About UT System
Established by the Texas Constitution in 1876, The University of Texas System consists of eight academic and six health institutions. The University of Texas System Administration is based in Austin, TX and is responsible for the central management and coordination of the fourteen institutions.

About Office of Information Security
The Office of Information Security (ISO) provides guidance and support to The University of Texas System’s eight academic and six health institutions in their efforts to establish and maintain information security programs that protect and secure the information assets under their stewardship against unauthorized use, disclosure, modification, damage or loss.

About the Internship
The University of Texas System Internship (UTSI) is a paid 10-week program that dovetails project-based work experience with a robust professional development program, mentoring and opportunities for self-reflection.

More Information
