1. Amend Sections 8.6, 8.7, and 8.8, Chapter I, Part One, Regents' Rules and Regulations, to read as follows:

8.6 Communications to the Board.

8.61 Nothing herein shall be construed to prevent members of the Board of Regents from informing themselves as to their duties and obligations in such manner as they may deem proper. However, the regular channel of communication from members of the Board of Regents to the faculty, staff, and administration is through the Chancellor, the Deputy Chancellor, and (THROUGH) the chief administrative officer of the institution involved, and a copy of any communication sent by a Regent directly to any member of the faculty, staff, or administration should be furnished to the Chancellor, the Deputy Chancellor, and TO the chief administrative officer of the institution involved. All staff and faculty proposals that are to be acted upon by the Regents shall be presented to the Deputy Chancellor and the Chancellor in sufficient time to permit them (THEN) to consider such proposals (THEN), make recommendations thereon, and transmit them to the Secretary to the Board no later than seventeen days prior to the next meeting of the Board, in order that the calendar, agenda, and supporting material may be prepared in time to mail to the members of the Board ten days in advance of the meeting. Until fourteen days prior to the Regents' meeting, the Secretary shall receive from the Deputy Chancellor and the Chancellor items that arise too late for the ten-day submission to the Regents and shall mail these supplementary agenda items to the members of the Board so they will be received at least five days prior to the meeting. Except where emergency proposals are involved, all such proposals not submitted to the Secretary within the time prescribed shall not be considered by the Board but shall automatically be deferred until the next meeting of the Board.

8.62 Except upon invitation of the Board of Regents, the Chairman of the Board, OR the Chancellor, or the Deputy Chancellor, no person shall appear before the Board or any committee thereof unless he shall file with the Secretary to the Board a written request for such appearance at least ten days before the date of such appearance and unless the Chairman of the Board, or a majority of the whole Board, shall approve such request.
8.63 All official material to be distributed to the Regents shall be transmitted through the Office of the Secretary to the Board. Copies of all official communications from administrative officers to the Regents shall be sent to the Secretary. Communications from the Deputy Chancellor and the Chancellor shall be exempt from this requirement at their discretion.

8.64 A docket, to be entitled the "Chancellor's and Deputy Chancellor's Docket," composed of routine matters arising from System Administration and the component institutions, which are required to be reported to or approved by the Board of Regents in accordance with established policies of the Board, shall be prepared as directed and approved by the Deputy Chancellor and the Chancellor. The Chancellor's and Deputy Chancellor's Docket shall be distributed by the Secretary to all members of the Board eighteen days before the Board convenes, together with a ballot to be returned fourteen days thereafter. The ballot will read: "Approved, except as to the following items:" with space provided for listing the excepted items. Any excepted item listed by any Regent will not be approved but will be referred to the Committee of the Whole for consideration at the next meeting of the Board. All items not excepted by any Regent will be deemed approved without further action of the Board, and will be reported for the record in the minutes of the next meeting of the Board as an attachment to those minutes. Any Regent whose completed ballot has not been received by the Secretary at the conclusion of business on the fourteenth day after the Chancellor's and Deputy Chancellor's Docket has been mailed to such Regent shall be deemed to have approved all items in the Docket, without exception.

8.65 Except for communications from the Deputy Chancellor, the Chancellor, and the Secretary to the Board, all communications to the Board from members of the faculty and staff should be in writing. The regular channel of communication from the faculty, staff, and administration to the Board is through the chief administrative officer of the institution involved, the Deputy Chancellor, and through the Chancellor. A copy of any communication sent directly to a Board member should be furnished to the Deputy Chancellor and the Chancellor and to the chief administrative officer of the institution involved. A description of all matters to be considered by the Board at any meeting shall be mailed or delivered to each member of the Board of Regents at least five days in advance of the meeting at which they are to be considered, and insofar as possible, such material shall be mailed or delivered to the Regents at least
ten days in advance of the meeting. Each such matter shall be accompanied by a summary of the facts pertaining thereto, the needs for action thereon, and the Deputy Chancellor's and the Chancellor's recommendations. Where contractual awards are involved, the summary shall show the method of competition, if any, the names and offers of all interested parties, and generally sufficient information to show the reasons for and fairness of each transaction. The Deputy Chancellor's and the Chancellor's recommendations shall state whether or not they are fully concurred in by any institutional head involved, and if not, the views and recommendations of the institutional head shall be included. Any matter not sent to the members of the Board of Regents, documented as herein provided, at least five days in advance of the meeting at which it is to be considered, shall go over to the next meeting for consideration; provided, however, that if sufficient emergency exists requiring immediate action, and it appears that the delay was unavoidable, this requirement may be waived by a two-thirds vote of the Board.

8.7 Report to Press on Actions of Board.—Matters of public interest will be given, as promptly as possible after each meeting, to the press by the Executive Director of News and Information under the direction of the Chairman of the Board, the Chancellor, or the Deputy Chancellor.

8.8 Political and Otherwise Obviously Controversial Matters.—The Board of Regents reserves to itself the responsibility for passing upon matters of a political or obviously controversial nature which represent an official position of The University of Texas System or any institution or department thereof. Statements on such matters shall be made by the Chairman of the Board, the Chancellor, or the Deputy Chancellor. No Regent, officer, or faculty or staff member shall make or issue any public statement on any political or other subject of an obviously controversial nature which might reasonably be construed as a statement of the official position of The University of Texas System or any institution or department thereof, without the advance approval of the Board of Regents. It is not the intent of this policy statement to stifle the right of freedom of speech of anyone speaking in a personal capacity where he makes it clear that he is not speaking for The University of Texas System or any of its component institutions. Statements on matters of an emergency nature shall be cleared by the Deputy Chancellor and the Chancellor with the Chairman of the Board of Regents.
Amend Chapter I, Part One, Regents' Rules and Regulations, by deleting Section 9 and its subsections and by renumbering Section 10, and subsections 10.1 and 10.2 as Section 9, and subsections 9.1 and 9.2.
