Use of Historically Underutilized Businesses

2. Rule and Regulation

- Sec. 1 Good Faith Effort. It is the policy of the Board of Regents to promote full and equal opportunity for all businesses to supply the goods and services needed to support mission, administrative, and logistical operations of the U. T. System. The U. T. System commits to a good faith effort to increase purchases from and contract awards to Historically Underutilized Business (HUB) firms consistent with the state's goals for HUB participation and overall economic development.
- Sec. 2 Establishment of Procedures. The U. T. System has a compelling interest to assure that procurement funds always are expended in an equal-business-opportunity context. To meet that obligation, the Board of Regents delegates to the Chancellor the responsibility for establishing and maintaining procurement systems and procedures that is nondiscriminatory with respect to race, color, religion, sex, or national origin. That obligation also encompasses procurement systems and procedures of business firms under contract with the U. T. System in order to preclude U. T. System institutions' passive participation in an unlawfully discriminatory marketplace. The Chancellor is also responsible for developing procedures to ensure that a good faith effort is made to meet the state's goals for HUB participation and overall economic development.
- Sec. 3 Adoption of Guidelines. The Board of Regents adopts the use of the guidelines and related rules of the Texas Procurement and Support Services Division of the Texas Comptroller of Public Accounts (34 *Texas Administrative Code* [Part 1, Sections 20.11 – 20.28](#)).
- Sec. 4 Scope. This policy applies to acquisition of specified commodities, professional and other services, and construction services, by System Administration and institutions of the U. T. System, including auxiliary enterprises, regardless of funding source (treasury or non-treasury funds).
