## **U. T. SYSTEM BOARD OF REGENTS**

---

The mission of the Office of the Board of Regents is to provide information and support such that each member of the Board's governance of The University of Texas System is based upon informed judgment, while assisting executives and staff of U. T. System Administration and its institutions, along with the general public.

## **U. T. SYSTEM**

---

The mission of The University of Texas System is to improve the human condition in Texas, our nation and our world.

The System will use its size, diversity, and quality to advance education, push the bounds of discovery, enhance population health, build stronger communities, and shape public policy for the common good.

Producing high quality human capital with a sense of service and the ability to lead, we will pursue solutions to the problems of our state, our nation and our world. We are a state university system with global impact.

*Draft Mission Statement presented to the U. T. System Board of Regents on 11/5/2015*

## **U. T. ARLINGTON**

---

The University of Texas at Arlington is a comprehensive teaching, research and public service institution dedicated to the advancement of knowledge through scholarship and creative work.

The University is committed to providing access and ensuring student success, and to a culture of innovation, entrepreneurship, and commercialization of discoveries by our community of scholars.

The University promotes lifelong learning through its academic, continuing education and experiential learning programs. The faculty, staff and student community share diverse cultural values that foster inclusivity and cultivate mutual respect.

*Approved by U. T. System Board of Regents on 2/24/2022*

## **U. T. AUSTIN**

---

The mission of The University of Texas at Austin is to achieve excellence in the interrelated areas of undergraduate education, graduate education, research and public service. The university provides superior and comprehensive educational opportunities at the baccalaureate through doctoral and special professional educational levels.

The university contributes to the advancement of society through research, creative activity, scholarly inquiry and the development and dissemination of new knowledge, including the commercialization of University discoveries. The university preserves and promotes the arts, benefits the state's economy, serves the citizens through public programs and provides other public service.

*Approved by U. T. System Board of Regents on 2/24/2022*

## **U. T. DALLAS**

---

The University of Texas at Dallas provides the State of Texas and the nation with excellent, innovative education and research. The University is committed to graduating well-rounded members of the global community whose education has prepared them for rewarding lives and productive careers in a constantly changing world; to continually improving educational and research programs in the humanities, arts, sciences, engineering and management; and to assisting the commercialization of intellectual capital generated by students, staff and faculty.

*Approved by U. T. System Board of Regents on 2/24/2022*

## **U. T. EL PASO**

---

UTEP is a comprehensive public research university that is increasing access to excellent higher education. We advance discovery of public value and positively impact the health, culture, education, and economy of the community we serve.

*Reaffirmed by U. T. System Board of Regents on 2/24/2022*

## **U. T. PERMIAN BASIN**

---

As a regional, comprehensive institution, The University of Texas Permian Basin serves a diverse community of students from the region, the state, and beyond. Through excellence in student-centered teaching, learning, research, and public service, the University cultivates engaged citizens and impacts lives while advancing technology and the public interests of West Texas.

*Reaffirmed by U. T. System Board of Regents on 2/24/2022*

## **U. T. RIO GRANDE VALLEY**

---

To transform the Rio Grande Valley, the Americas, and the world through an innovative and accessible educational environment that promotes student success, research, creative works, health and well-being, community engagement, sustainable development, and commercialization of university discoveries.

*Reaffirmed by U. T. System Board of Regents on 2/24/2022*

## **U. T. SAN ANTONIO**

---

The University of Texas at San Antonio is dedicated to the advancement of knowledge through research and discovery, teaching and learning, community engagement and public service. As an institution of access and excellence, UTSA embraces multicultural traditions, and serves as a center for intellectual and creative resources as well as a catalyst for socioeconomic development and the commercialization of intellectual property – for Texas, the nation and the world.

*Reaffirmed by U. T. System Board of Regents on 2/24/2022*

## **U. T. TYLER**

---

U. T. Tyler is a comprehensive public university. We help our students, patients, and community members achieve their educational and health goals by offering a combination of excellence in higher education, innovative research, public services, and advanced healthcare delivery.

*Approved by U. T. System Board of Regents on 2/24/2022*

## **U. T. SOUTHWESTERN MEDICAL CENTER**

---

### **Mission of U. T. Southwestern Medical Center**

**Promoting health and a healthy society that enables achievement of full human potential**

We:

#### **EDUCATE**

Physicians, scientists, and caregivers optimally prepared to serve the needs of patients and society

#### **DISCOVER**

Research that solves for unmet needs by finding better treatments, cures, and prevention with a commitment to ensuring real world application

#### **HEAL**

Best care possible today, with continuous improvement and innovation for better care tomorrow

*Reaffirmed by U. T. System Board of Regents on 2/24/2022*

# U. T. MEDICAL BRANCH - GALVESTON

---

## Mission, Vision, and Values Statement

### Preamble

The University of Texas Medical Branch at Galveston's mission is to improve health for the people of Texas and around the world. UTMB is an inclusive, collaborative community of forward-thinking educators, scientists, clinicians, staff, and students dedicated to a single purpose - improving health. We prepare future health professionals for practice, public service, and lifelong learning through innovative curricula and individualized educational experiences. We advance understanding and treatment of illness and injury through groundbreaking research, in the lab and at the bedside, including the commercialization of such research, as appropriate. We deliver skilled and patient-centered health care, and we continue to shape the future of health sciences education, research, and clinical care by always asking, "What's next?"

### Mission

To improve health by offering innovative education and training, pursuing cutting-edge research, and providing the highest quality patient care.

### Vision

We work together to define the future of health care and be the best.

### Values

Compassion.  
Integrity.  
Respect.  
Diversity.  
Lifelong Learning.

*Approved by U. T. System Board of Regents on 2/24/2022*

## **U. T. HEALTH SCIENCE CENTER - HOUSTON**

---

As a comprehensive health science university, the mission of The University of Texas Health Science Center at Houston is to educate health science professionals, discover and translate advances in the biomedical and social sciences, and model the best practices in clinical care and public health.

We pursue this mission in order to advance the quality of human life by enhancing the diagnosis, treatment, and prevention of disease and injury, as well as promoting individual health and community well-being.

*Reaffirmed by U. T. System Board of Regents on 2/24/2022*

## **U. T. HEALTH SCIENCE CENTER - SAN ANTONIO**

---

The mission of The University of Texas Health Science Center at San Antonio is to make lives better through excellence in education, research, health care and community engagement.

Strategies for achieving this mission are:

- Educating a diverse student body to become excellent health care providers and scientists.
- Engaging in research to understand health and disease.
- Commercializing discoveries, as appropriate, to benefit the public.
- Providing compassionate and culturally proficient health care.
- Engaging our community to improve health.
- Influencing thoughtful advances in health policy.

*Reaffirmed by U. T. System Board of Regents on 2/24/2022*

## **U. T. M. D. ANDERSON CANCER CENTER**

---

The mission of The University of Texas M. D. Anderson Cancer Center is to eliminate cancer in Texas, the nation, and the world through outstanding programs that integrate patient care, research, and prevention, and through education for undergraduate and graduate students, trainees, professionals, employees, and the public.

*Reaffirmed by U. T. System Board of Regents on 2/24/2022*
