tbody>
</table>

BACKGROUND INFORMATION

Dr. Estes joined the U. T. Austin faculty in 1980 and is internationally recognized for his scholarship in the field of technological applications to educational administration and instructional environments and for his leadership in the field of superintendency. In 1986, U. T. Austin's Cooperative Superintendency Program was recognized by the University Council for Educational Administration as the best superintendency training program.
program in the United States; and in February 1987, it was honored at the American Association of School Administrators (AASA) annual meeting as the exemplary program for the preparation of superintendents. Dr. Estes has authored or coauthored eighteen books, monographs, and reports, plus 40 book chapters and scholarly articles. He served as Coordinator of the International Conference on Schooling held in Oxford, England, in 1986, and currently serves as Chairman, AASA Committee on Higher Education, and as Chairman, Committee on Superintendent Preparation, National Conference of Professors of Educational Administration.

Dr. Roueche, a faculty member at U. T. Austin since 1971, is internationally recognized for his scholarship and leadership in the community college area. The U. T. Austin Community College Leadership Program has been acknowledged for many years as the best program of its kind in the United States, reflecting Dr. Roueche's organizational ability, leadership, creativity, research productivity, and teaching contributions. He has authored or coauthored 26 books and more than 90 published journal articles and book chapters and has spoken to more than 1,100 colleges and universities about community college matters. Dr. Roueche is a member of the editorial boards of five education research journals and serves on the W. K. Kellogg Foundation's National Advisory Committee on the Future of the Community College.

Dr. Harris joined the U. T. Austin faculty in 1958 and is internationally recognized for his scholarship and leadership in the field of instructional supervision in educational settings. He is an innovative and highly regarded teacher and has authored or coauthored eight books, more than 100 book chapters, articles, technical research reports, and manual and training documents. Dr. Harris was the founding president of the National Council of Professors of Instructional Supervision and has consulted in over 20 states and numerous foreign countries including Australia, Bahrain, Spain, Saudi Arabia, and Venezuela.

RECOMMENDATION

The Office of the Chancellor concurs with President Cunningham's recommendation to approve the following appointments to endowed academic positions in the U. T. Austin College of Engineering effective September 1, 1987. Professors will vacate any currently held endowed positions on the effective date of the new appointment unless otherwise indicated.

Name of Proposed Appointee | Endowed Academic Position
--- | ---
Dr. Willis A. Adcock, Senior Lecturer, Department of Electrical and Computer Engineering | Third Cockrell Family Regents Chair in Engineering, established February 1985; initial appointment
Dr. Graham F. Carey, Professor, Department of Aerospace Engineering and Engineering Mechanics | Engineering Foundation Endowed Professorship No. 1, established December 1986; initial appointment
Dr. Larry W. Mays, Professor, Department of Civil Engineering | Engineering Foundation Endowed Professorship No. 2, established December 1986; initial appointment
Dr. C. Michael Walton, Professor, Department of Civil Engineering | Josey Centennial Professorship in Energy Resources, established February 1983; initial appointment
Dr. Steven I. Marcus, Professor, Department of Electrical and Computer Engineering | L. B. (Preach) Meaders Professorship in Engineering, established September 1977
Dr. Richard W. Miksad, Hussein M. Alharthy Centennial Professor in Civil Engineering | Gerard A. Rohlich Regents Professorship in Civil Engineering, established August 1984; initial appointment

BACKGROUND INFORMATION

Dr. Oden, a faculty member at U. T. Austin since 1973, is a nationally recognized expert in the fields of computational and continuum mechanics, applied mathematics, finite element methods, and variational methods. He has authored or coauthored more than 300 articles and fifteen books and currently serves on the editorial boards of 17 international journals. Dr. Oden is a Fellow and past president of the American Academy of Mechanics, as well as a Fellow of the American Society of Civil Engineers, and a founding member of the International Association for Computational Mechanics. He has held numerous visiting positions at U. S. and foreign universities and received the Distinguished Graduate Teaching Award at U. T. Austin in 1979.

Dr. Smerdon currently serves as Director of the U. T. Austin Center for Research in Water Resources as well as Professor of Civil Engineering and Professor of Public Affairs. He is nationally recognized for his expertise in water resource policy, particularly with regard to water use in food production and energy use for food production under irrigation in developing countries. Dr. Smerdon was formerly Chairman of the Department of Agricultural Engineering and Assistant Dean for Research at the University of Florida, as well as Vice Chancellor for Academic Affairs for the U. T. System. He has held numerous committee chairmanships in professional engineering, water resource, and higher education associations, including the Water Resources Committee of the National Association of State Universities and Land-Grant Colleges. He is a member
of the National Academy of Engineering, a frequent advisor to foreign governments and to universities on natural resource policy issues, a well-respected teacher, and has authored or coauthored more than 80 journal articles, book chapters, proceedings, and reports.

Dr. Adcock's appointment as Professor at U. T. Austin has been approved effective June 1, 1987. He has served as Senior Lecturer in the Department of Electrical and Computer Engineering since January 1986 and is an internationally recognized expert in the field of semiconductor manufacturing. He joined Texas Instruments in 1953 and headed the group that built the first silicon transistor. Dr. Adcock later managed the TI Semiconductor Division's Research and Engineering Department, was appointed Principal Fellow at Texas Instruments in 1978, and served as Vice President at TI from 1982 to 1986. Dr. Adcock is the author or coauthor of fourteen papers and holder or co-holder of thirteen patents. He was elected to the National Academy of Engineering in 1974 and is a Fellow in the Institute of Electrical and Electronics Engineers and the American Association for the Advancement of Science.

Dr. Carey, a faculty member at U. T. Austin since 1977, is internationally recognized for his expertise in the field of computational fluid mechanics. He has authored or coauthored seven books and more than 100 technical papers and currently serves as editor-in-chief of a new international journal, Communications in Applied Numerical Methods. Dr. Carey has presented numerous invited papers and lectures at universities and professional societies in the U. S., Australia, the Federal Republic of Germany, and Italy. He is an outstanding teacher and received the Engineering Foundation Excellence Award in 1986.

Dr. Mays joined the U. T. Austin faculty in 1976 and is internationally recognized for his expertise in the field of hydrology and water resources management engineering. He has authored or coauthored over forty technical papers in refereed and other professional journals. Dr. Mays is active nationally in professional societies and serves on committees in both the Hydraulics Division and the Water Resources Planning and Management Division of the American Society of Civil Engineers and has worked with UNESCO in India as an advisor to the government on computer operations related to the management of large-scale water supply systems in that country. Dr. Mays is an excellent teacher and has supervised twelve master's degree theses and five Ph.D. degree dissertations.

Dr. Walton, a faculty member at U. T. Austin since 1971, is nationally recognized for his expertise in the field of transportation engineering systems and planning. He has authored or coauthored over fifty technical papers, reports, and reviews in refereed and other professional journals and is frequently invited to present papers at professional societies throughout the U. S. Dr. Walton was appointed to the J. Neils Thompson Centennial Teaching Fellowship in the U. T. Austin College of Engineering for 1982-83 and has served as Associate Director of U. T. Austin's Center for Transportation Research since 1980. Since 1968, he has been principal or co-principal investigator on more than 45 research projects totaling about $3.5 million.
Dr. Marcus joined the U. T. Austin faculty in 1975 and is nationally recognized for his expertise in the field of control engineering. He has authored or coauthored over eighty papers, reports, and book chapters and has given over fifty presentations at universities and professional societies. Dr. Marcus was elected as a Fellow, Institute of Electrical and Electronics Engineers (IEEE) in 1986 and currently serves as chairman of the Stochastic Control Technical Committee and as a member of the Board of Governors of the IEEE Control Systems Society. He has served on twenty departmental, college, and university committees and currently is Associate Chairman in the U. T. Austin Department of Electrical and Computer Engineering. He is an effective teacher both at the undergraduate and graduate level and has supervised twelve master's degree theses and five Ph.D. degree dissertations.

Dr. Miksad, a faculty member at U. T. Austin since 1974, is internationally recognized for his research in fluid mechanics as applied to environmental and offshore engineering problems. He is the author or coauthor of one book, more than fifty refereed research papers and twelve other research papers, and approximately forty published technical reports. He is an effective and energetic classroom teacher and advisor of both undergraduate and graduate students, and has supervised twelve master's degree students and five Ph.D. degree students.

Dr. Miksad is active in several professional and technical societies, including the Academy of Applied Sciences and The Educational Council of the Massachusetts Institute of Technology and is currently serving as Program Director of the Fluid Mechanics and Hydraulics Program, Division of Mechanics, Structures, and Materials Engineering, National Science Foundation.

RECOMMENDATION

The Office of the Chancellor concurs with President Cunningham's recommendation to approve the following appointments to endowed academic positions in U. T. Austin's College of Fine Arts effective September 1, 1987. Professors will vacate any currently held endowed positions on the effective date of the new appointment unless otherwise indicated.

Name of Proposed Appointee

Dr. Oscar G. Brockett, Leslie Waggener Professor

Mr. Robert L. Levers, Jr., Professor, Department of Art

Endowed Academic Position

Virginia L. Murchison Regents Professorship in Fine Arts, established August 1985; initial appointment

Leslie Waggener Professorship, established October 1973

BACKGROUND INFORMATION

Dr. Grieder joined the U. T. Austin faculty in 1961 and is nationally recognized for scholarly contributions in art history, especially in the area of pre-Columbian arts and is an elected member of the Institute of Andean Studies. He served as director of the La Galgada Archaeological Project in Peru, a series of excavations carried out during 1966-85, and has published extensively on the results of the excavations. He is an excellent teacher and is frequently invited to present lectures at meetings of art history and art education professional associations.

Dr. Race, a faculty member at U. T. Austin since 1967, is an internationally recognized musician and has been the major force in developing the nationally recognized piano program at U. T. Austin. Dr. Race's students have won numerous prizes in national and international competitions and his recordings of the late works of Chopin were released by Orion Master Recordings this spring. Dr. Race has served as Head, Keyboard Division and Advisor to Graduate Pianists.

Dr. Jennings, a member of the U. T. Austin faculty since 1963, is a nationally recognized authority in the fields of creative drama and theatre for young people. He has edited several significant anthologies of children's plays, has written other articles and books, and has served as editor for the Children's Theatre Review. Dr. Jennings has served as President of the Children's Theatre Association, as a member of the United States Commission for UNESCO, and as the United States representative for the International Association of Theatre for Children and Youth. He is an excellent teacher at both the undergraduate and graduate levels and under his leadership, the U. T. Austin Child Drama/Theatre for Youth program has risen to national prominence.

Dr. Brockett, a faculty member at U. T. Austin since 1981, is an internationally recognized scholar in the field of theatre history and is the author of nine books and more than fifty articles on theatre history and criticism. Dr. Brockett is active in many professional organizations, including the American Theatre Association. He served as Dean of U. T. Austin's College of Fine Arts from 1978-80 and has been active in teaching and in administrative matters in the Department of Drama. Under his leadership, the Department of Drama's Ph.D. program in theatre and criticism has achieved national prominence.

Professor Levers has been a faculty member at U. T. Austin since 1961 and is an excellent undergraduate and graduate teacher. He is an accomplished and acclaimed artist whose work has become increasingly recognized in the last ten years and
has been exhibited at major galleries in New York, Washington, and Houston. In 1980, he was the recipient of a National Endowment for the Arts (NEA) Artist's Fellowship and in 1984, he was one of five Texas artists invited to exhibit in the 41st Venice Biennale in Italy.

10. U. T. Austin: Proposed Appointments to Endowed Academic Positions in the College of Liberal Arts Effective September 1, 1987.--

RECOMMENDATION

The Office of the Chancellor concurs with President Cunningham's recommendation to approve the following appointments to endowed academic positions in the College of Liberal Arts at U. T. Austin effective September 1, 1987.

<table>
<thead>

</tbody>
</table>

*Dean King will retain his appointment to the Audre and Bernard Rapoport Regents Chair of Liberal Arts, a chair related to his academic discipline, simultaneous with holding the David Bruton, Jr. Regents Chair in Liberal Arts, a chair intended to be held by the Dean, College of Liberal Arts. The Audre and Bernard Rapoport Regents Chair of Liberal Arts was redesignated from a professorship to a chair in August 1986. Dean King's initial appointment to the Rapoport endowed position occurred prior to the redesignation as a chair.

BACKGROUND INFORMATION

Dr. King joined the U. T. Austin faculty in 1965 and has served with distinction as Dean, College of Liberal Arts, since its creation in 1979. The College of Liberal Arts has strengthened its academic programs, expanded its research activity, increased its endowments of all types, and continued to serve as a central focus of undergraduate students' educational experiences at U. T. Austin under his leadership. Dean King is an excellent teacher at both the undergraduate and graduate level and frequently presents invited lectures on Yiddish language and literature, linguistics, and related topics.
The David Bruton, Jr. Regents Chair in Liberal Arts was established at the level of a professorship by the U. T. Board of Regents in February 1985 and redesignated in February 1987 with the intention that the Chair be held by the Dean, College of Liberal Arts.

Dr. Cnudde, a faculty member at U. T. Austin since 1980, formerly served as Chairman, Department of Political Science at Michigan State University, and is nationally recognized as a distinguished scholar of American government. He has authored or coauthored more than forty published research articles, papers, and book chapters, as well as five books and monographs. During his seven years at U. T. Austin, Dr. Cnudde, through his recruitment of scholars from the leading research universities in the nation and his attention to improving the department's undergraduate curriculum, has provided exceptional leadership to the development and enhancement of the U. T. Austin Department of Government's academic programs, research, and reputation. Dr. Cnudde actively participates in international, national, and regional political science associations.

Dr. Seung joined the U. T. Austin faculty in 1966 and is recognized nationally and within the U. T. Austin community for his scholarly contributions in areas as diverse as aesthetics, literary criticism, medical ethics, and legal philosophy. He is a superb teacher of undergraduate courses in the areas of political theory from Hegel to Marx and contemporary theories of distributive justice and equality. He has authored five books and numerous other publications. Dr. Seung is currently on leave holding an appointment as the Hartley Burr Alexander Chair in Humanities at Scripps College, Claremont, California, for the 1986-87 academic year.

11. U. T. Austin: Proposed Appointments to Endowed Academic Positions in the College of Natural Sciences Effective September 1, 1987.—

RECOMMENDATION

The Office of the Chancellor concurs with President Cunningham's recommendation to approve the following appointments to endowed academic positions in the College of Natural Sciences at U. T. Austin effective September 1, 1987. Professors will vacate any currently held endowed positions on the effective date of the new appointment unless otherwise indicated.

Name of Proposed Appointee
Dr. Woodrow W. Bledsoe, Ashbel Smith Professor, Department of Computer Sciences and Mathematics

Endowed Academic Position
Peter O'Donnell, Jr. Centennial Chair in Computing Systems, established June 1983; redesignated August 1985

Dr. Marye Anne Fox, Professor, Department of Chemistry

Rowland Pettit Centennial Professorship in Chemistry, established April 1983; initial appointment

Dr. Karen K. Uhlenbeck, Professor of Mathematics, University of Chicago

Fourth Sid W. Richardson Foundation Regents Chair in Mathematics, established April 1984; redesignated February 1985; for the 1987-88 academic year only

BACKGROUND INFORMATION

Dr. Nather joined U. T. Austin in 1967 as a Special Research Associate in the Department of Astronomy and has been a faculty member since 1973. He is internationally recognized for his contributions to observational astronomy, is a pioneer in the application of computers for astronomical instrumentation, and has played a major role in maintaining and enhancing the excellence of the research programs at McDonald Observatory. Dr. Nather has authored or coauthored more than 80 scholarly publications and is an exceptionally effective teacher from the undergraduate level to the post-doctoral level.

Dr. McCarthy's appointment as Visiting Professor, Department of Computer Sciences at U. T. Austin, has been approved effective September 1, 1987, for the 1987-88 fall semester only. Dr. John McCarthy, a Stanford University professor since 1962, was one of four founders of the field of artificial intelligence almost 40 years ago and is credited with inventing the term "artificial intelligence." He has authored more than 50 scholarly publications, is a member of the National Academy of Engineering, and served as President of the American Association for Artificial Intelligence.

Dr. Bledsoe joined the U. T. Austin faculty in 1966 and is internationally recognized as one of the founders of the field of artificial intelligence. U. T. Austin now has in its Department of Computer Sciences the finest research program in theorem proving and program verification in the world, under Dr. Bledsoe's leadership. He has authored or coauthored one book and more than fifty scholarly articles, serves on the editorial board of a scientific journal, and served as one of the first presidents of the American Association of Artificial Intelligence. Dr. Bledsoe was appointed Ashbel Smith Professor in 1981 and has been on leave from U. T. Austin since 1984, serving as Vice President and Program Director of the Artificial Intelligence/Knowledge-Based Systems Program at Microelectronics and Computer Technology Corporation (MCC). He will resume his U. T. Austin faculty position Fall 1987.

Dr. Fox, a faculty member at U. T. Austin since 1976, is internationally recognized for her outstanding research in physical organic chemistry. She has authored or coauthored approximately 120 scientific publications and numerous book chapters. She frequently presents invited lectures at inter-
national and national scientific meetings and is the recipient of numerous awards, including the Jean Holloway Award for Teaching Excellence at U. T. Austin and the Distinguished Alumna Award at Notre Dame. Dr. Fox is a member of the editorial and advisory boards of two scientific journals and the Executive Committee of the Organic Division of the American Chemical Society.

Dr. Uhlenbeck's appointment as a Visiting Professor in the Department of Mathematics at U. T. Austin has been approved effective September 1, 1987, for the 1987-88 academic year only. Dr. Uhlenbeck is internationally recognized for her outstanding work in the field of nonlinear analysis and has authored or coauthored numerous scholarly publications. Dr. Uhlenbeck was elected to the National Academy of Sciences in 1986 and was selected as a MacArthur Foundation Fellow in 1985.

RECOMMENDATION

The Office of the Chancellor concurs with President Cunningham's recommendation to approve the following appointments to endowed academic positions in the School of Social Work at U. T. Austin effective September 1, 1987.

<table>
<thead>
<tr>
<th>Name of Proposed Appointee</th>
<th>Endowed Academic Position</th>
</tr>
</thead>
<tbody>
<tr>
<td>Dr. Clayton T. Shorkey, Professor, School of Social Work</td>
<td>Cullen Trust Centennial Professorship in Alcohol Studies and Education, established August 1983; initial appointment</td>

<tr>
<td>Dr. Guy Eugene Shuttlesworth, Professor, School of Social Work</td>
<td>Meadows Foundation Centennial Professorship in the Quality of Life in the Rural Environment, established June 1983; initial appointment</td>
</tr>
<tr>
<td>Dr. Laura B. Wilson, Professor and Chairman, Department of Gerontology and Geriatric Services, U. T. Health Science Center - Dallas</td>
<td>Louis and Ann Wolens Centennial Chair in Gerontology, established August 1983; reappointment for the 1987-88 academic year only</td>
</tr>
</tbody>
</table>

BACKGROUND INFORMATION

Dr. Shorkey joined the U. T. Austin faculty in 1973 and is nationally recognized for his scholarly and clinical work in alcoholism and substance abuse prevention and treatment. He has authored or coauthored more than sixty bulletins, articles, and documents; has produced dozens of sets of audio-visual instruction materials; and frequently has been featured as a
speaker on alcoholism and substance abuse on radio discussion programs and at professional association and practitioner workshops. Dr. Shorkey established the School of Social Work's Learning Resources Center in 1973 which he directs and has been instrumental in developing the sequence of courses in the School of Social Work undergraduate program that fulfills the requirements for certification for alcohol counseling, as well as being responsible for teaching field courses for students placed in alcohol, mental health, child welfare, and similar treatment centers.

Dr. Shuttlesworth joined the U. T. Austin faculty in 1969 and is nationally recognized for his work in gerontology, alternate care arrangements for the elderly and disabled, and related health areas of research and clinical practice. His intensive and extensive participation in the joint social work program between U. T. Austin and U. T. El Paso has been a primary factor in bringing this program to its current level of excellence. Dr. Shuttlesworth directed the undergraduate program and provided leadership in the School's accreditation by the Council on Social Work Education (CSWE) and has served on more than thirty CSWE site visit teams to assess social work programs at other U. S. universities and colleges. He received the Texas Excellence Teaching Award in the School of Social Work in 1983 and has authored or coauthored more than 15 scholarly publications; presented papers or led workshops at more than 100 meetings; and has served as a consultant to nursing homes and state human services agencies in Texas, New Mexico, Louisiana, and Arkansas.

Dr. Wilson's appointment as Visiting Professor in the School of Social Work has been approved for extension through the 1987-88 academic year, with the concurrence of the U. T. Health Science Center - Dallas. Dr. Wilson, a faculty member at the U. T. Health Science Center - Dallas since 1980, is nationally recognized for her contributions in the field of gerontology. She is the author or coauthor of 46 scholarly articles, book chapters, and books; she has served as principal investigator, project director, or co-investigator for sixteen major gerontology research grants and has received funding through various contracts and awards for five additional projects. The Southwest Long Term Care Gerontology Center was established at the U. T. Health Science Center - Dallas by the Administration on Aging under Dr. Wilson's leadership. She currently directs this Center. She is an excellent teacher and is active in such professional associations as the Gerontological Society of America, the American Public Health Association, the Southwest Society on Aging, and the Texas Society of Health Professions.

RECOMMENDATION

The Office of the Chancellor concurs with President Cunningham's recommendation that the following visiting professors be appointed to the Edward Larocque Tinker Chair in Latin American
Studies at U. T. Austin for the Fall Semester 1987-88 only, effective September 1, 1987:

a. Professor Alfredo Bryce Echenique as a Visiting Professor, Department of Spanish and Portuguese

b. Dr. Luis Millones Santa Gadea as Visiting Professor, Department of Anthropology.

BACKGROUND INFORMATION

The Edward Larocque Tinker Chair in Latin American Studies was established by the U. T. Board of Regents in September 1973 to support visiting professors in Latin American studies. Sufficient funds are available to support more than one appointment each semester, and it is not unusual for several visiting professors to be appointed to this Chair concurrently.

Professor Echenique is internationally recognized for his contributions to Latin American prose literature. His novels and short story collections are well regarded and his works have been translated into at least fifteen languages. Professor Echenique is the recipient of many international awards and prizes including appointment to a John Simon Guggenheim Memorial Foundation Fellowship. Professor Echenique is an excellent teacher and fluently speaks four languages including English. He has held faculty appointments in Latin American literature and civilization at several French universities and has participated actively in symposia and conferences in the U. S., Canada, Mexico, South America, and Europe.

Professor Luis Millones, an ethnohistorian by discipline, is recognized widely for his scholarly contributions in the fields of anthropology and history and is the author of over 75 research publications. Professor Millones previously held appointments as a visiting scholar in 1975-76 and a visiting professor in 1977-78 in the U. T. Austin Department of Anthropology and Institute of Latin American Studies and has had considerable teaching and research experience in universities in Peru, the U. S., Canada, Mexico, Japan, and Europe. He is currently a Visiting Fellow at Stanford University.

The individuals whose appointments are recommended will teach in the departments designated but will contribute significantly to Latin American scholarly activities throughout the University.

14. U. T. Austin: Recommendation to Approve an Increase in the Compulsory Student Services Fees Effective with the Fall Semester 1987 (Catalog Change).--

RECOMMENDATION

The Office of the Chancellor concurs with President Cunningham's recommendation that the U. T. Board of Regents approve an increase in the compulsory Student Services Fee at U. T. Austin for the operation of the Student Health Center from $35.20 to $37.00 per student per semester. It is further recommended that the compulsory credit hour Student Services Fee be increased from $4.09 to $4.29 per semester credit hour for a
maximum charge of $51.48 per student per semester for a student taking twelve credit hours of course work. The resulting maximum Student Services Fee for a student taking twelve semester credit hours would therefore increase from $84.28 to $88.48 per semester.

BACKGROUND INFORMATION

Compulsory Student Services Fees for U. T. Austin are levied in accordance with Sections 67.211 and 67.212 of the Texas Education Code. Agencies in addition to the Student Health Center receiving partial or total support from the Compulsory Student Services Fees are: Students' Attorney, Division of Recreational Sports, Shuttle Bus Service, Student Activities Office, Election Commission, Senior Cabinet, The Daily Texan, Ombudsman, Students' Association, and Student Services Fees Committee.

The resulting maximum compulsory fees are within the limits authorized by statute, and in accordance with provisions of the Texas Education Code, the proposed fees have been reviewed and recommended by the Student Services Fees Committee at U. T. Austin "in order to maintain student services at...the minimum acceptable levels." Funding levels endorsed by the Committee call for reduction from 1986-87 levels for five agencies and no change for three agencies. Other than for the Student Health Center, increases are attributable to a previously contracted increase for the Shuttle Bus and for a small increase in University Child Care operation.

Upon Regental approval, the Minute order will reflect that the next catalog published will conform to this action.

15. U. T. Austin: Recommendation to Name Room in the New Chemical and Petroleum Engineering Building in the College of Engineering (Regents' Rules and Regulations, Part One, Chapter VIII, Section 1, Subsection 1.2, Naming of Facilities Other Than Buildings).--

RECOMMENDATION

The Office of the Chancellor concurs with President Cunningham's recommendation to name Room 2.214 in the new Chemical and Petroleum Engineering Building at U. T. Austin the Charles Raymond and Clinton Edward Burklin Classroom. This recommendation is in accordance with the Regents' Rules and Regulations, Part One, Chapter VIII, Section 1, Subsection 1.2, relating to the naming of facilities other than buildings.

BACKGROUND INFORMATION

The proposed room name is in recognition of a gift from Mr. C. Raymond Burklin, Houston, Texas, and the Halliburton Foundation, Inc., for the College of Engineering endowment program for the new Chemical and Petroleum Engineering Building. The income will be used to furnish and maintain the facilities.
of the room. Acceptance of these gifts and establishment of a permanent endowment account is provided for in Item 8.
Page L&I - 12.

At its December 1981 meeting, the U. T. Board of Regents approved the naming of facilities other than buildings as part of a special private fund development campaign for the College of Engineering, in accordance with Part One, Chapter VII, Section 2, Subsection 2.44 of the Regents' Rules and Regulations.

16. U. T. Austin: Recommendation to Name Room in Townes Hall in the School of Law (Regents' Rules and Regulations, Part One, Chapter VIII, Section 1, Subsection 1.2, Naming of Facilities Other Than Buildings).--

RECOMMENDATION

The Office of the Chancellor concurs with President Cunningham's recommendation to name Room 3.124 in Townes Hall in the School of Law at U. T. Austin the Sam Neathery Room. This recommendation is in accordance with the Regents' Rules and Regulations, Part One, Chapter VIII, Section 1, Subsection 1.2, relating to the naming of facilities other than buildings.

BACKGROUND INFORMATION

The proposed room name is in recognition of a bequest to The University of Texas Law School Foundation, an external foundation, from the late Mrs. Elizabeth Neathery Smith in memory of her father, Sam Neathery, former member of the U. T. Board of Regents. Establishment of a permanent endowment account is provided for in Item 17, Page L&I - 17.

At its meeting in December 1980, the U. T. Board of Regents approved the naming of facilities other than buildings as part of a special private fund development campaign for the School of Law, in accordance with Part One, Chapter VII, Section 2, Subsection 2.44 of the Regents' Rules and Regulations.

17. U. T. Dallas: Report for the Record Regarding Attainment of Private Funding Goal for the School of Engineering and Computer Science.--

REPORT

As of May 12, 1987, President Rutford reports that the U. T. Dallas campaign for private fund resourcing to support the School of Engineering and Computer Science has exceeded its 1991 goal with gifts and firm pledges now totaling $24,542,701. Some proposals to both local and national foundations are outstanding, thus, the institution is optimistic that this amount will increase.
BACKGROUND INFORMATION

In February 1984, the U. T. Board of Regents approved a recommendation establishing Electrical Engineering and Computer Science degree programs at U. T. Dallas and the proposed establishment of a School of Engineering and Computer Science subject to approval by the Coordinating Board, Texas College and University System. In October 1985, the Coordinating Board approved establishment of the recommended degree programs but deferred action on establishment of the proposed school with the understanding that such would be approved when the following conditions were met:

1. Financing for the School shall have been provided as follows:
   a. Commitments from financially responsible private sources $24.0 million
   b. Permanent University Fund bond proceeds 17.5 million
   c. U. T. Dallas endowment funds 11.0 million
   Total $52.5 million

2. A contract for the construction of a building to house the proposed School shall have been let.

3. A minimum of 700 students shall be enrolled in the degree programs to be included in the School.

The School designation was formerly approved by the Coordinating Board on October 31, 1986, based on meeting all the conditions except for the private resourcing and a guarantee from the U. T. Board of Regents to use other institutional gift funds for any shortage in the fund campaign. With the meeting of this fund campaign goal, all conditions set by the Coordinating Board have been met without the need to exercise that guarantee.

18. U. T. El Paso: Proposed Appointment to the Charles R. and Dorothy S. Carter Chair in Business Administration in the College of Business Administration Effective July 1, 1987.--

RECOMMENDATION

The Office of the Chancellor concurs with President Monroe's recommendation that Dr. Anthony F. Herbst, Professor of Finance at the Roy E. Crummer Graduate School of Business at Rollins College, Winter Park, Florida, be appointed as the initial holder of the Charles R. and Dorothy S. Carter Chair in Business Administration in the College of Business Administration at U. T. El Paso effective July 1, 1987.
BACKGROUND INFORMATION

Dr. Herbst will join the U. T. El Paso faculty as Professor of Economics and Finance in the College of Business Administration effective July 1, 1987. He is an excellent teacher, has authored three books and authored or coauthored more than 33 articles in refereed journals and scholarly publications, and actively participates in professional association meetings.

The Charles R. and Dorothy S. Carter Chair in Business Administration was established by the U. T. Board of Regents in October 1985.

19. U. T. El Paso: Proposed Appointment of Fellow to the Mr. and Mrs. MacIntosh Murchison Chairs in Engineering in the College of Engineering Effective September 1, 1987 for the 1987-88 Academic Year Only.---

RECOMMENDATION

The Office of the Chancellor concurs with President Monroe's recommendation that Dr. Juan Herrera, Associate Professor of Mechanical and Industrial Engineering at U. T. El Paso, be appointed as a Mr. and Mrs. MacIntosh Murchison Fellow in the College of Engineering effective September 1, 1987 for the 1987-88 academic year only. This Fellow appointment, as with four appointed at the April 1987 U. T. Board of Regents' meeting, is to be funded from the earnings from the four Mr. and Mrs. MacIntosh Murchison Chairs in Engineering. Under terms of the endowments, funds may be used to award fellowships in Engineering to qualified faculty for periods up to one year when vacancies exist in the endowed chairs. All four chairs are currently vacant.

BACKGROUND INFORMATION

Four appointments of Mr. and Mrs. MacIntosh Murchison Fellows were approved at the April 1987 U. T. Board of Regents' meeting. The appointees are competitively selected on the basis of research proposals submitted within the College of Engineering.

The first Mr. and Mrs. MacIntosh Murchison Chair in Engineering was established by the U. T. Board of Regents in April 1986 by redesignation of the Mr. and Mrs. MacIntosh Murchison Professorship in Engineering which was established in August 1985. The second Mr. and Mrs. MacIntosh Murchison Chair in Engineering was established in June 1986 and the third and fourth Chairs were established in February 1987.

Dr. Herrera joined the U. T. El Paso faculty in 1975 as an Instructor and is presently an Associate Professor of Mechanical and Industrial Engineering. He is a member of the American Society of Mechanical Engineers, American Society of Metals, American Foundrymen Society, and Society of Automotive Engineers. Dr. Herrera has published numerous articles in scholarly journals and is frequently invited to make presentations at professional meetings.
RECOMMENDATION

The Office of the Chancellor concurs with President Monroe's recommendation that the U. T. Board of Regents approve a memorandum of agreement as set out on Pages AAC 25 - 26 by and between U. T. El Paso and the following Mexican facilities:

a. The Institute of Technology and Higher Education of Monterrey, Mexico

b. The Technical Institute of Chihuahua, Mexico.

It is further requested that the Executive Vice Chancellor for Academic Affairs be authorized to execute, on behalf of the U. T. Board of Regents, this or a substantially equivalent agreement after its execution by the facility representative and by the President of U. T. El Paso with the understanding that any and all specific agreements arising from these general agreements are to be submitted for prior administrative review and subsequent approval as required by the Regents' Rules and Regulations.

BACKGROUND INFORMATION

The general agreements are designed to promote academic and research cooperation between U. T. El Paso and the named Mexican facilities. The goals of the agreements are:

a. cooperation in fields of mutual interest which include, but are not limited to the physical and biological sciences, engineering, and administration

b. exchange of faculty and researchers for defined periods of time

c. team teaching of seminars, professional development or teaching methods courses, and specialized technical training courses

d. exchange of faculty, administrators, and students

e. sharing of cultural and social experiences

f. exchange of pedagogical equipment and materials

g. reciprocal awarding of scholarships

h. exchange of statistical, technical, and educational data

AAC - 23
i. cooperation in research related to problems common to both institutions and the border; and

j. other programs that would be mutually beneficial.

The agreements are similar to an agreement approved by the U. T. Board of Regents at its December 1985 meeting with the Autonomous University of Ciudad Juarez, Mexico.
MEMORANDUM OF AGREEMENT

The Board of Regents of The University of Texas System on behalf of The University of Texas at El Paso, a component institution of The University of Texas System, an agency of the State of Texas, United States of America, and El Instituto Tecnológico y de Estudios Superiores de Monterrey enter into the following agreement on the date of execution of this MEMORANDUM OF AGREEMENT, as indicated below:

WHEREAS the two educational institutions are culturally and geographically linked and both institutions are concerned with scientific, and technical research, and

WHEREAS the academic resources of these institutions represent opportunities for cooperative and complementary exchange in a spirit of international cooperation,

IT IS MUTUALLY AGREED AS FOLLOWS:

Section 1. Goals

It is to the mutual benefit of each institution that an effort toward the realization of these opportunities be initiated, and therefore that the following general goals be established:

(a) cooperation in fields of mutual interest which include, but are not limited to the physical and biological sciences, engineering, and administration;
(b) exchange of faculty and researchers for defined periods of time;
(c) team teaching of seminars, professional development or teaching methods courses, and specialized technical training courses;
(d) exchange of faculty, administrators, and students;
(e) sharing of cultural and social experiences;
(f) exchange of pedagogical equipment and materials;
(g) reciprocal awarding of scholarships;
(h) exchange of statistical, technical, and educational data;
(i) cooperation in research related to problems common to both institutions and the border; and
(j) other programs that would be mutually beneficial.

Section 2. Planning

Both institutions agree:

(a) to assign to an administrative entity of each respective University the responsibility for the biennial renewal of this agreement or the negotiation of changes or additional agreements on the development of projects in specific areas of mutual interest, as appropriate and feasible; and
(b) to plan ways to make available, to the extent possible, resources of the respective institutions for projects under the specific terms of future agreements.

Section 3. Future Agreements

(a) Future agreements concerning any program agreed to by the two parties shall provide details concerning the specific commitments being made by each party and shall not become effective until they have been put in writing and executed by the duly authorized representatives of the two parties, and approved in writing by the Office of the Chancellor of The University of Texas System.
(b) Such agreements may be cancelled by either party by giving written notice to the other of its intention to terminate the program.
EXECUTION

Executed on the ___ day of ____________, 19__, in
duplicate originals.

9. U. T. Health-Related Institutions: Proposed Nominees to Development Boards and Advisory Councils (NO PUBLICITY UNTIL ACCEPTANCES ARE RECEIVED)

RECOMMENDATION

The Office of the Chancellor concurs with the recommendation by President Wildenthal to appoint Paul R. Bergstresser, M.D., to the J. B. Shelmire Professorship in Dermatology at the U. T. Health Science Center - Dallas effective June 11, 1987.

BACKGROUND INFORMATION

Paul R. Bergstresser, M.D., has been a faculty member at the U. T. Health Science Center - Dallas since 1976. In 1986, Dr. Bergstresser was appointed as Chairman of the Department of Dermatology. Dr. Bergstresser is nationally recognized for his contributions to the field of dermatology. He serves on the Board of Directors of the American Dermatologic Society for Allergy and Immunology and the Dermatologic Drugs Advisory Committee of the Food and Drug Administration. Evidence of his impressive leadership ability is the recruitment of a fine team of clinical and research faculty to the Department. For all these reasons, Dr. Bergstresser is an ideal individual to hold the J. B. Shelmire Professorship in Dermatology.

The J. B. Shelmire Professorship in Dermatology was established by the U. T. Board of Regents in July 1968.

2. U. T. Medical Branch - Galveston: Recommendation to Approve and Authorize Execution of Letter of Understanding; Accept the Hospital House and Land; Authorize Negotiation of a Management Contract for Operation of the Facility; Accept and Acknowledge a Gift Establishing the UTMB Hospital House Endowment; and Acknowledge the Establishment of an External Endowment and Accept the Income from that External Endowment.

RECOMMENDATION

The Office of the Chancellor and President Levin report that The Sealy & Smith Foundation for the John Sealy Hospital and Help Us Give Support, Inc. (HUGS), a nonprofit corporation based in Galveston, have committed to provide a new housing facility for the U. T. Medical Branch - Galveston. The housing facility, designated the Hospital House, will provide short-term housing for pediatric patients and their families who have traveled distances for outpatient treatment and for families during inpatient care.
To encourage and facilitate these joint efforts by The Sealy & Smith Foundation for the John Sealy Hospital and HUGS, the Office of the Chancellor and President Levin recommend that the U. T. Board of Regents:

a. Approve and authorize the Executive Vice Chancellor for Health Affairs, following approval by the Office of General Counsel, to execute a Letter of Understanding among The Sealy & Smith Foundation for the John Sealy Hospital, HUGS, and the U. T. Board of Regents in substantially the form set out on Pages HAC 6 - 9

b. Accept from The Sealy & Smith Foundation for the John Sealy Hospital the Hospital House facility and the land on which it is located, upon completion of construction

c. Authorize the Office of the Chancellor, the U. T. Medical Branch - Galveston Administration and the Office of General Counsel to negotiate a management contract with the HUGS organization for the operation and management of the new facility, to be presented to the U. T. Board of Regents for approval at a later meeting

d. Accept and acknowledge with gratitude a gift of $600,000 or more from The Sealy & Smith Foundation for the John Sealy Hospital, Galveston, Texas, to establish the UTMB Hospital House Endowment, with the income to be directed toward the support, maintenance, and operation of the Hospital House

e. Acknowledge with gratitude that HUGS has committed to establish an external endowment for the benefit of the U. T. Medical Branch - Galveston, to be funded initially with at least $350,000 in cash and $450,000 in pledges, to be augmented by annual fund raising; and accept the income from the external endowment to be used for the support, maintenance and operation of the Hospital House.

BACKGROUND INFORMATION

A nonprofit group, Help Us Give Support, Inc. ("HUGS"), was organized in 1982 to raise funds for the construction and operation of a Hospital House to provide a homelike facility for overnight stay for the benefit of pediatric patients of the U. T. Medical Branch - Galveston Child Health Center and Shriners Burns Institute and their families, in close proximity to the hospitals. Parents often travel several hundred miles to take their children to Galveston repeatedly during months of continuing outpatient care after the initial hospital stay. The Hospital House concept has been used nationwide to address the needs of parents who cannot afford hotel costs during the periods when their child is receiving treatment.
HUGS has purchased land on the southwest corner of 14th and Mechanic Streets in Galveston as the site for the Hospital House and has engaged architects to design a two-story, Victorian-style house with 20 bedrooms, a living room, communal dining room, meditation room, family room, kitchen, laundry facilities, two lounge areas, two outdoor patios, playgrounds, underground parking facilities, a central office and on-site manager's quarters. The building is expected to be completed in the early spring of 1988 at a construction cost of approximately $1 million.

HUGS has committed $800,000 consisting of at least $350,000 in cash and the remainder in pledges as an initial external endowment for the benefit of U. T. Medical Branch - Galveston, to be augmented by annual fund raising, to support the operation and maintenance of the Hospital House. The Sealy & Smith Foundation has committed $1.6 million to support the construction and operation of the facility, at least $600,000 of which is a grant to the U. T. Medical Branch - Galveston for the establishment of a permanent endowment, the UTMB Hospital House Endowment, under the control of the U. T. Board of Regents. Payout from the UTMB Hospital House Endowment must be used for the operating expenses of the Hospital House.

Upon completion of construction, the Hospital House and the underlying land will be deeded to the U. T. Board of Regents by The Sealy & Smith Foundation, free and clear of liens and encumbrances, but subject to reversion if the property ceases to be used for the purposes of the John Sealy Hospital and its related hospitals. The Hospital House will be operated by HUGS pursuant to a management contract to be negotiated by the Office of the Chancellor, U. T. Medical Branch - Galveston Administration, and the Office of General Counsel.
LETTER OF UNDERSTANDING

THIS LETTER OF UNDERSTANDING is entered into by and among the Board of Regents of The University of Texas System (the "University") for and on behalf of The University of Texas Medical Branch - Galveston, and Help Give Us Support, Inc., a Texas nonprofit corporation ("HUGS"), and The Sealy & Smith Foundation for The John Sealy Hospital, a charitable corporation organized under the laws of the State of Texas (the "Foundation").

I. Mutual Goals

The parties to this Agreement are in accord that a facility in close proximity to U. T. Medical Branch - Galveston Child Health Center providing a homelike atmosphere for overnight stay for the benefit of pediatric patients and their families, who often travel several hundred miles to take their children for repeated treatment during months of continuing outpatient care after the initial hospital stay, would be a significant benefit in providing necessary medical care and attention and parental support during continuing outpatient treatment. Toward this end, the parties to this agreement desire to establish such a facility to be used by pediatric patients of both the U. T. Medical Branch - Galveston Child Health Center and the Shriners Burns Institute, and to provide funding for its construction and future operation and maintenance.

HUGS initiated fundraising efforts for the Hospital House in 1982, purchased land on the southwest corner of 14th and Mechanic Streets in Galveston as a site for the Hospital House, and has engaged architects to design a two-story, Victorian-style house with 20 bedrooms, living room, communal dining room, meditation room, family room, kitchen, laundry facilities, two lounge areas, two outdoor patios, playgrounds, underground parking facilities, a central office, and on-site manager's quarters. The building is expected to be completed in the early spring of 1988, at a construction cost of approximately $1 million dollars.

II. Commitments of Help Us Give Support, Inc.

HUGS' campaign has raised approximately $900,000 to-date toward the construction and operation of the Hospital House, and HUGS has committed to:
(1) Convey free and clear fee title to the site at 14th and Mechanic Streets, Galveston, Texas, to The Sealy & Smith Foundation; and

(2) Cooperate with the Foundation and the University in planning and supervising the construction of a first quality facility; and

(3) Establish, prior to the conveyance of the Hospital House property, an external endowment consisting of $800,000 or more in cash and pledges, at least $350,000 of which will be cash. The external endowment will be held in trust for the benefit of U. T. Medical Branch - Galveston, the income from which is to be paid out to U. T. Medical Branch - Galveston to be used for the operating and maintenance expenses of the Hospital House; and to carry out an annual fundraising drive to augment the external endowment, thus annually increasing the available endowment income paid out to U. T. Medical Branch - Galveston to be used for operating and maintenance expenses of the Hospital House on a continuing basis; and

(4) Contract with the University for HUGS to manage and operate the Hospital House initially, in an informal but cost-efficient manner.

III. Commitments of The Sealy & Smith Foundation

The Foundation has committed to:

(1) Construct the Hospital House at no cost to the University on the site donated to the Foundation by HUGS, and to plan and supervise the construction of the Hospital House in cooperation with HUGS and the University; and

(2) Donate to the University upon completion of construction, the facility and the underlying real property, in fee simple free and clear of any liens or encumbrances, subject to reversion of the property and improvements if the site is not used for the purposes designated by the Foundation; and

(3) Provide a grant to the University of $600,000 or more, for the establishment of a permanent endowment, the UTMB Hospital House Endowment, under the control of the Board of Regents, all income payout from which is directed to be used for the operating and maintenance expenses of the Hospital House. If the facility ceases to be operated as a pediatric care support facility, income payout from the endowment shall be used only as designated by the Foundation.
IV. Commitments of The University of Texas System

The administrations of The University of Texas Medical Branch - Galveston and The University of Texas System and the Board of Regents of The University of Texas System will use their best efforts to:

(1) Assist HUGS and the Foundation in establishing a pediatric support facility to be known as Hospital House; and

(2) Use the payouts from the HUGS' Hospital House external endowment, and the UTMB Hospital House Endowment for the operating expenses of the Hospital House, including maintenance and any necessary rehabilitation; and

(3) Contract for HUGS to operate and manage the Hospital House initially; and

(4) Obtain any necessary approvals for the Hospital House from state or federal agencies.

V. Conditions of Performance

All parties to this Letter of Understanding condition performance of the commitments made herein on requisite approvals, if any, by the Texas Higher Education Coordinating Board, and the Legislature of the State of Texas, and on condition that the donations, grants and endowments by HUGS and the Foundation, and the income and any proceeds thereof, shall not become a part of the Permanent University Fund, the Available University Fund, or the general funds of the State of Texas, and that no purchaser or grantee of any of the donated real estate shall be obliged to be concerned with the use or application made of any funds or other property paid or delivered by him or it to the Board of Regents of The University of Texas System for any of said real estate.

The Board of Regents of The University of Texas System further conditions its performance on the prior establishment of the endowments and donation of the property free and clear of any liens or any obligation except as expressly provided herein; on the commitments that all costs, including maintenance and operation, of the Hospital House will be provided for by HUGS and the Foundation endowments or by third parties and that the University will have no obligation for payment of any expenses whatsoever except those expenses paid for by the endowments; on the University's participation in the planning and supervision of construction of the Hospital House, including the right of prior approval of those plans.
by The University of Texas System Office of Facilities Planning and Construction, or other designate.

Without limiting the foregoing, Help Us Give Support, Inc. and The Sealy & Smith Foundation expressly understand, recognize and agree that the Board of Regents of The University of Texas System will not have any obligation to accept the gifts outlined above until and unless the conditions of the University's performance are met.

Executed by the parties hereto, to be effective as of May 17, 1987.

James L. Crowson Vice Chancellor and General Counsel Office of General Counsel

William C. Levin, M.D., President U. T. Medical Branch - Galveston
3. U. T. Medical Branch - Galveston (U. T. Nursing School - Galveston): Recommendation to Approve an Administrative Reorganization and Submit the Proposed Changes to the Coordinating Board for Appropriate Approval (Catalog Change)

RECOMMENDATION

The Office of the Chancellor concurs with the recommendation of President Levin to reorganize the administrative structure of the U. T. Nursing School - Galveston. Upon Regental approval, the proposed reorganization will be submitted to the Coordinating Board for review and appropriate action.

BACKGROUND INFORMATION

This reorganization would decentralize the responsibility and accountability for educational programs, research, and faculty supervision. Presently, the organization separates the faculty by undergraduate and graduate faculty and these faculties are responsible to a specific program director for all their activities. This structure has resulted in an unmanageable situation for program directors since there are 30 faculty in the undergraduate program and 22 in the graduate program.

The proposed administrative structure set out on Page HAC - 11 will eliminate the current division of undergraduate and graduate faculty. Instead, all faculty including administrators will join the most appropriate department according to their interests and specialization. The departments will be maternal-child, adult health, community health/gerontology, and mental health/management. The focus of each department is in line with the emphasis of the U. T. Medical Branch - Galveston strategic plan. The average size of each department will be 10 to 13 faculty with a designated department chair.

In keeping with the principle of decreasing the layers of authority between the faculty and dean, the departmental chairs will report directly to the dean.

This change will not require additional space, equipment, or personnel over the next five years.

Upon Regental and Coordinating Board approval, the next appropriate catalog of the U. T. Nursing School - Galveston will be amended to indicate this reorganization.

4. **U. T. Health Science Center - Houston: Request for Approval of Affiliation Agreement with the Harris County Hospital District, Houston, Texas.**

**RECOMMENDATION**

The Office of the Chancellor concurs with the recommendation of President Bulger that the U. T. Board of Regents approve the affiliation agreement set out on Pages HAC 13 - 19 by and between the U. T. Health Science Center - Houston and the Harris County Hospital District, Houston, Texas.

**BACKGROUND INFORMATION**

The School of Nursing at the U. T. Health Science Center - Houston desires to provide educational experiences for its undergraduate and graduate students in facilities of the Harris County Hospital District. The District owns and operates facilities in Houston, including the Ben Taub Hospital and the Jefferson Davis Hospital.

Though the affiliation agreement is a nonstandard agreement, it contains, for the most part, the standard affiliation agreement provisions, with minor modifications and minor additions. The Office of Health Affairs and Office of General Counsel have reviewed the agreement and recommend its approval.
HEALTH CARE
EDUCATIONAL EXPERIENCE PROGRAM
AFFILIATION AGREEMENT

THIS AGREEMENT made the day of , 19 , by and between The University of Texas Health Science Center at Houston ("University"), a component institution of The University of Texas System, ("System"), and the Harris County Hospital District ("District" or "Facility"), a duly constituted hospital district of the State of Texas having its principal office at Houston, Harris County, State of Texas.

WITNESSETH:

WHEREAS, Facility now operates health care facilities located in the City of Houston and in Harris County, State of Texas, and therein provides health care services for persons in need of such services; and University provides an academic program with respect to nursing; and,

WHEREAS, University periodically desires to provide nursing related educational experiences for its students, which are not otherwise available to them under the existing program of University, by utilization of appropriate facilities and personnel of Facility; and,

WHEREAS, Facility is committed to a goal of providing the best obtainable supply of personnel educated in the field of nursing as being in the best interest of Facility, and believes that achievement of such goal can best be accomplished by affording nursing students the opportunity to participate in meaningful educational experiences as part of an academic nursing program, through utilization of appropriate facilities and personnel of Facility; and,

WHEREAS, in order to accomplish such objectives, University and Facility intend to establish and implement from time to time, one or more educational experience programs which will involve the students and personnel of University, and the facilities and personnel of Facility;

NOW, THEREFORE, in consideration of the premises and of the benefits derived and to be derived therefrom and from the program or programs established and implemented by said parties, University and Facility agree that any program agreed to by and between Facility and University, during the term of this Agreement, for purposes of achieving the above described objectives of said parties (hereinafter called "Educational Experience Program," or "Program"), shall be covered by and subject to the following terms and conditions:

1. The Program shall not become effective until all agreements between the parties with respect to Program have been reduced to writing ("Program Agreement"), executed by the duly authorized representatives of Facility and University, and approved in writing by the Office of the Chancellor of The University of Texas System.
2. The Program may be cancelled by either party by giving such written notice to the other of its intention to terminate the Program as provided in the Program Agreement; provided, however, that the Program shall automatically terminate upon termination of this Agreement.

3. In the event of conflict between the text of Program Agreement and the text of this Agreement, this Agreement shall govern.

4. After Program Agreement becomes effective, no amendments thereto shall be valid unless in writing and executed by the duly authorized representatives of Facility and University, and approved by the Office of the Chancellor of The University of Texas System.

5. Except for certain acts to be performed by University pursuant to express provisions of this Agreement, Facility hereby agrees to furnish the premises, personnel, services, and all other things necessary for the Educational Experience Program, as specified in the Program Agreement, and, in connection with such Program, further agrees:

(a) To comply with all Federal, State and Municipal laws, ordinances, rules and regulations applicable to performance by Facility of its obligations under this Agreement, and all applicable accreditation requirements, and to certify by letter such compliance to University or other entity when reasonably requested to do so by University.

(b) To permit the authority responsible for accreditation of University's curriculum to inspect such facilities, services and other things provided by Facility pursuant to this Agreement as are necessary for accreditation evaluation. Inspections stated in this provision are limited to the program itself and to conferring with the students involved in the specific program. Any inspection of District facilities, services, or other things provided pursuant to this Agreement shall be permitted only during regular business hours of the District and only if the District shall receive reasonable advance notice of such inspection. The University may make no use of the District's facilities provided in compliance with this Agreement for any purpose other than the training of University students.

(c) To appoint a person to serve for Facility as liaison (Liaison) to the faculty and students engaged in the Program; provided, however, that no person not having the prior written approval of University shall be appointed Liaison; and, in such connection, Facility shall furnish in writing to University (not later than thirty (30) days prior to the date the Liaison appointment is to become effective) the name and professional and academic credentials of the person proposed by
Facility to be Liaison, and within ten days after receipt of same, University shall notify Facility of University's approval or disapproval of such person. In the event the Liaison becomes unacceptable to University after appointment, and University so notifies Facility in writing, Facility will appoint another person to serve as Liaison in accordance with the procedure stated in the first sentence of this sub-paragraph (c).

6. University hereby agrees:
   (a) To furnish Facility with names of the students assigned by University to participate in the program.
   (b) To assign for participation in the Program only those students (1) who have satisfactorily completed those portions of its curriculum which, according to Program Agreement, are prerequisite to such participation, all as determined by University in its sole discretion, and (2) who have entered into a written agreement with University and Facility that they will not publish any material relating to the Program, or their experience in participating therein, without the prior written approval of University and Facility.
   (c) To designate a member of the University faculty to coordinate with Facility through its Liaison the learning assignment to be assumed by each student participating in the Program, and to furnish to Facility in writing the name of such faculty member. Should the faculty member become unacceptable to Facility, University agrees to remove such person and appoint a new faculty member.
   (d) University agrees to provide the necessary personnel and the necessary clinical supervision of its students participating in the Program. University will appoint one or more qualified professionals who shall be responsible for the instruction and supervision of the Program students based in the District's facilities. The person(s) selected to function in this capacity shall be a member of University's faculty. No compensation will be paid by the District for services rendered by any Program student or University staff or faculty for work done in the Program nor shall any such student, staff or faculty member be considered an employee or agent of the District, or to be acting in any capacity on behalf of the District, during the times of the Program.
   (e) University shall submit to the District any and all proposals for research or demonstration projects in which the University will utilize District facilities. The University recognizes
that it is the policy of the District that the District shall not be committed to participate in any grants, research or demonstration projects or similar activities, without having first had the plans for any such program approved by the District. In accordance with this policy, should the University desire to initiate any program which involves the District or any of its facilities or personnel, the University shall submit the plan and completed application to the District for approval. If the District does not approve same, the University shall not proceed with any such program involving the District.

(f) All Program students furnished by the University shall comply with the District's administrative policies established for the operation of the District's facilities. The Director of the District's Nursing Program or her designate and the Chief Administrator of the District or his designate shall be responsible for the overall review of this Program in order to determine that any services provided by the Program students are properly performed.

7. All notices under this Agreement shall be provided to the party to be notified in writing, either by personal delivery or by United States mail. All notices under this Agreement shall be deemed given to a party when received by such party's designated representative. For the purpose of notice, the addresses of the parties shall be as follows until changed as herein provided:

DISTRICT: Harris County Hospital District
           Attention: Chief Administrator
           726 Gillette
           Houston, Texas 77019

With copies to:

Director of Nursing

UNIVERSITY: The Board of Regents of
           The University of Texas System
           201 West Seventh Street
           Austin, Texas 78701

With copies to:

The University of Texas
Health Science Center at Houston
Office of the President
P. O. Box 20036
Houston, Texas 77225

HAC - 16
The parties shall have the right to change their respective addresses and each shall have the right to specify as its address any other address by at least fifteen (15) days written notice to the other party.

8. All the agreements between the parties on the subject matter hereof have been reduced to writing herein. No amendments to this Agreement shall be valid unless in writing and signed by the duly authorized representatives of the parties, and approved by the Board of Regents of The University of Texas System.

9. No oral representations of any officer, agent, or employee of Facility or The University of Texas System, or any of its component institutions, (including, but not limited to University), either before or after the effective date of this Agreement, shall affect or modify any obligations of either party hereunder or under any Program Agreement. The University may establish such administrative policies as are necessary for the operation of the Program, provided such policies are not inconsistent with the administrative policies of the District.

10. University will continue as it has in the past to operate its programs of the highest quality in health care education and in other areas and all jurisdictional powers incident to separate ownership and operation, including the power to determine the general and fiscal policies of its educational programs and to appoint its administration, faculty and other personnel. The District shall retain over its facilities all jurisdictional powers incident to separate ownership and operation, including the powers to determine general and fiscal policies relating to the operations of its facilities. The Board of Managers of the District shall retain final jurisdiction over the administration and supervision of its facilities, including all patient services and the types of activities occurring within any or all facilities of the District.

11. To the extent permitted by the Constitution and laws of the State of Texas, the University agrees to indemnify and hold harmless the District from and against any and all claims, demands, causes of action, liabilities, costs, damages, and expenses asserted or adjudged against or incurred by the District resulting from the breach by the University of any provision of this Agreement. By entering into this Agreement, it is recognized that the University is not waiving the sovereign governmental immunity the Board of Regents of The University of Texas System, its agents or employees, have under state law.

12. This Agreement shall be binding on and shall inure to the benefit of the parties and their respective successors and assigns; provided, however, that no assignment by either party shall be effective without prior written approval of the other party. A delay in or failure of performance of either party shall not constitute default hereunder, or give rise to any claim
for damages, if and to the extent such delay or failure is caused by occurrences beyond the control of either party.

13. The University shall be required to have and maintain or make application for accreditation with the appropriate and applicable local, state and/or national accreditation organization or organizations and shall keep the District informed of all actions taken with respect to its accreditation standing. If the University is not accredited at the time of execution of this Agreement, and does not receive accreditation within two (2) years of implementation of this Agreement, or should the University for any reason lose any or all of its local, state or national accreditation(s), this Agreement will immediately become null and void and all personnel participating in this Program will be immediately removed by the University from the District's facilities.

14. This Agreement shall not become effective unless and until approved by the Board of Regents of The University of Texas System. If so approved, this Agreement shall become effective on the date of such approval, and shall continue in effect for an initial term ending one (1) year after the date and year of execution by Facility and University, and after such initial term, from year to year unless one party shall have given one hundred eighty (180) days' prior written notice to the other party of intention to terminate this Agreement. If such notice is given, this Agreement shall terminate: (a) at the end of the term of this Agreement during which the last day of such one hundred eighty (180) day notice period falls; or (b) when all students enrolled in the Program at the end of the term of this Agreement have completed their respective courses of study under the Program; whichever event last occurs.
Executed by University and Facility on the day and year first above written, in duplicate copies, each of which shall be deemed as original.

IN WITNESS THEREOF this Agreement, in duplicate originals of equal force, has been executed on behalf of the parties hereto as follows, to-wit:

(a) It has on the ___ day of __________, 1987, been executed on behalf of the Harris County Hospital District by the Chairman of the Board of Managers, pursuant to the order of the Board of Managers so authorizing; and

(b) It has on the ___ day of __________, 1987, been executed on behalf of the Board of Regents of The University of Texas System by the Executive Vice Chancellor for Health Affairs pursuant to the order of the Board of Regents so authorizing.

5. U. T. Health Science Center - Houston and U. T. Cancer Center: Recommendation for Approval of Amendment to Operating Agreement with Houston Academy of Medicine - Texas Medical Center Library.--

RECOMMENDATION

The Office of the Chancellor concurs with the recommendation of Presidents Bulger and LeMaistre that the U. T. Board of Regents approve amendments to the Operating Agreement, as amended August 25, 1982, set out on Pages HAC 22 - 26, by and among U. T. Health Science Center - Houston, U. T. Cancer Center, the Houston Academy of Medicine, Baylor College of Medicine, Texas Woman's University, and the Texas Medical Center for the Texas Medical Center Library wherein:

(1) the Library's mission will be restated and
(2) the fiscal year (used for rent calculation purposes) will change from April-March to January-December.

BACKGROUND INFORMATION

The current article dealing with the Library's mission reads as follows:

"Article 2. The purpose of the library shall be to carry on work of an exclusively public charitable, literary, scientific, and educational nature and more particularly to advance and disseminate knowledge of the science of medicine in order to promote public health and further human welfare."

The proposed amendment would restate the Library's mission as follows:

"Article 2. The Library's mission is to support the activities and programs of its participating institutions as they relate to patient care, education, and research. The Library accomplishes its mission first, by collecting journals, books, and other library materials in clinical medicine and health sciences; second, by organizing and disseminating information in all formats; and third, by providing instruction in the management of information using state-of-the-art technology. Through its cooperative programs the Library is an important resource for the state of Texas and for the entire nation."

The second amendment changes the fiscal year of the Texas Medical Center Library to a calendar year basis. The current language reads as follows:

"ARTICLE 15. The annual payment from the Library to the Houston Academy of Medicine for the Library's exclusive use of library space in the Jesse H. Jones Library Building, located at 1133 M.D. Anderson Boulevard, Houston, Texas 77030 will be divided into two amounts as follows:

1) An amount equal to the Library's total rentable square feet multiplied by $7.26. The rate of $7.26 per square foot shall be adjusted annually (either up or down, according to appropriate audit figures) effective September 1, 1983, by a percentage amount equal to the change in
actual operating costs for the entire building over the two preceding April-March years. For example, the 1983/84 rate per square foot will be set effective September 1983 by the percent change in operating costs between the years April 1981 - March 1982 and April 1982 - March 1983."

The proposed new language reads as follows:

"ARTICLE 15. The annual payment from the Library to the Houston Academy of Medicine for the Library's exclusive use of library space in the Jesse H. Jones Library Building, located at 1133 M.D. Anderson Boulevard, Houston, Texas 77030 will be divided into two amounts as follows:

1) An amount equal to the Library's total rentable square feet multiplied by $7.26. The rate of $7.26 per square foot shall be adjusted annually (either up or down, according to appropriate audit figures) effective September 1, 1983, by a percentage amount equal to the change in actual operating costs for the entire building over the two preceding calendar years. For example, the 1983/84 rate per square foot will be set effective September 1983 by the percent change in operating costs between the years January - December 1981 and January - December 1982."
OPERATING AGREEMENT

THIS OPERATING AGREEMENT is executed by and among the Houston Academy of Medicine (hereinafter called "the Academy"), Baylor College of Medicine (hereinafter called "Baylor"), Texas Woman's University (hereinafter called "TWU"), The University of Texas institutions at Houston (hereinafter called "The University"), and Texas Medical Center (hereinafter called "the Center"), all of which entities are referred to collectively herein as the "Participating Institutions."

WITNESSETH:

WHEREAS, the Operations of a library in the Texas Medical Center (hereinafter called "the Library"), have been governed by the provisions of an Operating Agreement* dated April 15, 1981 and an amendment thereto dated March 1, 1982 to which the Participating Institutions are parties;

WHEREAS, it has been determined that the Library should remain a joint endeavor and that the Participating Institutions should continue to have an interest and responsibility in the development and operation of the Library:

THEREFORE, in consideration of the premises hereinafter set forth, it is agreed that the governance of the Library shall be pursuant to the terms of this Operating Agreement, and the Operating Agreement dated April 15, 1981 and the amendment thereto dated March 1, 1982, are hereby completely revoked and superseded.

ARTICLE 1. The name of the Library shall be "The Houston Academy of Medicine - Texas Medical Center Library" (hereinafter referred to as "the Library.")

ARTICLE 2. The Library's mission is to support the activities and programs of its Participating Institutions as they relate to patient care, education, and research. The Library accomplishes its mission first, by collecting journals, books, and other library materials in clinical medicine and the health sciences; second, by organizing and disseminating information in all formats; and third, by providing instruction in the management of

information using state-of-the-art technology. Through its cooperative programs the Library is an important resource for the state of Texas and for the entire nation.

**ARTICLE 3.** It being agreed by the parties hereto that the joint governance of the Library by the Participating Institutions will best serve the furtherance of the purpose for which it is organized, it is hereby agreed that the responsibility for the continued development of the Library shall be in accordance with the following provisions.

**ARTICLE 4.** A Library Board shall be constituted as the Library's governing board. Recognizing that the best interests of the Library will be served by having each Participating Institution represented on the governing board that oversees the continuing development of the Library, it is agreed that the Library Board shall be composed of two representatives from the Academy, three representatives from Baylor, three representatives from The University, one representative from TWU, and one representative from the Center.

**ARTICLE 5.** The Library Board shall have the following authority and responsibilities:

a. The Library Board shall be the governing body of the Library.

b. The Library Board shall appoint the Executive Director, and shall empower the Executive Director with such rights and responsibilities with respect to the operations of the Library as the Library Board deems appropriate. The Library Board will monitor and review the performance of the Library's management and the responsiveness and quality of the Library's operations; it shall assure that adequate financial controls are maintained; and it shall determine the compensation and benefits of the Library's Executive Director.

c. The Library Board shall approve an annual budget for the Library.

**ARTICLE 6.** The title to that property of the Library which was owned by one of the Participating Institutions on December 2, 1970, shall remain the property of such Institution. The title to all property of the Library acquired after December 2, 1970, and all future acquisitions, shall be vested in the Participating Institutions in a proportionate way as is determined by the Library Board.
ARTICLE 7. The level of support by each institution for the general maintenance and operation of the Library shall be determined by the Library Board.

ARTICLE 8. Each Participating Institution recognizes a continuing financial responsibility for the maintenance, operation, and upkeep of the Library commensurate with its utilization thereof and benefit derived therefrom, both potential and actual. Accordingly, each Participating Institution agrees to cooperate fully with the Library Board and with each other in using its best efforts to solicit financial participation from other user institutions both within and without the Texas Medical Center, from the lay community, charitable foundations or trusts, and other appropriate sources. All donations made for the use, benefit, and purposes of the Library shall come under the control of the Library Board.

ARTICLE 9. The needs of the Participating Institutions and other supporting institutions shall serve as the primary basis for determining the scope of the operations of the Library and its expansion and growth.

ARTICLE 10. Each Participating Institution shall be fully responsible for its members, students, faculty, and employees in their relationships with the Library.

ARTICLE 11. The Board shall require a written Annual Report from the Executive Director.

ARTICLE 12. The Library Board has the authority to designate a legal agent and representative of the Library Board for the application for grants and for the receipt of grants, contracts, or gifts from federal government sources including, but not limited to, the National Institutes of Health, the National Library of Medicine, other agencies of the federal government, for both operating and capital funds.

ARTICLE 13. In the event a Participating Institution withdraws from this agreement, it shall be entitled to any property to which it has title in accordance with Article 6 and a settlement, if any, will be determined in negotiations between the Library Board and the withdrawing institution.

ARTICLE 14. Notwithstanding anything contained in this agreement to the contrary, for so long as is required under Part B of Title VII of the Public Health Service Act for Construction of Teaching Facilities for Medical, Dental and other Health Personnel, 42 U.S.C.A. § 293 et. seq. (1971) and Title 42
C.F.R. Part 57, Subpart B, Grants for Construction of Teaching Facilities for Health Professions Personnel, with respect to securing federal funding for renovation of, and construction of a library addition to, the Jesse H. Jones Library Building, it is agreed that at all times Baylor and The University shall have together a majority in interest on the Board.

**ARTICLE 15.** The annual payment from the Library to the Houston Academy of Medicine for the Library’s exclusive use of library space in the Jesse H. Jones Library Building, located at 1133 M.D. Anderson Boulevard, Houston, Texas 77030 will be divided into two amounts as follows:

1) An amount equal to the Library’s total rentable square feet multiplied by $7.26. The rate of $7.26 per square foot shall be adjusted annually (either up or down, according to appropriate audit figures) effective September 1, 1983, by a percentage amount equal to the change in actual operating costs for the entire building over the two preceding calendar years. For example, the 1983/84 rate per square foot will be set effective September 1983 by the percent change in operating costs between the years January - December 1981 and January - December 1982.

2) An amount equal to $1.00 per square foot per year will be placed into a restricted building reserve fund to be set aside in a separate designated account for building additions or replacements of a capital nature. All investment income from the fund shall accrue to the fund. Moneys shall be removed from this account as described in the section "Operation of the Restricted Reserve Fund" in the report "Proposed Rate Structure for the Jesse Jones Library Building" dated August 10, 1981, and revised November 2, 1981. The Library will be billed annually at the end of each fiscal year (August 31) for the amount needed to bring the Restricted Capital Improvement fund to its maximum of $100,000.

There will be a ceiling of $100,000 placed on the restricted building reserve fund. Upon reaching this ceiling, all payments as described in number two (2) above will cease. Such payments shall not be paid in the future until the amount of the fund drops below the ceiling. This ceiling shall increase by $50,000 each time the consumer price index...
increases by the equivalent of 50% over the published rate at January 1, 1982. Within 90 days after year end, there will be a complete accounting to the Library of all moneys added to and disbursed from the restricted reserve fund.

ARTICLE 16. Amendments to this Operating Agreement shall be adopted by the Library Board subject to ratification by the chief executive officer or other appropriate representative from each Participating Institution.

ARTICLE 17. This Operating Agreement is a fully integrated agreement, and no parol agreement of any kind shall modify, expand, or in any way affect the terms hereof.

President, University of Texas Health Science Center at Houston

President, University of Texas System Cancer Center
President Howe reports that, in cooperation with the staff of the Office of Facilities Planning and Construction, the administrative officers of the U. T. Health Science Center - San Antonio have selected a site tract of 50 acres within the Texas Research Park (which is located in Bexar and Medina Counties) to be the location for the construction of the initial research facility for The University of Texas Health Science Center at San Antonio.

In accordance with the Letter of Understanding dated October 10, 1984, as amended on April 11, 1986, U. T. System Administration, on behalf of the U. T. Health Science Center - San Antonio, plans to formally notify the Texas Research and Technology Foundation of the site selection and of the election to have the Foundation construct and deliver to the U. T. System a completed research facility located on the site tract, complete with equipment, having a total value of at least $10 million.

The Office of General Counsel, in cooperation with the Office of Facilities Planning and Construction, the administrative staff of the U. T. Health Science Center - San Antonio and counsel for the Foundation, will develop a letter of agreement providing for the U. T. System's approval of the plans and specifications for the construction of the facility, oversight of the construction process, and the conditions of acceptance of donation of the completed facility by the Texas Research and Technology Foundation to the U. T. Board of Regents.

BACKGROUND INFORMATION

In October 1984, the U. T. Board of Regents entered into a Letter of Understanding with the Texas Research and Technology Foundation and other parties to provide for the establishment of a research facility for the U. T. Health Science Center - San Antonio. Pursuant to an amendment to the Letter of Understanding in April 1986, the research facility will be located in the Texas Research Park on land donated by Concord Oil Company, San Antonio, Texas, to the Foundation. The ongoing fund raising efforts by the Foundation have resulted in substantial contributions in support of the research facility, including the gift by Mr. H. Ross Perot, Dallas, Texas, of $15 million in March 1987. In accordance with the Letter of Understanding, the Foundation will provide for construction of the initial facility on the designated site tract and will donate the land and the completed $10 million research facility to the U. T. Board of Regents for the benefit of the U. T. Health Science Center - San Antonio, along with $3 million in cash to create a permanent endowment for the support of the research facility. Completion of the facility is scheduled for the summer of 1989.
7. U. T. Health Science Center - San Antonio (U. T. Dental School - San Antonio): Request for Authorization to Establish a Master of Science Degree in Endodontics and to Submit the Proposed Degree to the Coordinating Board for Approval (Catalog Change).--

RECOMMENDATION

The Office of the Chancellor concurs with the request by President Howe for authorization to establish a Master of Science Degree in Endodontics at the U. T. Dental School - San Antonio and to submit the proposed degree to the Coordinating Board after Regental approval.

BACKGROUND INFORMATION

The Graduate Faculty Council of the U. T. Health Science Center - San Antonio unanimously approved the request to establish a Master of Science Degree Program in Endodontics in the U. T. Dental School - San Antonio. A program in endodontics has been in existence as a postdoctoral certificate program since the Coordinating Board approved the program in July 1981. The proposed masters degree will provide students the option of conducting research and completing a thesis to meet requirements for a Master of Science degree or the option of receiving a certificate for completed coursework in endodontics. The Commission on Accreditation of Dental and Dental Auxiliary Educational Programs of the American Dental Association approved the postdoctoral certificate program in 1981.

The program will offer advanced education and training to current dental school graduate students, dentists in private practice, and dentists who are completing service obligations. There are only 20 board certified endodontists listed by the American Board of Endodontics residing in Texas. Of this group, five live in Texas because of active military assignments and seven are full-time endodontic educators. The remaining live in large metropolitan areas leaving significant regions of the state without an endodontic specialist.

This program will not require additional space, equipment, or personnel. The basic science and clinical faculty will not increase since students enrolled in the degree program will take the same courses as certificate students.

Upon Regental approval, the Minute Order will reflect that the next appropriate catalog published at the U. T. Health Science Center - San Antonio will be amended to reflect this action.
The Office of the Chancellor concurs with the request by President Howe to change the name of the allied health programs to departments at the U. T. Allied Health Sciences School - San Antonio and to submit the proposed change to the Coordinating Board as an administrative change upon Regental approval. The following list reflects the requested changes:

<table>
<thead>
<tr>
<th>Current Programs</th>
<th>Proposed Department</th>
</tr>
</thead>
<tbody>
<tr>
<td>Dental Assisting Education</td>
<td>Department of Dental Assisting</td>
</tr>
<tr>
<td>Dental Hygiene Education</td>
<td>Department of Dental Hygiene</td>
</tr>
<tr>
<td>Dental Laboratory Technology Education</td>
<td>Department of Dental Laboratory Technology</td>
</tr>
<tr>
<td>Medical Technology Education</td>
<td>Department of Medical Technology</td>
</tr>
<tr>
<td>Occupational Therapy Education</td>
<td>Department of Occupational Therapy</td>
</tr>
<tr>
<td>Physical Therapy Education</td>
<td>Department of Physical Therapy</td>
</tr>
<tr>
<td>Emergency Medicine Services</td>
<td>Department of Emergency Medicine Services</td>
</tr>
</tbody>
</table>

The Allied Health Faculty Council and the Executive Committee of the U. T. Health Science Center - San Antonio have approved the request to change the name of the allied health programs to departments. The proposed structure conforms with other administrative units within the Health Science Center.

The Coordinating Board reviewed the proposed change as a non-substantive administrative change and recommended that it be resubmitted as a substantive administrative change after approval by the U. T. Board of Regents.

The proposed change does not require an increase in space, faculty, or other resources. There will be no additional cost related to this change.

Upon Regental approval, the Minute Order will reflect that the next catalog published at the U. T. Health Science Center - San Antonio will be amended to conform to this action.
9. U. T. Health-Related Institutions: Proposed Nominees to Development Boards and Advisory Councils (NO PUBLICITY UNTIL ACCEPTANCES ARE RECEIVED).—

U. T. Health Science Center - Dallas: Development Board; U. T. Medical Branch - Galveston: Development Board and School of Allied Health Sciences and School of Nursing Advisory Councils;

U. T. Health Science Center - Houston: Development Board and Speech and Hearing Institute Advisory Council;

U. T. Health Science Center - San Antonio: Development Board and Medical School and Nursing School Advisory Councils;

U. T. Cancer Center: University Cancer Foundation Board of Visitors; and

U. T. Health Center - Tyler: Development Board

RECOMMENDATION

The Office of the Chancellor concurs with the recommendation of the appropriate chief administrative officer that the U. T. Board of Regents approve the appointments to the development boards and advisory councils of the health-related institutions of The University of Texas System as set forth on Pages HAC 31 - 39. Terms on the development boards and advisory councils expire regularly on August 31 of each year.

In accordance with usual procedures, no publicity will be given to these nominations until the acceptances are received and reported for the record at a subsequent meeting of the U. T. Board of Regents.
THE UNIVERSITY OF TEXAS

Buildings and Grounds Committee
Date: June 11, 1987
Time: Following the meeting of the Health Affairs Committee
Place: Lobby, University Center, U. T. Tyler

1. U. T. Arlington - Key's Apartments: Request for Authorization to Purchase; Issuance of Revenue Bonds; and Appropriation Therefor

2. U. T. Austin: Balcones Research Center - Recommendation to Grant a 3.0596 Acre Easement for Water and Wastewater to the City of Austin

3. U. T. Austin: Balcones Research Center - Recommendation to Approve a Ground Lease to The Burke Group, Houston, Texas, for a Tract of Land Located at the Northeast Corner of MOPAC (Loop 1) and Highway 183, Austin, Travis County, Texas

4. U. T. Austin - Facilities Improvements for School of Architecture - Remodeling and Expansion of Goldsmith Hall and Site Development (Project No. 102-496): Request for Approval of Plaque Inscription

5. U. T. Austin - Recreational Sports Facilities - Phase I (Project No. 102-596): Presentation of Preliminary Plans; Request for Authorization to Prepare Final Plans; and Additional Appropriation Therefor

6. U. T. El Paso - Former Main Library Building - Remodeling for Department of Geological Sciences; Request for Project Authorization; Appointment of Project Architect to Prepare Preliminary Plans; and Appropriation Therefor

8. U. T. Medical Branch - Galveston - Remodeling of John Sealy Hospital (Old Building) - Remodeling of Sixth, Seventh and Eighth Floors (Project No. 601-655): Request for Authorization to Include a Two-Level Addition to John Sealy Hospital North Addition within the Scope of the Project; Submission of the Addition to the Coordinating Board; Request for Approval of Final Plans; Authorization to Advertise for Bids and for Executive Committee to Award Contract
9. U. T. Medical Branch - Galveston: Request for Authorization to Negotiate and Execute Ground Lease with Shriners Hospitals; Acceptance of Gifts of Property from The Sealy & Smith Foundation; Authorization for Project to Construct a New Parking Structure; Appointment of Project Architect to Prepare Preliminary Plans and Cost Estimates; Appropriation for Fees and Administrative Expenses; Authorization to Negotiate and Execute Easements; and Authorization for Submission to Coordinating Board as Required

10. U. T. Medical Branch - Galveston - Expansion of Thermal Energy Plant (Project No. 601-657): Presentation of Preliminary Plans; Authorization for Submission to Coordinating Board; Authorization to Complete Final Plans, to Advertise for Bids, and for Executive Committee to Award Contracts; and Additional Appropriation Therefor

1. U. T. Arlington - Key's Apartments: Request for Authorization to Purchase; Issuance of Revenue Bonds; and Appropriation Therefor.--

RECOMMENDATION

The Office of the Chancellor concurs with the recommendation of President Nedderman that the U. T. Board of Regents:

a. Authorize the purchase of 1.704 acres of land and improvements (Key's Apartments) out of the O. Medlin Survey, Abstract No. 1043, City of Arlington, Tarrant County, Texas, at a cost of $1,700,000 for U. T. Arlington

b. Authorize the issuance of $1,150,000 of Revenue Bonds pledging the net income of the facility for the retirement of the debt ($150,000 to be set aside in Debt Service Reserve)

c. Appropriate $700,000 from U. T. Arlington General Use Fee Balance to be added to Revenue Bond Proceeds for the purchase of the facility.

This item requires the concurrence of the Academic Affairs and Finance and Audit Committees.

BACKGROUND INFORMATION

For several years U. T. Arlington Administration has been negotiating with the owners of the Key's Apartments to purchase the facility for use as student housing. The eighty-four unit, 96-bed facility is located at 412 South Cooper adjacent to the University Bookstore. The property is legally described as being 1.704 acres of land out of the O. Medlin Survey, Abstract No. 1043, City of Arlington, Tarrant County, Texas. The purchase price of the property, $1,700,000, is within the limits of two appraisals on file.

This facility will provide student housing and also the needed right-of-way for the Cooper Street Modification. The Texas Department of Highways and Public Transportation is withholding any commitment for their portion of the Cooper Street Project until all right-of-way has been obtained and requires that there be no cost for right-of-way for Farm to Market roads constructed or repaired. Cooper Street is Farm to Market Highway 157.

This property is within the boundaries authorized by the Texas Legislature for purchase by U. T. Arlington.
2. U. T. Austin: Balcones Research Center - Recommendation to Grant a 3.0596 Acre Easement for Water and Wastewater to the City of Austin.--

RECOMMENDATION

The Office of the Chancellor concurs with the recommendation of President Cunningham for approval to grant a 3.0596 acre easement for water and wastewater at the U. T. Austin Balcones Research Center to the City of Austin. The consideration for granting this easement is $80,000.

BACKGROUND INFORMATION

It has been the policy of the U. T. Board of Regents to furnish to the City of Austin utility easements which provide direct benefit to the University. The proposed easement provides potential long-range value to U. T. Austin. The city and developers in the Balcones area will have immediate use of the proposed water and wastewater line. The loss of future opportunity to develop the land which is crossed by the easement and the imposition of capital recovery fees on the University justifies the University's receiving payments for the proposed easement.

3. U. T. Austin: Balcones Research Center - Recommendation to Approve a Ground Lease to The Burke Group, Houston, Texas, for a Tract of Land Located at the Northeast Corner of MOPAC (Loop 1) and Highway 183, Austin, Travis County, Texas.--

RECOMMENDATION

The Office of the Chancellor concurs with the recommendation of President Cunningham to approve a ground lease to The Burke Group, Houston, Texas, for a tract of land located at the northeast corner of the intersection of MOPAC (Loop 1) and Highway 183 (Research Boulevard), Austin, Travis County, Texas (Balcones Research Center - U. T. Austin).

The terms of the triple-net lease are as follows: a ten-year term beginning June 1, 1987, ending May 31, 1997, with an annual base rent in the amount of $4,578 and annual CPI escalations, plus additional annual rent equal to 4% of range ball sales. Lessee will pay all taxes, insurance, and maintenance fees. In the event of cancellation of the lease by the University, U. T. Austin will reimburse The Burke Group for the University's pro rata share of unamortized improvement costs. The six-month notice of cancellation to Lessee provides no rent due upon the last month of operation.
BACKGROUND INFORMATION

The land will provide for a golf practice range sports center. The adjacent tract of land to the east, owned by the City of Austin, is being leased to the same operator to provide for the total range area.

RECOMMENDATION

The Office of the Chancellor concurs with the recommendation of President Cunningham that the U. T. Board of Regents approve the inscription set out below for a plaque to be placed on Facilities Improvements for School of Architecture - Remodeling and Expansion of Goldsmith Hall and Site Development at U. T. Austin. The inscription follows the standard pattern approved by the U. T. Board of Regents in June 1979.

REMODELING AND EXPANSION OF GOLDSMITH HALL
1986

BOARD OF REGENTS

Hans Mark
Chancellor, The University of Texas System
William H. Cunningham
President, The University of Texas at Austin

Thomas Booziotis & Associates
and Chartier Newton
Project Architect

J. A. Jones Construction Company
Contractor

BACKGROUND INFORMATION

A construction contract for the Remodeling and Expansion of Goldsmith Hall and Site Development at U. T. Austin was approved by the U. T. Board of Regents in June 1986. The building plaque is to be furnished and installed within the general construction contract.
The Office of the Chancellor concurs with the recommendation of President Cunningham that the U. T. Board of Regents:

a. Approve the preliminary plans and specifications for the Recreational Sports Facilities - Phase I at U. T. Austin at an estimated total project cost of $12,460,000 (not including cost of Project Analysis)

b. Authorize the Project Architect to prepare final plans and specifications to be presented to the U. T. Board of Regents at a future meeting

c. Appropriate $260,000 from Auxiliary Enterprise Balance for fees and administrative expenses through completion of final plans. Previous appropriations have been $270,000 from the same source.

This item requires the concurrence of the Finance and Audit Committee.

BACKGROUND INFORMATION

In accordance with authorization of the U. T. Board of Regents in October 1986, preliminary plans and a detailed cost estimate for the Recreational Sports Facilities - Phase I at U. T. Austin have been prepared by the Project Architect, F&S Partners, Incorporated, Dallas, Texas.

This project is the first phase of a proposed long-range program that will be accomplished in four phases to provide the recreational sports needs of the students, faculty and staff at U. T. Austin. This phase will provide a facility of approximately 120,000 gross square feet containing basketball, free weight, stationary weight, aerobics and handball courts. The estimated construction cost is $10,135,000 resulting in a unit cost of $84.46 per gross square foot. The estimated total project cost is $12,460,000.

This project is not part of the Capital Improvement Program. The assessment of a $20.00 per semester recreational sports fee was authorized by the 69th Legislature and approved by referendum of the student body. The fee is not to be levied until construction has been completed and the facility is available for use by the students. Revenue bonds are to be issued against the recreational sports fee to provide funding for the building project. It is contemplated that revenue bonds will be issued after final plans have been completed and after construction bids have been taken. The appropriations for fees from Auxiliary Enterprise Balances are made with the understanding that subject appropriations will be refunded from the bond proceeds when available.
FORMER MAIN LIBRARY BUILDING

THE UNIVERSITY OF TEXAS AT EL PASO

EXISTING SITE PLAN
6. U. T. El Paso - Former Main Library Building - Remodeling for Department of Geological Sciences; Request for Project Authorization; Appointment of Project Architect to Prepare Preliminary Plans; and Appropriation Therefor.

RECOMMENDATION

The Office of the Chancellor concurs with the recommendation of President Monroe that the U. T. Board of Regents:

a. Authorize a project for the remodeling of the former Main Library Building for the Department of Geological Sciences at U. T. El Paso

b. Appoint the firm of Carroll, DuSang, and Rand, El Paso, Texas, as Project Architect to prepare preliminary plans and a detailed cost estimate to be presented to the U. T. Board of Regents at a future meeting

c. Appropriate $300,000 from Permanent University Fund Bond Proceeds for fees and related project expenses through preparation of preliminary plans.

This item requires the concurrence of the Academic Affairs Committee.

BACKGROUND INFORMATION

The former Main Library Building has been vacant since the new central Library opened in November 1985. Several proposals for its use have been carefully reviewed by U. T. El Paso Administration and it has been determined that conversion to a specialized laboratory and office building for the Department of Geological Sciences is the most feasible and most economical use of the facility.

Previous Master Plan submissions called for a new laboratory and classroom building for the Departments of Geological Sciences and Chemistry. However, the old library building can be successfully remodeled to meet most of the programmatic needs of the Department of Geological Sciences and, subsequently, space vacated by the department can be remodeled to permit expansion of laboratories for chemistry and physics.

The Department of Geological Sciences is currently housed in seven different structures, many of which were constructed over 50 years ago and are minimally adequate for modern research laboratory needs. The department offers the only doctorate program at U. T. El Paso and is a leader in research dollars attracted, particularly in geophysical investigations.

The remodeled facility will provide the laboratory space necessary for modern equipment as well as space to house most, if not all, of the department's faculty in one building.
It should be noted that in spite of the decline of both the petroleum and metals industries in recent years, enrollment in the U.T. El Paso doctorate program has continued to increase. This proposal recognizes the geological sciences as the institution's leading academic program, and also meets the need for space for a growing research program.

The firm of Carroll, DuSang, and Rand, El Paso, Texas, has been previously involved in this building and their appointment is recommended as a way to expedite the project.

Planning related to the remodeling of the former library building at U.T. El Paso is within the scope of the Capital Improvement Program approved by the U.T. Board of Regents on January 14, 1987. Preliminary plans and detailed estimates of cost will be presented for consideration by the U.T. Board of Regents at a future meeting.

RECOMMENDATION

The Office of the Chancellor concurs with the recommendation of President Wagener that the U.T. Board of Regents:

a. Authorize emergency roof repairs for the John Peace Library Building and the Science Building by the U.T. San Antonio Administration with its own forces or through contract services, as required, at an estimated cost of $106,600

b. Reallocate $106,600 from Permanent University Fund Bond Proceeds Unexpended Balances from the U.T. San Antonio Campus Electric System Repairs (Project No. 401-600) for funding of the roof repairs.

This item requires the concurrence of the Finance and Audit Committee.

BACKGROUND INFORMATION

Major leaks are occurring in the roof of the John Peace Library Building and the roof of the Science Building at U.T. San Antonio and threaten serious damage to expensive equipment, books, files, carpeting and furniture. The U.T. San Antonio maintenance staff has made several attempts to repair these roof leaks during recent months. It now appears that large sections of the roofing material must be replaced entirely.

In October 1985, the U.T. Board of Regents authorized a project for Campus Electric System Repairs at U.T. San Antonio (Project No. 401-600) and appropriated $515,000 from Permanent University Fund Bond Proceeds within the scope of the Capital Improvement Program for Repair and Rehabilitation.
Through judicious award of contracts and use of Physical Plant personnel, the electrical system repairs have been completed with approximately $120,000 remaining in the account. U. T. San Antonio administration has requested approval to use these remaining funds for the emergency roof repairs.

This reallocation of savings from the utilities project would normally have been added to the System-wide reserve for subsequent reallocation. However, since immediate repair or replacement of these roofs is needed, and since the allocation of the System-wide reserve is not planned until the August meeting, the Office of the Chancellor recommends this direct reallocation to the roof replacement project. The institution has assured the Office of the Chancellor that the roof replacement project would be the highest priority project at U. T. San Antonio for repair and rehabilitation funding.

8. U. T. Medical Branch - Galveston - Remodeling of John Sealy Hospital (Old Building) - Remodeling of Sixth, Seventh and Eighth Floors (Project No. 601-655): Request for Authorization to Include a Two-Level Addition to John Sealy Hospital North Addition within the Scope of the Project; Submission of the Addition to the Coordinating Board; Request for Approval of Final Plans; Authorization to Advertise for Bids and for Executive Committee to Award Contract.--

RECOMMENDATION

The Office of the Chancellor concurs with the recommendation of President Levin that the U. T. Board of Regents:

a. Authorize a two-level addition to the John Sealy Hospital North Addition to be bid and constructed as part of the project for Remodeling of John Sealy Hospital (Old Building) - Remodeling of Sixth, Seventh and Eighth Floors at the U. T. Medical Branch - Galveston all within the previously authorized total project cost of $8,350,000

b. Authorize submission of the two-level addition to the Coordinating Board, Texas College and University System

c. Approve final plans and specifications for the Remodeling of John Sealy Hospital (Old Building) - Remodeling of Sixth, Seventh and Eighth Floors (including addition to John Sealy Hospital North Addition) at an estimated total project cost of $8,350,000

d. Subject to Coordinating Board approval, authorize the Office of Facilities Planning and Construction to advertise for bids upon completion of final review

e. Authorize the Executive Committee to award all contracts associated with this project within the authorized total project cost.

This item requires the concurrence of the Health Affairs Committee.
In February 1987, the U. T. Board of Regents authorized preparation of final plans for the Remodeling of the Sixth, Seventh and Eighth Floors of John Sealy Hospital (Old Building) at an estimated total project cost of $8,350,000. The final plans and specifications have been completed by the Project Architect, Page Southerland Page, Houston, Texas.

The Remodeling of the Sixth, Seventh and Eighth Floors involves approximately 54,000 square feet and will provide research laboratories and faculty offices.

The addition to the John Sealy Hospital North Addition will provide approximately 27,000 square feet of new space at the third and fourth levels. There are adequate funds in The Sealy & Smith Foundation grant for the project to allow for this addition to the project.

Surgical operating room procedures continue to increase at the U. T. Medical Branch - Galveston and reflect the increasing care required for inpatients. In addition, the heavy utilization of operating room time for Texas Department of Corrections inmates has further compounded the problem of operating room availability. New operating rooms are needed and must be constructed in the immediate proximity to the current surgical suite. This can be accomplished if some of the current surgical support functions are relocated to new construction at the third and fourth levels. Construction of the two new levels as a part of the remodeling project will avoid doubling the time when operating rooms will be disrupted and be less expensive than two separate contracts.

The Remodeling of the Sixth, Seventh and Eighth Floors are a part of the phased remodeling of the 1954 sector of the John Sealy Hospital as authorized by the U. T. Board of Regents in February 1974. The authorization for the remodeling predated the requirements for Coordinating Board review. The addition to the John Sealy Hospital North Addition is new construction and outside the scope of the authorization for remodeling. Consequently, the new addition should be submitted to the Coordinating Board for consideration.

The estimated total project cost, including the two-level addition to the North Addition, is within the previously appropriated $8,350,000 from The Sealy & Smith Foundation grant.
9. U. T. Medical Branch - Galveston: Request for Authorization to Negotiate and Execute Ground Lease with Shriners Hospitals; Acceptance of Gifts of Property from The Sealy & Smith Foundation; Authorization for Project to Construct a New Parking Structure; Appointment of Project Architect to Prepare Preliminary Plans and Cost Estimates; Appropriation for Fees and Administrative Expenses; Authorization to Negotiate and Execute Easements; and Authorization for Submission to Coordinating Board as Required.--

RECOMMENDATION

The Office of the Chancellor concurs with the recommendation of President Levin that the U. T. Board of Regents:

a. Authorize the Office of the Chancellor, the U. T. Medical Branch - Galveston Administration, and the Office of General Counsel to complete negotiations with the Shriners Hospitals on a 99-year ground lease at a nominal rent of $1.00 per year, to enable construction by the Shriners of a new Shriners Burns Institute on one-half block of land on the south side of Market Street between Eighth and Ninth Streets in Galveston, for subsequent approval of the U. T. Board of Regents through appropriate procedures

b. Accept, subject to negotiation and purchase by The Sealy & Smith Foundation, donation of the present Shriners Burns Institute building and property

c. Accept, subject to negotiation and purchase by The Sealy & Smith Foundation, donation of land near the new Shriners Burns Institute site for construction of a parking facility

d. Authorize a project for the construction of a new 600-space parking garage and demolition of the existing smaller parking structure with U. T. Medical Branch - Galveston auxiliary funds and interest from prior Sealy & Smith Foundation construction grant funds; and appropriate $250,000 from those funds for fees and administrative expenses through completion of preliminary plans

e. Appoint the firm of Louis Lloyd Oliver and Tibor Beerman, Galveston, Texas, as Project Architect for the new parking structure, to prepare preliminary plans and a detailed cost estimate, to be presented to the U. T. Board of Regents at a future meeting

f. Authorize the Office of the Chancellor, the U. T. Medical Branch - Galveston Administration, and the Office of General Counsel to negotiate with all necessary parties to obtain a pedestrian bridge easement over Market Street and to grant a pedestrian bridge easement connecting the Child Health Center and the John Sealy Hospital with the new Shriners Burns Institute; and authorize the Executive Vice Chancellor for Health Affairs to execute the necessary easements
g. Authorize submission to the Coordinating Board, Texas College and University System those actions requiring approval by the Coordinating Board.

This item requires the concurrence of the Health Affairs Committee.

BACKGROUND INFORMATION

The Shriners Hospitals desire to construct a new $40 million Shriners Burns Institute adjacent to the U. T. Medical Branch - Galveston. Studies have determined the most desirable location for the new burn facility to be a site on the south side of Market Street between Eighth and Ninth Streets on which a U. T. Medical Branch - Galveston parking garage is presently located. This site is as close to the John Sealy Hospital and the Child Health Center as possible without disrupting or hindering the functions of the U. T. Medical Branch - Galveston. An enclosed pedestrian bridge is to be constructed across Market Street by The Sealy & Smith Foundation at a projected cost of $2 million to connect the new Shriners Burns Institute with the Child Health Center and the John Sealy Hospital.

The Shriners Burns Institute proposes to lease the Market Street site from the U. T. Board of Regents for 99 years for $1.00 per year. If, after a minimum of 20 years of occupancy, the Shriners should cease operating the facility as a children's hospital, the Shriners would have the right to offer to assign the leasehold estate to The Sealy & Smith Foundation. If The Sealy & Smith Foundation accepted the assignment, the Foundation would buy the building at a negotiated price not to exceed 80% of the then fair market value. If the Foundation refuses the assignment, the Shriners would have the right to sell the building to any third party purchaser, subject to prior negotiation of a new ground lease by the third party with the U. T. Board of Regents.

Constructing the burn facility on this site will necessitate demolition of an existing 420-space parking garage and the construction of a larger parking garage by U. T. Medical Branch - Galveston. The Sealy & Smith Foundation has made a commitment to purchase and donate land near the new Shriners Burns Institute as a site for the new parking garage, designed for 600 spaces, 200 of which will be reserved for Shriners Burns Institute employees and visitors. The U. T. Medical Branch - Galveston will receive from the Shriners approximately $10,000 annually toward maintenance of this facility. The new parking structure will be constructed with the necessary piling support to enable future upward expansion by the Shriners.

The U. T. Medical Branch - Galveston Administration requests that the firm of Louis Lloyd Oliver and Tibor Beerman, Galveston, Texas, be appointed as Project Architect. This firm has designed other high-rise parking structures on the U. T. Medical Branch - Galveston campus and is familiar with the requirements and operations of the U. T. Medical Branch - Galveston.
The Sealy & Smith Foundation, which has played a critical role in the successful negotiations with the Shriners for the location of the new hospital in Galveston, has committed to purchase the existing Shriners Hospital building from the Shriners for $6 million. The Sealy & Smith Foundation will donate the building, and the underlying property which is presently owned by the Foundation, to the U. T. Medical Branch - Galveston.

10. U. T. Medical Branch - Galveston - Expansion of Thermal Energy Plant (Project No. 601-657): Presentation of Preliminary Plans; Authorization for Submission to Coordinating Board; Authorization to Complete Final Plans, to Advertise for Bids, and for Executive Committee to Award Contracts; and Additional Appropriation Therefor.--

RECOMMENDATION

The Office of the Chancellor concurs with the recommendation of President Levin that the U. T. Board of Regents:

a. Approve preliminary plans for expansion of the existing thermal energy plant at the U. T. Medical Branch - Galveston at an estimated total project cost of $9,250,000

b. Authorize submission of the project to the Coordinating Board, Texas College and University System

c. Authorize the Project Engineer to complete final plans

d. Subject to approval of the Coordinating Board, authorize the Office of Facilities Planning and Construction to advertise for bids and the Executive Committee to award construction contracts within the authorized total project cost

e. Appropriate $2,000,000 from Permanent University Fund Bond Proceeds and $7,150,000 from U. T. Medical Branch - Galveston Local Funds for total project funding. Previous appropriations have been $100,000 from U. T. Medical Branch - Galveston Local Funds.

This item requires the concurrence of the Finance and Audit Committee.

BACKGROUND INFORMATION

In accordance with authorization of the U. T. Board of Regents in August 1986, preliminary plans and a detailed cost estimate for expansion of the thermal energy plant and distribution system at the U. T. Medical Branch - Galveston have been prepared by the Project Engineer, Lockwood, Andrews and Newnam, Inc., Houston, Texas.
This project will increase the cooling capacity of the existing energy plant with the installation of two new 3,700 ton chillers, two new cooling towers and associated electrical switchgear. The campus distribution system will also be expanded to serve proposed new construction and existing facilities not currently connected to the system.

The cooling loads on the existing thermal energy plant are nearing maximum production capability. Several of the existing chillers are twenty-five years old, inefficient and costly to operate and maintain. Addition to the thermal energy distribution system will permit looping of the system and provide service to future building sites. At the same time, reliability of the distribution system will be improved by the ability to supply buildings from two directions.

Installation of cogeneration equipment is not included in the preliminary plans for this phase of the project, pending action of the Legislature on the distribution of oil overcharge funds. However, if grant funds are made available by the Legislature, cogeneration equipment can and will be added to the project. The grant funds would come from refunds to the State by oil companies that have overcharged customers.

This project will be submitted to the Coordinating Board, Texas College and University System, for consideration at its July 1987 meeting.

This project is within the scope of the Capital Improvement Program, at an estimated total project cost of $9,250,000, and was approved by the U. T. Board of Regents on January 14, 1987. The appropriations requested conform with the funding approved for the entire project in the Capital Improvement Program.

RECOMMENDATION

The Office of the Chancellor concurs with the recommendation of President LeMaistre that the U. T. Board of Regents:

a. Authorize a project for the construction of an additional laboratory building at the U. T. Cancer Center Research Division of the U. T. Science Park at Smithville at an estimated total project cost of $4,000,000

b. Appoint a Project Architect from the list set forth on Pages B&G 15 - 16 to prepare preliminary plans and a detailed cost estimate to be presented to the U. T. Board of Regents at a future meeting.

This item requires the concurrence of the Health Affairs Committee.
The expansion of research laboratory facilities at the Research Division of the U. T. Science Park is needed to support ever expanding and broad-based research programs in carcinogenesis, chemoprevention and mutagenesis. The research relating to cellular and molecular mechanisms involved in carcinogenesis is particularly exciting and appears most promising. Since 1983, federally sponsored research grants and contract support have more than doubled from $2.1 million to $4.3 million. In addition to space needed to accommodate these research programs, space is also badly needed to expand the existing animal care facilities to remedy present deficiencies by providing separate quarantine areas, pathogen-free housing and a dedicated receiving area for animals. In so doing, the animal care facility of the Research Division will comply fully with the new National Institutes of Health guidelines for the care and use of laboratory animals.

The proposed facility will be a two-story structure of approximately 35,000 square feet, of which 25,000 square feet will be dedicated to laboratories, environmental rooms, equipment rooms, 2,000 square feet for the expanded animal care facilities and the balance for central receiving, warehouse and appropriate support for existing service related functions.

The estimated total project cost for the additional laboratory facilities is $4,000,000. In August 1986, the U. T. Board of Regents appropriated $2,000,000 for this project from U. T. Cancer Center Unappropriated Balance (Executive Committee Letter 86-23). In addition to this appropriation, the U. T. Cancer Center is the beneficiary of a grant of $1,000,000 from the Ralph and Lillian Meadows Trust, which was accepted by the U. T. Board of Regents in February 1987. The trustors have indicated that this grant is to be used as a challenge gift to encourage the Friends of the Science Park to secure funds in an equal amount to complete total funding for this project.

B&G - 16
Land and Investment Committee
LAND AND INVESTMENT COMMITTEE
Committee Vice-Chairman Blanton

Date: June 11, 1987
Time: Following the meeting of the Buildings and Grounds Committee
Place: Lobby, University Center, U. T. Tyler

I. Permanent University Fund

Investment Matters

1. Report on Clearance of Monies to Permanent University Fund for March and April 1987 and Report on Oil and Gas Development as of April 30, 1987

2. U. T. Board of Regents: Proposed Amendment to Regents' Rules and Regulations, Part Two, Chapter IX, Section 1.1 (Authority to Purchase, Exchange, and Sell Securities for the PUF and the Board)

II. Trust and Special Funds

A. Gifts, Bequests and Estates

U. T. SYSTEM

1. Recommendation to Accept Bequest to Establish the Laurence E. Baker Memorial Scholarship Fund

2. Recommendation to Accept Gift to Establish the N. David Hachar Endowment

3. Recommendation to Accept Gift and Transfer of Funds to Establish the Thos. H. Law Endowment

4. Recommendation to Accept Gift and Corporate Matching Funds to Establish the Thomas H. Shelby, Jr. Endowment

U. T. ARLINGTON

5. Rudolf Hermanns UT Arlington Endowment Fund for Excellence - Recommendation to Accept Gift and Transfer of Funds to Establish the Rudolf Hermanns Endowment for The Liberal Arts - Webb Lectures

6. Recommendation to Accept Transfer of Funds to Establish the Social Work Endowment
7. Recommendation to Accept Gift to Establish the John Buck Company and First Chicago Investment Advisors for Fund P Endowed Scholarship in Architecture in the School of Architecture

8. Recommendation to Accept Gift and Corporate Matching Funds to Establish the Charles Raymond and Clinton Edward Burklin Endowment Fund in the College of Engineering

9. Recommendation to Accept Transfer of Funds to Establish the Center for the Study of American Architecture Endowment in the School of Architecture

10. Recommendation to Accept Gifts to Establish the C. C. and Lottie Mae Colvert Fellowship and Development Fund in the College of Education

11. Joanne Crosby Regents Chair - Recommendation to Redesignate as the Joanne Sharp Crosby Regents Chair in Design and Technology in the College of Fine Arts

12. Recommendation to Accept Challenge Grant and Transfer of Funds to Establish the Ewing and Worzel Graduate Fellowship in the Institute for Geophysics in the College of Natural Sciences

13. Foley's/Sanger Harris Centennial Professorship in Retail Merchandising in the College of Business Administration and the Graduate School of Business - Recommendation to Redesignate as the Foley's-Federated Professorship in Retailing

14. Recommendation to Accept Gift and Transfer of Funds to Establish the Clay B. Frederick-Roehm and Haas Endowment for Seminar Speakers and Graduate Student Travel in the College of Natural Sciences

15. Recommendation to Accept Transfer of Funds to Establish the Friend of Alec Excellence Fund in the College of Engineering

16. Recommendation to Accept Gift to Establish the Anna Nauwald King Endowed Scholarship in the College of Liberal Arts
17. Recommendation to Establish the Sam Neathery Endowment in the School of Law

18. Recommendation to Accept Gift to Establish the Peter O'Donnell, Jr. - Friend of Alec Excellence Fund in the College of Engineering

19. The Pearl M. Riggs Endowed Scholarship in Education in the College of Education - Recommendation to Accept Additional Gift and Corporate Matching Funds and Redesignate as the Pearl M. Riggs Endowed Presidential Scholarship in Education

20. Recommendation to Accept Gift to Establish the Frances Rather Seybold and Frances Randolph Rather Seybold Endowed Scholarship in the College of Liberal Arts

21. Silver Spurs Centennial Teaching Fellowship (No. 1) in the College of Liberal Arts - Recommendation to Accept Additional Gift and Eligibility for Matching Funds Under The Regents' Endowed Teachers and Scholars Program to Increase the Silver Spurs Centennial Teaching Fellowship (No. 2) in the College of Liberal Arts

22. Recommendation to Accept Transfer of Funds to Establish the Russell Upson Smith Family Endowment in the College of Engineering (No Publicity)

23. Recommendation to Accept Gift to Establish the Temple Teaching Fellowship in the Graduate School of Library and Information Science and Eligibility for Matching Funds Under The Regents' Endowed Teachers and Scholars Program

24. Pharmaceutical Foundation Fellowship in Psychiatric Pharmacy (No. 1) in the College of Pharmacy - Recommendation to Redesignate as the Neill B. Walsdorf Fellowship in Pharmacy

25. Recommendation to Accept a Gift of Real Property Located in Travis County, Texas, from Mr. Frank W. McBee, Austin, Texas; Authorize the Office of Asset Management to Negotiate the Sale; and Authorize the Executive Vice Chancellor for Asset Management to Execute All Documents Pertaining to the Sale
U. T. DALLAS

26. Cecil H. and Ida M. Green Honors Chair in the Natural Sciences - Recommendation to Accept Transfer of Funds to Establish the Cecil H. and Ida M. Green Endowed Lecture Series

U. T. EL PASO

27. Recommendation to Accept Gifts and Pledge to Establish the Dr. C. Sharp Cook Physics Professorship and Eligibility for Matching Funds Under the Texas Eminent Scholars Program

29. Recommendation to Accept Gift to Establish the Richard E. Dunlap Memorial Fund

30. Recommendation to Accept Gift to Establish the Dr. Michael L. Finerty Scholarship Fund

31. Recommendation to Accept Gift of Securities to Establish the Hazel Hervey Endowed Fund

32. Recommendation to Accept Gift to Establish the Wechter Fund for Business Administration

33. Recommendation to Accept a Gift of Land Located in Sunland Estates, Hudspeth County, Texas, from Mr. Robert P. Blocher, Carlisle, Pennsylvania; Authorize the Office of Asset Management to Negotiate the Sale; and Authorize the Executive Vice Chancellor for Asset Management to Execute All Documents Pertaining to the Sale

U. T. HEALTH SCIENCE CENTER - DALLAS

34. Recommendation to Accept Gift to Establish the Senator Betty and Dr. Andy Andujar Chair Fund and Eligibility for Matching Funds Under the Texas Eminent Scholars Program
35. Recommendation to Accept a Donation of Property in Dallas County, Texas, from Dr. Paul L. Richburg, Dallas, Texas; Authorize the Office of Asset Management to Negotiate the Sale, and Authorize the Executive Vice Chancellor for Asset Management to Execute All Documents Pertaining to the Sale

U. T. MEDICAL BRANCH - GALVESTON

36. Recommendation to Accept Gift and Pledge to Establish the E. Burke Evans Residents' Endowed Education Fund

U. T. HEALTH SCIENCE CENTER - HOUSTON

37. Mrs. Severin Knutson Eyeglass Fund - Recommendation to Transfer Income to the Elliott Fund

38. Recommendation to Accept a Gift of Interest in Real Property and Improvements Located in Harris County, Texas, from Packaged Food & Beverage Co., Inc., Clayton, Missouri

39. Recommendation to Accept Gift to Establish the Women of Rotary Club of Houston University of Texas Dental Branch Student Scholarship and Assistance Fund

B. Real Estate Matters

U. T. AUSTIN

1. Archer M. Huntington Fund - Recommendation to Increase the Ground Lease Rental Rate on 24 Bay Front Lots Located in Galveston County, Texas

2. Balcones Research Center - Recommendation to Amend Ground Lease Agreement on a Tract of Land Located at the Intersection of U. S. 183 and Braker Lane, Austin, Travis County, Texas, with The Southland Corporation, Dallas, Texas

3. Z. D. Bonner Professorship in Chemical Engineering in the College of Engineering - Recommendation to Approve the Sale of an Undivided Five Percent Partnership Interest in 137.9903 Acres, Sabine County, Texas; Authorize the Office of Asset Management to Negotiate the Sale; and Authorize the Executive Vice Chancellor for Asset Management to Execute All Documents Pertaining to the Sale
III. Other Matters

U. T. MEDICAL BRANCH - GALVESTON

Recommendation to (a) Authorize the Executive Vice Chancellor for Asset Management to Execute Administration Agreements for The John Sealy Hospital Special Fund, (b) Authorize the President of the U. T. Medical Branch - Galveston or His Designate to Represent the U. T. Board of Regents in the Periodic Joint Decision with The Sealy & Smith Foundation on the Payout Amount from The John Sealy Hospital Special Fund and The Biomedical Fund Part A, and (c) Designate The Sealy & Smith Foundation as Investment Manager for The John Sealy Hospital Special Fund and The Biomedical Fund Part A

2. U. T. Board of Regents: Proposed Amendment to Regents' Rules and Regulations, Part Two, Chapter IX, Section 1.1 (Authority to Purchase, Exchange, and Sell Securities for the PUF and the Board).

**RECOMMENDATION**

The Office of the Chancellor recommends that the Regents' Rules and Regulations, Part Two, Chapter IX, Section 1.1, concerning the authority to purchase, exchange, and sell securities be amended as set out below:

1.1 Authority to Purchase, Exchange, and Sell Securities for and on Behalf of the Permanent University Fund (hereinafter sometimes referred to as "PUF") and the Board.--The Chancellor, or his delegate, the Executive Vice Chancellor for Asset Management, and the Executive Director for Investments and Trusts are authorized to purchase, exchange, and sell any and all securities for and on behalf of the PUF or the Board, and to execute all related state government documents. In addition, [unaffiliated] external investment managers appointed by the Board of Regents may purchase, sell, or exchange securities, pursuant to written agreement with the Board of Regents, from funds designated from the PUF, [and] the Common Trust Fund [in-accordance-with-such manager's-contracts], the Medical Malpractice Self Insurance Fund, or any funds held in trust.

**BACKGROUND INFORMATION**

The proposed amendment allows external investment managers to be selected by the U. T. Board of Regents for all trust funds rather than for only the PUF and the Common Trust Fund. This amendment will be necessary to implement the related item on Page L&I - 33 which, in essence, would authorize The Sealy & Smith Foundation, Galveston, Texas, to purchase, exchange and sell securities for two trust accounts over which the U. T. Board of Regents exercises joint control with The Sealy & Smith Foundation.

II. TRUST AND SPECIAL FUNDS

A. GIFTS, BEQUESTS AND ESTATES

1. U. T. System: Recommendation to Accept Bequest to Establish the Laurence E. Baker Memorial Scholarship Fund.--

**RECOMMENDATION**

The Office of the Chancellor recommends acceptance of a bequest valued in excess of $750,000 from the Estate of Martha Hodgjin Baker, San Antonio, Texas, to establish the Laurence E. Baker Memorial Scholarship Fund at U. T. System.
Under terms specified in the Will of Ms. Baker, income from this endowment "shall be used annually to provide scholarships for deserving students, who are doing premedical work in the undergraduate school of The University of Texas, or who are medical students at any of the medical schools of The University of Texas, and who without such scholarships, might not be able to obtain a medical education."

BACKGROUND INFORMATION

Ms. Martha Hodgins Baker, who has no known affiliation with the U. T. System, wanted to do something for the community and prescribed in her Last Will and Testament the funding of a scholarship program to be named in honor of her late husband, Laurence E. Baker.

2. U. T. System: Recommendation to Accept Gift to Establish the N. David Hachar Endowment.--

RECOMMENDATION

The Office of the Chancellor recommends the acceptance of a $10,000 gift from Mr. Nicholas David Hachar, Jr., Laredo, Texas, to establish the N. David Hachar Endowment at the U. T. System.

Income earned from the endowment will be for the unrestricted use of the Chancellor.

BACKGROUND INFORMATION

Mr. Hachar received his B.A. in Arts and Sciences from U. T. Austin in 1935. He is currently a member of The Chancellor's Council.

3. U. T. System: Recommendation to Accept Gift and Transfer of Funds to Establish the Thos. H. Law Endowment.--

RECOMMENDATION

The Office of the Chancellor recommends the acceptance of a $10,000 gift from Mr. Thos. H. Law, Fort Worth, Texas, and a $1,000 transfer of previously reported gifts from current restricted funds for a total of $11,000 to establish the Thos. H. Law Endowment at the U. T. System.

Income earned from the endowment will be for the unrestricted use of the Chancellor.
Mr. Law, a former member of the U. T. Board of Regents, received his B.A. in Arts and Sciences in 1939 and his LL.B. in 1942 from U. T. Austin. He is currently with the law firm of Law, Snakard and Gambill in Fort Worth.

4. U. T. System: Recommendation to Accept Gift and Corporate Matching Funds to Establish the Thomas H. Shelby, Jr. Endowment.--

RECOMMENDATION

The Office of the Chancellor recommends the acceptance of a $2,500 gift from Mr. Thomas H. Shelby, Jr., Tyler, Texas, and $7,500 in corporate matching funds from Exxon Education Foundation, New York, New York, for a total of $10,000 to establish the Thomas H. Shelby, Jr. Endowment at the U. T. System.

Income earned from the endowment will be for the unrestricted use of the Chancellor.

BACKGROUND INFORMATION

Mr. Shelby received his M.A. in Geology from U. T. Austin in 1934. He is a member of The Chancellor's Council and The President's Associates at U. T. Austin.

5. U. T. Arlington: Rudolf Hermanns UTA Endowment Fund for Excellence - Recommendation to Accept Gift and Transfer of Funds to Establish the Rudolf Hermanns Endowment For The Liberal Arts - Webb Lectures.--

RECOMMENDATION

The Office of the Chancellor concurs with President Nedderman's recommendation to accept a $10,000 gift from Mr. C. B. Smith, Sr., Austin, Texas, and a $30,000 transfer of accumulated earnings from the Rudolf Hermanns UTA Endowment Fund for Excellence, for a total endowment of $40,000, to establish the Rudolf Hermanns Endowment For The Liberal Arts - Webb Lectures at U. T. Arlington.

In accordance with conditions of the Rudolph Hermanns Endowment, it is further recommended that the U. T. Board of Regents find: (a) that the lecture series will recognize appropriate U. T. Arlington or other academic lecturers (not in politics, religion, or sports) and (b) that the terms of administering the lecture series provide for a designated recipient (academic lecturer) to receive an award, grant, or honorarium only one time.
Income earned from the endowment will be used to provide core support (lecturer award, grant, honorarium, and/or expenses) for the operating expenses of presenting the annual Walter Prescott Webb Lectures, which have become an established tradition at U. T. Arlington.

BACKGROUND INFORMATION

The Rudolf Hermanns UTA Endowment Fund for Excellence was established at the February 1986 meeting of the U. T. Board of Regents with a bequest, estimated to be in excess of $1,500,000, from the Estate of Rudolf Hermanns, Arlington, Texas. Mr. Rudolf Hermanns came to the United States from West Germany and became involved in horticulture sales. He lived near the U. T. Arlington campus for twenty years where he watched the school's growth and was an active member in the college community.

Mr. C. B. Smith, Sr., an Austin businessman and philanthropist, has funded or assisted in the funding of numerous endowments at U. T. Austin. This donation is a continuation of his enhancement of history education within the U. T. System.

6. U. T. Arlington: Recommendation to Accept Transfer of Funds to Establish the Social Work Endowment.--

RECOMMENDATION

The Office of the Chancellor concurs with President Nedderman's recommendation to accept a $250,000 transfer of previously reported gifts from current restricted funds to establish the Social Work Endowment at U. T. Arlington.

Income earned from the endowment will be used to enhance the operation of the Graduate School of Social Work by providing matching funds for work-study students, competitive scholarships, faculty travel, and student recruitment.

BACKGROUND INFORMATION

Dean Glasser initiated the establishment of this endowment to support the operation of the Graduate School of Social Work at U. T. Arlington on a permanent basis.
7. **U. T. Austin: Recommendation to Accept Gift to Establish the John Buck Company and First Chicago Investment Advisors for Fund F Endowed Scholarship in Architecture in the School of Architecture.**

**RECOMMENDATION**

The Office of the Chancellor concurs with President Cunningham's recommendation to accept an $18,750 gift from the John Buck Company and the First Chicago Investment Advisors, both of Chicago, Illinois, to establish the John Buck Company and First Chicago Investment Advisors for Fund F Endowed Scholarship in Architecture in the School of Architecture at U. T. Austin.

Income earned from the endowment will be used to award scholarships to outstanding entering undergraduate students enrolled in the School of Architecture.

**BACKGROUND INFORMATION**

The John Buck Company and its financial supporters, the First Chicago Investment Advisors, are funding this endowment in honor of Mr. Thomas Beeby, a Chicago architect and professor of architecture at several universities. Mr. John A. Buck received his J.D. degree from the U. T. Austin School of Law in 1969.

8. **U. T. Austin: Recommendation to Accept Gift and Corporate Matching Funds to Establish the Charles Raymond and Clinton Edward Burklin Endowment Fund in the College of Engineering.**

**RECOMMENDATION**

The Office of the Chancellor concurs with President Cunningham's recommendation to accept a gift of 100 shares of Public Service Company of New Mexico common stock valued at $3,662.50 from Mr. C. Raymond Burklin, Houston, Texas, and $7,325 in corporate matching funds from Halliburton Foundation, Inc., Dallas, Texas, for a total of $10,987.50 to establish the Charles Raymond and Clinton Edward Burklin Endowment Fund in the College of Engineering at U. T. Austin.

Income earned from the endowment will be used to furnish and maintain the facilities of the designated room named in honor of the donor and his son.
BACKGROUND INFORMATION

This gift is part of a special private fund development campaign for the College of Engineering in accordance with Part One, Chapter VII, Section 2, Subsection 2.44 of the Regents' Rules and Regulations.

See Item 15 on Page AAC - 19 related to naming a room in the new Chemical and Petroleum Engineering Building at U. T. Austin.

9. U. T. Austin: Recommendation to Accept Transfer of Funds to Establish the Center for the Study of American Architecture Endowment in the School of Architecture. --

RECOMMENDATION

The Office of the Chancellor concurs with President Cunningham's recommendation to accept a $14,140 transfer of previously reported gifts from current restricted funds to establish the Center for the Study of American Architecture Endowment in the School of Architecture at U. T. Austin.

Income earned from the endowment will be used to support the activities of the Center including research, publications, symposia, and other programmatic expenses.

BACKGROUND INFORMATION

Since June 1983, various donors have donated funds to support the activities of the Center for the Study of American Architecture and these funds have been used for symposia, publication of an annual journal, exhibits, and operating costs. The Dean of the School of Architecture has proposed funding this endowment with accumulated funds that have exceeded the Center's anticipated needs.

10. U. T. Austin: Recommendation to Accept Gifts to Establish the C. C. and Lottie Mae Colvert Fellowship and Development Fund in the College of Education. --

RECOMMENDATION

The Office of the Chancellor concurs with President Cunningham's recommendation to accept gifts in excess of $28,295 from various donors to establish the C. C. and Lottie Mae Colvert Fellowship and Development Fund in the Community College Leadership Program, College of Education, at U. T. Austin.

Income earned from the endowment will be used to support graduate students enrolled in the Community College Leadership Program.
Friends, colleagues, and former students of Dr. C. C. Colvert are funding this endowment to pay tribute to his founding the Community College Leadership Program in 1944 and serving as director until his retirement in 1971. Dr. Colvert was Chairman of the Department of Educational Administration and Dean of the College of Education between 1944 and 1971 and a member of the College of Education Foundation Advisory Council at U. T. Austin.

11. U. T. Austin: Joanne Crosby Regents Chair - Recommendation to Redesignate as the Joanne Sharp Crosby Regents Chair in Design and Technology in the College of Fine Arts.--

RECOMMENDATION

The Office of the Chancellor concurs with President Cunningham's recommendation to redesignate the Joanne Crosby Regents Chair as the Joanne Sharp Crosby Regents Chair in Design and Technology in the Department of Drama, College of Fine Arts, at U. T. Austin.

This recommendation is being made in accordance with the honoree's request.

BACKGROUND INFORMATION

The Jack R. Crosby Regents Chair in Business Administration in the College of Business Administration and the Graduate School of Business was established at the August 1986 meeting of the U. T. Board of Regents with a $500,000 pledge from Mr. Robert W. Hughes, Austin, Texas. The gift qualified for matching under The Regents' Endowed Teachers and Scholars Program and funds were used to establish the Joanne Crosby Regents Chair with the college to be designated at a later date.

12. U. T. Austin: Recommendation to Accept Challenge Grant and Transfer of Funds to Establish the Ewing and Worzel Graduate Fellowship in the Institute for Geophysics in the College of Natural Sciences.--

RECOMMENDATION

The Office of the Chancellor concurs with President Cunningham's recommendation to accept a $250,000 challenge grant from the Palisades Geophysical Institute, Inc., West Nyack, New York, which must be matched on a one for one basis by April 1988, to establish the Ewing and Worzel Graduate Fellowship in the Institute for Geophysics in the Department of Geological Sciences, College of Natural Sciences, at U. T. Austin for a
total endowment of $500,000. It is further recommended that a $100,182 transfer of previously reported gifts and accumulated income from current restricted funds be designated as partial matching funds towards the challenge grant.

Income earned from the endowment will be used to provide continuing support for four to six graduate students in the Institute for Geophysics.

BACKGROUND INFORMATION

The Palisades Geophysical Institute, Inc. is a nonprofit research group that proposed a $250,000 challenge grant to the U. T. Austin Institute for Geophysics (UTIG) in anticipation that $250,000 could be raised for a total endowment of $500,000. The endowment is being established in honor of the late Dr. Maurice Ewing who founded the UTIG and his colleague Dr. J. Lamar Worzel.

13. U. T. Austin: Foley's/Sanger Harris Centennial Professorship in Retail Merchandising in the College of Business Administration and the Graduate School of Business - Recommendation to Redesignate as the Foley's-Federated Professorship in Retailing.---

RECOMMENDATION

The Office of the Chancellor concurs with President Cunningham's recommendation to redesignate the Foley's/Sanger Harris Centennial Professorship in Retail Merchandising in the College of Business Administration and the Graduate School of Business at U. T. Austin as the Foley's-Federated Professorship in Retailing.

This recommendation is being made in accordance with the donors' request.

BACKGROUND INFORMATION

The Foley's/Sanger Harris Centennial Professorship in Retail Merchandising was established at the August 1982 meeting of the U. T. Board of Regents with gifts of $100,000 to The Business School Foundation, an external foundation. The gifts qualified for matching under The Centennial Teachers and Scholars Program and funds were used to establish the Foley's Centennial Fellowship in Retail Merchandising and the Sanger Harris Centennial Fellowship in Retail Merchandising at $50,000 each with funds held by the U. T. Board of Regents. At the February 1985 meeting of the Board, the matching funds were redesignated to double the funding for the Foley's/Sanger Harris Centennial Professorship in Retail Merchandising and the two fellowships were dissolved.

See item 5, Page AAC - 5 related to a proposed appointment to the Professorship.
14. U. T. Austin: Recommendation to Accept Gift and Transfer of Funds to Establish the Clay B. Frederick-Rohm and Haas Endowment for Seminar Speakers and Graduate Student Travel in the College of Natural Sciences.—

RECOMMENDATION

The Office of the Chancellor concurs with President Cunningham's recommendation to accept a $6,000 gift from Rohm and Haas Company, Philadelphia, Pennsylvania, and Dr. Clay B. Frederick, Spring House, Pennsylvania, and a $4,000 transfer of previously reported gifts from current restricted funds for a total of $10,000 to establish the Clay B. Frederick-Rohm and Haas Endowment for Seminar Speakers and Graduate Student Travel in the Department of Chemistry, College of Natural Sciences, at U. T. Austin.

Income earned from the endowment will be used to fund the travel of chemistry graduate students to present research findings at national scientific meetings and to provide guest lecturers for the Department of Chemistry.

BACKGROUND INFORMATION

Dr. Frederick received his Ph.D. in Chemistry from U. T. Austin in 1979 and is currently the Senior Biochemical Toxicologist for Rohm and Haas Company. His research efforts at Rohm and Haas were recognized with a $6,000 award to be designated for the university of his choice.

15. U. T. Austin: Recommendation to Accept Transfer of Funds to Establish the Friend of Alec Excellence Fund in the College of Engineering.—

RECOMMENDATION

The Office of the Chancellor concurs with President Cunningham's recommendation to transfer funds from two Engineering Foundation Various Donors quasi-endowment accounts with balances of $5,406 and $6,166 for a total of $11,572 to establish the Friend of Alec Excellence Fund in the College of Engineering at U. T. Austin.

Income earned from the endowment will be used to award scholarships to deserving students in engineering in accordance with policies established for the Friends of Alec Program.

BACKGROUND INFORMATION

A review of the quasi-endowment account records by the Dean of the College of Engineering indicated no donor instructions could be found to guide the use of the endowments as currently structured or forbid the merger to fund the Friend of Alec Excellence Fund.
The Friends of Alec is an annual fund raising program within the College of Engineering. Alexander Fredericke Claire, a mythical figure better known as Alec, has been the patron saint of the College of Engineering since 1909.

16. U. T. Austin: Recommendation to Accept Gift to Establish the Anna Nauwald King Endowed Scholarship in the College of Liberal Arts.---

RECOMMENDATION

The Office of the Chancellor concurs with President Cunningham's recommendation to accept a $12,671 gift from Mrs. Anna Nauwald King, Dallas, Texas, to establish the Anna Nauwald King Endowed Scholarship in the College of Liberal Arts at U. T. Austin.

Income earned from the endowment will be used to award scholarships to deserving undergraduate students in liberal arts.

BACKGROUND INFORMATION

Mrs. King received her B.A. in English from U. T. Austin in 1936.

17. U. T. Austin: Recommendation to Establish the Sam Neathery Endowment in the School of Law.---

RECOMMENDATION

The Office of the Chancellor reports that The University of Texas Law School Foundation (an external foundation) has expressed the desire that the Sam Neathery Endowment be established in the School of Law at U. T. Austin. The Office of the Chancellor concurs with President Cunningham's recommendation that the endowment, to be funded by The University of Texas Law School Foundation, be established in accordance with the Regents' Rules and Regulations. The funds for the endowment will be held and administered by The University of Texas Law School Foundation for unrestricted use.

BACKGROUND INFORMATION

The University of Texas Law School Foundation has received a bequest of $60,000 from the Estate of Mrs. Elizabeth Neathery Smith, McKinney, Texas, in memory of her father, Sam Neathery. Mr. Neathery received his LL.B. from U. T. Austin in 1904 and served as a member of the U. T. Board of Regents in 1931.
This gift is part of a special private fund development campaign for the School of Law in accordance with Part One, Chapter VII, Section 2, Subsection 2.44 of the Regents' Rules and Regulations.

See Item 16 on Page AAC - 20 related to naming a room in Townes Hall in the School of Law at U. T. Austin.

18. U. T. Austin: Recommendation to Accept Gift to Establish the Peter O'Donnell, Jr. - Friend of Alec Excellence Fund in the College of Engineering.--

RECOMMENDATION

The Office of the Chancellor concurs with President Cunningham's recommendation to accept a $10,000 gift from Mr. Peter O'Donnell, Jr., Dallas, Texas, to establish the Peter O'Donnell, Jr. - Friend of Alec Excellence Fund in the College of Engineering at U. T. Austin.

Income earned from the endowment will be used to award scholarships to deserving students in engineering in accordance with policies established for the Friends of Alec Program.

BACKGROUND INFORMATION

Mr. O'Donnell is President of the O'Donnell Foundation and Director of InterFirst Bank of Dallas. He is a member of the College of Engineering Foundation Advisory Council at U. T. Austin.

The Friends of Alec is an annual fund raising program within the College of Engineering. Alexander Fredericke Claire, a mythical figure better known as Alec, has been the patron saint of the College of Engineering since 1909.

19. U. T. Austin: The Pearl M. Riggs Endowed Scholarship in Education in the College of Education - Recommendation to Accept Additional Gift and Corporate Matching Funds and Redesignate as the Pearl M. Riggs Endowed Presidential Scholarship in Education.--

RECOMMENDATION

The Office of the Chancellor concurs with President Cunningham's recommendation to accept a $1,250 gift from Mrs. Ina Riggs Brundrett, Tyler, Texas, and $3,750 in corporate matching funds from the Exxon Education Foundation, New York, New York, for addition to The Pearl M. Riggs Endowed Scholarship in Education in the College of Education for a total endowment of $25,000 and redesignate as the Pearl M. Riggs Endowed Presidential Scholarship in Education at U. T. Austin.
BACKGROUND INFORMATION

The Pearl M. Riggs Endowed Scholarship in Education was established at the February 1986 meeting of the U. T. Board of Regents with a $5,000 gift from Mrs. Brundrett and $15,000 in corporate matching funds from the Exxon Education Foundation for a total of $20,000.

20. U. T. Austin: Recommendation to Accept Gift to Establish the Frances Rather Seybold and Frances Randolph Rather Seybold Endowed Scholarship in the College of Liberal Arts. --

RECOMMENDATION

The Office of the Chancellor concurs with President Cunningham's recommendation to accept a $21,604.28 gift from Dr. William D. Seybold, Dallas, Texas, to establish the Frances Rather Seybold and Frances Randolph Rather Seybold Endowed Scholarship in the College of Liberal Arts at U. T. Austin.

Income earned from the endowment will be used to award scholarships to deserving undergraduate students in the College of Liberal Arts.

BACKGROUND INFORMATION

Dr. Seybold received his B.S. from U. T. Austin in 1936 and his M.D. from U. T. Medical Branch - Galveston in 1938. He is a retired Chief of Staff of the Kelsey-Seybold Clinic in Houston. Dr. Seybold is funding this endowment in memory of his daughter, deceased 1968, and his wife, deceased 1977.

21. U. T. Austin: Silver Spurs Centennial Teaching Fellowship (No. 1) in the College of Liberal Arts - Recommendation to Accept Additional Gift and Eligibility for Matching Funds Under The Regents' Endowed Teachers and Scholars Program to Increase the Silver Spurs Centennial Teaching Fellowship (No. 2) in the College of Liberal Arts. --

RECOMMENDATION

The Office of the Chancellor concurs with President Cunningham's recommendation to accept a $21,079.76 gift from the Silver Spurs at U. T. Austin for addition to the Silver Spurs Centennial Teaching Fellowship (No. 1) in the College of Liberal Arts at U. T. Austin for a total endowment of $71,079.76.
It is further recommended that $21,079 of the gift be matched under The Regents' Endowed Teachers and Scholars Program and funds used to increase the Silver Spurs Centennial Teaching Fellowship (No. 2) in the College of Liberal Arts for a total endowment of $71,079.

BACKGROUND INFORMATION

The Silver Spurs Centennial Teaching Fellowship (No. 1) was established at the June 1985 meeting of the U. T. Board of Regents with a $50,000 gift from the Silver Spurs. The gift qualified for matching under The Regents' Endowed Teachers and Scholars Program and funds were used to establish the second Fellowship.

The Silver Spurs, founded in 1938, is an honorary service organization which helps manifest the fellowship, service, and purpose implicit at U. T. Austin. The organization cares for Bevo, the Longhorn mascot, and supports all Longhorn activities, both academically and athletically.

22. U. T. Austin: Recommendation to Accept Transfer of Funds to Establish the Russell Upson Smith Family Endowment in the College of Engineering (No Publicity).

RECOMMENDATION

The Office of the Chancellor concurs with President Cunningham's recommendation to transfer previously reported gifts totalling $19,015.14 from Mr. Russell U. Smith, Houston, Texas, to establish the Russell Upson Smith Family Endowment in the College of Engineering at U. T. Austin.

Income earned from the endowment will be used to recognize and reward outstanding classroom teaching by faculty members in the College of Engineering and/or provide scholarships for financially needy students in the College of Engineering.

BACKGROUND INFORMATION

Mr. Smith received his B.S. in Chemical Engineering from U. T. Austin in 1958. He is funding this endowment in memory of his mother, Mary Elizabeth Tankersley Smith, his father, Ellie Upson Smith, and his brother, Stanley Clifford Smith.

NO PUBLICITY
23. **U. T. Austin**: Recommendation to Accept Gift to Establish the Temple Teaching Fellowship in the Graduate School of Library and Information Science and Eligibility for Matching Funds Under The Regents' Endowed Teachers and Scholars Program—

**RECOMMENDATION**

The Office of the Chancellor concurs with President Cunningham's recommendation to accept a $50,000 gift from the T. L. L. Temple Foundation, Lufkin, Texas, to establish the Temple Teaching Fellowship in the Graduate School of Library and Information Science at U. T. Austin.

It is further recommended that $25,000 of the gift be matched under The Regents' Endowed Teachers and Scholars Program and used to increase the endowment for a total of $75,000.

**BACKGROUND INFORMATION**

The T. L. L. Temple Foundation was established in 1962 by Mrs. Georgie Temple Munz, T. L. L. Temple's daughter. Mr. Temple founded Southern Pine Lumber Company in 1894 which became Temple Industries, Inc. The Foundation supports hospitals, education, child welfare, community funds and libraries.

24. **U. T. Austin**: Pharmaceutical Foundation Fellowship in Psychiatric Pharmacy (No. 1) in the College of Pharmacy — Recommendation to Redesignate as the Neill B. Walsdorf Fellowship in Pharmacy—

**RECOMMENDATION**

The Office of the Chancellor concurs with President Cunningham's recommendation to redesignate the Pharmaceutical Foundation Fellowship in Psychiatric Pharmacy (No. 1) in the College of Pharmacy as the Neill B. Walsdorf Fellowship in Pharmacy at U. T. Austin.

This recommendation is being made in accordance with a request from the Pharmaceutical Foundation Advisory Council.

**BACKGROUND INFORMATION**

The Regents Professorship in Psychiatric Pharmacy was established at the June 1984 meeting of the U. T. Board of Regents with $100,000 in gifts and pledges from members of the Pharmaceutical Foundation Advisory Council of the College of Pharmacy. The gifts and pledges were matched under The Regents' Endowed Teachers and Scholars Program and funds were used to establish two Pharmaceutical Foundation Fellowships in Psychiatric Pharmacy.
Mr. Neill B. Walsdorf, San Antonio, Texas, received his B.A. in Microbiology from U. T. Austin in 1959 and is a member emeritus of the Pharmaceutical Foundation Advisory Council of the College of Pharmacy at U. T. Austin. He is presently President of the Mission Pharmacal Company in San Antonio.

25. U. T. Austin: Recommendation to Accept a Gift of Real Property Located in Travis County, Texas, from Mr. Frank W. McBee, Austin, Texas; Authorize the Office of Asset Management to Negotiate the Sale; and Authorize the Executive Vice Chancellor for Asset Management to Execute All Documents Pertaining to the Sale.--

RECOMMENDATION

The Office of the Chancellor concurs with the recommendation of President Cunningham to accept a gift of real property containing approximately 5.938 acres out of the J. C. Tannehill League No. 29, Travis County, Texas, from Mr. Frank W. McBee, Austin, Texas, for the benefit of U. T. Austin. Based on an appraisal provided by the donor, the property has an estimated value of $325,000. Although the property is currently landlocked, Tracor, Inc. intends to donate an easement to U. T. Austin. A recommendation regarding the easement and the use of the proceeds from any sale of the property will be submitted at a later date.

It is further recommended that the Office of Asset Management be authorized to negotiate the sale of the property at fair market value and that the Executive Vice Chancellor for Asset Management be authorized to execute all documents pertaining to the sale.

BACKGROUND INFORMATION

Mr. Frank W. McBee is the Chairman and Chief Executive Officer of Tracor, Inc., Austin, Texas. Mr. McBee received a B.S. in Engineering in 1947 and an M.S. in Engineering in 1950 from U. T. Austin. He is a member of The Chancellor's Council and The President's Associates.

26. U. T. Dallas: Cecil H. and Ida M. Green Honors Chair in the Natural Sciences - Recommendation to Accept Transfer of Funds to Establish the Cecil H. and Ida M. Green Endowed Lecture Series.--

RECOMMENDATION

The Office of the Chancellor concurs with President Rutford's recommendation to accept a $250,000 transfer of accumulated earnings from the Cecil H. and Ida M. Green Honors Chair in the Natural Sciences to establish the Cecil H. and Ida M. Green Endowed Lecture Series at U. T. Dallas.
Income earned from the endowment will be used to support the Cecil H. and Ida M. Green Lecture Series and ensure its continuation.

BACKGROUND INFORMATION

The Cecil H. and Ida M. Green Honors Chair in the Natural Sciences was established at the March 1973 meeting of the U. T. Board of Regents. The Green Chair was unfilled in the early 1980's and the earnings on the endowment accumulated. Mr. Cecil H. Green was consulted and it was agreed that a portion of the accumulated earnings could be used to support the Cecil H. and Ida M. Green Lecture Series. This was done and the Green Lecture Series has become a tradition at U. T. Dallas.

27. U. T. El Paso: Recommendation to Accept Gifts and Pledge to Establish the Dr. C. Sharp Cook Physics Professorship and Eligibility for Matching Funds Under the Texas Eminent Scholars Program.--

RECOMMENDATION

The Office of the Chancellor concurs with President Monroe's recommendation to accept a $50,375 gift from Dr. and Mrs. C. Sharp Cook, El Paso, Texas, an $18,000 gift and $7,000 pledge from the El Paso Electric Company, El Paso, Texas, and $36,600.60 from alumni, friends, colleagues, and business associates of Dr. Cook, for a total endowment of $111,975.60, to establish the Dr. C. Sharp Cook Physics Professorship at U. T. El Paso.

It is further recommended that the actual income which will be earned on the gifts and pledge totalling $111,975.60 be certified to the appropriate State authorities for matching under the Texas Eminent Scholars Program as set out in Chapter 51, Subchapter I of the Texas Education Code when matching funds are made available under that act.

BACKGROUND INFORMATION

Dr. C. Sharp Cook retired from U. T. El Paso in 1985 after 15 years of service. He is internationally recognized in the field of nuclear physics and has authored over 100 scholarly articles and books. Dr. Cook is one of the world's recognized authorities on energy sources and radiation health hazards and has had a close working relationship with the El Paso Electric Company. He is presently serving on a National Academy of Sciences -- National Science Foundation Committee on Radiation Hazards.

L&I - 23

REPORT

The Office of the Chancellor and President Monroe report receipt of the final distribution in the amount of $200 from the Estate of Marion J. Purdy, Mount Kisco, New York, which will be added to the Richard M. Dudley and Frances M. Dudley Memorial Professorship Fund at U. T. El Paso for a total endowment of $126,431.86.

BACKGROUND INFORMATION

The Richard M. Dudley and Frances M. Dudley Memorial Professorship Fund was established at the December 1985 meeting of the U. T. Board of Regents with a bequest from the Estate of Marion J. Purdy and activated as a professorship at the December 1986 meeting.

29. U. T. El Paso: Recommendation to Accept Gift to Establish the Richard E. Dunlap Memorial Fund.—

RECOMMENDATION

The Office of the Chancellor concurs with President Monroe's recommendation to accept a $10,000 gift from Mrs. Gisela E. Dunlap, El Paso, Texas, to establish the Richard E. Dunlap Memorial Fund at U. T. El Paso.

Income earned from the endowment will provide scholarships to worthy and deserving students who are pursuing a Master of Art degree in History.

BACKGROUND INFORMATION

Mr. and Mrs. Dunlap have been strong supporters of the History Department at U. T. El Paso. Mrs. Dunlap is funding this endowment in memory of her late husband, Richard E. Dunlap.

30. U. T. El Paso: Recommendation to Accept Gift to Establish the Dr. Michael L. Finerty Scholarship Fund.—

RECOMMENDATION

The Office of the Chancellor concurs with President Monroe's recommendation to accept a $10,389.37 gift from Dr. Michael L. Finerty, San Mateo, California, to establish the Dr. Michael L. Finerty Scholarship Fund at U. T. El Paso.
Income earned from the endowment will be used to provide an annual scholarship of $750 or more, renewable for four years, to a deserving and qualified student meeting the criteria of the Presidential Endowed Scholarship Program at U. T. El Paso. Preference shall be given to students who are studying in the field of pre-medicine or biological sciences at U. T. El Paso.

BACKGROUND INFORMATION

Dr. Michael L. Finerty is a practicing neurologist in San Mateo, California. Prior to his professional practice, he was a native of El Paso and graduated from Texas Western College, currently U. T. El Paso, in 1956 in the field of biology.

31. U. T. El Paso: Recommendation to Accept Gift of Securities to Establish the Hazel Hervey Endowed Fund.--

RECOMMENDATION

The Office of the Chancellor concurs with President Monroe's recommendation to accept a gift of 600 shares of Circle K Corporation common stock valued at $10,115.65 from Mrs. Hazel Hervey, El Paso, Texas, to establish the Hazel Hervey Endowed Fund at U. T. El Paso.

Income earned from the endowment will be divided equally between two departments at U. T. El Paso. Fifty percent of the income earned will go to the Department of History to provide for an annual speaker or as funds permit in the subject area of Middle Eastern and Islamic History. The other fifty percent will go to the Department of Biological Sciences to be used for special research conducted by Dr. Albert Canaris on Migratory Bird Parasites.

BACKGROUND INFORMATION

Mrs. Hazel Hervey is a prominent El Pasoan and former wife of Mayor Fred Hervey, a member of the U. T. El Paso Development Board. She has been a long-time member of The President's Associates of U. T. El Paso and extremely active in working with members of the History Department.

32. U. T. El Paso: Recommendation to Accept Gift to Establish the Wechter Fund for Business Administration.--

RECOMMENDATION

The Office of the Chancellor concurs with President Monroe's recommendation to accept a $10,507.98 gift from Mr. and Mrs. Aaron Wechter, El Paso, Texas, to establish the Wechter Fund for Business Administration at U. T. El Paso.
Income earned from the endowment will be used to improve the overall academic programs in the area of business administration.

BACKGROUND INFORMATION

33. U. T. El Paso: Recommendation to Accept a Gift of Land Located in Sunland Estates, Hudspeth County, Texas, from Mr. Robert P. Blocher, Carlisle, Pennsylvania; Authorize the Office of Asset Management to Negotiate the Sale; and Authorize the Executive Vice Chancellor for Asset Management to Execute All Documents Pertaining to the Sale.--

RECOMMENDATION

The Office of the Chancellor concurs with the recommendation of President Monroe to accept a gift of real property being all of Lots 11-20, Block 2, Sunland Estates, Unit 2, Hudspeth County, Texas, from Mr. Robert P. Blocher, Carlisle, Pennsylvania. Proceeds from the sale of the property will be made available for the unrestricted use of the President of U. T. El Paso.

It is further recommended that the Office of Asset Management be authorized to negotiate the sale of the property at fair market value and that the Executive Vice Chancellor for Asset Management be authorized to execute all documents pertaining to the sale.

BACKGROUND INFORMATION

Mr. Blocher made this unrestricted gift of real estate to U. T. El Paso following the death of his wife on October 12, 1986. Mr. Blocher has no known affiliation with U. T. El Paso.
34. U.T. Health Science Center - Dallas: Recommendation to Accept Gift to Establish the Senator Betty and Dr. Andy Andujar Chair Fund and Eligibility for Matching Funds Under the Texas Eminent Scholars Program.

RECOMMENDATION

The Office of the Chancellor concurs with President Wildenthal's recommendation to accept a $100,000 gift from Dr. John J. Andujar, Arlington, Texas, to establish the Senator Betty and Dr. Andy Andujar Chair Fund at the U.T. Health Science Center - Dallas.

It is further recommended that the actual income which will be earned on the $100,000 gift be certified to the appropriate State authorities for matching under the Texas Eminent Scholars Program as set out in Chapter 51, Subchapter I of the Texas Education Code, when matching funds are made available under that act.

BACKGROUND INFORMATION

This endowment is being funded as a tribute to retired Senator Betty Andujar, who served in the Senate of Texas from 1973 to 1983. The initial donation of $100,000 was received from Senator Andujar's husband, Dr. John J. Andujar. A formal fundraising project with a goal of $500,000 was begun in 1986 by the Fort Worth Medical Laboratories, Fort Worth, Texas. When the fund reaches a level of $500,000 through donations and accrued interest, it will be used to establish an endowed chair in Pathology to be designated for the Chairman of the Department of Pathology at the U.T. Health Science Center - Dallas.

35. U.T. Health Science Center - Dallas: Recommendation to Accept a Donation of Property in Dallas County, Texas, from Dr. Paul L. Richburg, Dallas, Texas; Authorize the Office of Asset Management to Negotiate the Sale, and Authorize the Executive Vice Chancellor for Asset Management to Execute All Documents Pertaining to the Sale.

RECOMMENDATION

The Office of the Chancellor concurs with the recommendation of President Wildenthal to accept a gift of real property being Lots 12 and 13, Block 5, Alameda Heights Addition No. 2, Dallas County, Texas, from Dr. Paul L. Richburg, Dallas, Texas, for the benefit of the U.T. Health Science Center - Dallas. The donor's estimated value of the two lots is approximately $10,000. Proceeds from the sale of the property will be deposited into the Alumni Fund in hopes that the sale of the land will generate enough money to make him eligible as a Lifetime Member.

It is further recommended that the Office of Asset Management be authorized to negotiate the sale of the property at fair market value and that the Executive Vice Chancellor for Asset Management be authorized to execute all documents pertaining to the sale.
Dr. Paul L. Richburg was born in Fort Worth, Texas, and is a graduate of Southern Methodist University. He had a private medical practice in Fort Worth from 1956-1977 specializing in cardiopulmonary disease. Dr. Richburg was a clinical assistant instructor and professor of internal medicine at the U. T. Health Science Center - Dallas. He is currently a member of the President’s Alumni Council.

36. U. T. Medical Branch - Galveston: Recommendation to Accept Gift and Pledge to Establish the E. Burke Evans Residents' Endowed Education Fund.---

RECOMMENDATION

The Office of the Chancellor concurs with President Levin's recommendation to accept a $120,000 gift and $60,000 pledge, payable by December 31, 1990, for a total endowment of $180,000, from the G. W. N. Eggers Society, Galveston, Texas, to establish the E. Burke Evans Residents' Endowed Education Fund at the U. T. Medical Branch - Galveston.

Income earned from the endowment will be used to support the academic enrichment of the orthopaedic surgery residency training program.

BACKGROUND INFORMATION

The G. W. N. Eggers Society, which consists of graduates and faculty of the orthopaedic program at the U. T. Medical Branch - Galveston, is funding this endowment to honor Dr. E. Burke Evans. Dr. Evans obtained his orthopaedic residency training at the U. T. Medical Branch - Galveston and Hermann Hospital prior to joining the U. T. Medical Branch - Galveston faculty in orthopaedic surgery in 1953. He was appointed chairman of the Orthopaedic Surgery Division in 1965 and continues to serve in that capacity. Dr. Evans is known world-wide as an authority on the orthopaedic management of patients with severe burns. Additionally he is recognized for his long-term interest and publications in cerebral palsy. Dr. Evans has prepared exhibits for national meetings and has written a number of chapters in major textbooks.

37. U. T. Health Science Center - Houston: Mrs. Severin Knutson Eyeglass Fund - Recommendation to Transfer Income to the Elliott Fund.---

RECOMMENDATION

The Office of the Chancellor concurs with President Bulger's recommendation to transfer a portion of the income earned on the Mrs. Severin Knutson Eyeglass Fund to the Elliott Fund at the U. T. Health Science Center - Houston.

L&I - 28
The Mrs. Severin Knutson Eyeglass Fund was established at the March 1976 meeting of the U. T. Board of Regents with a $10,000 gift from Mrs. Knutson, Houston, Texas, to purchase eyeglasses for indigent maxillofacial patients. However, the need for providing this service has diminished since the majority of these maxillofacial cancer patients are treated at the U. T. Cancer Center. Mrs. Knutson is deceased, but Mr. Severin Knutson has authorized the Dean of the U. T. Dental Branch- Houston to transfer income from this endowment, over and above that actually needed to provide eyeglasses, to the Elliott Fund. Therefore, a transfer of a portion of the income as provided in Section 65.36(f) of the Texas Education Code will allow the use of the fund to further the disciplines of the U. T. Health Science Center - Houston. The Elliott Fund, consisting of restricted funds, has recently been established at the U. T. Health Science Center - Houston to provide scholarships for dental students. Mr. Knutson is a contributor to the Elliott Fund.

38. U. T. Health Science Center - Houston: Recommendation to Accept a Gift of Interest in Real Property and Improvements Located in Harris County, Texas, from Packaged Food & Beverage Co., Inc., Clayton, Missouri.—

RECOMMENDATION

The Office of the Chancellor concurs with the recommendation of President Bulger to accept a gift of interest in real property and improvements located at 1851 Cross Point Avenue, Houston, Harris County, Texas, from Packaged Food & Beverage Co., Inc., Clayton, Missouri, for the use and benefit of the U. T. Health Science Center - Houston. The appraised value of the property was $4,216,000. However, the property was acquired by negotiating a price of $3,850,000 with the difference of $366,000 being considered a gift. This facility will house and consolidate all physical plant, general support, and storage activities which are currently located in leased space some seven miles from campus.

BACKGROUND INFORMATION

At its February 1987 meeting, the U. T. Board of Regents authorized the purchase of a 16.52 acre tract of land, more or less, being all of Reserves C, D, and E in Section II of South Point Business Park, 1851 Cross Point Avenue, Houston, Harris County, Texas, from Packaged Food & Beverage Co., Inc., Clayton, Missouri. Subsequent approval was obtained from the Coordinating Board, Texas College and University System, at its meeting on April 24, 1987.
39. **U. T. Health Science Center - Houston: Recommendation to Accept Gift to Establish the Women of Rotary Club of Houston University of Texas Dental Branch Student Scholarship and Assistance Fund.**

**RECOMMENDATION**

The Office of the Chancellor concurs with President Bulger's recommendation to accept a $16,000 gift from the Women of Rotary Club of Houston, Houston, Texas, to establish the Women of Rotary Club of Houston University of Texas Dental Branch Student Scholarship and Assistance Fund at the U. T. Health Science Center - Houston.

Income earned from the endowment will be used to provide annual scholarships, not to exceed $1,000 per scholarship, to dental students based on financial need and excellence in academic and clinical pursuits.

**BACKGROUND INFORMATION**

The Women of Rotary Club of Houston was organized and established on January 20, 1938. The objectives of the organization are to bring into closer fellowship the families of Rotary and to engage in social, philanthropic, or educational work. The Women of Rotary reserve the right to request alteration of this agreement with U. T. Board of Regents approval. It is anticipated that additional funds will be added to the principal of the endowment to reach a minimum of $40,000.

**B. REAL ESTATE MATTERS**

1. **U. T. Austin: Archer M. Huntington Museum Fund - Recommendation to Increase the Ground Lease Rental Rate on 24 Bay Front Lots Located in Galveston County, Texas.**

**RECOMMENDATION**

The Office of the Chancellor concurs with the recommendation of President Cunningham to approve an increase in the ground lease rental rate on 24 bay front lots covering 10 acres and located at Virginia Point in Galveston County, Texas. The property is held in trust as part of the Archer M. Huntington Museum Fund for U. T. Austin. The proposed rental rate increase is $660 per lot or 9% of the fair market value being $7,300 per lot. This raises the total annual rent collected to $15,840. The new management fee structure is 8% of the gross annual rental or approximately $1,268. The management fee will be paid to V. J. Schmitt and Company, Texas City, Texas. The leases run year to year and will begin August 1, 1987, through July 31, 1988.
The total annual rent previously collected was $2,400 or $100 per lot less a property management fee of $350 which was paid to V. J. Schmitt and Company, Texas City, Texas. The Archer M. Huntington Museum Fund of U. T. Austin was created by a gift from Mr. Huntington in 1927 of approximately 4,297 acres of land in the H. B. Littlefield Survey and the Samuel C. Bundick League, Galveston County, Texas.

2. **U. T. Austin: Balcones Research Center - Recommendation to Amend Ground Lease Agreement on a Tract of Land Located at the Intersection of U. S. 183 and Braker Lane, Austin, Travis County, Texas, with The Southland Corporation, Dallas, Texas.**

**RECOMMENDATION**

The Office of the Chancellor concurs with the recommendation of President Cunningham to approve a rent adjustment to the ground lease agreement between The Southland Corporation, Dallas, Texas, and U. T. Austin for a tract of land located at the intersection of U. S. 183 and Braker Lane, Austin, Travis County, Texas. The terms of the revised agreement are as follows: a reduction of the monthly rent amount from $7,500 to $6,000 with five year increases based on the revised rent amount. Annual rent will be paid which is equal to the amount by which 1-1/2% of gross sales on the site exceeds the base annual rent rather than the 1-3/4% originally agreed upon. The rent will become due and payable beginning June 1, 1987, or once Southland has obtained all construction permits and commenced construction. Tenant has until August 1, 1987, to obtain all permits. At that time, tenant has the right to terminate and cancel the lease if he is not successful in obtaining permits. All other terms of the lease agreement will remain the same.

**BACKGROUND INFORMATION**

The original lease agreement was approved by the U. T. Board of Regents at its February 1986 meeting to commence on June 1, 1986. Since the initial lease commencement date, the Highway Department has requested an additional 13 feet of right-of-way in addition to the 50 feet originally proposed on the lease site. The Southland Corporation will lose a subtenant on the property and will therefore receive a reduction of rental income.
3. U. T. Austin: Z. D. Bonner Professorship in Chemical Engineering in the College of Engineering - Recommendation to Approve the Sale of an Undivided Five Percent Partnership Interest in 137.9903 Acres, Sabine County, Texas; Authorize the Office of Asset Management to Negotiate the Sale; and Authorize the Executive Vice Chancellor for Asset Management to Execute All Documents Pertaining to the Sale.

RECOMMENDATION

The Office of the Chancellor concurs with the recommendation of President Cunningham to approve the sale of an undivided five percent interest in 137.9903 acres located in Sabine County, Texas. This interest has been held in trust for the Z. D. Bonner Professorship in Chemical Engineering in the College of Engineering at U. T. Austin. The partners have offered $6,000 to buy U. T. Austin's share of the property in an attempt to consolidate the partnership. The market value of the interest, as of November 1986, was $3,000. Proceeds from the sale will be added to the Z. D. Bonner Professorship in Chemical Engineering.

It is further recommended that the Office of Asset Management be authorized to negotiate the sale of the partnership interest and that the Executive Vice Chancellor for Asset Management be authorized to execute all documents pertaining to the sale.

BACKGROUND INFORMATION

The Z. D. Bonner Professorship in Chemical Engineering was accepted and established by the U. T. Board of Regents at its December 1979 meeting through a donation of an undivided five percent partnership interest in 737.11 acres of land in Sabine County, Texas, from Mr. Z. D. Bonner, Houston, Texas. In February 1981, approximately 600 acres were sold. The remaining interest owned by U. T. Austin is an undivided five percent interest in 137.9903 acres out of the Jesse Lowe Survey, Sabine County, Texas.
III. OTHER MATTERS

U. T. Medical Branch - Galveston: Recommendation to
(a) Authorize the Executive Vice Chancellor for Asset
Management to Execute Administration Agreements for
The John Sealy Hospital Special Fund, (b) Authorize
the President of the U. T. Medical Branch - Galveston
or His Designate to Represent the U. T. Board of
Regents in the Periodic Joint Decision with The
Sealy & Smith Foundation on the Payout Amount from
The John Sealy Hospital Special Fund and The Biomi­
dical Fund Part A, and (c) Designate The Sealy & Smith
Foundation as Investment Manager for The John Sealy
Hospital Special Fund and The Biomedical Fund Part A.

RECOMMENDATION

The Office of the Chancellor recommends the following
actions with regard to the two trust funds, The John Sealy
Hospital Special Fund and The Biomedical Fund Part A, which
are under the joint control of the U. T. Board of Regents
and The Sealy & Smith Foundation, Galveston, Texas:

a. Authorize the Executive Vice Chancellor for
Asset Management to execute administration
agreements for The John Sealy Hospital Special
Fund after review and approval as to content
by the President of the U. T. Medical Branch -
Galveston and approval as to form by the Office
of General Counsel.

b. Authorize the President of the U. T. Medical
Branch - Galveston or his designate to reach a
joint decision periodically with The Sealy &
Smith Foundation regarding the amount of earned
income to be paid out to the U. T. Medical
Branch - Galveston from The John Sealy Hospital
Special Fund and The Biomedical Fund Part A.

c. Designate The Sealy & Smith Foundation as an
external Investment Manager for The John Sealy
Hospital Special Fund and The Biomedical Fund
Part A with full investment discretion subject
to prior review of equity investments by the
investment staff of the Office of Asset Manage­
ment and all the investment guidelines and
restrictions contained in the Administrative
Agreements.

BACKGROUND INFORMATION

The U. T. Board of Regents exercises joint control with
The Sealy & Smith Foundation over two trust accounts, The
John Sealy Hospital Special Fund and The Biomedical Fund
Part A. The Biomedical Fund Part A was accepted by the
U. T. Board of Regents at their December 1986 meeting.
The Executive Vice Chancellor for Asset Management was
authorized to execute an Endowment Agreement and the
President of the U. T. Medical Branch - Galveston was
authorized to execute the implementing administration and
trust agreements. The John Sealy Hospital Special Fund
was established under an act of the legislature in 1926.
and an endowment agreement was executed in 1927. We are recommending that administrative agreements similar to those for The Biomedical Fund Part A be entered into for The John Sealy Hospital Special Fund and that the Executive Vice Chancellor for Asset Management be authorized to execute the agreements.

Designation of The Sealy & Smith Foundation as Investment Manager for these two endowments authorizes Foundation staff to purchase, exchange and sell securities subject to restrictions to be incorporated in the Administrative Agreements and, on equity investments, prior review of the investment staff of the Office of Asset Management. The Administrative Agreements will require joint agreement, at least semi-annually, by the Office of Asset Management and The Sealy & Smith Foundation on asset mix and the quality and maturity of the fixed investment portfolio. The Administrative Agreements will also contain an Investment Policy Statement substantially in the form set out on Pages L&I 35 - 39.
INVESTMENT OBJECTIVES

There are two primary investment objectives. One is to cause the total value of the Fund to appreciate, over time, exclusive of growth derived from donations. The Fund needs to appreciate to insure preservation of the purchasing power of the Fund. The second is to provide a cash payout, stable and preferably growing in real terms, after giving effect to inflation.

Management of the Fund attempts to meet these objectives by maximizing the total return on the Fund's investments, consistent with an appropriate level of risk and subject to generation of adequate current income. Additionally, the Fund shall be diversified at all times to provide reasonable assurance that investment in a single security, a class of securities, or industry will not have an excessive impact on the Fund.
INVESTMENT GUIDELINES

The Fund must be invested at all times in strict compliance with the Texas Trust Code (Subtitle B, Title 9, Texas Property Code) and other applicable law. The primary and constant standard for making investment decisions is the "Prudent Person Rule".

Investment restrictions include the following:

- All investments must be U.S. dollar denominated and must be traded in U.S. markets.
- Commercial paper must be rated in the two highest quality classes by Moody's Investors Service, Inc. (P1 or P2) or Standard & Poor's Corporation (A1 or A2).
- Certificates of deposit must be fully insured by the FDIC, or issued by a bank with commercial paper meeting the rating criteria specified above or a certificate of deposit rating of 1 or better by Duff & Phelps.
- Bankers' Acceptances must be guaranteed by an accepting bank with a minimum certificate of deposit rating of 1 by Duff & Phelps.
- Repurchase agreements and Reverse Repurchase Agreements must be with a domestic bank or a domestic dealer selected by the Federal Reserve as a primary dealer in U.S. Treasury securities.
Investment policies of any liquid investment fund must be reviewed and approved by the Executive Director of the Sealy & Smith Foundation and the Executive Vice Chancellor for Asset Management or his designate, prior to investment of Fund monies in such liquid investment fund. No requirement exists that such funds conform to the above restrictions on money market instruments.

Corporate bonds and preferred stocks must be rated a minimum of Baa3 by Moody's Investors Service, Inc. or BBB- by Standard & Poor's Corporation, respectively, when purchased. Bonds rated below A3 or A- shall not constitute more than 25 percent of the total bond portfolio unless both the Executive Director of the Sealy & Smith Foundation and the Executive Vice Chancellor for Asset Management authorize an exception for a temporary period in order to minimize the impact from a forced sale.

No more than five percent of the voting securities of a corporation may be owned.

No securities may be purchased or held which would jeopardize the Fund's tax exempt status.

No securities may be purchased on margin or leverage.

No transactions in short sales will be made.

No transactions in financial futures and options (other than those received as part of an investment unit) will be made.
- No more than 25% of the equity portfolio shall be held in any one industry at cost.
- No more than 10% of the equity portfolio shall be held in the securities of one corporation at cost.
- No investment shall be held in real estate, partnerships, and other such illiquid assets.

CONFLICT OF INTEREST

Members of the boards of the Foundation and the Regents are frequently persons of wide-ranging business interests. Therefore, a prudent, independent investment decision process may result in investments in firms or organizations with which a member of the board of the Foundation or the Regents is affiliated. Affiliation shall be interpreted within this section to mean an employee, officer, director, or owner of five percent or more of the voting stock of a firm or organization. The investment staff or an unaffiliated investment manager may invest in such securities. However, the following restrictions shall apply:

- No member of the Board of Regents of The University of Texas System, the Sealy & Smith Foundation board, nor the Executive Vice-Chancellor for Asset Management of The University of Texas System, nor the Executive Director of The Sealy & Smith Foundation shall direct or participate in the decision to purchase or sell
securities of a firm with which such member is affiliated, unless the vote of such a board member of the Sealy & Smith Foundation is necessary to constitute the quorum required to enable the Foundation to act. Investments will not be purchased from or sold to a member of the board of the Sealy & Smith Foundation or the Board of Regents of The University of Texas System.
Executive Session of the Board
BOARD OF REGENTS
EXECUTIVE SESSION
Pursuant to Vernon's Texas Civil Statutes
Article 6252-17, Sections 2(e), (f) and (g)

Date: June 11-12, 1987

Time: The Board will recess to Executive Session, if time permits, on Thursday afternoon and continue at 9:00 a.m. on Friday morning. If the regular agenda on Thursday does not permit sufficient time to begin the Executive Session, it will convene at 9:00 a.m. on Friday.

Place: Room 134, University Center, U. T. Tyler

SUPPLEMENTAL MATERIAL
June 11-12, 1987

3a. U. T. El Paso: Appointment of Interim President Effective July 1, 1987.--

RECOMMENDATION

Executive Vice Chancellor Duncan requests concurrence by the U. T. Board of Regents in the appointment of Dr. Diana S. Natalicio, currently Vice President for Academic Affairs at U. T. El Paso, as Interim President effective July 1, 1987, at a salary to be negotiated with Executive Vice Chancellor Duncan and approved by the Board through the usual budgetary process.

BACKGROUND INFORMATION

A resume, detailing Dr. Natalicio's academic background and accomplishments, is set forth on Pages Ex.S 3 - 13. She has served as a member of the U. T. El Paso faculty continuously since September 1971, and has provided outstanding administrative leadership in various administrative posts since September 1973. President Haskell Monroe has been appointed as Chancellor, University of Missouri of Columbia, and will depart for his new assignment on or about July 1, 1987. Chairman Hay appointed the Advisory Committee to recommend candidates to succeed President Monroe on May 6, 1987. Executive Vice Chancellor Duncan, who chairs that committee, reports that the first organizational meeting was held on June 3, 1987, on the U. T. El Paso campus.
DIANA S. NATALICIO

Vice President for Academic Affairs
The University of Texas at El Paso

Office Address:
Office of the Vice President for Academic Affairs
