8. By adding a new section, Section 8, to Chapter VI, which reads as follows:

8. **Group Long Term Disability Income Insurance.**

8.1 The University carries a master group long term disability income insurance policy, covering all institutions, with the Aetna Life Insurance Company. Premiums are payable monthly in advance, by payroll deduction, and the rate applies to the monthly rate of basic earnings of each covered employee regardless of age. The program is optional but is available only to faculty members with the rank of Instructor or higher, or full-time monthly salaried employees. New employees are notified of their eligibility by the Personnel Office at the time of employment. The plan became effective initially on October 1, 1965.

8.2 Monthly rate of basic earnings is the rate in effect on the October 1 before the start of an individual's disability. Furthermore, monthly rate of basic earnings is defined as 1/9 of the base rate for academic personnel paid on a nine-month basis and 1/12 of the base annual rate for non-teaching employees or any other person paid on a twelve-month basis. In no case shall monthly rate of basic earnings exceed $2,500.00 per month. All premiums and benefits are payable 12 months per year.

8.3 The plan guarantees benefits of 65% of the monthly rate of pay up to maximum monthly benefits of $1,625.00 per month, and any extra compensation is excluded. The plan will pay all of this 65% guarantee if the insured is not eligible for "other income benefits." If he is eligible for "other income benefits," the plan will add to the total of "other income benefits" to make up this 65% guarantee. In general, the plan counts as "other income benefits" any wages, salary, or other remuneration a person might receive from their component institution, or from any other employer, while they are eligible for income benefits from the plan. Also counted are any disability benefits payable under any law or under any plan sponsored by The University of Texas.

8.4 Covered employees will be eligible for the first income payment from the plan after having been "totally disabled" throughout a qualifying period of 90 days. Payments will be made as of the end of each calendar month. Benefits continue to be paid as long as a person is "totally disabled"; however, all income payments will stop when a person recovers, dies, or reaches age 65--whichever happens first.
8.5 No medical examination is required if application is made for insurance within 60 days from date of employment. After the 60 day period, an "Evidence of Insurability" form, prepared by the company and available through the Personnel Office is required. No medical examination is required if this form is accepted by the company after review, but, if it is not so accepted, the applicant must have a medical examination at his expense.

8.6 Each policyholder receives a certificate issued by the company which is prepared and transmitted through the Business Office or Personnel Office.

8.7 The insurance of any employee under this policy shall terminate at the earliest time specified below:

8.71 Upon discontinuance of the policy.

8.72 At the end of a policy month during which the employee's employment with the University in the classes eligible for the insurance terminates.

8.73 On the date the employee attains the age of sixty-five years.

8.8 A person may continue to keep the coverage during periods of Official Leave of Absence upon the direct payment of premiums through the Business Office of the appropriate component institution.

4.6 The current appropriation bill provides that no funds appropriated thereby may be expended for the purchase or maintenance of motor vehicles by a state institution unless the institution submits to the Legislative Budget Board and the Governor's Budget Office within thirty (30) days after the beginning of each fiscal year a complete list of all rules, regulations, and policies prohibiting and penalizing the personal use of State-owned passenger vehicles by employees.

12.2 TV Stations Prohibited. - "None of the moneys appropriated in this Article may be expended for the acquisition, construction or operation of television transmitter station; provided, however, this prohibition shall not be construed so as to prevent the medical schools, dental school, general academic institutions or other agencies of Higher Education named in this Article from using closed-circuit television for purely instructional purposes, or to prevent general academic teaching institutions with existing transmitter stations to use same for educational purposes, or to prevent the continuance of operating arrangement with existing transmitter stations for purely educational purposes."

-99-
12.5 Use of Educational and General Funds for Alumni Activities Prohibited. -- "None of the educational and general funds or of the Constitutional funds appropriated by this Article may be expended by State agencies of higher education for the support and maintenance of alumni organizations or activities."

A copy of the contract shall be filed with the State Board of Control showing the location within the agency and the terms of the contract. Proceeds, net revenue, rentals or commissions received be accounted for as State Revenue and the amount so collected is hereby appropriated to the Institution for use as directed by the Board authorizing the installation."

12.7 Pay Station Telephones Authorized. -- "Pay telephones may be located in State-owned Buildings or on State-owned Land only with the approval of the governing Board and the net proceeds shall be collected and accounted for as State revenue and the amount so collected is hereby appropriated for use by the agency as determined by the governing Board."

Amendment No. 47, Rules and Regulations, Part Two, Chapter I, Subsections 1.3 and 1.4.--The Academic and Developmental Affairs Committee recommends that the Rules and Regulations of the Board of Regents for the Government of The University of Texas, Part Two, Chapter I, Subsections 1.3 and 1.4, be deleted and that the following be inserted in lieu thereof in the revised copy of Fiscal Regulations (Part Two of the Rules and Regulations) now in process. The purpose of this amendment is to secure uniformity in the reporting of gifts by the component institutions:

1.3 The authority to accept gifts to a component institution is delegated to the institutional head when the gift is to a fund, foundation, or enterprise already approved by the Board of Regents or is a continuation of a series which has been previously approved by the Board. Such gifts shall be reported to the Board arranged uniformly as prescribed by the Office of the Board of Regents by the dockets of each component institution.

RULES AND REGULATIONS, PART TWO (FISCAL REGULATIONS)
READOPTION; AUTHORIZATION TO EXECUTIVE COMMITTEE. --
Section 19, Article IV Special Provisions, S. B. No. 1, First Called
Session, 57th Legislature (1961) requires that "the local rules and
regulations for the fiscal management of that institution; reference to
the special provisions, prohibitions and requirements of this Article;
and reference to the applicable provisions of other State or Federal
laws and regulations governing the custody, expenditure and accounta-
tility of and for public funds" shall be revised at least biennially within
ninety (90) days after the beginning of the fiscal year and that a copy
of such regulations shall be furnished to the State Auditor.

The Central Administration states that because of the late passage of
the Appropriation Bill there has not been time to revise completely the
Fiscal Regulations (Part Two of the Rules and Regulations) of the
Board to comply fully with the rider provisions of the current Appro-
priation Bill.

It is hoped that the revision can be ready shortly and it is desirable
that the Board's approval be obtained at the earliest possible time to
permit compliance with the filing requirements. In this connection,
the Committee of the Whole recommends that the following proposals
of the Administration be approved:

1. Until the revised fiscal regulations are approved, the
Board of Regents readopts the existing fiscal regula-
tions with the express understanding that they are
modified and superseded by any and all rider provi-
sions and statutory provisions adopted by the 57th
Legislature to the extent that the existing regulations
differ therefrom.

2. The Executive Committee is expressly authorized to
consider and approve a redraft of the fiscal regula-
tions which comprise Part Two of the Rules and Reg-
ulations of the Board of Regents for the Government
of The University of Texas.
Amendment No. 2, Rules and Regulations, Part Two, Chapter III, Section 13. — In order to conform to Section 34, Article V, Senate Bill No. 1, of the First Called Session of the 57th Legislature, 1961, the Academic and Developmental Affairs Committee recommends that the Rules and Regulations of the Board of Regents for the Government of The University of Texas, Part Two, Chapter III, Section 13 be amended to include the Vice-President and Provost of the Main University and be approved as amended as a part of the fiscal regulations for the 1961-63 biennium to read as follows:

Sec. 13. Absence from Usual and Regular Duties, Authorization for Absence, Including Travel, and Travel Expense Reimbursement.

13.1 Absence from Usual and Regular Duties

13.11 Authorization for any member of a faculty or staff of the University to be absent from his usual and regular duties will be granted only under the following conditions:

13.111 When such absence is on state business, which shall include, among other purposes, the formal presentation of original researches by an employee before a national, regional, or state learned society, and

13.112 When appropriate provisions are made to carry on the duties of the absent person without additional expense to the University.

13.2 Authorization for Absence for Staff Members Whose Regular Duty Does Not Require Travel.

Authorization for absence from usual and regular duties, including travel from the city or town where the University officer or employee is regularly stationed, will be granted by the Board of Regents, or by the Administrative Officer to whom the Board may delegate authority, only by advance permission obtained as follows:

13.21 Request for permission to be absent for a period not in excess of one week (7 calendar days) shall be transmitted through the proper administrative channels to the executive head of the component institution for approval. At the Main University, request for such absence, including travel on official business without expense to the University, shall be transmitted, with reasons therefore, through the departmental chairman or administrative superior to the appropriate dean or equivalent administrative officer for approval; but if reimbursement for travel is involved, the approval of the President is required.
13.22 Request for permission to be absent for a period in excess of one week but not in excess of two weeks, including travel on official business, shall be transmitted through proper administrative channels to the Chancellor of the University for approval prior to such absence.

13.23 Request for permission to be absent for a period in excess of two weeks (excluding holidays approved by the Board), including travel on official business, shall be transmitted through proper administrative channels to the Chancellor of the University and to the Board of Regents or the Executive Committee of the Board for approval prior to such absence.

13.24 Request for permission to be absent by the administrative officers and staff of Central Administration shall be approved by the Chancellor.

13.25 Any travel which contemplates reimbursement from funds appropriated by the Legislature for travel expenses incurred outside the continental limits of the United States must have the written approval of the Chancellor of the University and the Governor prior to the travel, in addition to the authorizations required in the appropriate preceding subdivisions.

13.26 In lieu of any of the delegations of authority to approve absence from usual and regular duties, including official travel, specified in the above subdivisions, the Chancellor of the University may exercise such authority.

13.27 The chief administrative officers of the component institutions shall keep records of all approved absences and shall submit detailed summaries periodically to the Chancellor for distribution to the Board of Regents.

13.28 Approvals of travel shall not be routine or perfunctory, but shall be made only after the executive head, or his authorized representatives, have carefully examined the purpose and need for each trip with a view to the economic and effective utilization of all travel funds.
13.3 Approval of Travel Expense Reimbursements

13.31 Travel Expenses shall be reimbursed only from funds appropriated or authorized for travel. Heads of component institutions shall plan the travel of all employees under their authority to achieve maximum economy and efficiency.

13.32 Travel vouchers for reimbursement of all official travel authorized pursuant to the foregoing provisions shall be approved and signed as follows:

13.321 Central Administration - Reimbursement for all travel shall be approved either by the Chancellor of The University of Texas or by the Auditor or Assistant Auditor of the Main University.

13.322 Component Institutions - Reimbursement for all travel by employees of the component institutions shall be approved either by the Chancellor of The University of Texas or by the administrative officers designated below:

Amendment No. 1, Part Two, Rules and Regulations, Overtime.--In the Material Supporting the Agenda, Chancellor Ransom presented an amendment to the Rules and Regulations of the Board of Regents for the Government of The University of Texas, Part Two, Chapter V, Subsection 2.4. However, at the meeting, he concurred in Dean Gill's request that Southwestern Medical School be included in this program rather than made an exception. The Academic and Developmental Affairs Committee recommends that Part Two of the Rules and Regulations, Chapter V, Subsection 2.4 be deleted and the following inserted in lieu thereof:

Sec. 2. General Personnel

2.4 Overtime.
2.41 Classified Personnel.

2.411 The schedule of activities shall be so organized that employees are not required to work in excess of established work periods except when operating necessities demand it. Equivalent compensatory time off for required overtime of at least one hour or more above established work periods is given employees whose salaries are below the minimum for a full-time instructor at all institutions except the M. D. Anderson Hospital and
Establishment of System Personnel Office. --The establishment of a System Personnel Office, Central Administration, was recommended by the Academic and Developmental Affairs Committee as suggested in the information in the Material Supporting the Agenda mailed to each Regent. This proposal expands the Workmen's Compensation Insurance and Other Staff Benefits Office into a System Personnel Office effective April 1, 1961. The change involves three personnel assignments and two salary increases (These will be reported in the May docket.) and amends the Rules and Regulations of the Board of Regents for the Government of The University of Texas as follows:

1. Part One, Amendment No. 3. --Amend Chapter II by deleting subsection 7.423 and substituting in lieu thereof the following:

Responsibility for fiscal and budgetary aspects of the System Personnel Office.
In order to conform to Chapter VII, subsection 4.1, Page 56 (loose leaf copy), this will be voted on at the May meeting.

2. Part Two, Amendment No. 1.

a. Amend Chapter V by deleting subsection 1.26 and substituting in lieu thereof the following:

1.26. -- System Personnel Adviser. The System Personnel Adviser serves as a staff officer advising the Chancellor through the Vice-Chancellor (Fiscal Affairs) on the Classified Personnel programs, Workmen's Compensation insurance, and other staff benefits, for each of the component institutions of the system.

b. Amend Chapter VI by deleting subsections 1.9, 5.9, and 5.(10) and substituting in lieu thereof the following:

1.9. -- Information pertaining to options under which retirement benefits may be drawn and to reciprocal service between the Teacher and Employees Retirement Systems, as well as other information, may be secured from the local institutional business or personnel office, the Central Administration System Personnel Office, or the Teacher Retirement System in Austin.

5.9. -- The supervisor of a covered employee who is injured during the course of employment must file a complete report with the Supervisor of the Workmen's Compensation Insurance Office whether or not time is lost from work. If time is lost, a supplemental report is filed when the employee returns to work. When the time lost is over 60 days, this report is filed at the end of each 60-day period. The same form is used
if the employee is disabled later due to the original injury. In the event of death of the injured employee, the form is filed immediately.

5. (10). -- The employees' supervisors are also responsible for keeping in close touch with injured employees and their attending physicians and investigating medical attention to see that unnecessary aid and visits are avoided. They approve the statement from the physician as to services rendered although not actual charges for treatment.

c. Amend Chapter VI, Sections 2 and 5, by substituting throughout:

(1) "Supervisor of Workmen's Compensation Insurance" for "Director of Workmen's Compensation Insurance and Other Staff Benefits."

(2) "System Personnel Office" for "Workmen's Compensation Insurance and Other Staff Benefits Office."
