of the National Guard or Official Militia of Texas, or Members of any of the Reserve Components of the Armed Forces, are engaged in field or coast defense training, parade or encampment as ordered or authorized by proper authority. During such periods, the employee is absent without loss of efficiency rating or vacation time, or salary, and is restored to the position and status he previously held when relieved from military duty.

2.32 The institutional heads may prescribe forms and procedures for such requests.

2.4 Overtime.

2.41 Classified Personnel.

2.411 The schedule of activities shall be so organized that employees are not required to work in excess of established work periods except when operating necessities demand it. Equivalent compensatory time off for required overtime of at least one hour or more above established work periods is given employees whose salaries are below the minimum for a full-time instructor at all institutions except the M. D. Anderson Hospital and Tumor Institute where definite salary limits are set.

2.412 Overtime equivalent not to exceed a regular work week may be accumulated and compensatory time taken at a mutually convenient time. Under exceptional circumstances payment may be made to eligible employees on a straight time basis from the budget of the employing department, upon approval of the appropriate administrative officials.

2.413 Full-time employees on a twelve months' salary basis shall not be permitted extra employment on government and other sponsored projects, except in rare instances when the interest of the institution is paramount. In the event that such employment is approved, it is limited to a maximum of 10 additional hours per week.

2.42 Faculty.

2.421 Full-time regular faculty members of the rank of Instructor or above (excluding Special Instructors and Lecturers) are permitted to work a maximum of 10 hours per week additional time in government and other sponsored projects upon recommendation of the chairman and dean of their respective departments, schools, or colleges, and with the approval of the project director and the head of the component institution and to receive extra compensation for such work at a pro rata of their regular full-time teaching salary rate; provided, however, that such additional work does not interfere with the regular full-time duties of the individual.

2.422 Part-time regular faculty members of the rank of Instructor or above (excluding Special Instructors and Lecturers) who
teach at least one-half time may be similarly approved for additional work in government and other sponsored projects subject to a maximum combined work load of 50 hours per week, compensation in the sponsored project to be at a pro rata of the regular full-time teaching salary rate.

2.423 In unusual circumstances and only when the best interests of the institution so dictate, the provision of Sec. 2.422 requiring half-time teaching as a condition to additional work on sponsored projects may be waived for regular faculty members of the rank of Assistant Professor or above by advance approval of the institutional head, the Chancellor and the Board of Regents.

2.424 Employees holding a part-time position of Special Instructor or Lecturer combined with a classified position shall be paid at the respective rate applicable to each position. The provisions of Section 2.422 relating to additional work in government or other sponsored projects do not apply.
