UT System Administration Office of HUB Programs

HSP OPTION 4 – Will NOT Meet HUB Subcontracting Goal (Good Faith Outreach Required)

The University of
Texas System

Option 4 – Complete this Subcontracting HSP Option if:

1. Subcontracting opportunities will be performed by Texas-certified HUB vendors AND NON-HUB vendors, or only by Non-HUB vendors.
2. All HUB subcontracted work will NOT meet stated HUB participation percentage goal as defined in RFP.
3. Since the subcontracted work will NOT meet the stated HUB participation percentage goal, a Good Faith Effort (GFE) solicitation of HUB vendors will be required. These solicitations must allow up to seven (7) working days for HUBs to respond. All solicitations (including emails) must be included with your final HSP submittal to demonstrate GFE (*ref: Section B-3 of the HSP form*).

*A guide on how to use the CMBL can be found [here](#). You are also *strongly* encouraged to contact the HUB Coordinator listed in the RFP for assistance.

I am pleased to submit this HUB Subcontracting Plan as an integral part of our response to your solicitation document for the above-referenced project.

HUB Subcontracting Plan (HSP)

In accordance with Texas Gov't Code §2161.252, the contracting agency has determined that subcontracting opportunities are probable under this contract. Therefore, all respondents, including State of Texas certified historically Underutilized Businesses (HUBs) must complete and submit this State of Texas HUB Subcontracting Plan (HSP) with their response to the bid requisition (solicitation).

NOTE: When a state agency requires a subcontracting plan, a bid, proposal, offer, or other applicable expression of interest for the contract must contain a plan to be considered responsive.

The HUB Program promotes equal business opportunities for economically disadvantaged persons to contract with the State of Texas.

- - Agency Special Instructions/Additional Requirements - -

In accordance with 34 TAC §20.285(c), a respondent (prime contractor) may demonstrate good faith effort to utilize Texas certified HUBs for its subcontracting opportunities if the total value of the respondent's subcontracts with Texas certified HUBs meets or exceeds the statewide HUB goal or the agency specific HUB goal, whichever is higher. When a respondent uses this method to demonstrate good faith effort, the respondent must identify the HUBs with which it will subcontract. If using existing contracts with Texas certified HUBs to satisfy this requirement, only the aggregate percentage of the contracts expected to be subcontracted to HUBs shall qualify for meeting the HUB goal.

The goals below are the applicable goals for The University of Texas System Administration only effective December 1, 2025.

- N/A% for heavy construction other than building contracts;
- 1.0% for all building construction, including general contractors and operative builder's contracts;
- 1.0% for all special trade construction contracts;
- 1.75% for professional services contracts;
- 0.25% for all other services contracts; and,
- 0.25% for commodities contracts.

- Respondents shall submit a completed HUB Subcontracting Plan (HSP) to be considered responsive. Failure to submit a completed HSP shall result in the bid, proposal or other expression of interest to be considered Non-responsive.
- Prime Contractor Progress Assessment Report (PAR) shall be submitted with each request for payment as a condition of payment.
- Please note that phone logs are no longer acceptable documentation of Good Faith Effort. Only fax, email and certified letter are acceptable.

Page 11 (continued) - HSP Good Faith Effort - Method B (Attachment B)

B-3: *You must comply with Items a, b, c and d.* You are encouraged to use the included Notification Form (Page 13).

Note: all solicitation correspondence with HUBs must be submitted with your HSP as evidence of good faith effort.

a. Allow the HUBs at least seven (7) **working days** (NOT Calendar days) to respond. The initial day notice is sent is considered "day zero", and the day the HUB responds is considered "day 8". Neither counts as one of the seven (7) working days.

b. List three (3) HUBs contacted* for subcontracting opportunities.

c. Provide your subcontracting opportunity notice to trade organizations at least seven (7) working days prior to submitting your bid response.

d. List two (2) Trade Organizations contacted for these subcontracting opportunities. Trade Organizations can be found [HERE](#)

SECTION B-3: NOTIFICATION OF SUBCONTRACTING OPPORTUNITY

When completing this section you MUST comply with items a, b, c, and d, thereby demonstrating your Good Faith Effort of having notified Texas certified HUBs and trade organizations or development centers about the subcontracting opportunity you listed in SECTION B-1. Your notice should include the scope of work, information regarding the location to review plans and specifications, bonding and insurance requirements, required qualifications, and identify a contact person. When sending notice of your subcontracting opportunity, you are encouraged to use the attached HUB Subcontracting Opportunity Notice form, which is also available online at <https://www.comptroller.texas.gov/purchasing/vendorhub/forms.php>.

Retain supporting documentation (i.e., certified letter, fax, e-mail) demonstrating evidence of your good faith effort to notify the Texas certified HUBs and trade organizations or development centers. Also, be mindful that a working day is considered a normal business day of a state agency, not including weekends, federal or state holidays, or days the agency is declared closed by its executive officer. The initial day the subcontracting opportunity notice is sent/provided to the HUBs and to the trade organizations is considered to be "day zero" and does not count as one of the seven (7) working days.

a. Provide written notification of the subcontracting opportunity you listed in SECTION B-1, to three (3) or more Texas certified HUBs. Unless the contracting agency specified a different time period, you must allow the HUBs at least seven (7) working days to respond to the notice prior to you submitting your bid response to the contracting agency. When searching for Texas certified HUBs and verifying their HUB status, ensure that you use the State of Texas' Centralized Master Sellers List (CMBL) - Historically Underutilized Business (HUB) Directory Search located at <https://mycgoa.gsa.state.tx.us/lassombisearch/lassombisearch.do>. HUB status code "A" signifies that the company is a Texas certified HUB.

b. List the three (3) Texas certified HUBs you notified regarding the subcontracting opportunity you listed in SECTION B-1. Include the company's Texas Vendor Identification (VID) Number, the date you sent notice to that company, and indicate whether it was responsive or non-responsive to your subcontracting opportunity notice.

			<input type="checkbox"/> - Yes <input type="checkbox"/> - No
			<input type="checkbox"/> - Yes <input type="checkbox"/> - No
			<input type="checkbox"/> - Yes <input type="checkbox"/> - No

c. Provide written notification of the subcontracting opportunity you listed in SECTION B-1 to two (2) or more trade organizations or development centers in Texas to assist in identifying potential HUBs by disseminating the subcontracting opportunity to their members/participants. Unless the contracting agency specified a different time period, you must provide your subcontracting opportunity notice to trade organizations or development centers at least seven (7) working days prior to submitting your bid response to the contracting agency. A list of trade organizations and development centers that have expressed an interest in receiving notices of subcontracting opportunities is available on the Statewide HUB Program's webpage at <https://www.comptroller.texas.gov/purchasing/vendorhub/resources.php>.

d. List two (2) trade organizations or development centers you notified regarding the subcontracting opportunity you listed in SECTION B-1. Include the date when you sent notice to it and indicate if it accepted or rejected your notice.
