Sec. 3. Student Conduct and Discipline.

3.1 The University of Texas System and its component institutions have rules and regulations for the orderly and efficient conduct of their business, and each student is charged with notice and knowledge of the contents and provisions thereof.

3.2 All students are expected and required to obey the law, to show respect for properly constituted authority, and to observe correct standards of conduct.

3.3a Gambling, immoral conduct, dishonesty, or the excessive use of intoxicating liquors renders the student subject to discipline.
3.3b Any student who is guilty of the illegal use, possession and/or sale of a drug or narcotic on the campus of a component institution of The University of Texas System is subject to discipline, including expulsion, pursuant to the procedures set out in Subsections 3.(10) and 3.(11) of this chapter.

3.3c For the purpose of this subsection, H.B. No. 447, Acts of the 63rd Legislature, Regular Session, 1973, shall be referred to as the Texas Controlled Substances Act. With respect to acts giving rise to charges under the foregoing Subsection 3.3b before the effective date of the Texas Controlled Substances Act, (1) the word "drug" means "dangerous drug" as defined in Section 2, Chapter 425, Acts of the 56th Legislature, Regular Session, 1959, as amended, and as in effect prior to the effective date of the Texas Controlled Substances Act (Article 726d, Vernon's Texas Penal Code); and (2) the word "narcotic" means "narcotic drugs" as defined in Section 1, Chapter 169, Acts of the 45th Legislature, Regular Session, 1937, as amended, and as in effect prior to the effective date of the Texas Controlled Substances Act (Article 725b, Vernon's Texas Penal Code). With respect to acts giving rise to charges under the foregoing Subsection 3.3b after the effective date of the Texas Controlled Substances Act, the word "drug" or "narcotic," or both, includes any controlled substance listed in Schedules I through V, Penalty Groups 1 through 4, Section 2.17, and Section 4.05 of the Texas Controlled Substances Act.

3.4 The use of intoxicating beverages is prohibited in classroom buildings, laboratories, auditoriums, library buildings, museums, faculty and administrative offices, intercollegiate and intramural athletic facilities, and all other public campus areas; provided, however, that with the prior consent of the institutional head, the foregoing provisions of this section may be waived with respect to any specific affair which is sponsored by the institution. However, with respect to the possession and consumption of alcoholic beverages, state law will be strictly enforced at all times on all property controlled by The University of Texas System and its component institutions.

3.5 No former student who has been suspended for disciplinary reasons from a component institution of The University of Texas System shall be permitted on the campus of any component institution during the period of such suspension without the prior written approval of the chief administrative officer of that institution.
3.3b Any student who is guilty of the illegal use, possession and/or sale of a drug or narcotic on the campus of a component institution of The University of Texas System is subject to discipline, including expulsion, pursuant to the procedures set out in Subsections 3. (10) and 3. (11) of this chapter.

3.3c For the purpose of this subsection, H.B. No. 447, Acts of the 63rd Legislature, Regular Session, 1973, shall be referred to as the Texas Controlled Substances Act. With respect to acts giving rise to charges under the foregoing Subsection 3.3b before the effective date of the Texas Controlled Substances Act, (1) the word "drug" means "dangerous drug" as defined in Section 2, Chapter 425, Acts of the 56th Legislature, Regular Session, 1959, as amended, and as in effect prior to the effective date of the Texas Controlled Substances Act (Article 726d, Vernon's Texas Penal Code); and (2) the word "narcotic" means "narcotic drugs" as defined in Section 1, Chapter 169, Acts of the 45th Legislature, Regular Session, 1937, as amended, and as in effect prior to the effective date of the Texas Controlled Substances Act (Article 725b, Vernon's Texas Penal Code). With respect to acts giving rise to charges under the foregoing Subsection 3.3b after the effective date of the Texas Controlled Substances Act, the word "drug" or "narcotic," or both, includes any controlled substance listed in Schedules I through V, Penalty Groups 1 through 4, Section 2.17, and Section 4.05 of the Texas Controlled Substances Act.

3.4 The use of intoxicating beverages is prohibited in classroom buildings, laboratories, auditoriums, library buildings, museums, faculty and administrative offices, intercollegiate and intramural athletic facilities, and all other public campus areas; provided, however, that with the prior consent of the institutional head, the foregoing provisions of this section may be waived with respect to any specific affair which is sponsored by the institution and which will not be attended by any student who is unaccompanied by his or her parent. However, with respect to the possession and consumption of alcoholic beverages, state law will be strictly enforced at all times on all property controlled by The University of Texas System and its component institutions.

3.5 No former student who has been suspended for disciplinary reasons from a component institution of The University of Texas System shall be permitted on the campus of any component institution during the period of such suspension without the prior written approval of the chief administrative officer of that institution.
3.3b The dramatic increase in the illegal use, possession, and sale of drugs and narcotics by students enrolled in the several component institutions of The University of Texas System makes it imperative that insofar as possible such illegal users, possessors, and sellers of drugs and narcotics be identified and temporarily separated from the several student bodies so that the potential danger of their influencing other students to illegally use, possess, or sell drugs and narcotics will be minimized. Accordingly, with respect to any person who is placed on probation for or is finally convicted of the illegal use, possession, and/or sale of a drug or narcotic, if he is a student at a component institution of The University of Texas System at the time such probation is assessed or such conviction becomes final, he shall be automatically suspended from such institution and shall be ineligible to continue as or become a student at any component institution of The University of Texas System for a period of twenty-four consecutive months immediately following the date on which such probation is assessed or such conviction becomes final, and if he is not a student at a component institution of The University of Texas System at the time such probation is assessed or such conviction becomes final, he shall be ineligible to become a student at any component institution of The University of Texas System for a period of twenty-four consecutive months immediately following the date on which such probation is assessed or such conviction becomes final. The provisions of this paragraph shall apply regardless of whether the offense in question occurred on or off the campus of a component institution of The University of Texas System and regardless of whether the offense in question occurred while the offender was a student enrolled at a component institution of The University of Texas System; provided, however, that in order that the provisions of this paragraph will not have retroactive effect and in order that all persons may have fair notice hereof, the provisions of this paragraph shall not apply to any of the offenses described hereinabove which occur or occurred prior to March 1, 1972.

3.3c With respect to the illegal use, possession, or sale of a drug or narcotic by a student enrolled in any component institution of The University of Texas System when such offense occurred after March 14, 1969, and prior to March 1, 1972, the following shall apply:

"Any student placed on probation for or finally convicted of illegal use, possession, or sale of a drug or narcotic shall be automatically expelled from school, regardless
of whether or not the illegal act that gave rise to the conviction was committed on the campus of one of the component institutions of The University of Texas System."

provided, however, that any person who, prior to March 1, 1972, commits or has committed an offense that would otherwise be governed by the provisions of this Subsection 3.3c, may elect in writing to have such offense governed by the provisions of the foregoing Subsection 3.3b and thereby reduce the penalty applicable to the offense from permanent expulsion to suspension for a period of twenty-four consecutive months immediately following the date on which his probation is assessed or his conviction becomes final; and, provided further that any person who has heretofore been permanently expelled from one of the component institutions of The University of Texas System on account of the illegal use, possession and/or sale of a drug or narcotic may elect in writing to have such penalty reduced from permanent expulsion to suspension for a period of twenty-four consecutive months immediately following the date on which his probation was assessed or his conviction became final.

3.3d  For the purpose of the foregoing Subsection 3.3b and 3.3c, (1) the word 'drug' means 'dangerous drug' as defined in Section 2, Chapter 425, Acts of the 56th Legislature, Regular Session, 1959, as amended (Article 726d, Vernon's Texas Penal Code); and (2) the word 'narcotic' means 'narcotic drugs' as defined in Section 1, Chapter 169, Acts of the 45th Legislature, Regular Session, 1937, as amended (Article 725b, Vernon's Texas Penal Code).

Each component institution will adopt detailed regulations concerning scholastic dishonesty.

3. (15) The Dean of Students, the institutional head, or the Chancellor, may take immediate interim disciplinary action against a student for violation of a rule and regulation of The University of Texas System and/or of the institution at which the accused is a student, when, in the opinion of such official, the interest of The University of Texas System, and/or the component institution would be served by such action.

3. (16) Each component institution shall maintain for every student who has received any disciplinary penalty at such institution, a permanent written disciplinary record that shall reflect the nature of the charge, the penalty assessed, and any other pertinent information. 6.53 The University, established as a public institution without regard to political affiliation or religious faith, cannot be a joint sponsor with any noncampus organization for political or sectarian gatherings. However, the appearance by or on behalf of a candidate for public office may be authorized under conditions prescribed by the Board of Regents.

6.54 Whenever non-University groups share in the use of University buildings, it must be upon the invitation of the University and under its joint sponsorship, and with the further understanding that all the conditions governing such sponsorship are to be set by the University.

6.55 The University when entering into joint sponsorship of any program or activity assumes full responsibility for all details and reserves the right to approve all copy for advertising, as well as news releases.

6.56 The University will not enter into joint sponsorship of any program or activity in which the educational implications are not self-evident and which does not directly supplement the educational purposes of the University.

in the interest of a particular candidate or candidates for
public office may be permitted the use of institution-owned
facilities under the provisions of paragraphs 7.241 and 7.242 of
this chapter.

7.2 Off-Campus Speakers. -- The Board of Regents has and reserves the
right to regulate the presentation of guest speakers on the campus who
are unaffiliated with The University of Texas System or any component
institution thereof (hereafter referred to as off-campus speakers).

7.21 Only registered student organizations, University-owned dormi-
tories, and student center committees may present off-campus
speakers on the campus.

7.22 The organization sponsoring an off-campus speaker has the
responsibility of making clear the fact that the student organiza-
tion, not the institution, is extending the invitation to speak and
that any views the speaker may express are his own and not
necessarily those of The University of Texas System or of any
component institution.

7.23 An off-campus speaker is subject to the Texas Civil Statutes as
quoted in Section 7.11 of this chapter.

7.24 Candidates for public office, or other off-campus speakers
appearing in the interest of a particular candidate or candidates
for public office, may be permitted the use of University-owned
facilities under the following conditions:

7.241 The meeting will be open only to members of the
recognized sponsoring organization and their personally
invited guests, other students and faculty.

University of Texas System who is known to advocate or recom-

6.62 Priority in the reservation and use of Special Use Facilities shall be given to activities and events sponsored by the component institution that are in furtherance of and related to the educational, cultural, recreational, and athletic programs of the institution.

6.63 As a lower priority, the institutional rules and regulations may provide for reservation and use of Special Use Facilities by non-University individuals, groups, associations or corporations, without the necessity of joint sponsorship by the institution. The institution shall establish rates to be charged for the use of the facility that will, at a minimum, insure recovery of that part of the operating cost of the facility attributable directly or indirectly to such non-University use. If the non-University user charges those attending an event any admission or registration fee, or accepts donations from those in attendance, the institution shall require the user to make a complete account of all funds collected and of the actual cost of the event. If the funds collected exceed the actual cost of the event, the user shall be required to remit such excess funds to the institution as an additional charge for the use of the Special Use Facility.

6.64 Subject to all constitutional and statutory provisions relating to the use of state property or funds for religious or political purposes, and subject to Subsection 6.63, above, Special Use Facilities may be made available for religious and political conferences or conventions. Such appropriation will be made through established budgetary procedures. The Board of Regents may accept gifts designated for use by The University of Texas System Advisory Committee and may make such funds available for expenditure by said committee.

Sec. 2. The Development Board of a Component Institution for Private-Fund Development.

2.1 With the approval of the institutional head, the Chancellor, and the Board of Regents, any component institution may have a development board dedicated to its own unique interests. 2.23 The component institution development board shall have responsibility:

2.231 For studying and developing total development needs of the component institution.

2.232 For coordinating and formulating plans and actively promoting support for both current and long-range programs to meet the developmental needs of the component institution.
2.233 For developing gift possibilities not related to predetermined projects.

2.234 For periodic reports of progress to the institutional head and the Chancellor on the plans and programs of the component institution development board. It is expected that a continuing program of the component institution will include collection and dissemination of information regarding gifts and endowments.

2.235 At periodic intervals, the institutional head shall lay before his development board descriptions of current development needs.

2.3 Composition and Operation of the Component Institution Development Board:

2.31 The component institution development board shall consist of not more than 25 appointed members, and these shall be recommended and appointed by the institutional head of each component institution with prior specific written approval of the Chancellor and the Board of Regents. Initial appointments to the component institution development board shall draw lots providing for one-third of the total membership to serve for one, two, or three-year terms. All terms following the initial appointment of the board will be for a three-year term. All terms shall officially begin on September 1. At least one member shall be nominated by the ex-students' association of that institution. The institutional head and the Chancellor (or his delegate) shall be ex-officio members with voting privileges. The component institution Development Board will elect a Chairman and such other officers as are appropriate from among its membership.

2.32 The component institution development board shall elect a representative from its membership to The University of Texas System Advisory Committee for a three-year term except as specified in paragraph 1.31(2). This representative may serve on The University of Texas System Advisory Committee only so long as he is a member of the component institution Development Board.
2.4 General Policies of the Component Institution Development Boards:

2.41 A component institution development board shall seek to enlist the aid of numerous friends of the institution in fund-development efforts, and may establish such committees and other groups as seem desirable in carrying out its program.

2.42 A component institution development board shall serve the individual component institution of The University of Texas System to coordinate and assist in the plans and programs of that component institution with consideration of development interests of all component institutions in The University of Texas System.

2.43 A component institution development board will work closely with the internal foundations of the component institutions. No internal foundations shall be established or continued in existence except with the approval of the Chancellor and the Board of Regents. The institutional head of each component institution shall be responsible for stimulating, guiding, and assisting the component institution development board and internal foundations of the component institution he heads and he may require suitable annual reports from each. All such activities shall be coordinated through the office of the institutional head and the director of the component institution development board.

2.44 From time to time, special campaigns for specific objectives may be conducted, with or without the assistance of private fund-raising counsel. Such campaigns may originate upon recommendation by the Board of Regents, The University of Texas System Advisory Committee, the Chancellor, the institutional head with the concurrence of the Chancellor, or the component institution development board. No such campaign shall be authorized or undertaken, however, until the Chancellor has advised the Board of Regents of his approval or disapproval and the campaign has been approved by the Board of Regents.
2.45 Notwithstanding the provisions hereof conferring authority upon and placing responsibility with the Chancellor for fund development and fund raising, it is understood that ex-students' associations of The University of Texas component institutions may engage in fund raising for their own support through dues and payments for memberships, both annual and life. However, it is expected that no such ex-students' association will sponsor or participate in any other organized fund-raising effort without first consulting and advising with the institutional head and the Chancellor, and then receiving the approval of the Board of Regents.

2.46 The component institution development boards shall make recommendations to The University of Texas System Advisory Committee regarding the appropriate recognition of donors.

2.5 Executive Office of a Component Institution Development Board:
2.51 Within the office of the institutional head there may be appointed by the institutional head, with the approval of the Chancellor, an executive director of the component institution development board. He is to be charged solely with fund-development activity, and subject to supervision, evaluation, and termination of employment by the institutional head.

2.52 The executive director of the component institution development board shall have such staff and such operating funds as shall be determined from time to time by budgets recommended by the institutional head, endorsed by the Chancellor, and adopted by the Board of Regents. Duties of staff members shall be established by the executive director.

2.6 Finances.--Financial support of the component institution development board and the executive director shall be provided exclusively by the budget of the institution. Such budgets will be made through established budgetary procedures. The Board of Regents may accept gifts designated for use by the component institution development board and may make such funds available for expenditure by said board.
Sec. 3. **Foundations** -- The following policies shall govern the creation and administration of foundations:

### 3.1 Internal Foundations:

3.11 The establishment of internal foundations shall be limited to teaching and research divisions of the component institutions of The University of Texas System. This is not in any sense to be construed as excluding nonteaching and nonresearch divisions from seeking support from private sources through the component institution development boards as the authorized agencies for correlating all fund-raising activities.

3.12 The establishment of foundations for other than component institutions, colleges, or schools shall be limited to divisions and departments with respect to which it can be clearly demonstrated that there exists, actually or potentially, the support of a strong business or professional group, the activities of which will not be in substantial conflict with the foundation which represents the school or college of which the division or department is a part. It is believed that divisions and departments which cannot meet these tests may effectively work as separate groups within the framework of the foundation which represents this school or college. The provisions now existing for the designation of special funds to be used for specific activities should continue within the framework of the various foundations. This opportunity to earmark funds obtained by specific groups should help to avoid stifling the interest and initiative of these groups.

3.13 Any foundation in addition to those now existing shall be authorized by the Board of Regents only after approval by the Chancellor.

3.14 The work of all internal foundations shall be considered a part of the work of the component institution development boards. It is the duty of The University of Texas System Advisory Committee and the component institution development boards to cooperate with such foundations at all times and to stimulate their efforts by counsel, by personal contacts and by providing promotional materials. Further, the foundations
shall report periodically to the Chancellor through the component institution development boards. Every effort should be made to permit a free range of initiative within the foundations, but activities should be in conformity with policies of the Board of Regents so as to permit maximum overall achievements in fund raising throughout The University of Texas System.

3.15 There should be periodic reviews of the activities of each foundation to determine its effectiveness; and, if it is unproductive over a reasonable length of time, provisions should be made for its dissolution.

3.16 There shall be established, wherever practical, advisory councils to the foundations. The executive director of each component institution development board shall be an ex-officio nonvoting member of each such advisory council.

THE UNIVERSITY OF TEXAS SYSTEM DEVELOPMENT BOARD AND FOUNDATIONS

Sec. 1. The University of Texas System Development Board.

1.1 Responsibilities of the Board of Regents and Administrative Officials of The University of Texas System in Private Fund Development.--Among the most important responsibilities of the Board of Regents are those of establishing policies and procedures by which the developmental needs of The University of Texas System and its component institutions can be determined and of directing vigorous efforts to attract private fund support for meeting these needs. For the discharge of these responsibilities, the Chancellor is to serve as the chief executive agent of the Board of Regents, with fund development a major obligation, and the administrative head of each component institution is to serve as chief executive officer in this regard for his institution.

1.2 Responsibilities and Duties of The University of Texas System Development Board:

1.21 The University of Texas System Development Board is the agency responsible to the Chancellor, and through him to the Board of Regents, for all private fund development for The University of Texas System. Provided, however, that with the approval of the Chancellor and the Board of Regents any component institution may have a Development Board dedicated to its own special interests.

1.22 The University of Texas System Development Board shall, after conference with the Chancellor, recommend to the Board of Regents policies which shall govern activities and responsibilities in cultivating and securing private funds for The University of Texas System and its component institutions.

1.23 In the absence of unusual circumstances, no major fund development effort or decision not covered by previously adopted regulations of the Board of Regents shall be recommended by the Chancellor to the Board of Regents without prior advice thereupon by The University of Texas System Development Board, which advice shall be transmitted to the Board of Regents.
1.24 All fund development agencies and organized fund development enterprises of The University of Texas System shall be under the jurisdiction of The University of Texas System Development Board and shall operate under policies adopted by it and approved by the Chancellor and the Board of Regents.

1.25 The University of Texas System Development Board shall have particular responsibility for formulating and actively promoting support for both current and long-term programs designed to meet developmental needs of The University of Texas System and its component institutions. The Chancellor shall lay before The University of Texas System Development Board at periodic intervals descriptions of current needs as determined by the Board of Regents, the University administration, and the several faculties, taking into account any such needs as The University of Texas System Development Board has recommended for consideration. The University of Texas System Development Board should also be continuously alert to gift possibilities not necessarily related to predetermined projects. The programs of activities formulated by The University of Texas System Development Board shall be submitted to the Chancellor and the Board of Regents for information, and periodic reports of progress shall be made. It is expected that the continuing program of The University of Texas System Development Board will include vigorous cultivation and dissemination of information supporting gifts and endowments.

1.3 Composition and Operation of The University of Texas System Development Board.

1.31 The University of Texas System Development Board shall consist of two members of the Board of Regents designated by the Chairman, with the consent of the Board of Regents, the Chancellor, six members named by the Executive Council of the Ex-Students' Association of The University of Texas at Austin, and at least fifteen members named by the Board of Regents.

All appointees, except the Chancellor and the member from the Board of Regents, shall serve for three-year terms. Terms are staggered and begin on September 1 of the appropriate year. In selecting members, the Board of Regents and the Executive Council of the Ex-Students' Association of The University of Texas at Austin shall give due consideration to geographical and component institution factors. Vacancies shall be filled by the original appointing agency.

1.32 The University of Texas System Development Board shall designate one of its members as Chairman, and shall provide for such other officers as it deems necessary. It shall adopt bylaws governing its operations and shall file them, and sub-

2.11 The establishment of internal foundations shall be limited to teaching and research divisions of The University of Texas System. This is not in any sense to be construed as excluding non-teaching and non-research divisions from seeking support from private sources through The University of Texas System Development Board as the authorized agency for correlating all fund-raising activities.

2.12 The establishment of foundations for other than colleges or schools shall be limited to divisions and departments with respect to which it can be clearly demonstrated that there exists actually or potentially the support of a strong business or professional group, such as exists in the case of the Geology Foundation of The University of Texas at Austin, and the activities of which will not be in substantial conflict with the foundation which represents the school or college of which the division or department is a part. It is believed that divisions and departments which cannot meet these tests may effectively work as separate groups within the framework of the foundation which represents this school or college. The provisions now existing for the designation of special funds to be used for specific activities should continue within the framework of the various foundations. This opportunity to earmark funds obtained by specific groups should help to avoid stifling the interest and initiative of these groups.

2.13 Any foundation in addition to those now existing shall be authorized by the Board of Regents only after approval by The University of Texas System Development Board and by the Chancellor.

2.14 The work of all internal foundations shall be considered a part of the work of The University of Texas System Development Board, and each such foundation, through its directing head and the institutional head shall cooperate closely with The University of Texas System Development Board office and shall keep that office informed of its activities. It is the duty of The University of Texas System Development Board to cooperate with such foundations at all times and to stimulate their efforts.
2.15 There should be periodic reviews of the activities of each foundation to determine its effectiveness, and provision should be made for its dissolution if it is unproductive over a reasonable length of time.

2.16 Internal foundations shall not necessarily be restricted to The University of Texas at Austin but should be established at component institutions where conditions may warrant.

2.17 There shall be established, wherever practicable, advisory councils to the foundations. The Executive Director of The University of Texas System Development Board shall be an ex-officio nonvoting member of each such advisory council.

2.18 The presently authorized Internal Foundations are:

by counsel, by personal contacts, and by providing promotional materials. Further, the foundations shall report periodically to The University of Texas System Development Board. Every effort should be made to permit free range of initiative within the foundations, but activities should be in conformity with The University of Texas System Development Board policies so as to permit maximum over-all achievements in fund-raising.

2.15 There should be periodic reviews of the activities of each foundation to determine its effectiveness, and provision should be made for its dissolution if it is unproductive over a reasonable length of time.
