February 9-10, 1978

Odessa, Texas

FEB 10 1978 1917

MEETING NO. 751

THURSDAY, FEBRUARY 9, 1978.--At 1:30 p. m. in the Conference Area on the fourth floor (west end) of the U. T. Permian Basin Building at The University of Texas of the Permian Basin, Odessa, Texas, Chairman Shivers called to order the meeting of the Board of Regents. He announced that the Board would recess for the meeting of the Buildings and Grounds Committee for which the Regents had assembled, and at 9:00 a. m. on Friday, February 10, would reconvene as a Board.

[This Committee meeting, attendance at which is voluntary, is held pursuant to the resolution adopted on September 16, 1977, providing for a meeting of the Buildings and Grounds Committee on the day preceding each meeting of the Board of Regents for an in-depth study of the recommendations. The resolution further provided that any formal action relating to the recommendations should be taken as in the past by the full Board and not by the Committee on the preceding day.]

FRIDAY, FEBRUARY 10, 1978.--The members of the Board of Regents of The University of Texas System convened in regular session at 9:00 a. m. on Friday, February 10, 1978, in the Conference Area on the fourth floor (west end) of the U. T. Permian Basin Building at The University of Texas of the Permian Basin, Odessa, Texas, with the following in attendance and Chairman Shivers presiding:

BOARD OF REGENTS: ACCEPTANCE OF HISTORICAL GAVEL FROM MRS. MAX WILDER, MISS LUCILE MORLEY, AND THE LATE MAX WILDER (MADE FROM PORTION OF STAIRCASE OF OLD MAIN BUILDING).--After sounding the gavel to call the meeting to order, Chairman Shivers directed to the attention of the Regents the gavel he was using. The gavel was brought to him by Miss Lucile Morley. It was made by Max Wilder (whom you of Austin knew) out of a portion of the staircase of the Old Main Building on The University of Texas at Austin campus. The gavel bears the dates 1883-1934. These represent the dates of construction and destruction of Old Main, respectively.

Mr. Wilder died in 1973. After a long association with the Coca Cola Bottling Company he used his talent for painting. Mrs. Wilder, now in Villa Siesta Retirement Home, was a student of many languages but left the University in 1914, one year before graduation.

Mrs. Wilder asked her neighbor, Miss Morley, to give the gavel to the Chairman for presentation to the Board of Regents. The gavel was gratefully accepted and Chairman Shivers handed the gavel to Secretary Thedford to be held in perpetuity for the Board of Regents.

WELCOME AND REPORT BY PRESIDENT V. R. CARDOZIER.--President Cardozier welcomed the members of the Board of Regents and all others present to The University of Texas of the Permian Basin, "the smallest academic component of The University of Texas System," and expressed appreciation for the opportunity to talk to them about The University of Texas of the Permian Basin.

Following a 12-minute slide presentation which had been developed to help acquaint junior college students with the University, President Cardozier discussed the academic process at U. T. Permian Basin - approaches to teaching and learning - as it relates to the quality of teaching, research and publication, the plans for the college before it opened, self-paced instruction, contract study, mediated instruction, open labs, class visitation, experimental learning, library, tenure, and campus newspaper. He concluded that of these innovations and unusual approaches more have been successful than could reasonably have been anticipated, particularly with respect to the quality of teaching achieved. An official copy of the report is in the Secretary's files.

BOARD OF REGENTS: APPROVAL OF MINUTES OF REGULAR MEETING ON DECEMBER 15-16, 1977. -- Upon motion of Regent Sterling, seconded by Vice-Chairman Williams, the Minutes of the meeting of the Board of Regents of The University of Texas System held on December 15-16, 1977, on the campus of The University of Texas at Dallas, were approved without objection as circulated by Secretary Thedford. The official copy is recorded in the Permanent Minutes, Volume XXV, Pages 1434-1916.

RECESS FOR COMMITTEE MEETINGS AND EXECUTIVE SESSION OF THE COMMITTEE OF THE WHOLE. -- Chairman Shivers announced that (1) the Board of Regents would recess (9:45 a.m.) for meetings of the Standing Committees and (2) following the open session of the Committee of the Whole the Board would reassemble in the President's Conference Room as a Committee of the Whole in Executive Session pursuant to Article 6252-17, Sections 2(e), (f) and (g), V.T.C.S. to consider:

1. Pending or Contemplated Litigation - Section 2(e)
 - Report of Committee to Renegotiate Real Estate Note with Punta Gorda Isles, Inc., and Recommendation
2. Land Acquisition and Negotiated Contracts - Section 2(f)
 - a. Dallas Health Science Center: Negotiated Contract for 3.4 Million Dollar Gift
 - b. U. T. El Paso: Proposed Acquisition of Property in Mundy Heights Addition and Appropriation Therefor
3. Personnel Matters - Section 2(g)
 - Report of Search Committee and Recommendation on the Selection of a President for:
 - (1) Houston Health Science Center
 - (2) University Cancer Center

RECONVENE. -- At 3:20 p.m., when all committees had concluded their business, the Board of Regents reconvened.

REPORTS OF STANDING COMMITTEES

Chairman Shivers called for the reports of the Standing Committees. All meetings had been conducted in open session in the Conference Area on the 4th Floor (West End) of the U. T. Permian Basin Building except the Executive Session of the Committee of the Whole.

REPORT OF SYSTEM ADMINISTRATION COMMITTEE (Pages 5 - 12).-- The following report of recommendations approved by the System Administration Committee was submitted by Vice-Chairman Williams, Committee Chairman. He stated that these recommendations had been approved in open session. The report and the recommendations were adopted without objection:

Report

In open session this morning, the System Administration Committee approved after discussion but without objection each of the following recommendations of the Administration and submits them to the Board of Regents for formal approval:

1. U. T. Austin: Nominee to College of Engineering Foundation Advisory Council (6-CW-78).--President Rogers recommended a nominee for membership on the College of Engineering Foundation Advisory Council at The University of Texas at Austin to fill an unfilled term ending in 1980; Chancellor LeMaistre concurred in the recommendation.

The name of the nominee will be reported for the record when his acceptance has been received.

2. U. T. Austin - Lyndon Baines Johnson School of Public Affairs: Request to Inaugurate "Richardson Fellows Program for Distinguished Public Officials" and Proposed Appointment of First "Richardson Fellow" (2-A&D-78).--It is recommended by The University of Texas at Austin and concurred in by System Administration that there be established in the Lyndon Baines Johnson School of Public Affairs the "Richardson Fellows Program for Distinguished Public Officials."

This program would bring to the Lyndon Baines Johnson School of Public Affairs for a period of two to three weeks a former or current distinguished public official to meet informally with students and faculty as well as to participate in seminars and similar activities.

It is further recommended by U. T. Austin and concurred in by System Administration that Mr. Dean Rusk, former Secretary of State and presently Professor of International Law at the University of Georgia, be appointed the first "Richardson Fellow."

Mr. Rusk would serve during the period March 5-11, 1978, and would receive a \$3,000 honorarium from funds provided by the Richardson and Johnson Foundations. Mr. Rusk would present one public lecture, participate in a colloquium on arms control with the holders of the Distinguished Visiting Tom Slick Professorship of World Peace and meet with interested students.

3. U. T. Austin: Ratification of Interim Appointment to E. W. Doty Professorship in Fine Arts (3-A&D-78).--
The College of Fine Arts at The University of Texas at Austin is actively seeking a highly qualified candidate to nominate to permanently fill the E. W. Doty Professorship in Fine Arts which was established by the Board of Regents in September 1977. While this search is underway, the College desires to utilize the position on an interim basis for selected visiting appointments which will enrich the fine arts teaching program.

It is recommended by President Rogers and concurred in by System Administration that the appointment of Mr. Patrick Heron as Visiting Professor of the E. W. Doty Professorship in Fine Arts at U. T. Austin for the interim period February 1-28, 1978, at an academic rate of \$31,500 (\$3,500 for one month) be ratified.

Mr. Heron is a noted English artist whose works are in many prominent galleries in England, North America, and throughout the British Commonwealth. His publications and introductions are extensive. One of his most recent honors was being made a Commander of the British Empire by Queen Elizabeth. Mr. Heron will teach and conduct seminars during the month of February providing a stimulating experience to U. T. Austin students and faculty alike.

4. Houston Health Science Center: Nominees to Board of Directors of Houston Health Science Center Foundation (7-CW-78).--At the meeting of the Board of Regents on December 16, 1977, the authorized membership of the Board of Directors of the Houston Health Science Center Foundation of The University of Texas Health Science Center at Houston was increased from 27 to 53. Acting President Blocker recommended 25 additional nominees and Chancellor LeMaistre concurred in the recommendation.

The names of those nominees accepting the appointments will be reported for the record at a future meeting.

5. U. T. El Paso, Dallas Health Science Center, Galveston Medical Branch (Galveston Medical School) and San Antonio Health Science Center (San Antonio Medical School): 1976-77 and 1977-78 Budget Amendments (4-B-78).--The appropriate chief administrative officers, concurred in by System Administration, recommend that their respective 1976-77 and 1977-78 Operating Budgets be amended as indicated on the pages set out below:

The University of Texas at El Paso, Page 7
The University of Texas Health Science Center at Dallas, Page 7
The University of Texas Medical Branch at Galveston (Galveston Medical School), Pages 8 - 9
The University of Texas Health Science Center at San Antonio (San Antonio Medical School), Pages 9 - 12

The source of funds will be from departmental appropriations in all cases unless otherwise specified.

REPORT OF ACADEMIC AND DEVELOPMENTAL AFFAIRS COMMITTEE
(Page 13-14).--Committee Chairman Sterling stated that all matters of the Academic and Developmental Affairs Committee were conducted in open session and had been approved without objection unless otherwise indicated. He filed the following report; there being no objection, it was adopted:

Report

1. U. T. System: Docket No. 4 of the President of the System (Attachment No. 1) (Catalog Change).--Committee Chairman Sterling reported that no exception had been received to Docket No. 4 of the President of the System. At the meeting no objections were offered during the consideration of the Docket, and the Docket was unanimously approved in the form distributed by the Secretary. It is attached (Attachment No. 1) following Page 175 and made a part of these Minutes.

It was expressly authorized that any contracts or other documents or instruments approved therein had been or shall be executed by the appropriate official of the respective institution involved.

It was ordered that any item included in this Docket that normally is published in the catalogs of the various institutions be reflected in the next catalogs printed by the respective institutions.

2. U. T. El Paso: Purchase of Private Papers and Personal Library of Brigadier General S. L. A. "Slam" Marshall, Deceased.--The recommendation of President Templeton, concurred in by System Administration, for authorization to purchase for \$20,000 the private papers and remaining personal library of nearly 500 volumes of the late Brigadier General S. L. A. "Slam" Marshall was approved upon motion of Regent Bauerle, seconded by Vice-Chairman Williams. The Chairman of the Board of Regents was authorized to execute the Contract of Sale which had already been signed on the part of Mrs. Catherine F. Marshall, General Marshall's widow and executrix of his estate, and had been approved as to content by President Walker and as to form by an attorney in the Office of General Counsel.

This collection will be added to the existing S. L. A. Marshall Collection on Military History at The University of Texas at El Paso. In support of his recommendation, President Templeton said that the funds for the purchase of this collection would come from gift funds of the people of El Paso and not from State funds.

3. U. T. San Antonio: Adoption of Official Mascot.--Upon the recommendation of Acting President James W. Wagener, concurred in by System Administration, the "ROADRUNNER" was adopted as the official mascot of The University of Texas at San Antonio.

The adoption of an official mascot is in accordance with Section 8.4, Chapter I, Part Two of the Regents' Rules and Regulations.

FEB 10 1978 1930

4. U. T. San Antonio: Increase in General Fee for Use and Availability of University Buildings and Facilities (Formerly Referred to as Student Use Fee or Building Use Fee) (Catalog Change). -- The General Fee for use and availability of University buildings and facilities (formerly referred to as Student Use Fee or Building Use Fee) at The University of Texas at San Antonio was increased from \$4 per semester credit hour to \$6 per semester credit hour effective with the Fall Semester 1978, upon the recommendation of Acting President Wagener, concurred in by System Administration.

It was ordered that the next catalog published at U. T. San Antonio be changed to indicate this increase in fee.

REPORT OF BUILDINGS AND GROUNDS COMMITTEE (Pages 14-26). -- Committee Chairman Bauerle filed the following report of the Buildings and Grounds Committee and stated that all items were considered in open session. The report was adopted without objection:

Report

Report of Committee Meeting on Thursday, February 9, 1978. -- The Buildings and Grounds Committee met on Thursday, February 9, 1978, at 1:30 p. m. in the Conference Area on the fourth floor (west end) of the U. T. Permian Basin Building. The purpose of the meeting was for in-depth consideration and study of the various recommendations that had been proposed by the Administration and the evaluation thereof. Present at the meeting were: Chairman Shivers, Vice-Chairman Williams* and Regents Bauerle (Committee Chairman), (Mrs.) Blumberg, Clark, Fly,* Hay, Law and Sterling.

Incorporated in the report of the Committee meeting on Friday, February 10, 1978, are pertinent facts relating to the meeting on Thursday, February 9, 1978:

Report of Committee Meeting on Friday, February 10, 1978. -- The Buildings and Grounds Committee met on Friday, February 10, 1978, following the meeting of the Academic and Developmental Affairs Committee. Unless otherwise indicated, the following actions were approved unanimously in open session:

1. U. T. System - Ashbel Smith Hall - Completion of Fifth Floor: Approval of Final Plans and Authorization to Advertise for Bids. -- Upon the recommendation of President Walker and System Administration, the final plans and specifications prepared by the Project Architect, Wilson, Stoeltje, Martin - Architects - Planning Consultants, Austin, Texas, for the Completion of the Fifth Floor of Ashbel Smith Hall, The University of Texas System, were approved at an estimated total project cost of \$270,000. The Director of the Office of Facilities Planning and Construction was authorized to advertise for bids for this project to be presented to the Board of Regents for consideration at a future meeting.

*Vice-Chairman Williams and Regent Fly were in a meeting of the Board for Lease of University Lands and did not arrive until the discussion on Item 5.

FEB 10 1978 1931

2. U. T. Arlington - School of Nursing, Including General Classrooms and Office Facilities: Approval of Preliminary Plans; Authorization to Submit to Coordinating Board and to Prepare Final Plans and Specifications Subject to Coordinating Board Approval, and Additional Appropriation Therefor. --Mr. Kristoferson, Director of Facilities Planning and Construction, and Mr. Frank Sherwood, representing Geren Associates, on Thursday, February 9, presented the preliminary plans and outline specifications for the School of Nursing to be located in the southwest part of The University of Texas at Arlington campus. This triangular shaped building has six levels for general classrooms and office facilities.

Without objection, and upon the recommendation of President Nedderman and System Administration, the Buildings and Grounds Committee:

- a. Approved the preliminary plans and outline specifications for the School of Nursing, Including General Classrooms and Office Facilities at The University of Texas at Arlington covering approximately 150,000 square feet at an estimated total project cost of \$9,421,000 and authorized submission of the project to the Coordinating Board, Texas College and University System
- b. Subject to the approval of the Coordinating Board, authorized the Project Architect, Geren Associates, Architects-Engineers-Planners, Fort Worth, Texas, to prepare final plans and specifications for consideration of the Board of Regents at a future meeting
- c. In addition to the previous appropriation of \$50,000 on June 10, 1977, appropriated \$328,000 from Unappropriated Plant Funds - Interest on Bond proceeds as an advance to be repaid from the distribution of ad valorem tax bond proceeds to cover fees and miscellaneous expenses through the preparation of final plans and specifications

It was pointed out that the \$9,421,000 estimated total project cost includes the building cost, equipment, fees and utility costs for tunnel extensions and mechanical equipment replacement in the central plant.

The Administration reported that after preparing the cost estimates and making a study thereof it would not be practical to include the parking facility on this restricted site.

3. U. T. Arlington - Stadium (Multipurpose Athletic Facility): Approval of Preliminary Plans; Authorization to Submit to Coordinating Board and to Prepare Final Plans Subject to Coordinating Board Approval, and Additional Appropriation Therefor. --The preliminary plans and outline specifications for the Stadium (Multipurpose Athletic Facility) at The University of Texas at Arlington were presented on Thursday, February 9, by Mr. Gene S. Schrickel, representing the Project Architect. A general discussion ensued.

Upon the recommendation of President Nedderman and System Administration, the Buildings and Grounds Committee without objection:

- a. Approved the preliminary plans and outline specifications for the Stadium (Multipurpose Athletic

Facility) at The University of Texas at Arlington at an estimated total project cost of \$5,500,000 and authorized the submission of the project to the Coordinating Board, Texas College and University System

- b. Subject to approval of the Coordinating Board, authorized the Project Architect, Schrickel, Rollins and Associates, Inc., Arlington, Texas, to prepare final plans and specifications to be presented to the Board of Regents at a future meeting
- c. Appropriated \$180,000 from Unappropriated Plant Funds - Interest on Bond proceeds to cover fees and miscellaneous expenses through the preparation of final plans and specifications

This initial phase of the multipurpose athletic facility at an estimated total project cost of \$5,500,000 will include approximately 12,664 seats with an alternate bid for an additional 3,432 seats.

- 4. U. T. Arlington - Student Housing Complex: Approval of Housing Concept for a Minimum of 15% of Students and Authorization to Develop Detailed Funding Recommendations Therefor. --In making recommendations with respect to the student housing needs at The University of Texas at Arlington, the Administration included the following summary of background history of student housing:

<u>Facility</u>	<u>Completed</u>	<u>Capacity</u>	<u>Headcount Enrollment at Completion</u>
Brazos House	1935	114	1,007
Pachl Hall	1948	142	1,914
Lipscomb Hall	1957	148	4,925
Lipscomb Hall Addition	1963	197	10,025
Trinity House	1963	245	10,025

The recommendations proposed by President Nedderman and System Administration were thoroughly discussed at the Buildings and Grounds Committee meeting on Thursday, February 9. Regent Shivers pointed out that the Coordinating Board will not approve projects if there is not a feasible funding plan.

Regent Shivers moved that:

- a. Approval be given to the concept of accommodating a minimum of 15% of the student enrollment in University-owned housing at The University of Texas at Arlington in a systematic manner through phased construction based on sound financial considerations
- b. Authorization be given to the development of detailed funding recommendations through all necessary actions of the U. T. Arlington Administration and System Administration to support expansion of student housing on the campus

Regent Hay seconded the motion which was adopted without objection.

5. U. T. Austin - Jester Residence Hall - Renovations and Remodeling of Facilities Currently Provided for Student Athletes - Three Minor Improvement Projects: Authorization to Complete Construction Plans and Furniture Specifications, to Advertise for Bids and for Separate Appropriations. -- Upon the recommendation of President Rogers and System Administration, the Buildings and Grounds Committee without objection authorized the following three minor improvement projects and funding therefor at Jester Hall for the renovations and remodeling of facilities currently provided for student athletes at The University of Texas at Austin for completion by the 1978-79 Fall Semester:

a. Renovations of Existing Rooms, Unit "M" - Jester Hall

Renovation of existing dormitory space for study areas and lounge space and appropriation of \$99,000 from Intercollegiate Athletics - Unallocated Balance, Acct. [REDACTED]

b. Furniture and Furnishings, Unit "M" - Jester Hall

Interior furnishings and furniture for converted single occupancy rooms, new study areas and lounge spaces and appropriation of \$250,000 from Intercollegiate Athletics - Unallocated Balance - Acct. [REDACTED]

c. Addition of Elevator, Unit "M" - Jester Hall

Installation of improved vertical transportation and appropriation of \$95,000 from Interest on Bond proceeds

The Office of Facilities Planning and Construction was authorized to expedite the preparation of final construction plans for the projects through procurement of any required additional architectural and engineering services at established U. T. System professional fee rates and to advertise for bids subject to final approval of President Rogers and Athletic Council Chairman J. Neils Thompson of the plans, specifications and cost estimates.

6. U. T. Austin - Texas Memorial Stadium - Proposed Spectator Seating for President: POSTPONED INDEFINITELY. -- At the Buildings and Grounds Committee meeting on Thursday, February 9, Mr. Kristoferson, Director of Facilities Planning and Construction, reported the results of a feasibility study relating to special spectator seating at the Texas Memorial Stadium for the President of The University of Texas at Austin. He presented four options. A discussion ensued.

Upon motion of Regent Shivers, seconded by Regent Clark, this project was postponed indefinitely. President Rogers was in complete agreement with this action.

7. U. T. Austin - Renovation of Outdoor Sports Facilities (Clark Field and Area at 51st and Guadalupe Streets): Authorization for Feasibility Study; Appointment of Beran and Shelmire, Dallas, Texas, Consultant; and Appropriation Therefor. -- Based upon an increase in participation in all recreational sports and upon the

FEB 10 1978

1934

recommendation of President Rogers, concurred in by System Administration, the Buildings and Grounds Committee without objection:

- a. Authorized a feasibility study for the Renovation of Outdoor Sports Facilities at The University of Texas at Austin for preparation of cost estimates for sports facilities at two campus sites: (1) 51st and Guadalupe Streets and (2) Clark Field at 21st and San Jacinto Streets
- b. Appointed the firm of Beran and Shelmire, Dallas, Texas, Consultant to work on the feasibility study with a Planning Committee from U. T. Austin and the Office of Facilities Planning and Construction
- c. Appropriated \$20,000 from Interest on Bond proceeds for the feasibility study including fees and other related expenses

Upon completion of the feasibility study and appropriate review, the recommendations of U. T. Austin Administration for a specific project scope and suggested funding will be brought to a future meeting of the Board of Regents for consideration.

8. U. T. Austin - Sutton Hall: Authorization for Minor Remodeling of Level One for Use by School of Architecture, Appointment of Thomas-Booziotis & Associates, Dallas, Texas, and Chartier Newton, Austin, Texas, Project Architect with Authorization to Prepare Final Plans and Specifications; Authority for Office of Facilities Planning and Construction to Approve Final Plans and to Advertise for Bids; and Appropriation Therefor. -- The Administration reported that the feasibility study for the improvement of facilities for the School of Architecture at The University of Texas at Austin authorized on September 16, 1977, is nearing completion. However, one conclusion already reached is that level one (the basement) of Sutton Hall which is currently assigned to the School of Architecture needs to be remodeled to provide surge space for two major design studios and darkroom facilities for the School of Architecture.

Upon the recommendation of President Rogers and System Administration, the Buildings and Grounds Committee without objection:

- a. Authorized the minor Remodeling of Level One of Sutton Hall at U. T. Austin to provide improved surge space for instructional use by the School of Architecture at an estimated total cost not to exceed \$100,000
- b. Appointed the associated planning consultants, Thomas-Booziotis & Associates, Dallas, Texas, and Chartier Newton, Austin, Texas, Project Architect with authorization to prepare final plans and specifications to be used as bidding documents for the project at an estimated construction cost of approximately \$90,000
- c. Authorized the Office of Facilities Planning and Construction to expedite the project schedule

through approval of final plans and advertisement for bids to be presented to the Board of Regents at a future meeting

- d. Appropriated \$5,000 from Interest on Bond proceeds for fees and miscellaneous expenses through the preparation of final plans and specifications

9. U. T. Austin - Robert A. Welch Hall: Feasibility Study for Renovation of Initial Building; Appointment of 3D/International, Austin, Texas (Brooks, Barr, Graeber & White), Consulting Architect; and Appropriation Therefor. --The Administration advised that the Addition to Robert A. Welch Hall at The University of Texas at Austin (contract awarded December 1974) is forecast for completion in mid-1978, and proposed that it was timely to begin the planning for renovation of the original building built in 1929 which was initially constructed for Chemistry, Chemical Engineering and Pharmacy.

Upon motion duly made and seconded, the Buildings and Grounds Committee without objection:

- a. Authorized a feasibility study for the Renovation of Robert A. Welch Hall (initial building) at U. T. Austin and appropriated \$20,000 from Interest on Bond proceeds for the feasibility study including fees and related expenses
 - b. Appointed 3D/International, Austin, Texas (Brooks, Barr, Graeber & White), Consulting Architect to work with an ad hoc project building committee and the Office of Facilities Planning and Construction in preparing a feasibility study and cost estimate to be presented to the Board of Regents at a future meeting
10. U. T. Austin - Easements to City of Austin: (a) Open Drainage Ditch and Public Utilities Easement and (b) Sanitary Sewer Easement (Gateway Apartments Property). --Upon the recommendation of President Rogers and System Administration, the Buildings and Grounds Committee without objection authorized the granting of two easements as set out below to the City of Austin in connection with municipal improvements planned by the City of Austin in southwest Austin adjacent to the Gateway Apartments of The University of Texas at Austin:
 - a. Open drainage ditch and public utility easement of 0.84 of one acre of land adjacent to West Tenth Street at the northern boundary of the Gateway Apartments property
 - b. Sanitary sewer easement for constructing new segments and connecting existing sanitary sewer lines near the east and west property lines of the Gateway property

The Chairman of the Board of Regents was authorized to execute these two easements when they have been approved as to content by System President Walker and as to form by an attorney in the Office of General Counsel.

11. U. T. Austin - McDonald Observatory - Proposed Visitors Information Center: TABLED; Request to be on Agenda April 1978 Meeting. -- Upon motion of Regent Law, duly seconded, the recommendations of President Rogers and System Administration with respect to a proposed Visitors Information Center at McDonald Observatory of The University of Texas at Austin was tabled. Regent Law asked that it be placed on the Agenda for the meeting of the Board of Regents in Galveston on April 6-7, 1978.

12. U. T. Austin - McDonald Observatory: Waiver of Regents' Easement Policy: Authorization to Grant Overhead Electric Line Easement to West Texas Utilities Company, Marfa, Texas. -- Upon the recommendation of President Rogers and System Administration, the Regents' easement policy was waived and the request of West Texas Utilities Company, Marfa, Texas, for an overhead easement for installation of a 12.5 KV power line to a new Laser site at McDonald Observatory of The University of Texas at Austin was granted.

The Chairman of the Board of Regents was authorized to execute this easement when it had been approved as to content by President Walker and as to form by an attorney in the Office of General Counsel.

13. U. T. Dallas - Conference Center (Phase III): Inscription for Plaque. -- Without objection the Buildings and Grounds Committee approved the following inscription to be arranged appropriately on the plaque for the Conference Center (Phase III) at The University of Texas at Dallas. This inscription follows the pattern approved by the Board of Regents on October 1, 1966:

15. U. T. Dallas - Student Union Building: Authorization for Feasibility Study, Appointment of Fisher and Spillman Architects, Inc., Dallas, Texas, in Association with Haywood, Jordan, McCowan, Inc., San Antonio, Texas, Consulting Architect, and Appropriation Therefor. -- Upon the recommendation of President Jordan and System Administration, the Buildings and Grounds Committee without objection:
- a. Authorized a feasibility study to define the required functions, project scope, campus site location, and estimated cost of a Student Union Building at The University of Texas at Dallas
 - b. Appropriated \$10,000 from Unappropriated Plant Funds for the feasibility study including fees and other related expenses

Upon motion of Regent Hay, seconded by Vice-Chairman Williams, the firm of Fisher and Spillman Architects, Inc., Dallas, Texas, in Association with Haywood, Jordan, McCowan, Inc., San Antonio, Texas, was appointed Consulting Architect to work with a Planning Committee from U. T. Dallas and the Office of Facilities Planning and Construction on the feasibility study to be presented to the Board of Regents at a future meeting.

16. U. T. El Paso - Administration Building - Alterations and Additions: Contract Award to Jordan and Nobles Construction Co., El Paso, Texas. -- Upon the recommendation of President Templeton and System Administration and without objection, the Buildings and Grounds Committee awarded a contract for the Additions and Alterations to the Administration Building at The University of Texas at El Paso to the lowest responsible bidder, Jordan and Nobles Construction Co., El Paso, Texas, in the amount of \$1,297,000.

The contract award is within the authorized total project cost of \$1,400,000 which had been previously appropriated.

17. U. T. Permian Basin - Expansion of Utility Sensing Equipment; Approval of Project; Authorization to Complete; and Appropriation Therefor. --To provide increased means for improved operations and maintenance and permit greater efforts in energy conservation measures at The University of Texas of the Permian Basin, and upon the recommendation of President Cardozier, concurred in by System Administration, the Buildings and Grounds Committee without objection:
- a. Approved the expansion of the utility and services sensing and control equipment and related programs at The University of Texas of the Permian Basin at an estimated cost not to exceed \$100,000
 - b. Authorized the installation and completion of the expanded sensing/control program through all necessary actions of the U. T. Permian Basin Administration and Physical Plant Department with their own forces and all required contract services in consultation with the Office of Facilities Planning and Construction
 - c. Appropriated the sum of \$100,000 made available by the 65th Legislature for expansion of the utility sensing (and control) equipment
18. Dallas Health Science Center (Dallas Southwestern Medical School) - Philip R. Jonsson Basic Science Research Building - Remodeling of Animal Areas and Academic Space: Authorization for Project; Appointment of Geren Associates, Fort Worth, Texas, Project Architect; and Appropriation Therefor. --In connection with the Remodeling of the Animal Areas in the Philip R. Jonsson Basic Science Research Building at The University of Texas Health Science Center at Dallas authorized by the 65th Legislature, the Administration advised that certain areas in the building would become available for remodeling into academic spaces when the Police Department and the mail room are relocated into the service and support facilities now under construction. The Administration proposed that planning of these areas should begin in order to avoid delay when the areas were vacated and the Legislative funds (\$500,000 appropriated) become available in Fiscal Year 1978-79.

Upon recommendation of President Sprague and System Administration, the Buildings and Grounds Committee without objection:

- a. Authorized the Remodeling of the Animal Areas and Academic Spaces in the Philip R. Jonsson Basic Science Research Building at the Dallas Health Science Center
- b. Appropriated \$10,000 from Dallas Health Science Center Unappropriated Balance Plant Fund Account No. 729910 for necessary fees and miscellaneous expenses through the preparation of preliminary plans

Further, upon the motion of Vice-Chairman Williams, seconded by Regent Law, the firm of Geren Associates, Fort Worth, Texas, was appointed Project Architect to prepare preliminary plans and cost estimate to be presented to the Board of Regents for consideration at a future meeting.

19. Dallas Health Science Center - Parking Structure II: Award of Contract to Lyda, Inc., San Antonio, Texas, and Additional Appropriation Therefor. --A tabulation of bids for Parking Structure II at The University of Texas Health Science Center at Dallas was submitted and reviewed. It was pointed out by the Administration that previously (November 11, 1977) an estimated total project cost of \$2,100,000 had been approved for the project; however, while this amount would adequately cover a construction contract award, it would not cover the total project cost which includes fees, contingencies and miscellaneous expenses. An analysis by the Office of Facilities Planning and Construction and the Project Architect indicated that the additional cost could be attributed to recent price increases for concrete and reinforcing steel.

Upon the recommendation of President Sprague and System Administration, the Buildings and Grounds Committee:

- a. Awarded a construction contract for Parking Structure II at The University of Texas Health Science Center at Dallas to the lowest responsible bidder, Lyda, Inc., San Antonio, Texas, as follows:

Base Bid	\$2,049,000
Alt. #1 Entrance Canopy	<u>11,000</u>
Total Contract Award	<u><u>\$2,060,000</u></u>

- b. Authorized a revised total project cost of \$2,234,000 to cover the construction contract award, fees, contingencies and miscellaneous expenses
- c. Appropriated additional funds to cover the total project cost from the sources listed below, \$95,000 previously having been appropriated:

\$ 805,000	Dallas Health Science Center Account No. 6700
\$1,334,000	Unappropriated Balance Plant Funds - Account No. 729910

Vice-Chairman Williams voted "No."

During the discussion of this item, Vice-Chairman Williams expressed concern with the increasing costs for the construction of parking facilities at the various institutions and requested that the Board review these costs.

Committee Chairman Bauerle reminded the Committee that there was an ongoing survey with respect to Parking Fees being prepared by the Administration; and it was ordered that President Walker finalize this survey for review by the Board. [Survey authorized December 16, 1977 meeting.]

20. Galveston Medical Branch (Galveston Hospitals) - Ambulatory Care Center: Approval of Final Plans and Authorization to Advertise for Bids. -- Upon recommendation of President Levin and System Administration, and upon motion of Regent Clark, seconded by Vice-Chairman Williams, the Buildings and Grounds Committee without objection:
- a. Approved the final plans and specifications (prepared by Page Southerland Page, Austin, Texas, Project Architect) for the Ambulatory Care Center at The University of Texas Medical Branch at Galveston (Galveston Hospitals) consisting of approximately 200,000 gross square feet at an estimated total project cost of \$17,200,000, which amount is within the estimated total project cost of \$18,700,000 previously appropriated for both the Ambulatory Care Center and the Parking Facility
 - b. Authorized the Director of the Office of Facilities Planning and Construction to advertise for bids for the project to be submitted to the Board of Regents at a future meeting
21. Galveston Medical Branch, Houston Health Science Center and University Cancer Center: Authorization to Participate in Construction Costs of Paving Cambridge Street in City of Houston, Texas (Located Along East Side of 100 Acre Site in P. W. Rose Survey - Area on Which Central Food Service Facility is Being Constructed). -- Upon the recommendation of System Administration and without objection, approval was given for the University to participate in the paving of Cambridge Street in the City of Houston, Texas. This street is on the east side of the 100 acre tract in the P. W. Rose Survey on which the Central Food Service Facility is being constructed to serve the Houston Health Science Center, University Cancer Center, Galveston Medical Branch and the Hermann Hospital.
- The Board of Regents on November 10, 1977, approved the University's participation in engineering fees on a pro rata basis for this project and \$20,000 was appropriated for this purpose. The Administration advised that the pro rata cost to the University for the paving of Cambridge Street, including engineering fees, would be \$120,000.
- Upon the further recommendation of System Administration, an appropriation of an additional \$100,000 from Account Number 85-0204-2000 was authorized.
22. Houston Health Science Center and University Cancer Center: Approval of Minor Revisions to Texas Medical Center Amended Restrictions for Flood Prevention. -- The Administration reported that the Texas Medical Center, Inc., had amended the Restrictions for Flood Prevention which were approved by the Board of Regents on September 16, 1977, whereby the elevation to which protection must be provided can now vary from the previously

established 47.5 feet to 45.5 feet above sea level depending upon the institution's location on the Texas Medical Center campus. This revision has no impact on the flood protection works installed for the Houston Medical School, but reduces the cost of compliance for the remaining University institutions on the campus without reducing the degree of protection.

Upon recommendation of President Clark, Acting President Blocker and System Administration, the Buildings and Grounds Committee without objection approved the December 21, 1977, revision of the Texas Medical Center Amended Restrictions for Flood Prevention.

23. San Antonio Health Science Center (San Antonio Medical School and San Antonio Dental School) - Expansion (Phases I and III): Contract Awards for Furniture and Furnishings to Abel Contract Furniture & Equipment Co., Inc., Austin, Texas; Rockford Furniture & Carpets, Inc., Austin, Texas; and Bexar Floor Covering Company, San Antonio, Texas. -- Upon the recommendation of President Harrison and System Administration, the Buildings and Grounds Committee without objection awarded contracts as set out below to the lowest responsible bidders for furniture and furnishings for the Expansion (Phases I and III) of the San Antonio Medical School and the San Antonio Dental School of The University of Texas Health Science Center at San Antonio:

Abel Contract Furniture &
Equipment Co., Inc.
Austin, Texas

Base Bid "A" (Wood Desks & Furnishings)	\$ 63,759.00
Base Bid "B" (Upholstered Steel Chairs)	<u>73,618.45</u>
Total Award to Abel Contract Furniture & Equipment Co., Inc.	\$ 137,377.45

Rockford Furniture & Carpets
Austin, Texas

Base Bid "C" (File Cabinets)	21,060.40
------------------------------	-----------

Bexar Floor Covering Company
San Antonio, Texas

Base Bid "D" (Carpet)	<u>3,212.00</u>
-----------------------	-----------------

Grand Total Contract Award	<u>\$161,649.85</u>
----------------------------	---------------------

The funds necessary to cover these contract awards are available in the Furniture and Equipment Account for the project.

The Administration pointed out that while Alternate Bids were taken for "A" and "B" to assure a competitive market by eliminating the possibility of a monopoly for a specific product, Base Bids "A" and "B" were for furniture which exactly matched existing furniture and which will be intermingled with existing pieces. The Base Bids received were considered to be competitive and worth the premium

FEB 10 1978 1942

cost over the Alternate Bids in order that new and existing furniture can be freely intermingled. Also, Base Bid "B" by Stationers, Inc., Houston, Texas, was nonresponsive in that it was an incomplete bid.

REPORT OF HEALTH AFFAIRS COMMITTEE (Pages 26 - 32).--Committee Chairman Law stated that all actions of the Health Affairs Committee had been taken in open session and had been approved without objection unless otherwise indicated. He submitted the following report which was adopted without objection:

1. U. T. Austin: Affiliation Agreement Between Department of Microbiology (Medical Technology Program) and City of Austin, Brackenridge Hospital, Austin, Texas.--Upon the recommendation of President Rogers, concurred in by System Administration, approval was given to the affiliation agreement set out on Pages 27 - 30 between the Board of Regents of The University of Texas System on behalf of the Medical Technology Curriculum, Department of Microbiology, The University of Texas at Austin, and Brackenridge Hospital, Austin, Texas.

It was pointed out that this agreement had been in process prior to the adoption of the model agreements at the December 16, 1977 meeting of the Board of Regents. It is in the same form as agreements for the Department of Microbiology that had been approved prior to the December meeting.

FEB 10 1978 1943

AFFILIATION AGREEMENT

THE STATE OF TEXAS)(

COUNTY OF TRAVIS)(

This AGREEMENT is executed on DECEMBER 9, 1976, between the BOARD OF REGENTS OF THE UNIVERSITY OF TEXAS SYSTEM, for and on behalf of the Medical Technology Curriculum, the Department of Microbiology of The University of Texas at Austin, hereinafter sometimes referred to as "University" in this agreement, and City of Austin for Brackenridge Hospital, Austin, Texas, hereinafter sometimes referred to as "Facility,"

WITNESSETH:

WHEREAS, it is agreed by the parties to be of mutual interest and advantage that the students of the University be given the opportunity to utilize the Facility as a clinical laboratory for educational purposes:

NOW, THEREFORE, for and in consideration of the foregoing, and in further consideration of mutual benefits, the parties to this agreement agree as follows:

(1) The Facility will train students in the theory and practice of medical technology. The Facility will conform in its clinical portion of training to the ESSENTIALS OF AN APPROVED EDUCATIONAL PROGRAM FOR MEDICAL TECHNOLOGISTS, established by the AMERICAN MEDICAL ASSOCIATION COUNCIL ON MEDICAL EDUCATION in collaboration with AMERICAN SOCIETY OF CLINICAL PATHOLOGISTS and the AMERICAN SOCIETY FOR MEDICAL TECHNOLOGY.

(2) The number of students chosen to attend the Facility is not specified. However, University applicants to the Facility are to be considered equally with all other applicants on the basis of merit. No discrimination in the selection of applicants on the basis of sex, race, religion, or age is to be made by the Facility regarding applicants from the University.

(3) The Facility agrees to maintain approval of its program by the NATIONAL ACCREDITING AGENCY FOR THE CLINICAL LABORATORY SCIENCES or other appropriate accrediting agency.

FEB 10 1978 1944

(4) The period of training in the Facility shall be for one year, or such additional time as is approved by the NATIONAL ACCREDITING AGENCY FOR THE CLINICAL LABORATORY SCIENCES.

(5) The period of training at the University will be for not less than 100 semester hours, as described in the University College of Natural Sciences Catalogue. The University agrees to change the curriculum, if necessary, to conform to the ESSENTIALS OF AN APPROVED EDUCATIONAL PROGRAM FOR THE MEDICAL TECHNOLOGIST. The University will inform the Facility of all curriculum changes.

(6) The University will provide the Facility with a DEGREE AFFIRMATION FORM for each student who applies for admission to the Facility. This form will state whether or not the University is exempted from student transcript evaluation by the NATIONAL ACCREDITING AGENCY FOR THE CLINICAL LABORATORY SCIENCES. This form also will affirm that upon completion of all academic requirements for the degree, and that upon satisfactory completion of all courses of training at the Facility, the University will award the degree of Bachelor of Science in Medical Technology.

(7) The awarding of the degree of Bachelor of Science in Medical Technology will not be contingent upon a student's passing the examination of the Registry of Medical Technologists.

(8) Final grades earned by University students in this program, for each section of the Facility Curriculum, should be sent by the Facility to the Office of the Dean, Attention: Degree Evaluation, The College of Natural Sciences, The University of Texas at Austin, Austin, Texas 78712.

(9) It is the responsibility of the student, not the University or the Facility, to have a proper degree application on file and to register IN ABSENTIA during the semester or summer session in which the degree is to be awarded. During the period of training at the Facility, the student will pay to the University only those fees required for registration for graduation.

(10) Students who fail or withdraw from the clinical training program of the Facility are bound by the rules of the Facility. On request by the Facility or a student from the University in the program, the University will provide assistance to the Facility in determining the continuing or readmission eligibility of a student.

FEB 10 1978 1945

(11) The Facility will supply the University (Office of the Dean, Student Division, College of Natural Sciences, The University of Texas at Austin, Austin, Texas 78712, ATTN: Medical Technology Advisors) with a description of the training program. It further agrees to notify the University of any changes in the training program.

(12) The Faculty Advisors for the Medical Technology program at the University shall serve as consultants to the Facility. The consultants shall be welcome to visit the Facility, to inspect it, and to discuss with the Director or Coordinator matters relating to the training program.

(13) The Director and Educational Coordinator of the Facility shall serve as consultants to the Medical Technology program of the University and shall be welcome to visit the University to discuss with the Advisor and other representatives matters relating to the degree program.

(14) Representatives of the University and the Facility shall meet as often as necessary to study the coordinated undergraduate program and terms of this agreement and make changes as they are needed.

(15) Students will be subjected to the rules and regulations established by the Facility:

(A) the Facility will charge the University no fees for general supervision of experiences provided for students;

(B) the University will not be responsible for the student's meals, laundry, and transportation to and from the Facility;

(C) the University will not be responsible for the student's health needs while in the performance of this agreement; and students shall be responsible for their own expenses in case of injury, illness, or hospitalization.

(16) Insofar as the University is authorized by the Constitution and laws of the State of Texas, the University agrees to hold the Facility harmless from and against any and all liability resulting from the use of the Facility by the University. The University does not agree to hold the Facility harmless for the gross or willful negligence of the Facility, its officers, employees, or agents, or the actions of a third party over which the University has no supervision, control, or jurisdiction.

FEB 10 1978

1946

(17) This agreement is for a term of one year, and thereafter from year to year unless terminated by either party upon giving six months' advance notice in writing to the other party by certified mail.

EXECUTED by the parties on the day and year first above written.

2. Dallas Health Science Center (Dallas Southwestern Medical School): Authorization to Request Permission from Coordinating Board to Change Name of Department of Biophysics to Department of Biophysics and Molecular Genetics (Catalog Change). --The recommendation of President Sprague, concurred in by System Administration, to change the name of the Department of Biophysics at the Dallas Southwestern Medical School of The University of Texas Health Science Center at Dallas from Department of Biophysics to Department of Biophysics and Molecular Genetics was considered. Though it is desirable to keep titles as simple as possible, it was determined that this change was necessary in order to reflect the accurate function of the department.

Whereupon, the recommendation was approved without objection with authorization to the Administration to seek permission from the Coordinating Board, Texas College and University System to change the name accordingly.

If this name change is approved by the Coordinating Board, the next catalog published at the Dallas Southwestern Medical School will be conformed thereto.

3. Dallas Health Science Center: Creation of a Center for Genetic Diseases. --Upon the recommendation of President Sprague, concurred in by System Administration, a Center for Genetic Diseases was established at The University of Texas Health Science Center at Dallas.

President Sprague reported that the Center will have the function of using sophisticated and fundamental genetic and biochemical techniques to study genetic diseases of man, and will serve as a focus for research and training in genetics at the Dallas Health Science Center. The funding of the Center will be derived from State funds allocated to the Department of Biophysics, from federal grants and contracts, and from private donations pledged from local citizens and foundations headed by Mr. J. Erik Jonsson.

4. Houston Health Science Center (Public Health School) - James W. Rockwell Professorship in Public Health (Preventive Medicine and Epidemiology) [Formerly Referred to as in the Houston Medical School]: Appointment Thereto of Reuel A. Stallones, M.D., M.P.H. --Upon the recommendation of Acting President Blocker and System Administration, Reuel A. Stallones, M.D., M.P.H., was appointed the James W. Rockwell Professor in Public Health (Preventive Medicine and Epidemiology) at the Public Health School of The University of Texas Health Science Center at Houston.

Dr. Stallones, Dean of the Public Health School, is known internationally for his educational and investigative achievements in epidemiology. He is President of the American Epidemiological Society and a Fellow of both the American Public Health Association and the American College of Preventive Medicine.

5. San Antonio Health Science Center (San Antonio Medical School):
Authorization to Request Permission from Coordinating Board to
Change Division of Ophthalmology to Department of Ophthalmology
(Catalog Change); Commendation of President Harrison and SAM. --
Upon the recommendation of President Harrison, concurred in by System Administration, authorization was given to request permission from the Coordinating Board, Texas College and University System to change the Division of Ophthalmology at the San Antonio Medical School of The University of Texas Health Science Center at San Antonio to the Department of Ophthalmology.

If this change is approved by the Coordinating Board, the next catalog published at the San Antonio Medical School will be conformed thereto.

Chairman Shivers on behalf of the Board of Regents commended President Harrison and the San Antonio Medical School for the progress that had been made in the field of Ophthalmology.

LAND AND INVESTMENT COMMITTEE: (a) REMARKS OF COMMITTEE CHAIRMAN CLARK WITH RESPECT TO PERMANENT UNIVERSITY FUND REACHING ONE-BILLION DOLLAR MARK; (b) REPORT OF COMMITTEE (Pages 32-48). --

- (a) Prior to giving the report of the meeting of the Land and Investment Committee, Committee Chairman Clark made the following remarks:

"Before I make my regular presentation, I have a very important announcement to make. Now this is not just another one of your run-of-the-mill important announcements. It is not one of your routine important announcements. It's not even a 'Raise-Your-Eyebrows' important announcement. This is a genuine, bonafide, notarized, table-thumping important announcement that I think you will be very proud to hear.

FEB 10 1978 1949

"As of February 15th -- five days from now -- the Permanent University Fund of The University of Texas System will hit the one-billion dollar mark. We will thus become the first public institution of higher education in American history to have a permanent endowment in excess of a billion dollars.

"Now, we all knew it was coming. We've all been waiting for it. But it comes as a most pleasant surprise to be able to announce it this early in the year. It brings to mind that tombstone I saw a long time ago in West Texas which gave the name of a man, the date of his birth and the date of his death. Underneath it was this inscription: 'I expected this, but not so soon.'

"And I think it is most appropriate that the announcement be made here in Odessa -- right smack in the heart of the Permian Basin which has been the source of so much of our income over the past half-century.

"So, it is the time for rejoicing and celebration.

"It is also, however, a time for some serious reflection. This magnificent endowment represents more than just a source of extra income. It represents a most serious responsibility to each of us here at this table today, and to each of our institutional heads. Our responsibility is to make sure that the income from the Permanent Fund is spent wisely and well. Our responsibility is to guarantee that the words 'academic enrichment' and 'academic excellence' are truly the ultimate goal of every cent we spend of the Available Fund.

"I think we ought to rededicate ourselves to that purpose today.

"In short, let us be thankful for our good fortune, and let us prove to generations to come that we are worthy of that good fortune."

- (b) Committee Chairman Clark submitted the following report of the Land and Investment Committee and stated that all matters were acted on in open session. The report was adopted without objection:

Though the Chairman of the Board of Regents has authority to execute any document authorized by the Board, either the Executive Director for Investments, Trusts and Lands or the President of the System may execute, unless otherwise indicated in the report, all necessary instruments authorized in this report when each has been approved as to form by an attorney in the Office of General Counsel and as to content by the appropriate official. These instruments relate to real estate or mineral interests held or controlled by the Board of Regents as a part of the Permanent University Fund or as a part of any Trust and Special Fund.

2. Permanent University Fund - Old Pyote Air Force Base Property, Ward County, Texas: Authorization to Take Bids and to Sell 5,000 Barrel Storage Tank Located Thereon. -- Upon the recommendation of System Administration and without objection, the Land and Investment Committee authorized Mr. Billy Carr, University Land Agent, to take bids and to sell a 5,000 barrel storage tank located on the Old Pyote Air Force Base property in Ward County, Texas, where salvage operations have been underway to demolish the hangars and barracks under authority given by the Board of Regents on July 9, 1976. The tank is estimated to have a salvage value of approximately \$2,000; and this is the final step toward cleaning up the property.

II. TRUSTS AND SPECIAL FUNDS

A. GIFTS, BEQUESTS AND ESTATES

1. U. T. Austin: Acceptance of Benefits Under Will of Patti Clayton Breaker and Approval of Payment from the Estate to Family of Colonel John B. Stoecker, Deceased. -- The Administration reported that Mrs. Patti Clayton Breaker, a resident of Austin who died last September 25 at the age of 90, left one-half of her residuary estate in trust for a scholarship fund for The University of Texas at Austin and the other one-half for a like fund for Washington University in St. Louis. Each fund should amount to approximately \$400,000. Income from this fund is to be paid annually to the universities for scholarships to cover tuition costs of students selected by the University. Also, Mrs. Breaker left in trust \$150,000 with the income to be used for scholarships for children and grandchildren, living at the time of her death, of named nieces and nephews of Mr. and Mrs. Breaker. Those benefits terminate around the time when the youngest of those children and grandchildren reaches the age of 26, and that trust is then divided equally between the scholarship funds for U. T. Austin and Washington University.

Other than the trusts, the only bequests made by Mrs. Breaker were \$25,000 each to seven persons, each of whom was a niece or nephew of Mr. or Mrs. Breaker. One of these was Colonel John B. Stoecker who died of a relatively short illness in August 1977, preceding Mrs. Breaker's death. Though the will provides that a bequest to anyone not living at the time of Mrs. Breaker's death shall lapse, relatives of Mrs. Breaker had presented a request that the universities approve payment of the \$25,000 by Austin National Bank, Independent Executor, to the family of Colonel Stoecker. Washington University had given its permission for this payment of \$25,000 from the residuary estate (\$12,500 from each scholarship fund), and the Administration recommended that the Regents give their consent. The Administration indicated that this consent, approved by the Office of General Counsel, would be of benefit to the University in expediting settlement of the Estate and minimizing possible demands by heirs.

FEB 10 1978 1958

Upon the recommendation of the Administration, authorization was given to accept the benefits from the E. R. and Patti C. Breaker Scholarship Fund for The University of Texas at Austin established under the Will of Mrs. Patti Clayton Breaker with the Austin National Bank as Trustee. And, approval was given for the payment by the bank of \$12,500 from the share of the estate going to this trust for U. T. Austin to the family of Colonel John B. Stoecker, deceased, a nephew of Mrs. Breaker..

2. U. T. Austin: Acceptance of Gifts and Establishment of Lawrence D. Gale Professorship in Small Business Management and Entrepreneurship in College of Business Administration and Graduate School of Business. -- Upon the recommendation of the Administration and without objection, \$80,000 was accepted from Mrs. Marie Gale and Mr. Edwin Gale, Independent Co-Executors of the Estate of the late Mr. Lawrence D. Gale of Beaumont, Texas, and the Lawrence D. Gale Professorship in Small Business Management and Entrepreneurship was established in the College of Business Administration and Graduate School of Business at The University of Texas at Austin.

It was noted that Mr. Gale had pledged to endow this Professorship and had contributed a total of \$20,000 prior to his death. The Executors wish to honor the pledge and recently have sent \$20,000 and will pay the remainder of \$60,000 within the next few months when the estate is settled.

3. U. T. Austin: Acceptance of Gifts and Establishment of Helmut Rehder Graduate Scholarship Fund. -- Gifts in the amount of \$7,000 from the widow of the late Dr. Helmut Rehder, Mrs. June Rehder, and in the amount of \$3,124 from friends and former students of Dr. Rehder were accepted with sincere appreciation, and the Helmut Rehder Graduate Scholarship Fund was established at The University of Texas at Austin. The income from this fund will be used for scholarships for graduate students in the Department of Germanic Languages.

At the time of his death, January 1977, Dr. Rehder was the Ashbel Smith Professor Emeritus in the Department of Germanic Languages at U. T. Austin.

4. U. T. Austin: Acceptance of Gift from President Lorene L. Rogers and Establishment of Mamie E. Smith Endowed Presidential Scholarship. -- Committee Chairman Clark expressed pleasure in presenting a gift of \$25,000 from "our distinguished President at U. T. Austin, Lorene L. Rogers." This gift was gratefully accepted, and the Mamie E. Smith Endowed Presidential Scholarship was established at The University of Texas at Austin.

5. U. T. Austin: Acceptance of Benefits Under Will of Lowber D. Snow and Under Life Insurance Policy and Establishment of Lowber Snow Fund (Engineering Foundation). -- Upon recommendation of the Administration, and without objection, the Land and Investment Committee accepted proceeds in the amount of \$20,000 from an insurance policy on the life of Lowber D. Snow

FEB 10 1978 1959

of Houston, Texas, with the understanding that \$10,000 of this sum will be used to endow the Lober Snow Fund (Engineering Foundation) with the income to be used for student professional societies in the College of Engineering at The University of Texas at Austin.

Further, the bequest of Mr. Snow's residuary estate which is still in administration but estimated to amount to approximately \$50,000 was accepted for the Engineering Foundation.

A report on the bequest, together with recommendations for the use of it and the remaining \$10,000 from the life insurance policy, will be made at a later date.

6. U. T. Austin: Acceptance of Funds and Establishment of the Texas Real Estate Research Center Professorship in the College of Business Administration. -- The Committee without objection approved the Administration's recommendation that \$50,000 be accepted from the Texas Real Estate Research Center, a statutory division of Texas A&M University (Section 86.51, Texas Education Code), and the Texas Real Estate Research Center Professorship was established in the College of Business Administration at The University of Texas at Austin contingent upon receipt of funds.

This endowment will be paid one-half in each year of the 1977-79 biennium, with a pledge of \$50,000 to be paid contingent upon availability of funds in the following biennium. Until full endowment and appointment to the Professorship, income from the fund will be used to attract and retain high caliber real estate career oriented students to U. T. Austin's real estate program. The transfer of the funds for this program will be accomplished by an Interagency Cooperation Contract between The University of Texas at Austin and Texas A&M University, which contract must be approved by the State Board of Control.

7. U. T. El Paso: Acceptance of Gift and Establishment of the Emil Jay Dittmer Memorial Scholarship Fund. -- A gift of \$5,000 was accepted with sincere appreciation from Mrs. Bernice Dittmer, widow of the late Emil Jay Dittmer of El Paso, Texas, and the Emil Jay Dittmer Memorial Scholarship Fund was established at The University of Texas at El Paso. The income from this fund will be used for scholarships at U. T. El Paso.

It was noted that Mrs. Dittmer had pledged to contribute another \$5,000 in 1978.

8. U. T. El Paso: Acceptance of Gift and Establishment of W. P. Nash Scholarship Fund. -- A gift of 10,000 shares of common stock of GeoSurveys, Inc., valued at \$27,500 was accepted with gratitude from Mr. W. P. Nash of Colorado Springs, Colorado, and the W. P. Nash Scholarship Fund was established at The University of Texas at El Paso. The income from this fund will be used for scholarships for undergraduate geology majors. Mr. Nash is a U. T. El Paso geology graduate.

9. Dallas Health Science Center (Dallas Southwestern Medical School): Acceptance of Bequest Under Will of Mina Bromberg and Establishment of The Mr. and Mrs. I. G. Bromberg Memorial Visiting Professorship in Medicine. -- Upon the recommendation of the Administration and with gratitude, a bequest of \$20,000 under the Will of Miss Mina Bromberg of Dallas, Texas, was accepted, and The Mr. and Mrs. I. G. Bromberg Memorial Visiting Professorship in Medicine was established at the Dallas Southwestern Medical School of The University of Texas Health Science Center at Dallas. The income from this fund will be used "to bring persons of the highest distinction in medicine to the School for lectures, consultations, conferences or other contacts with students, faculty or the public" in accordance with the terms of Miss Bromberg's Will.

It was noted that Miss Bromberg and her sister, Mrs. Essie B. Joseph, had been making annual contributions for the support of this Professorship since about 1960. Mrs. Joseph expects to continue these contributions, either for current use or to be added to the endowment, and her Will carries a bequest of \$20,000 for the endowment if not paid during her lifetime. These commitments were made several years prior to adoption by the Board of Regents in 1975 of a minimum endowment of \$50,000 for a Visiting Professorship.

10. Galveston Medical Branch (Galveston Medical School): Establishment of Robertson Poth Professorship in Ophthalmology. -- Upon the recommendation of the Administration, the Land and Investment Committee approved the establishment of the Robertson Poth Professorship in Ophthalmology at the Galveston Medical School of The University of Texas Medical Branch at Galveston. Funding of \$100,000 had been completed with the transfer of \$12,461.70 accumulated earnings of the Robertson Poth Professorship in Surgery to which no appointment had been made.

Committee Chairman Clark on behalf of the Committee expressed gratitude to Dr. Edgar Poth and Dr. Gaynelle Robertson Poth for their many gifts and fine achievements at the Galveston Medical Branch.

11. University Cancer Center (M. D. Anderson): Acceptance of Gift and Establishment of B. W. Biedenharn Fund. -- Upon the recommendation of the Administration, sixty-five shares of Coca-Cola stock, valued at approximately \$34,000, was accepted with sincere appreciation from Mr. B. W. Biedenharn of Monroe, Louisiana, and as requested by the donor the B. W. Biedenharn Fund was established at M. D. Anderson of The University of Texas System Cancer Center. The income from this fund will be used for cancer research at M. D. Anderson.

It was noted that these stocks were accepted with the understanding that they would not be sold without Mr. Biedenharn's approval.

FEB 10 1978

12. University Cancer Center (M. D. Anderson): Acceptance of One-Fourth Remainder Interest in Approximately 2,880 Acres in Glasscock County, Texas, Under Will of Henry G. Cross.--A bequest of one-fourth of the remainder interest in approximately 2,880 acres in Glasscock County, Texas, was accepted with gratitude under the Will of the late Henry G. Cross of Big Spring, Texas, for the benefit of M. D. Anderson of The University of Texas System Cancer Center. The Will contains no expression as to the use of M. D. Anderson's share of this bequest, which is valued at \$43,750.

It was noted that Mr. Cross' niece, Mrs. Laurece Adams, and her husband, L. S. Adams, who are in their mid-sixties, have the land for their lives with power of sale but with proceeds to be placed in trust.

13. University Cancer Center (M. D. Anderson): Acceptance of Bequest Under Will of Florence Belle Daniels for Use for Cancer Research.--A bequest of 2/9ths of the residuary estate of Mrs. Florence Belle Daniels of Lamb County, Texas, was accepted with appreciation to be used for cancer research at M. D. Anderson of The University of Texas System Cancer Center. The residuary estate consisted of a farm in Hale County, Texas, sold by the Independent Executrix under an option set out in the Will. M. D. Anderson's share of the down payment amounted to \$5,866.43, and its share of each of 20 annual payments will be \$1,422 plus interest.

14. University Cancer Center (M. D. Anderson): Acceptance of Benefits Under Ethel Hilton Evans Trust (Residence 7012 Ferris Street, Bellaire, Texas).--Upon recommendation of the Administration and with sincere appreciation, approval was given to accept the benefits under a trust agreement entered into with an individual trustee by Miss Ethel Hilton Evans. Under this trust agreement, Miss Evans has conveyed to the trustee her home at 7012 Ferris Street in Bellaire, Texas. The trustee has power of sale, subject to approval of price by M. D. Anderson, and is to use any part of the proceeds the trustee deems appropriate for the needs of Miss Evans. Anything remaining upon the death of Miss Evans goes to M. D. Anderson, the residuary beneficiary under her will. The home is valued at approximately \$40,000.

Miss Evans was formerly a nurse at M. D. Anderson and has now retired.

15. University Cancer Center (M. D. Anderson): Acceptance of Overriding Royalty Interests in Oil and Gas Properties in Texas and Louisiana from Ransom Horne, Jr., Arlington, Texas.--Upon the recommendation of the Administration, authorization was given to accept overriding royalty interests ranging from .62% to 7.5% in twelve producing oil and gas properties in Texas and Louisiana from Mr. Ransom Horne, Jr., of Arlington, Texas. These overriding interests have been appraised at \$105,000. The total receipts from these interests will be used for research in cancer at M. D. Anderson of The University of Texas System Cancer Center.

16. University Cancer Center (M. D. Anderson): Acceptance of Grant and Establishment of Carl B. and Florence E. King Foundation Endowment Fund in Support of High School Summer Student Program in Biomedical Sciences. -- Upon the recommendation of the Administration, a grant of \$100,000 was accepted with gratitude from the Carl B. and Florence E. King Foundation of Dallas, Texas, and the Carl B. and Florence E. King Foundation Endowment Fund in Support of the High School Summer Student Program in Biomedical Sciences at M. D. Anderson of The University of Texas System Cancer Center was established.

The Administration reported that the first annual payment in the amount of \$25,000 had been received from the Foundation, all of which will be placed in the endowment account. From each of the three remaining annual payments of \$25,000 each, up to \$14,000 can be used for 20 summer scholarships and the remainder added to the endowment fund. All of the income earned by the endowment fund for the first four years will be added to principal, but thereafter the income will be used for support of the summer program.

17. University Cancer Center (M. D. Anderson): Acceptance of Gift from Mr. Frank K. Collins and Establishment of Various Donors for Volunteer Services Kids Fund. - A gift of \$2,531.58 was accepted with sincere appreciation from Mr. Frank K. Collins of Vidor, Texas, and the Various Donors for Volunteer Services Kids Fund was established at M. D. Anderson of The University of Texas System Cancer Center. Mr. Collins has pledged to make annual gifts sufficient to bring this fund, with reinvestment of earnings, to a total of \$10,000 in 1984; thereafter the income will be used through volunteer services for the benefit of pediatric patients. Should the fund not have reached \$10,000 in 1984, the principal may be used for pediatric patients.

18. University Cancer Center (M. D. Anderson) - Bequest Under Will of Walter Coppinger, Deceased: Petition for Reformation of Will. -- The Administration reported that the Trustee (the San Angelo National Bank) of the bequest of Walter Coppinger, Deceased, accepted by the Board of Regents for M. D. Anderson of The University of Texas System Cancer Center on December 10, 1976, had advised that the University's share of this estate which was originally estimated to be \$50,000 would be around \$63,000 provided the estate could qualify for the charitable deduction. The Trustee had requested that M. D. Anderson join the other charitable beneficiaries in a Petition for Reformation of the Last Will and Testament of Walter Coppinger, and that the original trust created under this will be terminated and a new trust created. This action by the Trustee would save the estate approximately \$60,000 in inheritance tax which would be a savings of \$15,000 to M. D. Anderson since it had a one-fourth interest in the estate. The Internal Revenue Service had approved this plan, and the Attorney General's office had agreed to this course of action on behalf of the other charitable institutions as provided under Article 4412a, V.A.T.C.

FEB 10 1978 '1963

Upon the recommendation of System Administration and the University Cancer Center, the Attorney General was authorized to represent M. D. Anderson in the lawsuit to reform the Will of Walter Coppinger, and the proper System Officials were authorized to sign the necessary instruments terminating the original trust agreement and the creation of a new trust and the conveyance of any affected property to the new trust after all instruments had been approved by the Office of General Counsel.

B. REAL ESTATE MATTERS

1. U. T. Austin - Tom Slick Memorial Trust: Ratification of Joinder with Intrastate Gathering Corporation and Valley Telephone Cooperative, Inc., in Two Easements (Pipeline and Telephone) on Land in Starr County, Texas. -- Upon the recommendation of the Administration and without objection, the Land and Investment Committee ratified the action of the Administration in the execution of a joinder on behalf of the Board of Regents with the members of the Slick family and/or their trustees with respect to the following described easements on acreage in Starr County, Texas (Tom Slick Memorial Trust land, The University of Texas at Austin). The University's interest in this acreage is an undivided 1/108th:
 - a. Intrastate Gathering Corporation for 842.3 rods for a pipeline at consideration of \$11 per rod out of which the owners settle with the tenant for his damages. The University's share amounts to less than \$60. (Pipeline Easement)
 - b. Valley Telephone Cooperative, Inc., for approximately 640 rods for a buried telephone cable without consideration. (Telephone Easement)
2. Houston Health Science Center (Houston Medical School) - Holman Taylor, Sr., M.D., and Holman Taylor, Jr., M.D., Scholarship Fund in Dermatology: Sale of Lot 2, Block 18, Old Townsite to City of Marshall, Harrison County, Texas, to Mr. William H. Henderson, Marshall, Texas. -- Upon the recommendation of the Administration and without objection authorization was given to sell Lot 2, Block 18, Old Townsite to the City of Marshall, Harrison County, Texas (Holman Taylor, Sr., M.D., and Holman Taylor, Jr., M.D., Scholarship Fund in Dermatology property, Houston Medical School of The University of Texas Health Science Center at Houston) to Mr. William H. Henderson of Marshall, Texas, for \$10,500 cash. The purchaser will pay all closing costs.

III. OTHER MATTERS

Report on Securities Transactions for Permanent University Fund and Trust and Special Funds for Month of November 1977. -- The Report of Securities Transactions for the Permanent University Fund and Trust and Special Funds for the month of November 1977 submitted by the Office of Investments, Trusts and Lands, was mailed to each Regent by Secretary Thedford on January 17, 1978. No comments were received, and it is attached (Attachment No. 2) following Page HT-10 of Attachment No. 1 and made a part of these Minutes.

FEB 10 1978 '1964

BOARD FOR LEASE OF UNIVERSITY LANDS.--The Board for Lease of University Lands met on Thursday, February 9, 1978, overlapping a part of the meeting of the Buildings and Grounds Committee at the same time. The report will be submitted at the Regents' meeting in April 1978.

COMMITTEE OF THE WHOLE
(Pages 48 - 55)

Chairman Shivers filed the following report of the Committee of the Whole; all action of which had been taken in open session:

BOARD OF REGENTS - REGENTS' RULES AND REGULATIONS, PART ONE: (1) AMENDMENT TO SUBSECTION 6.63, SECTION 6, CHAPTER VI [USE OF SPECIAL USE FACILITIES] AND (2) ADDITION TO SECTION 3 OF CHAPTER VIII [PATIENT REFERRAL POLICY].--

1. Upon the recommendation of System Administration, Chapter VI, Section 6, Subsection 6.63 (Use of Special Use Facilities) of Part One of the Regents' Rules and Regulations was amended to read as follows:

6.63 As a lower priority, the institutional rules and regulations may provide for reservation and use of Special Use Facilities by non-University individuals, groups, associations or corporations, without the necessity of joint sponsorship by the institution. The institution shall establish rates to be charged for the use of the facility that will, at a minimum, insure recovery of that part of the operating cost of the facility attributable directly or indirectly to such non-University use. If the non-University user charges those attending any event any admission or registration fee, or accepts donations from those in attendance, the institution shall require the user to make a complete account of all funds collected and of the actual cost of the event. With the exception of Texas nonprofit corporations organized and operated for purposes, other than religious purposes, that qualify for exemption from taxation under Section 501(c)(3) of Title 26 of the United States Code (Internal Revenue Code), if the funds collected exceed the actual cost of the event, the non-University user shall be required to remit such excess funds to the institution as an additional charge for the use of the Special Use Facility.

2. With respect to the proposed amendment to Chapter VIII, Section 3 (Patient Referral Policy) of Part One of the Regents' Rules and Regulations, President Walker asked to amend the third paragraph by deleting "life-threatening" between the words "with" and "emergency." This amendment was accepted, and Chapter VIII, Section 3

FEB 10 1978 1965

(Patient Referral Policy) of Part One of the Regents' Rules and Regulations was amended by adding the following:

3 Medical and Hospital Services. -- ...

In the health components, full-time faculty in clinical services meeting the American Medical Association definitions of primary care may accept patients for acute or continuing, or both, care without referral by another physician or agency if the patients certify that they have no primary physicians. The patients are accepted for total and continuing care including the obligation to obtain the services of other physicians when indicated.

Full-time faculty in nonprimary care clinical services may accept patients upon the referral of a duly licensed physician, dentist, or governmental agency or for the purpose of presenting testimony before any administrative or judicial tribunal. The referral source should be documented in the patients' records.

This referral policy shall not apply to patients with emergency conditions, or to employees or students of UT component institutions.

RESOLUTIONS OF COMMENDATION TO (1) PROFESSOR ILYA PRIGOGINE, THE 1977 NOBEL PRIZE WINNER; (2) COACH FRED AKERS AND THE ENTIRE U. T. AUSTIN FOOTBALL TEAM; AND (3) THE 1977 HEISMAN TROPHY WINNER, MR. EARL CAMPBELL. --In accordance with authorization at the December 16, 1977 meeting, President Rogers submitted the following resolutions of commendation and reported that she would have a lettered copy prepared of each resolution:

RESOLUTION OF COMMENDATION

DR. ILYA PRIGOGINE

WHEREAS, The University of Texas at Austin has moved to the front rank of great institutions of higher learning in the United States and throughout the world, and this greatness is shown through the achievements of its faculty in teaching, in public service, and in expanding understanding of mankind and the universe by the conduct of scholarly research and publication, and

WHEREAS, Dr. Ilya Prigogine, Professor of Physics and Chemical Engineering and Director of the Center for Statistical Mechanics and Thermodynamics, has been in the forefront of those who teach effectively, explore the unknown and expand our horizons, and serve the well-being of society, and

WHEREAS, Dr. Prigogine's scholarly attainments and contributions have been proclaimed to all the world by the award to him of the 1977 Nobel Prize in Chemistry,

NOW, THEREFORE, BE IT RESOLVED that the Board of Regents of The University of Texas System does commend Dr. Prigogine for his contribution to knowledge and does congratulate him upon his receiving the Nobel Prize. The University is enlightened by the reflection of the glory accorded to him by the world.

FEB 10 1978 1966

RESOLUTION OF COMMENDATION

COACH FRED AKERS AND THE ENTIRE U. T. AUSTIN FOOTBALL TEAM

WHEREAS, The 1977 Longhorn Football Team, through skill, determination, hard work, individual and team effort, completed the season undefeated, won the Southwest Conference championship, and was ranked Number 1 in the nation by both the Associated Press and United Press International, and

WHEREAS, This athletic achievement was brought about under the leadership of Coach Fred Akers, whose contagious enthusiasm, untiring efforts and professional skill earned him recognition in his initial season as National Coach of the Year, an honor accorded him by the Pigskin Club of Washington, by the Football News, and by ABC-TV, and

WHEREAS, The long and illustrious record of football at The University of Texas at Austin was given even brighter lustre by the presentation of the Heisman Trophy to Earl Campbell as the best collegiate football player in America, the first University of Texas student to win this award, and

WHEREAS, Brad Shearer was selected for the Outland Award as the nation's top interior lineman, and

WHEREAS, Morgan Copeland was named as National Football Foundation Scholar Athlete in recognition of his superior academic as well as athletic achievements, and

WHEREAS, The entire Longhorn Football Team has demonstrated those qualities of character, sportsmanship and teamwork which represent the highest ideals in intercollegiate sports and has earned additional recognition and honors both as individuals and as a team,

NOW, THEREFORE, BE IT RESOLVED that the Board of Regents of The University of Texas System this 10th day of February, 1978, does express its appreciation for the excellence manifested in the performance of the 1977 Longhorn Football Team, the leadership and inspiration given by Coach Akers and his staff, and the notable recognition brought to the University by those who played the game of football with distinction.

FEB 10 1978 1967

RESOLUTION
EARL CAMPBELL

For 43 years, the Heisman Trophy has been emblematic of the best collegiate football player in America. All of the recipients have been outstanding athletes. The 1977 Heisman winner is also an outstanding man.

Earl Campbell has thrilled football fans with his speed, his power, his determined effort as he fought for extra yards and ran for touchdowns. In 1977 he set a University of Texas and Southwest Conference record of 1,744 yards rushing, averaging 158.5 yards per game and 6.5 yards per carry. He was the leading rusher and the leading scorer in the country, with 114 points. His career total of 4,444 rushing yards is the fifth highest in collegiate history. He was an unanimous selection for all-conference and all-American running back. On December 8, 1977, he received the Heisman Trophy.

As a key member of the Number 1 Team, Earl Campbell has been more than a great individual football player. He has been a team player in the finest sense. He has constantly assisted younger teammates both on and off the field and gives credit to others for much of his success. Despite acclaim which well might turn the head of a lesser person, he has remained humble.

Earl Campbell is a religious person who has earnestly strived to live up to the ideals of his religion. He has been a devoted son to a mother who is deserving of devotion. He has seen Mrs. Ann Campbell, as a widow, rear her 11 children and hold them together as a family. It is his ambition now to provide for her, as she has provided for Earl and her other children over the years.

Earl Campbell has publicly expressed his feeling toward The University of Texas and his appreciation of the opportunities it has afforded him. He has been its worthy representative as an undergraduate and surely will be its enthusiastic supporter as an alumnus in years to come.

As a result of these accomplishments and the character which they exemplify, it has been suggested that Number 20, which Earl Campbell has carried on his jersey with such distinction while representing The University of Texas, be forever retired. However, when this possibility was made known to Earl, he responded that he would prefer that his number be worn in future years by others representing the Longhorns.

THEREFORE, BE IT RESOLVED by the Board of Regents of The University of Texas System this 1st day of February, 1978, which has been designated as Earl Campbell Day, that congratulations be extended to Earl Campbell for his achievements on the football field and his character as a man; and that Number 20 be retained and worn in years to come with the pride befitting one who wears the number of the first Heisman Trophy winner at The University of Texas.

U. T. SYSTEM: APPROVAL OF 1978-79 PERSONNEL PAY PLAN. -- The proposed 1978-79 System-Wide Personnel Pay Plan was approved. This plan (set out on Pages 64- 175) will be followed in the preparation of the 1978-79 Operating Budget for The University of Texas System.

U. T. SYSTEM: REPORT ON INSTITUTE OF HIGHER EDUCATION MANAGEMENT. -- President Walker presented the following report with respect to the Institute of Higher Education Management of The University of Texas System established at the October 1976 meeting of the Board of Regents:

"System Administration reports that the programs of the Institute of Higher Education Management will begin as soon as the director can be employed. The recruitment of the director is now underway. The initial budget for the Institute is included in the System Docket for approval at this meeting. A grant application for partial support of the Institute is pending and we have been encouraged by preliminary reports that the application will likely receive favorable consideration.

"The Institute will be housed in the office of the System and the staff will include a director, associate director and supporting clerical staff. The programs of the Institute will be developed under the leadership of the director and will emphasize specific programs that:

1. are oriented toward existing administrators or persons who have demonstrated potential for university administration,
2. provide a mechanism for improving the performance of those selected to be administrators and not viewed as a way to get into administration, and
3. are practical in orientation and include the general aspects of organizational structures and behavior as related to management.

"The programs of the Institute will be directed to training to improve administrators and not oriented toward research. The programs will not lead to degrees.

"This report is for the information of the Board and requires no action."

President Walker indicated that the office for this Institute would be located in Ashbel Smith Hall.

U. T. EL PASO - FINE ARTS COMPLEX: RENAMED "FOX FINE ARTS CENTER" IN HONOR AND MEMORY OF MRS. JOSEPHINE CLARDY FOX; AUTHORIZATION FOR SUITABLE PLAQUE TO IDENTIFY BUILDING. -- Upon the recommendation of President Templeton, concurred in by System Administration, the Fine Arts Complex at The University of Texas at El Paso was renamed the "Fox Fine Arts Center" in honor and memory of the late Mrs. Josephine Clardy Fox, and authorization was given for a suitable plaque to be mounted on the building identifying it as a memorial to Mrs. Fox.

FEB 10 1978 '1969

It was pointed out that Mrs. Fox, a 40-year resident of El Paso, died in 1970 leaving her entire estate valued at over \$3,000,000 to U. T. El Paso. This bequest has had a significant impact on the growth in academic quality at the University. Mrs. Fox was an avid collector of art objects, paintings and antiques, and the naming of this building in her honor is befitting the memory of this long-time patron of the arts and benefactor of U. T. El Paso.

U. T. SAN ANTONIO: RESEARCH GRANT APPLICATION TO CADBURY SCHWEPPE'S LTD., LONDON, ENGLAND AND ADVANCE APPROVAL OF PATENT PROVISIONS CONTAINED THEREIN. -- Upon the recommendation of Acting President Wagener, concurred in by System Administration, The University of Texas at San Antonio was authorized to submit a research grant application to Cadbury Schweppes Ltd., London, England (an English corporation) for the purpose of supporting chemical research into the synthesis of quinine and its derivatives. The grant will be in the amount of \$93,388 for a term of 28 months beginning March 16, 1978.

Upon the further recommendation of Dr. Wagener and System Administration, advance approval was given to the patent provisions contained in the proposed grant.

If this grant is awarded, it will be reported in the Docket of the President of the System at a subsequent meeting.

HOUSTON HEALTH SCIENCE CENTER AND UNIVERSITY CANCER CENTER: ADDITIONAL APPROPRIATION FOR PRUDENTIAL PROPERTY, HOUSTON, TEXAS. -- Upon the recommendation of System Administration, an additional \$45,000 was appropriated from Account No. 85-0204-2000 for completion of the purchase of the Prudential Property in Houston, Texas, \$1,300,000 having been appropriated for this project from this same account at the November 11, 1977 meeting of the Board of Regents. This property covers 90,607 square feet in the P. W. Rose Survey, Abstract No. 645, Houston, Harris County, Texas, and is located on the southwest corner of the intersection of Fannin Street and Holcombe Boulevard adjacent to the site of the Prudential Building.

SAN ANTONIO HEALTH SCIENCE CENTER: EXCEPTION TO REGENTS' RULES AND REGULATIONS, PART ONE, CHAPTER III, SECTION 5.32 (NEPOTISM) FOR CONTINUED EMPLOYMENT OF DR. ALVIN BURSTEIN AND DR. SANDRA LOUCKS SUBSEQUENT TO THEIR MARRIAGE. -- Upon the recommendation of President Harrison, concurred in by System Administration, an exception was made to Part One, Chapter III, Section 5.32 of the Regents' Rules and Regulations, and approval was given to the continued employment by the San Antonio Medical School of The University of Texas Health Science Center at San Antonio of Dr. Alvin Burstein and Dr. Sandra Loucks subsequent to their forthcoming marriage.

Dr. Burstein, Professor of Psychology in the Department of Psychiatry at the San Antonio Medical School, is the functional head of the Psychology training program in both the Bexar County Hospital and the VA Hospital as that program now exists under the supervision of the Medical School. Dr. Loucks is appointed full-time to the VA Hospital faculty with 100% of base salary paid by VA Hospital and some augmentation paid through the Psychiatry Department MSRDP. Her duties include work in the Psychology program supervised by Dr. Burstein.

DEVELOPMENT MATTERS. --The following items relating to development matters were received and in all things ratified and confirmed:

1. U. T. System: Membership of The University of Texas Foundation, Inc., Board of Directors; Suggestion as to Future Nominees. -- On December 16, 1977, the Board of Regents approved the reappointments of those individuals indicated by an asterisk to membership on the Board of Directors of The University of Texas Foundation, Inc. Their acceptances have been received, and the complete membership is listed below. The maximum authorized membership of this Board is 25; however, the 14 members listed below represent the current Board of Directors:

REPORT OF COMMITTEE TO RENEGOTIATE REAL ESTATE NOTE
WITH PUNTA GORDA ISLES, INC., AND RECOMMENDATION. --Regent
Clark presented the following report and moved its adoption:

Report of the Special Punta Gorda Ad-Hoc Committee
to the Board of Regents of The University of Texas
System - February 10, 1978

RE: Status of Punta Gorda Isles, Inc. Note Agree-
ment Rearrangement.

At its December 16, 1977 meeting, the Board of Regents approved certain System Administration recommendations (with express Special Committee approval) with respect to rearrangement of the Punta Gorda Isles, Inc. note agreement in order to settle the dispute between the parties.

On December 16, the System General Counsel advised Texas counsel for Punta Gorda (Mr. Morris Atlas) that the Board of Regents would agree to the rearrangement upon the basis approved by the Board, subject to final approval of details, documentation, etc., by both parties.

Mr. Atlas advised on December 20th that Punta Gorda Isles, Inc. had agreed to our proposal.

On December 21, in accordance with the December 16 Board action, the Houston law firm of Fulbright & Jaworski was engaged to handle documentation and other aspects of the transaction, and was authorized to employ Florida counsel in such connection.

First draft of the required documents have been received by the Office of General Counsel and minor revisions are being made pursuant to recommendations of Investments, Trusts & Lands. Title search in Florida shows no conflicting liens on the property involved. Revised draft should be in the hands of Punta Gorda counsel by February 15.

Mr. Atlas has been regularly kept advised of developments, and we now see no impediments to an early finalization of the rearrangement and settlement.

Copy of letter agreement retaining Fulbright & Jaworski covering their services, and those of Florida counsel retained by them (Smith, Hulsey, Schwalbe & Nichols of Jacksonville, Florida) providing for fees to be based on their usual rates

for similar services is attached hereto. It is requested that the Board of Regents approve this agreement and authorize its execution by the General Counsel.

Re: Punta Gorda Isles, Inc.
Promissory Note and Mortgage

Dear Mr. Fitzpatrick:

This letter will confirm that Fulbright & Jaworski has been retained to represent the Board of Regents of The University of Texas System and the Trustees of The University Cancer Foundation (the "Boards") in restructuring the July 16, 1976 Promissory Note and June 9, 1972 Mortgage executed by Punta Gorda Isles, Inc. ("PGI") to the Boards in connection with PGI's purchase of 51,000 acres of land, more or less, in Florida. We will prepare the necessary Promissory Note, Mortgage Amendment and Release Agreement, as well as make recommendations on additional documents which may be necessary.

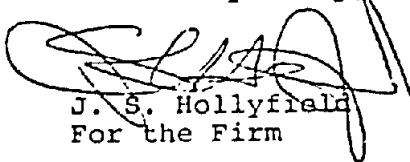

FEB 10 1978 1974

Our statement for professional services in this matter will be based upon our usual rates for similar services and a statement will be submitted upon completion. We will maintain records of our time spent and disbursements made for the account of the Boards. In addition to our services, you have authorized us to retain and we have retained the firm of Smith, Hulsey, Schwalbe & Nichols of Jacksonville, Florida to assist us on certain Florida law aspects of this transaction. Also, we have ordered a limited title searches from three abstract companies in Florida to obtain information regarding the current status of the liens securing PGI's note. The fees of the Florida law firm and the disbursements in connection with the title searches will likewise be paid by the Boards.

We will complete our work as expeditiously as possible and will consult with you as necessary to bring this matter to an expeditious and satisfactory conclusion.

If the terms of our employment are accurately set forth above, please have one copy of this letter executed by the appropriate representative of the Boards and return one fully executed copy to me.

Yours very truly

Dear Governor Shivers:

"By our letter of December 20, 1973 addressed to Dr. Charles C. Sprague, President of the University of Texas Health Science Center at Dallas and accepted February 11, 1974 by the Board of Regents ('Regents') of the University of Texas System ('System') we irrevocably pledged and committed ourselves to make a gift to the System of an aggregate cash value of not less than \$600,000 to provide a fund for an endowed prestige Chair ('Chair') for the study of reproductive biology at the Center for Reproductive Biology Sciences of the University of Texas Southwestern Medical School at Dallas. The final installment of that original pledge has been paid this year with an overpayment of \$1,619.07.

"We note that the last sentence of the second paragraph of such letter contains a typographical error which may unintentionally restrict the use of the gift. We propose that such sentence be corrected to its intended meaning, to read: 'Income from the fund, and corpus of the fund in excess of the original value at the time(s) of delivery of the gift, may be used for the purpose of the gift.'

"By our letter of July 8, 1976 to Dr. Sprague we agreed to supplement our pledge agreement of December 20, 1973 by increasing our total donation from \$600,000 to \$1,000,000. The supplemental \$398,380.93 pledged by such letter will be paid in installments of approximately \$150,000 each in 1978 and 1979 and a final installment in 1980 for the balance of such supplemental pledge, or such earlier dates as we may elect.

"You have advised us that the Center has been established and named by the Regents the Cecil H. and Ida Green Center for Reproductive Biology Sciences (the 'Green Center'), and that the Chair has been named by the Regents The Cecil H. and Ida Green Chair in Reproductive Biology Sciences.

"We hereby irrevocably pledge and commit ourselves to make a gift, which is in addition to and shall be part of a fund separate from the gift and supplemental gift referred to above aggregating \$1,000,000 for the Chair to the System for the exclusive use and benefit of the Green Center of the Medical

School upon the provisions set out below. For this purpose, we propose that the gift be accomplished by transfers to the Regents, who, with their successors in office, are authorized by law, as a Board, to accept and administer gifts, grants or donations for use by the System or any of the component institutions of the System.

"The gift (which with its proceeds and mutations is hereinafter called the 'fund') will consist of marketable securities having an aggregate cash value of not less than \$3,400,000 on the dates of delivery of the securities for transfer to the Regents. The gift may be made in ten annual installments of approximately equal value on delivery date, one of which is deliverable in each of the years 1978 through 1987, or such earlier dates as we may elect. Income from the fund and the corpus of the fund in excess of the original value at the time(s) of delivery of the gift may be used for the purpose of the gift.

"The purpose of the gift is to provide a fund in support of a training program at the Green Center, in research in one or more of the reproductive biology sciences, for post-doctoral trainees, either or both Ph.D.s in one or more of the basic medical sciences or M.D.s. The selection of each trainee, his training and its duration, shall be under the policies and procedures of the System existing from time to time.

"It is our understanding that, for the foreseeable future, the Director of the Green Center shall hold the Cecil H. and Ida Green Chair in Reproductive Biology Sciences. However, it is further our understanding that at some future date the Regents may find it necessary, or desirable, due to a change in circumstances, to award the Chair to a person other than the Director of the Center. It is a condition of this gift that the uses of the fund and that the uses, practices, procedures and administration of the Green Center, and proposed changes in any of them, be reviewed from time to time, not less than annually, by a standing Scientific Advisory Council which is to report its findings and recommendation in writing to the Director of the Green Center, or his successor, the President of the University of Texas Health Science Center at Dallas, or his successor and the President of the System. The composition and method of selection of members of the Scientific Advisory Council is specified in the document entitled 'Proposal for the Organization and Administration of the Cecil H. and Ida Green Center for Reproductive Biology Sciences of the University of Texas Health Science Center at Dallas', which accompanies a letter of Dr. Charles Sprague, President, to us dated January 3, 1978, and is approved by the Chancellor of the System. The approval of such Proposal by the Regents is also a condition of this gift.

"The purpose of the gift shall also include the use of income from the fund and principal in excess of its original value at the time(s) of delivery for the expenses of the administration of the fund, expenses of the Scientific Advisory Council, stipends to the trainees, provision of technical assistance to the training program, expenses of consumable supplies, of travel in connection with the training program, and of acquisition, replacement, maintenance or repair of equipment used and any other expenses; and the Regents may, in its discretion, add to or retain in the fund any such income or excess in value of corpus not considered necessary for the above purposes, or use any such income or excess for any other purposes deemed by the Regents to be advantageous to training in research in, or to research in or connected with the study of the reproductive biology sciences at the Green Center.

"It is a condition of this gift that by the end of the year 1980 the System will cause to be contributed to the fund and made part of it from such sources as may be available, an additional amount of \$600,000 so that the aggregate of such

FEB 10 1978

'1977

additional amount and the \$3,400,000 to be given by us under this letter will be a fund with an aggregate cash value of \$4,000,000 as of the dates of delivery of these contributions to the fund.

"It is a condition of this gift that the income from the fund and the corpus of the fund in excess of original value at the time(s) of gift shall be used to supplement but never to supplant the funds, if any, regularly budgeted for all or any part of the field of reproductive biology sciences, or the Green Center, or the Medical School, or the System, or any part thereof. It is recognized that the purpose of this gift would be defeated if by act of the government of the State of Texas or other legislative or administrative or governmental body, the Regents or the System or any part thereof, any of the fund should be used or employed to supplant instead of supplementing the funds, if any, which would normally be budgeted for said training program or all or any part of such field of reproductive biology sciences, or for the incidental expenses referred to above, or for the Green Center or the Medical School. This gift is to be made upon the condition that if such action by the State of Texas or other legislative or governmental body, or the Regents or the System, or any part thereof, occurs or is attempted, the Regents shall withhold the expenditure of further uncommitted monies from the fund until there is compliance with the conditions of this gift.

"The Regents shall have the following authority and powers with respect to the fund in addition to those hereinabove granted by this letter or by law:

- a) The Regents is empowered to administer the fund in accordance with such uniform rules and regulations as it may from time to time adopt, regardless of whether said rules and regulations contain a specific reference to the fund; or the Regents may administer the fund in such manner as in its sole discretion it deems best, whether in accordance with uniform rules or not;
- b) The Regents shall have full and complete power and authority to determine and allocate income and other receipts as well as expenses between principal and income, if and to the extent that the Regents deems such allocation advisable in connection with the administration of the fund.
- c) To the extent that any such requirements can be legally waived, neither the Regents nor its members shall ever be required to give any bond in connection with the administration of the fund;
- d) The Regents may acquire or retain any property or create, acquire or retain undivided interests in property for or belonging to the fund, regardless of its nonproductivity, or risk or lack of diversification, and without responsibility for production of income or increment to capital;
- e) The Regents may hold in its name or in the name or names of its nominee or nominees, manage, control, exchange, partition, retain, lease, sell, alienate, mortgage, pledge, administer, or otherwise deal with the fund or any part or parts thereof, and invest and reinvest the investments of any kind of the fund or any part or parts thereof in any property or undivided interests in property of any kind,

FEB 10 1978 1978

including common trust funds, all on such terms and for such considerations as the Regents deems proper, without being limited by any statute or rule of law concerning investments by trustees or by public or educational or charitable institutions or other limitations of any kind. The Regents is specifically empowered to employ investment counsel in connection with the fund, or a manager thereof, and to delegate to it or him power in behalf of the fund to select, buy, hold and sell investments, and also to transfer or sell assets to common trust funds in return for cash, other assets or participations in such funds.

"The members of the Regents, in the administration of the fund, shall be liable only for their own gross negligence or willful misconduct.

"In the administration of the fund, the Regents may act by a quorum or a majority of all its members.

"None of the fund shall ever be or become a part of the Permanent University Fund or of income therefrom, nor shall the Legislature of the State of Texas have power or be in anywise authorized to change the purpose of the fund or to divert it from the purpose herein set out.

"This letter is being signed in quadruplicate originals, and if this gift is acceptable and this letter is agreeable to the Regents upon the terms, provisions and conditions set forth, please return to us two copies of this letter signed by its Chairman or Vice Chairman on behalf of the Regents to evidence its acceptance and agreement.

Sincerely,

/s/ Cecil H. Green

BOARD OF REGENTS OF THE UNIVERSITY OF TEXAS SYSTEM

By _____
Its Chairman

Chairman Shivers said that this gift will make a total of \$5,000,000 from Cecil H. and Ida M. Green to the U. T. System; that Mr. and Mrs. Green are some of the greatest benefactors of education that the nation has ever known and certainly are great benefactors of the U. T. System.

Regent Hay seconded the motion which prevailed unanimously.

FEB 16 1978 1979

U. T. EL PASO - LAND ACQUISITION (AUTHORIZED BY HOUSE BILL NO. 1225, 61ST LEGISLATURE, R. S., 1969): ACQUISITION OF SIX LOTS IN BLOCK 20 MUNDY HEIGHTS ADDITION, CITY AND COUNTY OF EL PASO, TEXAS. --Regent Fly moved that the following recommendations of President Templeton and System Administration be approved:

1. Authorize the completion of final negotiations for the purchase at a price of \$89,000, 17,871.61 square feet of vacant land included in six lots of Block 20, Mundy Heights Addition, City and County of El Paso, Texas, which is located at the southwest corner of Prospect Street and Schuster Avenue adjacent to The University of Texas at El Paso
2. Authorize the Chairman of the Board to execute all necessary documents to consummate this purchase after approval as to content by System President Walker and as to form by an attorney in the Office of General Counsel
3. Authorize \$89,000 from proceeds of Permanent University Fund Bonds previously appropriated to cover the cost of the land purchase for U. T. El Paso

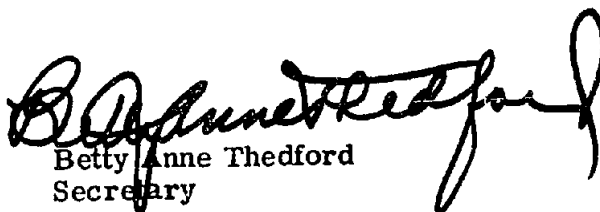

This parcel of vacant land was included in the 1969 Legislative authorization (H.B. 1225, 61st, Leg., R.S.). This land it was deemed would benefit future development of The University of Texas at El Paso campus in the event of expansion to the south where more economical parking and building sites are available on reasonably level land and would eliminate a potentially undesirable commercial development of the southwest perimeter of the campus. The land will initially be utilized to alleviate a critical parking problem for approximately 300 cars which currently congest the adjoining residential area, imposing inconveniences on adjacent property owners.

The motion was seconded by Regent Sterling and unanimously prevailed.

OTHER MATTERS

EXPRESSION OF APPRECIATION TO PRESIDENT CARDOZIER. --Regent Sterling was recognized and expressed to President Cardozier appreciation for the fine treatment the Regents had received on this occasion. He concluded with "We are glad to have been here!" The other members of the Board and the official representatives of the U. T. System joined in this expression.

ADJOURNMENT. --The meeting was duly adjourned at 3:30 p. m.
