The following proposed amendment to the Regents' Rules and Regulations, Part One, Chapter II, Section 2 was presented:

2.6 President Emeritus. The authority to bestow the title of President Emeritus shall rest with the Board. The title is honorary in recognition of outstanding service as President of a component institution and carries no salary or other perquisites directly related to the title and the title shall only be bestowed on an individual who is fully retired.

Following a detailed discussion, the proposed Subsection 2.6 was amended by deleting the period (.) at the close of the second sentence and adding after the word "retired" the following: "from the component institution. No person is authorized to use the title unless it has been bestowed by the Board."

Without objection, Section 2 of Chapter II of Part One of the Regents' Rules and Regulations was amended by adding the following new Subsection 2.6:

2.6 President Emeritus. The authority to bestow the title of President Emeritus shall rest with the Board. The title is honorary in recognition of outstanding service as President of a
component institution and carries no salary or other
perquisites directly related to the title and the title
shall only be bestowed on an individual who is fully
retired from the component institution. No person
is authorized to use the title unless it has been
bestowed by the Board.

BOARD OF REGENTS - REGENTS' RULES AND REGULATIONS, PART
ONE: AMENDMENT TO CHAPTER III, SUBSECTION 6.(13) (CONCERN-
ING REDUCTION OF ACADEMIC POSITIONS OR ACADEMIC PROGRAMS
DUE TO FINANCIAL EXIGENCY). --Without objection, Part One of the
Regents' Rules and Regulations was amended by adding the following
new Subsection 6.(13) to Section 6 of Chapter III:

6.(13) The chief administrative officer of a component institu-
tion has the responsibility for determining when it shall
be necessary to reduce academic positions, the titles of
which are given in Subsection 1.8 of this Chapter, or
academic programs or both, subject to approval by the
Chancellor of The University of Texas System. When
such reductions are necessary as a result of financial
exigency, the procedure for the selection and notification
of those academic positions that are to be terminated
shall be governed by this Section, and neither the pro-
cedures specified in Subsection 6.3 of this Chapter nor
the notice requirements of Subsections 6.23, 6.8, and
6.9 of this Chapter shall be applicable.

6.(13)1 Upon determining the existence of a financial
exigency and the need to reduce academic
positions or academic programs, or both, the
chief administrative officer shall appoint a
committee composed of faculty and administrative
personnel to make recommendations to the chief
administrative officer as to which academic posi-
tions and/or academic programs should be
eliminated as a result of the financial exigency.

6.(13)2 The committee will review and assess the
academic programs of the institution and identify
those academic positions that may be eliminated
with minimum effect upon the degree programs
that should be continued. The review will in-
clude, but not be limited to, an examination of
the course offerings, degree programs, support-
ing degree programs, teaching specialties, and
semester credit hour production.

6.(13)3 Upon determining that one or more academic
positions in a degree program or teaching
specialty should be eliminated, the committee
will recommend the particular position or
positions to be terminated by reviewing the
academic qualifications and talents of holders
of all academic positions in those degree pro-
grams or teaching specialties, the needs of the
program they serve, past academic performance,
and the potential for future contributions to the
development of the institution. Tenure status
of a faculty member shall not be a consideration in the determination of whether a particular position should be eliminated except as permitted in Subsection 6.(13)4.

6.(13)4 If, in the opinion of the committee, two or more faculty members are equally qualified and capable of performing a particular teaching role, the faculty member or members having tenure shall be given preference over nontenured faculty. However, if such faculty have the same tenure status, consideration will be given to the need of the institution for capabilities for teaching in multiple disciplines, and the faculty member or members qualified by training and experience to teach in more than one discipline or area of specialization will be given preference over a faculty member or members qualified to teach in only one discipline or area of specialization. In other instances, length of service as a member of the faculty at the institution shall be the determining factor.

6.(13)5 Upon completion of its review, the committee shall promptly recommend to the chief administrative officer those persons who may be terminated, ranked in order of priority, with the reasons for their selection. The chief administrative officer shall, with such consultation with institutional administrative officers as he or she may deem appropriate, determine which academic positions are to be terminated because of the financial exigency and shall give the holders of these positions written notice of the decision.

6.(13)6 Any person terminated due to financial exigency will be notified when a vacancy occurs in the same component institution in his or her field of teaching within the next two (2) academic years following the termination. If such person makes timely application and is qualified for the position to be filled, he or she shall be offered employment in that position. If the vacancy is in a field of teaching in which two or more persons have been terminated because of financial exigency, all will be notified of the vacancy and of those so notified and making timely application, employment will be offered to the person who is the better qualified for the position to be filled.

6.(13)7 The chief administrative officer shall appoint a hearing committee to hear any appeals for reconsideration of termination decisions based upon financial exigency. Within thirty (30) days from the date of the notice of termination, a person shall have the right to appeal to the hearing committee for reconsideration of the termination decision. The appeal for reconsideration shall be in writing and addressed to the chief administrative officer of the institution. A person to be
terminated who appeals to the hearing committee shall be given a reasonably adequate written statement of the basis for the initial decision to reduce academic positions and, upon request of the person, shall be given any written data or information relied upon in arriving at such decision.

6.(13)8 The hearing committee shall set the date, time, and place for hearing the appeal for reconsideration. Such hearing shall be held within thirty (30) days of the date of the written request unless the person to be terminated waives such time requirement; however, such hearing shall be held within ninety (90) days from the date of the request. The hearing committee shall conduct the hearing in accordance with the following conditions and procedures.

6.(13)81 The hearing will be closed to the public unless requested to be open by the appealing person.

6.(13)82 The appealing person may be represented by legal counsel at his or her expense.

6.(13)83 The appealing person and the institution may offer any written evidence or oral testimony that is material to the issues.

6.(13)84 The burden shall be upon the appealing person to show by a preponderance of the credible evidence that:

(a) financial exigency was not in fact the reason for the initial decision to reduce academic positions; or

(b) the decision to terminate the appealing person as compared to another individual in the same discipline or teaching specialty was arbitrary and unreasonable.

No other issues shall be heard or considered by the hearing committee.

6.(13)9 The hearing committee shall make written findings of fact and recommendations to the chief administrative officer as soon as practical following the hearing. The chief administrative officer shall have the final decision to either accept or reject the recommendation of the hearing committee.
BOARD OF REGENTS - REGENTS' RULES AND REGULATIONS,
PART ONE: AMENDMENT TO CHAPTER VII, SECTIONS 2, 3,
4, 5, 6, and 7, (PRIVATE-FUND DEVELOPMENT AND FOUNDA-
TIONS).--Approval was given to amend the Regents' Rules and
Regulations, Part One, Chapter VII

a. By adding Subsection 2.7 to Section 2 as follows:

2.7 Under the provisions of Section 4 of this Chapter a
component institution development board may, but
need not, have an associated internal foundation.

b. By adding a new section 3 as follows:

Sec. 3. The Advisory Councils of a Component Institution.

3.1 Establishment and Organization:

3.11 With the approval of the Chief Administrative
Officer of a component institution, the Chan-
cellor, and the Board of Regents, any school,
college, or other comparable teaching or re-
search unit may have an advisory council dedi-
cated to its own unique interests. Such an
advisory council is responsible through the
dean or director to the chief administrative
officer of the component and through him to the
component institution development board for all
private funds developed for that school, college,
or comparable unit. Each advisory council
shall determine its development needs and shall
direct the formulation of plans and the promo-
tion of support for its programs.

3.12 An advisory council shall consist of not more
than twenty-five members recommended by the
dean or director of the school, college, or
other approved unit and appointed by the chief
administrative officer of the component institu-
tion with prior specific written approval of the
Chancellor and the Board of Regents. Initial
appointments to any advisory council shall draw
lots providing for one-third of the total member-
ship to serve for one, two, or three-year
terms. All terms following the initial appoint-
ment of the board will be for a three-year
term. All terms shall officially begin on
September 1.

3.13 An advisory council may elect a chairman and
other such officers as are appropriate from
among its membership. The dean or director,
and the chief administrative officer of the com-
ponent institution, or his delegate shall be ex-
officio members with voting privileges.
3.2 Duties and Responsibilities:

3.21 An advisory council shall seek to enlist the aid of numerous friends of the school, college, or comparable unit in fund-development efforts, and may establish such committees and other groups as seem desirable in carrying out its programs.

3.22 An advisory council shall recommend through the dean or director or the component chief administrative officer to the development board the consideration of current and long-range programs which shall secure private funds for the unit.

3.23 A component institution advisory council shall have responsibility within that school, college or comparable unit:

3.231 for studying and developing private fund needs;

3.232 for coordinating and formulating plans and actively promoting support for both current and long-range programs to meet the developmental needs;

3.233 for periodic reports of progress to the chief administrative officer of the component institution and the development board on the plans and programs of the advisory council; and

3.234 for establishing a continuing program of collection and dissemination of information regarding gifts and endowments.

3.24 At periodic intervals, the dean or director shall lay before his advisory council descriptions of current development needs.

3.25 The work of all advisory councils shall be considered a part of the work of component institution development boards.

3.3 Under the provisions of Section 4 of this Chapter, an advisory council may, but need not, have an associated internal foundation.

c. By renumbering Section 3 as Section 4 and amending it to read as follows:

Sec. 4. Internal Foundations.

4.1 Definition.--As used in this Chapter, the term "internal foundation" means a foundation created by resolution of the Board of Regents of The University of Texas System as set forth in Subsection 4.31. The term does not include any entity that is incorporated under the laws of Texas or any other state and does not include any entity created by testamentary or
inter vivos trusts. An internal foundation is an accounting and administrative mechanism in the name of which development boards and advisory councils may approach prospective donors. Internal foundations are under the jurisdiction and control of the Board of Regents and are governed by rules, regulations, policies and procedures promulgated by the Board.

4.2 Policies on Initiation and Operation.

4.21 An internal foundation may be established to benefit a component institution, or a school, college or other comparable teaching or research unit within a component institution upon the recommendation of a development board or an advisory council, after approval of the chief administrative officer of the component institution, the Chancellor, and the Board of Regents.

4.22 Divisions and departments below the level of a school, college, or other comparable teaching or research unit may effectively work as separate groups within the framework of the advisory council and internal foundation which represents a school or college or comparable teaching or research unit. Provisions for the designation of special funds to be used for specific activities within the framework of the various internal foundations and advisory councils will be made in order to avoid stifling the interest and initiative of these groups.

4.23 There shall be an annual review of the activities of each internal foundation to determine its effectiveness; and, if it is unproductive for an unreasonable length of time, it shall be dissolved.

4.24 Every effort shall be made to permit a free range of initiative within the internal foundations, and their associated development boards and advisory councils, but activities must be in conformity with policies of the Board of Regents so as to permit maximum overall achievements in fund raising throughout the System.

4.25 All internal foundation funds shall be appropriately accounted for in University endowment and restricted fund accounts. As in the case of other University funds, authorization for expenditure of all funds in internal foundation accounts is vested in the Board of Regents. Except for those funds to be spent in accordance with the terms of Regental acceptance, authorization for expenditure normally will be obtained during the annual institutional budget approval process.
Establishment.

*4.31 Standard Resolution. From and after October 24, 1980, the Board of Regents of The University of Texas System adopts the following standard resolution form with regard to the establishment and operation of internal foundations:

RESOLUTION OF THE BOARD OF REGENTS OF THE UNIVERSITY OF TEXAS SYSTEM

WHEREAS, there exists a clear and specific need for means to finance the program of (name of school, college, or other component unit) of The University of Texas (name of component), in addition to the regular budgetary provisions, and

WHEREAS, it is the desire of interested persons to set up the facilities to encourage and assist in such financing,

IT IS NOW RESOLVED, that the Board of Regents of The University of Texas System hereby establishes, the Foundation of the (name of school, college, or other component unit) of The University of Texas (name of component), and to encourage the making of gifts to the Foundation by deed, grant, will or otherwise for any purpose appropriate to the work of the Foundation.

1. The funds of the Foundation shall be devoted solely to the enrichment of the academic programs of the (name of school, college, or other component unit) of The University of Texas (name of component) and shall not be used for the ordinary operating expenses of the (name of school, college, or other component unit).

*2. A donation to the Foundation may be made for a specific purpose and may be given in the name of the donor or other designation specified by the donor or may be given as unrestricted funds.

3. The Board of Regents shall hold, manage, control, sell, exchange, lease, convey, mortgage or otherwise encumber, invest or reinvest, and generally shall have power to dispose of in any manner and for any consideration and on any terms the said gifts, funds, or property in their discretion and shall from time to time pay out of the income, or if the income be insufficient, out of the principal, all expenses of trust and all expenditures incurred in furthering the purposes of the trust.

4. Neither any donation to the Foundation nor any fund or property arising therefrom in whatever form it may take shall ever be any part of the Permanent University Fund nor shall the Legislature have power or be in any way authorized to change the purposes thereof or to divert such donation, fund or property from those designated purposes.

5. As in the case of other University funds, authorization for expenditure of all funds from the Foundation shall be vested in the Board of Regents and recommendations for such expenditures shall be made by the (appropriate title of chief administrative officer) to the Chancellor and by the Chancellor to the Board of Regents of The University of Texas System.

*Editorial changes in Subsection 4.31 and in Paragraph 2 of the Resolution were submitted by Regent Blumberg.
4.32 Upon Regental approval of the standard resolution creating an internal foundation, the name of the foundation will be added to the list contained in Section 4.33 of this Chapter. The Secretary to the Board of Regents shall prepare a copy of the standard resolution in appropriate form for the Chairman's signature and shall distribute a copy to the Chancellor and to the chief administrative officer of the component institution involved.

Sec. 7. External Nonprofit Corporations.

The Board of Regents recognizes that there are legally incorporated nonprofit organizations (most having the word "foundation" in their charter) whose sole purpose is to benefit The University of Texas System, its component institutions, or teaching, research, and other activities within those component institutions. These organizations are administered by boards of directors independent from the control and supervision of the Board of Regents. Accordingly, as is the case with other external organizations, no component institution, or department or school of a component institution, may accept or receive gifts or bequests from any such external organization until such gifts or bequests have been accepted and approved by the Board of Regents.

BOARD OF REGENTS - REGENTS' RULES AND REGULATIONS, PART ONE: AMENDMENT TO CHAPTER VIII, SECTION 1 (NAMING OF BUILDINGS AND OTHER FACILITIES).--Without objection, Chapter VIII of Part One of the Regents' Rules and Regulations was amended by deleting Section 1 and inserting in lieu thereof the following:

Sec. 1 Naming of Buildings and Other Facilities.

1.1 Naming of Buildings.--Buildings of the System and its component institutions shall not be named in honor of any person until such person shall have been deceased at least five years. Recommendation to the Board of Regents regarding naming of buildings by the Chancellor and institutional head shall be accompanied by reasons including appropriate input from the institutional faculty; provided, however, that the Board
may act without receiving such recommendation when unusual circumstances justify such action and particularly when a substantial donation has been made toward the construction of the building to be named.

1.2 Naming of Facilities Other than Buildings.--Facilities other than buildings (e.g. laboratories, classrooms, seminar rooms, auditoria, concert halls, clinics, and patient rooms) may be named to memorialize and otherwise recognize substantial and significant donors, individuals designated by donors, or individuals who have made other significant contributions to the institution. Recommendations by the Chancellor and institutional head regarding the naming of such facilities shall be submitted to the Board of Regents for approval.

1.3 Naming of Facilities as Part of Special Private-Fund Development Campaigns.--When the naming of facilities other than buildings is contemplated as part of a special private-fund development campaign, that campaign shall have prior approval of the Chancellor and the Board as required in Part One, Chapter VII, Subsection 2.44 of the Regents' Rules and Regulations. Recommendations by the Chancellor and institutional head regarding the naming of each facility included in a fund development campaign shall subsequently be submitted to the Board of Regents for approval.
IUL BOARD OF REGENTS - REGENTS' RULES AND REGULATIONS, PART ONE: AMENDMENTS TO (1) CHAPTER I, SECTION 7.2 [BOARD FOR LEASE OF UNIVERSITY LANDS] AND SECTION 8.5 [COMMUNICATIONS TO THE BOARD]; (2) CHAPTER II, SECTIONS 2.21, 3.12, 3.13 AND 3.14 AND CHAPTER VI, SECTION 6.4 [RESPONSIBILITIES OF ASSISTANT TO THE CHANCELLOR]; (3) CHAPTER II, SECTIONS 3.31 AND 3.47 [EQUAL OPPORTUNITY OFFICE - OFFICE OF EMPLOYEE RELATIONS]; (4) CHAPTER III, SECTION 5.33 [NEPOTISM RULE], SECTION 16.3 [LEAVE OF ABSENCE WITHOUT PAY] AND SECTIONS 32 AND 33 [FACULTY AND STAFF ORGANIZATIONS] AND (5) CHAPTER VI, SECTION 4.3 [STUDENT ORGANIZATIONS] AND SECTION 6.65 [SPECIAL USE FACILITIES]. --Without objection, Part One of the Regents' Rules and Regulations was amended as set out below:

1. Chapter I

a. Section 7.2 was amended to read as follows:

7.2 Board for Lease of University Lands. --Pursuant to Section 66.62, Texas Education Code, two members of the Board shall be appointed by the Chairman of the Board, by and with the consent of the Board, to serve with the Commissioner of the General Land Office on the Board for Lease of University Lands, an agency of the State of Texas. Neither of such appointees shall be employed either directly or indirectly by any oil or gas company nor shall be an officer or attorney for any oil or gas company. With the knowledge and direction of the Chancellor, the Board for Lease shall receive the assistance and cooperation of the Vice Chancellor for Lands Management and his staff.

b. Section 8.5 was amended to read as follows:

8.5 Communications by and to the Board.

8.51 Members of the Board of Regents are to be permitted access to such personnel and information as in their individual judgements will enable them to fulfill their duties and responsibilities as Regents of The University of Texas System. It

-- 165 --
is the responsibility of each Regent to be knowledgeable in some detail regarding the operations, management, finances, and effectiveness of the academic, research, and public service programs of The University of Texas System, and members of the Board have the right and authority to inform themselves as to their duties, responsibilities and obligations in such a manner as they may deem proper. The regular channel of communication from members of the Board to the faculty, staff and administration is through the Chancellor and the chief administrative officer of the institution involved, and a copy of any communication sent by a Regent directly to any member of the faculty, staff or administration should be furnished to the Chancellor and the chief administrative officer of the institution involved; however, individual Board members are not precluded when they deem it necessary and proper from direct participation and communication with the chief administrative officers, representatives, and personnel of The University of Texas System Administration and its component institutions, faculty members and other groups. All staff and faculty proposals that are to be acted upon by the Regents shall be presented to the Chancellor in sufficient time to permit him to consider such proposals, make recommendations thereon, and transmit them to the Secretary to the Board no later than seventeen days prior to the next meeting of the Board, in order that the calendar, agenda, and supporting material may be prepared in time to mail to the members of the Board so they will receive it at least five days prior to the meeting. Except where emergency proposals are involved, all such proposals not submitted to the Secretary within the time prescribed shall not be considered by the Board but shall automatically be deferred until the next meeting of the Board.

- 167 -
c. A new Section 32 was added as set out below and the present Section 32 was renumbered 33:

Sec. 32  Faculty and Staff Organizations.

32.1 Each component institution shall adopt procedures for the registration of faculty and staff organizations at that institution. The period of registered status of an organization shall not exceed one academic year and such status shall automatically terminate at the end of each academic year; provided, however, an organization previously registered as a faculty or staff organization may apply for and be granted registration for subsequent periods of one academic year if it meets all applicable criteria in effect for the period for which registration is sought.

32.2 A registered faculty or staff organization shall be subject to all applicable rules and regulations of the component institution and The University of Texas System. Action taken by or on behalf of a registered faculty or staff organization that results in a violation of such rules and regulations is subject to disciplinary action which may result in the suspension or revocation of the registered status of the organization.

32.3 No organization may become registered or remain registered at a component institution as a faculty or staff organization unless the membership of the organization is restricted to the faculty or staff of that component institution.

32.31 At the time of application for registration and at the beginning of each semester that an organization is registered as a faculty or staff organization, each such organization shall file with the appropriate officer at the component institution an affidavit executed by the president, chairman, or other appropriate official of the organization stating that the organization does not presently have, nor during any period of registration will it have, as a member any person who is not a member of the faculty or staff of the institution.

32.32 If the chief administrative officer of the institution, or his designated delegate, determines that the statements in such affidavit are false, registration shall be denied, or if it is determined that such affidavit has become false during any period of registration, such registration shall be cancelled.

32.4 Each application for registration as a faculty or staff organization shall be accompanied by a complete list of the names and addresses of all persons who are officers of the organization and the application shall identify by name and address the person or persons who are authorized to speak for or represent the organization in its relations with the institution and who are authorized to receive for the organization any official notices, directives, or instructions from the institution. This required information shall be kept current during any period of registration. If at any time during a period of registration it is determined by the chief administrative officer of the
institution, or his delegate, that such information is not current and the organization does not make such information current within ten (10) days after being notified of such deficiency, registration shall be cancelled.

32.5 A registered faculty or staff organization may state that its membership is composed of the faculty or staff of a component institution, but it shall not suggest or imply that it is acting with the authority or as an agency of the institution. A faculty or staff organization shall not use the name of a component institution or the name of The University of Texas System as a part of the name of the organization, and it shall neither display the seal of either a component institution or The University of Texas System in connection with any activity of the organization nor use such seal or seals as part of any letterhead, sign, banner, pamphlet, or other printed material that bears the name of the organization.

32.6 Faculty and staff organizations shall be subject to all applicable rules and regulations of The University of Texas System and the component institution at which the organization is registered. An organization is subject to disciplinary action or cancellation of registration for violation of such rules and regulations.

5. **Chapter VI**

a. Section 4.3 was amended to read as follows:

4.3 A registered student organization may state that its membership is composed of students, or of students, faculty, and/or staff, of a component institution, but it shall not suggest or imply that it is acting with the authority or as an agency of that institution. A student organization shall not use the name of a component institution or the name of The University of Texas System as a part of the name of the organization, and it shall neither display the seal of either a component institution or The University of Texas System in connection with any activity of the organization nor use such seal or seals as part of any letterhead, sign, banner, pamphlet, or other printed material that bears the name of the organization.

b. A new subsection 6.65 as set out below was added to Section 6.6:

6.65 The rules and regulations applicable to a Special Use Facility may provide procedures for the rental of space for display of advertising in designated areas inside the Facility that have been approved by the chief administrative officer of the component institution or his delegate, and by lighted displays on an electronic scoreboard. Such rules and regulations may further provide procedures for the sale of advertising space on ticket envelopes for events sponsored by the Facility and in any publication of the Facility distributed in connection with a sponsored event or announcing future sponsored events.

BOARD OF REGENTS - REGENTS' RULES AND REGULATIONS: (1) PART ONE: ADOPTION OF CHAPTER I, CHAPTER II AS AMENDED IN SECTION 5.1, AND SECTION 31 OF CHAPTER III; (2) PART TWO ADOPTION; AND (3) REMAINDER OF PROPOSED REVISION TO BE ConsIDERED AT FEBRUARY 1979 MEETING. --Chairman Shivers presented as the first order of business of the Committee of the Whole the proposed revision of the Regents' Rules and Regulations, Parts One and Two as submitted by System Administration. In accordance with instructions at the October 1978 meeting, Chancellor Walker mailed to the Regents on November 22 a proposed revision of the Regents' Rules and Regulations, Parts One and Two to conform to the administrative re-organization, together with a memorandum explaining the changes of conformity and other additional amendments.

Because he had not had an opportunity in the short time available to review the proposed revision, Regent Law said that he was not prepared to vote and proposed to lay the rules on the table until the next regular meeting of the Board. However, General Counsel Fitzpatrick explained the need to adopt certain portions of the rules at the December meeting, namely: Chapters I and II and the retirement section (Section 31) of Chapter III of Part One and all of Part Two.

After a discussion as to the urgency for the adoption of this revision, Regent Law moved:

1. That the following in Part One be adopted:
   a. Chapter I
   b. Chapter II, with the deletion of that portion of the second sentence of Section 5.1 which reads: "and for each such dismissal whether from a permanent or acting appointment."
   c. Chapter III, Section 31 which is set out on Page 95

2. That the remainder of Part One of the Regents' Rules and Regulations be laid on the table with the understanding that any member of the Board may propose further and additional amendments to any or all of the proposed revision of the rules upon further consideration

3. That all of Part Two be adopted

Vice-Chairman Williams seconded the motion which prevailed by unanimous vote.

(Copies of Chapter I, Chapter II as amended and Section 31 of Chapter III, Part One and all of Part Two will not be distributed until after the revision of both Parts One and Two of the Regents' Rules and Regulations have been adopted in their entirety. Prior to the meeting, the proposed revision by System Administration was distributed to the Officers of System Administration and the Chief Administrative Officers. Those copies plus this minute order should meet the need of those concerned until the revision has been adopted in its entirety. At that time the revised Rules and Regulations will be reported and bound in a separate volume for distribution.)
Sec. 31 Retirement and Modified Service

31.1 No officer, administrator, faculty member, or employee of The University of Texas System or of any component institution or agency thereof shall be continued in a full-time service capacity or at a full-time compensation rate beyond the end of the fiscal year that includes his or her seventieth birthday.

31.2 The Board of Regents, upon the recommendation of the Chancellor and, when appropriate, the chief administrative officer of the affected component institution, may appoint an officer, administrator, faculty member, or employee to modified service after the end of the fiscal year that includes the person's seventieth birthday.

31.3 Recommendation for, and appointment to, modified service shall be made only after a review of the individual's past and current performance and a finding that the individual is not only competent to continue his or her duties, but that the continued service of the individual will result in a significant benefit to the System or a particular component institution.

31.4 Appointment to modified service shall be for one academic year and may be renewed for successive terms of one academic year after an annual review, recommendation, and finding as set forth in subsection 31.3. The notice provisions of Section 6.8 of this Chapter shall not apply to non-renewal of such appointments.

31.5 The workload of an individual on modified service shall be no more than one-half of his or her workload immediately preceding appointment to modified service. Salary rate shall be in the same proportion of his or her salary rate for the fiscal year immediately preceding appointment to modified service as his or her workload is to a full time workload and shall be subject to adjustment in accordance with policies and procedures applicable to other employees.

31.6 Upon recommendation of the Chancellor and, when appropriate, the chief administrative officer of the affected component institution, the Board of Regents may, by unanimous vote of the members present, make exceptions to this Section in special cases when the Board finds that the services of a particular individual will be of unique benefit to the System or a component institution.
Chairman Shivers filed the following report of the Committee of the Whole; all action of which had been taken in open session. This report was adopted without objection:

BOARD OF REGENTS: REVISION OF REGENTS' RULES AND REGULATIONS, PARTS ONE AND TWO TO CONFORM TO 1977-78 OPERATING BUDGET AND TO LEGISLATION RELATING TO UNIVERSITY ENACTED BY 65TH LEGISLATURE, R.S., 1977. --In accordance with authorization granted at the July 29, 1977, meeting of the Board of Regents, the Regents' Rules and Regulations, Parts One and Two had been revised by the General Counsel under the direction and supervision of the President of the System, and copies had been circulated to members of the Board of Regents by the Secretary prior to the meeting.

At the request of Chairman Shivers, System President Walker explained the changes in the proposed revision. With two or three exceptions, the changes conform the Rules and Regulations to the 1977-78 Operating Budget adopted at the meeting on July 29, 1977, and to legislation relating to the University that was enacted by the 65th Legislature, R.S., 1977.

Regent Clark moved, seconded by Regent Bauerle, that the revised Regents' Rules and Regulations, Parts One (Pages 70-158) and Two (Pages 159-230) be substituted for the current Rules and Regulations originally adopted in January 1960 and amended periodically thereafter.

After a discussion, the motion prevailed by unanimous vote, and without objection the necessary rules were waived and the revised Rules and Regulations became effective immediately.
