

Anissa Adams

Anissa Adams is the Communications Specialist for the Texas Child Mental Health Care Consortium. She was previously a Communications & Graphic Design Intern for TCMHCC. Prior to joining the UT System, Anissa was the Digital Media Specialist for a local museum where she developed and distributed communication material, created museum social media content, managed email marketing strategies, and created brand kits for promotional and print material for museum events. Anissa earned her Bachelor of Science in Digital Media Innovation with honors from Texas State University.
