Meeting No. 730

THE MINUTES OF THE BOARD OF REGENTS

OF

THE UNIVERSITY OF TEXAS SYSTEM

Pages 1-41a-148

January 31, 1975

Austin, Texas

11-31-75

MEETING NO. 730

FRIDAY, JANUARY 31, 1975. --The Board of Regents of The University of Texas System convened in regular session at 9:00 a.m. on Friday, January 31, 1975, in Room 212 of the Main Building on the campus of The University of Texas at Austin, Austin, Texas.

ATTENDANCE. --The following reflects the attendance at the meeting with Chairman Shivers presiding:

Present

Chairman Shivers
 Vice-Chairman Williams
 Regent Bauerle
 Regent Clark
 Regent (Mrs.) Johnson
 Regent Law
 Regent McNeese
 Regent Nelson
 Regent Sterling

Absent

Secretary Thedford

Chancellor LeMaistre
 Deputy Chancellor Walker

The meeting was called to order by Chairman Shivers.

BOARD OF REGENTS: APPROVAL OF MINUTES OF REGULAR MEETING ON DECEMBER 13, 1974, AND EMERGENCY SPECIAL MEETING ON JANUARY 17, 1975. --As the first order of business, Chairman Shivers called for the consideration of the minutes of the Board of Regents' regular meeting held on December 13, 1974, and of the emergency special meeting held on January 17, 1975, stating that these minutes had been circulated to the members of the Board of Regents. Upon motion of Regent Nelson, seconded by Vice-Chairman Williams, the minutes of the regular meeting and of the emergency special meeting were approved in the form distributed by Secretary Thedford. The official copy of each is in the Permanent Minutes, Volume XXII, beginning with Page 1391 and Page 2169, respectively.

BOARD OF REGENTS: APPOINTMENTS OF CHAIRMEN OF STANDING COMMITTEES AND REGENTAL REPRESENTATIVES OF BOARD FOR LEASE OF UNIVERSITY LANDS. --Each member of the Board of Regents is a member of each of the Standing Committees. Chairman Shivers announced the chairman of each of the Standing Committees and the

1-31-75

regental representatives of the Board for Lease of University Lands as indicated below:

I. STANDING COMMITTEES

A. System Administration Committee

Dan C. Williams, Chairman (Reappointment as Chairman)
James E. Bauerle, D.D.S.
Edward Clark
Mrs. Lyndon B. Johnson
Thos. H. Law
A. G. McNeese, Jr.
Joe T. Nelson, M.D.
Allan Shivers
Walter G. Sterling

B. Academic and Developmental Affairs Committee

Mrs. Lyndon B. Johnson, Chairman (Reappointment as Chairman)
James E. Bauerle, D.D.S.
Edward Clark
Thos. H. Law
A. G. McNeese, Jr.
Joe T. Nelson, M.D.
Allan Shivers
Walter G. Sterling
Dan C. Williams

C. Buildings and Grounds Committee

James E. Bauerle, D.D.S., Chairman
Edward Clark
Mrs. Lyndon B. Johnson
Thos. H. Law
A. G. McNeese, Jr.
Joe T. Nelson, M.D.
Allan Shivers
Walter G. Sterling
Dan C. Williams

D. Land and Investment Committee

Edward Clark, Chairman
James E. Bauerle, D.D.S.
Mrs. Lyndon B. Johnson
Thos. H. Law
A. G. McNeese, Jr.
Joe T. Nelson, M.D.
Allan Shivers
Walter G. Sterling
Dan C. Williams

E. Medical Affairs Committee

Joe T. Nelson, M.D., Chairman (Reappointment as Chairman)
 James E. Bauerle, D.D.S.
 Edward Clark
 Mrs. Lyndon B. Johnson
 Thos. H. Law
 A. G. McNeese, Jr.
 Allan Shivers
 Walter G. Sterling
 Dan C. Williams

(The Committee of the Whole is a Standing Committee, and it is chaired by the Chairman of the Board of Regents.)

II. BOARD FOR LEASE OF UNIVERSITY LANDS

Joe T. Nelson, M.D.
 Dan C. Williams (Reappointment as member)

RECESS. --The Board of Regents recessed at 9:15 a.m. for meetings of the Standing Committees.

EXECUTIVE SESSION OF THE COMMITTEE OF THE WHOLE. --Immediately following the Open Session of the Committee of the Whole, Chairman Shivers asked the Board of Regents to retire to Room 209 and convene as a Committee of the Whole in Executive Session pursuant to Article 6252-17, Sections 2(f) and (g), V.C.S. for:

1. U. T. System: Consideration of Report of Special Committee to Review LeMaistre-Guentzel Matter (Page 137)
2. U. T. Dallas: Proposed Recommendation on Acquisition of Real Properties (Page 138)
3. U. T. Dallas: Request for Authorization to Exchange Land Between the Board of Regents of The University of Texas System and Excellence in Education Foundation (Pages 138-139)
4. U. T. Permian Basin: Consideration of Personnel and Legal Matters (Pages 140-148)

1-31-75

RECONVENE.--At 12:15 p.m., immediately following the meeting of the Committee of the Whole in Executive Session, the Board of Regents reconvened as a Board in Room 212 with the same attendance as at the earlier session.

REPORTS OF STANDING COMMITTEES

Chairman Shivers called for the reports of the Standing Committees. (With the exception of the Executive Session of the Committee of the Whole, all committees had met in the same place at which the 9:00 a.m. session of the Board of Regents had been held - Main Building 212.)

REPORT OF SYSTEM ADMINISTRATION COMMITTEE (Pages 4-5).-- The following Report of the System Administration Committee was submitted by Committee Chairman Williams who stated that all actions had been taken in open session. The report was adopted, and the recommendations therein were ratified by unanimous vote:

Report

In open session this morning, the System Administration Committee approved the following recommendations by the Administration which had been circulated to members of the System Administration Committee since its last meeting on December 13, 1974. They are now submitted in this report for formal approval by the Board of Regents:

U. T. Arlington, U. T. Austin, U. T. El Paso and Houston Health Science Center (Houston Dental Branch): Amendments to the 1973-74 and 1974-75 Budgets (4-B-75).-- It is recommended by the appropriate chief administrative officers, concurred in by System Administration, that the following amendments to the 1973-74 and 1974-75 budgets for The University of Texas at Arlington, The University of Texas at Austin, The University of Texas at El Paso and The University of Texas Health Science Center at Houston (Houston Dental Branch) be approved (Pages 4-5).

REPORT OF ACADEMIC AND DEVELOPMENTAL AFFAIRS COMMITTEE (PAGES 6 - 11). -- Committee Chairman (Mrs.) Johnson stated that the meeting of the Academic and Developmental Affairs Committee was conducted in open session. She filed the following report of the meeting of the Academic and Developmental Affairs Committee and moved that it be adopted. The report was approved, and all actions therein were ratified:

1. U. T. System: Chancellor's Docket No. 77 (Attachment No. 1). -- The Chancellor's Docket No. 77 (Attachment No. 1) was approved in the form distributed by the Secretary on January 20, 1975. The Docket (Attachment No. 1) is attached following Page 148 and made a part of these Minutes.
2. U. T. Arlington: Authorization to Create The President's Council and the Century Club for Private Fund Development Purposes. -- Chancellor LeMaistre reported that the U. T. Arlington Development Board had endorsed plans to create two new groups for development purposes at The University of Texas at Arlington, namely: The President's Council and the Century Club. Upon President Nedderman's recommendation, concurred in by Chancellor LeMaistre, authorization was given for the creation of these two new groups, which are similar to those already approved for The University of Texas at Austin, The University of Texas at San Antonio, The University of Texas of the Permian Basin and The University of Texas at Dallas. The plan for the organization of each is set out below:

Plan I

I. Name

The President's Council of The University
of Texas at Arlington

II. Purposes:

- A. To find and develop unrestricted funds for use by the President.
- B. To create an organization whose members will be active in promoting the welfare of The University of Texas at Arlington at every opportunity.
- C. To recognize and show appreciation to those alumni and friends who demonstrate their loyalty and devotion to the University through their membership.

III. Qualifications for Membership:

- A. An annual gift of \$1,000 or more for unrestricted use by the President.
- B. Membership may be held by an individual, jointly by husband and wife, or by a corporation or foundation (which will name its representative).

1-31-75

- C. A corporation gift matching an individual's qualifying gift will be deposited to The President's Council's account and will count toward qualifying the individual for membership.
- D. The matching gift does not qualify a corporation for membership.
- E. Specified prepayments (i. e. \$2,000 for two years or \$10,000 for ten years) will be accepted only if donor specifies the gift as "prepayments."
- F. Gifts made prior to the beginning of the program will not qualify the donor for membership.

Plan II

I. Name

Century Club of The University of Texas
at Arlington

II. Purposes:

- A. To find and develop unrestricted funds for use by the President.
- B. To provide an opportunity for individuals to contribute to the promotion of the welfare of The University of Texas at Arlington.
- C. To recognize and show appreciation to those alumni and friends who demonstrate their loyalty and devotion to the University through their membership.

III. Qualifications for Membership:

- A. An annual gift to the President's Office of \$100 or more for unrestricted use by the President.
- B. Membership will be held by individuals only.
- C. A corporation gift matching an individual's qualifying gift will be deposited to the Century Club's account, but will not count toward qualifying the individual for membership.
- D. The matching gift does not qualify a corporation for membership.
- E. Gifts made prior to the beginning of the program will not qualify the donor for membership.

1-31-75

3. U. T. Arlington: Authorization to Amend Student Services Fee (Required) and to Set Up a Student Services Fee (Optional) for Purchase of Yearbook (The Reveille) - (Catalog Change). --The Student Services Fee (Required) of \$2.50 per semester credit hour not to exceed the maximum of the statutory limit of \$30 per semester has previously included the fee for the yearbook (The Reveille) at The University of Texas at Arlington.

Based upon the facts that a large number of students are not interested in obtaining yearbooks, that present costs are increasing, and that it is impossible to ascertain accurately the number of yearbooks to be ordered, President Nedderman recommended that the Student Services Fee (Required) be amended so as not to include the fee for the purchase of The Reveille and that a Student Services Fee (Optional) of \$10 be established for the purchase of the yearbook effective with the fall semester of 1975-76. Chancellor LeMaistre concurred in the recommendation which was adopted by unanimous vote with instructions that the first catalog published at U. T. Arlington hereafter be amended to include this optional fee.

Committee Chairman Johnson noted that this proposal originally came from the Student Publications Committee and was also recommended by the Dean of Student Life. She introduced Royce West, President of the Student Congress at U. T. Arlington, who spoke briefly and endorsed the proposal on behalf of the Student Congress.

4. U. T. Arlington: Authorization to Seek from Coordinating Board Permission to Establish Program Leading to Degree of Master of Professional Studies (Catalog Change). --Committee Chairman (Mrs.) Johnson presented the recommendation of President Nedderman, concurred in by Chancellor LeMaistre, which requested that permission be sought from the Coordinating Board, Texas College and University System to establish at The University of Texas at Arlington a graduate program leading to the degree of Master of Professional Studies.

The proposed program, continued Committee Chairman (Mrs.) Johnson, is geared to an urban university such as U. T. Arlington. The program proposes to avoid a fixed curriculum or other specific requirements but is devised to each student's need. If the program is established, it will be initiated in 1975-76 with an enrollment of about 10 students. The cost of the program is estimated at \$6,500 annually for operating expenses and it will be self-supporting from "formula generated income."

By unanimous vote, the recommendation was approved.

If this program is approved by the Coordinating Board, the first catalog published thereafter by U. T. Arlington will be amended to conform thereto.

1-31-75

5. U. T. Austin: Ratification and Approval of Letter with Respect to Understanding Reached with Regard to Gifts from Dr. and Mrs. C. L. Lundell (Lundell Rare Book Library in Harry Ransom Center to be Known as Lundell Library). --The letter set out below from attorneys for Dr. and Mrs. C. L. Lundell with respect to an understanding reached with the Administration at The University of Texas at Austin regarding gifts of papers and private library was ratified and in all things approved. The committee expressed deep appreciation to Mr. and Mrs. Lundell for their continued interest in and generosity to The University of Texas at Austin:

July 30, 1974

Dr. Stephen H. Spurr, President
 University of Texas at Austin
 Austin, Texas 78712

Re: Lundell Library of the University of
 Texas at Austin Humanities Research
 Center

Dear Dr. Spurr:

We represent Dr. and Mrs. C. L. Lundell who have shown their generosity to the University by endowing the C. L. Lundell Chair in Systematic Botany and establishing the Lundell Rare Book Library at the University's Humanities Research Center. The Lundells have recently been discussing their plans concerning Dr. Lundell's Papers and their private library with the Director and Librarian of the Humanities Research Center. They have asked that I review the understandings they have reached in this regard with you for your approval.

It has been agreed that the Lundell Rare Book Library shall henceforth be known as the Lundell Library. This name change reflects the expanded scope of the collection.

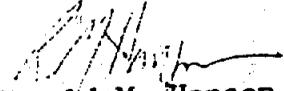

1-31-75

We have been informed that Dr. Lundell plans to deposit his Papers with the Humanities Research Center. Such Papers shall remain the personal property of the Lundells, however, and they shall retain the right to withdraw all or any part of these Papers at any time. Similarly, if at any time it becomes inconvenient for the Humanities Research Center to store the Papers, the Director of the Center will contact the Lundells in order that they may be returned. The Lundells currently intend to bequeath these Papers to the Lundell Library.

The Lundells also intend to deposit certain books on loan from their private library with the Lundell Library, including their Linnaean collection. Such books shall likewise remain the personal property of the Lundells subject to withdrawal or other disposition at any time.

If this arrangement meets with your approval, please acknowledge by returning the enclosed duplicate copy of this letter. *OK returned 8/12.*

Very truly yours,

Ronald M. Hanson

APPROVED BY THE UNIVERSITY OF TEXAS AT AUSTIN

By

STEPHEN H. SPURR, PRESIDENT

David Clay

1-31-75

6. U. T. Dallas: Authorization to Seek from Coordinating Board Permission to Establish Program Leading to Master of Science and Master of Arts in Teaching (Catalog Change). --Upon the recommendation of President Jordan, concurred in by Chancellor LeMaistre, authorization was given to seek from the Coordinating Board, Texas College and University System permission to establish at The University of Texas at Dallas a graduate program in Human Development leading to a degree of Master of Science (in Human Development) and Master of Arts in Teaching (in Early Childhood Education).

Committee Chairman (Mrs.) Johnson explained that when President Jordan submitted the academic plan for U. T. Dallas to the Academic and Developmental Affairs Committee on October 13, 1971, he indicated he would later ask for a Ph. D. in Social Sciences. The proposed program leading to a Master of Science and Master of Arts in Teaching is a substitute for the contemplated Ph. D. in Social Sciences. The emphasis of the program is early childhood education and is relevant to the existing U. T. Dallas programs in Special Education and Communication Disorders.

If establishment of the program is approved by the Coordinating Board, President Jordan anticipates it will be offered in September 1975 with a full-time equivalent enrollment of 40 students and estimates that it will cost approximately \$69,400 the first year, which expenses will be offset by "formula generated income within the program."

The first catalog published by U. T. Dallas after approval by the Coordinating Board will be amended to conform thereto.

7. U. T. Dallas: Authorization to Seek from Coordinating Board Permission to Establish Program Leading to Degrees of Master of Landscape Architecture, Master of Planning, and Master of Design (Catalog Change). --Upon the recommendation of President Jordan, concurred in by Chancellor LeMaistre, authorization was given to seek from the Coordinating Board, Texas College and University System permission to establish at The University of Texas at Dallas a graduate program in Design leading to degrees of Master of Landscape Architecture, Master of Planning, and Master of Design.

Committee Chairman (Mrs.) Johnson noted that this program encompasses the four disciplines of landscape architecture, planning, industrial design and interior design, as well as graphics and communications. It is geared to a metropolitan area since all of the disciplines are interrelated. Dr. Jordan proposes to begin this program in September 1976 with a full-time equivalent of 50 students. It is estimated that this program will cost approximately \$207,000 the first year but that by the third academic year it should be self-sustaining.

If this program is approved by the Coordinating Board, the first catalog published thereafter by U. T. Dallas will be amended to conform thereto.

1-31-75

REPORT OF BUILDINGS AND GROUNDS COMMITTEE (PAGES 12-23).-- Committee Chairman Bauerle filed the following Report of the Buildings and Grounds Committee and moved its adoption (Pages 13-23). He stated that all items in the report he had filed had been taken in open session. To Chairman Shivers, Committee Chairman Bauerle referred the recommendations regarding Texas Union East at The University of Texas at Austin.

U. T. Austin - Texas Union East: Approval of Preliminary Plans and Specifications; Board of Regents' Policy Statement with Respect to Financing. -- Chairman Shivers presented the preliminary plans and outline specifications for the Texas Union East at The University of Texas at Austin that had been prepared by the project architect, Jessen Associates, Inc. These preliminary plans and outline specifications at an estimated total project cost of \$6,500,000 were adopted without objection.

In connection therewith and on behalf of the Board, Chairman Shivers issued the following as a policy statement of the Board of Regents with regard to financing this project:

If through the use of a representative sampling of student opinion the Texas Union Board of Directors demonstrates that the following project (Texas Union East) has the widespread support among U. T. Austin students and if the Texas Legislature increases the Texas Union fee that can be levied from the present maximum of \$10 per semester to a maximum of \$18 per semester and amends the Texas Union statute so as to permit the construction of the Texas Union East facility and to permit the issuance of bonds to fund that project, the Board of Regents of The University of Texas System upon the request of the Texas Union Board of Directors will cause not more than \$7,000,000 of bonds to be issued and will increase the Texas Union fee to not more than \$18 per semester to fund the project and will cause Texas Union East facility to be built in accordance with the preliminary plans approved by the Board of Regents, but the Board of Regents will not levy and collect the increased Texas Union fee until the Texas Union East facility is constructed and available for use by students, which availability should be approximately two years after construction begins which will probably be in the fall of 1975.

The policy statement was approved by unanimous vote.

1-31-75

Report

1. U. T. Arlington - Renovation of Engineering Technology Building: Committee Appointed to Award Contract. --System Administration reported that an invitation for bids for the Renovation of the Engineering Technology Building at The University of Texas at Arlington had been issued as authorized at the Regents' meeting on December 13, 1974, and that bids would be received between meetings of the Board. In order to expedite the project schedule, a committee comprised of the following was appointed to award a construction contract for this project within the \$2,300,000 previously appropriated:

President Nedderman
 Director Kristoferson
 Deputy Chancellor Walker
 Buildings and Grounds Committee
 Chairman Bauerle
 Board Chairman Shivers

2. U. T. Austin - Utilities Extension North of 26th Street: Approval of Final Plans and Authorization to Advertise for Bids. --The final plans and specifications for the Utilities Extension North of 26th Street on the campus of The University of Texas at Austin prepared by the Project Engineer, B. Segall, Jr., and Associates, Austin, Texas, were approved, and the Director of the Office of Facilities Planning and Construction was authorized to advertise for bids for the project to be brought to the Board of Regents for consideration at a future meeting. These plans provide for a major extension of chilled water and steam to be carried under a pedestrian bridge spanning 26th Street and continuing underground north to the site of the future Animal Resources Center.

The approved estimated total project cost for this utility extension is \$1,496,000 and, as an authorized part of the Animal Resources Center project, the funds have been previously appropriated.

3. U. T. Austin: Ratification of Authorization to Special Committee on Brackenridge Lands to Resolve Costs for Sidewalks in Relocation of Red River Street from 18th to 26th Streets. --At the meeting on December 13, 1974, Committee Chairman Erwin reported that the City of Austin had taken bids on the relocation of Red River Street between 18th and 26th streets and had requested that the University contribute a part of the cost of this project since The University of Texas at Austin had requested a certain type of sidewalk. Though this item was not on the agenda, Chairman McNeese authorized the Special Committee that considered the Brackenridge Tract matters (Regent Shivers, Chairman, Regent Clark and Regent Erwin) to enter into negotiations with the City to solve that matter since the City wants to award a contract for this relocation at an early date. The Chairman of the Special Committee will report the results of the negotiations at a later meeting.

The action reflected herein was ratified.

1-31-75

4. U. T. Austin - Tower (Observation Deck): Authorization to Close Observation Deck Permanently to the Public. --At the meeting on November 1, 1974, the Buildings and Grounds Committee was asked to study the various ways of making the Observation Deck of the Tower on the campus of The University of Texas at Austin safe and to bring back recommendations thereon. In accordance therewith, a detailed report was received at the Regents' meeting on December 13, 1974, but President Rogers asked permission to study the plan further.

System Administration reported that after further study and in consultation with her staff and the Office of Facilities Planning and Construction President Rogers recommended the following:

- a. That the Observation Deck be permanently closed to the public.
- b. Alternatively, if the above recommendation is not acceptable to the Board, that the 26th floor of the Tower be remodeled by the Office of Facilities Planning and Construction for use as an enclosed observation deck at an estimated total project cost of \$88,000, with the funds to be appropriated from Permanent University Fund Bond proceeds.

Upon motion of Regent Nelson, seconded by Regent (Mrs.) Johnson, the recommendation of President Rogers that the Observation Deck be permanently closed to the public was approved by unanimous vote.

5. U. T. Austin - Landscaping of San Jacinto Boulevard - 19th Street: Award of Contract to Landscape Contractors, Inc., Austin, Texas. -- System Administration reported that work under the contract awarded to B. L. McGee Construction Company and B. L. McGee, Inc., Joint Venture, Austin, Texas, including among other things general landscape development of the campus of The University of Texas at Austin in the vicinity of San Jacinto Boulevard and 19th Street, is presently underway. It was further reported that at the time this contract was awarded \$125,000 was reserved to finish the landscaping in the future, including the purchase and installation of plant materials and an irrigation system. For this latter work, System Administration invited bids which were received on January 2nd. A report of the bids was submitted to the Buildings and Grounds Committee.

Upon recommendation of System Administration, a contract was awarded to the low bidder, Texas Landscape Contractors, Inc., Austin, Texas, in the amount of \$123,193 for the Landscape Planting Materials and Irrigation System in the vicinity of San Jacinto Boulevard and 19th Street on the U. T. Austin campus.

1-31-75

6. U. T. Austin - Hal C. Weaver Power Plant - Expansion of Generating Capacity: Report of Results of Bid Opening for Advance Procurement of Steam Turbine and Steam Condenser System; Authorization to Negotiate Contracts and Appointment of Special Committee to Approve Negotiations and Award Contracts. -- Pursuant to authorization at the Regents' meeting on November 1, 1974, the Office of Facilities Planning and Construction advertised for bids for the major items of equipment required for the expansion of the generating capacity in the Hal C. Weaver Power Plant at The University of Texas at Austin. The major items of equipment consisted of a steam turbine and steam condenser system in order to expand by 30 megawatts the generating capacity of the Hal C. Weaver Power Plant.

System Administration reported that the Office of Facilities Planning and Construction, the Project Engineer, Power Systems Engineer, Inc., and the Director of the Physical Plant at U. T. Austin, and his staff had completed a comprehensive review and evaluation of the general and technical consideration of the bids and reported the following:

- a. All bidders took exception to certain provisions of the Uniform General Conditions, Supplemental General Conditions and Special Conditions in the contract documents, especially those conditions more specifically addressed to construction work. Research has shown that, in like equipment manufacture and delivery procurement by other governmental entities, it is common practice to limit such conditions to those related to industrial production. It would be reasonable to modify the conditions by negotiations with the successful bidder.
- b. Although aware that the invitation for bids requested fixed price quotations, only DeLaval's base bid for the Turbine-Generator was a fixed price. Technically, however, it was nonresponsive and unacceptable because it was for substitute equipment which had not been approved before bidding and which is unacceptable to the User. All the other bids (including DeLaval's alternate bids) contained cost escalation factors in one form or another. It appears that rapidly fluctuating economic conditions today generally result in proposals which include escalation factors in the procurement of major items of equipment like these, especially where delivery times of two years or more are involved. Research after bid opening reveals that this situation also existed in the previous procurement of a turbine-generator and condenser system for U. T. Austin in 1958. Other governmental agencies, specifically the City of Austin and the Lower Colorado River Authority, have recently procured similar equipment with escalation clauses included in the price determination.

1-31-75

- c. Both bidders for the turbine-generator listed some variances from technical specifications. Technical, economic, and contractual evaluations show that the proposal of General Electric Company for the Steam Turbine-Generator was more fully responsive to the Invitation for Bids and that its proposal would provide both the best and most acceptable equipment, as intended and described in the procurement documents. In addition, it submitted the least costly bid.
- d. Both bids for the Steam Condenser System were technically responsive to the bid invitation. Only in taking exception to the General, Supplemental and Special Conditions did either bidder fail to be completely responsive. Foster-Wheeler Energy Corporation's bid was the lowest and best of the bids for the Steam Condenser System.
- e. It appears that the entire project for expansion of the generating capacity of the Hal C. Weaver Power Plant can be accomplished within the authorized funds provided inflation does not become increasingly worse.

As a result of the evaluations made and upon recommendation of President Rogers and System Administration:

- a. The Director of the Office of Facilities Planning and Construction, assisted by the Project Engineer and the Director of the Physical Plant at U. T. Austin, was authorized to negotiate with General Electric Company and Foster-Wheeler Energy Corporation to reach agreement on the general contract provisions and the technical variances; also to reach agreement on reasonable, but limited, escalation clauses which will protect the rights of each party.
 - b. A committee (consisting of Director of Physical Plant Wilcox, Vice-President Colvin, Director Kristoferson, Deputy Chancellor Walker, Buildings and Grounds Committee Chairman Bauerle and Board Chairman Shivers) was appointed to approve the negotiations and award contracts within funds previously appropriated.
7. U. T. Austin (Marine Science Institute at Galveston) (Formerly Part of Marine Biomedical Institute at Galveston Medical Branch) - Bulkhead, Concrete Cap and Walkway on Shoreline Adjacent Thereto: Award of Contract to A. C. Ellis Corporation, Galveston, Texas, and Additional Appropriation Therefor. --For the construction of a Bulkhead, Concrete Cap and Walkway on Shoreline Adjacent to the Marine Science Institute at Galveston of The University of Texas

' 1 - 31 - 75

at Austin (formerly a part of Marine Biomedical Institute at Galveston Medical Branch), a construction contract was awarded to the low bidder, A. C. Ellis Corporation, Galveston, Texas, as set out below:

Base Bid	\$ 255,000
Add Alternates:	
No. 1 (North Extension)	150,000
No. 2 (South Extension)	<u>165,000</u>
Total Contract Award	<u>\$ 570,000</u>

The total project cost was increased from the original \$225,000 approved May 3, 1974, to \$625,000 which amount will cover the construction contract award, contingencies, fees and miscellaneous expenses. For this project \$225,000 had been previously appropriated from Permanent University Fund Bond proceeds, and the Buildings and Grounds Committee authorized an additional \$400,000 from the same source.

8. U. T. El Paso - Engineering-Science Complex: Inscription on Plaque. -- Approval was given for the following inscription on the plaque to be placed on the Engineering-Science Complex at The University of Texas at El Paso. This inscription follows the standard pattern approved by the Board of Regents at its meeting held on October 1, 1966:

ENGINEERING-SCIENCE COMPLEX

9. U. T. Permian Basin - Water (Untreated) Sources: Award of Contract to Asa Hunt, Inc., Dallas, Texas, for Pumping Units. --Pursuant to authorization at the Regents' meeting on December 13, 1974, bids had been called for on major items of equipment for the untreated water system to serve the irrigation system on the campus of The University of Texas of the Permian Basin. The bids received were presented to the Buildings and Grounds Committee; and, upon recommendation of Acting President Cardozier and System Administration, a contract was awarded to the low bidder, Asa Hunt, Inc., Dallas, Texas, in the amount of \$33,496.

It was noted that the funds for the contract award are within the funds previously appropriated for this project.

10. U. T. San Antonio - Phase I Buildings (Physical Education Building, Humanities-Business Building, John Peace Library, Convocation Center, Arts Building, Science Education Building and Physical Plant Building): Inscriptions on Plaques. --The inscriptions set out below were approved for the plaques to be placed on the Phase I Buildings (Physical Education Building, Humanities-Business Building, John Peace Library, Convocation Center, Arts Building, Science Education Building and Physical Plant Building) at The University of Texas at San Antonio. These inscriptions follow the standard pattern approved by the Board of Regents at its meeting held on October 1, 1966:

11. U. T. San Antonio - John Peace Library: Award of Contracts for Furniture and Furnishings to Litton Office Products Centers, San Antonio, Texas; Rockford Furniture Associates, Austin, Texas; Abel Contract Furniture and Equipment Company, Inc., Austin, Texas, and Estey Corporation, Red Bank, New Jersey. -- For furniture and furnishings for the John Peace Library at The University of Texas at San Antonio contracts were awarded as set out below to the low bidders:

Litton Office Products Centers, San Antonio, Texas		
Base Bid "A" (General Furniture)	\$107,397.99	
Base Bid "E" (Office Furniture)	25,381.50	
Base Bid "F" (Steel Office Furniture)	<u>56,807.46</u>	
Total Contract Award Litton Office Products Centers		\$ 189,586.95
Rockford Furniture Associates, Austin, Texas		
Base Bid "B" (Library Casework)	<u>\$116,241.85</u>	116,241.85
Abel Contract Furniture and Equipment Company, Inc., Austin, Texas		
Base Bid "C" (Lounge Furniture)	\$ 32,944.32	
Base Bid "D" (Library Furniture)	75,295.18	
Add Alternate #1 to Base Bid "D"	<u>8,532.00</u>	
Total Contract Award Abel Contract Furniture and Equipment		116,771.50
Estey Corporation, Red Bank, New Jersey		
Base Bid "G" (Steel Bookstacks)	<u>13,799.00</u>	<u>13,799.00</u>
TOTAL CONTRACT AWARDS		<u>\$ 436,399.30</u>

It was noted that the funds necessary to cover these contract awards are available in the Furniture and Equipment Account for this project.

12. Dallas Health Science Center (Dallas Southwestern Medical School) - Faculty Center (in the Fred F. Florence Bioinformation Center):
Named Alfred William Harris Faculty and Alumni Center. -- Upon the recommendation of President Sprague, concurred in by System Administration, the Faculty Center in the Fred F. Florence Bioinformation Center at the Dallas Southwestern Medical School of The University of Texas Health Science Center at Dallas was named the Alfred William Harris Faculty and Alumni Center in memory of Dr. Harris.

1-31-75

13. Galveston Medical Branch (Galveston Medical School) - Addition to Animal Facility: Approval of Final Plans and Authorization to Advertise for Bids. -- Upon the recommendation of President Levin and System Administration, the final plans and specifications for the Addition to the Animal Facility at the Galveston Medical School of The University of Texas Medical Branch at Galveston were approved as prepared by the Project Architect, Louis Lloyd Oliver and Tibor Beerman, Galveston, Texas. These plans provide approximately 20,000 square feet for Basic Science Research at an estimated total project cost of \$599,718 which has been previously appropriated.

The Director of the Office of Facilities Planning and Construction was authorized to advertise for bids for this project to be presented to the Board of Regents for consideration at a future meeting.

14. Galveston Medical Branch (Galveston Hospitals), Houston Health Science Center and University Cancer Center (M. D. Anderson Hospital) - Central Food Service Facility: Approval of Preliminary Plans. -- The preliminary plans and specifications for the construction of the Central Food Service Facility to serve the Galveston Medical Branch, the Houston Health Science Center and the University Cancer Center, as prepared by the Project Architect, Bernard Johnson, Inc., Houston, Texas, were approved. Authorization was given for the final plans and specifications to be prepared by the Project Architect to be presented to the Board of Regents for consideration at a future meeting.
15. San Antonio Health Science Center (San Antonio Dental School) - Cafeteria and Other Support Facilities: Approval of Preliminary Plans. -- Approval was given to the preliminary plans and outline specifications for the construction of a satellite cafeteria facility and additional support facilities at the San Antonio Dental School of The University of Texas Health Science Center at San Antonio, as authorized at the July 19, 1974 meeting of the Board of Regents. These preliminary plans covering approximately 20,000 square feet had been prepared by the Project Architects, Phelps and Simmons and Garza and Bartlett Cocke and Associates, San Antonio, Texas, at a total estimated project cost of \$1,200,000 which had been previously appropriated. The Project Architects were authorized to prepare final plans and specifications for this project to be presented to the Board of Regents for consideration at a future meeting.

It was pointed out that investigations had determined that the most advantageous location for this project is between the Dental School and School of Nursing buildings which are in the center of the population to be served.

1-31-75

16. University Cancer Center (M. D. Anderson) - Environmental Science Park, Buescher Division at Smithville: Approval of Preliminary Plans. --Upon recommendation of President Clark and System Administration, the preliminary plans and outline specifications for the construction of initial facilities in the Buescher State Park Area of the Environmental Science Park at Smithville of The University of Texas System Cancer Center prepared by the Project Architect, Kenneth E. Bentsen Associates, Houston, Texas, were approved at an estimated total project cost of \$2,500,000. These facilities will include, among other things, a conference center, laboratories, housing and dining facilities covering approximately 46,000 square feet.

The Project Architect was authorized to prepare final plans and specifications to be presented to the Board of Regents for consideration at a future meeting.

REPORT OF LAND AND INVESTMENT COMMITTEE (PAGES 23-31). -- Committee Chairman Clark stated that all actions in the following Report of the Land and Investment Committee had been taken in open session and he moved that the report be approved and the actions therein be ratified. This motion was duly seconded and unanimously prevailed:

Though the Chairman of the Board of Regents has authority to execute any document authorized by the Board, either the Associate Deputy Chancellor for Investments, Trusts and Lands or the Deputy Chancellor for Administration may execute, unless otherwise indicated in the report, all necessary instruments authorized in this report that relate to real estate or mineral interests held or controlled by the Board of Regents as a part of the Permanent University Fund or as a part of any Trust or Special Fund when each has been approved as to form by a University attorney and as to content by an appropriate official.

A. INVESTMENT MATTERS

Report on Clearance of Monies to Permanent University Fund and Available University Fund. --The following report with respect to monies cleared by the General Land Office to the Permanent University Fund and Available University Fund for the current fiscal year through December 1974 was received from the Auditor, Auditing Oil and Gas Production and made a part of this Committee's report:

II. TRUST AND SPECIAL FUNDS

GIFTS, BEQUESTS AND ESTATES

1. U. T. Austin: Acceptances of Gifts (a) From Mrs. Clara Elisabeth Bates Nisbet and Mrs. Kate Harding Bates Parker to Establish Bates, Broocks, Border, Roberts Endowed Presidential Scholarship Fund, (b) From V. F. Neuhaus to Establish Mrs. V. F. (Gertrude) Neuhaus Endowed Presidential Scholarship Fund and (c) From Dean Emeritus Willis Raymond Woolrich and Wife to Establish Neena M. Woolrich Presidential Endowed Scholarship Fund for College of Engineering Students. -- Upon recommendation of President Rogers and Associate Deputy Chancellor Lobb, Committee Chairman Clark moved that the following gifts be accepted with sincere thanks from the Board of Regents for the purpose of establishing endowed presidential scholarship funds at The University of Texas at Austin as follows. Vice-Chairman Williams seconded the motion which unanimously prevailed:
 - a. From Mrs. Clara Elisabeth Bates Nisbet and her sister, Mrs. Kate Harding Bates Parker, \$25,000 to establish the Bates, Broocks, Border, Roberts Endowed Presidential Scholarship Fund in honor of members of their family
 - b. From Mr. V. F. Neuhaus, \$25,000 to establish the Mrs. V. F. (Gertrude) Neuhaus Endowed Presidential Scholarship Fund
 - c. From Dean Emeritus Willis Raymond Woolrich and wife, \$25,000 (\$1,541.64 cash and beneficiary of policies on Dean Woolrich's life \$23,458.36) to establish the Neena M. Woolrich Presidential Endowed Scholarship Fund for College of Engineering Students

2. U. T. Austin: Acceptance of Gift from Misses Eunice and Naomi Ware, Longview, Texas, of Funds from Their Deceased Sister, Lois Philip Ware, and Establishment of Lois Philip Ware Scholarship Fund in Memory of Her Father, John Allen Ware, and Lois Philip Ware Scholarship Fund in Memory of Her Mother, Horace B. Ware. -- Upon recommendation of President Rogers, concurred in by Associate Deputy Chancellor Lobb, the Board of Regents accepted with gratitude from Misses Eunice and Naomi Ware, Longview, Texas, a gift of \$20,000 from their deceased sister's (Lois Philip Ware) estate to endow the following scholarship funds at The University of Texas at Austin:
 - a. Lois Philip Ware Scholarship Fund in Memory of Her Father, John Allen Ware - \$10,000
 - b. Lois Philip Ware Scholarship Fund in Memory of Her Mother, Horace B. Ware - \$10,000

The income from the first scholarship fund shall be used for students in the School of Law and the income from the latter scholarship fund shall be used for students majoring in English.

3. Galveston Medical Branch (Galveston Medical School): Acceptance of Gift from Dr. Lee E. Edens and Establishment of Mary Huling Edens Lectureship in Medical Genetics. -- Upon the recommendation of President Levin and Associate Deputy Chancellor Lobb, a gift of \$10,000 to endow a lectureship was accepted with gratitude from Dr. Lee E. Edens, and the Mary Huling Edens Lectureship in Medical Genetics at the Galveston Medical School of The University of Texas Medical Branch at Galveston was established in honor of Dr. Edens' wife.
4. Galveston Medical Branch (Galveston Medical School): Ratification of Acceptance of 10.5 Acres from Dr. Raleigh R. Ross of Austin to Apply Toward Endowment of Alonzo Alvery Ross, M.D., Professorship in General Surgery. -- A report was received from Associate Deputy Chancellor Lobb that Dr. Raleigh R. Ross of Austin, Texas, had deeded to the Board of Regents of The University of Texas System 10.5 acres of land out of the William H. Sanders Survey No. 54 of Travis County, Texas, with 1,000 feet frontage on Highway 290 just north of Lake Walter Long (formerly Decker Lake), and that, with the approval of the Deputy Chancellor for Administration, Associate Deputy Chancellor Lobb had signed on December 31, 1974, an acceptance of this gift on behalf of the Board of Regents. The land has been appraised at \$85,000.

Dr. Ross has requested that the proceeds from this gift be applied toward the endowment of a Professorship in General Surgery in memory of Alonzo Alvery Ross, M.D. (father of Dr. Raleigh R. Ross) at the Galveston Medical School of The University of Texas Medical Branch at Galveston. Dr. Ross plans to contribute the balance needed to make the endowment in 1975-76 at which time the professorship will be established.

Upon recommendation of President Levin, concurred in by Chancellor LeMaistre, the acceptance of this gift was ratified with deep appreciation to Dr. Ross.

5. Galveston Medical Branch (Galveston Medical School): Acceptance of Gift from Friends and Former Students of Dr. Roy A. Stout and Establishment of Dr. Roy A. Stout Lectureship in Oral Surgery. -- Upon recommendation of President Levin, concurred in by Associate Deputy Chancellor Lobb, a gift of \$10,000 was accepted from various friends and former students of Dr. Roy A. Stout to endow a lectureship. The Dr. Roy A. Stout Lectureship in Oral Surgery was established at The Galveston Medical School of The University of Texas Medical Branch at Galveston. Dr. Stout was a member of the Galveston Medical School faculty for many years and also served as Chief of the Division of Oral Surgery at the School. The other members of the Land and Investment Committee joined Committee Chairman Clark in an expression of appreciation for this gift.

6. University Cancer Center (M. D. Anderson): Establishment of Charles B. Barker Professorship in Surgery. -- Upon recommendation of President Clark, concurred in by Chancellor LeMaistre, it was ordered that all of the bequest of Charles B. Barker, Deceased, be placed in an endowment fund for the Charles B. Barker Professorship in Surgery at M. D. Anderson Hospital and Tumor Institute of The University of Texas System Cancer Center.

It was reported that \$113,000 from the residuary estate of Charles B. Barker had been received and that a total of \$415,000 will be received within the next few months.

Authorization was given to establish the Charles B. Barker Professorship in Surgery at M. D. Anderson.

III. OTHER MATTERS

PUF and Trust and Special Funds: Report of Securities Transactions for the Months of October and November 1974. -- The Report of Securities Transactions for Permanent University Fund and for Trust and Special Funds for October and November 1974, submitted by the Office of Investments, Trusts and Lands, was received. It is attached (Attachment No. 2) following Page N-6 of Attachment No. 1 and made a part of these Minutes.

REPORT OF MEDICAL AFFAIRS COMMITTEE (PAGES 31-37). -- Committee Chairman Nelson filed the following report of the Medical Affairs Committee and moved its adoption, stating that all actions had been taken in open session. The motion was duly seconded and prevailed by unanimous vote:

1. Dallas Health Science Center (Dallas Allied Health Sciences School and Dallas Southwestern Medical School): Affiliation Agreement with Medical Arts Clinic Association of Corsicana, Texas. -- The affiliation agreement between the Board of Regents of The University of Texas System on behalf of The University of Texas Health Science Center at Dallas and the Medical Arts Clinic Association of Corsicana, Corsicana, Texas, was approved as set out on Pages 32-35.

Committee Chairman Nelson emphasized the fact that this would move students into less populous areas and would aid in alleviating the health manpower shortages in rural areas.

The Chairman of the Board of Regents was authorized to execute this affiliation agreement when it has been approved as to content by the Assistant to the Chancellor for Health Affairs and the Deputy Chancellor for Administration and as to form by a University attorney.

AFFILIATION AGREEMENT BETWEEN
MEDICAL ARTS CLINIC ASSOCIATION OF CORSICANA AND
THE UNIVERSITY OF TEXAS HEALTH SCIENCE CENTER AT DALLAS

This Affiliation Agreement made and entered into the _____ day
of _____, 1975, by and between the Medical Arts Clinic
Association of Corsicana, a Texas professional association located in
Corsicana, Navarro County, Texas, hereinafter referred to as the "M.A.C.A.C."
and The University of Texas Health Science Center at Dallas, Dallas County,
Texas, hereinafter referred to as the "Health Science Center".

WITNESSETH:

WHEREAS, the M.A.C.A.C. and the Health Science Center have common objectives, including (i) the advancement of medical knowledge through investigation and professional service through care of the sick; (ii) promotion of personal and community health in rural and medically underserved areas; (iii) alleviation of health manpower shortages in the non-urban environment; (iv) the development of an expanded, rural based teaching program with emphasis on rural preceptorships and residency rotations in family medicine and related medical and allied health specialties; (v) the expansion of new and innovative methods for health care delivery in non-urban areas; and (vi) the integration of family medicine within a multidisciplinary group practice setting; and

WHEREAS, it is acknowledged that a non-urban multispecialty group practice and a Health Science Center can accomplish these objectives more effectively through affiliation with each other.

NOW, THEREFORE, the M.A.C.A.C. and the Health Science Center agree to affiliate upon the following terms:

Sec. 1. The University of Texas Health Science Center at Dallas: Jurisdiction and Responsibilities

- (a) The respective schools of the Health Science Center will be operated as reputable and accredited schools.
- (b) The Board of Regents of the University of Texas System will retain all jurisdictional powers incident to separate ownership, including

the power to determine the general and fiscal policies of the Health Science Center and to appoint its administrative staff, faculty and other personnel.

- (c) Except as otherwise provided, the Board of Regents of the University of Texas System shall pay all expenses incurred in the operation of the Health Science Center.
- (d) The Health Science Center will provide, where indicated and mutually agreeable, the direction and personnel necessary to conduct certain Health Science Center programs of research and teaching at the M.A.C.A.C.

Sec. 2. Medical Arts Clinic Association of Corsicana: Jurisdiction and Responsibilities

- (a) The M.A.C.A.C. shall retain all rights incident to its separate ownership, including the right to determine its general and fiscal policies and the right to determine the acceptability and desirability of its administrative and staff personnel.
- (b) The M.A.C.A.C. will operate its facilities in a manner and with standards generally consistent with those established by the American Group Practice Association.
- (c) The Administration of the Health Science Center and the Board of Regents of the University of Texas System agree that academic status is important in attracting and maintaining well-qualified individuals for teaching positions at the M.A.C.A.C. and that academic appointments will be made by the Health Science Center for individuals in key positions, if mutually desirable.
- (d) The M.A.C.A.C. will provide the facilities, administration, basic equipment, and personnel necessary to conduct teaching programs for undergraduates and postgraduates. The teaching, research, and service activities of the M.A.C.A.C. will be conducted jointly and in cooperation with the programs of the Health Science Center, as it relates to this teaching program.

- (e) All patients of the M.A.C.A.C. shall be subject to the exclusive direction and control of the M.A.C.A.C.
- (f) All expenses incurred in the operation of the M.A.C.A.C. shall be paid by the M.A.C.A.C. All expenses incurred in the operation of the Health Science Center shall be paid by the Health Science Center.

Sec. 3. Joint Responsibilities

- (a) To augment the purposes of the affiliation, a Policy and Planning Committee shall be established with an equal number of representatives from the M.A.C.A.C. and from the Health Science Center. The Committee shall elect its own chairman and shall study and recommend policies and programs of mutual interest, including, but not limited to (i) health education, (ii) health research, (iii) direct educational costs, and (iv) time commitment of participating health professionals. The Committee shall meet at least quarterly.
- (b) The M.A.C.A.C. and the Health Science Center agree to cooperate in good faith in carrying out the common objectives and purposes of this Affiliation Agreement.

Sec. 4. Period of Agreement

- (a) This agreement is for a period of one year from its effective date, and thereafter from year to year unless terminated by either party on six months' written notice.

Sec. 5. Effective Date

This agreement takes effect on _____, 19_____.

EXECUTED by the parties on the day and year first above written.

2. Galveston Medical Branch: Blood Assurance Plan Approved. -- As a result of the President's call on the U. S. Department of Health, Education and Welfare in March 1972 to make an extensive study and to recommend to him a plan for developing a safe, fast and effective nation-wide blood collection and distribution system, the National Blood Assurance Program was developed. At The University of Texas Medical Branch at Galveston there has been in existence since 1972 a Blood Assurance Plan. This is a form of insurance in which the blood donor gives a unit of acceptable blood to The University of Texas Medical Branch Blood Bank and in return the Blood Bank assures the donor that it will provide any and all blood needed by him or his immediate family during that year. All employees and students of the Galveston Medical Branch are eligible to apply for membership in this plan.

Under the terms of the National Blood Policy of the U. S. Department of Health, Education and Welfare prisoners and paid blood donors will no longer be acceptable as blood donors effective January 1, 1976. With this in mind, President Levin recommended in order that The University of Texas Medical Branch Blood Bank have a safe plentiful blood supply for the medical needs of the patients at the Galveston Hospitals that volunteer donors from the community be offered blood coverage under the Medical Branch's Blood Assurance Plan.

It was ordered by unanimous vote that the application for membership in the Blood Assurance Plan at the Galveston Medical Branch be extended to include the citizens of Galveston County.

3. Galveston Medical Branch (School of Allied Health Sciences): Authorization to Seek from Coordinating Board Permission to Establish Two-Year Baccalaureate Degree Program in Allied Health Services (Catalog Change). -- Upon the recommendation of President Levin, concurred in by Chancellor LeMaistre, authorization was given to seek from the Coordinating Board, Texas College and University System permission to establish at the School of Allied Health Sciences of The University of Texas Medical Branch at Galveston a two-year baccalaureate degree program entitled Allied Health Services to begin in 1975-76.

This program would permit individuals with associate degrees in technical health fields, such as respiratory therapy and radiologic technology, to become multiply skilled and to obtain a higher level of education and credentials, thus permitting them to expand their roles and functions as supervisors, managers, researchers, community health workers or teachers. The program would begin with ten students and it is anticipated that enrollment would increase each year for the next four years to a level of sixty-five per year. The first year's anticipated cost is \$91,115 which is to be funded principally in the form of legislative appropriations.

If this program is approved by the Coordinating Board, the first catalog published thereafter by the Galveston Medical Branch will be amended to conform thereto.

4. San Antonio Health Science Center (School of Allied Health Sciences) in Cooperation with U. T. San Antonio: Authorization to Request from Coordinating Board Permission to Establish Three New Certificate Programs in Dental Allied Health Education (Catalog Change). --Authorization was given to seek from the Coordinating Board, Texas College and University System permission to establish three new certificate programs in Dental Allied Health Education at the School of Allied Health Sciences of The University of Texas Health Science Center at San Antonio in cooperation with The University of Texas at San Antonio. The proposed programs are:

- (a) Dental Hygiene, a two year curriculum, for which a certificate or diploma will be awarded, depending upon the specific program pursued. The graduates will be eligible for the Board Examination in any state.

The program will begin in 1976 with forty-eight first-year students and class size will remain the same. The first-year anticipated costs are \$181,250 to be funded principally from state funds in the form of legislative appropriation.

- (b) Dental Assisting for which a certificate will be awarded following one year's work. The graduates will be proficient in the performance of chair-side assisting and related office and laboratory procedures under the direction and supervision of a dentist.

The program will begin in 1976 with forty-eight students. The class size will remain the same. The first-year anticipated costs are \$73,340 to be funded principally from state funds in the form of legislative appropriation.

- (c) Dental Laboratory Technology for which a certificate will be awarded following two years' study and training. The graduates will function on the basis of written work authorization by a dentist in accordance with the State Dental Practice Act.

The program will begin in 1976 with twenty-four students. The class size will remain the same. The first-year anticipated costs are \$91,740 to be funded principally from state funds in the form of legislative appropriation.

If these programs are approved by the Coordinating Board, the first catalog published thereafter by the San Antonio Health Science Center will be amended to conform thereto.

REPORT OF THE COMMITTEE OF THE WHOLE
(Pages 1-41a-137)

The following Report of the Committee of the Whole in Open Session was adopted by unanimous vote:

BOARD OF REGENTS - REGENTS' RULES AND REGULATIONS, PART TWO: AMENDMENTS TO CHAPTER VI, SECTIONS 1 AND 9 (CONFORMITY WITH STATUTES RELATING TO TEACHER RETIREMENT SYSTEM AND WORKMEN'S COMPENSATION INSURANCE, RESPECTIVELY). --To conform to the statutes relating thereto, approval was given to amend Section 1 (relating to Teacher Retirement System) and Section 9 (relating to Workmen's Compensation Insurance) of Chapter VI of Part Two of the Regents' Rules and Regulations as follows:

- a. Subsection 1.2 and its subdivisions 1.21, 1.22 and 1.23 were amended to read as follows:
- 1.2 Effective September 1, 1974, any employee of The University of Texas System employed at least one-half time, whether paid on a monthly or hourly basis, and provided his employment will continue for a period of four and one-half (4 1/2) months cumulative within one (1) fiscal year, is eligible for and required by law to participate in the Teacher Retirement System, which became effective for teacher members September 1, 1937, and for auxiliary members September 1, 1949, except:
- 1.21 persons eligible at those times who executed waivers within the period allowed by law and have not revoked such waiver if later permitted;
- 1.22 members of the Employees Retirement System, about which information is given later; and
- 1.23 participants under the Optional Retirement Program, about which information is given later.
- b. A new subsection 1.3 was approved to read as follows:
- 1.3 An employee may purchase prior service credit for any year in which he was employed for four and one-half (4 1/2) cumulative months by rendering service for five (5) subsequent consecutive creditable years or seven (7) subsequent creditable years within any ten-year period and depositing an amount equal to the deposits and dues he would have paid for each year of prior service credit, plus a reinstatement fee of two and one-half percent (2 1/2%) per annum up to redeposit or reinstatement, or both.
- c. The subsections previously designated 1.3, 1.4, 1.5, 1.6, 1.7 (and its subdivisions 1.71, 1.72, 1.73 and 1.74), 1.8, 1.9 and 1.10 were changed to 1.4, 1.5, 1.6, 1.7, 1.8 (and its subdivisions 1.81, 1.82, 1.83 and 1.84), 1.9, 1.10 and 1.11.

- d. Subsections 1.5 and 1.11 (previously designated 1.4 and 1.10) were amended to read as follows:
- 1.5 The annuity payable at retirement is based on the salary earned by the member. Annuity payments are based upon the average salary earned in the five highest years of creditable service, not to exceed \$25,000 of salary for any one year beginning September 1, 1969. Years of service for the period September 1, 1957, through August 31, 1969, have a maximum limit of \$8,400.
- 1.11 Few employees of The University of Texas System are members of the Employees Retirement System because they are no longer eligible for initial membership in this system. Only those who were eligible between September 1, 1947, and August 31, 1949, and who did not waive membership as of September 1, 1947, are now members. Beginning September 1, 1949, new employees who would previously have been eligible for this plan became eligible for membership in the Teacher Retirement System as auxiliary employees. Annual membership dues in this system have been provided by the 63rd Legislature for the fiscal years 1973-74 and 1974-75. Contributions of employees are 6 percent of the total salary earned, which is deducted from monthly salary payments.
- e. Subsection 9.3 was amended to read as follows and Subdivisions 9.31, 9.32 and 9.33 were deleted:
- 9.3 All employees whose names appear on the payrolls are eligible.
- f. Subsection 9.4 was amended to read as follows:
- 9.4 Eligible employees who do not wish coverage may waive all rights to the benefits at the time of appointment. However, the waiver may be revoked at any time during continuous employment.
- g. Subsection 9.5 was deleted, and the remaining Subsections 9.6, 9.7, 9.8, 9.9, 9.10, 9.11, 9.12, 9.13 and 9.14 were changed to 9.5, 9.6, 9.7, 9.8, 9.9, 9.10, 9.11, 9.12 and 9.13.
- h. Subsections 9.5, 9.11, 9.12 and 9.13 (previously designated 9.6, 9.12, 9.13 and 9.14) were amended to read as follows:
- 9.5 The institution shall give notice to all workmen that such insurance has been provided.
- 9.11 The weekly compensation benefit for a covered employee injured in the course of his work is equal to $66 \frac{2}{3}$ percent of the average weekly earnings for the 12 months immediately preceding injury, though not more nor less than the amount set forth in Article 8306, Section 29, Vernon's Texas Civil Statutes. Compensation to an employee on less than a full work day basis is not more than $66 \frac{2}{3}$ percent of his average weekly earnings, with the same maximum as the amount set forth in Article 8306, Section 29, Vernon's Texas Civil Statutes. Benefits may be paid for no longer than 401 weeks from date of removal from payroll for total incapacity and no longer than 300 weeks for partial incapacity for work. For specific injuries, the Supervisor has information available on request concerning benefits for specific injuries such as the loss of a hand or eye. In case of death, benefits shall be the same as those provided in Article 8306, Section 8, Vernon's Texas Civil Statutes.

- 9.12 Payment for medical aid, hospitalization and compensation is through the System Personnel Office.
- 9.13 The System Personnel Office shall issue an annual report through proper channels to the Deputy Chancellor for Administration and to the Secretary to the Board of Regents for the information of the members of the Board which shall include at least the following information for each component institution: the total claims and number of days lost, total compensation and medical benefits paid, receipts, and total expenditures including allocation of overhead. The report shall also include the balance in the fund at the beginning of the fiscal year, total receipts including interest, total disbursements, and balance in the fund at the end of the fiscal year.

BOARD OF REGENTS: REPORT OF SPECIAL COMMITTEE RELATING TO BOARD OF DIRECTORS OF U. T. FOUNDATION, INC. --A report was received from the Special Committee appointed to recommend relating to the number of members of the Board of Directors of The University of Texas Foundation, Inc., and nominees thereto. The committee recommended that the membership of the Board of Directors of the U. T. Foundation, Inc., be reduced to eight which complies with the bylaws and that this number shall include the present active officers, the General Counsel, and the regental representatives consisting of the following:

Officers

Thos. H. Law, Fort Worth, President	Regental Representative
E. G. Morrison, Austin, Vice-President and Treasurer	
E. Philip Cannon, Austin, Vice-President and Assistant Treasurer	
Hayden W. Head, Corpus Christi, Vice-President and Secretary	
Marvin K. Collie, Houston, General Counsel	

Other Members

Rex G. Baker, Jr., Houston	
Edward Clark, Austin	Regental Representative

Ex Officio Members

Charles A. LeMaistre, M.D., Chancellor, Austin
 W. D. Blunk, Director of Development, Austin
 Paul J. Youngdale, Jr., Assistant Executive
 Secretary of U. T. Austin Development Board

The report was adopted by unanimous vote.

RECOGNITION OF THE HONORABLE FRED HEAD, MEMBER OF THE HOUSE OF REPRESENTATIVES OF THE STATE OF TEXAS AND CHAIRMAN OF COMMITTEE ON HIGHER EDUCATION.--Shortly after the meeting of the Committee of the Whole convened, the Honorable Fred Head, a member of the House of Representatives of the State of Texas and Chairman of the Committee on Higher Education, came into the meeting. He was immediately recognized by Chairman Shivers. Representative Head spoke briefly and said that the U. T. System should indeed be indebted to Governor Shivers for his recent testimony before the Committee regarding salary benefits (Senate Bill No. 1).

BOARD OF REGENTS - U. T. PERMIAN BASIN: SELECTION COMMITTEE FOR CHIEF ADMINISTRATIVE OFFICER.--Pursuant to the Regents' Rules and Regulations, Part One, Chapter II, Section 4.1, Chairman Shivers announced the appointment of the Selection Committee for the Chief Administrative Officer of The University of Texas of the Permian Basin:

Board of Regents:

Mr. Edward Clark, Member
Mr. Thos. H. Law, Member
Dr. Joe T. Nelson, Member

The University of Texas System:

Charles A. LeMaistre, M.D., Chancellor (Chairman of this Committee)
Mr. E. D. Walker, Deputy Chancellor for Administration
Dr. Harry H. Ransom, Chancellor Emeritus (Representative for Assistant to the Chancellor for Academic Affairs)
Dr. William H. Knisely, Assistant to the Chancellor for Health Affairs

Chief Administrative Officers of Component Institutions

Dr. Wendell H. Nedderman, President of The University of Texas at Arlington
Dr. Lorene L. Rogers, President ad interim of The University of Texas at Austin
Dr. Arleigh B. Templeton, President of The University of Texas at El Paso

Chairman Shivers stated that as soon as Chancellor LeMaistre is advised of the selections by the faculty and students of U. T. Permian Basin, he (Chairman Shivers) will name the faculty and student representatives to this selection committee. After these nominations are received, Chancellor LeMaistre will arrange for a meeting of this committee.

U. T. SYSTEM: APPROVAL OF 1975-76 PERSONNEL PAY PLAN AS AMENDED TO INCLUDE AUTHORIZATION FOR IMPLEMENTATION OF SENATE BILL NO. 1, 64TH LEGISLATURE, R. S., 1975, IN THE 1974-75 OPERATING BUDGETS. --The 1975-76 System-Wide Personnel Pay Plan was approved as presented (Pages 42-127) with the following amendment which provides for the implementation of Senate Bill No. 1, 64th Legislature, R.S., 1975, for the 1975-76 Plan as well as for the 1974-75 Operating Budgets:

In the event the application of the technical provisions of S.B. 1 places certain employees "off-step" or "out-of-range" for their job class, such condition will be permitted for the remainder of this fiscal year. It follows that subsequently the Classified Personnel Pay Plan will be amended and the necessary adjustments to a "step basis" will be done in the 1975-76 operating budgets.

The provisions of the Pay Bill, S.B. 1, include a series of graduated rate bases for calculations of amounts to be paid State employees. The Bill mandates these provisions (using the word "shall") for all employees paid from fund sources provided in the General Appropriations Bill. It implies that the salaries of other institutional employees, such as those paid from auxiliary enterprises funds, be increased in a comparable manner. It is recommended that the salaries of all employees of The University of Texas System, paid from any institutional fund source, be increased in accordance with the provisions of S. B. 1. In the event that funds are not available from the source that is currently paying the base salary, other appropriate funding should be arranged.

Chairman Shivers in the presentation of the foregoing amendment related that he had assured the committee considering Senate Bill No. 1 that The University of Texas System would follow S. B. No. 1 to the letter of the law.

U. T. AUSTIN: ADOPTION OF AMENDING RESOLUTION TO EXPAND ACTIVITIES OF TEXAS PETROLEUM RESEARCH COMMITTEE TO INCLUDE ALL RELATED ENERGY NATURAL RESOURCE RESERVES. --
 Approval was given to the following "Amending Resolution to the Joint Resolution of Texas A & M University, the Railroad Commission of Texas and The University of Texas Establishing the Texas Petroleum Research Committee" upon recommendation of President Rogers, concurred in by Chancellor LeMaistre. The Chairman of the Board of Regents was authorized to sign this resolution on behalf of The University of Texas at Austin.

The original resolution establishing the Texas Petroleum Research Committee dated January 24, 1948, restricted the Committee's research program to petroleum engineering in the State of Texas. This resolution amends the original resolution by adding two sections which expand the authorized research to include "research in all related primary energy natural resource reserves of the earth":

Amending Resolution
to the Joint Resolution of Texas A & M University
the Railroad Commission of Texas and The University of Texas
Establishing the Texas Petroleum Research Committee

WHEREAS, Pursuant to the provisions of the Joint Resolution of Texas A & M University, the Railroad Commission of Texas and The University of Texas establishing the Texas Petroleum Research Committee, approved effective January 24, 1948, the Texas Petroleum Research Committee was established and assigned research responsibilities related to research in petroleum engineering with particular emphasis on problems of secondary recovery of oil, improvement of primary recovery methods, and any other means seeking to increase the total quantity of oil recovered and to be recovered from Texas oil fields, specific problems to be assigned by this committee to the school best prepared to handle, thereby eliminating overlaps and duplications of effort; and

WHEREAS, The Texas Petroleum Research Committee became operative and continues active in petroleum research only, financed partially by the State of Texas through the Railroad Commission appropriation, seeking means of increasing the recovery of oil and gas from known Texas reserves; and

WHEREAS, It is apparent today that continuing research in petroleum recovery techniques is vital to the public interest, and further that the entire spectrum of energy production from the earth's natural resources is in urgent need of development and that the Texas Petroleum Research Committee, an established research organization, with its already effective petroleum research program and research procedures, with a potential for expansion of research into related energy sources, should be given that flexibility by amendment of the creating resolution.

THEREFORE, BE IT RESOLVED by the Board of Regents of The University of Texas, the Board of Directors of Texas A & M University and the Railroad Commission of Texas, That their Joint Resolution of

January 24, 1948, establishing the Texas Petroleum Research Committee be and it is amended by the addition of the following numbered paragraphs.

6. That the Texas Petroleum Research Committee shall expand its program base to include, in addition to research in petroleum engineering, research in all related primary energy natural resource reserves of the earth, in order to promote the discovery, development and production of such resources for the public good.
7. That, this amending resolution shall become effective when approved by the Board of Regents of The University of Texas, the Board of Directors of Texas A & M University, and the Railroad Commission of Texas, and when and if such approval is obtained and the funds allocated are authorized herein, the respective Boards and the Railroad Commission of Texas will be so notified in order that this action can be confirmed finally at the subsequent meetings of these bodies.

U. T. AUSTIN - RECOGNITION OF STEVE VAN, LINDA AAKER, AND PIETER SCHENKKAN, REPRESENTATIVES OF THE NEW CENTURY FUND. --After the adjournment of the Land and Investment Committee and before the convening of the Medical Affairs Committee, Chairman Shivers introduced to the Board of Regents Steve Van, a senior law student at The University of Texas at Austin and one who is very active in the establishment of the New Century Fund. Mr. Van in turn introduced Linda Aaker, a former law student and presently an assistant attorney general, and Pieter Schenkkkan, a third-year law student; both of whom are active in promoting the New Century Fund.

Steve Van expressed his thanks to the Board of Regents for the approval of the New Century Fund and reported that fund raisers have been successful so far. They have raised approximately \$105,000 for merit scholarships for the qualified minority and culturally disadvantaged students. The law school does not have funds for this purpose but needs to attract those highly qualified minority students to keep them from going to law schools out of state that offer full scholarships. The fund will provide scholarships of \$6,000 for a three-year period. The goal of the group is to have twenty-five scholarships for each three-year period and for this purpose they need \$450,000. Mr. Van reported, "We have had good success in Houston and we're working around the state. I particularly want to thank Ambassador Clark and Governor Shivers for carrying the ball. This gives us instant credibility -- your endorsement."

Chairman Shivers responded on behalf of the Board of Regents and expressed appreciation to these individuals for what they are doing. It is a great program and is to be administered by the Law School Foundation through the Dean of the Law School.

U. T. AUSTIN: REPRESENTATIVES OF BOARD OF REGENTS ON BOARD OF TRUSTEES OF SOUTHWEST TEXAS AREA EDUCATIONAL TELEVISION COUNCIL (CHANNEL 9 - KLRN). --Of the 25 members on the Board of Trustees of the Southwest Texas Area Educational Television Council (Channel 9 - KLRN), as provided by Section 3 of the Constitution and Bylaws of the Council, 8 members of the Board of Trustees are appointed by the Board of Regents for staggered terms of three years each.

In addition to the three members whose terms expired in January 1974 and the three members whose terms expired in January 1975, President Rogers reported that Dr. Rod W. Whitaker (whose term was to expire in January 1976) had resigned.

Upon President Rogers' recommendation, concurred in by Chancellor LeMaistre, those listed below preceded by an asterisk were reappointed and the two preceded by a double asterisk were appointed to fill the vacancies of Rod W. Whitaker (resigned) and Stephen H. Spurr whose term expired January 1974. The full membership of the regental representatives as of this date is set out below:

Terms Expiring January 1976

- Dr. L. D. Haskew, Professor of Educational Administration,
The University of Texas at Austin, Austin, Texas
- Dean Peter Garvie, College of Fine Arts, The University of
Texas at Austin, Austin, Texas
- ** Dr. Robert L. Marion, Assistant Vice-President, The Uni-
versity of Texas at Austin, Austin, Texas

Terms Expiring January 1977

- * Mr. Roy Barrera, Attorney, San Antonio, Texas

The University of Texas at Austin, Austin, Texas

U. T. AUSTIN: RATIFICATION OF ACCEPTANCE OF GIFT FROM THE COCKRELL FOUNDATION (TRUST ESTABLISHED BY THE LATE ERNEST COCKRELL, JR.) TO ESTABLISH IN THE COLLEGE OF ENGINEERING CHAIRS AND SCHOLARSHIPS FOR NEEDY AND DESERVING STUDENTS.--At the meeting on December 13, 1974, Chairman McNeese presented the following proposal from The Cockrell Foundation, a charitable and educational trust created by the late Ernest Cockrell, Jr., providing for professorial chairs within the College of Engineering and providing for scholarships to needy, deserving young men and women who are residents of Texas, Louisiana or Wyoming and who are, or will be, attending the College of Engineering at The University of Texas at Austin. This item was not on the agenda for the December 1974 meeting, and it was resubmitted and ratified at this meeting:

December 9, 1974

Board of Regents
The University of Texas System
Austin, Texas

Gentlemen:

The Cockrell Foundation ("the Foundation"), a charitable and educational trust created on June 28, 1957 by the late Ernest Cockrell, Jr., which has since become a Texas non-profit corporation, is a beneficiary of part of the estate of the late Mr. Ernest Cockrell, Jr. Mr. Cockrell's Will is contained in two instruments, both of which are dated July 31, 1969, certified copies of which are attached. One of these concerns Mr. Cockrell's Louisiana properties and the other concerns the balance of his estate.

Under the provisions of Mr. Cockrell's Will, one-half of the net income from his gift to the Foundation is payable to the Engineering Department at The University of Texas at Austin ("the University") in memory and honor of the members of the Cockrell family. Paragraphs 1(h)(1)(iii) and (iv) of Mr. Cockrell's primary Will goes on to provide as follows:

"(iii) Fifty per cent of the gift of income to such University under subparagraph (ii) immediately above shall be used to establish an endowment fund, the income from which shall be used to establish professorial chairs within the Engineering Department of such University upon the condition that the engineering school continues to share in funds and appropriations of such University in the same proportion to that which it had prior to such gift, or a more favorable one. It is my direction that if the Engineering Department, or the University of

which it is a part, shall be penalized in any manner by any diversion of funds by any governmental body or agency, by the governing body of the University, or any related institution, then the above gifts to The Cockrell Foundation are upon the condition that The Cockrell Foundation shall cease payments to such University as long as such diversion exists and instead such funds shall be used by the Foundation for its stated purposes in the discretion of the Trustees thereof. It is my intention that this gift to such University shall be in addition to all other sources of income of such University and such Engineering Department, and any determination of diversion shall be in the judgment of the Trustees of the Cockrell Foundation.

(iv) The remaining fifty per cent of the gift of income to such University under subparagraph (ii) immediately above shall be given to the University of Texas. Such gifts of income shall be used to provide scholarships for residents of Texas, Louisiana, or Wyoming who are, or will be attending the Engineering School of such University. However, the income so contributed shall be corpus to the recipient university and only the income from such corpus shall be used for the prescribed purpose.

It is my request that such corpus shall be invested so as to appreciate in value and to preserve the value of such corpus against the inroads of inflation. It is my further request that the recipient of such a scholarship be an individual who has shown in his prior schooling, activities and conduct outstanding qualities of leadership, stability, conservatism, intelligence, character, morals and other qualities of merit, and with special consideration given to he or she who is:

- (1) wholly or partially supported by his own efforts or by his mother who is a widow and who is working, or
- (2) physically impaired.

The application of these suggested criteria shall be in the sole judgment of the governing body of the University of Texas Engineering Foundation (which presently is the Advisory Board of such Foundation) insofar as the University of Texas is concerned, or in its absence, the dean of the Engineering School.

If the recipient of any scholarship, chair or gift from this Foundation as directed by an Engineering Foundation or the dean of the Engineering School shall succeed economically, it is my earnest request that such person shall reciprocate by contributing to this Foundation in order that its purposes may be continued."

Paragraphs 5(c) and 5(d) of Mr. Cockrell's Louisiana Will contain essentially the same provisions and conditions.

Chairs

As Directors of the Foundation, we have determined that one-fourth of the Foundation's income from Mr. Cockrell's testamentary gifts to the Foundation should be paid to the University to provide the corpus of a fund for endowed chairs in the Engineering Department of the University, that is, when these distributions from the Foundation to the University, plus the amount of the income from such distributions, reach the amount required to create an endowed chair, one shall be created.

Since Mr. Cockrell's Will was executed prior to the Board of Regents' increase of the minimum amount required to establish such a chair from \$400,000 to \$500,000, the University will declare and publish that an endowed chair exists in the Engineering Department when the distributions from the Foundation to the University, plus such accumulated income, for the creation of endowed chairs reaches \$400,000. Thereafter the income from the endowment of each chair will be used for the purposes of that chair.

An additional endowed chair will be created as subsequent distributions from the Foundation to the University with respect to endowed chairs, plus such accumulated income, attain each multiple of \$400,000.

Please note the conditions attached to Mr. Cockrell's gift: (a) that the Engineering Department of the University not be penalized in any manner by any diversion of funds by any governmental body or agency, including the University and its related institutions, and (b) that the Engineering Department of the University continue to share in the University budget in at least the same proportions as before this gift. Consequently, the Board of Regents will authorize and require the Dean of the Engineering School of the University and the Vice-President for Business Affairs of the University to certify to the Foundation annually whether (1) the Engineering Department continues to share in the funds and appropriations of the University in at least the same proportion as it had prior to the date of Mr. Cockrell's death, and (2) the Engineering Department has not been penalized in any manner by any diversion of funds.

In the event that there has been any such reduction in the Engineering Department's sharing ratio or there has been any such diversion, the certificates shall be accompanied by a copy of the annual budget for the University and a complete explanation, with references to budget items, of the reduction in sharing ratio or the diversion as the case may be.

Scholarships

As Directors of the Foundation we have determined that one-fourth of the Foundation's income from Mr. Cockrell's testamentary gifts to the Foundation should be paid to the University to provide the corpus of a fund to provide scholarships for residents of Texas, Wyoming and Louisiana who are, or will be, attending the University and majoring in a subject for which the Engineering Department has academic responsibility.

In order to carry out the terms of Mr. Cockrell's gifts, the Board of Regents shall authorize and require the governing body of the University of Texas Engineering Foundation to certify to the Foundation annually (1) the names and residence addresses of all students receiving such scholarships, (2) the amount of each such scholarship, (3) which scholarship recipients (if any) meet the special conditions described in Paragraph 1(h)(1)(iv)(1) and (2) of Mr. Cockrell's primary Will, (4) that in awarding any such scholarship the criteria set out in Paragraph 1(h)(1)(iv) have been respected and (5) that each such scholarship recipient has been apprised of Mr. Cockrell's wish that he or she make a contribution to The Cockrell Foundation to carry on the scholarship program if such recipient becomes financially successful.

If the above outline is an acceptable statement of the conditions attached to Mr. Cockrell's gift, please take all appropriate action to reflect this and advise us in writing accordingly.

Very truly yours,

THE COCKRELL FOUNDATION

Ernest H. Cockrell

U. T. DALLAS: AUTHORIZATION TO ESTABLISH ADVISORY COUNCIL FOR GRADUATE PROGRAM IN MANAGEMENT AND ADMINISTRATIVE SCIENCES AND INITIAL APPOINTMENTS THERETO. --Upon recommendation of President Jordan, concurred in by Chancellor LeMaistre, an Advisory Council for the Program in Management and Administrative Sciences was established at The University of Texas at Dallas. This Council will advise and assist the President, Vice President for Academic Affairs and Dean of Management and Administrative Sciences in the interaction of their academic program with the Dallas business community. The names of individuals to be appointed as the initial membership of this Advisory Council were submitted and approved.

Nominees for the initial membership of the Advisory Council for Graduate Program in Management and Administrative Sciences were submitted and approved. The names of those accepting the appointments will be reported for the record after their acceptances have been received.

U. T. SAN ANTONIO: AUTHORIZATION TO ESTABLISH DEVELOPMENT BOARD AND INITIAL APPOINTMENTS THERETO. --Pursuant to Section 2 of Chapter VII of Part One of the Regents' Rules and Regulations, and upon the recommendation of President Flawn, concurred in by Chancellor LeMaistre, the Development Board for The University of Texas at San Antonio was established.

For the initial members of the U. T. San Antonio Development Board, nominees were approved. After the initial meeting of the Development Board at which time the membership will draw for staggered terms, the membership of the U. T. San Antonio Development Board will be reported for the record to the Board of Regents.

GALVESTON MEDICAL BRANCH: RATIFICATION OF ACCEPTANCE OF 8 ACRES IN GALVESTON COUNTY, TEXAS, FROM MR. AND MRS. LOUIS ROMANO FOR CARDIOVASCULAR RESEARCH. --Chancellor LeMaistre reported that on December 30, 1974, a gift of 8 acres in Galveston County, Texas, was accepted from Mr. and Mrs. Louis Romano of Houston, Texas, who expressed the desire that the land or the proceeds therefrom be used for basic research in cardiac disease.

The Committee of the Whole ratified Chancellor LeMaistre's action in accepting this very generous gift from Mr. and Mrs. Romano and expressed on behalf of the members of the Board of Regents sincere thanks and deep appreciation therefor.

The land accepted from Mr. and Mrs. Romano is more particularly described as being 8 acres of land in Lots 17 and 18 in Motor Subdivision in the SA and MG Survey A-189, Galveston County, Texas, consisting of the East 6 acres of Lot 18 and the West 2 acres of Lot 17.

GALVESTON MEDICAL BRANCH (MARINE BIOMEDICAL INSTITUTE) RATIFICATION AND APPROVAL OF NAME "R/V ERIN LEDDY-JONES" FOR RESEARCH VESSEL. --President Levin reported through System Administration that a 51-foot trawler vessel designed to collect and maintain alive marine specimens for research and to support diving research was purchased on November 27, 1974, with state funds from

the builder, Thompson Trawlers, in Titusville, Florida, for the Marine Biomedical Institute of The University of Texas Medical Branch at Galveston. In order to obtain the required U. S. Coast Guard license, the vessel had to be named. President Levin assigned the vessel the name of "R/V Erin Leddy-Jones" in honor of the late Mrs. Leddy Jones who was a generous benefactor of the Galveston Medical Branch and a valued member of the Marine Biomedical Institute's National Advisory Council. Mrs. Jones was killed in an airplane crash on her return trip from the National Advisory Council meeting in Galveston in the Spring of 1974.

Upon recommendation of Chancellor LeMaistre, the Committee of the Whole named the trawler vessel "R/V Erin Leddy-Jones," thereby ratifying the action of President Levin.

HOUSTON HEALTH SCIENCE CENTER (GRADUATE SCHOOL OF BIOMEDICAL SCIENCES AND SPEECH AND HEARING INSTITUTE ADVISORY COUNCIL): APPOINTMENTS THERETO. --Nominees submitted for appointment to the Graduate School of Biomedical Sciences and Speech and Hearing Institute Advisory Council at The University of Texas Health Science Center at Houston were approved. The names of those accepting the appointments will be reported for the record at a subsequent meeting.

SCHEDULED MEETINGS AND EVENTS. --The following meetings and events have been officially scheduled:

- March 14, 1975: Meeting of Board of Regents in Austin
Dedication of Communication Building at U. T. Austin
- April 26, 1975: Meeting of Board of Regents in Dallas
- April 27, 1975: Dedication of Buildings at Dallas Health Science Center:
- (a) Fred F. Florence Bioinformation Center
 - (b) Cecil H. and Ida Green Science Building
 - (c) Eugene McDermott Academic Administration Building
 - (d) Tom and Lula Gooch Auditorium
- June 6, 1975: Meeting of Board of Regents in Austin
- July 25, 1975: Meeting of Board of Regents in San Antonio
Dedication of San Antonio Dental School Building at
San Antonio Health Science Center

INTRODUCTION OF MAYOR DAN HEMPHILL OF ODESSA, STUDENT REPRESENTATIVES, AND PRESIDENTS OF COMPONENT INSTITUTIONS. -- Chairman Shivers welcomed Mayor Dan Hemphill of Odessa, Texas, who was in attendance at the meeting. Mayor Hemphill is a great supporter of The University of Texas of the Permian Basin as well as all of the U. T. System.

At the Chairman's request, student representatives at the meeting were presented:

U. T. Austin

Mr. Frank Fleming, President of Student Association
Mr. Bill Parrish, Vice President of Student Association
Miss Jane E. Strauss, Chairman of Student Union Board

U. T. Arlington

Mr. Royce West, President of the Student Congress
 Mr. Drew Etter, Vice President of Student Congress
 Mr. Ken Walton, Reporter of Shorthorn

In response to Chairman Shivers' request, the Chief Administrative Officers (Presidents) of the component institutions as set out below introduced themselves:

President ad interim Lorene L. Rogers, U. T. Austin
 President Rogers took the opportunity to say that the three Presidential Scholarship Funds of \$25,000 each accepted at this meeting bring to a total eight that have been generated since the inception of the program.

President Rogers personally thanked Representative Head for his help in getting the raise for the U. T. System employees, stating that "It makes life much easier."

President William C. Levin, Galveston Medical Branch
 President Levin joined President Rogers, as did the other Presidents, in an expression of thanks to Representative Head.

President Bryce Jordan, U. T. Dallas
 President Charles C. Sprague, Dallas Health Science Center
 President Frank Harrison, San Antonio Health Science Center
 President Peter T. Flawn, U. T. San Antonio
 President Arleigh B. Templeton, U. T. El Paso
 President ad interim V. R. Cardozier, U. T. Permian Basin
 President Marilyn D. Willman, System Nursing School
 President Wendell Nedderman, U. T. Arlington
 President R. Lee Clark, University Cancer Center
 President Charles A. Berry, Houston Health Science Center

(Chairman Shivers pointed out that the Austin delegation worked very hard for Senate Bill No. 1 and that in fact Senator Doggett was the author of the Bill.)

EXECUTIVE SESSION ITEMS

Chairman Shivers pursuant to Article 6252-17, Sections 2(f) and (g), V.C.S. reported on the following items that had been discussed in Executive Session and called for consideration of those requiring action:

U. T. SYSTEM: REPORT OF SPECIAL COMMITTEE TO REVIEW LeMAISTRE-GUENTZEL MATTER.--It was the decision of the Board that the LeMaistre-Guentzel Matter be closed and no further statement would be made. Upon motion of Regent Nelson, duly seconded, the Special Committee to Review the LeMaistre-Guentzel Matter was discharged since the committee had performed its function.
 (Page 3)

U. T. DALLAS: PROPOSED RECOMMENDATION ON ACQUISITION OF REAL PROPERTY.--The discussion did not demand action at this time. (Page 3)

U. T. DALLAS: AUTHORIZATION TO EXCHANGE APPROXIMATELY 76 ACRES OF LAND IN DALLAS COUNTY, TEXAS, FOR APPROXIMATELY 98 ACRES IN COLLIN COUNTY, TEXAS, LOCATED WITHIN OR CONTIGUOUS TO CAMPUS.--The following resolution authorizing an exchange of land between the Board of Regents of The University of Texas System and the Excellence in Education Foundation for the benefit of The University of Texas at Dallas was approved: (Page 3)

RESOLUTION

WHEREAS, pursuant to the provisions of Sections 70.01 and 70.07, Texas Education Code, the Board of Regents of The University of Texas System is authorized and directed to establish and maintain a general academic institution to be known as The University of Texas at Dallas as a state-supported institution of higher education at a site to be selected in Dallas County, Texas, or any county adjacent thereto and to accept donations and gifts of real estate, buildings, libraries, laboratories, apparatus, equipment, records, or money for the use and benefit of such institution; and

WHEREAS, pursuant to the provisions of Section 65.39, Texas Education Code, the Board of Regents of The University of Texas System has the sole and exclusive management and control of the lands set aside and appropriated to, or acquired by The University of Texas System, and may sell, lease, and otherwise manage, control, and use the lands in any manner and at prices and under terms and conditions the Board deems best for the interest of The University of Texas System, not in conflict with the constitution; and

WHEREAS, it is deemed to be in the best interest of The University of Texas System and The University of Texas at Dallas to exchange approximately 76 acres of land (unimproved) along the southerly border of the campus of The University of Texas at Dallas, consisting of two tracts of land of approximately 58 acres and 18 acres, more specifically identified as follows:

The 58 acre tract being bounded on the West by Water-view Parkway, on the South by Campbell Road, and on the East by Armstrong Parkway, all being streets in the City of Richardson, Dallas County, Texas;

and the 18 acre tract being bounded on the West by Armstrong Parkway, on the South by Campbell Road, and on the East by Floyd Road, all being streets in the City of Richardson, Dallas County, Texas--both tracts a part of the John W. Curtis Survey, Abstract 345, Dallas County, Texas,

for approximately 102 acres of land (with improvements) presently owned by the EXCELLENCE IN EDUCATION FOUNDATION (approximately 98 acres of which are contiguous to The University of Texas at Dallas campus at the northeast corner, consisting of four tracts of land:

- (1) approximately 10 acres of the J. C. Campbell Survey, Abstract 241, and the S. McCullough Survey, Abstract 586, Collin County, Texas;
- (2) approximately 29 acres of the J. C. Campbell Survey, Abstract 241, and the S. McCullough Survey, Abstract 586, Collin County, Texas;
- (3) approximately 53 acres of the J. C. Campbell Survey, Abstract 241, Collin County, Texas; and
- (4) approximately 6 acres of the J. C. Campbell Survey, Abstract 241, Collin County, Texas, all more specifically identified as being located at the four corners of the intersection of the Santa Fe Railroad with the St. Louis and Southwestern Railroad in Collin County, Texas,

and approximately four acres of which are located in the center of The University of Texas at Dallas campus):

NOW, THEREFORE, BE IT RESOLVED by the Board of Regents of The University of Texas System that Chairman Allan Shivers be authorized, after approval as to form by a University Attorney, and as to content by the Deputy Chancellor for Administration, to execute and deliver all necessary instruments to effectuate the exchange of said land, as aforesaid, between the Board of Regents of The University of Texas System and the Excellence in Education Foundation.

CERTIFICATE

ALLAN SHIVERS, Chairman, and BETTY ANNE THEDFORD, Secretary, of the Board of Regents of The University of Texas System, do hereby certify that a meeting of the Board of Regents of The University of Texas System was duly held at Austin, Texas, on January 31, 1975; that at said meeting the resolution attached hereto and made a part hereof was duly enacted; that said resolution remains in full force and effect and has not been amended, superseded, or rescinded.

ALLAN SHIVERS, Chairman
Board of Regents of The University
of Texas System

U. T. PERMIAN BASIN: REPORT ON PERSONNEL AND LEGAL MATTERS.--The Committee of the Whole heard in Executive Session verbal reports from Chancellor LeMaistre, Deputy Chancellor Walker and Acting President Cardozier concerning matters relating to The University of Texas of the Permian Basin and particularly to the recent investigation by Chancellor LeMaistre. There were many errors in judgment but actually there is nothing apparently illegal. (Page 3)

Chancellor LeMaistre will reduce the verbal reports to written summaries and hopefully release them to the Press on Monday or Tuesday. On Pages 140 - 148 is a copy of Chancellor LeMaistre's statement to the Press.

THE UNIVERSITY OF TEXAS SYSTEM *Office of the Chancellor*

RELEASE ON RECEIPT

The following is a statement by Chancellor Charles A. LeMaistre of The University of Texas System regarding The University of Texas of the Permian Basin. Following the statement, are attached summary reports of matters relating to UT Permian Basin.

STATEMENT BY CHANCELLOR CHARLES A. LEMAISTRE

In the executive session of the Board of Regents on January 31, 1975, Deputy Chancellor Walker and I made verbal reports regarding matters related to The University of Texas of the Permian Basin. In the open meeting of the Board, Chairman Shivers reported that these verbal reports would be written in summary form and released to the public.

The series of reports which are attached respond to that announcement by Chairman Shivers.

The summary reports relate to the following:

1. Regentally Directed Investigation of
December 13, 1974
2. Faculty and Staff Enterprise, Inc.
3. Community Related Activities

1-31-75

4. Funds donated for Golf Team
5. Golf Course and Pond: Construction and Maintenance Costs
6. Development and Trust Fund Accounts

At this time I will have no further statement with regard to the subject matter of these reports, and I have suggested that other System Administration officials adopt a similar position.

2/4/75

SUMMARY REPORT
REGARDING THE INVESTIGATION
RELATED TO THE UNIVERSITY OF TEXAS OF THE PERMIAN BASIN
DIRECTED BY THE BOARD OF REGENTS
ON DECEMBER 13, 1974

In response to publicity concerning The University of Texas of the Permian Basin, the Board of Regents on December 13, 1974 directed Chancellor Charles A. LeMaistre to investigate two specific areas of concern. These were:

1. UTPB President B. H. Amstead's statement to the Texas House Appropriations Committee in March, 1973.
2. The use of State funds for recreational and landscaping facilities.

On the basis of information developed by UT System personnel in Austin and in Odessa, on the basis of personal interviews both in Austin and Odessa, and on the basis of a review of a certified transcript of the Texas House Appropriations Committee hearing in March, 1973, the following conclusions were reached and were reported in a public statement by Chairman McNeese and Chancellor LeMaistre dated December 21, 1974.

"The investigation team was not presented with sufficient information to reject Dr. Amstead's interpretation of his testimony before the House Appropriations Committee, or to conclude that he intended to deceive or mislead that Committee."

1-31-75

"There is no question that State funds have been expended for landscaping and recreational purposes on the partially completed golf course and pond. -- It is neither illegal nor improper for State funds to be expended for such purposes."

That public statement also contained a reference to other matters. "Since that time (the Regents' meeting of December 13, 1974), other questions have been raised regarding management matters at UTPB which were not in the scope of this investigation. The U. T. System administration is pursuing each of these matters." The remainder of this report relates to these other concerns.

SUMMARY REPORT
BY
JOHN A. FASOLINO
U. T. SYSTEM DIRECTOR OF EMPLOYEE RELATIONS

FACULTY AND STAFF ENTERPRISE, INC.
AN EXTERNAL ORGANIZATION AT
THE UNIVERSITY OF TEXAS
OF THE PERMIAN BASIN

On January 8, 1975, I was instructed to investigate two allegations which had been made concerning the participation of University employees in Faculty and Staff Enterprise, Inc., an external organization at U. T. Permian Basin.

The two allegations referred to in the Austin American-Statesman, dated Monday, January 6, 1975 were:

- (1) That "... several FASE members, who have asked to remain anonymous, claim (Dr. B. H.) Amstead pressured them into joining the organization as a condition of employment."
- (2) That "... one UTPB official said that after complaining to (Dr. B. H.) Amstead that he could not afford FASE's annual dues of \$144.00, his salary was quickly raised \$150.00 per annum."

A total of 33 persons were interviewed and seven persons were unavailable for interview. Each person was asked the following questions:

- (1) How long were you a member of FASE?
- (2) How did you hear about FASE?

1-31-75

- (3) Did you join FASE voluntarily?
- (4) Did you receive any adjustment in salary upon becoming a member of FASE, Inc.?

Of the 33 persons responding to the question, "How long were you a member of FASE?" four were members for four years or more, three were members for at least three years, nine were members for two to three years and seven were members for one year or less.

When asked, "How did you hear about FASE?" a variety of responses were offered. Eight persons stated that FASE was mentioned during their job interviews, six responded that they learned of the organization through written material, seven reported having been informed by their supervisor and the remaining nine became aware of the organization through conversations with their colleagues.

In response to the question, "Did you join FASE voluntarily?" 26 persons answered in the affirmative and six responded negatively.

Thirty-three persons were asked the question, "Did you receive any adjustment in salary upon becoming a member of FASE, Inc.?" Thirty persons responded, "No," and two persons stated that they were told that they would receive an adjustment in salary upon becoming a member of FASE, Inc. Records do not reflect increases in compensation to offset dues. One person did not respond.

The information obtained from this investigation was made available to the District Attorney of Ector County on Tuesday, January 28, 1975. Mr. John A. Fasolino, U. T. System Director of Employee Relations, and Mr. W. O. Shultz, U. T. System Attorney, personally delivered the information. No recommendation or request was submitted to the District Attorney by The U. T. System.

SUMMARY REPORT
BY
MIKE QUINN
THE UNIVERSITY OF TEXAS SYSTEM
ASSISTANT TO THE CHANCELLOR

COMMUNITY RELATED ACTIVITIES INVOLVING
THE UNIVERSITY OF TEXAS OF THE PERMIAN BASIN

Faculty and staff have been involved almost since the founding of the school in activities calling for cooperation with a variety of community-related activities, primarily in Odessa. One of the most prominent of these cooperative ventures has been with the Presidential Museum, a project owned and managed by Ector County and backed with private funds from a non-profit corporation. The Presidential Museum has received strong civic backing.

The cooperation from U.T. Permian Basin has extended to joint publications, assistance from U.T. Permian Basin personnel in the development of displays and temporary use of equipment to assist this governmental agency in specific civic enterprises approved by the U.T. Permian Basin administration.

The most serious concern arising from this review to date relates to the very informal administrative relationship between the two government agencies that could lead to misunderstandings. As a result, President ad interim Cardozier has been directed to develop guidelines to limit the involvement of The University of Texas of the Permian Basin in community affairs to educational programs properly within the role and scope of the University. All existing civic commitments will be reviewed to ensure compliance with these guidelines.

SUMMARY OF FINDINGS AND CONCLUSIONS
BASED ON THE AUDIT OF FUNDS DONATED
FOR THE GOLF TEAM
THE UNIVERSITY OF TEXAS OF THE PERMIAN BASIN

Based on a detailed audit of the records, as well as discussions with personnel at U.T.P.B. who were associated with the golf program and those who were responsible for handling the accounting for the funds, it is concluded that all expenditures made for the golf team at U.T.P.B. have been accounted for and were made in accordance with the restrictions made by the donors. All income for the golf program was from private gifts.

The balance in the Golf Team account at January 25, 1975 was \$2,512.35. No scholarships have been awarded, nor can it be determined that any of the donated funds were specified for scholarship purposes.

1-31-75

2333

SUMMARY OF FINDINGS AND CONCLUSIONS
BASED ON THE AUDIT REPORT OF
THE GOLF COURSE AND POND
CONSTRUCTION AND MAINTENANCE AT
THE UNIVERSITY OF TEXAS OF THE PERMIAN BASIN

A detailed audit of all expenditures, both direct and indirect, related to the Golf Course and Pond has been completed with the following findings.

The full cost of the Golf Course project, including both direct cost and indirect cost, amounts to \$57,494.92. This accounting approach results in a figure substantially greater than would result from following accepted accounting principles for accumulation of construction project cost. However, in order to assure that all items which could possibly be related to these projects were accounted for, the full cost approach was used.

The regular accounting for construction project costs, that is the amount to be capitalized, is \$36,938.61 of the total cost of \$57,494.92. It was determined that the direct costs expended for the Pond amounted to \$4,946.53.

The administrative and fiscal procedures used in planning and implementing these projects are inconsistent with good planning and appropriate accounting. Even though there are no expenditures that would appear to be illegal, the administrative and fiscal judgment in handling this entire project is poor at best.

This audit was based on a detailed examination of accounting records, discussion with personnel at U.T.P.B. and such other investigation as deemed appropriate to provide an analysis of all activities related to this project.

1-31-75

2334

SUMMARY OF FINDINGS AND CONCLUSIONS
BASED ON THE AUDIT OF THE
DEVELOPMENT AND TRUST FUND ACCOUNTS OF
THE UNIVERSITY OF TEXAS OF THE PERMIAN BASIN

Revenues and expenditures from various accounts sometimes referred to as the "Excellence Fund" were examined and verified for the period June 9, 1970 through December 15, 1974.

Revenues from the "U.T.P.B. Supervisory Committee," a group of Odessa citizens whose only responsibilities were to solicit and to transmit the "Excellence Funds," were verified with a private accounting firm, which is auditing the accounts external to The University of Texas System and are the primary source of the U.T.P.B. development revenue. The only restrictions placed on the expenditure of these funds were enumerated in the original letter of solicitation which stated that contributions would be designated "for an Excellence Fund to help recruit an outstanding faculty and to cover items not permitted by state appropriations, such as salary supplementation, moving expenses, etc." Based on a review made in 1972 and upon the recommendation of the Comptroller of The University of Texas System, institutional accounts were established by U.T.P.B., and since September 1972, all funds solicited in the name of the "Excellence Fund" have been transmitted from time to time directly to and recorded in the accounts of The University of Texas of the Permian Basin.

1-31-75

- 2 -

The expenditures by category were as follows:

Recruiting - Faculty and Students	\$19,558
President's Perquisites, Including Lease of Residence (before purchase), Utilities, Maintenance and Upkeep	32,549
Other Expenses Related to or Authorized by the President's Office, Including Memberships, Travel, Official Entertainment, Gifts and Donations	21,236
Office Furniture	5,314
Legal and Other Expenses Relating to Litigation and to Purchase of President's Residence	2,098
Moving Expenses - Other	1,618
Administrative Officers	3,485
Other	
TOTAL	<u>\$85,858</u>

Even though these funds were expended at the discretion of the U.T.P.B. administration in a manner they considered consistent with the best interest of an emerging institution, the accounting for and utilization of certain of these funds does not bear the stamp of good administrative judgment or fiscal management.

Auditors: Specific Recommendations

As a result of our examination, the following changes are recommended: (1) All furniture purchased from these accounts be properly inventoried and included in the institutional accounts. (2) Complete and proper support should be required and attached to the vouchers for all expenditures. (3) A review of vouchers being charged to this account should be made prior to payment to prevent charges to this account which could properly be made from State appropriations. (4) Further, all gifts should be reported for acceptance by the Board of Regents in accordance with established procedures.

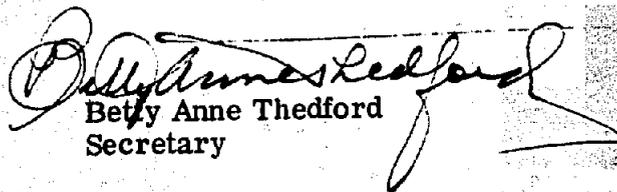

1-31-75

2336

- 3 -

Chancellor LeMaistre and Deputy Chancellor Walker have accepted the above recommendations and directed that they be implemented immediately and strictly adhered to in the future.

ADJOURNMENT. --There being no further business, the meeting was duly adjourned at 12:30 p. m.

Betty Anne Thedford
Secretary

February 6, 1975
