Accounts for Entertainment Expenses

Account 67106. Expenses associated with official occasions and event costs, rentals, bottled water, supplies for departmental kitchens, entertainment, decorations (including flowers), food, business lunches, staff recruitment functions, award and retirement events, receptions, conference/seminar/workshop costs, community outreach events, donor receptions/events, and other similar events/functions in the best interest of UT System. None of these expenses can be paid from state funds.

Account 67108 – Flowers. Cost of flowers sent by a department or office to honor the deceased or for other System Administration related purposes (i.e., show concern during illness, congratulations on birth of a baby), but not for decoration (which would be 67106). None of these expenses can be paid from state funds.
