UNTFINFOSEC provides a select number of vendors a special opportunity to educate, collaborate, and network with information security, IT, audit, and compliance personnel from the eight academic and six healthcare institutions of the University of Texas System.

The number of attendees at a typical UTINFOSEC meeting is 80-100 people – an extremely intimate event.

How Do Exhibitors Benefit?
- Gain exclusive exposure to information security staff from leading academic, research, and health institutions from across the University of Texas System.
- Connect with new contacts and generate interest for your organization’s products and/or services among key decision makers.
- Demonstrate your organization’s support for technical excellence before this key constituency.

Exhibitor Fee
For a fee of $800, exhibitors receive the benefits listed above in addition to the following:
- two attendees at the 1.5-day meeting, including meals and the evening reception;
- 6-foot exhibitor table with two chairs, power, and Wi-Fi;
- interactive game and scavenger hunt;
- company profile and logo placement in conference app
  - lead capture available for an additional fee

Presentation Proposals
Vendor presentation proposals will only be considered if the presentation is done in conjunction with a UT System institution.
