

Gabriela Garcia

Gabriela Garcia is the Program Coordinator for the Texas Child Mental Health Care Consortium (TCMHCC) responsible for program's administrative operations. Before joining UT System, she spent 29 years working in Texas government in the areas of communications, event planning, and administrative support for executive offices. Her communications experience includes positions as agency spokesperson and managing community advisory committees for the I-35 and I-69 corridors at the Texas Department of Transportation and as press assistant with the Office of the Governor. In addition, experience in executive office support includes commission aide at the Texas Transportation Commission and executive assistant to the executive administrator at the Texas Water Development Board. A native of Laredo, Texas, she received a bachelor's degree in advertising from The University of Texas at Austin.
