Bauer House Event Guidelines

Bauer House, the official residence of the Chancellor and his family, also serves as a university facility for UT System-sponsored events and meetings.

Any group that is part of the UT System may request to use the facility by submitting an official request form to the Office of External Relations. The form is attached and can be found at [www.utsystem.edu/offices/community-and-business-relations](http://www.utsystem.edu/offices/community-and-business-relations). We strongly suggest that request forms for all events be submitted at least two months in advance of the event. The first floor of Bauer House and/or the Denius Pavilion are the spaces most often utilized for events. On special occasions the surrounding grounds may also be used. Maximum occupancy for the available spaces is as follows:

<table>

<tr>
<td>Library – theatre seating or seated dinner: 40</td>

All requests must be aligned with the mission of the UT System. Each request will be carefully evaluated and usage of the facility granted based upon the following criteria:

1. the proposed event’s purpose is consistent with the goals and mission of the UT System
2. availability of the facility
3. schedule and demands of UT System staff members
