About UT System
Established by the Texas Constitution in 1876, The University of Texas System consists of eight academic and five health institutions. The University of Texas System is primarily based in Austin, TX and is responsible for the central management and coordination of the thirteen institutions. Diversity and inclusion are core values for UT System, which serves the needs of a diverse and growing state. To that end, our review of applications will embrace the principles of veterans and former foster children employment preferences (state laws), all of which are intended to promote diverse interview pools.

About the Office of the Chief Information Officer
The Office of the Chief Information Officer provides support to UT System Administration staff and departments by providing proactive, customer focused information management and technology services and ensuring a secure technology infrastructure.

Position Description
Seeking an energetic, motivated, and dedicated Information Technology (IT) Project Management Student Associate with exceptional communication and writing skills to work alongside our Team on IT related projects. We offer an opportunity to work in an enterprise environment focused on managing and completing projects to enhance the productivity of the UT System Administration staff and support strategic initiatives.

Essential Functions
The IT Project Management Student Associate will work with The University of Texas System Administration's Office of the Chief Information Officer Project Management Office (PMO) to assist in managing and supervising administrative, technical, and financial aspects of assigned projects from project inception to completion. Duties will include:

- Support PMO and stakeholders to gain exposure and understanding of project management methodologies and processes in a professional environment.
- Ensure project requirements, standards, and documentation are followed.
- Ensure projects are in scope, on schedule, and within budget including project status and health.
- Provide an active role and use critical judgment in the development of all project deliverables.
- Ensure quality and timely submission of all project deliverables and documentation.
- Identify, manage, and resolve project risks and issues.
- Monitor quality assurance and change control processes.
• Communicate with project sponsors, team, and other stakeholders.
• Other duties and projects as assigned (e.g., assisting with project management, evaluating, and deploying Microsoft Azure cloud services, providing training to end users, developing Power BI data and analytics reports, reviewing infrastructure lifecycle, etc.).

Required Qualifications
Interested students should meet the following criteria:
• Currently a rising junior, junior, rising senior or senior enrolled in an undergraduate program at The University of Texas at Austin or The University of Texas at Dallas OR graduate student who has completed at least one semester of coursework.
• Basic computer connection skills (connect monitor, keyboard, mouse, etc.)
• Able to offer attention to detail and accuracy in work produced.
• Able to work both cooperatively in a team environment and efficiently with limited supervision.
• Able to commit to a work schedule of 19.5 hours per week for the time period specified.

Knowledge, Skills & Abilities
Knowledge of general office practices and administrative procedures. Strong organization skills. Strong communication skills. Ability to manage a variety of tasks. Ability to use standard office equipment and software. Familiarity with Microsoft 365, networking concepts, cloud computing and workflow automation is helpful. Strong interest in project management.

Working Conditions
Work is performed in an office environment. Uses personal computer and other standard office equipment. Requires occasional travel, and evening or weekend hours.

How to Apply
Send one email to kmccormick@utsystem.edu as specified below.
• Subject Line: IT Project Management Student Associate – Spring 2023 – FirstName LastName (Please indicate Graduate or Undergraduate)
