RECOMMENDATION

The Chancellor concurs in the recommendation of the Executive Vice Chancellor for Academic Affairs, the Executive Vice Chancellor for Health Affairs, and the Executive Vice Chancellor for Business Affairs that the U. T. System Board of Regents approve the allocation of $8,409,000 of Permanent University Fund (PUF) proceeds for the Texas Advanced Computing Center (TACC) at U. T. Austin and $300,000 of Available University Fund (AUF) proceeds for Cybersecurity Audits.

BACKGROUND INFORMATION

U. T. Austin requests additional support for the Texas Advanced Computing Center (TACC) to continue providing ongoing evolution of the U. T. Research Cyberinfrastructure with expanded support for Artificial Intelligence research to all U. T. System institutions. On November 14, 2013, the Board approved a $10 million PUF allocation to design and construct an annex to the TACC and a $2 million Available University Fund allocation to support TACC staff dedicated to the U. T. Research Cyberinfrastructure project.

TACC has provided and continues to provide world-class computing resources to the research enterprise across the U. T. System. TACC currently provides the largest university-based supercomputer in the world and has been selected by the National Science Foundation to be the site of the future national Leadership-Class Computing Facility. By opening up TACC research to users across the System, numerous students and faculty will benefit. Continuing the investment to maintain leadership in this critical technology area helps U. T. Austin attract top faculty across most science and engineering fields.
The $8,409,000 in PUF proceeds will be used to fund capital costs of new hardware, which includes vendor maintenance and support. The $300,000 in AUF proceeds will be used for required outside cybersecurity audits of TACC operations.

3. **U. T. Tyler and U. T. Health Science Center - Tyler: Discussion and appropriate action to name Kirk A. Calhoun, M.D. as president of the realigned Tyler entity**

Following brief comments regarding efforts made and support for changes to the structure of the two Tyler institutions, resulting in approval of the new structure by the accrediting organization, Chairman Eltife made the following motion:

I move that the U. T. System Board of Regents vote, consistent with previous authorizations related to the realignment and leadership of U. T. Tyler and U. T. Health Science Center - Tyler as a single institution, to name Kirk A. Calhoun, M.D., President of The University of Texas at Tyler effective January 4, 2021, without change in compensation.

I also move that the Minutes reflect, by approval of this motion, the Board has made a finding, as required by State law, that this appointment is in the best interest of U. T. System, U. T. Tyler, and U. T. Health Science Center - Tyler.

The motion was seconded by Regent Perez and carried unanimously.

**ADJOURNMENT.--**There being no further business, the meeting was adjourned at 11:06 a.m.
